Tawas Point Observes Special State Park Week

Governor Milliken has proclaimed the week of August 22-28 as "State Park Week in Michigan." This is in conjunction with similar programs being proclaimed throughout the nation emphasizing the important role that state parks play by providing recreational services to public users.

There are currently 73 administered state parks in Michigan and this figure will change as the need for more recreational area stimulates further park development. Michigan has what is considered to be one of the finest state park systems in the country and served more than 20,000,000 visitors in 1970. This figure, too, will be larger each year because of ever increasing interest in and usage of state parks.

Residents of the Tawassee need not travel too far afield for close-up observation of a state park, with one right here on Tawas Point. This is one of the state's newer parks and has only been in use for five years. Prior to that time, the park at East Tawas was owned and operated by the state.

Tawas Point is an interesting phenomenon in that a little over 100 years ago most of it was under water. The United States Coast Guard constructed its first lighthouse there in 1850. At that time, the lighthouse was located at the present site of the park office and workshop area and was then at the edge of the water. The entire property known as Tawas Point State Park has grown up out of the lake since 1850, being formed by the coastwise currents of Lake Huron, which drop sand rounding the point and increase in speed on entering Tawas Bay. The point is still growing by this process and its acreage may slowly increase.

History of the park had its earliest beginnings back in the late 1850s when the coast guard declared much of its land holdings on this peninsula as surplus. Much interest was expressed by local civic leaders, conservation clubs and others in acquiring this land for park development, but it was not until January 1961 that the land was purchased by the state for a potential state park. In all, 61.24 acres were purchased at one-half of the appraised value, amounting to \$29,250. The master plan for the park's development was approved July 12, 1963, and construction began in early 1964.

During 1964-65, a great many changes were wrought on the sandy spit of land. Two miles of blacktop road, a 100-acre parking lot, construction of two modern restroom facilities, development of 202 camp sites, a disposal station for trailers, change courts at the beach area and the endless hauling of fill and topsoil to make sand useable. In addition to this, more than 200 trees have been planted and carefully nurtured.

Tawas Point State Park was officially opened for camping in June 1966. During that first summer, the most time consuming, routine job for the crew of rangers was hauling cars, trucks and trailers out of the sand. It still needed more covering on its sandy sites. Throughout the season, the park accommodated 3,200 camping parties. In addition,

day use of the beach and picnic area began to grow appreciably with the advent of a good road and a parking lot on the popular beach.

Tawas Point is widely known by ornithologists as a fine habitat for shore birds and as a point of passage for birds in migration. For many years, it has been popular with bird watchers. The extreme tip of the point has been left in its natural state as a sanctuary for these birds and it has not diminished in popularity with the birds or human devotees. One of the newest features in the park is the development of "The Sandy Hook Nature Trail" which winds out through this natural area and is extremely popular with the visiting public. It is not uncommon in the spring and fall to witness caravans of up to 50 cars—members of the Audubon Society—on an annual pilgrimage to the point.

Things have changed a little since that first summer. Camping statistics have doubled and Tawas Point is fast becoming one of the more popular parks in Eastern Michigan and, unless someone strays off the road in an undeveloped area, no one gets stuck any more.

William Stark park manager, reported Monday that 4,800 camping families and approximately 170,000 persons had visited the park this year through the past week-end.

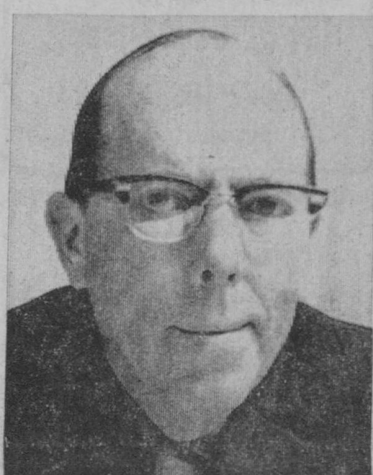

The park has not reached the end of the growing process. Funds in the amount of \$240,000 have been earmarked for future development and expansion of facilities. Included among these are beach development, concessions, better change courts and parking lot expansion, along with new workshop, office and residences for the manager and assistant manager. The master plan also shows an interpretive center and museum in the not too distant future.

ONCE AN AREA covered with blowing sand, Tawas Point State Park is now covered with grass and trees and its 202 camp sites have attracted 4,800 families thus far this year.—Tawas Herald Photo.

Howard Hatton Dies of Assault Injuries

Howard W. Hatton, 64, Tawas City businessman and veteran city councilman, died Sunday, August 22, at Saginaw General Hospital of injuries which he sustained the night of Monday, August 16.

HOWARD HATTON

Michigan State Police are continuing their investigation which began when Hatton was discovered around 11:00 p. m., August 16. A passerby found him lying on the ground behind his car on Hammell Beach Road, Arenac County, with severe head injuries.

An autopsy on the body was performed Monday at Saginaw. Two state police detectives have been assigned to the case. Officers were unable to question the injured man while he was undergoing emergency treatment at Tawas Hospital and he did not regain consciousness at Saginaw.

Police believe that a blunt instrument was used to inflict the injuries, which included a skull fracture, broken nose and head lacerations.

Howard William Hatton was born August 18, 1907, at Montrose. He came to Tawas City with his late parents, Mr. and Mrs. William Hatton. Howard joined his father in the operation of Hatton Barber Shop and had been a barber for 45 years in this community.

Hatton had served as Third Ward alderman on the city council since 1957 and was mayor pro tem at the time of his death.

He was a veteran of World War II, serving in the United States Army, and was a past commander of Jesse C. Hodder American Legion Post No. 189. He was a member of the Tawas City Businessmen's Association.

An avid outdoorsman, fly tier and rock hound, his greatest enjoyment in the field came from trout fishing on the AuSable River, deer and duck hunting.

He is survived by his wife, the former Winnie Babcock; one son, William H. Hatton, Mattydale, New York.

Funeral services will be held Wednesday (today), August 25, 2:00 p. m., from E. D. Jacques and Son Funeral Home, Tawas City. Burial will be in Memory Gardens Cemetery, Tawas City. The Rev. Kenneth Tausley will officiate.

Trio Charged With Robbing Grocery Store

Charged with armed robbery and badly beating a South Branch groceryman Wednesday night, three youths are being held at the Iosco County Jail under bond of \$25,000 each.

Held are Barton Kimball, 19, Bellaire; Alex McDowell, 19, Mio, and Virgil Bohley, 17, Luzerne.

The trio appeared Thursday before Stanley Snable, district court magistrate, who set the bond while they awaited arraignment in district court.

The three men were picked up at a sheriff's department road block in Oscoda County.

Richard Brooks, store proprietor, was badly beaten by gun butts of a rifle and shotgun held by two of the men, who entered the store with handkerchiefs over their faces.

Brooks was treated at Tawas Hospital and released Friday.

ROBERT McDONALD

Search Bay for Body Of Linden Man

Coast guard and sheriff's department rescue boats continued searching Monday morning for a 33-year-old Linden man, who drowned Sunday in Tawas Bay near Tawas Point.

Investigating sheriff's department officers said that William F. Stevens, accompanied by two Flint men, William Phillips and Gregory Clink, had been fishing.

Phillips told officers that the victim had decided to go swimming, took off his trousers and dove into the water near the No. 2 buoy. Phillips said that he noticed Stevens was having trouble swimming and he tossed a life jacket to him.

Officers said that Phillips then dove into the water to help Stevens. He was able to reach the man, but Stevens struggled in the water and Phillips lost his hold.

The victim did not return to the surface and the two men drove the boat to the coast guard boathouse to seek help. Coast guard and sheriff's department rescue boats were dispatched to the scene, where a search was conducted for four hours.

Searchers were hampered by a severe storm that moved into the area Sunday afternoon. Because of high wind and rain, the search for Stevens' body was discontinued until Monday.

Millage Passes at AuGres-Sims
Voters of AuGres-Sims School District Monday approved an 11.5-mill operational tax proposal, 429-287.

Two previous proposals to raise money for operating funds were defeated by voters.

McDonald New Asst. Principal at Tawas Area

Robert McDonald, former head of the social studies department and track coach, was named Monday as the assistant principal and athletic director at Tawas Area High School.

McDonald succeeds Bill McIntosh, who resigned recently to accept a new position as principal at Ogemaw Heights High School, West Branch-Rose City.

The new assistant principal has been a member of Tawas Area School faculty since 1960, following his graduation from Central Michigan University with a bachelor of science degree. He is a native of Durand.

He served as track coach at Tawas Area for 11 years and was cross-country coach for six years. He now retires from both of those positions to become athletic director.

McDonald is presently working toward his master degree in secondary administration, which he is to receive in December at Central Michigan University.

Prosecutor Reports Crime on Increase in Iosco County

Iosco's crime rate this year is expected to be double that of 1969, according to a report Wednesday by Pros. Atty. Kenneth J. Myles.

Appearing before the Iosco Board of Commissioners, the prosecuting attorney said that burglaries investigated by the sheriff's department, alone, had jumped from 106 in 1969 to 186 in 1970 and, during the first six months of 1971, there were 141 breakings and enterings in this county.

Myles said that a compiled report from state police and sheriff's department records, but not including police agencies of Oscoda, East Tawas or Tawas City, indicated that felony crimes had jumped from 520 in 1969 to 906 in 1970. This included burglaries, rape, aggravated assault, grand larceny, auto thefts, etc.

During this same period, arrests jumped from 96 in 1969 to 163 in 1970. Police agencies solved 18 percent of the crimes during 1970 and Iosco ranked 37th out of 83 counties in the state for solving crimes.

The prosecuting attorney issued 38 felony warrants during 1970 and some 64 felony warrants have been issued thus far this year by his office. The difference between arrests and warrants would indicate that more than one charge was made against a number of individuals.

Myles said that the increased crime rate, particularly in breakings and enterings, was centered in Western Iosco County, although the rate has increased in the southeastern part of the county as of late.

"This increased crime rate is a serious matter. Not only have burglaries increased, but other major

crimes are showing sharp increases and this county is just not equipped to handle this," Myles told county commissioners.

Myles was of the opinion that the only way to handle this crime rate was for those townships not having police departments to contract with the sheriff's department, to establish individual departments or to expand the sheriff's department at county expense.

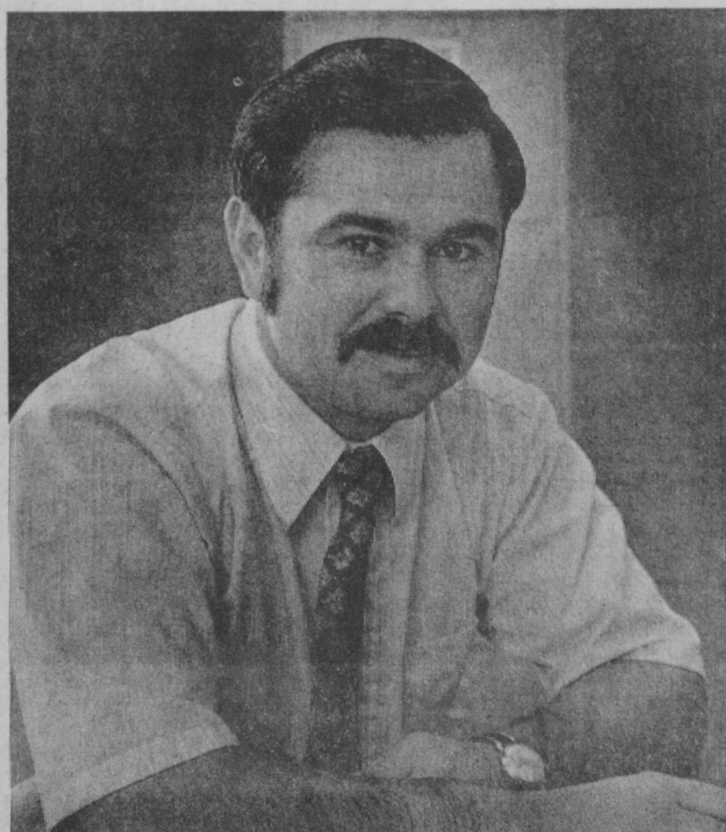

The prosecuting attorney recommended that another patrol car be placed on the road on the west side of the county, along with hiring another investigator. At least four additional men would be needed for another patrol car and the total added expense was estimated at \$50,000.

Jack Allen, Oscoda commissioner, recommended to the board that establishment of a county-wide police

force again be studied. Last year, there had been a move studied whereby police agencies of Tawas City, East Tawas and Oscoda Township be combined with the sheriff's department into one large organization.

It was thought a year ago that such an organization, with some additional personnel, would provide enough manpower to handle the entire county. In addition, Michigan State Police at East Tawas have responsibility for covering this county as well as parts of Alcona and Arenac Counties.

Members of the county board of commissioners are to meet with the township officers association of the county to discuss the matter and determine what steps are to be taken.

BENSON "PETE" BECK

Beck Named New Welfare Director

Benson "Pete" Beck, 33, is the new director of Iosco County Department of Social Services. Effective Monday, Beck succeeds Edward Burgess, who retired May 15 after 10 years of service in that position.

Beck was born and raised on a farm near Ithaca, Gratiot County, attended high school at Ithaca and graduated from Western Michigan University in 1965 with a bachelor degree in social sciences.

He joined the department of social services in Gratiot County in 1963 and had served as case worker supervisor there since August 1965.

In his new position, Beck will be responsible for the administration of all state and federal assistance programs in Iosco County, including aid to the blind, aid to de-

pendent children, surplus commodities, child welfare, medical assistance and the county relief program.

Beck said there was quite a marked contrast between Gratiot and Iosco, the former being 90 percent agricultural with a population of 40,000 people, many of whom commute to jobs in neighboring cities.

Beck was active in civic affairs of his community, being a past president of the Ithaca Junior Chamber of Commerce, a member of the board of directors of Big Brothers and a member of the Masonic Lodge.

The new director, his wife, Joyceann, and their two daughters, Erin, seven years of age, and Kyra, five years old, are making their home at 301 Seventh Street, Tawas City.

PASSING THROUGH the Tawas on the way to the Alpena fair was this Imlay City man, his dog, four ponies (two in the rear cart) and some rabbits. The entire procession, including two wagons, was pulled by two small ponies and camped Friday night in a vacant lot near the Julius Stainhurst residence on Fifth Avenue. Coming from fair appearances at Lapeer and Bay City, the procession left Saturday morning for Alpena.—Tawas Herald Photo.

Indies Go to Jackson by Beating Midland, 3-1

Tawas City Indies battled their way to a berth in the state baseball tournament with a 3-1 victory Sunday over Midland, champion of the Southern Division of the Northeastern Michigan League.

The NEM Northern Division championship squad is to play a double header Saturday, August 28, in the state tournament at Jackson. If a third game is necessary, it will be played Sunday.

Ron Leslie turned in another fine pitching performance as he limited the Midlanders to only five hits, one of those being a home run to

rhule in the fifth inning to account for the losers' only run.

The locals stranded 11 men on the base paths in the first three innings before finally getting to Weckesser, losing pitcher for Midland. The Tawas City nine scored three runs in the big fourth inning.

Leslie opened the inning with a single and advanced to second on a passed ball. Dale Koepke walked and Stanley batted a two-bagger to score both runners. Krish walked and Gene Jordan was out on a ground ball. Stanley scoring. Krish stole second base and was picked off

third by the pitcher. Petersen struck out to end the inning.

The locals threatened to score in the fifth inning when Busha and Francis Jordan hit back to back singles, but Weckesser struck out the next two batters.

Because of Sunday's severe rain storm, the game was called at the end of six innings with Tawas City holding the lead.

Busha was top sticker for Tawas City with three singles. Stanley's fourth inning double was the only hit for extra bases by the winners.

On recommendation of Edward Welsh, elementary supervisor, Mrs. Barbara Cuthbertson was named building principal for the East Tawas Elementary Unit.

The bid of American Oil Company was accepted for furnishing gasoline to the school. American Oil had a bid of 14¢ cents per gallon and Leonard Refineries entered a bid of 14.5¢ cents per gallon. The first bidder furnishes a pump and cost of a pump to be furnished by Leonard Refineries would run from \$75 to \$150, which was more than the difference between the two bids for approximately 40,000 gallons of gasoline to be purchased.

The board of education authorized the use of data processing for payroll to be furnished by National Electronics Transmission Service through Peoples State Bank on a trial basis.

Replacement of 10 typewriters for the commercial department, according to a program adopted last year, was authorized by the board of education.

Schmidt Family Held Reunion

The Schmidt family reunion was held at the home of Joseph Schmidt on Schmidt Road, Tawas Township, Sunday, August 15. Those present included Mr. and Mrs. James Danz (nee Lucille Schmidt) of Kerrville, Texas; Mr. and Mrs. Herbert Eodes of San Angelo, Texas; Mr. and Mrs. Bernard Gresting (nee Eva Schmidt) and family of Flint; Mr. and Mrs. James Schmidt and family of Allen Park; the William Schmidt family of Flint; Mr. and Mrs. Harry Hayton (nee Frances Schmidt) of Clio; Mr. and Mrs. Richard Ashmore (nee Rosemary Schmidt), also of Clio; Mr. and Mrs. Charles Heinrich (nee Joyce Schmidt) of Tawas City; Joseph Schmidt and friend of St. Clair; the Allen Schmidt family of Bay City; Mr. and Mrs. William McChesoney (nee Judy Schmidt) and family of Flint; Mr. and Mrs. Edward Robinson of Gladwin.

The Edward Schmidt family was unable to attend.

Oscoda Bandit Caught After Station Holdup

A masked bandit armed with a shotgun held up the Best Service Station at 200 North State Street, Oscoda, at 3:00 a. m. Wednesday and made off with an undisclosed amount of currency and coins.

Loran P. Haus, 19, Wurtsmith Air Force Base, is being held at Iosco County Jail on charges of armed robbery and two counts of breaking and entering.

Haus was arrested by township officers Wednesday night. Pros. Atty. Kenneth Myles issued a warrant charging Haus with breaking into the Ace Hardware at about 1:00 a. m. Wednesday and stealing a 12 gauge shotgun. A second count charges him with breaking into Quality Home Furnishings and taking a number of items.

The warrant charges that after committing these two burglaries, Haus held up Wesley Mills, attendant at the all-night station, and emptied the cash drawer.

During their investigation Wednesday, Oscoda Township officers found the shotgun stolen from the Ace Hardware which was hidden in a clump of brush on an Oscoda side street. Officers stalked out the area and arrested Haus as he attempted to recover the firearm.

Funeral Held for Martin B. Lathrop

Funeral services were held Tuesday, August 24, for Martin B. Lathrop of Alabaster Township, 23, who died Friday afternoon, August 20. Full military rites were conducted by Wurtsmith Air Force Base with burial in Pioneer Cemetery, Sand Lake. Funeral arrangements were handled by the E. D. Jacques and Son Funeral Home, Tawas City.

Mr. Lathrop was born July 2, 1943, in Cleveland, Ohio. He married the former Sharon Quarters and was a veteran of the Vietnam War, serving with the United States Army.

He is survived by his wife; three children, Edward, Vicki and Keith, all at home; his mother, Mrs. Dora Lathrop of Sand Lake; two brothers, Carl of St. Clair Shores and Larry of National City; three sisters, Mrs. Kathy Morloy of Roseville, Mrs. Nancy Hinkelman and Miss Melissa Lathrop, both of National City; his grandparents, Mr. and Mrs. Carl Aicher of Flint, and his grandmother, Mrs. Margaret Lathrop of Mt. Clemens.

Hale Class of '61 Held Reunion

The Class of 1961 of Hale Area School held its 10-year class reunion Saturday, August 21, at the West Branch Country Club. Fourteen class members attended along with their husbands and wives for a total of 25. Former class members present included Kay Streeter, Maxine Reimer, Marilyn Bissonette, Valentina Abbinate, Mary Wallace, Darlene Scofield, Carolyn Rehl, Lynette Goodrow, Edward Clark, William Wilson, Ronald Wyatt, Larry Pausits, Rod Heilmann and Linda Wilson.

A smorgasbord dinner was enjoyed and those attending made plans for the 15-year reunion.

Minibike Stolen Early Thursday

Theft of a minibike owned by Giles Hofacer, 1077 North US-23, East Tawas, sometime after 12:30 a. m. Thursday, August 19, was investigated by Michigan State Police and Iosco Sheriff's Department. Value of the bike was estimated at \$200.

David J. Lorenz, 49, Tawas City, received minor injuries Wednesday, August 18, when a car headed in the same direction forced him off US-23 at the Whittemore Street intersection in Tawas City. His car struck a power pole.

George A. Burns, 37, Sterling Heights, was treated at Tawas Hospital Saturday, August 21, after his motorcycle missed a curve on River Road, Oscoda, and rolled over.

State police are investigating theft of a 12-foot aluminum boat owned by George Riddle, Warren, which was stolen Saturday, August 21, above Loud Dam.

Lixey - Deering Wedding Vows Repeated Aug. 21

Arrangements of white and lilac gladioli formed a floral background in St. Joseph Catholic Church Saturday, August 21, for the marriage of Bonnie Sue Deering and John Edward Lixey.

The Rev. Fr. John Rushman and the Rev. Kenneth Tousey performed the 12 o'clock noon, double ring service. Mrs. Harold Knight was vocalist, accompanied by Dale Harwood.

The bride is the daughter of Mr. and Mrs. Donald Deering of Tawas City. Mr. and Mrs. James Lixey of East Tawas are parents of the bridegroom.

Escorted to the altar by her father, the bride chose a white peasant-style gown of silk organza with ruffled collar and cuffs. Her A-line skirt and chapel-length train fell from an Empire waist. Venice lace and orchid satin ribbon enhanced the bodice, hemline and train. Her fingertip illusion veil was secured by a Camelot cap, trimmed in Venice lace and orchid satin ribbon. She carried a cascade of daisies, purple Stephanotis and baby breath.

Sharon Deering, sister of the bride, was maid of honor with Margaret Denton of Saginaw, Janet and Joyce Lixey of East Tawas, sisters of the bridegroom, as bridesmaids. The attendants were attired in orchid linen, A-line styled gowns with white Venice lace trim. They wore white garden hats and carried baskets of daisies.

Carl Klinger of East Tawas was best man with Duane Look, Thomas Lixey and William Deckert, all of East Tawas, groomsmen.

Orchid balls of flowers, white bells and streamers decorated the Knights of Columbus Hall, East Tawas, for the reception attended by 200 guests.

Mrs. Deering greeted guests in a blue and orchid floral print, voile dress. A pink silk, A-line coat ensemble was Mrs. Lixey's choice. Both wore corsages of white orchids.

The newlyweds will reside at K-5 East Campus Heights Apartments, Big Rapids, following a one-week trip to Washington, D. C., and Niagara Falls.

The bride is a 1968 graduate of Tawas Area High School and a 1970 graduate of Ferris State College. Her husband is also a 1968 graduate of Tawas Area High School and plans to graduate from Ferris in 1972.

Pre-nuptial showers were hosted by Mrs. Richard Harwood, miscellaneous; Mrs. Irene Klenow, miscellaneous; Mrs. James Hatcher, Miss Deering and Miss Denton, miscellaneous.

Family Pot-Luck Enjoyed by OES

Following a pot-luck dinner Tuesday evening, August 17, for members and their families of Tawas City Chapter No. 303, Order of the Eastern Star, the business meeting was held with Mrs. Betty Herriman, worthy matron, presiding.

A memorial service and draping of the charter was held in memory of the Rev. William A. Gregory.

Introduced and welcomed were Mrs. Lois Musolf, grand Martha of the Grand Chapter of Michigan, OES; Mrs. Erna Wolfen, past grand chaplain; Mrs. Ruth Goodman, mother advisor of Rainbow for Girls, and Mrs. Lena Williams, AIA chaplain.

A rummage sale is to be held Thursday and Friday, August 26-27, at the Tawas Masonic Temple.

Past matrons and patrons were honored and presented with a gift from the worthy matron. An hour of games was enjoyed. The next regular meeting will be held Tuesday, September 21, 8:00 p. m.

Oehring - Sayles Nuptial Vows Said at Bay City

First Baptist Church of Bay City was the scene of the double ring ceremony Saturday, August 21, uniting in marriage the former Pamela Sayles, daughter of Mr. and Mrs. Paul Sayles of Tawas City, and David Oehring, son of Mr. and Mrs. Donald Oehring of Saginaw.

The Reverend Olson officiated at the 4 o'clock ceremony, which was followed by a reception at Monitor Hall, Bay City. Three hundred guests were present from Ypsilanti, Detroit, Whittemore, Saginaw and the Tawasites.

The bride descended the aisle in a white silk organza gown, fashioned with imported Venice lace and entwined bridal blue, satin ribbon gracing the stand-up neckline, cuffed Edwardian sleeves and molded, high rise bodice. Bands of lace and ribbon complemented her floor-length, A-line skirt and sweeping chapel train. A matching Camelot headpiece held secure her bouffant, English illusion veil. She carried a cascade of white roses and blue-tipped carnations.

Mrs. Thomas Ryder of Bay City was matron of honor with Renee Reinke of Essexville, Sue Barbeau of Bay City, Mrs. Michael Rozek of Bay City and Mrs. Jay Ance of Bay City, bridesmaids. Darla Oehring of Saginaw acted as junior bridesmaid. The bride's attendants wore romance blue, voile gowns, fashioned with flocked daisy bodice, pockets, cuffs and hemline border. Each dress featured an Empire waistline, ring collar and full bishop sleeves. They wore blue garden hats with white satin ribbons and daisies. The matron of honor complemented her attire with a white garden hat with blue satin ribbons and daisies. Each carried a single white rose tied with ribbons matching the ribbons on their hats.

Rodney Oehring of Saginaw acted as best man with Russell Sayles of Tawas City, Kim Clark of Saginaw, Mark Wintermeyer of Saginaw and Paul Zeilinski of Ypsilanti, groomsmen. David Sayles of Tawas City was ring bearer. Kirk Wurtzel of Ann Arbor and Carl Tacey of Essexville acted as the guests.

For her daughter's wedding, Mrs. Sayles selected a beige, A-line dress with a beaded neckline and matching accessories. The bridegroom's mother wore a mint green, linen dress with matching accessories.

Following a one-week trip through Northern Michigan, the newlyweds will reside in Ann Arbor.

The new Mrs. Oehring is a graduate of Tawas Area High School and attended Delta College. Her husband is currently a student at Eastern Michigan University, Ypsilanti.

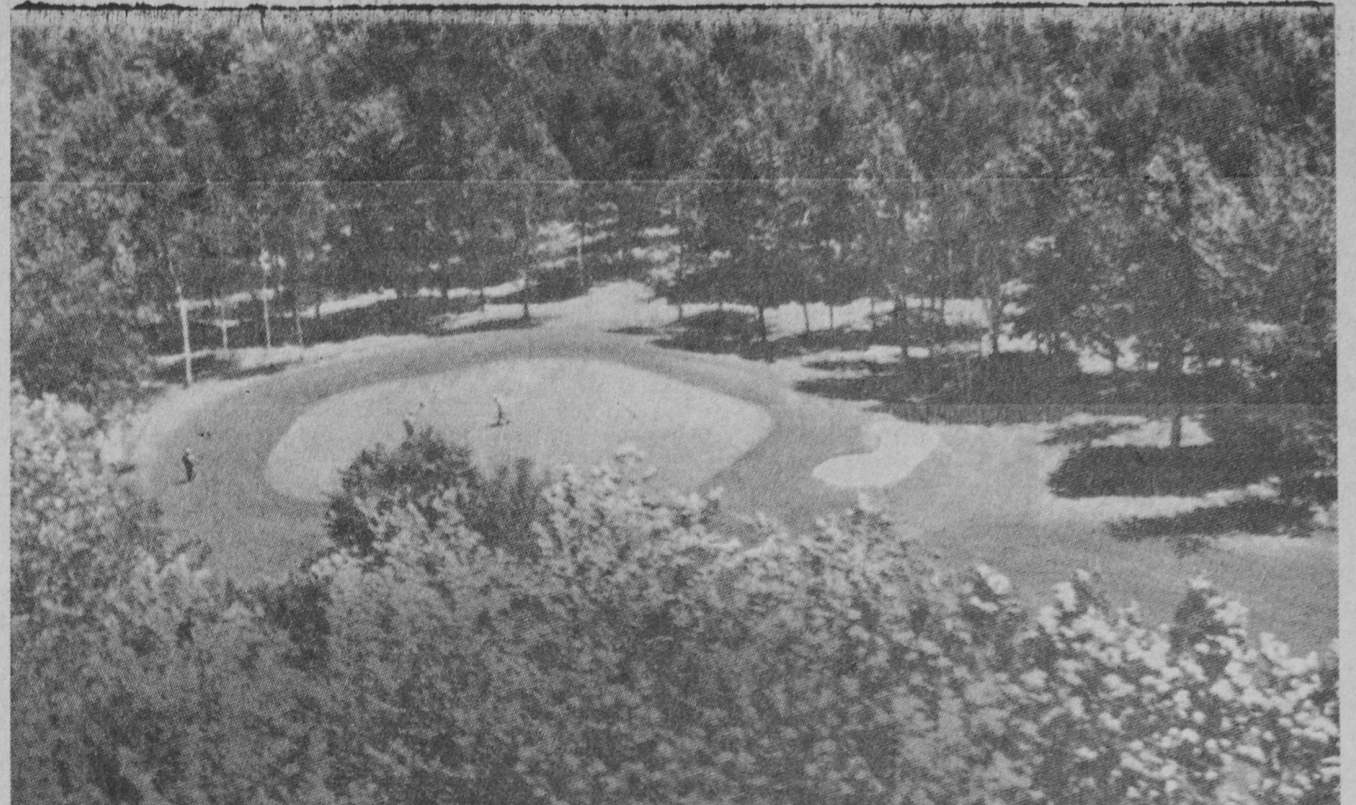

Major Bowling League to Hold Meeting Aug. 25

Tawas City Major Bowling League will hold its preseason meeting at Tawas Lanes Wednesday, August 25, 8:00 p. m. All team captains are requested to attend or to have a team member to represent them. This will be the only meeting prior to the beginning of the bowling season.

Klinger Barracks to Meet Aug. 26

A pot-luck supper will precede the Thursday, August 26, 6:30 p. m., meeting of the Andrew P. Klinger Barracks No. 2944, Veterans of World War I, and Auxiliary. All WWI veterans are invited to attend this meeting, which will convene at the Tawas Township Hall.

A Low-Cost Classified in THE TAWAS HERALD Brings Results!

Leisure, Luxury and Land: The wonder-working watchwords of today's New Era of Investment Opportunity...for you.

A new environment-oriented recreational preserve is being created on the shores of clean, clear northern Lake Huron, only three hours from Detroit—a full-facility leisure community to rival the finest anywhere in America. It is unique in the entire Midwest.

A \$2 million golf course and clubhouse complex, Beach Club, Racquet Club, all season Pavilion, lakes and ponds lavishly stocked for property owners only, nine private sandy swimming beaches, fabulous equestrian facilities and much more—already built.

We cordially invite qualified readers to sample them all, without charge—and assure yourself a 10% saving on land you may own.

Pause a moment and consider that some million and a half people like you in the United States already enjoy the priceless advantages of a second home. A place away from it all, where they can breathe clean air and unwind in the freshness of Nature unspoiled.

Where they have the freedom to spend leisure moments sanely and safely. In the way they want to spend them, and with the people they want to spend them.

Where they can introduce their youngsters to a healthier and happier life which their families might otherwise think was the privilege only of older generations.

Desirable? No question about it. But, you ask, how do so many men and women manage it financially? It's true that a sizeable number is affluent. But few are so wealthy that they can fritter away money on a recreational retreat that's purely and simply a luxury. An extravagant status symbol. An indulgence in the golf, fishing, riding, tennis and other activities which are part of the more prestigious leisure colonies.

What's the answer? We think it's this: Increasing numbers of intelligent and foresighted people today consider a second home to be an investment, over and above everything else it may be.

More than a few financial analysts and counselors feel that prime leisure housing and prime leisure land are the most important single investment trend of the day. They recognize that more and more people are earning more and more money in their workaday worlds—and are simultaneously being given more and more spare time in which to escape from them. In addition, more and more people are retiring at earlier and earlier ages, and seeking out leisure-oriented environments in which to live fulltime.

The Concept and Its Creation: Our Financial Backing by Westinghouse

The purpose of this announcement is to introduce you to Lakewood Shores a new and exciting recreational/residential community on Lake Huron in Northern Michigan. Every major facility is already in operation; nearly a hundred homes have already been built or are waiting to be constructed.

Our concept at Lakewood Shores is to bring into orderly existence a leisure community comparable to any of the renowned enclaves on the eastern and western coasts of the United States—tailored, however, to the tastes of the Midwest. To assure its creation, several million dollars in financial backing has been extended by Westinghouse—the same Westinghouse whose name is a household word to you.

At Lakewood Shores, quality homes can be built now at most reasonable prices. Or if you'd prefer to enjoy the advantages of the community without making any commitment to build, full privileges are accorded those who acquire only land. In either event, cash requirements are minimal, for there are very generous mortgage arrangements available.

We don't believe that anything quite like Lakewood Shores exists elsewhere in this part of the country. No matter what the nature of your interest—second home to use as a recreational retreat for yourself and your family, or to build solely for substantial rental income with accompanying tax advantages; full-time residence in retirement; or land ownership to hold for

future building or completely as an investment—we cordially invite you to be our guest to see Lakewood Shores for yourself, if you meet our two simple qualifications of sincerity and financial security.

We suggest that whatever your interest in Lakewood Shores, you keep in mind that prime leisure-oriented property—and particularly its land component—has reputedly risen faster in price than any other kind of real estate in recent years. And every knowledgeable authority with whom we are familiar believes, in the words of one, "the end is nowhere in sight."

For You, a Personal Visit to Lakewood Shores' Facilities

The drive up to Lakewood Shores from Detroit takes approximately three hours, and it's mostly over fine superhighways. You arrive at the front gates, and you're met by a Security Guard. You show the Admission Pass which we'll be pleased to send you, and you enter. You see the broad, handsomely-landscaped vistas. You note the underground utilities, the generous 100' x 150' minimum size of even the most modestly-priced lot, the birch, pine and hardwood woodlands. You stop and sample the waterfront facilities of the Beach Club and Racquet Club at seven mile long Cedar Lake—the sailing, boating and tennis in the summer, the ice-boating and snowmobiling (and nearby skiing) in the winter. All year 'round there are recreational and social programs for adults and youngsters.

You visit the pavilion, the fishing ponds and parks, the model homes, the beach frontage on Lake Huron. You stop by the Riding School and Stables, the finest equestrian facility in Michigan. But most impressive of all is the \$2,000,000 clubhouse and golf course complex. Gourmet dining, swimming pool, PGA-approved 18 hole championship golf course of outstanding beauty and design, everything you expect and more.

There are good reasons for you to complete the coupon below and mail it at this time. For one thing, we can accommodate only a limited number of people because we cannot impose on present property owners and guests by crowding any facility.

Equally important, there's a price rise of 10% scheduled on waterfront, golf course, woodland and other improved homesites effective August 31st. By acting now you guarantee you'll be able to take advantage of this worthwhile saving on subsequent land cost. You incur no obligation or commitment of any kind of course. We look forward to hearing from you, and having you here as our guest.

LAKWOOD SHORES

A Conel Leisure Community

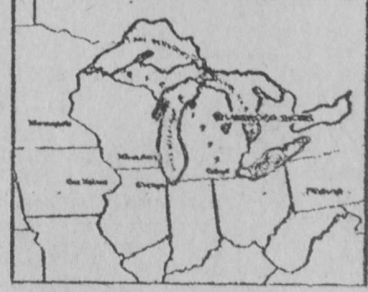

An Invitation, and a Guarantee

We invite you to receive, without cost or obligation, complete information on Lakewood Shores, including a large 24"x37" poster-style Master Plan Map in full color illustrating major facilities and activities... plus information on how you may qualify for a cost-free personal visit here as our guest, along with your non-transferable Admission Pass. Prompt action guarantees that you will be able to effect a 10% saving over post-August 31st prices on land you may decide to own prior to that date.

Lakewood Shores is a 2,000-acre, \$12 million recreational/residential community financed in part by Westinghouse. Within its boundaries and in the surrounding area has been created virtually every leisure-oriented facility that can be enjoyed in Michigan, in every season of the year. It is situated on U. S. Route 23, 3 1/2 miles north of thriving Oscoda, where all major metropolitan conveniences and services are available. It is 210 miles from Detroit, most of the drive over Interstate Superhighway I-75. An Admission Pass is required for entrance.

Joseph and Josie Klish of Tawas City were Wednesday callers of Mrs. Frank Smith.

Mr. and Mrs. John Wallace are enjoying a week's vacation at their cabin in Canada.

The Donald Grabow family of Birch Run, Mr. and Mrs. Thomas Cataline of Flint spent last week-end with their mother, Mrs. Wilhelmina Cataline, Rhonda and Greg.

Mr. and Mrs. Edward Magalski and daughter, Vicki, attended a Legion of Mary meeting at St. James Church, Bay City, Wednesday evening.

Mr. and Mrs. Russell White and baby of Whittemore were last Sunday guests of the Harvey Smiths.

Mr. and Mrs. George Jordan returned home Monday from vacationing in Canada.

Mrs. Frank Smith, Evelyn and Mary Jo Lewicki and Amy Smith were Tuesday callers of Joseph and Josie Klish at Tawas City.

Mrs. Lillian Smith accompanied her sisters, Joan Jordan, Alice Lipka, Rose Warner and Grace Revord, to a softball game in Monroe over the week-end. The girls are on the Alibi Inn team of Tawas, except for Mrs. Smith, and were playing the championship game.

Frank Smith is still a patient in

Tolfree Hospital, West Branch. His daughter, Evelyn Lewicki of Bay City, is here staying with him at the hospital nights.

Open House for Community Resources Class

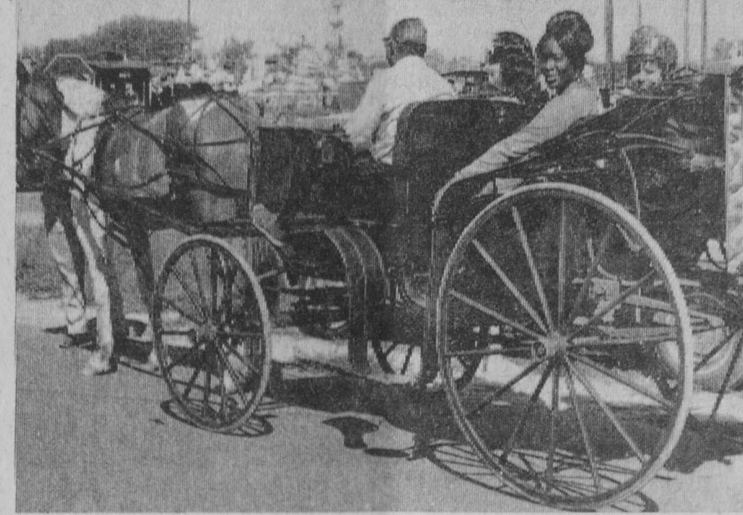

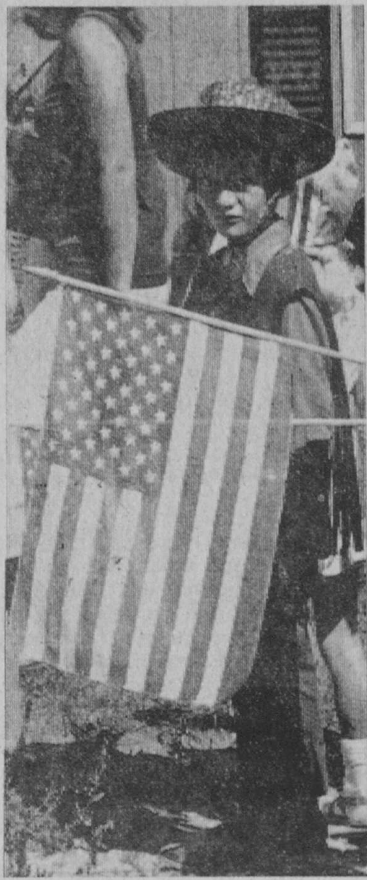

The community resources class being offered in Oscoda will be holding an open house for the general public at Oscoda Area High School Friday, August 27, 10 o'clock until 12 o'clock noon. The past four weeks the class has been visiting many local businesses and industries that are available for possible use as resources in classroom teaching.

Some of these special interest areas include first aid in the home, development of a community council, light construction trades and drug and alcohol abuse.

Sell it with a Herald classified.

Paul Bunyan Festival

ONE OF THE LARGEST CROWDS ever on hand for an Isoco County event attended the three-day Paul Bunyan Festival last week-end at Oscoda and weather conditions were nearly perfect. The only flaw in the program came late Sunday afternoon when a rain storm and high wind ended most activities. An exceptionally large crowd jammed the community for Saturday's mile long parade. The top picture shows some of the kids who crowded along US-23 to

get a better view. The next two pictures show some of the parade entries with the NCO Wives Club entry pictured at top and members of the Flint 40 and Eight Club pose with their locomotive in the lower picture. The picture at right shows a boy scout peering over a small American flag being carried by one of his fellow members. The Paul Bunyan Park was jammed with families enjoying the rides and concessions.—Tawas Herald Photos.

Lower Hemlock

The Kenneth King family of Detroit were Saturday dinner guests of her parents, Mr. and Mrs. Walter Miller.

Mr. and Mrs. Richard Stock enjoyed three days in Birmingham visiting her sister, Mrs. Chet Hickok, and family and other relatives.

Mrs. Ruth Johnson of Southgate enjoyed last week-end with her sister, Mrs. Ferdinand Anschutz.

Mr. and Mrs. Robert Yale and family of Port Huron were at their Miller Road home over the week-end.

Saturday, Mr. and Mrs. Chelsea Chambers of Detroit, Mrs. Roland Brown and James Chambers of Sterling visited their mother, Mrs. Luella Price, and aunt, Mrs. Winnie Latham. The birthday of Mrs. Price was observed.

The past week, Mr. and Mrs. Kern of Warren were callers at the Clare Herriman residence.

Dinner guests at the home of Mrs. Rose Gackstetter the past week were Mr. and Mrs. Walter Laidlaw, the William Blackmores and Miss Liina Passuke of Sault Ste. Marie.

Wednesday, JoeDee Grabow was an overnight guest of her sister, Mrs. Jim Koehn, and family of Turner. Thursday, they were Bay City visitors.

Mr. and Mrs. Edward Baker and the Richard Laidlaw family, all of East Tawas, were Sunday callers at the Walter Laidlaw home.

Mr. and Mrs. Larry Gingerich of Flint enjoyed the week-end with his mother, Mrs. Janette Gingerich, and her parents, Mr. and Mrs. George Philpot.

Saturday, Mrs. Otto Kobs Jr. of East Tawas accompanied Mr. and Mrs. Charles Kobs to Flint. They attended the funeral of their aunt, Mrs. Hilda Kobs.

Larry Stewart of West Virginia is enjoying two weeks at the home of his parents, Mr. and Mrs. Richard Stock.

Chris Herriman of Bay City and his fiancée, Pamela Helwig of Midland, were week-end houseguests of his parents, Mr. and Mrs. Clare Herriman.

Thursday evening, Mrs. Ilene Phelps; her son, Gene, and her grandson of Whittemore called on Mrs. Carl Grabow Sr.

One day last week, Mrs. Hazel St. Martin of Oscoda called on her mother, Mrs. Kate Herriman, at the home of Mrs. Lyle Long.

Carl Grabow Jr. of Flint is visit-

ing his mother, Mrs. Carl Grabow Sr., for a week.

The past week, Fred Latham of Detroit; Mr. and Mrs. Marshall

Harris of Ruskin, Florida, and Mrs. Mary Hilmo of Ypsilanti were callers at the home of Mrs. Luella Price and Mrs. Winnie Latham.

Grant Approved for Study of AuSable River Watershed

Gov. William G. Milliken announced that grants totaling \$173,900 have been approved for a comprehensive pilot study of the AuSable River Watershed with special emphasis on the associated recreational conflicts between campers, fishermen, canoeists and property owners.

water quality and stream bank erosion; the Michigan Department of Commerce will measure the area's economic impact from recreation and the University of Michigan's School of Natural Resources will compile information from the various users of the river.

The governor said the major share of the funding will come from the Upper Great Lakes Regional Commission which has granted \$133,200 for the project. The Michigan Department of Natural Resources will spend \$36,700 and the Michigan Department of Commerce \$4,000 for the study which will take two years to complete.

"The study is urgently needed," the governor said, "to establish compatible use standards for various types of recreation on one of our best and most economically significant watersheds.

"With the facts gathered from the field, it is hoped local and state government will be able to manage the AuSable environs under new policies and a new design. These same guidelines can perhaps be used by other Michigan communities that are being subjected to the same problems that the AuSable is experiencing," Milliken said.

"The problem of conflicting uses on many streams in the Great Lakes region has been surfacing for more than a decade. It is, therefore, imperative that we act now.

"Tourism is our most important industry in Northern Michigan and we hope that studies such as this followed by cooperative management involving both public and private institutions, will insure the perpetuity of such valuable natural resources as the AuSable River," he continued.

The study, which will be under the over-all supervision of James L. Williams, executive director of the Northeast Michigan Regional Planning and Development Commission of Rogers City, will include the entire AuSable River Watershed.

The Michigan Department of Natural Resources will gather information which will help determine the relationships between human development and the related effects on

Kroger Pledges Cooperation in Halting Inflation

Kroger Food Stores today pledged its cooperation in every way toward meeting President Nixon's goal of halting inflation. N. A. Sawall, vice president of the retail food firm's Detroit Division, said, "Inflation is the biggest problem facing our nation today. It has handicapped customers and business alike. Kroger and other food stores have been caught between drastically rising costs of doing business and our desire to hold prices as low as possible for shoppers.

Mr. Sawall said the company has taken steps to comply fully with the president's executive order of Sunday.

He noted that customers have expressed curiosity about two areas—(1) will there still be weekly advertised specials? The answer is yes. Each week we will offer items at low special prices, just as we have in the past. Under no circumstances will any price be higher than established under the terms of the president's executive order.

(2) Are all items in the store included in the freeze? The only items not included in the price freeze are raw agricultural products, such as eggs or fresh fruits and vegetables. These items will rise and fall in price on a supply and demand or seasonal basis, as they have in the past.

Mr. Sawall added, "I can assure you that Kroger will continue to utilize all its resources to offer shoppers the benefit of the best values available."

Safety Benchmarks for do-it-yourself canners

Since recent discoveries of cans of contaminated food have caused nationwide concern, you might want to clip the following safety guidelines on home-canning methods.

Remember that in almost all cases of food spoilage, contamination is the result of inadequate heating in the canning process that fails to kill the infecting agent. Despite the recent finds of botulism in commercially-canned products, more often than not, instances of food poisoning have resulted through improper home-canning procedures.

Canning guidelines

Here, then, are some safety benchmarks for the do-it-yourself home-canner:

Vegetables, meat and poultry should be canned properly in a pressure canner. Be sure, however, that

it is in proper working order and that each step of the canning process, including time and temperature directions, is followed.

It is unsafe to can these foods in a boiling-water bath, an oven, a steamer without pressure or an open kettle. None of these methods will heat those foods enough to kill dangerous bacteria within a reasonable time.

There are some exceptions. Tomatoes, pickled vegetables and fruit can be processed safely in a boiling water bath because they contain more acid than other vegetables.

If the food looks spoiled, foams or gives off an unusual odor, discard it.

Heat test

If you are not absolutely confident about your pressure canner gauge and your canning technique, boil home-canned meals after opening, before tasting. Heating usually makes any spoilage odor more noticeable.

If you suspect that food is contaminated, do not bother confirming

by tasting. It may turn out to be too dangerous.

For specific canning directions for vegetables, fruit, meat and poultry consult commercial canning booklets, your cookbook or contact the Cooperative Extension Office.

Whether or not you can fruits and vegetables to enjoy throughout the year, you can get your fill of the fresh ones now. One fruit I will never eat enough of is the peach.

Peaches are great to eat just as they are—low calories, high flavor, a good source of vitamin A and some vitamin C. To top off that very special late summer dinner, though, you might want to fix...

- FRESH PEACH ICE CREAM
- 32 marshmallows, quartered
- 1/4 cup water
- 2 cups crushed peaches
- 2 tablespoons confectioners' sugar
- 1 stiff-beaten egg white

1 cup heavy cream, whipped
1/4 teaspoon almond flavoring
Melt marshmallows with water, using a double boiler. Cool slightly. Add peaches and sugar; cool, freeze in refrigerator tray. Remove to chilled bowl. Break into chunks and beat until fluffy. Fold in egg whites and whipped cream. Stir in almond flavoring and salt. Freeze in tray until firm. Makes 1 1/2 quarts.

Clerk Lomas Attends MSU Workshop

Better data on which to base financial, operational and municipal service judgments for all of Michigan's local units of government was the ultimate aim of a three-day governmental accounting workshop held August 16-19 at Michigan State University.

More than 150 city, county and township clerks and treasurers—from South Range in Houghton County to Eric in Monroe County—attended sessions at MSU's Kellogg Center for Continuing Education getting assistance in transferring local governmental financial records to the new state uniform accounting system.

Representing the City of East Tawas was Clerk Fred B. Lomas. Faculty from seven Michigan universities, colleges and community colleges and the State Department of Treasury assisted the local officials.

"Utilization of the state uniform accounting system throughout the state will make it possible to feed data regarding local units of government to computers," according to Dr. Stuart Mead, accounting specialist with MSU's institute for community development.

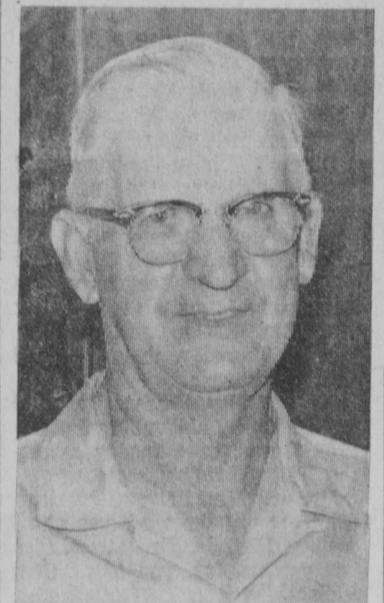

"When this has been done, the data can provide answers to a multiplicity of questions which will ease and improve local government. Such answers would include how many dollars of tax levy are actually collected? What is the cost of maintaining a fire department in a township of 10,000? Is a police department feasible in a township of 500?"

It will also ease state auditing procedures, he allowed. The records being transferred in the MSU workshop vary from highly sophisticated reporting to practically no records at all.

The workshop on the campus followed on the heels of a 50-hour governmental accounting course which was held in high school, college and university classrooms around the state to be within computing distance of participating governmental officials.

The workshop was sponsored by the Michigan Townships Association, the Michigan Municipal League and Michigan Department of Treasury with the cooperation of the MSU Institute for Community Development and Continuing Education Service.

Veteran USG Welder Ends Long Service

Leonard J. Furst, 62, veteran employee of United States Gypsum Company's Alabaster quarry, retired two weeks ago.

He started with USG in 1928. With time out for employment with Brown Fisheries and Dafeo Ship Yards during World War II, he had been one of the key men in the Alabaster quarry for many years.

Furst learned welding at the ship yards and was highly skilled in making emergency repairs to equipment in the quarry. He recalls, for instance, that he once welded an eight-inch shaft on a power shovel. The shaft was of tool steel, but Furst's weld allowed operation of the shovel until the new part was received.

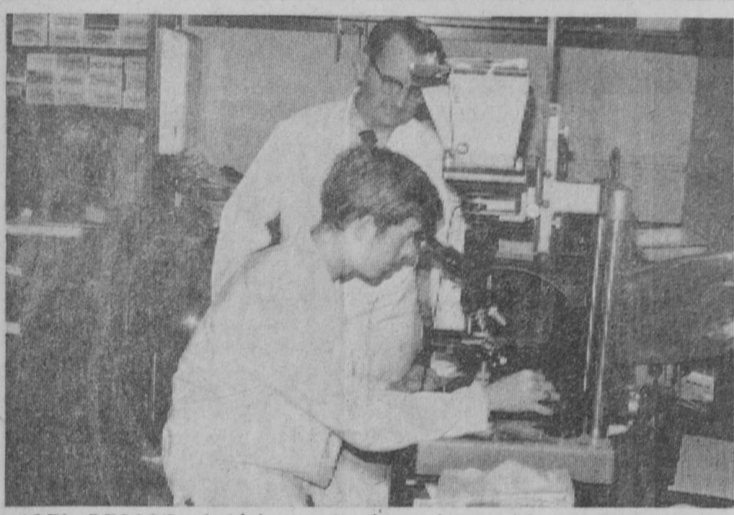

He also assisted in assembling the quarry's huge draglines and shovels when first purchased.

Furst says he plans to take life easy, but he will keep busy by not being far from his welding torch. He and his wife will probably enjoy some traveling and he will catch up on his fishing.

JOEL RESCOE of Alabaster is shown here with Dr. Titus Evans of radiation research studying the effects of radiation on cells. Joel, a senior this fall at Tawas Area High School, is a participant in the research section of the Secondary Science Training Program sponsored by the University of Iowa, Iowa City, Iowa.

Tawas A. Senior Attends Iowa U. SSTP Program

For the 12th year, the University of Iowa sponsored the Secondary Science Training Programs. These highly selective programs provided opportunities for high ability secondary school students to earn college credit while participating in a unique course of study.

Among participants was Joel Rescoe of Alabaster, who will be a senior this fall at Tawas Area High School.

The major goals of the 1971 SSTP were to provide an enriching experience in the sciences that are not afforded through high school or beginning college courses, offer a stimulating educational experience through laboratory and field oriented courses, give participating students an opportunity for interaction with college science instructors and research scientists and provide the opportunity to pursue individual interest in science utilizing the facilities of the University of Iowa.

The 1971 SSTP included courses of study in environmental science, computer science, molecular biology, physics and astronomy, student research. Courses were of six weeks duration.

Tourist Business Booms in Michigan

Michigan's travel and tourist business is booming this year, if patronage at the state's highway travel information centers is any indication.

The Department of State Highways reports record numbers of visitors at its nine centers, located mainly at border points around the state.

Through July 31, the number of visitors at the nine centers totaled more than 544,000. The figure topped the previous record of 455,000 for the

same period in 1969 when the centers were open for more hours during the summer travel season. The January-July count in 1970 was 431,000.

A one-day record was set July 31 when 12,915 travelers visited the centers. The previous record of 11,846 was set on August 3, 1969.

Visitors for the week ending July 31 totaled 70,447, more than 6,000 over the previous weekly record set in the week ending August 9, 1969.

FIRST PLACE WINNER among floats entered in the Michigan Tourist Festival parade held August 14 was the one pictured above entered by Ruth's School of Dance. A dance review was held at the East Tawas Park following the parade.—Tawas Herald Photo.

CLOWNS of the Elf Khurafah Shrine Temple, Saginaw, were a featured attraction during the Michigan Tourist Festival Parade. This clown delighted parade watchers with his "pet skunk."—Tawas Herald Photo.

LOOKING BACKWARD—

**IHM Church
Cornerstone
Ceremony Set**

15 Years Ago—
August 23, 1956—Almost four years to the day that the Most Rev. Bishop Stephen Woznicki established the parish in Tawas City, the cornerstone for the new Immaculate Heart of Mary Church will be laid Sunday at 2:15 o'clock.
All persons in Isosco County intending to enter art work in the arts and crafts exhibit August 30-31 should contact Mrs. Herbert Hertzler.
Delegates elected to attend the Republican state convention were Elmer Werth of East Tawas, Charles McLean of Tawas City, Mrs. Ida Dorovec of Whittemore and Clarence Everett of Tawas City.
Adlai Stevenson won the Democratic nomination for president on the first ballot at the Chicago, Illinois, convention.
Michigan State Police have identified a mysterious light "hovering" above the trees on Townline Road. A flying saucer reportedly Monday night turned out to be the lights on the Detroit and Mackinac Railway's new radio tower.
Among 800 naval reserve midshipmen undergoing three weeks of amphibious warfare training at Norfolk, Virginia, is Andrew L. Bowman, son of Mr. and Mrs. Lloyd L. Bowman of East Tawas.

25 Years Ago—
August 23, 1946—The entire stock of the Carlson Grocery at East Tawas was destroyed by fire Tuesday night.
A 30-bed hospital for the Isosco area is the aim of Tawas Hospital Association. An option has been secured on a fine site centrally located near the Orville Leslie and Sons Garage. Application is being made this week to incorporate a non-profit organization to sponsor building the hospital.
In an effort to encourage parenthood, the British government is now paying mothers five shillings per week living allowance for every new baby.
A nine-acre field of oats on the John Rapp farm, Meadow Road, produced 91 bushels per acre.
The joint transportation policy between schools at Tawas City and East Tawas will continue this year. The arrangement is that rural

students will be transported to the school of their choice.

Fletcher Oil Company will hold the formal opening of its new station on Lake Street.

35 Years Ago—
August 28, 1936—The county road commission's limestone pit near Whittemore has produced 30,000 cubic yards of crushed rock since last November. Operated by the WPA, most of the rock produced by the plant has been placed on roads within a radius of 10 to 20 miles at a great savings to the county.
Roy J. McMurray, supervisor of physical education in the Saginaw public school system, was elected president of the Michigan Physical Education Association at Lansing.
President Roosevelt has come out again with a statement that the burden of taxes is regrettable and that there must be no new levies nor tax increase by the next congress. Republicans have been quite harsh because they called attention to the fact that Mr. Roosevelt, on three previous occasions, had assured the country there would be no new taxes and that in each instance new tax legislation somehow or other had been enacted by congress.
Edward Parker is building a small dam on Gully Creek and hopes to get a little electricity for his efforts.
Republican candidates for sheriff in the primary election are John F. Moran (incumbent), William A. (Pete) Stone and Edward L. Colbath. Democratic candidates for sheriff are Frank Bissonnette and Thomas H. Hill.

**Mrs. Fay McComis
Died at Detroit**
Fay (Crane) McComis, 43, passed away suddenly Friday, August 13, at Mt. Carmel Hospital, Detroit, following a brief illness. Funeral services were conducted by the Rev. Orville Bell at the Wilkie Funeral Home, Detroit. Burial followed in Cadillac Memorial Gardens, also in Detroit.
Mrs. McComis was born December 20, 1927, at Hale Her father, Joseph, preceded her in death September 18, 1966.
She is survived by her husband, Russell; one son, Dennis, and two daughters, Mary Etta and Cindy, all living at home; her mother, Mary E. Crane of Hale; three sisters, Mrs. Nellie White of Saginaw, Mrs. Raymond Matthews (Delores) of Hale and Mrs. Wendell (Mary Lou) Beach of Prescott; four brothers, Otto and Lyle, both of Flint, Stanley of Ulica and Charles, who is now serving with the United States Air Force in Turkey.

**Announce Opening
of Training Center**

Supt. Ernest Jordan announced that the Isosco Intermediate School District, in cooperation with the Department of Mental Health, is operating a day training center for the severely retarded children in the Isosco Intermediate School District. The day training centers are designed to provide a developmental training program and a basic physical care service for the severely mentally retarded individuals who can benefit from such special services while living in their own homes or in foster homes. The daily program of day training centers provides a program of activities aimed at the acquisition of self-care skills, social skills, simple work skills and language development. This program is under the supervision of Mrs. Laura Slawinski, assisted by a teacher's aide, Mrs. Delores Rigg. This program is a satellite program of the established program in West Branch. It is being housed in the same facility as the trainable program, the Immaculate Heart of Mary School, Tawas City. The school has at present three full-time students with the future prospect of enrolling up to six children. If you have any questions about this program, please call the Isosco Intermediate School District Office for further information.
