**DON BRANDT**, top running back of the Hale Area Eagles, won state-wide honors by being named as a defensive back by Associated Press sportswriters for Region IX. Brandt has been called by North Star League coaches as the conference's best player during the past season. As a running back, he rushed 1,077 yards, grabbed 11 passes to bring his total offensive yardage to 1,292 and scored 126 points. The undefeated Eagles won the league championship. —Tawas Herald Photo.

## New Garbage Pact Approved by City

Negotiations on a new contract for garbage disposal, started last August and then delayed by the death of two city officials and illness of a councilman, were finally completed Monday night between the Tawas City Council and James Quarters, contractor.

A new one-year pact between the city and Quarters raises the contractual price from \$7,680 to \$8,880.80 for garbage collection service.

Because of the increased work to provide this service, brought about through an increased number of homes as well as a city ordinance prohibiting outside burning of trash

and leaves in some areas, city officials last August had considered paying Quarters an additional \$900 on this year's contract.

Discussions came to a halt, however, following the deaths of Mayor John St. James and Mayor Pro Tem Howard Hatton, as well as the illness of First Ward Ald. Martin Wellna, who is finance chairman.

Quarters has been providing this service since December 1 without a contract, that being the date for annual expiration of the pact.

Quarters told members of the council that he felt that a \$100 monthly increase for a total hike of \$1,200 annually "would not be a bit out of line." Because of his cost in providing this service, he said he could not perform the work for any less money.

Following adoption of the new contract, Ald. Jack Lardie reminded the council that the city's budget had made no provision for such an increase in garbage collection cost. He believed the council must find some means of balancing the budget through an added general tax for garbage collection or through special assessment. He was supported by Ald. Frank Ahonen, who believed the increased cost of collection could not continually come out of the general fund.

Quarters told the council that much of his increased work load was brought about during the summer months when motels and resorts are provided unlimited service for collection. He said that some of his stops average from 18 to 20 bags of garbage each week. He pointed out, too, that loads had increased through pickup of grass cuttings and leaves.

Ald. James Lansky expressed the opinion that commercial establishments in one area should not be treated any differently than those in another area, pointing out that most commercial establishments requiring this service hire the work done or handle their own transportation of refuse and garbage to the city dump.

Lardie expressed the opinion that an additional charge should be made during summer months when collection reaches such a high volume. However, this could complicate city bookkeeping if it is not handled by the contractor.

Mayor Cecil Cabbie pointed out that a precedent had been established a number of years ago when it was deemed advisable to provide this service to motels and resorts, especially during summer months, due to the high tax base afforded to the community by those business places.

Mayor Cecil Cabbie pointed out that a precedent had been established a number of years ago when it was deemed advisable to provide this service to motels and resorts, especially during summer months, due to the high tax base afforded to the community by those business places.

**SANTA CLAUS** made a brief stop at the Tawas City Hall Monday at 4:00 p. m. to officially light the city's Christmas tree. He is scheduled to make a return visit to the city hall Friday, December 17, 6:30 p. m., to distribute candy to the

children. He will visit children at the East Tawas Community Building on Monday, December 20, 6:00 p. m., arriving there on the city fire truck. —Tawas Herald Photo.

## Three Men Get Prison Terms Here

Donald Killingbeck, 27, implicated with two other men in the October 3 breaking and entering of Fuerst Hardware, Whittemore, was sentenced to a term of three to five years in Southern Michigan Prison, Jackson, when arraigned before Iosco Circuit Judge Allan C. Miller.

Anthony Grillo, Saginaw, received four to 10 years in prison for the same burglary. Daniel R. Welch, Essexville, was given a four to 10-year term for the Whittemore burglary and three to 10 years for a break-in at Pearsall Hardware, Hale, the sentences to run concurrently.

Loran P. Haus was sentenced to a probationary term of five years following his guilty plea to unarmed robbery. He was charged with robbing Hoyt Wilks of \$75 at Oscoda on August 18.

Two new auto negligence civil action causes were filed last week in circuit court.

Dean A. Eggart, 15, and his father, Dean W., Madison Heights, ask judgment and damages of \$110,000 against Larry Ferris of Wurtsmith Air Force Base. The 15-year-old Madison Heights youth and Ferris were involved in a motorcycle collision July 24 on private property in Oscoda Township.

James A. Abney and wife, Joan, of Oscoda seek damages totaling \$100,000 against Elmer P. Bischoff, Iosco County Road Commission and the County of Iosco. This cause is the result of an accident December 10, 1968, in which Abney claims injuries resulting from a collision with a county road commission vehicle operated by Bischoff.

## State Eyes Tougher Law on Snowmobile Control

Further restrictions on snowmobile operation appears a certainty as Gov. William Milliken appears favorable to an act adopted last week by the Michigan Senate.

If signed into law, the bill would become effective January 1 and would include hikes in license fees. The snowmobile registration fee would go up from \$5 to \$9 for a three-year license, from \$3 to \$6 in the second year and from \$2 to \$5 in the third year.

The bill contains a \$200,000 appropriation for constructing and maintaining snowmobile trails throughout the state.

The bill would prohibit persons under the age of 12 from operating snowmobiles without direct supervision of an adult, unless the driver is on land owned by his parents. (A Tawas City ordinance adopted in January of this year requires that,

to operate on a city street or public property, the operator must have a state drivers license.)

Other terms of the new state law would ban driving snowmobiles between midnight and 6:00 a. m. within 100 feet of a dwelling "at a speed greater than a minimum required to maintain forward motion."

It would ban snowmobiling on farmlands, farm wood lots or "platted property" in Southern Michigan without the landowner's permission. It bans snowmobiles in a forest nursery, planting area or "public lands posted or reasonably identifiable as an area of forest reproduction when growing stock may be damaged."

The bill would prohibit snowmobiling in public deer hunting areas from 7:00 a. m. to 11:00 a. m. and from 2:00 p. m. to 5:00 p. m. "except during an emergency for law

enforcement purposes or to go to and from a permanent residence or a hunting camp otherwise inaccessible by a conventional wheeled vehicle."

A house amendment prohibits snowmobiles from driving on "roadways" rather than "highways." That amendment would let snowmobilers travel nearer to the vehicle-traveled portions of roads.

A senate amendment gives the Michigan Department of Natural Resources a 50-50 say with county sheriff's departments on enforcement and training courses.

The above amendment replaced a portion of the act that would have earmarked \$100,000 in state money to help sheriff's departments set up training programs. Now there is no money specifically set aside for the programs.

## East Tawas Council Gives Nod to New Wage-Salary Schedule

A new salary and wage schedule for city employees was adopted Monday night by East Tawas Council.

Annual salaries of city clerk (\$1,800), city treasurer (\$4,000) and city assessor (\$1,200) were not changed.

Salaries of the following employees were increased: Librarian, from \$235 to \$245 monthly; foreman, from \$595 to \$615 monthly; superintendent of public works, from \$740 to \$825 per month; chief of police, from \$700 to \$800 per month; patrolman from \$6,500 to \$7,600 per year.

Increases to hourly-rated employees were as follows: Heavy equipment operator, from \$3 to \$3.15; truck driver, from \$2.90 to \$3.05; part time laborer, from \$2.60 to \$2.70; cemetery sexton, from \$2.30 to \$2.45; city hall janitor, from \$2.40 to \$2.50.

Salaries established for the water and sewer department were as follows: Wastewater plant operator, from \$590 to \$590 per month; water plant chief operator, from \$640 to

\$670 per month; water plant assistant operator, from \$2.95 to \$3.10 per hour; water plant part time operator, from \$2.80 to \$2.95 per hour; office cashier and bookkeeper, from \$325 to \$360 per month; water meter reader, from \$1.75 to \$1.90 per hour.

The program provides six paid holidays for full time hourly employees, individual rate of group hospitalization plan and an employee pension plan.

In other business, Fred B. Lomas submitted his resignation as city clerk effective December 31. Except for two years, Lomas has held the

position since April 1966.

The council gave approval to Tawas Chamber of Commerce for operating rides and a beer tent in the city park during the Perchville Festival. Appearing before the council were Harris Barkman, president, and Timothy O'Connor.

Building applications approved during the past two weeks included: Tri County Homes, two homes on Church Street, \$12,000 each; Grace Wolbert, 715 Lincoln, replace windows, \$250; Leo Loffman, 210 Wadsworth, 12 by 12 storage shed, \$160, and replace two windows, \$65.

## Tawas City Building Permits Include Another New Residence

Building applications approved during the past two weeks by the Tawas City Department of Public Works were as follows:

Robert Rollin, 723 Second Street, 24 by 44-foot residence, \$15,000; Cornelius F. Donahue, 219 Fourth Av-

enue, remodel residence, \$500; Roberta Beattie, 716 Lake, 20 by 20-foot addition to living quarters, \$4,000.

Reginald Bublitz, 120 Sunset Drive, 12 by 12-foot storage building, \$179; Alvin Cholger, 516 Mathews Street, re-roof house, \$200.

## Iosco Lake Huron Shoreline on Erosion Endangered List

Eight miles of Lake Huron shoreline north of East Tawas is among 33 miles of beaches in Michigan placed by the United States Army Corps of Engineers in the top priority endangered classification.

The classification was defined by the Detroit District office as beach where "continued critical erosion is likely to endanger life or public safety within five years."

According to the report, it would cost 6.4-million dollars to protect threatened Lake Huron beaches, which includes a portion in Sanilac County. There are 104 miles of critically eroded beaches in Michigan which account for about five percent of the state's Great Lakes shoreline.

Beaches in these areas are being eroded at a rate of up to five feet a

year, the agency said, "but sometimes huge pieces of land disappear in one swoop."

More than 87 percent of Great Lakes beaches in Michigan are privately owned. The public interest in protecting private beaches is considerable, the corps of engineers said, "because the management of private lands often affects public beaches, navigation channels and other facilities."

The report made no recommendation on how to pay for improvements on private beaches.

Levels of Lake Michigan and Lake Huron reached an all time low in 1964 due to unusually low precipitation in 1962-64. Since then, above average rainfall has caused levels to rise, contributing to an increase

in beach erosion.

Severe storms can raise lake levels by as much as eight feet in a matter of hours, the corps said.

The report said regulating water levels in the Great Lakes would help reduce shoreline erosion. Outflow from Lake Superior is now regulated, but Lakes Michigan, Huron and Erie cannot be regulated.

"Because of the size of the Great Lakes and the limited discharge capacities of outflow rivers, extreme high or low levels persist for considerable time after the factors which caused them have changed," the report stated.

There has been considerable new damage in recent weeks to the shoreline north of East Tawas, caused by severe wave action during storms.

## Full Round of Wage Increases Granted by Tawas City Council

A full round of wage increases was granted Monday night to hourly and salaried employees by the Tawas City Council. The increases are effective from December 1.

A 15-cent-an-hour wage boost, representing approximately 5 1/2 percent as the maximum allowed under the federal price and wage freeze, was granted for hourly workers.

Hourly salary of one laborer is increased from \$2.60 to \$2.75 an hour, a second laborer's pay is increased from \$2.70 to \$2.85 per hour, wages of three truck drivers are increased from \$2.80 to \$2.95 per hour, while wage of one equipment operator is increased from \$3 to \$3.15 an hour.

Salaried employees were granted the following increases and are not

affected by the federal regulations: City foreman, from \$7,300 to \$7,700 annually; office secretary, \$3,800 to \$4,000 annually; librarian, from \$2,200 to \$2,350 annually; city superintendent, from \$9,000 to \$10,000 annually.

Mayor Cecil Cabbie expressed the opinion that wage and salary increases should be tabled for action of the new city council in January and voted in opposition to the proposals.

Action on the police chief's salary was tabled until the December 20 meeting.

In other business, a letter from the cemetery board stated it had established 8:00 a. m. to 8:00 p. m. as hours for the cemetery to be open to

the public. It is hoped that such action will provide means to curb vandalism at the cemetery and provide a means for prosecution of those responsible.

The council approved this city's share of a joint program with East Tawas in sponsoring the National Child Safety Council program to be conducted in elementary grades of Tawas Area Schools, as well as parochial schools of the community. Cost of the program to Tawas City is \$69.78 and is to be handled by the police department.

Authorization was given to close city operations and the city hall on the Friday before Christmas and the Friday before New Year's Day.

## Iosco High School - Business Symposium Slated Thursday

More than 125 area high school students, educators and businessmen will attend a day-long "High School-Business Symposium" Thursday, December 9, to be held at the East Tawas Community Building.

The symposium, one of a series conducted throughout the state by the Michigan State Chamber of Commerce, is designed to "help young people better understand the competitive free enterprise system," according to Harry R. Hall, president of the state chamber. "The meetings have proven to be an excellent forum to exchange information and develop dialogue between students, faculty and businessmen," he said.

Cosponsoring the symposium, which will be attended by students representing four area high schools, is the Tawas Chamber of Commerce and nine local organizations which will sponsor the students. Schools participating in the day-long "rap session" will include Tawas, Oscoda, Whittemore-Prescott and Hale.

"The program features a question and answer format which allows dialogue and discussion between all the participants and the panel. Small groups of students, business

sponsors and educators will analyze the presentations and fire questions back to the panel members." Carl Jorgensen, manager of political and economic education for the state chamber, said.

Area organizations sponsoring the student participants include Peoples State Bank, East Tawas; Elmer Werth-Tawas Industries, Incorporated, Tawas City; Consumers Power Company, Tawas City; Ace Hard-

ware and Lumber Company, Oscoda; Oscoda State Bank, Oscoda; Sawyer Canoe Company, Oscoda; Skidway Chamber of Commerce, Prescott; Whittemore Chamber of Commerce, and Hale Lions Club.

## Meeting Called for Planning Implementation of Charter

On recommendation of City Supt. Reginald Bublitz, discussion on methods to implement provisions of Tawas City's new charter are to be discussed at a meeting to be called prior to the end of the year.

At Bublitz's suggestion during the regular meeting of the city council Monday night, Donald Oakes, of Grand Rapids, who was consultant to the city charter commission during its year-long deliberations, is to be contacted for advice.

The city superintendent recommended that Oakes, along with the charter commission, Mayor-Elect John Brugger, Third Ward Ald-

Elect Robert Rollin and Second Ward Ald.-Elect Chester Smyczynski be invited to the December 20 meeting of the council which has been tentatively set for the charter discussion.

Approved by voters last month, the new charter adopts the home rule form of government and provides necessary legal machinery for administration by a city manager.

Probably one of the first points to be considered to implement the new city charter would be to overhaul administration under a city manager.

In addition to the charter discussion, the city council and newly-elected officials are to be briefed on the status of engineering for additional water mains and water storage, as well as plans for sewage treatment improvements and compiling with state water quality standards.

Edmonds Engineering Company of Bay City is to present its findings as well as to explain possible financial assistance through federal programs.

Members of the Tawas City Water Board are to be invited to attend this year-end session.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

### Advent Worship Services Set at Zion Lutheran

The Rev. Robert E. Beyer, pastor of Zion Evangelical Lutheran Church, Tawas City, has announced that Advent worship services will be conducted Wednesday (today), December 8, and Wednesday, December 15, 7:30 p. m.

### Rev. Fairbanks New Pastor at Assembly of God

The Rev. Edward J. Fairbanks assumed the duties of pastor of the Assembly of God Church, 311 East Lincoln Street, East Tawas, Sunday, December 5. Mr. and Mrs. Fairbanks and their five sons moved to this area Monday, November 29, from St. Ignace. Mr. Fairbanks had been pastor of the Assembly of God Church there for six years. He said that East Tawas, like St. Ignace, is located along the lake-shore and that he and his family feel right at home here.

### Rev. Fr. Pilarski Officiated Sunday at Baptism

The Rev. Fr. Raymond J. Pilarski officiated at the baptism Sunday, December 5, of Chris Edward Campbell, son of Mr. and Mrs. James G. Campbell Jr. of Tawas City, at Immaculate Heart of Mary Catholic Church, Tawas City. Godparents were Mr. and Mrs. Dennis Wagner of Tawas City. Dinner followed the ceremony at the home of the infant's parents.

### Grace Lutheran Lists Advent Worship Services

Advent services at Grace Evangelical Lutheran Church, East Tawas, will be conducted Wednesday (today), December 8, and Wednesday, December 15, 8:00 p. m., as announced by the Rev. William A. Graf, pastor.

### TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

The Upper Room

(Read Galatians 6:1-10)

Help one another to carry these heavy loads, and in this way you will fulfill the law of Christ.—Galatians 6:2 (NEB)

What do you, as a Christian, consider to be the meaning of life? This question was given by a newspaperman at an interview. It would be possible to give many good and well-formed answers, but I chose a very short sentence: "To walk together with another person." To be a caring neighbor for my brother, a caring fellow person—this is the law of Christ, the law of love.

Today we hear cries of need from people: The voices from the lonely ones, the ones in despair, the enslaved ones and the humiliated ones. They concern us; they are our fellowmen. We should be with them and we should care for them. Christ came for them and His word is a challenge to us: "Anything you did for one of my brothers here, however humble, you did for me."

There is one walking unseen at our side offering us fellowship without limit. Through Him we can be filled with the life of love and become caring fellowmen.

#### PRAYER

Lord, make us to become people who are willing to live according to Your will. In Jesus' name. Amen.

#### THOUGHT FOR THE DAY

A man who lives according to the will of God becomes a "caring" fellowman.—Nils Holmberg (Tibro, Sweden)

### Christian Science

919 East Bay Street, East Tawas, Sunday service, 11:00 a. m.; Sunday School, 11:00 a. m.; Wednesday at 8:00 p. m. The Reading Room, located in the church building is open Wednesday 2:00 to 5:00 p. m. and 6:30 to 7:30 p. m.

Radio Series  
SUNDAYS the TRUTH that HEALS  
WIOS - 1480 kc  
9:35 A. M.

Divine protection is always at hand. This is a theme of a Bible lesson-sermon entitled "God the Preserver of Man" at Christian Science Church services Sunday.

"The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore," a Scriptural promise states.

Readings from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, explain why this is so. One citation states: "The divine Mind that made man maintains His own image and likeness."

### Lower Hemlock

Women's Farm Bureau Christmas party was held Wednesday, December 1, at the Tawas Township Hall. Twelve members and one guest enjoyed pot-luck dinner and exchange of gifts.

Mr. and Mrs. James David of Detroit were recent visitors at the home of her parents, the Walter Millers.

Wednesday evening, Mrs. Richard Stock held a demonstration party at her home.

Sympathy is extended to the family of Andrew Bessey.

The past week, James Chambers of West Branch called on his mother, Mrs. Luella Price, at the home of her sister, Mrs. Winnie Latham.

Mrs. Myrtle Schenck of Delaware, Ohio, is visiting her sister, Mrs. George Biggs, for a few days.

Mr. and Mrs. Chris Herriman of Bay City enjoyed the week-end with his parents, the Clare Herrimans.

Betty Blust, student at Hurley Hospital Nursing School, Flint, enjoyed Thanksgiving with her parents, Mr. and Mrs. Michael Blust Sr.

Thursday, Mr. and Mrs. Ervin Biggs were Bay City visitors.

Mr. and Mrs. Harold Kraushaar of Maple Ridge were Friday evening visitors at the Orville Strauer home.

Karen Proudfoot visited friends at Chicago, Illinois, over the week-end.

Mrs. Ivan Alexander, Mrs. Thomas Nelkie and Mrs. Kathleen Cook were Flint visitors on Sunday.

Howard Blust has returned to work at Lansing after several weeks recuperating from an injured shoulder at the home of his parents, Mr. and Mrs. Michael Blust Sr.

Janet Proudfoot, student at Central Michigan University, Mt. Pleasant, enjoyed Thanksgiving with her parents, Mr. and Mrs. Randolph Proudfoot.

Sympathy is extended to the George Biggs family by the death of their great grandson at Bay City.

Sunday, a birthday dinner was held at the Michael Blust Sr. residence in honor of Mrs. Michael Blust Jr. Those attending besides the honored guest were the Michael Blust Jr. family of East Tawas and Mr. and Mrs. Charles Kujawa of Clio.

Mr. and Mrs. Orville Strauer, the Larry Frank family of Corunna and Brian Howell, student at Michigan Lutheran Seminary, Saginaw, were Thanksgiving dinner guests at the Floyd Howell residence.

### Sherman News

Mrs. Wilma Brigham, Mrs. Josephine Brigham, Mrs. Phyllis Jordan and Mrs. Helen Smith, attended the bridal shower honoring Diane Parto in Whittemore last Sunday.

The Floyd Shaffer family of Oter Lake spent last week-end with her mother, Mrs. Helen Boger.

Josephine Brigham, Helen Smith and Wilma Brigham attended the party in Turner Thursday evening.

Mrs. William Groulx of East Tawas was called on Helen Smith last Monday and reports her mother is in the hospital due to a fall, fracturing several ribs.

Mr. and Mrs. Harvey Smith were Alpena callers last Sunday. Thursday, Mr. and Mrs. Roger Wood were in Bay City. Mr. and Mrs. Ted Lichota were at Bay City Thursday.

### Reno News

Mr. and Mrs. Richard Samson attended the wedding of her nephew on Saturday.

Mr. and Mrs. Carl Bauer and children of Vassar spent Sunday at the home of his mother, Mrs. Idella Wood.

Wednesday, James Sturtevant Sr. had the misfortune to break his leg. Mrs. Idella Wood, Mrs. Val Samson and Mrs. Dorothy Mielock attended the Women's Farm Bureau Christmas party at Tawas Township Hall on Wednesday.

Mr. and Mrs. Edward Mervyn and children and Mrs. Kenneth Moore and children were week-end guests at the home of the ladies' parents, the George Waters.

## Hale Area News

### Extension Group Met at Pember Home

Hale Happy Homemakers Extension Group met at the home of Mrs. Robert Pember Tuesday, November 30. Articles were collected to be sent to the Traverse City State Hospital as Christmas gifts.

"Car Talk for Women Drivers" was the lesson, followed by a quiz on driving.

Next meeting will be held Tuesday, December 14, at the home of Mrs. Harry Schmers. Those present will exchange gifts.

Individuals are invited to join their friends and neighbors in the Hale Community Christmas Sing Saturday, December 11, 7:00 p. m., at the vacant lot adjacent to Pearsall's Store. Christmas carols will be sung and Santa Claus will be present to visit the children.

Robin Spencer of Ann Arbor arrived Tuesday afternoon to enjoy the Thanksgiving holiday with his grandmother, Mrs. Forrest Streeter, and his family, the Ralph Spencers of Livonia. He returned to Ann Arbor Thursday evening while the Spencers visited here the remainder of the week.

Mr. and Mrs. Louis Bissonette took their 11-year-old daughter, Nancy, to Mayo Clinic, Rochester, Minnesota, where she was evaluated for heart surgery. They all returned as surgery has been postponed at this time.

Mr. and Mrs. Virgil Smith were guests of honor at a pot-luck dinner honoring their 25th wedding anniversary at the Hale Community Building Sunday, November 28.

Mr. and Mrs. Roy Redmond flew to visit their two sons, Paul and Clifford, and their families near Washington, D. C., at Thanksgiving.

Mrs. Massie Wells passed away last Monday night.

Mr. and Mrs. Donald Stills of Britton were visitors of the Roderic Heilmans during deer season.

Mrs. Eva Heilmann took Mr. and Mrs. Roland Walters to Saginaw the past week for medical attention.

Mrs. Doris Ronchetto and her daughter, Mickie, recently returned from a visit with her relatives in California. While there, she was on the Truth or Consequences program and won a trip to Mexico, a guided tour, through Hollywood and other places of interest. The program she was on will be televised sometime in January and she will be notified of the exact date.

David Redman, son of the Rev. and Mrs. Earl Redman, former Baptist pastor, is traveling with singer, Douglas Oldham, and accompanies him on the piano. They expect to travel to the Holy Land near Christmas.

Kim Goodrow, son of the Lloyd Goodrows, was in a typhoon in Vietnam and reports they are having monsoon weather now.

PFC Ronald Johnson and family of Benjamin Harrison Base near Indianapolis, Indiana, were home over the Thanksgiving holidays.

Mrs. Martha Brickner and Luther were in Detroit over the Thanksgiving holiday.

Mr. and Mrs. Edwin Crellin drove to Downers Grove, Illinois, to visit their daughter and family, the William Currys, for 10 days. Their son, the Rev. Donald Crellin, and his family arrived from Ohio to enjoy Thanksgiving.

Mr. and Mrs. Roland Walter celebrated their 50th wedding anniversary at the Tawas Golf and Country Club with a dinner for approximately 50 friends and relatives. Their three daughters and one son were present for the occasion.

Richard Landis, son-in-law of Dennis Chrivia, suffered a serious accident while working as a conductor for a railroad. He was rushed to St. Joseph Hospital, Flint, where his left arm and leg were amputated. He is still in serious condition.

Bert Chrivia was admitted to Tolfree Hospital, West Branch, Wednesday.

Friday, Mr. and Mrs. Samuel Digard were visited by her brother, Norman White of Flint; her two sisters, Mrs. Clara Willman and Alberta Letson of Saginaw, and niece, Holly Letson, also of Saginaw. The Digards went to Flint for Thanksgiving with their son, Richard, and his family.

Mrs. Betty Ellsworth has been confined to the Standish Hospital the past week.

Hale Baptist Church and the Rev. Raymond Bruce celebrated the fifth anniversary of the church and the pastorate Sunday. The Rev. Duane Rutherford and his family of Faith Baptist Church, Ypsilanti, were guests. He was the special speaker at both morning and evening services. He and his two sons

sang. Refreshments were served in the annex after the evening service. Dale Humphrey came home from Tolfree Hospital, West Branch, but was re-admitted later in the week.

AN EARLY MORNING FIRE recently destroyed the home of Mrs. Wilma St. John located east of Hale. Mrs. St. John was treated at Tolfree Hospital, West Branch, for burns. Iosco Sheriff's Department is investigating theft of a snowmobile which was stolen from the garage during her absence.—Tawas Herald Photo.

# Michigan Studies Problem Drinkers

What should be done with the incorrigibly bad driver... with the problem drinker on Michigan's highways... with a system of driver appeals which is fair and equitable? These and other questions centering about the control of the problem drinker in Michigan are occupying some 250 Michigan safety-oriented and citizen groups.

Sec. of State Richard H. Austin, who called the conference in October to examine "the complexities of the total problem of the bad driver on Michigan roads," said six study groups are making progress and will have recommendations around the first of the year.

"We hope to be able to present some of the recommendations in time for needed legislative action next year," Austin said. "We don't intend that the findings of the conference will be submerged in a report and never be acted upon."

He said he was hopeful for "strong citizen support" when the proposals come up for action.

Austin said the following groups

are holding periodic sessions and will come up with recommendations for Michigan's "safe driving" future. The task forces are (1) licensing, driver control and coordination; (2) law enforcement; (3) courts and prosecution; (4) education and rehabilitation of drivers; (5) public information, and (6) engineering and research.

IN THE SERVICE—

Selected for AF Competition

SSgt. Richard W. Moore and TSgt. Jerry D. Hebert have been selected to participate in the Strategic Air Command's (SAC) elite combat competition at McCoy Air Force Base, Florida, December 12-17.

Sergeant Moore is an avionic instrumentation technician on the hand-picked team that will support the B-52 Stratofortress bomber crew from the 449th Bombardment Wing

at Kincheloe Air Force Base in the Upper Peninsula. Sergeant Hebert is a navigation systems repair technician on the team that will support the bomber crew from the 379th Bomb Wing at Wurtsmith Air Force Base. They were selected on the basis of their technical skill, proficiency and outstanding performance.

## Bolen - Kasischke Marriage Vows Said at East Tawas

Arrangements of red poinsettias and white chrysanthemums formed a floral background in St. Joseph Catholic Church, East Tawas, for the marriage Saturday, December 4, of Janet Kasischke and Gerald Bolen.

The Rev. Fr. John Rushman performed the 12 o'clock noon, double ring service. Mrs. Harold J. Knight, vocalist, was accompanied by Mrs. Lucille Michaels.

The bride is the daughter of Mr. and Mrs. Martin Kasischke of Tawas City. Mr. and Mrs. John T. Bolen Jr. of East Tawas are parents of the bridegroom.

Escorted to the altar by her father, the bride chose a dirndl skirted, floor-length gown of silk bombazine, complemented with floral embroidered re-embroidery and imported Venice lace. Her high Edwardian neckline, full bishop sleeves and fitted modified Empire bodice were trimmed in matching lace. Lace edged the skirt and the removable tubular chapel train. A pearl studded Camelot lace bonnet secured the bouffant veil of bridal mist illusion. She carried a crescent shaped arrangement of red sweetheart roses and miniature white chrysanthemums, entwined with holly.

The bride's sister, Mrs. Robert

Price, was matron of honor. Bridesmaids were Diann Fuerst and Kathleen Deering. Ann Kasischke, sister of the bride, was junior bridesmaid. The bride's attendants were identically attired in moss green velvet A-line, floor-length gowns with ivory chiffon Empire waisted bodices, ruffled jabots, high necklines and deep-cuffed sheer sleeves. Each carried a single red poinsettia and wore fresh holly in her hair.

Michael Bolen acted as best man with Dennis Ulman and Thomas Bolen, brother of the bridegroom, groomsmen. David Kasischke and Charles Bolen, brother of the bridegroom, seated the guests.

One hundred seventy-five guests gathered at the Tawas Golf and Country Club, Tawas City, for the reception following the ceremony. Mrs. Kasischke greeted guests in a purple knit dress with gold orchid corsage. Mrs. Bolen pinned a white orchid corsage to her pink knit dress.

Following a two-week trip to Florida, the newlyweds will reside in Tawas City. Both are Tawas Area High School graduates.

A pre-nuptial shower honoring the bride was hosted by Mrs. Price, Mrs. George Binder, Mrs. Robert Grabow, Miss Fuerst and Miss Deering.

### Engaged

Mr. and Mrs. David E. Bernard of Hale announce the engagement of their daughter, Kathy Jane, to Robert William Alward, son of Mr. and Mrs. William Alward of Hale.

Miss Bernard and her fiancé are Hale Area High School graduates. She is currently attending Central Michigan University, Mt. Pleasant. Mr. Alward is a student at Delta College.

Wedding plans are indefinite.

### Engaged

The engagement of Susan Edith Drumm to PFC Clarence J. Jordan is announced by her parents, Mr. and Mrs. Francis L. Drumm of East Tawas. Parents of the prospective bridegroom are Mr. and Mrs. Clarence E. Jordan of National City.

Wedding plans are indefinite.

## Iosco Chapter, OES, Held Family Dinner

Approximately 50 members of Iosco Chapter No. 71, Order of the Eastern Star, enjoyed a family potluck Christmas dinner Friday evening, December 3, at the Masonic Temple, Tawas City.

The dining room was decorated for the Christmas season, including a lighted Christmas tree. The members brought gifts to be sent to the residents of the Masonic Home at Alma.

Following the dinner, a business meeting was held. Introduced by Mrs. William Scates, worthy matron, were past grand officers of the Grand Chapter of Michigan, Mrs. William Lyon and Miss Ruby Evans; Mr. and Mrs. Harry Crawford, worthy patron and worthy matron of Tawas City Chapter No. 303, and Mrs. Herbert Hertzler, third vice president of the AIA Association.

Mrs. Francis Bloomer was installed as marshal by the worthy matron, assisted by Mrs. Joseph Hennigar, installing marshal, and Mrs. Hertzler, installing organist.

Mrs. James LaBerge was elected to receive her life membership. Elected to serve on the board of W. Mark Sexson Assembly No. 86, Rainbow for Girls, for 1972 were Mr. and Mrs. Justus Ashmore, Mr. and Mrs. Ernest Nesbitt, Mrs. Crawford, Mrs. Clare Herriman, Mrs. Scates, Mrs. Carl Lavender, Mrs. Earl Hester, Mrs. Francis Halstead, Mrs. Edward Goodman and Mrs. Floyd Schaff Sr.

Mrs. George Rose, sunshine chairman, gave a report on the members to whom she sent cards and gifts.

At the close of the meeting, the group sang Christmas songs with Mrs. Blake at the piano. Christmas cookies and coffee were served. The committee in charge of the dinner and decorations was Mr. and Mrs. Peter Lichtfus, Mr. and Mrs. Rose, Mrs. Scates, Mrs. Blake and Mrs. Clifford Wilkinson.

## ET Garden Club Schedules Annual Christmas Dinner

Members of the East Tawas Garden Club will enjoy their annual Christmas dinner at the Redwood Lodge, Oscoda, Monday, December 13, 6:30 p. m. Following dinner, those present will exchange garden-gifts.

## About PEOPLE YOU KNOW

### Tawas City

Miss Cleopatra Shelp has returned from Bancroft where she spent several days with her sister, Mrs. Roy Mortimer.

Mr. and Mrs. James H. Leslie left Tuesday for St. Petersburg, Florida, where they will spend the winter. L. J. Trinklein is accompanying them and will drive the car.

Mr. and Mrs. Roy Pagel of Pontiac were holiday week-end guests of her parents, Mr. and Mrs. Ray Ledsworth.

Mr. and Mrs. Norman Charters of Pontiac and her mother, Mrs. Katharine Haranda of Pinconning, were recent guests of the former's mother, Mrs. Evelyn Charters.

Members of the Tawas City Garden Club are attending the Christmas tea given by the Wurtsmith Garden Club this afternoon (Wednesday).

Mr. and Mrs. Carl Arft, Mrs. Frances Sheeks and Mrs. George Lieske were business visitors in Alpena on Monday.

Mrs. Mabel Wilson of Holt spent the week-end with her parents, the Harry Goodales.

Mrs. N. E. Thornton was a Saturday visitor of her parents, the H. J. Dawes of Rochester.

Miss Marion Jennings accompanied her cousin, Mrs. Winnifred Labian of Clio, to Ft. Myers, Florida, for a two-week vacation. The trip was made by plane. Enroute home, they visited their cousin, Mrs. Mathew Zeiler, at Clearwater.

Mr. and Mrs. Roy Pagel of Pontiac and the Ray Ledsworths enjoyed the week-end in Grand Rapids at the home of the Dennis Ledsworths.

### Lunch Menus at TA Schools

Lunch menus to be served December 13-17 at Tawas Area High School are as follows:

Monday, December 13: Cheeseburger on bun, over browned potatoes, applesauce, one-half pint milk.

Tuesday, December 14: Creamed turkey on mashed potatoes, string beans, fruit cup, bread and butter, one-half pint milk.

Wednesday, December 15: Hot dog on bun, hashed browned potatoes, diced peas, one-half pint milk.

Thursday, December 16: Pork patties, mashed potatoes and butter, applesauce, brownie, bread and butter, one-half pint milk.

Friday, December 17: Tuna-noodle casserole, buttered peas, bread and butter, pineapple, one-half pint milk.

### TC Garden Club Sets Dinner Party

Tawas United Methodist Church, West Parish, will be the scene of the Tuesday, December 14, 12 o'clock noon, Christmas dinner party of the Tawas City Garden Club. Dinner will be served, followed by a gift exchange.

Hostesses for the dinner will be members of the program committee.

### East Tawas

Mr. and Mrs. Clayton Busha and the latter's mother, Mrs. Charles Ruggles, were recent visitors at the home of Mr. and Mrs. Bernard Szepanski in Midland.

Mr. and Mrs. Roy Smith of Paw Paw and Mr. and Mrs. Ward James of Dearborn were week-end callers at the home of Mr. and Mrs. Lee Campbell.

Mr. and Mrs. Helmuth Carlson were in Flint Tuesday and spent the day with relatives.

Mrs. Edward Moss and granddaughter, Melody Moss, of Sault Ste. Marie spent the week-end with their aunt and uncle, Mr. and Mrs. Marvin Flurry.

Here to enjoy a few days with Mr. and Mrs. Francis Casey last week were Mr. and Mrs. Emery Gensler of Toledo, Ohio.

Mr. and Mrs. Arthur Buckman have returned from Detroit where they spent the Thanksgiving holiday with their daughter and husband, Mr. and Mrs. Amie VanVye.

Mrs. Fred Richardson and Mrs. Robert Bissonette were Bay City visitors Sunday.

Recent guests in the Alfred Cramer home included his sister, Mrs. Elizabeth Brinke; Mr. and Mrs. Peter Rotarius and daughter, Kathy, and Mr. and Mrs. Richard Edwards of Warren.

Mrs. Sue Chrysler has returned from Mt. Clemens where she visited relatives during the past two weeks.

Mr. and Mrs. Stanley Thomas greeted many friends and relatives at an open house at their home Sunday afternoon and evening. Mr. and Mrs. Thomas returned from a wedding trip earlier in the week.

Week-end guests of Mr. and Mrs. Herbert Deckert were the latter's brother and wife, Mr. and Mrs. Wymark Silk of Saginaw.

Mrs. LeRoy McClellan was in LaPeer last Thursday. Her mother, Mrs. Mildred Boyer, who has been hospitalized for several weeks, returned home with her.

Veronica Shedenhelm has returned to Judson College, Elgin, Illinois, after enjoying the Thanksgiving week-end with her parents, Mr. and Mrs. Roy O. Shedenhelm. Sgt. Stephen E. Walker of Pierson, Iowa, currently stationed at Wurtsmith Air Force Base, was also a guest at the Shedenhelm home.

Friends, neighbors and relatives helped the Ralph Boomers to celebrate their 50th wedding anniversary Wednesday, November 24. Many beautiful cards and gifts were received.

A former local resident, Bert Bonney of Tampa, Florida, 85, passed away Monday morning, December 6, in Tampa.

## Thomas E. Clement Claims Linda Kohn as Bride

In 10:30 o'clock rites Saturday, December 4, at Emanuel Lutheran Church, Tawas City, the Rev. James F. Rockhoff officiated at the service uniting Linda Susanne Kohn and Thomas E. Clement in marriage.

The bride is the daughter of Mr. and Mrs. George W. Kohn Jr. of Turner. Her husband is the son of Mr. and Mrs. Wesley Clement of Hale.

The former Miss Kohn chose an Empire waisted, bridal silhouette gown with gathered floor-length skirt and built-in chapel-length train. Venice lace enhanced the gown which featured a high Edwardian collar and deep cuffed sheer sleeves. A demi-lace bonnet, high lighted with crystals, secured the bouffant veil of bridal mist illusion. She carried a cascade of shattered white carnations and yellow roses.

Susan Drumm of East Tawas was

maid of honor with Nancy Ann Kohn of Turner, flower girl. Miss Drumm wore an aqua chiffon gown with matching bow headpiece. Miss Kohn was attired in a white dress, accented in lace, with matching bow headpiece. Both carried cascades of white and yellow carnations.

Owen Stetler acted as best man. Richard Kohn of Turner seated the guests.

The ceremony was followed by a dinner at Lixey's Restaurant, East Tawas.

Following a brief wedding trip, the couple will reside in Hale.

### Engaged

The Rev. and Mrs. E. A. Breiling of Viroqua, Wisconsin, announce the engagement of their daughter, Naomi Carol, to John Clay Hardman, son of Mr. and Mrs. Clayton A. Hardman of Clare.

Miss Breiling and Mr. Hardman are both graduates of Dr. Martin Luther College, New Ulm, Minnesota. Mr. Hardman is also a graduate of Central Michigan University, Mt. Pleasant. Miss Breiling is presently teaching at Emanuel Lutheran School, Tawas City. Mr. Hardman is principal and teacher at Mt. Olive Lutheran School, Bay City.

A June wedding is being planned.

## Giddings Home to be Scene of Christmas Party

"What Christmas means to me" will be the roll call response at the Wednesday, December 15, 8:00 p. m., meeting of the Twentieth Century Club at the home of Mrs. Arthur E. Giddings. Mrs. George Stalker will offer the meditation.

Mrs. James F. Mark Jr., music chairman, will present the annual Christmas program, followed by a gift exchange.

Mrs. John Forsten and Mrs. Glen Schlaack will act as hostesses.

## GOP Women Cancel Regular Monthly Meeting

The Republican Women's Club of Iosco County will not hold its regularly scheduled Tuesday, December 14, meeting. Next meeting will be held Tuesday, January 11, 1972, at which time the new slate of officers will be installed.

## When you're close to the land, you play it close to the belt

You get a dollar ahead and you stash it. Not just anywhere either. Somewhere that's safe and sound. That could be a lot of places—but in my case it's U.S. Savings Bonds.

Right now I'm buying E Bonds, a little out of every crop check. A few years from now when they mature they could help replace some equipment, or maybe send my daughter to college.

Later on, if I still haven't used them, I could trade them in for H Bonds for retirement income. The mailman comes around every six months with an interest check from the government.

You have to depend on yourself when you're a farmer. So when you finally get some money it's good to know there's something else you can depend on. Uncle Sam guarantees it.

See your banker about United States Savings Bonds Series E for growth—Series H for income

## Handicapped Children Aided by Senate Bill

The Michigan State Senate passed a bill Wednesday that would require mandatory implementation of a special education program or service by each intermediate school district.

The legislation establishes and guarantees all handicapped children in Michigan appropriate educational programs and services. Plans for the delivery of special educational programs and services are to be formulated at the state and intermediate school district levels. Under the legislation, local school districts would be required to provide these education programs and services either by direct operation or by contracting with other school districts or agencies. The mandatory feature of the bill would not become effective until the 1973-74 school year.

The cost of funding special education in Michigan for fiscal year 1971-72 is \$55,000,000. Assuming a normal program growth, the cost of implementing a full mandatory special education program would be approximately \$73,000,000 for fiscal year 1973-74.

Sen. Robert Richardson commented that "the bill typifies the kind of legislation needed to encourage the concept of local effort in addition to annual funding increases in the area of special education. I am firmly committed to the idea that community based programs will enhance the opportunity for each individual handicapped child in Michigan to develop as much as possible into a self-sufficient and contributing member of his community."

Of the estimated 290,000 handicapped children in Michigan, more than 96,000 are not yet in educational programs suited to their needs. Thousands of others are still awaiting diagnosis and treatment.

"Each child must be given the opportunity to develop his personal, social and vocational skills to the fullest extent of his capabilities," Senator Richardson added.

## Wilber News

Mr. and Mrs. Charles Cross of Muskegon visited his brother, Raymond Cross, and family over the week-end.

Mr. and Mrs. Lyle Schrieber of Pontiac visited at the John Newberry home Saturday.

Women's Society of Christian Service has planned a Christmas candlelight sing-spiration to be held Saturday, December 11, 7:30 p. m., at the Wilber United Methodist Church. Lunch will follow in the church basement. The public is invited to attend.

Saturday evening, the Farm Bureau Group held its Christmas party at the home of Mr. and Mrs. Raymond Cross. Dinner and a social evening was enjoyed by members and their families.

Lyle Newberry of Flint visited his parents Wednesday evening. John Newberry enjoyed an auction sale in Lincoln Thursday.

Sympathy is extended to friends and relatives of Mrs. Lucy Sims. Mrs. Laura Sugden and son visited at the Francis Dorey home Thursday evening.

Mr. and Mrs. Charles Hoag and family of New Buffalo and Joseph Hoag of Bay City spent a couple of days with Mrs. Marian Hoag and visited at the Kenneth O'Brien home.

Clarence Dorey of Pontiac is visiting a few days at the home of his brother, Francis Dorey.

# Hale A. School Construction Moving Along on Schedule

PROGRESS on the new Hale Area School is pictured above. Ground was broken in September and steel work is expected to be completed within the next three to four weeks. School administrators

are hoping for completion of the new facilities by next fall in order to relieve a serious overcrowding condition in the school. —Tawas Herald Photo.

Work is progressing on schedule on construction of the new Hale Area School, but a three-week jump on the project was lost through a delay in steel delivery.

Supt. Paul Keene said last week that it appeared as though work on installing structural steel and roof deck would be completed within three to four weeks. Englehart Construction Company, Bay City, is contractor.

"We are hoping to get into the new building by next summer—our fingers are crossed as the space situation in the old building is really getting critical," said Keene.

Already jammed to capacity when work was started, the phenomenal growth of Hale Area School District continues. Since the fourth Friday count of 649 students, the school's enrollment has zoomed to 714—an increase of slightly more than 10 percent in a little more than two months.

The enrollment increase, brought on by the rapidly filling up of inland lake area building lots and the

area just outside the Hale village limits, has added more problems for administrators and teachers.

"We thought we were crowded before, but this is something else—that new school just has to be completed for use next fall," said Keene.

The board of education has now revised its previous projections and plans on a nine percent enrollment increase over the next four years. This means that the district would have an enrollment of 1,000 children by then.

The new school will have maximum space for 500 children and, because of this continued influx of new families, the district probably will have to start planning on even more new facilities—probably utilizing a middle school concept.

"Because of the past growth pattern, we just cannot wait another four years to start planning on more facilities—we will be absolutely swamped if we do," said Keene.

In conjunction with plans for the new school, the administration,

board of education and teachers are now studying the best possible methods of instruction to be utilized in the new school.

"We honestly feel that we can have one of the best instructional programs in Northern Michigan," said Keene.

Steps are being taken right now to implement some of the new ideas, especially in elementary grades. The school is now concentrating on individualized instruction in elementary grades in the fields of investigative science. Analytical concepts are being used in mathematics, instead of using the rote system, which stifles creativity.

Hale Area School is one of three districts in the state to receive federal Title I funds—\$10,000—for development of a reading educational laboratory in the elementary grades from one through three.

This program utilizes newly designed equipment to diagnose learning difficulties of children.

Adhering to the philosophy that reading is the basis for all learning, Hale Area School has adopted a concept of individualized instruction in the lower elementary grades. Staff members have had in-service training in the new system, look and learning reading program.

Administrators at Hale Area School say that the entire system is going to be accountable to the public in tangible ways of measuring the educational program. A series of objectives have been developed in order to determine what the children are learning.

The school is presently dealing with a number of educational concepts and a testing program is being developed to diagnose the potential of each student.

Keene said that success of any program is dependent upon the awareness of the community and administrators are now in the process of planning means of informing the public as to the development of new school programs.

## RSN 125 Adopted As Ceiling for 1971 Draft Calls

Random sequence number (RSN) 125 has been set as the year-end ceiling for 1971 draft calls, it has been announced by Arthur A. Holmes, state director of selective service.

Class 1-A registrants who are 20 years of age or older with RSN 125 or below who are not inducted in 1971 will have their liability for induction extended into 1972. They will be subject to induction during 1972 along with other men who are in the extended priority selection group.

Other registrants in class 1-A during 1971 with RSN 126 and over, who have never been assigned to an extended priority group, will be transferred to the second priority selection group in 1972 and will not be subject to induction except in a national emergency.

Deferred registrants with RSN 126 and over who have never been assigned to the extended priority group may drop their draft deferments in favor of a 1-A classification during the remainder of 1971. By dropping their deferments, these men complete their exposure to induction in 1971. They will then be transferred to a lower priority in 1972. They would be liable for induction only in a national emergency.

Application forms are available at all draft boards for registrants who wish to request termination of present deferments under this policy. Written requests must be received by local boards no later than December 31, 1971.

This policy applies to deferred registrants such as high school students in 1-S, occupational and technical student deferments in 2-A, agricultural deferments in 2-C, college students in 2-S, divinity students in 2-D or 4-D and hardship deferments in 3-A.

Recently called for physical examinations from Iosco Local Board No. 36 are Lloyd James Nelkie, Gerald Bruce Lockhart, Dale Ammons, Ronald Paul Langlois, William Henry Lixey and Dennis Ray Krish.

Enlisted and inducted are Thomas Randall Ferguson, Jerry Lynn Frank, Stephen John Bair, Joseph Stephen Hostman, Robert Jay Britt, Harold Chris Lardie, Larry Alan VanCamp, Dale Alan Reiman, Elliot Clifford Fannin Jr., Raynald Powers and Dennis Day Provoost.

Returned servicemen or completed service commitment listed for this county include Carl Michael Nemeth, Kenneth Arnold St. John, Alan Burton Clemens, Donald Lee Hutchinson, John Alvin Heath, Charles Lucius Gould, Charles Arthur Fannin, Ferris James Finerty, Robert Edward Baker Jr., Oliver John Champine, Robert Dennis O'

Neil, Ivan Mark Lauria, Craig Carlton Follette, Dean Jay Cole, Dennis Rae Partio and Bradley James Irwin.

## Has Skepticism Over Diverting Road Money

State Rep. George A. Prescott, Tawas City, has expressed skepticism about a proposal to divert highway funds into mass transportation programs.

A package of transportation bills is now before the legislature. The legislation would increase gasoline taxes from seven cents to 8.3 cents per gallon, with a half-cent of the 1.3 cents per gallon increase earmarked for mass transit. Some proponents are even pushing a two cents per gallon increase.

"I personally have some serious misgivings at the moment about subsidizing Southeastern Michigan mass transit out of the highway funds from road use taxes," Prescott commented.

"We are faced with a situation right now where our highway system is suffering from lack of money for renovation and extension. This is a state-wide problem. In many areas, highways are in desperate need of repair. In other locations, new and larger highways are required to meet the traffic flow. We do not have the money to adequately meet these needs. Highway experts are testifying that the 1.3 cents increase will not be enough to correct the deficiencies and are recommending increases of two cents and even 2.3 cents.

"There are other problems with the transportation package. One of them is the vagueness of the optional fund program, which some unspecified, yet-to-be-created organization would have discretionary authority to allocate. This discretionary fund would also tap into the already too-short highway fund monies.

"With this critical situation, I do not really see how we can take money away from highway improvements and put it into mass transit," Prescott concluded.

## CLOSED ALL-DAY SATURDAY

Regular Office Hours are as follows:

Monday and Tuesday: 8:00 a. m. to 12 Noon, 1:00 p. m. to 5:00 p. m. and 6:00 p. m. to 10:00 p. m.

## Post Address Change With Social Security

Question: I recently moved just across the street from my old address. Since the mailman knows where I live, is it really necessary to change my address?

Answer: Yes. Your present mailman may know where you live, but a new one may look for you at the address shown on the check. If he does not find you there, he may send the check back to the United States Treasury Department and delivery of your check will be delayed.

Question: My father and mother were collecting monthly social security retirement benefits in a single check when my father died last month. We reported his death to social security but when the check came yesterday it still had both my

mother's and father's names on it. What should we do?

Answer: You or some member of your family should bring the check to the social security office. We will stamp it so that it can be cashed with just your mother's endorsement on it. Any adjustment will be made in your mother's next check.

Question: I am attending high school and receiving monthly social security benefits as the son of a disabled worker. Is it true that social security will pay part of my college tuition?

Answer: No. But social security will continue to send you the same monthly cash benefit you are now receiving as long as you are a full-time student under 22 and not married. You can use this money to help pay your college expenses.

If you have a question about social security, contact your district office at 1009 North Madison Avenue, Bay City, Michigan 48706; telephone, 893-9579. For your convenience, a social security representative will be at the Iosco County Building, Tawas City, every Thursday of each month from 9:45 a. m. to 3:00 p. m.

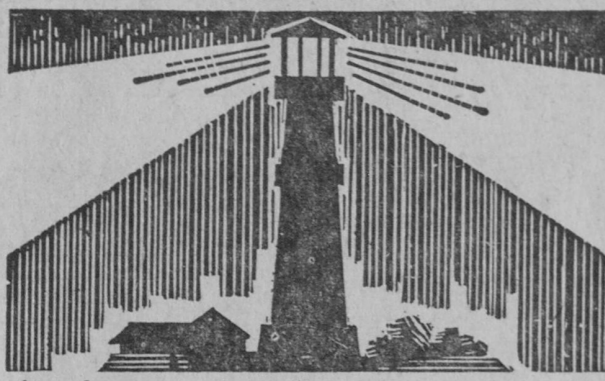

**SECOND ANNUAL** football banquet Thursday night honoring the Tawas Area Braves proved to be another huge success. Receiving special recognition were the above four seniors. From left are Tom Kasischke, who received the Reynold Mick Award, presented annually to the player who "stars" in the classroom (Kasischke has a 3.4 scholastic average) and the Douglas A. Evans

Award, presented annually to the player displaying outstanding citizenship, dedication, loyalty and scholarship; Steve Nichols, voted by his teammates as the Braves' most valuable player; Mike Herrick, voted by coaches as the season's most improved player; Mike Russell, winner of the team's gas can award.—Tawas Herald Photo.

### LOOKING BACKWARD—

## Base Receives First F-102A Jet Interceptor

15 Years Ago—

December 6, 1956—Wurtsmith Air Force Base has received the first of its new F-102A all-weather jet interceptors.

John A. Mielock Jr., student at Michigan State University, has earned the first two-year transportation scholarship sponsored by the Lansing Motor Carriers Association.

At the request of Hale Chamber of Commerce, state highway department plans for one clear view corner on M-65 have been canceled.

Tawas Area Braves opened the basketball season with a 42-40 win over Sterling. Dave Featheringill and Ray Guyette led in scoring with 14 points each.

Brian Bellville of Whittemore won first place and a wrist watch in the junior dairyman project sponsored by Kraft Foods Company. His brother, Terry, received a pocket knife for his award in the same program.

25 Years Ago—

December 6, 1946—Judge Herman Dehnke's one-man Macomb County grand jury is assuming a rank with the Carr-Siegler and Ferguson-O'Hara probes as a powerful agency for the curtailment of corruption.

Tawas City Board of Education voted to close the kindergarten until after the holidays to save fuel. The new kindergarten building will be ready after the holidays and will be heated by oil. The auditorium has been utilized while the new building is under construction.

Government economists say purchasing power of the dollar dwindled to 69 cents from 1941 to September 1946 and possibly will shrink further with the freezing of food prices.

The best thing that could happen to all bodies at work on world peace would be a general loss of voice by delegates.

Fire was discovered Tuesday afternoon at the Delos Allen home at Hale. Prompt action by the fire department quickly put out the blaze before too much damage resulted.

Jane Marzinski and Rosemary Mielock of East Tawas, who are attending Bay City Business Institute, spent the Thanksgiving holiday with their families.

35 Years Ago—

December 6, 1936 — Edward Jacques was appointed by the Tawas City Council to succeed Walter Kasischke as Second Ward supervisor. An employee of the Herald for the past 10 years, Kasischke has left for Pontiac where he has accepted a position in the advertising department of the Pontiac Motor Company.

A Detroit man, who hijacked some slot machines from an Oscoda

restaurant August 17 and threatened one of the employees with a bottle, has been sentenced to prison for a one to 15-year term.

Low bid accepted for construction of Tawas City water work system's new pump house on First Avenue was \$4,045.

Farmers and lawyers dominate all other groups in potential voting strength in the 1937 state legislature. A survey of vocations of the 100 house members showed 30 farmers and 10 attorneys selected to serve for the next biennium. In the senate for the next two years, there will be nine lawyers but only one farmer.

Juvenile delinquency causes and cures was the topic of the monthly meeting of Whittemore Ladies Literary Alliance.

Isabelle Toms and Janet Musolf are leading in the primary room's spelling contest at Tawas City School.

## MERSCHEL HARDWARE

133 Newman St. East Tawas

By SUSAN SMALLEY  
Extension Home Economist

(Information for this column comes from extension bulletin E-554. For more information about caring for your Christmas poinsettias, stop at your county Cooperative Extension Service Office for the complete bulletin.)

Poinsettias are traditional Christmas flowering plants which will last throughout the Christmas season and may be grown on to flower again next year.

### Selecting Your Poinsettia

The plant you choose should have dark green foliage; fallen or yellow leaves indicate poor fertilization or a root disease problem. The flower bracts, red, pink or white, should be of good size and have little or no pollen showing on the actual flowers, those red or green button-like parts in the center of the colorful bracts. Be sure the plant is well wrapped when you take it outside on your trip home. Exposure to low temperatures for even short periods of time can cause leaves and bracts to turn brown and fall.

### Christmas Care

Place your poinsettia near a sunny window or other well lighted area. Do not let any part of the plant touch cold window panes. Poinsettias are usually grown between 60-70 degrees in greenhouses, so it would be desirable to have this temperature for maximum keeping time. If temperatures are too high, the life of the bracts will be shorter. Poinsettias do not like drafts, so keep them away from radiators and air registers as well as open windows or doors. To keep your poinsettia in bloom the maximum length of time, place it in a cooler room at night—55 to 60 degrees is ideal.

Examine the soil daily and water only when it is dry to the touch. Always water enough to soak the soil to the bottom of the pot and discard some excess water. If you do not water enough, the plant will wilt and the lower leaves will drop. If you water excessively, the lower leaves will yellow and then drop. Apply a soluble fertilizer, such as used on house plants, once a month according to the recommendations of the manufacturer.

### Late Winter and Early Spring Care

The new varieties of poinsettias, such as Paul Mikkelsen, Eckespoint C-1 and Annette Hegg, are long-lasting flower types; that is, their flowers remain on the plant for several months. During this time, side shoots will develop below the bracts and grow up above the old flowering stem. In order to have a well-shaped plant for the following year, it is necessary to cut back the original stem of a poinsettia to four to six inches in height, removing the old flower and one or two side branches. This will cause the buds located in the uppermost leaf axils to grow and

develop. This cutting back is usually done in February or early March. Keep the plant in a sunny window at a temperature between 60 and 70 degrees and water and fertilize as needed.

### Late Spring and Summer Care

If the plant is too large for the old pot, repot into a larger pot. A soil mix of two parts garden soil, one part peat moss and one part sand, vermiculite or perlite plus one tablespoon of super-phosphate thoroughly mixed in with each potful of soil makes a good mixture for poinsettias.

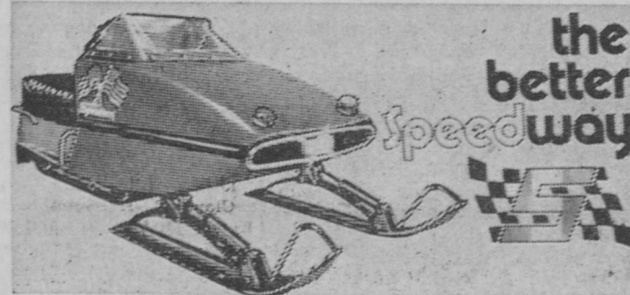

After the danger of spring frost is past and night temperatures exceed 50 degrees, sink the poinsettia pot in the ground to the rim in a well-drained slightly shaded position out-of-doors.

Between July 15 and August 1, cut off the terminal portion of all shoots. These can be rooted in a mixture of half peat moss and half sand and flowered for Christmas using the procedure described below.

### Fall Care

Take your poinsettia plant inside before the first frost, usually around September 15 in Lower Michigan. Place the poinsettia in a sunny window as before. In order to flower your poinsettia, you must keep the plant in complete darkness between 5:00 p. m. and 8:00 a. m. daily from the end of September until color shows in the bracts, almost mid-December. The temperatures again should remain between 60 and 70 degrees. If this procedure is followed, the poinsettia will be in flower for Christmas.

# Insulation. It's like a sweater for your home.

Just like a sweater keeps you warm, insulation keeps heat in your home. And saves you Gas and money.

Many homes today still don't have the proper amount of insulation for maximum comfort and economy. But chances are you can install adequate insulation in your attic, yourself, at moderate cost. And your attic is where the greatest escape of heated air takes place.

This is just one of many Gas and money-saving ideas you'll find in Michigan Consolidated Gas Company's free booklet, "The Great Escape." By checking and correcting the ways heat escapes from your home, you can make Gas (already one of today's big bargains) an even bigger bargain.

Fill out the coupon, and learn more ways to foil the great escape—and save Gas and money, too. Or pick up a copy of "The Great Escape" at any of our offices. It's free.

# Tawas Braves Won Opener Over Essexville-Garber Dukes

Tawas Area Braves opened its NBC schedule on a winning note Friday night by edging out visiting Essexville-Garber, 61-57, in an exciting photo finish.

Both teams, understandably, made many mistakes in the season opener and, at times, it was a night of frustra-

tion for Coach Jim Papenfus and his Braves to get a potentially powerful offense rolling.

The Braves displayed some outstanding ball handling, passing and speed at times, and, if they can put this all together consistently, could measure up to preseason expecta-

tions. Tawas had to play a catch up game for three quarters, being flustered early by Garber's press defense. Tawas unveiled its own press defense for the first time in the fourth quarter and put the Dukes on the ropes to even the score at 49-49 with three minutes, 41 seconds to go.

Guard Chip Hages put the visitors two up with a shot from the corner, but Rob Hackborn tied the score at 51-51 with a nice driving shot. Hages meshed another corner shot and then fouled out with two minutes, 32 seconds to go.

Hackborn made a good two-point play on a rebound to tie the game and a long pass from Tim Fox to Bob Towns netted a Tawas go ahead basket to make the score 55-53. Essexville again tied the game, but a good fast break by Tawas saw Towns driving toward the goal, then passing off at the last instant to Fox, who evened the score at 57-57.

Tawas went ahead to stay when Towns meshed two foul shots to make it 59-57. The last 37 seconds of the game were stretched out as Garber called time outs to try and set up a scoring play. Garber had three chances to score, but threw the ball away on the first one. Mike Russell was called for an offensive back court foul with 22 seconds remaining, but Tawas' defense again stopped the Dukes.

The Braves took too much time in getting the ball into play and Garber again had an out-of-bounds play under the basket with seven seconds to go. This was stopped by Steve Janego, who jumped in front of a Garber player to intercept the pass, then tossed to Towns, who relayed the ball to Russell for the final basket.

A low scoring first half saw the Braves being stopped by Garber's press defense. The Braves just were unable to work the ball in to Fox or Hackborn, but Sophomore Larry Nichols kept the Braves in the running with four buckets and two foul shots. Fox, with some good rebounding, had four buckets and a foul shot.

Tawas' defense effectively stopped Joe Pergande, high scoring Duke,

but Pergande meshed 10 foul shots and four field goals to lead his team with 20 points.

The Braves showed good scoring balance with three players in double figures, led by Fox's 18. Larry Nichols turned in a 12-point effort and Hackborn had 11.

Tawas Area Junior Varsity trounced the visiting Garber JV, 65-34. The Junior Braves jumped to an 11-9 edge in the first quarter and then rang up an amazing 30-4 scoring margin in the second quarter to hold a 41-13 lead at intermission. Coach Dick Fairless used his entire bench during the second half and found additional strength.

Terry Nichols, twin brother of Larry, meshed nine field goals to lead the Junior Braves and Craig Prescott hit the hoops for 14 points, showing a deadly eye with six field goals and two foul shots.

Basketball action this week finds the Braves playing host to Gladwin on Friday night.

## Hale Eagles Won Over Hillman

Hale Area Eagles are off and running after a 73-46 opening victory Friday night over visiting Hillman.

The schedule during the next two weeks could well determine top contenders in the North Star League as Hale met Mio last night (Tuesday), play at Arenac Eastern Friday night and meet the tough AuGres Wolverines the following Tuesday night.

The Eagles showed exceptional balance in the season opener as Coach Dale Purkey ran in his reserve strength with three minutes remaining in the first half. Thirteen Eagles saw action during the night.

Jeff Miller was high on the scoring ladder with 15 points and, combined with Greg Pickett, who scored 11 points, effectively controlled the boards most of the game. Second high scorer was Keyno Shellenbarger.

The Eagles started off to a 17-12 first quarter lead as they broke Hillman's press defense with ease. Hale Area upped the margin with a 20-11 scoring bulge in the second quarter. Third quarter action found the home team with a 17-10 margin and the Eagles swept the entire quarter scoring by being tops in the final, 19-13.

## W-P Girls Post First Cage Win

By DORNACE BELLVILLE

The Whittemore - Prescott Area Card girls started the basketball season off the right way Wednesday night with a double win over Sanford Meridian. The varsity won, 20-18, while the junior varsity had an easy time over a newly-formed Mustang squad, 32-6.

Coach Sheryl McLean's varsity squad had trouble hitting the basket as they trailed the visiting Mustangs all the first half with the score, 9-6, at intermission. The Card girls controlled the ball most of the time in the third quarter and it finally paid off as Becky Osborne hit a two-pointer to tie it up for the first time, 11-11, midway in the third quarter.

The Cards went ahead for the first time, 15-13, on a basket by Bonnie Lieber early in the final quarter. Three points by Rose Moraitis gave the girls an 18-13 lead, but the Mustangs made it interesting as they came within two points, 20-18, as time ran out.

Becky Osborne led scoring with seven points, while Kennedy was tops for the Mustangs with six.

## W-P Cards Lost Close One to Wolverines

By DORNACE BELLVILLE

Whittemore-Prescott Cardinals lost by only one point to AuGres, 58-57, to show a marked improvement at the start of a new season. The Card JV lost to AuGres, 46-39.

The varsity game was a thriller with the Cards holding a slim lead most of the first half. Chuck Nichols of the Cards scored all 16 of his points in the first half, but picked up four fouls and sat out all of the third quarter as the Wolverines held a slim 35-33 lead.

The Wolverines pulled out to a six-point lead in the fourth quarter, then Coach Reed put Nichols back in the game and the Cards' press slowed down the Wolverines and they came within one point, 58-57, with only seconds left.

Nichols picked up his fifth personal foul with five seconds, AuGres missed the free shot and a hotly disputed decision deprived the Cards of a last chance as time ran out when the clock should have been stopped on the foul call.

Fitzgerald led the scoring with 23 points. Nichols' 16 points was high for the Cards, followed by Howard Barriger's 14. Bruce Britt hit 12 points and turned in a good job on defense by holding the Wolverines' Jim Jennings to only four points.

AVAILABILITY OF VEGETATION: NOT SEVERITY OF THE COMING WINTER. DETROIT'S SIZE OF A MOSQUITO OR BEAVER HOUSE.

### Whittemore

#### News

#### 'Gift Wrapping' Featured Program

The Whittemore Women's Club met at the home of Mrs. John Barrington Wednesday night with Mrs. Alma Pake and Mrs. Marion Thompson assisting hostesses. Eighteen members answered to roll call, which was Christmas decoration ideas. The program was "Gift Wrapping."

The hostesses served pumpkin pie with whipped topping, tea and coffee.

The club's Christmas party will be at the parish house of the United Methodist Church on Wednesday, December 15, with exchange of gifts. A 6:30 pot-luck dinner will be enjoyed before the meeting. Members are to bring table service and a dish to pass.

#### Christmas Party Held by OES Chapter

Whittemore Chapter, Order of the Eastern Star, held its regular meeting and Christmas party Thursday night with a good attendance. A 6:30 pot-luck supper preceded the meeting. An impressive memorial was given for Frances Jackson, a charter member of the chapter, who passed away recently.

After chapter closed, members retired to the dining room where exchange of gifts was held with a pretty Christmas tree on the gift table. Christmas carols were sung.

Mr. and Mrs. Clendis Bridge spent Thanksgiving Day in Davison.

Whittemore Junior League will hold its Christmas party Thursday, December 9, at the home of Irene Jordan with an exchange of gifts.

Word was received here Thursday from Lakeland, Florida, that Delbert Cataline, who had gone there for the winter, had suffered a severe stroke and was completely paralyzed. He is to be sent home by plane.

Mr. and Mrs. William Harsch and family of Pontiac spent a few days here deer hunting.

Mrs. Laella Ellsworth, Mr. and Mrs. Richard Ellsworth of Pontiac were Thanksgiving dinner guests of their grandparents, Mr. and Mrs. Lewis Harsch.

Mrs. Helen Curtis returned to her home Sunday from Standish Hospital after a several week stay there for a heart condition and surgery. She is improving slowly.

Mr. and Mrs. Clendis Bridge visited Mrs. Albert Dorsey in West Branch hospital Tuesday and report her much improved.

Mr. and Mrs. John Dickey spent Thanksgiving Day with their daughter, Mrs. Jerry Loy, and family in Tawas.

Miss Penny Parkin was home from college for the holiday weekend.

Terry Haddix of Standish visited his grandmother, Winifred Charters, and aunt, Mrs. William Fuerst, here Saturday evening.

Mrs. Alma Pake was a Thanksgiving Day guest of her nephew and wife, Mr. and Mrs. Merton Killey, in East Tawas.

Marcia and Julie Charters of Central Michigan University, MI. Pleasant, spent the holiday weekend at their home here.

Mrs. Donna Haddix of Standish came Tuesday afternoon and took her mother, Winifred Charters, to West Branch for a checkup.

Friends were sorry to hear that Norman Schuster of Saginaw injured his left hand badly while spending the Thanksgiving week-end at their Sand Lake cottage. He was attempting to start the furnace when it started to run, cutting off part of one finger, fracturing two fingers, besides cuts and bruises. He was taken to Tawas Hospital where his fingers were set and later taken home to Saginaw.

Mrs. Ida Miller has returned from spending the Thanksgiving holiday in Peru, Indiana, with her daughter, Shirley, and family.

### Know Your Ice

**BEWARE OF FIRST ICE OF SEASON.**

**REMEMBER: SNOW INSULATES; ICE BENEATH MAY BE WEAK.**

**WHEN ICE FORMS SOLIDLY THEN:**

MAYBE	A FEW FEET OUT	GENERAL USE	SNOWMOBILES
NO!	NO!	NO!	NO!
1"	2"	3"	4"
			5"

NEW DEPT. NAT. RES.

Winter's first freeze-over of inland waters often is not the "seal" of approval for fishermen and other recreationists to venture out on the ice, reminds the Department of Natural Resources' Marine Safety Section. It takes prolonged freezing temperatures to produce solid ice. Look for bluish ice as a safety sign. On the other hand, look out for clear or honey-combed ice and stay clear of dark spots in the ice. A good place to start sizing up conditions on your favorite lake is right around the shore. If ice there is squashy or broken up, it's a pretty good bet that the whole lake is unsafe. Beware of lake inlets and outlets. They generally have some thin patches of ice throughout the winter. Don't tread into areas of lakes where the snow cover looks discolored. To be sure of your ice instead of sorry, test its thickness with an auger or spud. The bottom chart here gives an index on how much activity different thicknesses of ice will safely support as a general rule.

#### Discuss Federal Problems Dec. 14

Cong. Elford A. Cederberg's liaison man, Ronald W. Stolz, will be visiting Isco County in order to offer the citizens of the 10th District an opportunity to bring difficulties they might have with the federal government to his attention.

Mr. Stolz will be at the Isco County Building, Tawas City, Tuesday, December 14, from 3:00 to 4:00 p. m.

Mr. Cederberg reminds those who might have a problem with a federal agency to bring along any documents that might help to identify his case to Mr. Stolz.

#### Tawas Hospital BIRTHS—

Born to Mr. and Mrs. Ronald Green, East Tawas, November 29, a girl, weight seven pounds, 3 3/4 ounces.

Born to Mr. and Mrs. Virgil Ranger, Whittemore, November 29, a girl, weight seven pounds, 9 3/4 ounces.

Born to Mr. and Mrs. Michael Hills, Harrisville, December 3, a boy, weight seven pounds, 13 ounces.

FROM THIS CAMERA ANGLE, Larry Nichols "lost his head" in taking a rebound, but the Tawas Area sophomore was a big factor in the Braves' come from behind decision over visiting Essexville-Garber in Friday night's basketball season opener. (Turn to page 4, section 2, for details.)—Tawas Herald Photo.

### Retired USG Foreman Died December 4

A retired quarry foreman at the National Gypsum Company, Andrew Bessey of Tawas Township, 92, passed away Saturday, December 4, at the home of his son, Grant, in Tawas Township. Funeral services were held Monday, December 6, at the E. D. Jacques and Son Funeral Home, Tawas City, with Elder Guy Yager officiating. Burial followed in Memory Gardens Cemetery, Tawas City.

Mr. Bessey was born May 9, 1879, in Welland, Canada. He lived on a farm in Isco County for many years.

Besides his son, he is survived by three other sons, Ira of Alabaster, Glenn of Flint and Orlando of Wisconsin; two daughters, Mrs. Grace Drake of Flint and Mrs. Gertrude Clements of Tawas City; 22 grandchildren; 32 great grandchildren, and two brothers, Samuel of Tawas City and George of Saginaw.

### Funeral Held at Flint for Frank Barker

Funeral services for Frank W. Barker of East Tawas were held Tuesday, December 7, at the Brown Funeral Home, Flint, with burial in Flint Memorial Park Cemetery, Mt. Morris. Mr. Barker passed away Friday, December 3. A prayer service was held Saturday, December 4, at the E. D. Jacques and Son Funeral Home, Tawas City, with the Rev. Edward Fairbanks officiating.

Mr. Barker moved to East Tawas from Flint in 1965 following his retirement from the A. C. Spark Plug Division, General Motors Corporation, where he was a job setter. He was a member of the Assembly of God Church, East Tawas.

He is survived by his wife, Sylvia; a brother, Laverne of Oregon, and a sister, Mrs. Margaret Wilson of San Jose, California.

# Telephone Company Could Reduce Costs if Customers Would Consult Directories

Michigan Bell says it could reduce operating costs by at least 1.5-million dollars a year across the state if more customers would consult their phone books before dialing "411" for directory assistance.

The problem, according to Howard L. Haight, local Bell manager, is excessive use of "411" service. He said the service is growing at a rate of 10 percent a year.

"Of the some 637,000 calls a day now handled by our '411' operators around the state, about half are for numbers which can be found in current directories," Haight explained.

In an effort to contain this growth and encourage customers to check their directories, he stated that Michigan Bell's "411" service concept will now be aimed primarily at providing new numbers not listed in current directories.

"Our operators will answer '411' calls with the phrase 'New Number Information.' In addition, operators will clearly tell callers when the numbers they have requested are al-

ready listed in the phone books," he said.

"Recent surveys show that about 10 percent of telephone customers make about 50 percent of all directory assistance calls. That means a majority of customers is bearing the burden of cost for the small percent who regularly make excessive use of the service," he added.

"Michigan Bell spends about six-million dollars a year to publish the directories and over 10-million dollars a year on directory assistance. Obviously, a significant portion of the cost of '411' service is used to supplement the service already provided by the directory."

"What we are attempting to do," he explained, "is to bring the 10 percent growth rate of '411' more closely in line with our annual three percent average rate of growth in basic telephone service."

"In other words, our '411' service has grown about three times faster than our basic service. This realignment could save us at least 1.5-million dollars a year."

He noted that a test of the "New Number Information" concept was recently conducted in Kalamazoo, and it reduced "411" volume by more than seven percent in the first week.

Haight pointed out that there are occasions when "411" service would be needed for something other than new numbers. "There are times for example, when no directory is available or when customers simply cannot find the numbers in the book."

"By attempting to make better use of directory service and encouraging customers to check first before dialing '411,' we feel there can be a significant savings—a savings which will ultimately benefit everyone."

## Promoted, Moves to E. Tawas Post

Trooper James E. Reed of Flint has been promoted to sergeant 10 level and transferred to the East Tawas Post, Michigan State Police, according to an announcement by Col. John R. Plants, department director. Effective December 5, 57 officers were promoted and 18 were reassigned.

A Low-Cost Classified in THE TAWAS HERALD Brings Results!

A RECENT feature story in the Lakeshore Courier at Stevensville gives an interesting account of the Variations, a dance music group appearing at Sinbad's West in that community. Among members of the group are Walter Clements of Tawas City, right, and his wife, the former Janet Sheldon of East Tawas, second from right. Walter plays the drums and is vocalist while Janet plays the organ and is a vocalist. Both are graduates of Tawas Area High School and both were outstanding members of the school band. Other members of the group include Dick Machuta, lead guitar, left, and his wife, Genevieve, second from left, who plays the rhythm guitar and is a vocalist. The Variations had their start at Mt. Pleasant in 1969 when Walter and Janet were attending Central Michigan University.

BEVEILED AND BEAUTIFUL... Suddenly a hush falls over the chapel and all eyes are turned towards the lovely bride. As she walks down the aisle, on her very special day, yards and yards of elegant cotton crochet trim adorn her veil. This delicate trim is composed of shell and loop stitches forming a pretty scalloped edging measuring one inch in width. Approximately one ball of Clark's "BIG BALL" crochet cotton will make four yards of trimming. To trim a fuller veil, simply add cotton and repeat the instructions. Free instructions are available by sending a self addressed stamped envelope to this newspaper along with your request for leaflet PC 4986.

## Fred Francis is President of Retired Persons Assn.

Fifty-five members of the American Association of Retired Persons were present at the Wednesday, December 1, meeting for the annual election of officers. Officers for 1972 are as follows: Fred Francis, president; Bertha Stewart, vice presi-

dent; Zeldia Upton, secretary; Marion Richardson, treasurer. Door prizes were won by Mr. and Mrs. Joseph Greenway.

Steve Malone of the Michigan State Police Post, East Tawas, presented two movies entitled "Driving at Night" and "Driving in Bad Weather."

Next meeting will be a social potluck Christmas dinner Wednesday, December 15, 12 o'clock noon, at the East Tawas Community Building. Members are asked to bring a dish to pass and individual table service. Tea and coffee will be served. Those who wish to participate may bring a gift to exchange.

## Marjorie Mielock to Present 'Holiday Ideas'

Marjorie Mielock, home service advisor for Consumers Power Company, will present the program, "Holiday Ideas," at the Wednesday, December 15, 6:30 p. m. meeting of the Ladies Literary Club at the club rooms.

Dinner will be served before the meeting. Hostesses will be Mrs. Frank Wilkusi, Mrs. Louis Benson, Mrs. Herbert Hertzler and Mrs. William Mitchell.
