

JACK FROST was busy with his brush and paint pot and fall colors were at their peak in this region over the week-end. Hardwood trees, with leaves of red and yellow, were particularly beautiful along the AuSable River and the East Branch of the AuGres River, where this picture was snapped Saturday afternoon. But cold winds this week only serve as a reminder of what is in store for the area, when leaves have fallen and winter arrives.—Tawas Herald Photo.

touchdown. Emery scored the second | week was Jeff Blust. Joe Bell was a slight scare in the opening minutes The score was all Hale after that touchdown, both coming in the first selected as the top defensive player. The Eagles travel to Atlanta Satur-

> barger scored on an eight-yard slant

After intermission, Emery came back with a 57-yard gallop which was good for a touchdown and Shellenbarger scored the two-point conversion

The final touchdown came on a pass from Shellenbarger to Quarterback Jeff Miller. Ron Leaman ran the two-point PAT.

Posen scored its final touchdown in the last minutes of the game. Attempting to kick another field goal, a high pass from center resulted in the kicker scrambling for the endzone. He fumbled the ball but it was covered by Posen for the score.

The Eagles, still smarting from their loss to Alcona a week ago, racked up 266 yards on the ground and 128 yards by passing. Emery totaled 148 yards in eight carries. Named as offensive lineman of the

# **Fire Hydrant Flushing Notice**

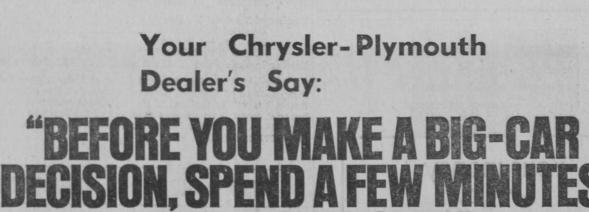

The Tawas City Fire Department will flush Fire Hydrants on the following Schedule:

OCTOBER 17, 1972, at 6:30 P. M., All Hydrants South of Whittemore Street.

This necessary flushing may cause temporary colored water which should clear itself within a few hours.

### **Tawas City Fire Department**

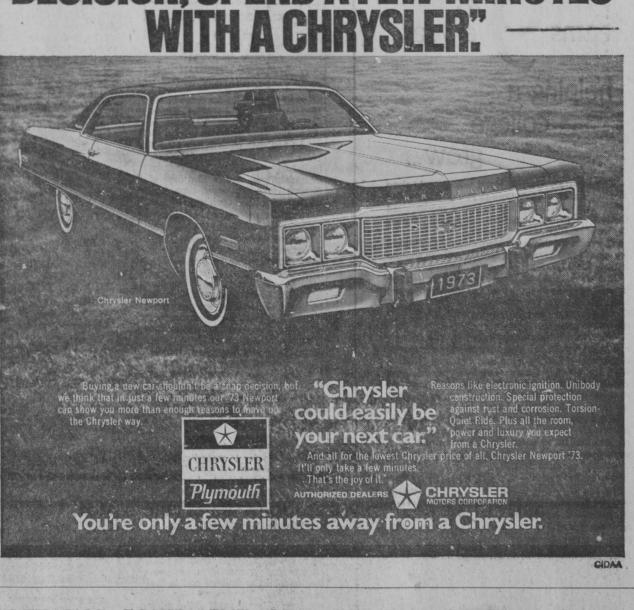

Main roads in Iosco to be plowed with county funds include Meadow Road, Whittemore Road, Prescott Road, Keystone Road, Mill Station Road, Wilson Creek Road, National City Road, Britt Road, Sand Lake Road, Long Lake Road, Esmond Road, Monument Road, part of River Road, five miles of Wilber Road, Plank Road, parts of Towerline and Tawas Point Roads. All other roads that are plowed are to be taken care of with township funds and plowing will continue only so long as the township funds last.

#### 35 Years Ago-

October 8, 1937-The Iosco County State Bank of Tawas City, closed at the time of the "bank holiday," will make its final payment to depositors and creditors Monday. During the period of unrest prior to the closing. there had been a gradual withdraw al of accounts from the bank. When the banks were closed, depositors claims in it amounted to about \$69. 000. After the receivership was set up, these were regularly reduced until now, when the final payment will be made next week. The Peoples State Bank at East Tawas is one of the few banking institutions closed by the banking holiday that has paid out 100 percent without government aid, indicating that the bank was in excellent condition at the time of the closing. \* \*

Declaring that he preferred to work at a newly-acquired job rather than accept an old age pension, John Samuelson of this county said that

# grow...

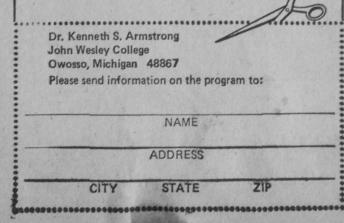

The five-story Owosso Hotel was recently given to John Wesley-Owosso College as a gift. Free and clear. We are converting it into a modest-sized Conference Center much like the popular Kellogg Center at Michigan State University.

Our costs for this conversion, including refurbishing, the 43,000 square foot facility, will run approximately \$300,000.00.

We are raising the money for this project by borrowing funds directly from our many supporters and friends who are interested in John Wesley-Owosso College - and in receiving a full 9% per year on their money.

Your investment is guaranteed by the College, and interest payments and note redemptions will be made from a Sinking Fund into which all revenues from the building are currently being placed. You will be issued a short-term note, (90 days on demand} but you may leave your money invested for longer periods if you wish.

It's a good investment and a worthwhile cause. Interested? Fill out the coupon and we'll forward all information to you immediately on how your money can go to college and earn 9% a year at one and the same time.

life policy. Sure, a \$50,000 life policy could cost a lot of money...but it doesn't when it's "altogether" When we say "altogether" we mean Perma-Term—permanent and term insurance combined to avoid those big premiums, but still deliver the big protection young family men need. It means you could have a \$50,000 policy which lets you build up a retire-ment income at the same time! Yes, Perma-Term's easier on the budget, but please remember that costs go up as you grow older. So give us a call now-before another birthday gets past you altogether!
