Millage and Bonding

Important Proposals on TA's June 14 Ballot

Two important propositions will be placed before voters of Tawas Area School District at the annual school election on Monday, June 14. Outcome of one proposition, asking for 7½ mills of operational taxes, could well determine if schools will open here next year, while the second proposal, asking the district to bond itself for a period of 15 years to construct a new middle school, would relieve serious overcrowding in the high school as well as being important to the education of students in grades five through eight.

New Freeway From Standish To Alpena

A freeway from Standish to Alpena by 1980 is incorporated in a \$900,000,000 program for Michigan's Upper Peninsula and Northern Lower Peninsula, Gov. William G. Milliken announced Tuesday.

The plan, part of a comprehensive program for developing the northern areas of Michigan, Wisconsin and Minnesota, was drafted by the Upper Great Lakes Regional Commission.

The commission also proposed a \$13,000,000 program that would improve airports in Iosco County, Gladwin, Rogers City, Houghton Lake, Grayling, Hancock, Menominee, Ontonagon, Fremont and Munising.

Federal, state and local funds would be used for economic development programs in the 119 counties of the three states, Milliken said.

The governor said the program, combined with recommended tax incentives, would attract an estimated 1.2 billion dollars in private investment and create 100,000 new job opportunities in the area.

A report cites lack of jobs as the single most serious problem in the area, he said.

The plan, he said, will be subject to continual review and change.

About two-thirds of the funds would be invested in highway and airport improvement projects, Milliken said.

The remainder of the funds would be used to develop and utilize the area's natural resources, finance manpower training and other educational programs, develop harbor improvements and stimulate tourist attractions and services.

The governor said he has sent copies of the plan to directors of the 19 major Michigan government departments and legislators from Northern Michigan and the Upper Peninsula to ask for their comments and suggestions.

The highway program, he said, calls for the planning and building

of public works, are to meet Wednesday morning to examine possible site plans for expansion of the sewage treatment facilities.

After review of plans of the city's former engineering consultant, Spicer Engineering of Saginaw, the new engineering firm, found that the city has started in the proper direction for development of secondary treatment facilities through utilization of the proposed lagoon type system.

Such a system would further refine waste water from the present primary treatment plant designed to serve a population of 4,250 persons.

In addition, phosphate removal would be provided.

The needs study on secondary sewage treatment and phosphate removal in September 1968. State and federal pollution control agencies have become increasingly concerned with the rate of deterioration in the water quality of the Great Lakes and tributary streams.

Representatives of Edmonds Engineering, Incorporated, are to project an estimated cost of the proposed project and develop applications for state and federal assistance grants. Originally, the cost of this project was estimated at \$180,000 in 1969. It is believed that the cost would now be about \$210,000.

In other business Monday night, the water board authorized extension of mains on Tenth Avenue to serve a proposed new modular type home being proposed by James Sprags.

The water board accepted budgets for the next year of \$48,780 for the water department and \$26,775 for the sewer department.

ments in the high school. With a capacity of 925 students, the rooms there are now bulging with 1,062 students and more students are expected next year and in future years in these upper grades.

As a consequence, board members and parents, who have long felt that junior high students should be separated from high school, discussed the possibility of a middle school earlier this year and a decision was made to place the matter before voters.

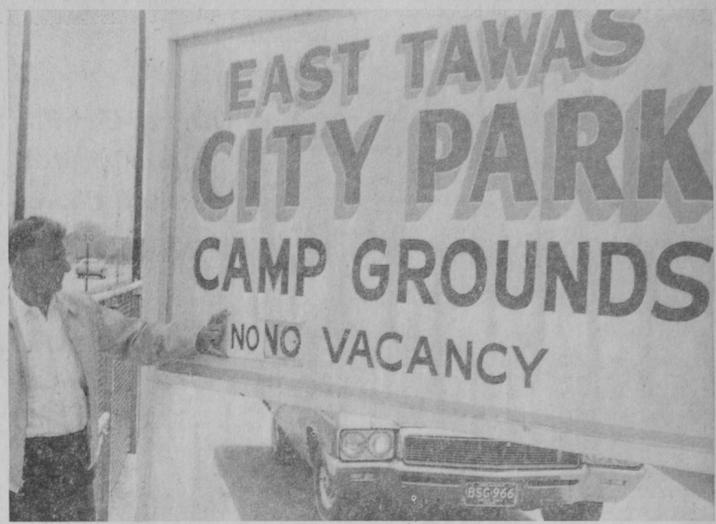

The proposed tri-level addition to the Tawas City Elementary Unit would provide 11 additional classrooms and 16,000 feet of floor space. This would include six regular classrooms, plus two rooms for science, a resource center and rooms for arts and crafts.

Present elementary grades located there would be moved to East Tawas, along with utilization of quarters rented from Zion Lutheran School.

After about two or three years of "tight money" and subsequently high interest rates, the bond market looks very favorable at present and bonds to finance this proposition probably would be sold at a rate of five percent or less.

In any event, board of education members and interested parents say this middle school proposal is important to the district—not only to provide classroom space for an expanding enrollment, but to completely segregate junior high school students from the upper grades.

As was stated a few weeks ago, junior high school students of today learn "things" and grow up fast enough without being influenced by older students and should be in a different school.

LOOKING for another outstanding season at East Tawas City Park is Joseph Badalucco, park manager, who is shown adjusting the "no vacancy" sign at the park entrance. The park manager said Sunday that the city park has had exceptionally high usage during the past four weeks and campers have nearly filled facilities. Memorial Day week-end is the traditional start of the summer vacation season and use of facilities will be at the maximum from now until Labor Day.—Tawas Herald Photos.

Memorial Day Services Monday

The Rev. Philip Anderson will be speaker at Memorial Day ceremonies Monday, May 31, at Tawas City Cemetery. The services are under auspices of Jesse C. Hodder American Legion Post.

A parade is to assemble at 8:00 a. m. at the American Legion Hall. In the line of marchers will be a firing squad and color guard from the American Legion, Tawas Area High School Band, boy scouts, girl scouts and cub scouts.

Honorary officer of the day will be Fred Marsh, a World War I veteran, who served as a captain in an engineering battalion in France.

John N. Brugger will serve as officer of the day.

Members of the post's Memorial Day committee extend a welcome to all veterans from the area to attend and take part in the program. A special invitation is extended to veterans of the Vietnam conflict.

Transportation is to be furnished for World War I veterans and others desiring a ride to the cemetery.

The program will include the traditional salute to naval dead at Mathews Street bridge and firing squad salute at the cemetery.

Graves of deceased veterans are to be decorated following the service.

Carl Babcock, TC Abstracter, Died Sunday

Carl B. Babcock Sr., Tawas City businessman, who had been recuperating at home following his recent illness and hospitalization, died Sunday, May 23, at St. Luke's Hospital, Saginaw. He had been taken there for treatment on May 18.

Funeral services are to be conducted Thursday, May 27, 2:00 p. m., at E. D. Jacques and Son Funeral Home, Tawas City, with the Rev. Fr. Raymond Pilarski officiating. Burial will be in Memory Gardens Cemetery, Tawas City.

A lifetime resident of Tawas City, he was born here on September 15, 1910.

While still a student at Tawas City High School in 1927, Babcock started to work in the Iosco Abstract Office to begin a 23-year association in that business with his grandfather, the late N. C. Hartingh. Upon Mr. Hartingh's death in 1950, he became general manager of the business.

His son, Carl B. Babcock Jr., joined his father in the business in November 1960 and he became general manager of the firm in 1963, when his father entered the hospital for surgery. Mr. Babcock had been planning to return to the office following recuperation from his most recent illness.

With a family background in yachting and iceboating dating back to his late grandfather, boating had been a lifelong love of Babcock. He purchased a new cruiser only last fall and was planning to spend the summer on the Great Lakes.

As a direct result of this interest in Tawas and Saginaw Bays, he had served many years as chairman of the Tawas Harbor Commission, which supervises operation of the Michigan Waterways Commission Dock at East Tawas.

Last year, he was presented with a life membership in the Tawas Bay Yacht Club, of which he was one of the founders and influential in its successful program toward providing excellent boating facilities on Tawas Point.

In earlier years, Babcock served as mayor of Tawas City in 1942-43 and, at the age of 32, was the youngest chief executive elected in this community's history. As one of his parting acts as mayor, he appointed the first city park board in 1944, which was designed to coordinate activities of a number of civic organizations interested in the park and direct development efforts for the city council.

Surviving are another son, Brent R. of Detroit; two daughters, Mrs. Cheryl Sanders of Saginaw and Mrs. Nichole A. Dillon of Mesa, Arizona; three grandchildren; a sister, Mrs. Howard Hatton of Tawas City; a brother, Hartingh Babcock of Detroit.

George Rose Honorary OD at East Tawas

George Rose, a veteran of World War I, will be honorary marshal of the day for Memorial Day services to be conducted Monday, May 31, at East Tawas under auspices of Aurlie Johnson American Legion Post.

A parade of veterans, Tawas Area High School Band, boy scouts, girl scouts is to leave the American Legion Hall on Newman Street starting at 10:30 a. m.

Veterans organizations participating will include the American Legion, Veterans of Foreign Wars and Disabled American Veterans.

A salute to the naval dead is to be given at the Michigan Waterways Commission Dock.

The Rev. Fr. John Rushman of St. Joseph Catholic Church, East Tawas, will be speaker at 11:00 a. m. services to be held at the cemetery. Deloise Durant is officer of the day and Russell Meyers will have charge of the firing squad.

List Activities During Closing School Weeks

Activities calendar for the final three weeks of the 1970-71 term has been announced by Prin. John Alexander of Tawas Area High School.

The program last week included the junior-senior prom Saturday night, which attracted the largest crowd for this event in recent years.

Activities this week include an awards assembly Wednesday night, 8 o'clock; junior-senior banquet, Thursday night; senior class trip, Friday, Monday, May 31, is Memorial Day and there will be no school.

Senior examinations are to start Tuesday, June 1, and are to be completed by 12 o'clock noon June 4. The band banquet is to be held Thursday, June 3.

Practice for baccalaureate service is to be held in the auditorium Friday, June 4, 1:30 p. m. Baccalaureate service is to be held Sunday, June 6, 8:00 p. m., at the auditorium.

Eight o'clock class examinations are to be held Monday and Tuesday, June 7-8. Examinations for regular classes start Wednesday, June 9. Students are to be released from school at noon on June 9-10. Friday, June 11, is the last day of school and students are to leave at noon.

Graduation exercises are to be held at the auditorium Thursday, June 10, 8:00 p. m.

Find 20 Percent Error

Baldwin Township Officials Make Important Point With Census Bureau

Officers of Baldwin Township finally proved a point to the United States Census Bureau—the population count in that unit was not correct in the 1970 federal census.

According to a letter received Saturday from Conrad Taeuber, associate director of the United States Bureau of Census, a 20 percent error was found in tabulating Baldwin Township's census figures.

Trustee Howard Burdett, who had been appointed by the township board to conduct an investigation, said that the federal government had notified state agencies that Baldwin Township's census was now 953 persons instead of the 773 persons announced earlier this year.

Discovery of this error was most

important to township residents, according to Burdett. It means that the township will not lose about \$5,000 a year over the next decade.

The above loss could have resulted, due to the fact that state income tax, sales tax, intangible tax and liquor tax money is returned to local units on a population basis.

Burdett said that the township board was "just not satisfied" with the original census count announced by the federal government. "The fact is, the board was more than a little shocked when unofficial figures were first announced," he stated.

Trustee Burdett was immediately appointed to conduct his own investigation. He found that the township had a voter registration of 510 per-

sons and, with the announced census of only 773, a 70 percent voter registration would be practically impossible.

His investigation also showed that there were 500 permanent families in the township. This would figure out to 1.4 persons per household, rather than 3.2 persons as indicated by the national average.

In addition, there has been a 100 percent increase in the township's valuation over the past decade. While inflation has forced property values upward, there has been much home construction in the township and an average of 60 building permits are issued annually.

"Everyone was convinced that something was wrong with the federal figures and we made a complete

listing of everyone in the township," said Burdett.

This information was forwarded to the United States Census Bureau and it was discovered that the portion of the township lying west of Tawas Lake had not been counted properly due to the boundary irregularity in that area.

"The loss of \$5,000 each year would have placed a serious financial strain on the township's treasury and would have required an additional mill of taxes each year," said Burdett.

The township had a census of 880 in 1960 and, through determined efforts of township officials to have a corrected count, there has been a 73-percent increase in the past 10 years rather than a drop of 107 persons.

Pollution Control Plan Being Readied for City

Discussion on adoption of a pollution control program by Tawas City Council for presentation to state and federal agencies prior to a September 15 deadline was held at the joint meeting of the water board and council Monday night.

Appearing at the meeting were Ralph Knop and Daniel Alost of Edmonds Engineering, Incorporated, Bay City, the city's new engineering consulting firm.

Steps to institute a pollution control program were presented by the engineers. Mayor John St. James and Reginald Bublitz, superintendent

of public works, are to meet Wednesday morning to examine possible site plans for expansion of the sewage treatment facilities.

After review of plans of the city's former engineering consultant, Spicer Engineering of Saginaw, the new engineering firm, found that the city has started in the proper direction for development of secondary treatment facilities through utilization of the proposed lagoon type system.

Such a system would further refine waste water from the present primary treatment plant designed to serve a population of 4,250 persons.

New Elementary Principal Hired

Edward J. Welsh, 49-year-old Alton Park Public School elementary principal, has been hired to succeed Miss Clara Bolen, who retires this year after a long career as elementary supervisor of Tawas Area Schools.

Married and the father of three children, Welsh has served as elementary principal at Alton Park since 1951. Prior to that, he had been a classroom teacher in the Lincoln Park school system.

Welsh received his bachelor degree in 1948 from the University of Pittsburgh, a master of education degree from Wayne State University in 1951 and law degree from Wayne State University in 1964.

During World War II, he served as an air force pilot in Europe from 19-

43 to 1945. Announcement of Welsh's hiring was made by the board of education following interviews with numerous applicants for the vacancy.

Brewer-Cornillie Vows Repeated at IHM Church

Immaculate Heart of Mary Catholic Church was the scene of the double ring ceremony Saturday, May 22, uniting in marriage the former Kathleen Cornillie, daughter of Mr. and Mrs. Fitzhugh Prescott of East Tawas, and Dallas M. Brewer, son of Mr. and Mrs. Benjamin Brewer of Tawas City.

The Rev. Fr. Raymond Pilarski officiated at the 10 o'clock ceremony, which was followed by a breakfast at Tawas Golf and Country Club. Mrs. Virginia Coyle, vocalist, was accompanied by Mrs. Lucille Michaels.

The bride descended the aisle in a white sheer nylon over taffeta gown with bishop sleeves and embroidered cuffs. The cuffs, neckline and floor-length veil were trimmed in matching lace. A Juliet crown secured her veil and she carried a bouquet of white daisies.

The bride's sister, Claudia Cornillie, was maid of honor. Maria Cornillie, Mrs. James Kelley of Roseville, both sisters of the bride, and Leslie Lambka were bridesmaids. They wore floor-length, lavender linen gowns with bishop sleeves. The cuffs and bodices were embroidered with white flowers. All carried baskets of daisies.

The bridegroom's brother, Randy Brewer, was best man with Frank Brewer and Daniel Brewer, brothers of the bridegroom, and Mr. Kelley, groomsmen. Jimmy Kelley, nephew of the bride, was ring bearer.

For her daughter's wedding, Mrs. Prescott chose a pale blue dress. Mrs. Brewer also selected pale blue attire. Both wore corsages of white orchids.

An afternoon reception was held at the home of the bridegroom's parents followed by an evening reception held at the home of the bride's sister, Mrs. Kelley, in Roseville.

The new Mrs. Brewer is currently a senior at Madonna College in Livonia where she is pursuing a bachelor of science degree in nursing. Her husband is a business administration graduate of Alpena Community College.

The newlyweds will reside at 12000 Asbury Park Road, Detroit, until the bride completes her nursing course.

Lier-Herriman Marriage Vows Repeated May 22

In 5 o'clock rites Saturday, May 22, at Grace Lutheran Church, East Tawas, the Rev. William Graf officiated at the single ring service uniting Donna Herriman and Edward Lier Jr. of Saginaw in marriage.

The bride is the daughter of Mr. and Mrs. Allan Herriman of Tawas City. Her husband is the son of Mrs. Joan Lier of Saginaw and Edward Lier Sr. of Flint.

The former Miss Herriman was escorted to the altar by her father in a full-length, white lace gown with square, scalloped neckline and long, straight sleeves. A small, satin bow was fastened to the back of the gown at the waistline. She carried a bouquet of baby breath, white and blue carnations and a white rose.

Joey Herriman of Flint, sister of the bride, acted as maid of honor. Carol Whitten of Tawas City was bridesmaid with Michelle Whitford, also of Tawas City, as flower girl. All were attired in floor-length,

powder blue voile gowns with Empire waistlines and high collars. The shoulders and cuffs of the bouffant sleeves were embroidered in white. They carried multi-colored, mixed bouquets.

Brian Mackley of Saginaw served the bridegroom as best man with Robert Buckler of Saginaw, groomsmen, and Joey Milligan, ring bearer, James Herriman and Jerry Phillips seated the guests.

For the wedding and reception in the church parlour, Mrs. Herriman chose a double knit rose dress and white accessories. A two-piece ensemble of mint green linen was the choice of Mrs. Lier. Both wore corsages of baby orchids.

The new Mrs. Lier is a graduate of Tawas Area High School and her husband is a graduate of Buena Vista High School.

Following a one-week wedding trip through Western Michigan, the newlyweds will reside at 310 North Michigan, Saginaw.

Installation of officers for Iosco County Post No. 5678, Veterans of Foreign Wars, and Auxiliary was held Sunday, May 23. New slate of officers for the post is Floyd Washburn, commander; Joseph Lokinski, senior vice commander; Thomas Roter, junior vice commander; Thomas King, quartermaster; Patrick Erickson, adjutant; Robert Bedford, post advocate; Alton Hill, chaplain; Clarence Schneider, surgeon; Carl Bygden, public relations officer; Stanley Misener, post historian.

Auxiliary officers installed were Rose Hill, president; Grace Misener, senior vice president; Mabel Smith, junior vice president; Flora Roberts, treasurer; Theodell Carpenter, chaplain; Fannie Walstead, conductress; Frances Hill, guard; Connie Hill, trustee; Marie Smith, Florence Shedenhelm, Connie Hill, Jennie Smith, color bearers; Clara Wilder, musician; Agnes Cramer, patriotic instructor; Theresa Roter, secretary; Mrs. Walstead, historian.

Twenty-five-year pins were given to Alice Frank, Blanche Butts and Ethel Hosbach. Marie Leichy received her 15-year pin.

Auxiliary held its regular meeting Monday, May 24. May birthdays were celebrated.

Mrs. Walstead, national home chairman, announced that the auxiliary would send its usual gifts to the 11 high school graduates from the home in Eaton Rapids.

Mrs. Misener, poppy chairman, distributed poppies and canisters for the Buddy Poppy sale, which is slated to begin Thursday, May 27, and end Saturday, May 29.

Memorial services were held for departed auxiliary members.

Mrs. Misener and Darlene Blust, hostesses, served refreshments.

Next meeting will be held June 14, with Mrs. Walstead and Jennie Smith as hostesses.

Second Annual Parents' Night Slated at TA

Second annual parents' night will be held Wednesday, June 2, 7:30 p. m., at Tawas Area High School, for parents whose sons are interested in becoming candidates for one of next fall's football squads.

The coaching staff will be introduced and a brief philosophy of what it is attempting to accomplish will be given.

A summer condition program is to be discussed, boys will be fitted to football shoes and equipment will be displayed and demonstrated.

Refreshments are to be served and a question and answer period is to be held, according to Head Coach Ted Guthard.

O. J. Westcott, City Planning Member, Dead

Orlive J. Westcott, a member of the Tawas City Planning Commission, died Friday, May 21, of a heart attack.

Funeral services were held Monday, May 24, at Zion Lutheran Church, Tawas City, with the Rev. Robert E. Beyer officiating. Burial was in Zion Lutheran Cemetery on Plank Road.

Born November 19, 1904, in Baldwin Township, he attended Tawas City High School. He was married to the former Meta Wendt of Tawas City.

A lifetime resident of the area, he was a retired employee of National Gypsum Company and had served as supervisor of loading at the National City plant.

Besides his wife, he is survived by two sons, Donald of Beaverton, Oregon, and Bryan of Tawas City; three daughters, Mrs. Norma Workhaven of Reynoldsburg, Ohio, Mrs. Ruth Smith of Davison and Mrs. Martha Norton of Centerville, Virginia; 18 grandchildren; two brothers, Harry Westcott of Miamisburg, Ohio, and Charles Westcott of Tawas City.

English-Social Studies Curriculum Discussed

Discussion on curriculum improvements proposed for the next school term and future years was held at Monday night's meeting of Tawas Area Board of Education.

Appearing before the board with presentations were two department heads, Mrs. Ellen Evans, English, and Robert McDonald, social sciences.

Mrs. Evans explained that for three years the English department had discussed the possibility of instituting a wide variety of elective semester courses in place of the lock-step, traditional English offerings by grade.

"We have studied programs of Blue Island, Illinois; Wayne Memorial High School and the Apex Program at Trenton, along with talking with heads of the departments and teachers from many school systems, large and small, which are experimenting with phased, elective, semester courses," said Mrs. Evans. A scheduling stumbling block, she pointed out, could be eliminated through low cost computer service.

In a program of this sort, learning activities in the five basic English skills of reading, speaking, writing, listening and thinking must, of necessity, be included in each course.

"The student should be aware that he cannot expect to find a class in which he just reads stories or just talks—all classes will provide experiences in all five skills and the course content only serves as a vehicle by means of which these skills are developed," stated Mrs. Evans.

She also pointed out that much planning and preparation would be required by teachers in order to offer courses of excellence and teachers would be doing even more work than at present. Those courses that do not satisfy student needs and interests would die out through non-enrollment by students.

Student interest in this proposed form of instruction is high.

Some of the courses being suggested as replacement for the traditional classes of instruction are as follows:

Reading—Basic reading skills, independent study, reading techniques, advanced reading techniques, research seminar.

Literature—American heritage, contemporary reading, critical review of literature, English writers, French writers, great books, Greek writers, individualized reading, explorations in non-fiction, modern American literature, modern mythology, modern world literature, myth and legends, nineteenth century Russian literature, Nobel Prize authors, poetry seminar, science fiction.

Writing—Composition I and II, creative writing, journalistic writing.

Communication—Basic communication, business English, development of vocabulary and story language, fundamental English, journalism, language and human behavior, theatre arts I and II, vocational English.

Offering more individualized courses has also been recommended by the social studies department, replacing the traditional method of instruction in United States history, world geography, world history, United States government and economics.

McDonald said that a group of 15 different subjects could be offered to students, which would give them a wide variety of selections, rather than the four offerings at present. Under the new system, a student would be taking a particular course because he wanted to.

All courses would be designed on a one-semester basis and four teachers would teach 14 courses in a school year. Each teacher would have two preparations per semester, United States government, by law, would be offered in both semesters; every student would be required to take two credits in social studies for graduation.

Key to the entire program would be listing of 50 to 60 courses, with a brief description of each, and two surveys of students would narrow the field down to 15 courses.

One additional teacher would be needed for social studies and a slight increase in teaching expense could be expected in both of the above programs because of additional out-of-school preparation required and extra equipment.

The board of education authorized further investigation into both proposals and a cost estimate is to be presented at a future meeting.

In other business, Gene Gerber, community education director, was appointed chairman of a committee to study incorporation of drug education into the school's curriculum.

Gerber presented information concerning factors influencing the abuse of drugs and programs to date utilized at Tawas Area School.

He said that according to prominent authorities of drug education, brief drug education programs are not effective. In order for a drug education program to become effective, he said, it must be included in the kindergarten through 12th grade curriculum.

A drug education program for parents is also being considered.

Past Master of Baldwin Lodge Died May 22

Robert C. Marx, 45, retired United States Navy recruiter and East Tawas businessman, died Saturday, May 22, at Wurtsmith Air Force Base Hospital, Oscoda. He had sustained a heart attack and had been taken there for treatment.

Funeral services were held Tuesday, May 25, at E. D. Jacques and Son Funeral Home, Tawas City, with burial in Veterans Cemetery, East Tawas. The Rev. Kenneth Tousey and the Rev. Alfred Saulsbury officiated.

Full military rites were given by Audie Johnson Post, American Legion. A Masonic ritual was given Monday night at the funeral home. Robert Curtis Marx was born at Buffalo, New York, November 5, 1925. He served as a chief petty officer in the United States Navy during World War II and the Korean conflict. He served as a navy recruiter for a number of years, being stationed at the Federal Building, East Tawas.

After retirement from military service, Marx took over operation of the Standard station in East Tawas. Marx was an active member of the East Tawas Volunteer Fire Department and Audie Johnson American Legion Post, as well as being a

past master of Baldwin Masonic Lodge at East Tawas

He is survived by his wife, the former Marjorie Sargeant; two sons, Robert Jr. and Richard Michael; two daughters, Kimileen and Kerl Lynn, all at home; his parents, Mr. and Mrs. Walter Marx of Sturgeon Bay, Wisconsin; one brother, Howard Marx of New Jersey.

County Wide Participation Sought for Annual Iosco Fair

Two words—participate and attend—are stressed in the 1971 premium list published this week by the Iosco County Agricultural Society.

The premium list, included this week as a special section of The Tawas Herald, has a program of activities for the 1971 Iosco County Fair at Hale on July 28, 29, 30 and 31.

"We publish this premium list two months in advance of the fair in order that exhibitors may be fully acquainted with the rules, as well as to encourage participation," states Gerald Bellen of Whittemore, president of the Iosco County Agricultural Society.

The premium list has been expanded from eight to 12 tabular size pages this year with added features in the youth department.

"The care for and handling of horses by Iosco's youth seems to be

expanding rapidly and a new show arena was added last year at the fairgrounds," states Richard M. Samson of Whittemore, secretary-manager of the fair.

He emphasized that the fair is a county wide event and urges more active participation by exhibitors.

New display booths were added in the antiques and arts-crafts department three years ago which have added greatly to the presentation of displays and protection of exhibits.

"But we would like to have a more active participation from persons throughout the county and there is no better time than the present to begin planning displays," states Samson.

The 1971 fair program begins Wednesday, July 28, with assembling of exhibits from 9:00 a. m. to 4:00 p. m. The big midway of Cooke Amusement Company opens at 1:00

p. m. for a four-day stand. Judging 4-H Club exhibits, except livestock, will be held at 7:00 p. m.

Thursday's program starts with judging of all 4-H livestock, except horses, at 9:00 a. m. Judging of open class horses begins at 1:00 p. m.

Thursday's program also opens three big days of harness racing. The first program includes a pace for non-winners of \$10,000, a trot for non-winners of \$2,000 and a pace for Michigan-owned horses which have not won more than \$1,500.

Friday's program opens with judging of 4-H horses at 9:00 a. m. The afternoon's program includes three harness races, including a trot for non-winners of \$500 (five years and under), a pace for non-winners of \$3,000 and trot for Michigan-owned horses which have not won more than \$5,000.

Saturday, July 31, is the big day again for the 1971 fair with games and contests for all ages starting at 10:00 a. m. A parade will be held at 12:30 p. m., followed by harness racing at 2:00 p. m. This will include a pace for non-winners of \$500 (four years and under), a trot for non-winners of \$20,000 and pace for non-winners of \$35,000. VFW Buddy Poppies Help Needy Vets

A PROCLAMATION

WHEREAS, the sacrifices of those who have lost their lives, their health or their livelihood as a result of their military service are rightly the concern of all citizens; and

WHEREAS, the annual sale of Buddy Poppies by the Veterans of Foreign Wars offers an opportunity for the people of this community to express their solicitude for those unfortunate persons who have paid more than their share of the cost of freedom; and

WHEREAS, VFW Buddy Poppies are assembled by disabled veterans and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans and the widows and orphans of deceased veterans, in the desire to "Honor the Dead by Helping the Living"; therefore

I, Howard W. Hatton, mayor pro tem of the City of Tawas City, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifice of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked or lost their lives in fulfilling their obligations as American citizens.

Tawas Indies Won Second Game in NEM

Tawas City Indies won their second straight NEM League game Sunday by downing Prescott, 8-3. The contest was played at the Tawas City field.

Dennis Krish went all the way on the mound for the winners. He struck out 13 Prescott batters and walked only one.

Krish was also the big hitter for Tawas as he collected three hits in four times at bat and knocked in four runs. Dale Koepke and Gene Jordan had two hits each.

Prescott had a good day afield, making only two errors. Tawas had to overcome six fielding errors.

All of the scoring came in the second and seventh innings. Prescott scored two runs on three hits and two errors in the top of the second inning. The winners came back in the bottom of the second inning with five runs on three singles, a walk and one error.

In the seventh inning, Prescott scored one run to close the scoring gap to 5-3. The Tawas team scored

three runs in the bottom of the seventh.

Paul Bunyan Joins New Area Council

Membership of the Paul Bunyan Council of the Boy Scouts of America met at West Branch last week and approved a resolution to consolidate with other areas in North-east Michigan to form a new 19-county council. The action was taken on the recommendation of the executive board of the present council after a six-month study of needs of scouting over the coming decade and advantages and disadvantages of the larger entity.

A similar action was taken by the Saginaw Bay area council which encompasses seven counties around the Bay area, in a meeting held at Clare, simultaneously on Wednesday evening. The eastern district of the Scenic Trails Council, which consists of Alpena, Presque Isle, Montmorency, Oscoda and Alcona Counties has already agreed to enter the new council when it is formed. Its action was approved at an executive board meeting held at Gaylord on Tuesday evening, May 18.

The new council will be formed in a joint meeting of all members of the existing councils to be held on Tuesday, June 29, at Delta College.

Oscoda-Tawas Area Served by 'Hotline'

A community "hotline" has been opened as of April 15 to serve residents of Oscoda and surrounding areas. The hotline is for people of any age with any problem who want to talk with an impartial, anonymous and empathetic listener.

The hotline number is 739-9103. The crisis phone will be manned by trained volunteers from 12 o'clock noon to midnight. By dialing this number, callers will be able to discuss personal difficulties of the family, drugs, suicide or any problem troubling them.

The hotline center has a professional backup service (physicians, psychologists, ministers) if further assistance is necessary. However, most callers will be able to solve their own problems by having someone listening to and talking about their problems with them.

The purpose of a hotline is for volunteers to act as listeners, not to judge or give advice. The volunteers have been trained to be empathetic, that is, to understand the caller and his point of view.

THANK YOU

We wish to thank all who sent flowers, good luck wishes and those who visited our new bakery and helped make our grand opening a great success.

Altar Society Held Mother-Daughter Banquet

The annual mother-daughter banquet, sponsored by St. Joseph Christian Mother's Altar Society, was held at the Knights of Columbus Hall, East Tawas, Wednesday, May 19, with 115 in attendance.

Mrs. Jack Herrick, president, welcomed mothers, daughters and guests before turning the program over to Mrs. Frank Wilkusi, toastmistress. Providing entertainment for the program were Patti Sheehan, Mrs. Kathy Sheehan, Kathy DeRosia, Marti Cadorette, Cyndy Hackborn, Charlene Sheehan, Mrs. Valerie Greene, Jane Schriber, Amy Wood, Ann Wood and Cindy Wood.

Floral awards were presented to Mrs. Kate Herrick, oldest mother; Mrs. Casimir Cybula, youngest mother and daughter; Mrs. Sheehan, most daughters present, and Mrs. Gertrude Callahan, most granddaughters present.

Guest speaker for the evening was the Reverend Father Aschoff of Wurtsmith Air Force Base. The Rev. Fr. John Rushman also spoke briefly.

Missionary Rally Stated May 27 at Baptist Church

Baptist Women's Missionary Society will hold a "Church Missionary Rally" at the Tawas City Baptist Church Thursday evening, May 27. Individuals are requested to bring table service and a dish to pass for the 6:30 p. m. pot-luck dinner in the multipurpose room.

A missionary program will be held in the sanctuary at 7:30 p. m. Mrs. Hugh Alley of Lansing, the newly-elected president of the American Baptist Women's Mission Society of Michigan, will speak on her recent Congo trip.

The public is cordially invited to attend this meeting.

"Let there be light"

No one enjoys stumbling around in the dark... but that's probably the way most of us feel sometimes. The Bible tells of men whose lives were illumined by spiritual light which guided them to higher achievements.

This light of spiritual understanding is still present to enlighten our lives today, to make living a joyous experience.

You are invited to come to this lecture by Edward C. Williams, C.S.B., a member of The Christian Science Board of Lectureship. Mr. Williams will cite specific instances of the way in which people today are being guided and transformed by God's clear spiritual direction.

Admission is free. All are welcome.

the TRUTH that HEALS

Today's need of spiritual alertness will be emphasized at Christian Science churches Sunday.

"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced," is the subject of the lesson-sermon. The Golden Text is from I Thessalonians: "Ye are all the children of light, and the children of the day; we are not of the night, nor of darkness. Therefore let us not sleep, as do others; but let us watch and be sober."

Supporting commentary from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, will include: "At all times and under all circumstances, overcome evil with good. Know thyself and God will supply the wisdom and the occasion for a victory over evil. Clad in the panoply of Love, human hatred cannot reach you. The cement of a higher humanity will unite all interests in the one divinity."

EDWARD C. WILLIAMS

Christian Science Lecture to be Presented May 30

Why should anyone stumble through the darkness of illness, immorality or discord when healing light is available?

Spiritual enlightenment is the subject of the Christian Science lecture to be given by Edward C. Williams, C. S. B., of Indianapolis, Indiana, in East Tawas, Sunday, May 30.

The lecture, "Let There Be Light," will begin at 3:00 p. m. in the East Tawas Community Building, corner of Newman Street and US-23. It is sponsored by First Church of Christ, Scientist, and will last about an hour. Admission is free and everyone is cordially invited.

Mr. Williams, a practitioner and teacher of Christian Science, withdrew from a successful career in public relations 25 years ago. Since then he has devoted all his time to the healing ministry of Christian Science. He served as a Christian Science minister for the armed services during World War II.

He is currently on tour as a member of the board of lectureship of The First Church of Christ, Scientist, Boston, Massachusetts.

Great Lakes Shoreline Problems Prompt Conference

With Great Lakes water levels already unusually high and expected to keep rising on through this summer, shorelines in the area are going to take a bad beating in 1971, causing serious erosion, endangering coastal cottages, and creating eyesores of poorly developed groins, as dramatized here. The accelerating scope of these problems and guidelines to meet them under a coordinated plan of positive action will be spotlighted May 26-28 at a conference on Coastal Zone and Shoreline Management in the Great Lakes to be held at Traverse City. The meeting, being co-sponsored by the University of Michigan Sea Grant Program and the Michigan Water Resources Commission, will bring out

the expertise of speakers and panelists from the entire Great Lakes region and other parts of this country and Canada, including from ocean coastal states. The conference will pack particular importance for those governmental officials of local units who have less than 3 years to establish Great Lakes shoreline zoning controls within their areas of jurisdiction. For more information on the May 26-28 conference, contact: Conference Coordinator, Sea Grant Program, Room 1536, School of Natural Resources, University of Michigan, Ann Arbor, Michigan 48104. —Michigan Department of Natural Resources

Better Homes Show Slated at East Tawas

15 Years Ago—

May 24, 1956—First annual better homes show will be held Friday and Saturday at the East Tawas Community Building. The event is sponsored by the East Tawas Retail Merchants Association. Fifteen Tawas merchants will display the newest in furniture, fixtures, building supplies and home furnishings.

Reassessing the Townline Drain special assessment district began

this week under a circuit court decree issued by Judge Phillip J. Glennie of Alpena. A group of land owners in the district had sought to annul the tax levy, but Judge Glennie held that proceedings were valid.

Michigan Waterways Commission is making plans to fill timber cribbing on the first dogleg of the dock at East Tawas in an effort to break down heavy seas kicked up by gales from the south and southwest, which endanger watercraft in the harbor.

John O'Farrell was honored on his retirement after serving 29 years as custodian at the Whittemore School.

A survey in the county during Michigan Week indicates that 16 industries located in the Tawas area employ 1,151 persons.

25 Years Ago—

May 24, 1946—Testimony has been heard on the Detroit and Mackinac Railroad Company's petition to abandon passenger trains No. 3 and No. 4 between Alpena and Bay City. The commission has recommended that the railroad be allowed to suspend service of the trains two days a week until such time as the result of the hearing is made known.

A meeting was held Monday evening in Wilber Township to discuss school consolidation with the Oscoda Township unit.

Judge Herman Dehnke has accepted appointment to conduct a grand jury investigation in Macomb County.

The senior class of Tawas City

High School returned Tuesday from a class trip to Niagara Falls, New York. The class was accompanied by Mr. and Mrs. Ernest Potts and Mrs. Ira Horton.

It is not often that the public rises in protest so quickly and effectively as over the recent cutting of price controls in the house of representatives. However, the "Save the OPA" mail drive on congress now appears to have scored a bulls eye. Senate opposition to crippling house amendments is mounting and antiprice control senators one by one are beginning to yell "uncle."

Area barber shops announce that effective June 3, haircuts will cost 65 cents and the cost of a shave will be 50 cents.

35 Years Ago—

May 29, 1936—The Kraft-Phenix Corporation has leased the Richards building at East Tawas and will use it for a factory. With a good local market for milk, Iosco will take its place as an agricultural county.

Members of the 10th grade graduating class at Hale High School are Marie Bissonette, Gladys Densett, Francis Drumm, Norman Healy, Evelyn Kruse, Leon Putnam, Viola Runyan, Faith Scofield, Hope Scofield, Rowena Shellenbarger, Bud Streeter and Esther Tottingham.

Under the personal direction of W. J. Milholin, the new VanEtan Lake Lodge, Oscoda, will open on Decoration Day to the musical strains of Anse Lorenzo, renowned author of "Sleepy Time Gal," "Sweet Forget Me Not," and other popular song hits.

Members of the Iosco County Normal graduating class are Herbert Cholger, Thelma Clayton, Vernon Davis, George Greenleaf, Thelma Gregg, Agnes Haynes, Dorothy Herman, Chester Johnson,

Ruth Katterman, James Lilley, Anne Metcalf, Agnes Roach, Edmund Sanders and Mona Stanlake.

R. G. Schreck and A. E. Leaf have purchased the Ottawas Club property. The building will be torn down and the grounds will be subdivided.

Continuing its efforts to terminate pollution of streams in the Saginaw watershed, the Stream Control Commission summoned 47 oil and gas operators to a hearing.

The high cost of providing roads and schools for settlers on nonproductive plains land became an important issue with the county board of supervisors. It was pointed out that after good roads had been built and schools provided, the settlers would often abandon the land, move away and the improvements would become worthless. A committee was appointed to seek a way to prevent settlement of submarginal lands and do away with this unnecessary expense.

New Wheat Allotment May Be Estimated

A new farm wheat allotment may be established for the 1972 crop of wheat for farms that did not have a 1971 allotment if they meet eligibility requirements, Grant Bessey of the Iosco County ASC Committee announced today. A 1972 wheat allotment will be established automatically for all farms that had a wheat allotment in 1971. To be eligible for a new farm allotment, the operator must expect to receive 50 percent or more of his income from farming. Neither the owner or the operator may have an interest in any other farm which has a 1972 wheat allotment, and the person making application must have at least two years experience in the last five years in producing wheat. Applications for a new farm allotment must be filed in the county office on or before June 30. Any interested producer who can meet these requirements should contact the county office before the final date for filing an application.

Tawas Student to Graduate June 11 From Interlochen

Timothy R. Staudacher, son of Mr. and Mrs. George Staudacher of East Tawas, is among 144 seniors who will graduate from the Interlochen Arts Academy on June 11. Enrolled here last fall as a transfer student from Tawas Area High School, Tim has studied double bass and guitar, also academic subjects required for admission to college. He is a double bass player in both the widely-known Arts Academy Orchestra and the Arts Academy Band. The arts academy, founded in 1962 by the late Dr. Joseph E. Maddy, is one of two units in the Interlochen complex, situated on a 1,400-acre tract near Traverse City. The other is the long-established National Music Camp. Dr. George C. Wilson is interim president of the organization and Verne A. Hawes is academy dean.

Homes designed for leisure living

There is an exciting new home that is designed for a new mode of living in America. It's the leisure home. These homes provide for the casual, care-free way of life. Built of solid white cedar they require no maintenance. Interiors are warm and charming. Even though these leisure homes are of top quality construction for year round, all-climate living they make day-to-day living seem like a vacation. These leisure homes belong where your dreams are. On the beach. Along a stream. In the woods. In the mountains. In Suburbia. Or out in the country. Stop dreaming and start living. Investigate the new leisure home. The Tawas Herald will arrange for you to receive full information. Write The Tawas Herald, Box 358, Tawas City, Mich. 48763 or phone 362-3487.

Springtime brings forth many annual happenings and one of these is the yearly contribution to the United States Department of the Interior, Bureau of Sport Fisheries and Wildlife. This year's report is on the topic of the woodcock or, as it is sometimes called, the "timber-doodle."

The woodcock returns from its winter home in the South to mate and provide for the continuation of the species. To attract a female, it makes a noise called "peenting," which can be heard for a long distance. It does not make this noise except in the twilight, especially on warm clear nights. Instructions for the survey were very precise to cover the selected route during the short twilight period when the woodcock is peenting. The temperature must be above 40 degrees. It should not be raining or have a wind blowing more than 20 miles per hour. The survey should start 20 minutes after official sunset, be completed in 30 minutes and be done between April 25 and May 15 in this latitude.

The woodcock selects a singing ground which may be in a field or grassy opening from which it performs its courtship call and flight. It will peent and pause several times and then takes to the air in a daring spiral flight almost straight up. While in flight, it sings a special flight song and then returns to the same spot on the ground and begins "peenting" again. The survey job was to listen for two minutes at 10 listening posts, spaced four-tenths of a mile apart and count the number of different male birds "peenting." On May 9, after eight unsuccessful stops, the group was rewarded at stop nine

Tired of carry-outs?

Here's what you need—a Gas incinerator. It takes all the bother out of garbage and trash disposal. And it does it without smoke, odor, noise or polluting the air you breathe.

A Gas incinerator gobbles up all the combustible things you wouldn't dare put in a garbage disposal and can't burn outside. It makes short work of bones, boxes and boots—in fact anything that's combustible. And it does the job conveniently and completely.

So put an end to your carry-out service. Promise yourself you'll see your appliance dealer about having a Gas incinerator installed in your home. Or, visit your Michigan Consolidated Gas Company showroom for all the particulars. And remember, there's more than enough Gas for all your appliances.

STATE OF MICHIGAN
DEPARTMENT OF AGRICULTURE
BUREAU OF ANIMAL INDUSTRY
LANSING, MICHIGAN

Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.
2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be thoroughly cleaned and disinfected, both prior to and following such exhibition.
4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.
5. Litter for exhibition coops must be of clean material and be renewed daily or oftener as needed.
6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room.
7. No bird shall be handled by anyone other than the attendant and the judge after they have been placed in exhibition coops.

It is recommended that all birds exhibited at fairs and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

—Rules—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
 1. Rapidity of growth.
 2. Depth of pigment.
 3. Uniformity of shape and size.
 4. Promise of egg production.
 5. Absence of defects and disqualifications.
- B. Mature Birds (Hens):
 1. Degree of bleaching.
 2. Condition of abdomen (spread and pliability).
 3. Absence of new primary wing feathers.
 4. Alertness of head and eyes.
 5. Body weight, conformation and fitness.
 6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male.
(Classifications: Cock, Cockerel, Hen, Pullet.)

**HEALTH REQUIREMENTS
 FOR
 LIVESTOCK EXHIBITED
 IN MICHIGAN**

(Revised January 1969)

GENERAL

Requirements provided in Michigan Department of Agriculture Regulation Nos. 110, 117, 133, and Section 10 and 21b of Act No. 181, Public Acts of 1919, as amended.

1. Livestock affected with a communicable disease must not be exhibited at, nor brought to fairs.
 2. At least seven days before an exhibition of livestock, the buildings and yards shall be thoroughly cleaned of all manure, litter and unused hay and straw. Following such cleaning, all structures shall be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.

3. All livestock from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin. Such animals shall meet Michigan requirements for importation into Michigan.

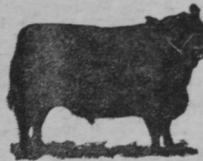

CATTLE

Cattle may not be exhibited from a quarantined premise or a quarantined area except upon permit from the Director of Agriculture or his authorized agent.

All cattle must be identified by ear tag, tattoo, or registration number.

Cattle from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin certifying that the animals meet Michigan requirements for importation.

**OUT OF STATE FEEDER
 CATTLE**

Feeder cattle originating in other states being held in quarantine on feeder permits may qualify for exhibition in the following manner:

1. Steers must pass a test for tuberculosis and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested. Such steers must be accompanied by copy of test chart ADE Form 22.

2. Male and female feeder cattle must be tested for tuberculosis within 90 days of opening day and animals over one year of age must pass a test for brucellosis within 90 days of the opening day of the fair or exhibition and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested.

Michigan State Fair Special

Michigan State Fair Community Arts Department will award a special gold ribbon in each of the classes listed below. The winner of each ribbon is especially invited to exhibit the article on which the award is made, or in the case of perishable products, a comparable article at the next Michigan State Fair.

The ribbon will designate the exhibit as a special State Fair display entitling the winner to free entry of the exhibit and a complimentary pass to the next State Fair.

ALL COUNTY FAIR EXHIBITORS, as well as gold ribbon winners, are invited to enter their handwork at the State Fair. Write to the Community Arts Department, Michigan State Fair, Detroit, Michigan 48203, for your copy of the Premium Book and an entry form.

STATE OF MICHIGAN
 DEPARTMENT OF AGRICULTURE
 1200 CANTON CENTER, LANSING, MICHIGAN 48906
 A. DALE BALL, Director

TO VISITORS AND SPONSORS

Fairs are fun for all of us -- but they also serve an important purpose in developing increased appreciation of Michigan's second largest industry, agriculture and related businesses, and its importance to our state's economy.

Through the years, fairs in Michigan have grown in size and variety, reflecting the expanding interests and activities of the citizens of our state. It is my belief that agricultural fairs are important in helping market effectively the products of our farms. I think they can be even more effective in this regard in the future.

The Michigan Department of Agriculture is pleased to help fairs achieve their goals through participation in financing of construction programs, supervision of raising and pulling contests, and payment of a share of premiums, trophies, awards and race prizes.

On behalf of the Commission of Agriculture and the entire Department, it is a pleasure for me to invite both consumers and producers to visit the Michigan fairs this season.

Sincerely,
B. Dale Ball

STATE OF MICHIGAN
 Office of the Governor
 Lansing

Local fairs throughout Michigan are destined to encourage agricultural excellence, stimulate the sale of Michigan farm products, and aid in developing cooperation among agricultural interests. They give our citizens an opportunity to become better acquainted, and provide greater understanding of the importance of agriculture to our state's economy.

In Michigan, you don't have to go far from home to visit at least one of our many local fairs. When you do, you'll return with an increased appreciation of the rich and varied beauty of Michigan's agricultural industry, and your whole family will have an interesting and educational experience.

Sincerely,
William G. Milliken
 Governor
