

Nixon Re-Elected

President Richard Nixon was returned to office for his second four-year term Tuesday in a landslide victory over his Democratic opponent, Democrat George McGovern. Nixon won by an unprecedented margin and McGovern conceded defeat over national television at 11:45 p. m.

A record statewide vote was registered, as was predicted earlier by election officials because of clashes over the presidency, a senate seat and five constitutional amendments. Locally, voter turnout ran as high as 80 percent of the registration list in several units, including East Tawas and Tawas City.

Sen. Robert Griffin, Republican, was re-elected over his Democratic opponent, Frank J. Kelley; Cong. Phillip E. Ruppe, Republican, won

over James E. McNamara, Democrat, for the 11th District seat. All constitutional amendments were headed for defeat at presstime.

Returns to the Iosco County clerk's office were later than usual, with only three precincts reporting at 2:00 a. m.

Although returns were not official, William Woreley of Hale, incumbent Fifth District county commissioner, was leading his Democratic opponent, Robert Pember, at 2:30 a. m.

State Rep. George A. Prescott was leading his Democratic opponent, Earl R. Schuster, by a two to one margin in the 105th District.

Dennis Chrivia of Hale was re-elected Plainfield Township supervisor over William Krantz, Democrat.

Faces Are Red Over Bump On the Head

Cops Clobber Future Boss!

The word is out—Iosco County Sheriff's Department deputies are now receiving instruction on how to identify Sheriff-Elect George Westcott in a crowd of people. And the deputies had better "shape up" after an incident Friday night.

Westcott, currently serving as a detective sergeant in the sheriff's department and elected to a four-year term Tuesday as sheriff, worked in the Tawas Area Braves Booster Club's concession stand during Friday night's football game at the high school.

At the conclusion of the game, Westcott drove through the school parking lot and noticed a ruckus taking place between about 50 Tawas and Oscoda students near the school building entrance.

There were no police officers on hand and Westcott, dressed in street clothes, stopped to investigate. He decided he would attempt to stop a fist fight, stepped in to separate the individuals and found himself in the middle of a free-for-all brawl. Those involved in the scuffle apparently did not recognize Westcott as a police officer.

School authorities had notified the sheriff's department of the altercation and a patrol car with two deputies, backed up by two Tawas City Police officers, arrived at the scene. A large crowd of bystanders ringed four individuals engaged in the scuffle and the two sheriff's department officers called out to "stop the fight."

When the fight continued, the two officers waded into the thick of the battle. In the resulting melee, Sheriff-Elect Westcott, who was not recognized by the two deputies, was tunked over the head with a flashlight—by an officer. The fight was finally stopped and it was then that the now red-faced officers realized that they had clobbered their boss-to-be, come January 1.

As "payment" for his efforts to stop the altercation, being charged with the responsibility of preserving the peace at any time or place,

Budget Hearing

Iosco County Board of Commissioners will hold a public hearing on the 1973 county budget Wednesday, November 8, 11:00 a. m. to 12 o'clock noon, at the county building.

DNR Denies Funds

City to Finance Bridge Catwalks

After months of preliminary work in filing reports and several trips to Lansing, city officials learned this week that Tawas City's three applications for funds from the Bureau of Outdoor Recreation had been rejected by the Department of Natural Resources' screening committee.

A letter from Dennis R. Adams, assistant grants coordinator, informed the city council that proposed fishing catwalks on two new bridges and a retaining wall along Ninth Avenue served a single purpose activity and would create only a limited amount of new recreational opportunity.

Adams said the projects were not

identified as a high priority in the local recreation plan which is on file with the DNR.

As a result of state action, the council decided to revise its plans and is to budget funds necessary for construction of one fishing catwalk on each of the two new bridges as well as to provide funds for constructing the retaining wall along Ninth Avenue.

Four fishing catwalks, two on each bridge, had been included in plans submitted to the state. Cost of each catwalk is estimated at \$1,300 and a \$2,600 saving will result by eliminating two of them. In addition, the city crew is to perform fill work on

the retaining wall which will cut about \$2,500 from this project, which had an original estimated cost of \$7,500.

Because of the deterioration of the old seawall, constructed 20 years ago, through erosion and river bank foot traffic by fishermen, Bublitz said that construction of a new retaining wall was an absolute necessity. He said that any flood action in the river next spring would endanger Ninth Avenue near the US-23 bridge.

The retaining wall project is included in the contract with Graham Brimhall Company for construction of new wooden bridges at Mathews

Street and First Street. By eliminating one catwalk on each bridge, the cost now will be \$28,000 for a 30-foot clear roadway bridge on Mathews Street and \$31,450 for a 32-foot clear roadway bridge on First Street.

Construction on the new bridges had been delayed until notified of word on the city's application for funds with the DNR.

Bublitz told councilmen that it would be approximately six to eight weeks before the contractor would have materials for the project. He said that winter weather would have no bearing on the construction and, except for approach work, the projects could be completed in four

weeks. He said that approaches would be made passable for use during the winter months and then completed next spring.

Mayor John N. Brugger told councilmen that the basic problem in state funding today is the critical lack of money in land and water conservation funds. He was told by a state waterways commission spokesman that a possibility still existed for the city to obtain a grant to assist with the Ninth Avenue retaining wall project. A new application is to be submitted on this phase of the project.

The mayor said that the city's finances concerning this project will

become more clear once a definite figure is received on the amount to be received under the federal revenue sharing program. As it now stands, the city is in line to receive approximately \$25,000 through these funds. The city manager is to attend a meeting Friday concerning this city's share and how funds may be expended.

Cost of constructing the two bridges will total \$60,000. An additional \$10,000 is to be expended for approach work and blacktop. The project is being financed by issuing \$33,000 in tax anticipation notes and a three-mill tax levy for two years.

Alleged Fire Bombing Still Being Investigated

Investigation continues this week into the alleged Halloween night fire bombing at Whittemore which destroyed a two-story frame home at 215 Whittemore Street, occupied by Mr. and Mrs. James Owens and their six children.

Iosco County Sheriff's Department officers were continuing to check out conflicting reports of the fire and questioned youths named by Owens as the persons responsible for allegedly throwing Molotov cocktail fire bombs (bottles filled with gasoline with an ignited cloth fuse) against the side of the home.

Meanwhile, George Blust, county commissioner, along with Fire Chief Clifford Burkholder and other Whittemore residents, said Saturday that the name of the entire community had been unfairly blackened through state-wide publicity.

Blust said that a report in an area daily newspaper intimating that the alleged fire bombing was condoned by the community was untrue. Fire

Chief Burkholder believed that statements made to the press immediately following the fire were premature and were hindering the investigation.

The house caught fire shortly after 1:00 a. m. Wednesday, following a break-in that was reported to the sheriff's department earlier in the evening. Det. Basil Odell, who was on patrol in the Whittemore area Halloween night, said that the radio in his patrol car was not functioning properly and he did not learn of the break-in until after the fire.

Odell said he cruised down Whittemore Street 10 or 15 minutes prior to the alleged fire bombing and saw no flames, although he noted the garage door was open.

The Owens family was away from home early Tuesday evening. When returning home at 11:00 p. m., they found the house had been broken into. Owens drove his car to a public telephone to notify authorities.

Owens told officers that two hours later, at least two fire bombs were

thrown against the house. He told officers he got his family out of the house without injury and drove to a telephone to call police and the fire department.

Whittemore firemen managed to save some of the furniture and other belongings from the main floor of the dwelling before it burned to the ground.

Officers said that the Owens family is on public welfare and there was no telephone in the house. Whittemore officials had reportedly checked earlier in the week with county health authorities concerning the lack of sanitation facilities in the dwelling.

The Owens family moved to Whittemore from Flint two months ago and rented the home from an Oscoda man. Since then, according to officers, hard feelings had developed between the Owenses and a neighbor family concerning actions of the Owens children.

The remains of what appeared to be a fire bomb was found at the scene. As a result, the state fire marshal's office assisted in the investigation. The Federal Bureau of Investigation was notified, according to federal regulations.

It was reported Saturday that the Owens family had moved to the Augres area.

GEORGE WESTCOTT (Sheriff's deputies—Clip out and save for future reference.)

Permit Approved for New Dwelling

One new dwelling was included among six building applications approved during the past two weeks by City Mgr. Reginald Bublitz of Tawas City.

A permit was issued to Clarence Fiedler for construction of a 30 by 64-foot dwelling in Elms Gardens Subdivision at a cost of \$18,000.

Other permits issued included: Harry Coleman, Coleman's Resort, 1045 Bay Drive, 24 by 48-foot unit, \$7,500; Walter K. Cox, 211 Ninth Avenue, eight by 12-foot tool shed, \$175; Kenneth Myles, 306 Third Avenue, 22 by 24-foot garage, \$3,000; Marathon Oil Company, 1190 South US-23, remodel, \$450; Jerry I. Snoblen, 1124 South US-23, remodel residence, \$4,500.

A certificate of occupancy was issued to Benjamin Brewer, 300 West Lake Street, for an appliance sales.

Authorize Radios for Fire Trucks

East Tawas Council gave its authorization Monday night to the volunteer fire department to advertise for bids for the purchase of new radio equipment.

William Look Jr., fire chief, appeared before the council and presented estimated costs on equipping three trucks with radio equipment. Look said that the radios would greatly improve the efficiency of the fire department and would offer improved protection to residents.

In other business, the council gave tentative approval to plans for Armet Acres Subdivision submitted by Ralph Meyers. Final approval would be subject to plans being prepared by Spicer Engineering Company. The proposed new subdivision is located on old airport property.

A council committee is presently at work on an ordinance which would limit hunting with shotguns and bow and arrow to an area east of Schill Road and north of Lincoln Street.

A financial report on operation of Tawas Hospital ambulance service indicated that the service was well on its way to become self-supporting, without the need for additional funding from participating units of government.

Three bids on providing a new police car were accepted and tabled for recommendation of Police Chief Donald Docking. Bids included: Otawa Equipment Company, Plymouth Fury, \$2,748; S and W Ford Sales, \$2,773.53 and \$2,933.39; McKay Sales Company, Chevrolet, \$3,004.48. All of the above prices included the present police car as a trade-in.

It was reported that negotiations are nearly completed between Christ Episcopal Church and the city for leasing 3 1/2 lots of church property for a parking lot to serve city employees. The property would be leased for \$1,000 per year for five years with an option to continue the lease. At the end of 10 years, the city would have the opportunity to purchase the property with an allowance for improvements to the property.

An assessor's plat of the Maple Drive area of Tawas Lake was adopted in order to establish and correct boundary lines.

Prison Term Received by Oscoda Man

Nell Price, 17, Oscoda, received concurrent prison terms of two to five years for unlawfully driving away an automobile and two to 10 years for breaking and entering of Zubek Motor Sales when arraigned Monday before Circuit Judge Allan C. Miller.

Although not charged, Price admitted breaking into Hale Area School, Arenac - Eastern, Glennie School and Oscoda County Line School on October 29. When confronted with a receipt found in the Hale School with his name on it, Price admitted to the burglary.

Open House at Sports Center

Open house will be held Saturday, November 11, at Bill's Sports Center, 724 East Bay Street (US-23), East Tawas. Free coffee and donuts will be served and there will be door prizes. Visitors are invited to participate in the safe drivers course and compete for prizes.

Gaylord Program Set for Discussion

A discussion on business development plans and economic growth of Gaylord is to be presented by a group of businessmen from that community at the Thursday, November 9, luncheon of East Tawas Businessmen's Association. A joint meeting with Tawas City Businessmen's Association is to be held at Lixey's Restaurant, 12 o'clock noon.

ONLY ASHES remained Wednesday morning of a two-story frame home which burned Halloween night at Whittemore. Authorities are investigating the possibility of a fire bombing as the cause.—Tawas Herald Photo.

FURNITURE owned by Mr. and Mrs. James Owens was removed from the main floor of the dwelling by Whittemore firemen. This was the scene Wednesday morning with furniture piled on the sidewalk and the demolished house in the background.—Tawas Herald Photo.

Planned by Spring of 1974

Announce Renovation for Silver Valley Park

Announcement was made Monday by Calvin Norton, Tawas District ranger, for the complete renovation of the Silver Valley area by spring 1974. The valley contains some of the more scenic, yet fragile, lands of the district.

The prime purpose for the redesign is to build resource protection into the area and provide the quality recreation experience to those coming to the area. Plans call for an ultimate design capacity of approximately 60 single camping units, along with supporting facilities.

Work in the Silver Valley area will begin shortly with the closing of the double-track entrance road using transplanted trees. Plans include new construction of both access and camp loop roads. The old lodge and shelter will be removed to make way

for the new facilities. Stabilization work is planned for both the streambank and the exposed slopes on the hillside.

Associated with the work in the valley area is the relocation of the snowmobile parking lot to Gordon Creek Trail Camp. The trails in the valley area will be connected to the parking area by two bridges across Gordon Creek. The snowmobile trail is presently being widened and relocated in spots to enable safer operation of grooming equipment. More importantly, the relocations are necessary on the steeper portions for erosion protection.

"When the revamping of the valley is completed, we will not be accommodating nearly as many visitor days as before," Norton said. "The adage that more is better does not

hold true in managing the recreation resources of Silver Valley. A quality outdoor experience is the management principle on which the forest service designs its newer areas. This means more space and screening between camp units, reducing traffic to a minimum and design that gives the visitor a feeling of being alone with nature.

"This reinvestment of forest service recreation dollars in the valley must be protected to the utmost," said Norton. "We are attempting to reverse the picture of eroding hillsides, littering, random camping and streambank decay that is prevalent in that area today. This much needed protection can come only through cooperation of those who have a sense of pride in the area and an eye on the future of Silver Valley"

A CORNERSTONE LAYING CEREMONY was held Wednesday afternoon for the new 1.6-million-dollar Hale Area School. The school is in its final phase of construction and is expected to be completed by the end of the year. Among those participating in the ceremony were Richard Dodge, left, principal; Charles Behmlander, center, Engelhardt Construction Company, Bay City, general contractor, and Paul Keene, right, superintendent of schools. Leland Dane, president, represented Hale Area Board of Education.—Tawas Herald Photo.

Social

Legion Meets Thursday Night

Thursday night, November 9, is the regular meeting for Jesse C. Hodder Post No. 189, American Legion.

The meeting, which will begin at 8:00 p. m., is of importance to Legion members, former Legion members and veterans.

Plan Annual Pot - Luck

Andrew P. Klinger Barracks No. 2944, World War I veterans, will hold its annual pot-luck dinner and meeting in honor of Armistice Day Saturday, November 11, 12 o'clock noon, at the Tawas Township Hall. All World War I veterans and their wives are welcome to attend.

Newlyweds Now Reside in Kansas

Mr. and Mrs. Thomas S. Ritter are residing at 9259 Newton Street, Apartment 2B, Overland Park, Kansas 66212, following their wedding trip from Tawas City to Detroit and Kansas City, Kansas.

Mr. Ritter and the former Diane Marie Taylor exchanged marriage vows Saturday, October 14, at the Alumni Memorial Chapel at Michigan State University, East Lansing. The Rev. Fr. Thomas McDevitt officiated at the double ring service.

The new Mrs. Ritter is the daughter of Mrs. Daniel Taylor of Tawas City and the late Mr. Taylor. Her husband is the son of Mr. and Mrs. Sidney Ritter of Cassopolis.

Mrs. Anthony Castro, sister of the bride, was matron of honor. H. Garret Hayward was best man. David Bradford and Tracey Ritter seated the guests.

Eighty guests were present from Detroit, Kalamazoo, Lapeer, Cassopolis and Grand Rapids for the dinner following the ceremony at the Fretzel Bell Restaurant.

Mr. and Mrs. Ritter are both graduates of Michigan State University.

About PEOPLE YOU KNOW

Tawas City

Mr. and Mrs. Robert Haight of Grand Blanc have purchased the Nielsen Bayside Cottages and will move in the latter part of this week.

Mr. and Mrs. Howard Freel returned last Wednesday from Rapid City, South Dakota, where they attended the funeral of Wilba Brown. Mrs. Freel's brother-in-law. They left here October 26 and picked up Mr. and Mrs. Everett Harrod in Dawson and Mrs. Robert Rowland in Flint.

Tsgt. and Mrs. William Mear (nee Louise Lepard) and sons, William and Keith, are due to arrive at the home of her mother, Mrs. Marie Lepard, Saturday. They plan to stay here for two weeks.

Mr. and Mrs. Ford Turrell of Grand Rapids spent the week-end with their mother, Mary Turrell, and helped her celebrate her birthday.

Sunday visitors at the Howard Freel home were Mr. and Mrs. James Post and the David Stephens family of Flint.

Mr. and Mrs. John Kipfmuller and sons of Bridgeport and the Gary Bessey family of Lansing spent the week-end with their parents, Mr. and Mrs. Arnold Kuerbitz.

Sandra Wernert, a student at Delta College, University Center, was a week-end guest at the home of her parents, Mr. and Mrs. Joseph Wernert.

A housewarming for Mr. and Mrs. Charles Boos (nee Alta Rollin) was held Sunday at their new home on River Street. The Booses formerly lived in Warren. A pot-luck dinner was enjoyed by 20 relatives. Out-of-town relatives were Mr. and Mrs. Cecil Rollin of Harbor Beach.

Mr. and Mrs. George Myles returned late Saturday night from a 10-day Mediterranean trip. They went on the Royal Dutch Airline, a Boeing 747, landing at Amsterdam, then on to Yugoslavia. They visited points in Greece, Malta, Sicily, Isle of Capri and back to Rome, Italy.

Mr. and Mrs. Donald Lansky and family of Bloomfield Township, Mr. and Mrs. Lyle Hughes and family and friends, the Walter Gilhoullies, of Dearborn were recent guests of their parents, Mr. and Mrs. Frank Lansky.

Mr. and Mrs. William Wilson of Lansing spent a few days here the past week.

Mr. and Mrs. Robert Erickson and children, Jon, Gale and Robyn, enjoyed Saturday and Sunday in Grand Rapids with Miss Lee Erickson.

East Tawas

Mr. and Mrs. Martin Siegrist of Whittemore called on Tawas relatives Sunday.

Mr. and Mrs. Barton Veasey have returned from Paris, Tennessee, where they visited friends and relatives for the past three weeks.

Saturday visitors at the home of Mr. and Mrs. William Look were her sister and husband, Mr. and Mrs. Herman Kusso of Bay City.

Mrs. Zaida Upton has returned from Unity Village, Missouri, where she attended the fall festival. En route home, she visited her nephew, Alphonse Huff, and wife in Saginaw.

Week-end guests at the home of Mr. and Mrs. Owen Carpenter were her daughter and husband, Mr. and Mrs. Ernest Gossel, and family of Flint.

Herbert Haglund and son, Douglas, of Harrisville visited the former's mother, Mrs. Saimi Haglund, Sunday.

Mr. and Mrs. John Srebnack of Mikado were Sunday dinner guests of the latter's mother, Mrs. Arthur Cole, and daughter, Barbara.

Mr. and Mrs. Timothy Kasten visited their parents, Mr. and Mrs. Lee Abrecht, at Bridgeport over the week-end.

A surprise birthday party at the home of Mrs. Clea Rutherford honored her son, Roger, on his ninth birthday Saturday afternoon. Guests present included Carey and Michael Smith, Adam and George Geniges and Allen Nelkie. Games were enjoyed along with birthday cake and ice cream.

Mrs. Donald Miner, president of the Tawas Hospital Auxiliary, plans to attend a meeting of the Michigan hospital auxiliary presidents at Frankenmuth Thursday.

Mr. and Mrs. Julie Heidt and daughter, Ghita, visited his parents, Mr. and Mrs. Theodore Heidt, at Unionville over the week-end.

Mr. and Mrs. Wesley Gentry and daughter, Victoria, of Alpena visited Mrs. Earl Gentry and Mrs. Saimi Haglund over the week-end.

Mr. and Mrs. George Cooper and son, Gary, have returned from Whentley, Ontario, Canada, where they attended the funeral of Mrs. Cooper's mother, Mrs. Teckla Neville, last week. En route home, they visited relatives in Detroit.

Mr. and Mrs. Edward Humpala, who have been residing in Tawas City, have moved into their new home at 1135 US-23.

Mr. and Mrs. Richard Jagger have returned from Mamaroneck, New York, where they visited their son and wife, Dr. and Mrs. Richard Jagger, and family during the past week.

Alpena callers last Friday included Mrs. Saimi Haglund and Mr. and Mrs. Dennis Frank and child.

Mrs. Richter Lixey and Mrs. Austin McGuire were week-end guests of the latter's sister and husband, Mr. and Mrs. Floyd Snyder, in Flint.

Mrs. Felix Enos of Alpena is spending a few days with her daughter, Mrs. James Oswald.

Mr. and Mrs. Myron Traks of Troy was a recent visitor at the home of his aunt, Mrs. Ella Clements.

Some November Tips On How to be a Wise Shopper

By HELEN B. MEACH
Extension Home Economist

Whether it is nice or not, it is November now. If you are a deer hunter, it is the nicest month of the year. November "snow-that-stays" will make the snowmobiler, the skier and the snowball-pitching kids truly happy.

If you are a grandmother who likes to feed her kids, you like November because the family will likely come "over the river and through the woods" on Thanksgiving Day.

November can be good news or bad to the money manager. November means Christmas is not far away and, if each of the kids is to get what he wants, we have got to start shopping early. Christmas can become such a burden and that is not what Christmas should be.

In November, many well-planned family food budgets are wrecked, but smart homemakers do not let this happen. They begin to carefully watch food advertisements for sales and leader specials. They also look for foods listed in plentiful supply by the United States Department of Agriculture.

Read the following information carefully—the statistics will not lower food prices but they can help you to be a wise shopper. Beef prices seem to have changed little. We heard talk of lower prices during the fall but little evidence is apparent in the grocery store.

Pork prices are usually lower in the fall as compared with July, but even fall prices are higher this year than usual. The best buy in protein meats comes from chicken and turkey. Demand for broilers falls off when cold weather comes and we have occasionally seen poultry features priced under 30 cents a pound.

There is a huge turkey crop. Best prices will be those featured at holiday time—Thanksgiving and Christmas. That is the time to load your freezer.

Turkey legs can usually be purchased at less than 30 cents a pound—an excellent buy if you like dark meat.

Egg prices are due to go up in November to 57 to 63 cents a dozen.

GOP Women Meet Nov. 14

Regular meeting of the Iosco County Republican Women's Club will be held Tuesday, November 14, 12 o'clock noon, at Lixey's Restaurant, East Tawas. The program will follow a Christmas theme.

Each member is invited to bring a Christmas decoration they have made. Mrs. Frank Wilkusi will also talk and demonstrate her decorative Christmas creations.

A slate of officers for next year will be presented and plans for a "Victory 72" party on December 3 will be made. Women interested in attending may call 362-2312 in East Tawas or 739-9646 in Oscoda for reservations.

70 Attended AARP Meeting

Seventy members were present at the Wednesday, November 1, meeting of the American Association of Retired Persons. Sack lunch and visitation was enjoyed.

A travelogue of Sun City, Arizona, was shown.

Wednesday, November 15, will be the Thanksgiving meeting. Pot-luck dinner will be served at 12 o'clock noon in the East Tawas Community Building. Those attending are to bring a dish to pass and individual table service. Entertainment will be provided.

Officers Give Views on New Student Court

Robbie Miller, Sheryl Gaubatz and Richard Lemon, officers of Tawas Area Student Council, have issued the following statement in regard to recent student opposition voiced against the newly-instituted student court and the student council in general:

"In previous years, students have questioned us as to what we have accomplished. Not only have we succeeded in abolishing the dress code, but we also made it possible that a juke box be installed in the commons, initiated the new student commons, sponsored homecoming activities and the Sadie Hawkins dance, control all student activities to assure that no two events occur at the same time and are in the best interest of the student body and discuss relevant problems and try to find acceptable solutions.

"It is true that no organization is infallible and we are no exception. Recently, we overlooked a part of our constitution which states that all presidential candidates must give a speech in front of the student body, but this has not been enforced in previous years due to an oversight

(See VIEWS, page 4.)

You might want to do some of your holiday baking before the prices go up. Most baked goods store well in the freezer. Or you can freeze the eggs themselves when properly broken and mixed. Ask for special directions. They cannot be frozen in the shell for successful results.

Apples form the bulk of the fresh fruits but some citrus supplies are increasing. About 10 percent of the grapefruit crop is ready for market.

Tangelo is the citrus name to know in November. The Tangelo is a cross between a tangerine and a grapefruit and looks like an orange. It is juicy and easy to peel. November is the peak month with about 46 percent of the crop being marketed. Tangerine harvest is beginning. Cranberries are in ample supply even though the crop is down from last year. November is peak month for the fresh berries.

Grapes are scarce with the crop down 33 percent as compared with last year.

The following fresh vegetables will be in supply in November: Artichokes, Brussels sprouts, cauliflower,

er, white and sweet potatoes and rutabagas.

Carrots, cabbage, onions, broccoli and celery are still in heavy, seasoned supply.

Green beans and fresh tomato prices will reflect short supplies. The fall lettuce crop is up six percent above last year.

Best buys, price-wise, in processed fruit could be cling peaches, tart cherries and possibly pineapple, if supply is criteria.

Apricots, sweet cherries, free-stone peaches, grapes and pears are in short supply with higher prices. Prices on processed vegetables are firm with canned peas the possible exception.

Processed fish prices remain high. Raisins and prunes will cost more. Among the nut possibilities, the almond crop is the only one that is of record proportions.

On the United States Department of Agriculture plentiful food list for November, we find rice, turkey, broiler-fryers, grapes, apples and apple products, cranberries and cranberry products.

REALTOR WILLIAM BOROSCH

A CHALLENGE TO MR. HANDYMAN!—There is potential in this 4 bedroom Tawas City house on two large lots, rambling room for a large family! **\$9,500 Terms**

Hale Area News

The Interdenominational Youth Group met at the home of the Oral Eupers on Sage Lake Monday evening and had a farewell party for Charles Hodge, who left Tuesday for basic training at Orlando, Florida, naval base.

Sympathy is extended to Mrs. Frank Gortner of Sage Lake in the death of her husband.

The adults of the Hale Baptist Church had their annual Halloween party at the home of Mr. and Mrs. Clyde Humphrey. Thirty-nine adults enjoyed a time of fellowship and games. Most of them came in costume.

Richard Matthews spent Monday and Tuesday in Grand Rapids at a Postmaster's School of Instruction.

The Tuesday morning ladies bowling league had their Halloween costume party during their bowling games.

Delbert Hewitt and Robert Parent are moose hunting in Canada.

Fred Holzheimer entered Tolfree Hospital for surgery Wednesday and returned home Saturday.

Mrs. Irene Digard was taken by ambulance to Tolfree Hospital Thursday morning.

Mrs. Peg Scofield of Royal Oak was a visitor in town the past week and a guest of Mrs. Ruth Brumfield.

The Rev. and Mrs. Casey Humphrey and daughter, Pamela, arrived by plane from Anchorage, Alaska, Thursday and are staying with her mother, Mrs. Miranda Stedman. Mrs. Stedman's sister, Mrs. Eva Schweitzer, and her daughter-in-law of Canada arrived Friday to visit for two days.

Mr. and Mrs. Bud Spalding and son of Toledo, Ohio, spent the weekend with Mrs. Marge McClellan. The Dale Humphrey family joined them for Sunday dinner.

Two youth groups from Gaines and Whitmore Lake were at the United Methodist Church for the Saturday evening program and Sunday morning services.

Mrs. Pearl Huber spent the weekend with her daughter's family, the Robert Dillons of Whitmore, with friends and relatives in Hale. She and Mrs. Violet Bielby are leaving soon to spend the winter in Florida.

William Watson has returned to his home. Sympathy is extended to him in the recent loss of his wife in Bay City during their visit there.

Mr. and Mrs. Daniel Thayer and Rhonda spent the weekend with their daughter's family, the Raymond Wyekoffs, at their new home in Potterville.

Mr. and Mrs. Joseph Bannister were notified that his mother, Mrs. Nellie Bannister of Peck, is in the Sandusky Hospital. Mrs. Bannister was a former Hale resident.

Neil Latter and three children arrived from Jenison to spend the weekend with his mother, Mrs. Ethel Crisman.

Mrs. Doris Thayer called on Mrs. Pat Wyckoff of Mio at Tolfree Hospital Friday evening. She also visited Mrs. Irene Digard and Fred Holzheimer there.

Sympathy is extended to the relatives of Mrs. Sarah Johnson, who passed away early Sunday morning.

Mrs. Ethel Crisman and Mrs. Pearl Huber were visitors of Mrs. Amy Buck Sunday afternoon.

Mr. and Mrs. Clyde Humphrey and Mr. and Mrs. Glenn Hill and daughter, Diane, of Au Gres were last Sunday afternoon guests of Mr. and Mrs. Ivan Keagle of Swartz Creek.

Merlin Love, the eldest son of the late Charles Love, formerly of Hale, passed away in San Francisco, California, where he had lived since he

was 14 years old due to an asthmatic condition. His sister, Mrs. Helen McAndrews of Flint, and his brother, Claud Love of Mt. Pleasant, flew out to California for the funeral. Another brother, George, and wife were in California at the time of his death.

Ardent supporters of the Hale Area Eagles gathered at the home of Mr. and Mrs. Dale Blust after the Friday night game.

Individuals with news items for this column may contact Mrs. Daniel Thayer at 728-2522.

Lauri Springsteen, Karen Springsteen and Diane Wilson shopped in Bay City and Saginaw Saturday. Lauri and Jeri Fredrickson of St. Helen drove to Detroit to attend a hair style show Sunday and Monday. Several other girls who attend Kirtland Community College of Cosmetology attended.

Mrs. Johnson, Former Hale Teacher, Dead

A former school teacher at Hale, Turner and Reno Township, Sarah M. Johnson of Hale, 74, passed away Sunday, November 5, at Tolfree Hospital, West Branch.

The former Sarah Thompson was born October 1, 1898, in Maple Ridge. She married John J. Johnson September 1, 1920, at the Maple Ridge Presbyterian Church. They resided in Turner for a short time before moving to Hale. Mr. Johnson preceded her in death.

Mrs. Johnson was a charter member and first matron of Hale Chapter No. 482, Order of the Eastern Star; member of the White Shrine, Bay City; member of the Lizzie E. Schaefer Past Matrons Club of Hale; past president of the Arenac-Iosco-Alcona District Association, and a member of the Hale Auction Bridge Club.

She is survived by two daughters, Mrs. William (Laura) Mosher of Grayling, Mrs. William G. (Alice) Wercley of Hale; a son, Nelson E. (Bud) Johnson of Oscoda; five grandchildren: a sister, Mrs. Emil (Laura) Geisinger of Monterey, California; a brother, Ted Thompson of International Falls, Minnesota.

Funeral services were conducted Tuesday, November 7, by the Rev. Arthur R. Parkin at the First United Methodist Church, Hale. Burial followed in Evergreen Cemetery, Hale. An OES memorial service was held Monday, November 5, at the Forshee Funeral Chapel, Hale.

Winterize Car Now to Avoid Trouble Later

Weak batteries and poorly-tuned engines will account for more than 80 percent of the estimated one million service calls expected this winter from state motorists, according to Automobile Club of Michigan.

"Many of these 'cannot start' calls could be avoided if motorists would take the correct steps now to winterize their cars," says Robert M. Smith, Auto Club's emergency road service manager.

Smith notes that service stations are usually overloaded with cars not properly winterized the first day temperatures drop below 15 degrees.

Contrary to what many motorists may think, installation of antifreeze is only one step needed to ready a car for cold weather driving.

"The heart of a car's ignition system is the battery," Smith says. "It must be in top condition during the winter because its job becomes progressively harder as the temperature drops."

Auto Club estimates that on a zero-degree morning, the average battery can deliver only 61 percent of the power it has at 80 degrees. The engine it must start, however, offers almost 2 1/2 times more resistance.

For good performance all winter, the battery should be tested to make sure it can carry a full charge and is free from cracks and corrosion.

A battery check can also indicate other troubles such as a faulty generator or alternator, a worn fan belt or defective wiring.

An engine tuneup is also essential for good battery performance. Dirty or worn spark plugs put additional strain on a battery since they need more electricity than new, clean plugs. Points, which open and close an average 100 million times each 1,000 miles, cannot deliver peak power to each plug if worn.

Be sure the choke is operating properly.

Inspect the cooling system. It must contain the proper amount of antifreeze to prevent freeze-ups. Hoses, radiator and pressure cap should also be checked, as well as the thermostat. The wrong thermostat could result in motor damage and improper heater operation.

Check the exhaust system. A rusty or leaking muffler can be a carbon monoxide hazard.

Worn or poorly working windshield wipers should be repaired or

replaced. A winter solvent should also be added to the water in the windshield wiper reserve bottle to prevent freezing.

Tires, brakes, headlights and the car's heat and defrosting units should be in good condition and

working properly. Although not used in the winter months, air conditioners not equipped with a climate-control unit should be operated for at least five minutes a week to permit lubrication and prevent vital parts from drying out.

Adler-Kay Quality Kitchen Cabinets and Vanities

... give you more for your money!

- You Get the Famous Adler-Kay Name — One of the Midwest's largest manufacturers of kitchen cabinets, Adler-Kay has been a leading supplier to builders for over 25 years.
- You Get Genuine Adler-Kay Quality — The warmth of wood beautifully crafted in English, Early American, Mediterranean and traditional styles. Tough, wear-resistant finish. Elegant hardware. Solid construction.
- You Get Adler-Kay Value — True Value at competitive prices. The high quality of Adler-Kay cabinets and vanities... the extra sturdiness... the lasting durability... all result in lasting value.
- You Get Adler-Kay Custom Planning — Visit one of our retailers and see what beautiful ideas we have about kitchens. Ask for help, if you like. You'll get the same planning advice we offer builders.

(Continued from page 2.)

on our part. We feel that this mistake is minor, compared to the major benefits we have attained for the student body. A petition is being circulated to see if the student body would like a new constitution drawn up that would be more relevant to our situation now.

"Recently, a student court was enacted at Tawas Area to control the malicious destruction and wanton littering of the commons area. As one may or may not know, the new commons area replaces the study halls, promoting a more relaxed atmosphere. There presently are soda pop machines and there was a juke box, but we felt it necessary to remove it because of the intentional damage that repeatedly was being done to it. The student commons, as almost any student will tell you, is a notable improvement over the study halls of previous years.

"If we are to continue to have this privilege, we have to take care of it. It seems that several students have abused this and acting under Article VII, Section I, of our present constitution, we feel it is our responsibility to resolve the problem that these people are creating."

After a consultation with Supt. Edward Barry and the executive council, with full backing of the administration and the school board, the following procedures will be taken against students violating school rules:

Any student can be brought before the student council for malicious destruction, throwing anything or leaving trash or trays in the commons area.

Student council procedure: Student is caught, charged and brought before council. Student is tried by council with the president presiding as judge. One appointed prosecutor (changed each meeting), remaining student council is jury and they can ask questions only when recognized by judge. Defendant defends himself.

Jury decides if person is guilty, decides punishment from list below and has the option of changing punishments as each case may demand.

Punishments: First offense—Sit at designated "pig" table, being under surveillance at all times; second offense—Certified letter to parents and action by either student council or the administration; third offense—They will be sent to Edward J. Barry, superintendent of schools.

Wake Speed Ordinance Has First Reading

First reading of a new ordinance to conform with present state law on a no wake speed limit on the Tawas River was held Monday night by the Tawas City Council.

Proposed Ordinance No. 180 would supersede all previous city ordinances and would bring city regulations in line with state watercraft speed limits adopted for the Tawas River following a hearing here in 1967. It is expected that the council will adopt the ordinance following the second reading at the November 20 meeting.

In addition to the above ordinance, the council instructed its ordinance committee to study existing state laws concerning operation of snowmobiles and to bring city regulations in line with the state law.

In other business at Monday night's meeting, the council set the salary of election board workers at \$25 for those working during the day and \$2 an hour for counters. Workers attending the county school of instruction are to be paid \$2.

An opinion from the city attorney stated that the city council does not have the power to raise the per diem paid to councilmen during their term of office. Prior to adoption of the new charter, councilmen had received \$10 per meeting. A provision in the new charter set the pay at \$5 per meeting, although it was generally assumed that the council had the power to increase the pay through adoption of an ordinance. The council has a year to consider raising the per diem to be paid to the next council.

Four bids were received on the purchase of a new police cruiser. All bids were accepted and are to be studied by the city manager and police chief for a recommendation at the next meeting. Bid prices, which included the present police car as a tradem, were as follows: Zibek Motor Sales, American Motors, \$3,437.06; McKay Sales Company, Chevrolet, \$3,163.88; Inglis Ford Sales, \$2,999; Ottawa Equipment Company, Plymouth Fury, \$2,897.70.

Because of the illness and hospitalization of Fire Chief Daniel Ulrich, the city manager has appointed Herbert Blust and Robert Werth as assistant chiefs. Blust said that a training program for firemen is to be held during the winter months. Three new members of the department are Richard Look, Jack Tanner and Dennis Oates.

A petition was received signed by members of the Tawas City Garden Club and Twentieth Century Club endorsing the proposal to purchase the Tawas United Methodist Church, West Parish, building for use as a civic center.

HALFBACK BILL BAKER (40) was the main scoring threat of the Oscoda Owls in their 19-0 victory over Tawas Area Braves Friday night.—Tawas Herald Photo.

Braves Fail to Score as Owls Win, 19-0

Unable to put together any kind of an offense, Tawas Area Braves were shut out of the endzone for the third straight week Friday night as the visiting Oscoda Owls turned in a 19-0 victory. It was the last home game of the season for the Braves, who wrap up their 1972 schedule this Friday night by traveling to Bad Axe.

Neither team was particularly impressive on offense, but both squads turned in adequate defensive games. Tawas Area was in trouble right from the start when their kickoff defense did not plug a hole along the north sideline and Halfback Bill Baker returned the ball to the Braves' 27. Five plays later, Baker powered his way to Oscoda's first touchdown with 10 minutes, three seconds remaining in the quarter. The conversion attempt was missed and Oscoda held a 6-0 lead.

Fullback Mike Hughes, back in the lineup after being injured in the Standish-Sterling game, did most of the carrying in Tawas Area's first series of plays. He picked up two first downs to Tawas' 49, the last on a recovered fumble, but an offsides penalty and two stops by the Oscoda defense ended the drive.

The Owls took Tawas Area's punt on their own 29 and, in 14 plays, had another first quarter touchdown. Baker and Halfback Brad Rutherford shared the running in this series with Rutherford carrying over for the touchdown from the Oscoda three-yard line. The conversion attempt was no good and Oscoda held a 12-0 lead.

With the help of a 15-yard penalty against the Owls, Tawas Area penetrated to the 40-yard line of Oscoda late in the second quarter, but a 15-yarder against the Braves put them back in their own territory and the drive ended four plays later.

Despite a 34-degree temperature, fans were treated to another fine halftime show by Tawas Area High School Marching Band. This was the band's final performance of the season.

Tawas Area's offense proved to be as cold as the weather in the second half. Rick Burris recovered an Oscoda fumble on Tawas' 31, but the Braves could not take advantage of the break.

The Owls turned right around and recovered a fumble on Tawas' 47 and, seven plays later, Baker drove five yards to the final touchdown of the night. The conversion kick was good and Oscoda held a 19-0 lead.

The two teams exchanged fumble recoveries late in the fourth quarter and the Braves wound up with the ball on Oscoda's 36. Before the clock ran out on them, the Braves penetrated to Oscoda's 22.

Hughes, Halfback Steve Janego and Quarterback Mickey Haglund did most of the running for Tawas' offense.

Seniors playing their last home game were Ed Haglund, Bill Ward, Rick Ashmore, Janego, Kirk Loeffler, Burris, Rob Elliott, Al Kushion, Al LaBlance, Chris O'Driscoll, Steve Anschuetz, Chuck Wood and Jack Grack.

Eagles End With Last Second Win

Hale Area Eagles closed out the 1972 football season with a 20-14 win Friday night over visiting Hillman. Playing before a parents' night crowd, the win was the Eagles' fifth of the season against three losses.

Hillman's Greg Seybert put the visitors out in front in the first quarter with a quarterback sneak into the endzone and that touchdown was to remain the leading margin until the fourth quarter.

The Eagles reached the scoreboard in the third quarter when Quarterback Jeff Miller passed 12 yards to Steve Denstedt for a touchdown. Keyno Shellenbarger ran the two-point conversion.

Hillman came right back to score when Seybert passed to Dan Kenard for a 17-yard touchdown. Chris Seybert ran the two-point conversion.

Hale Area's offense came to life in the fourth quarter when Joe Kimmerer went four yards for a touchdown. The PAT attempt failed and the score was tied, 14-14. With four seconds to go in the game, Miller rolled back to pass, then ran 26 yards for the winning touchdown. By

the time he reached the endzone, the final gun had sounded.

Shellenbarger was again the top offensive player for the Eagles and Kimmerer was named as the outstanding player of the week. Bruce Bernard turned in 16 tackles.

JOE KIMMERER

Tawas Freshmen Turn In Perfect Football Record

Tawas Area Freshmen finished out an undefeated season Thursday night by defeating the visiting Oscoda Area freshmen, 28-0.

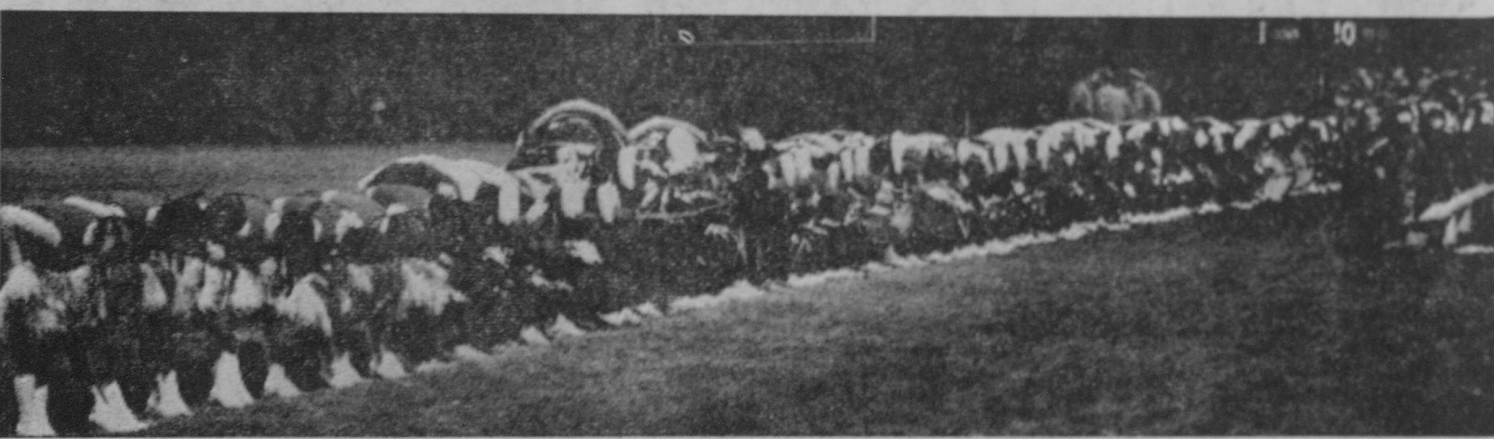

The Freshmen Braves scored in five plays after taking the game's opening kickoff. Greg Gotcher went 47 yards for the first touchdown and Mitch Lenczewski scored a two-point conversion.

In the second quarter, Earl Parsons passed 47 yards to Lenczewski, who ran another 10 yards. This set up the next touchdown as Lenczewski went 14 yards for the score. Dave Kaunisto scored the two-point conversion to make it 16-0 at halftime. In the third quarter, Mike Stephenson set up the next touchdown

when he caught a 30-yard pass from Parsons and then ran another 10 yards. Lenczewski ran for 24 yards and the touchdown.

The final score came in the fourth quarter when Gene Miller intercepted a pass with two minutes, eight seconds left in the game. Mike Harvey caught a pass in the endzone from Brad Potts for the touchdown. Lenczewski picked up 115 yards during the night for an average of 10 1/2 yards per carry. Gotcher had 78 yards for an average of 11 yards per carry.

Bob Stephenson and Dave Gartland had 11 tackles each, while Potts and Mike Nelson turned in 10 tackles each.

MAKING its final bow of the 1972 football season was the Tawas Area School Marching Band, shown here at the conclusion of its

program during halftime of Friday night's game between the Tawas Area Braves and Oscoda Owls.—Tawas Herald Photo.

Junior Braves End Season With Defeat

Tawas Area Junior Braves ended their football season with a record of five wins and three losses after dropping a 6-0 decision to Oscoda JV Thursday night.

The Little Owls scored early in the first quarter and the two teams sloshed the remainder of the game out between the two 30-yard stripes.

The Junior Braves had a couple of possible scoring threats, but a fumble ended one drive and the second was stopped by Oscoda's defense.

Both teams turned in outstanding defensive games. Leading Tawas defenders were George Smith, Jim McArdle and Tim Schirmer. Tawas' defensive backfield was nearly air tight during the night, led by Randy Scales, Mike Mooney, Dennis Hughes and Tom Grack.

Offensive leaders for the Junior Braves were Jeff Hemphill, Mark Elliott and John McMurray.

Six members of the Junior Braves move up to the varsity this week and will travel to Bad Axe Friday night. Included are Mark Hintz, McArdle, Smith, Scales, Elliott and Hemphill.

Letter to the Editor

Dear Editor:

The budget accorded the Regional Library by the county commissioners is not only unfair but totally disgusting. If only the commissioners learned more about the material and services the library provides for the county, they would without a doubt change their decision for the library budget. This is the unfair portion of the proposed budget.

The disgusting part is that the commissioners do not realize or appreciate the completely dedicated people the library has employed. Even though they continue to receive wages and benefits far inferior to the rest of the county employees, their main concern is still the efficient operation of the library.

I'm sure the county commissioners are not alone in their ignorance of the dilemma the Regional Library is facing. Many citizens of the county take for granted the functions the library provides. The library is now operating at a subsistence level. More budget cuts will only result in a terminated library or a totally useless branch of the county government.

Sincerely,
Terry S. Grabow

To the Editor:

I am appalled to realize that our library service is in such jeopardy. First, speaking as a former school teacher, I know how much the children enjoyed their library books. They read them, exchanged them, gave reports on them and it was always my hope that they would con-

tinue to read. Many homes do not have the advantage of books or magazines and if even a few sparks were lit by the library program it was and is worthwhile.

When teaching I also had the opportunity to find new or different books to read to them, or books to use to help me with my job.

Secondly, I notice when I go to the branch library many "senior citizens" take advantage of the service. It gives them a chance to read many things they perhaps cannot afford to buy anymore.

Finally, I enjoy the library myself, as do many of my friends. And my children have used it, when home from college to get extra material for a term paper or whatever.

In my opinion, a town without a library is a dead town. Books should be available to everyone.

Sincerely,
Patricia B. Ezo

To the Editor:

I felt I must write and say how sad I feel that our commissioners of Isosco County and those of Arenac also have seen fit not to appropriate additional funds for our library. My husband and I worked hard getting petitions to have one in Hale through the Grange and there was seldom a day it was open we didn't visit it, until our illness of two years ago.

It is a big asset to our community as many tourists tell me it is much nicer bookwise and a more friendly atmosphere than city ones are.

Our school children of all grades use our library and just yesterday I received a letter from the school that this year there is a nine percent increase in students and now to think this service will be curtailed, when so many more need it.

Why can't the commissioners meetings be put in the Herald as the supervisors used to be and then we

would know who was voting for and against things and where our money was going.

We are not on social security and I always enjoyed the magazines in the library as I couldn't afford to take the ones I like so much.

It seems to me that some of our increased taxes could go to the library, which is free to everyone.

I am terribly upset over this and hoped I could contact Mr. Woreley but as of tonight haven't been able to reach him on the phone.

In such a wonderful county as we have, I surely hope the commissioners will see fit not to close or curtail in any way our library service.

Mrs. Arlon VanHouten

To the Editor:

My husband died July 15, 1970, which left me alone. I am 77. Many nights when I was unable to sleep, I forgot my sorrow and loneliness by reading one of the interesting books from the Hale Library. The Hale Library is very important to me.

Mrs. Peg Redmond and her substitutes are excellent librarians. They do everything possible to find books that we readers like. If we express a desire for a certain book, they try to get it for us.

Recently I fell and broke my left arm and my neighbors have been going to Hale to exchange books for me and Peg (who is a dear friend now) always has certain books ready for me. Yesterday when my neighbor brought me more books, she said, "How come you always seem to get more books than groceries," and I said, "The books are more important to me than food." I'm not trying to imply that I don't have the food I want, I'm simply saying that the books are very important to me.

Instead of cutting library funds, I wish they could be increased. I'd much rather have good books to read than to watch TV or listen to radio.

Sincerely yours,
Ellen Leach

Whittemore News

Women's Club Met at Curtis Home

Whittemore Women's Club met at the home of Mrs. Bessie Curtis at Sand Lake Wednesday evening.

Clifford Burkholder and Nick Moraitis explained plans for the recreation center which is to be built near the Whittemore Elementary School playground.

James Mielock was a guest at the meeting and discussed the candidates and the issues which appeared on the election ballot November 7.

November 15, the club will celebrate its golden anniversary with a planned pot-luck supper, 6:00 p. m., at the United Methodist Church parish house. Members are asked to bring their own table service.

Salads and crackers were served by the hostesses, Mrs. Cecil Gover, Mrs. Richard Samson and Mrs. Curtis, at the close of the evening.

Mr. and Mrs. Robert Curtis returned home Friday from a three-week vacation at Hot Springs, Arkansas.

Mrs. Marie Forest of Sault Ste. Marie spent a week with her parents, Mr. and Mrs. Fred Guilmette, recently.

TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

(Read I Peter 5:6-11)

Cast all your anxieties on him, for he cares about you. (I Peter 5:7, RSV)

Once I attended a camp way up in the mountains. We used to hike up in the mountains from the campsite. One day, we were heading for a mountain peak. At the beginning, I was alert and could keep up with the others. But when we reached the difficult slopes, I neither wanted nor had strength to continue. I just stopped. On the top of the mountain, there was a cross, but I never reached it. On another day, we headed for another mountain peak. My friends helped me carry my things and encouraged me to continue. This time, with their help, I reached the top.

Though we must confess we have failed often in the past, we can aspire again to reach the cross. In trying, we have a helper—the Holy Spirit. He will encourage, strengthen and help us.

PRAYER

Our Father, we confess our many failures which have prevented us from reaching the heights. Forgive us and help us through new vision to rededicate ourselves and with renewed strength move forward in meaningful discipleship. In the spirit of the Master, we ask. Amen.

THOUGHT FOR THE DAY
High aim is more important than success.—Ingegerd Friberg (Trollhattan, Sweden)

Mrs. Rose to Speak at ETGC Meeting

East Tawas Garden Club will meet Monday, November 13, 8:00 p. m., in the council room at the East Tawas City Hall. Members will respond to roll call by naming one flower mentioned in the Bible.

Speaker for the evening will be Mrs. George Rose. Her subject will be "Flowers of the Bible." Hostesses for the evening are Mrs. Arthur Leitz, Mrs. Joseph Smith and Mrs. John Oberlies.

In Michigan

Diabetes 2nd Leading Cause of Blindness

In Michigan, diabetes is ranked as the fourth leading cause of death by disease, the second leading cause of blindness and a major factor in heart disease!

Over 4,000,000 people in the United States have diabetes, but half of them do not know it. If diabetes is detected early, serious complications may be avoided by the prompt institution of medical care. Often, diabetes can be effectively controlled by diet and exercise alone.

Diabetes results from the inability of the pancreas gland to produce enough insulin. Insulin permits the sugars and starches of the diet to be converted into needed heat and energy. The untreated diabetic lacks energy, while unused sugar piles up in his blood and urine.

Diabetes occurs in all age groups, including infancy and childhood, but usually the onset is in middle age. The "high-risk" group are those overweight, over age 40, blood relatives of diabetics and women who have given birth to babies weighing over nine pounds.

Although a positive screen test, such as the one given during the Diabetes Week, free testing at Tawas Hospital is not a definite diagnosis of diabetes. It does indicate that the disease may be present. The physicians of all those who may show a positive test will be notified. They will notify their patients. If you have not heard in eight weeks, you may assume your test was negative. Should you have a positive test result, you are urged to take the diagnostic tests recommended by your physician.

The warning signs are drowsiness, fatigue, sudden listlessness, loss of strength and energy, boils and carbuncles, intense itching, excessive appetite, poor vision, extreme loss of weight, infected corns and bunions or frequent urination.

Do you belong to the 50 percent who are undetected diabetics? Get a free test at Tawas Hospital November 13 through 17, 8:00 a. m. to 2:00 p. m. Be sure to eat the specified breakfast or lunch published in last week's paper.

The full expense of this testing is born by Tawas Hospital.

SEVERAL MEMBERS of Whittemore Volunteer Fire Department are pictured above at the site of the new Whittemore Area Recreational Park, sponsored by the department. From left are James Redmond, Nick Moraitis, Fred Hasty and Chief Clifford Burkholder.—Tawas Herald Photo.

Whittemore Fire Dept. Sponsors Recreation Area

A recreation area to serve youngsters of Western Isosco County, sponsored for the past two years by Whittemore Volunteer Fire Department, is to be expanded under a recreational bond project in cooperation with Isosco Parks and Recreation Commission and the Michigan Department of Natural Resources.

Clifford Burkholder, chief of the fire department, announced Saturday that approval had been given by the DNR to start the first phase of the \$12,500 project — bringing the three-acre park to grade with 1,300 cubic yards of sand fill.

The new multipurpose recreational area is located on O'Farrell Avenue north of the Whittemore Elementary Unit. The site was leased for park purposes from the school district for 99 years at a cost of one dollar.

Burkholder said that plans for the park had been prepared by George Landis, Oscoda engineering consultant. It is expected that the project will be completed by May of 1973.

Plans include a 118 by 144-foot concrete slab on which will be located three tennis courts and two basketball courts. The slab will be flooded in the winter for ice skating.

In addition, there will be 10 picnic tables with grills, along with two

horseshoe pits. The entire park will be lighted by 30 quartz lights on poles.

During the past two winters, the fire department has sponsored ice skating parties three times a week on a rink constructed with fire department labor. The rink was first located in the parking lot of Whittemore Speedway and then moved to the present location of the new park.

"We served hot dogs and hot chocolate to the kids and the program was so successful that we began to look for ways to expand facilities," said Burkholder. A telephone call to Lansing resulted in a \$10,000 grant from recreational bond money coordinated through the county parks and recreation commission. This was one of the last allocations from the recreational bond fund.

To raise a matching share of \$2,500, the fire department enlisted the assistance of various community organizations and \$3,000 was raised for the project.

"Without the help of many organizations and individuals, development of this project would not have been possible," said Burkholder.

The facility, designated officially as the Whittemore Area Recreational Park, serves communities of Whittemore, Prescott, Hale, Skidway

Leke, National City, Turner and Twining.

The fire chief said that future plans call for construction of a park building. He said that tennis courts would be the site of a state or regional tournament next summer.

DO YOU KNOW HOW TO MANAGE PEOPLE?

Management is a big word. What does it mean to you? I'll tell you what it means to us!

- Understanding People.
- Being firm, yet fair.
- Being able to run a "Tight Ship."
- Willing to roll up your sleeves.
- Developing your subordinates.
- Being an active member of your community.
- Making decisions and standing by them.
- Never being satisfied.
- Providing security for your family and yourself.
- Salary commensurate with ability and experience.

If this is your concept of management, then we think alike.

For interview appointment, call 799-2470 or come to Holiday Inn, 501 Saginaw, Bay City, Mich., from 9:00 A. M. to 8:00 P. M., Thursday, Nov. 9, 1972.

Social Security Helps Locate Your Records

Question: I will be 62 soon, do not have a birth certificate and would like to get proof of my age before I file for social security. Where can I get a school or census record?

Answer: School records can usually be obtained from the superintendent of the county or city schools where you attended school. Any social security office will help you request a census record.

Question: I am planning to retire January 31. Can my 1972 wages be included when my social security benefit is figured?

Answer: Yes, your 1972 wages can be included. You will be required to furnish copy C of your 1972 W-2 (withholding statement) to the social security office at the time you apply.

Question: I have a small business in which I employ five people. One person I just hired showed me two social security cards with the same name but different numbers. Which number do I use?

Answer: Have your employee call, write or visit the social security office immediately. The people there will have his records checked and advise him which number he should be using. Then, he can give the correct number to you.

Question: I am 62 and planning to retire within the next year or two. Must I wait until a birthday to apply or can I apply at any time during the next two years?

Answer: You can apply for retirement payments any time. If you decide to have your checks start before age 65, your benefit amount will be permanently reduced. The amount of the reduction depends on how many months you get checks before you are 65. For every month that you are closer to 65, the reduction in payments is less. You should apply for medicare two or three months before the month of your 65th birthday.

If you have a question about social security, contact your district office at 1009 North Madison Avenue, Bay City, Michigan 48706; telephone, 893-9679. For your convenience, a social security representative will be at the Iosco County Building, Tawas City, every Thursday of each week from 9:45 a. m. to 3:00 p. m.

Tawas-Oscoda Bandsmen Set Football Game

Boys of Oscoda Area High School Band will meet the boys of Tawas Area High School Band in a game of flag football Sunday, November 12, 2:00 p. m., at the Tawas football field. Girls from both bands will provide the half-time entertainment.

Proceeds from the game will be divided between the bands. Everyone is urged to attend.

Ag. Society's Annual Meeting Slated Nov. 13

Annual meeting of the Iosco County Agricultural Society will be held on Monday, November 13, 8:00 p. m., in Plainfield Township Hall.

There is Still Time to Hold a Profitable GARAGE SALE
Announce the Date With a Classified

DR. C. H. COLLINS, East Tawas chiropractor, was recently awarded a plaque in honor of "his worthwhile accomplishments for the profession of chiropractic and its efforts to improve the health of mankind." Doctor Collins was presented with this award at a week-end seminar at Kansas City, Missouri. During the two-day session at Kansas City's Plaza Inn Hotel, he attended lectures, workshops, round table discussions and took advantage of opportunities for study in the Clinic Masters Library of practice-related material.

Funeral Held for John W. Hinkley

Funeral services for John W. Hinkley of Tawas City, 60, were conducted Thursday, November 2, by the Rev. Kenneth L. Tousley at the E. D. Jacques and Son Funeral Home, Tawas City. Burial followed in Memory Gardens Cemetery, Tawas City. Mr. Hinkley passed away Monday, October 30, at Hurley Hospital, Flint.

Born May 19, 1912, in Yale, Mr. Hinkley married the former Reatha Nelbert, who survives him. He was an employee of Morgan Truck Lines, hauling trailers for the Anderson Coach Company, East Tawas.

Surviving besides his wife are three children, Laura, Wanda and Wesley, all at home; his mother, Mrs. Lydia VanArsdale of National City, and a sister, Mrs. Elsie Levi of National City.

LOOKING BACKWARD—

Two Officers Killed in AF Jet Crash

15 Years Ago—November 7, 1957—Two air force officers were found dead in the wreckage of their T-33 jet trainer, which exploded shortly after takeoff from Wurtsmith Air Force Base. The crash occurred about two miles south of the base, where it exploded and went down in a wooded area.

Jail docket No. 4 was retired this week by the Iosco Sheriff's Department. The first three dockets contain a complete list of prisoners since January 8, 1883. As of Tuesday, the next person booked would have been No. 12,196.

Candidates for homecoming queen at Tawas Area High School are Carol Strauer and Tammy Bell. Members of the court include Donna Simmons and Kaye Whitford, juniors; JoAnn Legg and Jeanette Werth, sophomores; Mary Jane Jacques and Virginia Clute, freshmen.

Four Tawas sportsmen returned from a successful two-week hunting trip to Montana and South Dakota with their licenses filled. Making the trip were Donald Geringer, Orville "Buck" Leslie, Arthur Ropert and Larry Leslie. Each of the men brought back a mule deer, antelope and his limit in pheasants.

Scoring touchdowns for the Tawas Area Junior Braves in their sixth consecutive victory were Quarterback Pete Bolen, Halfback Harry Woolhiser and End Jim Wilkusi.

25 Years Ago—November 7, 1947—VanEtan Lake residents have protested a special assessment roll which has levied \$54,000 against land which was benefited by raising the water level of the lake through construction of a dam. At a hearing held before the county board of supervisors, property owners contended that the burden of constructing the dam should have been spread over the entire township of Oscoda.

Karl Bublitz of Tawas City is one of 3,000 Hudson dealers in the country. He attended a closed showing for this entirely new automobile at Detroit.

Tawas City's new zoning ordinance was adopted by the city council. The ordinance sets up industrial, commercial and residential sections of the city and will control expansion into its proper zones.

The atomic energy commission soon will issue strict blanket regulations to prevent export of machinery which could be used in producing atom bombs.

Albert Buch was appointed a member of the Tawas City Board of Education to succeed George A. Prescott Jr., who resigned.

35 Years Ago—November 5, 1937—Michigan motorists next week will be able to drive over concrete pavement vir-

tually the entire 235-mile distance between Detroit and Alpena for the first time in history. The 17-mile stretch of US-23 between Oscoda and Harrisville is to be opened to traffic November 10. It is expected that the route between Alpena and Rogers City is to be hard surfaced next summer.

Oramel O'Farrell, son of Mr. and Mrs. John O'Farrell of Whittemore, left Tuesday for Lansing where he will enter the Michigan State Police. He is the first Iosco resident to enter this important branch of state government.

E. J. Martin has opened a cocktail bar at the Iosco Hotel. A portion of the hotel's lobby has been remodeled and equipped for this purpose. This is the first permit to sell liquor by

the glass granted by the city since pre-prohibition days.

East Tawas post office has had 85 new lock boxes installed, bringing the total number of boxes up to 440.

"How America can stay out of the war," the prize winning essay in the recent Eddie Carter peace contest, will be read by Allan Miller during Armistice Day observances conducted by East Tawas boy scouts.

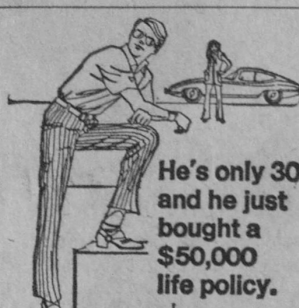

Don Bell of Hale offers a 31-acre farm for sale at \$1,900. The property, located one mile west, one-half mile north and 20 rods west of Hale, is cleared and has good buildings.

Acting under state orders, dairy

inspectors went out into the state this week to condemn all dirty milk and cream found entering creameries. Producers of dirty milk and cream are to be notified that a re-test will be made of all deliveries from their farms and markets will be closed unless quality improvement is shown.

He's only 30 and he just bought a \$50,000 life policy.

Sure, a \$50,000 life policy could cost a lot of money...but it doesn't when it's "altogether!" When we say "altogether" we mean Perma-Term—permanent and term insurance combined to avoid those big premiums, but still deliver the big protection young family men need. It means you could have a \$50,000 policy which lets you build up a retirement income at the same time! Yes, Perma-Term's easier on the budget, but please remember that costs go up as you grow older. So give us a call now—before another birthday gets past you altogether!

Retired Sergeant Died Oct. 25

A retired technical sergeant in the United States Air Force, Wilba G. Brown of Rapid City, South Dakota, 44, passed away Wednesday, October 25, at Ellsworth Air Force Base Hospital, Rapid City. Funeral services were conducted Monday, October 30, at Ellsworth Chapel No. 2, with burial in Black Hills National Cemetery.

Brown was born July 22, 1928, in Tennessee. He married the former Hazel Moran August 1, 1953, in Ta-

was City. He was stationed at Wurtsmith Air Force Base, Oscoda, from 1952 to 1957, before being transferred to Ellsworth after a tour of duty in Turkey. He also served in the Philippine Islands and Vietnam before retiring in July 1971.

Surviving besides his wife are a son, Jonathan; three stepdaughters, Mrs. Berthold (Judith) Bell of Titusville, Florida; Mrs. Lola Shambach of Rapid City, and Mrs. John Green of Montgomery, Alabama; five grandchildren; his parents, Mr. and Mrs. Roscoe Brown of Helenwood, Tennessee; three brothers, and a sister.

RICHARD E. BONINO is shown at left with his certificate as one of only 14 Michigan high school students who were cited as among the outstanding students of English in the country. Shown with him are Mrs. Ellen Evans, second from left, head of Tawas Area High School's English department, along with Mrs. Barbara Ericksen and E. Paul Young, English teachers.—Herald Photo.

Richard E. Bonino Receives English Scholastic Award

Richard E. Bonino of Tawas Area High School has been cited as one of the outstanding high school students of English in the country. The National Council of Teachers of English has named him a 1972 winner in its annual achievement awards competition.

Last spring, the English department of the high school nominated Bonino to represent Tawas Area High School in the competition. The school was allotted one entry from the junior class for every 500 students in the total school enrollment, according to Mrs. Ellen Evans, the English department chairman.

After nomination, each student submitted samples of his best writing, including an autobiographical sketch, and wrote a one-hour impromptu essay. These materials were evaluated by state judging team of highly-qualified college and high school English teachers directed by state coordinators.

The nation's schools participating in the program nominated approximately 7,200 juniors for the NCTE citations. Of that number, only about 370 finalists were chosen. They rep-

resent schools from 50 states, the District of Columbia and American preparatory schools abroad.

According to Mrs. Evans, Bonino was one of only 14 winners in Michigan.

In announcing the winners, Robert F. Hogan, executive secretary of the National Council of Teachers of English, said that the council recommends these students, now seniors, for college scholarships in 1973, should they need such assistance. The names of these students are sent to admissions officers and Eng-

lish department chairman at junior colleges, colleges and universities.

The NCTE sends to all winners and runners-up certificates of recognition and also honors their high school English departments with certificates of merit, reports John Alexander, principal.

Mrs. Evans, E. Paul Young and Mrs. Barbara Ericksen have been Richard's English instructors at Tawas Area High School.

His parents are Mr. and Mrs. Eugene Bonino of 317 Church Street, East Tawas.

Family Living Education

By HELEN MEACH
Extension Home Economist

There is more than one way to stretch your food dollars. Have you ever thought of dividing your food dollar four ways—budgeting with emphasis on the basic four group, milk, meat, vegetables and fruits, bread and cereals? Some family food managers do it this way.

The share of each food dollar that families across the country spend for major food groups is milk, cheese, ice cream, 13 cents; meat, poultry, fish, eggs, legumes, 40 cents; vegetables and fruit, 20 cents; cereals, bakery products, 13 cents, and all other foods, 14 cents.

If these families wanted to change their habits and lower the costs of their diets, they would spend a large share of each dollar for milk and milk products, vegetables and fruit, then cereals and bakery products.

If these families followed the USDA low-cost food plan for a good diet they would spend their dollars this way: Milk group, 18 cents; meat group, 30 cents; vegetables and fruit group, 25 cents; cereals and bakery products, 16 cents, and all other foods, 11 cents.

Other foods refer to fats, oils, sugar, sweets, coffee, tea and soft drinks, which take too large a share of the average families' food budget for a good diet pattern.

"Making the Most of Your Meal Money" is the title of an extension bulletin which offers help for homemakers. Write or call your county extension office to request this free publication.

WE SHARPEN "CHAINS" ONE-DAY SERVICE

Susan Weily's Gas range knows when to lower the heat.

Even if Susan forgets.

Susan's been married only a few months, but thanks to the modern features on her new Gas range, every meal has been a success. The Burner-with-a-Brain gives her precisely controlled temperatures . . . eliminating the worry of boil-overs and scorched food. And since the Burner-with-a-Brain knows when to adjust itself, Susan saves Gas and money, too.

Susan's Gas range also has a handy "Keep-Warm" oven. It keeps food at just the right temperature—without overcooking—so it's great for entertaining. And Susan's oven even cleans itself while it cooks.

So, if you're thinking of replacing your present range, visit your Gas appliance dealer or a Michigan Consolidated Gas Company showroom and see the new, efficient Gas ranges that operate for only one-third the cost of electric stoves. But, whether you're replacing your range or not, here are some tips to help you save fuel:

1. Cover saucepans for faster cooking.
2. Use the Burner-with-a-Brain as often as possible.
3. Preheat oven only as long as indicated in instruction booklet.
4. Use the lowest heat required for the job.

PUBLIC NOTICE

To the Owner or Owners of any and all interests in or Liens upon the Lands herein described:

TAKE NOTICE: that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within six months after return of service of this notice, upon payment to the undersigned or to the Register in Chancery of the County in which the lands lie of all sums paid upon such purchase, together with fifty per centum additional thereto, and the fees of the Sheriff for the service or cost of publication of this notice, which fee shall be the same as provided by law for service of subpoenas or for orders of publication or the cost of such service by registered mail, and the further sum of five dollars for each description, without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with ten per centum additional thereto. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

DESCRIPTION OF LAND

State of Michigan, County of Iosco
That part of NE 1/4 of NE 1/4 lying NE of Loud Drive except SW 250 feet and except North 200 feet, Oscoda Township.
Sec. 17 Town 24, Range 9E
Amount paid \$8.33
Tax for year 1968
Amount necessary to redeem \$17.80 plus the fees of the Sheriff.

Lloyd D. Cooper
608 Main Street
East Tawas, Mich.

To Owner or Owners Unknown, last grantee in the regular chain of such lands, or of any interest therein, as appearing by the records in the office of the Register of Deeds of said County, at the date of the delivery of this notice to the Sheriff for service.

STATE OF MICHIGAN
Probate Court for the County of Iosco

I Do Hereby Certify and Return, that the within notice was delivered to me for service on the 17th day of October 1972, and that after careful inquiry, which has been continued from that time until this date, I am unable to ascertain the whereabouts or postoffice address of owner or owners unknown at the said date of the said delivery of such notice to me for service.

Wilber News

Mr. and Mrs. Bertram Harris returned home Wednesday after spending a few days visiting their sons in Flint and Grand Blanc.

Miss Janet Alverson enjoyed the week-end in Saginaw visiting Miss Ellen Connelly.

A Halloween party at the church for the Sunday school children was sponsored by Mrs. Leona Alverson Saturday afternoon. Games were played and lunch was served.

Mr. and Mrs. George Hyzer of Flint visited Mrs. Cleona Hyzer last week-end.

The Dwight Perkins family of Kawkawlin spent last week-end at the Francis Dorey home.

Thomas Harris Jr. of Grand Blanc spent the week-end at his home on Esmond Road.

Mr. and Mrs. David Olson of Clinton recently visited Mrs. Ruth Fuhrman at Harrisville and other relatives.

The Richard Palmer family of Detroit enjoyed a few days at their home here on West Curtis Road.

Friends of Mrs. Ruth Fuhrman were sorry to hear she was taken to Tawas Hospital Friday. Get-well wishes are sent.

Annual harvest pot-luck supper is scheduled for Saturday, November 18, 6:00 p. m., at the Wilber United Methodist Church.

Lunch Menus at TA Schools

Menus to be served at Tawas Area High School during the week of November 13-17 are as follows:

Monday—Hot dog, lettuce salad, peaches, cookies, one-half pint milk.

Tuesday—Goulash, pears, buttered peas, chocolate cake, bread, butter, one-half pint milk.

Wednesday—First day of deer season, no school.

Thursday — Thanksgiving dinner, turkey with dressing, mashed potatoes with gravy, cranberries, string beans, apricots, spice cake, bread and butter, one-half pint milk.

Friday—Macaroni and cheese, buttered corn, fruit cup, bread and butter, one-half pint milk.

Introducing—
TRESemme
Salon Wave

INTRODUCING A NEW DIMENSION IN HAIR CARE — TRESemme SALON WAVE WITH DNA.

DNA (Deoxyribonucleic Acid) a genetic molecule essential to all living matter and the cellular key to the manufacture of all natural protein. DNA occurs in the cells of all living things in combination with nucleo-proteins. TRESemme Salon Wave with DNA helps hair come alive as it provides a long lasting, natural wave because while hair is being restructured it actually incorporates the DNA. Gives hair better combability, greater resiliency, superior body, and a magnificent sheen.

Available in three formulas — Regular, Tinted and Bleached.

Regular Price \$20.00
Our Introductory Price \$15.00
