

Perchville USA Slated for Week-End

TAWAS CHAMBER of Commerce officials would be happy to see perch "jumping" out of fishing holes in the ice of Tawas Bay this week-end, as shown above, but they will be satisfied if the perch show just a little cooperation for visitors.—Tawas Herald Photo.

Because of the recent breakup of ice around the Michigan Waterways Commission Dock at East Tawas, the 1973 Perchville USA program is to be held at the site of the ice fishing village in the bight of Tawas Bay near Jerry's Marina.

Now in its 23rd year, the Perchville USA program is to be held this week-end, February 16-18.

William Western and his program committee are in hopes that changing the location of the festival will not have an adverse effect on the number of persons attending the annual affair. "This area has experienced one of the most unusual winters in recent history," said Western. "Off shore winds have been out of just the right quarter to prevent formation of a good ice shelf near the waterways commission dock. There was just no alternative to moving the location of the festival."

During past years, the ice fishing village in the bight of Tawas Bay has been the scene of festivals, but the move was made to the waterways commission dock several years ago because of its convenient location and parking facilities.

The festival opens Friday, February 16, with the stag fish fry at Lacey's Restaurant, 6:30 p. m. Crowning of Charles Manos, Detroit newsmen, will be Gene Riley of WJEM Television, Bay City, last year's perch king.

Saturday's program begins with the Cystic Fibrosis "Run for Life" snowmobile safari at 9:00 a. m. Contestants will leave Perchville on a 50-mile round trip from Tawas to Greenbush.

This is the first 50-mile snowmobile club run through area snowmobile clubs to benefit the Greater Michigan Chapter of the National

Cystic Fibrosis Research Foundation.

Advance sponsorship is necessary to participate in the run, with sponsors contributing a minimum of 20 cents per mile with all the money to go to CF. That agency will use the money to research the hereditary, terminal lung disease of childhood.

Because of the nature of the run for life, safari organizers are hoping for sponsorship contributions of 50 cents or more per mile for as many as 1,000 snowmobiles expected to participate in the event.

Official CFP patches are to be awarded to all participants and a traveling two-foot-tall trophy (the CF World Snowmobile Cup) will be awarded to the club which brings in the most total sponsorship money.

Trophies are to be awarded to second and third place clubs, along

with individual trophies to drivers with most total sponsorship money.

Perchville USA Festival officials extend a welcome to all local residents and visitors to be on hand for the start of the safari at 11:00 a. m. Registration begins at 9:00 a. m.

Other activities Saturday include the Perchville parade starting at 10:00 a. m. The parade starts on Mathews Street, Tawas City, and ends at the waterways commission dock.

Other activities Saturday morning include a flag raising, 10:30 o'clock, at the waterways commission building, by area boy scouts. There will be a skydiving exhibition featuring local jumpers at 10:45 o'clock.

Snowmobile activities start at noon with family fun games, poker runs and prizes. There will be a polar bear swim at 2:00 p. m., with crownings of the 1973 polar bear king.

There will be a variety of children's activities during the afternoon and conclusion of the "run for life" safari is scheduled at 4:00 p. m.

The annual Perchville banquet and queen's coronation will be held starting at 6:30 p. m. at Tawas Golf and Country Club. The 1973 queen is to be selected from girls on the ice during Saturday afternoon's activities.

The program Sunday opens with a skydiving exhibition at 1:00 p. m. Rick Carter, jump instructor, will attempt to land in the "polar bear hole."

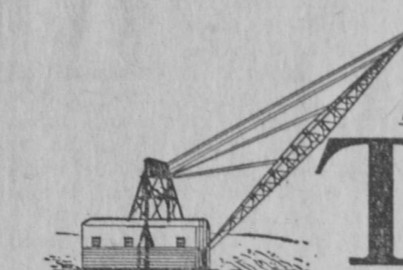

A polar bear swim is scheduled at 1:30 p. m., followed by a demolition derby at 2:30 p. m.

Drawing for the grand prize, a trip to Nassau, Bahama Islands, will be held at 4:00 p. m. The seven-day trip includes air fare and accommodations for two persons.

Activities on both Saturday and Sunday include helicopter rides, game booths and snowmobile rides. There will be plenty of food and fun for all on the ice.

Join the Parade

Any organization or individual interested in participating in the annual Perchville USA parade is welcome to do so. The parade will be held Saturday, February 17, 10:00 a. m., from Mathews Street, Tawas City, to the Michigan Waterways Commission Dock, East Tawas. Prizes totaling \$75 will be given. The parade will feature last year's festival king and queen, as well as the 1973 king and queen.

Members Want More Information

Board Delays Hiring School Architect

Awaiting further data concerning selection of an architect, Tawas Area Board of Education has temporarily tabled action before making a final decision on a proposal to ask approval for issuance of general obligation bonds to finance construction of a new high school.

Members said Monday night that they felt that additional information was needed before selection of an architect could be made from a list presently narrowed to 12 Michigan firms. It is expected that a final selection will be made at the February 26 meeting.

A week ago, the board of education announced that it would propose construction of a new high school as a means to resolve present overcrowding and educational problems of the district. This decision followed a review of findings from a three-month study of educational problems by a citizens' advisory committee.

At Monday night's meeting, Trustee Leonard Sarki stated that he had not attended special meetings of the board of education on February 3 and 5. He said he was not in a position to say if he favored construction of a new high school and that he was unable to answer questions of citizens concerning the proposal.

The board of education directed Supt. Edward J. Barry to meet with interested citizens in order to present information concerning reasons for the majority of the board for proposing construction of a new high school.

It was stressed at Monday night's meeting that the seven citizens' advisory committees had not made any recommendations concerning construction of a new high school or other possible ways to solve problems

of the district. Responsibility for making such a decision rests with the board of education. However, in reviewing committee reports, the board noted that the underlying question of all committees touched on the present inadequate facilities of the school district.

Board members said that, following last week's announcement, all had received numerous phone calls from citizens who had questions. Mrs. Joan Schreck, trustee, said that a number of persons apparently were concerned over the status of elementary buildings in the proposed building program. She said it was apparent that citizens calling her did not understand that necessary maintenance work and remodeling on the two elementary buildings would be included in the final proposal. It was indicated by the board of education that such work on elementary buildings is to be included in the proposal.

Last week, the board of education determined that construction of a new high school, along with converting the present high school building into an intermediate school for grades five through eight, would be the proper step to answer the district's problems.

The board deemed that remodeling the present junior and senior high school building, in use for the past 16 years, would not be feasible for a number of reasons. Science laboratories designed more than 15 years ago for classes then numbering 12 to 15 students were too small to meet today's larger classes; quarters for foreign languages, library, physical education, industrial arts and band were all too small.

The new building to meet school as well as community needs.

Apparently backing up the board's

thinking is the February 2 report of

accreditation evaluation from the

University of Michigan Bureau of

School Services. Included among the

five violations of the 12 accreditation

standards was one which stated that

the present facility has a capacity,

using state department of education

(See SCHOOL, page 3.)

Gas Company's

New Center Nears Completion

James C. Preston, general manager of Michigan Consolidated Gas Company's Northern and Upper Peninsula Districts, announces that the new Tawas area office and service center which has been under construction for the past several months is nearing completion.

James J. LaFaye, Tawas area manager, said: "We expect to move into our new facility late in February. The new combination area office and service center will enable us to serve our Tawas area customers from one location as well as provide the additional space required for material storage."

The new facility is located on US-23, approximately 1.5 miles north of East Tawas.

Michigan Consolidated Gas Company will invest a record 92 million dollars in 1973 to improve its gas distribution system and provide additional gas supplies for its nearly one million customers in 439 communities throughout Michigan.

Hugh C. Daly, president of the utility, said nearly 50 million dollars of the record construction budget will be spent to further develop underground storage fields and construct pipeline facilities to deliver new gas supplies from Northern Michigan.

Michigan Consolidated will spend another 36 million dollars for construction of new gas distribution facilities, including replacement of older gas mains and customer serv-

ice lines. About six million dollars will go for general plant improvements, transportation and mobile equipment.

Daly said the 1973 budget, which exceeds the previous record of 66 million dollars set in 1972, is re-

quired to ensure adequate gas supplies to the company's residential and commercial customers and for essential industrial uses. It also reflects higher costs of labor, materials and equipment, he added, and equals the combined construction costs of 1970 and 1971.

Council Approves Two Patrolmen

At a special meeting Wednesday night, Tawas City Council authorized the hiring of two new patrolmen to

be incorporated into the operation of the Iosco Sheriff's Department.

The two patrolmen, along with the city's patrol car, would be coordinated through headquarters of the sheriff's department at the county jail. The two officers would serve not only Tawas City, but would patrol throughout the Tawas area.

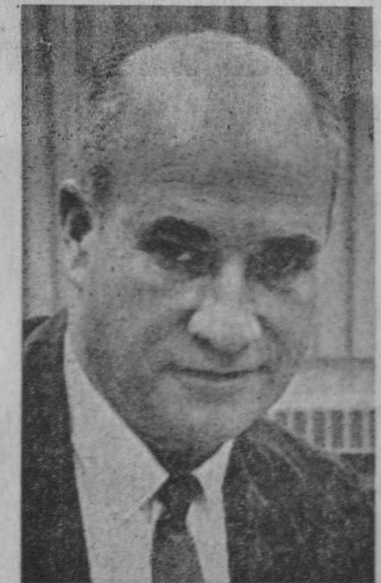

Meeting with the council to work out tentative arrangements was Sheriff George Westcott.

Hiring of the two patrolmen along with providing the patrol car would cost the city in the neighborhood of \$18,000 to \$20,000 annually, which represents the approximate cost of the city police budget at the present time.

Further talks with the county board of commissioners are to be held in regard to operation of a county-wide police department by the sheriff's department.

School representatives, as well as officials from townships and cities, are to meet with the commission at its February 21 meeting to discuss formation of a county public safety committee.

Coordination of police activities through the sheriff's department has been under consideration here for several weeks. Such a move has been of particular interest to the Tawas City Council, since resignation of the city's acting police chief in early December. Since then, the city has received only night patrol work through part time policemen.

Death Takes Henry Oates, Tax Director

Henry B. Oates, 59, Iosco County's tax equalization director since 1966, died of a heart attack Saturday, February 10, at his home in Alabaster Township. He had sustained several heart attacks in recent years, the most recent in October 1972.

Funeral services were conducted Tuesday afternoon, February 13, from E. D. Jacques and Son Funeral Home, Tawas City. The Rev. Kenneth Tousey officiated and burial was in Whitney-Sims Cemetery, AuGres.

Oates had been associated with county government for many years, having served as Alabaster Township supervisor from 1955 until his appointment as county tax equalization director in November 1966. He was a former chairman of the Iosco Democratic Committee and made one unsuccessful bid for state representative on the democratic ticket.

An area building contractor for a number of years, Oates was the most logical choice of supervisors when tapped for the office of county equalization director. He was considered the most qualified property tax appraiser as a supervisor, served as county finance chairman and served a term as board chairman. He was president of the Tawas Community Federal Credit Union.

Oates was born July 7, 1913, in Whitney Township. He was married in 1936 to C. Irene Pendred, who survives him.

Other survivors include his mother, Mrs. Effie Oates, AuGres; four brothers, Herbert F., Robert A. and Clarence E. of Tawas City and Frederick W. of Rochester; two sisters, Mrs. Lillian O'Brien of Sterling, Florida, and Mrs. Rhea Jennings of AuGres.

RECEIVING first division awards in the district solo and ensemble festival are the above members of Tawas Area Band. Seated from left are Betsy Lamb, Mary Beth Sullivan, Debbie Roach, Judy Dubovsky, Janet Phelps, Lynn Krebs, Robbie Miller and Mizzi Schaaf. Standing from left are Patti Sheehan, Barbara Hewitt,

Mary Thornton, Michele Barc, Jackie McKinney, Vicki Phelps, Donna Harsch, Rick Lemon, Edward Goodman and Kevin Luedtke. Missing from the picture is Beth Hackborn.—Tawas Herald Photo.

TA Bandsmen Receive 14 'T' Ratings

Twenty-two Tawas Area School Band members, with 18 entries, received 14 first division and four second division ratings in the District IX Michigan School Band and Orchestra Association solo and ensemble festival held Saturday at Ogemaw Heights High School.

This festival provides an individual student with the opportunity to prepare a musical work to a high level of achievement. Performances are rated one to five by an experienced adjudicator.

Adjudicators at Saturday's festival were Howard Hornung, Ludington; Donald Flickinger, Big Rapids; David Merkel, Bad Axe; Stanley Bauman, Elkton, Bay Port and Pigeon area.

Students from Arenac Eastern, Atlanta, AuGres-Sims, Beaverton, Clare, Farwell, Gerrish-Higgins, Gladwin, Hale, Harrison, Oscoda, Standish, Sterling, Whittemore-Prescott and Tawas Area participated in the festival.

Those receiving a first division rating are entitled to participate in the state solo and ensemble festival March 24 at Gaylord.

Students from Arenac Eastern, Atlanta, AuGres-Sims, Beaverton, Clare, Farwell, Gerrish-Higgins, Gladwin, Hale, Harrison, Oscoda, Standish, Sterling, Whittemore-Prescott and Tawas Area participated in the festival.

Those receiving a first division rating are entitled to participate in the state solo and ensemble festival March 24 at Gaylord.

Joint Water Board Adopts Resolutions

Two resolutions requested by the Tawas City Council were adopted Monday night by the joint water board of East Tawas-Tawas City.

One resolution recommends to the councils of both communities that a 12-inch water main and meter be installed at the joint city limit in 1973.

The second resolution amends the water agreement to state that "all water furnished shall be measured by a six-inch compound meter and a 12-inch meter, to be installed in meter pits at the city limit common to both parties on US-23 and at West-over-Cedar Streets and each party shall extend its water mains to reach said meter installations."

The councils and their respective engineering consultants are investigating the feasibility of constructing a 12-inch water main to connect Tawas City with the East Tawas water filtration plant and if storage facilities should be a controlling factor. At present, a six-inch main connects the communities.

Gordon Huck was re-elected board chairman and Del Myles was named secretary. Other members include Joseph Hennig, Paul Robert, Carl Schaaf and James Dillon.

School Receives U of M Report; Status Unclear

Administrators of Tawas Area School have been unable to determine from a report February 2 if the school has been accredited by the University of Michigan Bureau of School Services.

The school was not accredited last year and, according to the new report, five violations of the 12 accreditation standards cited in the report for the 1970-71 school year still existed substantially at the time of the 1971-72 and 1972-73 accreditation visits.

"Recognizing that some relief has been provided by the portable classrooms, the total facility is almost unbelievably overcrowded and made more complex by trying to serve grades seven through 12, factors which seriously limit the needed instructional program for Tawas Area secondary school youth," stated the report.

The report stated that while some improvements have occurred during "these two years under the policy of make do, the basic problem is the failure of the community to financially support a greatly needed school building and the consequent improved instructional program."

Stated the report: "Certainly, a very great amount of commendation and respect is expressed to the total high school staff for the dedication and persistence in their efforts to try to provide improved education for the Tawas secondary school youth in view of the difficulties and discouragements of the present make do public policy."

Standards violated included: School and community, low level of operational millage support and below the state average; curriculum, lack of vocal music and cooperative education; library, facilities and number of books too small for the number of students; guidance and testing, one counselor for 533 students rather than a ratio of one to 300; school plant, the present facility has an optimum capacity of 650 students, but enrollment was 1,067 in 1970-71, 1,109 in 1971-72 and 1,123 in 1972-73.

This action was taken Monday night by the board of education. A request for the decision had been made by the intermediate school district concerning next year's program.

The shared time program is in its first year of operation. Supt. Edward J. Barry said that a number of problems had resulted, principally in transportation, but he felt it was necessary to continue participation as the cooperative program was the first

(See BOARD, page 3.)

Caldwell - Engle Marriage Vows Repeated Feb. 10

Azalea plants formed a floral background in Tawas United Methodist Church, East Parish, for the marriage Saturday, February 10, of Louise Ann Engle and Sgt. David James Caldwell of Wurtsmith Air Force Base.

The Rev. Kenneth L. Tausley performed the 7 o'clock double ring service. Mrs. Alden Phelps was the organist.

The bride is the daughter of Mrs. Beverly J. Engle of Tawas City. Mr. and Mrs. James Caldwell of Columbus, Ohio, are parents of the bridegroom.

The former Miss Engle chose a floor-length gown with floral lace overlay, Empire waistline, long lace sleeves and pale blue panel accenting the front of her gown. A double tiered, shoulder-length veil was secured to a cluster of daisies and accented with scattered pearls. She carried a cascade of white carnations and pale blue hydrangeas.

Helen Bird of Tawas City, maid of honor, was attired in a floor-length gown of yellow satin with floral lace overlay, Empire waistline accented in daisies and short balloon sleeves. Barbara Engle, sister of the bride, was bridesmaid in a yellow tulle gown with an overlay of nylon netting, full-length skirt, Asiane waist and lantern sleeves, accented with daisy appliques. The attendants' bouquets were made up of yellow fuchsia chrysanthemums and white hydrangeas.

Eldridge Reese of Atlanta, Georgia, acted as best man with Dale Tilley of Detroit, groomsmen. Both are currently serving at Wurtsmith. John Bailey of Grand Haven and Joseph Bailey of Hastings, twin uncles of the bride, seated the guests.

The home of the bride's mother was decorated in yellow and white for a luncheon following the ceremony, attended by relatives and friends from Hastings, Grand Haven and Columbus, Ohio.

Mrs. Engle selected a fuchsia dress with silver accessories for her daughter's wedding. A blue dress with matching accessories was Mrs. Caldwell's choice.

The newlyweds are residing at 402 1/2 Lake Street, Apartment 4, Tawas City.

Newcomers Issue Invitation to New Members

Ladies who are newcomers to the Tawas area within the last five years are welcome to attend the Tuesday, February 20, 7:30 p. m., meeting of Tawas Area Newcomers Club at the Tawas Area High School library.

Those needing transportation or further information may call Diane Oberlies at 362-6223.

Broadfoot-Weible Nuptial Vows Said at East Tawas

Christ Episcopal Church, East Tawas, was the scene of the double ring ceremony Saturday, February 10, uniting in marriage the former Julie P. Weible, daughter of Mr. and Mrs. John H. Weible of Tawas City, and John R. Broadfoot, son of Mr. and Mrs. John Broadfoot of Saginaw.

The Rev. Alfred Saulsbury officiated at the 4 o'clock ceremony, which was followed by a reception at Lixey's Restaurant, East Tawas. Annette DesJardins was organist.

The bride descended the aisle in a white, floor-length gown of maracaine jersey with softly gathered skirt. The Empire bodice was adorned with pearl studded Venice lace, as were the cuffs of her full-length bishop sleeves. Matching lace edged her cathedral-length veil of bridal illusion, which was secured with a pillbox headpiece.

Marilyn Casey of Detroit was maid of honor with Mrs. Raymond Kalosis of Bay City, Robin Reeves of Standish and Mrs. Terry Gould of Saginaw as bridesmaids. All were identically attired in floor-length gowns of red jersey, styled with Empire waistlines, trimmed in white lace, and matching lace cuffs and bibs.

Acting as best man was Ross Matern of Detroit. Groomsmen were Lee Szczesniak of Bay City and John and David Kellogg of Traverse City. Mr. Gould and Brian Woods of Brighton seated the guests.

Approximately 120 guests were present from Detroit, Saginaw, Traverse City and Bay City.

For her daughter's wedding, Mrs. Weible selected a full-length gown of red taffeta with multicolored chiffon overlay. Mrs. Broadfoot chose a floor-length gown of powder blue jersey.

Following a one-week trip to Florida, the newlyweds will reside at 12-705 Dice Road, Freeland.

The new Mrs. Broadfoot attended Saginaw Valley College. Her husband attended Michigan State University, East Lansing, and Saginaw Valley College.

A pre-nuptial shower honoring the bride was hosted by her attendants.

Mr. and Mrs. Arthur Letz are enjoying a vacation at Zephyrhills, Florida.

Mr. and Mrs. J. A. Mack spent the week-end in Flint.

Mrs. Walter Anschutz leaves Thursday for a visit with her son, Arthur Anschutz, and family.

Mrs. Evelyn Charters spent the week-end with her daughter, Mrs. Russell Eaton, and family at Fenton.

Mr. and Mrs. Jack Dougherty of Clarkston attended the Dedrick funeral on Thursday and called on relatives.

Mr. and Mrs. William E. Gibbs left Monday by plane for a week's visit with her parents, the Clyde Montgomerys, in Florida.

Sunday, Howard Mallon and daughter, Barbara, and Ed Taverne, all of Detroit, called on the former's aunt, Mrs. A. G. Mallon. The young people were going to compete in the skating races at Alpena in the afternoon.

Mrs. C. L. Braman attended the funeral of a friend at Center Line over the week-end. She was accompanied by Mr. and Mrs. Edward Sterling and son, David.

Mr. and Mrs. Wallace Leslie of Cappa attended the funeral of the former's cousin, Robert Leslie, last Saturday.

HM2 Laurel (Art) Shotwell; his wife, Dawn, and daughter, Michelle, visited their grandparents, the Arthur Allens, last week. They were enroute to his next military assignment at Williamsburg, Virginia.

Other guests over the week-end at the Allen home were their granddaughter, Diane Healey, and Mr. and Mrs. Myron Smith of Lake City.

Mr. and Mrs. Bryan Wernert and sons, Michael and Joseph, of Saginaw were week-end guests of his parents, Mr. and Mrs. J. E. Wernert. They celebrated Michael's second birthday while here. Sandra Wernert returned to Delta College, University Center, after a two-week stay at her parents' home while recovering from the flu.

Mr. and Mrs. James King of Osceola spent Saturday with his sister, Mrs. Waldo Leslie.

Mr. and Mrs. Donald Jean of Belton, Missouri, are parents of a daughter, born Monday, February 5. Mrs. Jean is the former Susan Dorie.

Mr. and Mrs. Russell Ackerman, Mr. and Mrs. James Feriend of Greenbush and the George Warrens of East Tawas recently attended a three-day square dance safari in Sarnia, Ontario, Canada. Many other Michigan residents were present.

Mr. and Mrs. Fred Pfahl returned home last week-end from Garden City. They spent three weeks there with Mr. and Mrs. Donald Webb, helping to care for Mrs. Webb, who was recovering from surgery.

Mr. and Mrs. Dale Herriman of Belleville were week-end guests of their grandparents, Mr. and Mrs. Fred Pfahl.

The Rev. and Mrs. Grant Lippin and family of Gregory came Sunday to spend some time at the Victor Herriman home.

Mrs. Bernice Herriman left Friday to join Mr. and Mrs. Chester Smith in Flint and leave Tuesday for Florida.

Mr. and Mrs. Dewayne Durant and family of Davison, Faye Durant of Flint enjoyed the week-end with the Alton Durants.

Mr. and Mrs. Francis Huntley of Waterford were Thursday dinner guests at the Alton Durant home.

Friends are glad to hear that Victor Herriman is on the road to recovery.

The Rev. and Mrs. Walter Buck are on the sick list.

East Tawas

Mr. and Mrs. Gary Humphrey and family of Dearborn Heights spent the week-end with his parents, Mr. and Mrs. Stanley Humphrey.

Mr. and Mrs. Merve Arno were in Detroit over the week-end. Mrs. Arno's mother, Mrs. Joanna Krcay, returned home with them to spend a few weeks here.

Mr. and Mrs. Bernard Groulx and children of Mungier visited his mother, Mrs. Marie Groulx, over the week-end.

Aus. Frank Cray has returned home after spending the past four months with her daughter and husband, Col. and Mrs. Henry Moritz, and children at San Antonio, Texas.

Here to visit their mother, Paula Amerson, over the week-end were Sapeen Amerson of Grand Rapids and Dick Amerson of Traverse City and their wives. They also visited their grandmother, Mrs. Doris Hunt, at the Josco Meuca Care Facility.

David Kintzinger of Plymouth visited at the Hauser Damron home over the week-end.

Mr. and Mrs. Victor Johnson hosted a birthday party honoring their son, Steven, who was nine years old February 6. Six boys gathered at their home after school to enjoy games, followed by birthday cake and ice cream.

Miss Eve Burcar of St. Helen spent the week-end with her grandparents, Mr. and Mrs. Henry J. Hauser.

Miss Donna Harwood celebrated her 18th birthday Sunday with a family dinner at home. Miss Ruth Alstrom of Bay City and Mr. and Mrs. Raymond Cross of Wilber Township joined the family for the event.

Mr. and Mrs. Byron Tricker (nee Rosemary Jarvis) of Pontiac visited her mother, Mrs. Sadie Jarvis, one day last week.

A family dinner at the home of Mr. and Mrs. Joseph Fernet Sunday honored their granddaughter, Karrie Wats, on her fourth birthday. Besides the family, Mrs. Clea Rutherford and son, Roger, were present. The group enjoyed snowmobiling at "Deerie," the Fernet hunting camp in Baldwin Township, in the afternoon.

Mr. and Mrs. Stanley Misener and daughter, Mrs. Linda Tree, visited the Paul Roach family at Holly over the week-end and attended the baptism of Sherri Ann Roach Sunday.

Mr. and Mrs. Donald Miner enjoyed sightseeing in the Marquette and Ishpeming area over the week-end.

Mrs. Florence Dingman has returned from Flint where she spent last week with her sister, Mrs. Ethel Boyles.

Candice VanSumeren, who attends Alpena Community College, was home for the week-end.

Robert Armstrong was a business visitor in Cleveland, Ohio, the latter part of the week. Mrs. Armstrong and sons, Chad and T. J., visited friends and relatives in Bay City during his absence.

Mr. and Mrs. Lyle Wyman have returned from a few days' visit in the Upper Peninsula with their daughter, Rhonda, a student at Northern Michigan University, Marquette. They viewed the snow statues at Michigan Technological University, Houghton.

Engaged

Mr. and Mrs. Ronald Green of East Tawas announce the engagement of their daughter, Roxann, to Charles Bolen, son of Mr. and Mrs. John T. Bolen Jr., also of East Tawas.

The couple is planning an April 14 wedding.

TAWBA to Present Trophies

Trophies and prizes will be awarded at a pot-luck dinner Saturday, February 24, at Tawas United Methodist Church, West Parish, memorial hall, to winners in the recent Tawas Area Women's Bowling Association's annual city tournament.

Winner of the team event was Tawas Bay Glass with a score of 3144. Doubles winners were Ann Pawloski and Peggy Crowley with a 1270 score, followed by Gloria Petri, singles winner, with a score of 656. All events with handicap was won by Mrs. Pawloski, 1954, and Kathie Sheehan took the all events actual with a 1654 score.

Plan Open House Event for Sand Lake Couple

Mr. and Mrs. George A. Wilhelm of Sand Lake will be honored on their 50th wedding anniversary Sunday, February 18. Open house is to be held at the home of their granddaughter, Mrs. Arthur Anderson, 70-56 Trinklein, Saginaw.

The Wilhelms have one daughter, Mrs. C. W. Michaels of Whittemore, and two great grandchildren.

The Wilhelms were married February 15, 1923, at Greeley, Colorado. Prior to moving to Sand Lake in 1964, he had been engaged in a service garage at Saginaw. Before going

into business for himself in 1958, he had been employed by E. F. Wieneke Ford at Saginaw for 23 years.

OES to Meet

Tawas City Chapter No. 303, Order of the Eastern Star, will meet Tuesday, February 20, 8:00 p. m., at the Masonic Temple, Tawas City.

Members of the refreshment committee are Mr. and Mrs. Clare Herriman, Anna Schaaf and Helen Ro-back.

Lobby Hours

The lobby of Tawas City post office will be open from 8:00 to 10:00 a. m. and from 5:00 p. m. on Monday, February 19, the observance of Washington's birthday. There will be no rural delivery or window service on that day, but there will be the regular dispatch of mail.

Letter to the Editor

To The Editor:

When I appeared before the East Tawas Council to bring the matter of fluoridation to its attention, I did not mean to usurp the rights of the people when I suggested adopting an ordinance against fluoridation.

I was going on the assumption that this was the will of the people because they turned it down by a large majority on a referendum vote before the present public act was adopted.

Had I not brought the matter up, this would have been another one of those cases where the establishment would have put it over on the people by not keeping them informed.

In your report of the council meeting, I take issue with the wording "the council could add the tooth decay preventative measure to the city's water supply with or without a vote of the people."

The public act states that fluoride will be added to the water. The exceptions are that the council can adopt ordinances forbidding application of fluoride to the water supply or by a vote of the people based on the fact that a citizen shall file the proper petition requiring a referendum vote. The effective date of the act, I believe, is July 1, 1973.

It was suggested that if it is to be decided by the people, it would save money by placing it on a ballot in the coming elections, otherwise the petition could request a special election, I believe.

Edward J. Seifert Jr.

Earl Hester, ET Merchant, Died Feb. 8

The owner of Hester's IGA Market, East Tawas, Earl M. Hester, died Thursday, February 8, at Tolfree Hospital, West Branch. Funeral services were conducted Saturday, February 10, by the Rev. William Graf at Grace Lutheran Church, East Tawas. Burial took place in Veterans Cemetery, East Tawas. Funeral arrangements were handled by the Moffatt-Kobs Funeral Home, East Tawas.

The 56-year-old World War II veteran was born March 6, 1914, in Patricksburg, Indiana. He married the former Nettie Bennett June 25, 1933, in Grand Blanc and formerly operated the Quality Market for a number of years.

Mr. Hester was a former member of the East Tawas City Council, past master of Baldwin Lodge No. 274, Free and Accepted Masons; member of Audie Johnson Post No. 211, American Legion, and a member of the Losco Flying Club.

Surviving besides his wife are three sons, Robert of East Tawas, Donald of Tawas City and William at home; one daughter, Mrs. Norman (Barbara) Klenow of East Tawas; seven grandchildren; a brother, Byron Hester of St. Petersburg, Florida, and a sister, Mrs. Frances Bumbalough of St. Helen.

IN THE SERVICE—

Mark McMurray Completes Basic

Pvt. Mark McMurray of the United States Army, son of Mr. and Mrs. John McMurray of Tawas City, has completed basic training and AIT training as a clerk-typist at Ft. Knox, Kentucky. He has been assigned to a tour of duty in Germany. His address is Pvt. Mark McMurray, US Army Personnel Center, HHD 21st AG Repl. Bn., (WASHAAC) APO New York 09757.

List Independent League Scores

Twining turned in a 56-43 victory over Planagan's Market in Northern Independent Basketball League action Sunday, February 11, at the Whittemore-Prescott High School. AuGres defeated Fuerst Hardware, 72-44, and Ned and Bernie's Bar was victorious over Dickson's with an 83-53 win.

Topical Fluoride Treatment Being Offered Again

Topical applications of fluoride will again be offered to the Hale and Whittemore-Prescott area children this summer according to Mrs. Dolores Grezeszak, chairman of both programs.

The fluoride program, which is supervised by the Michigan Department of Public Health, will be made available to preschoolers, kindergarten, second, fifth and eighth graders and to special cases referred by dentists.

The procedure consists of four visits to the fluoride clinic. The child's teeth are cleaned on the first visit and a fluoride solution is applied directly to the surface of the teeth. The fluoride application only is then repeated during the three succeeding visits. This technique has been shown to reduce tooth decay by about 40 percent, compared with the 60-65 percent reduction obtained with fluoridated water.

In addition to providing protection against cavities, the program offers a valuable dental experience for children with no discomfort. Dental health education by the clinic personnel, including instruction in the proper method of brushing teeth, also is an important part of the program, Mrs. Grezeszak said.

Parents of eligible children may enroll their children now in the program. A small fee is charged to cover the cost of operating the clinic. The clinics will be held in the Hale Area High School and the Whittemore-Prescott Area High School. For more information, contact Mrs. Grezeszak at 756-3227 after 4:00 p. m. any day or on week-ends.

School Board

(Continued from page 1.)

formula for optimum capacity, of 650 students. The enrollment for grades seven through 12 during 1972-1973 is 1,123 students.

There have been many new concepts in education since the present high school was designed. The proposed new building would be designed to offer flexibility in the future to meet enrollment needs as well as changing educational needs. Converting the present high school into a middle school would offer much-needed space for vocational training, home economics, commercial, physical education and other courses for students in grades five through eight who are not now receiving the training because of the lack of facilities.

From 30 to 33 teaching stations would be included in the proposed structure and the estimated cost would range between three and four million dollars.

The board of education Monday night received a presentation from two representatives of Construction Coordinators Corporation. The firm proposes to serve as the board of education's construction manager under a new concept in construction. Through the use of the firm's fast tracking type of construction, it was stated that substantial savings would result to the district. One of the main departures from conventional construction is that the board of education would be its own general contractor.

Earl Colburn Died Feb. 9

(Continued from page 1.)

step toward development of a skill center for the county.

In other business, the board of education rejected a letter requesting binding arbitration on two grievances submitted by Tawas Area Education Association. The board stated that the contract would be enforced and that the grievances would go to advisory arbitration.

First bargaining session on a new contract between Tawas Area School and Tawas Area Education Association for the school term of 1973-1974 was held Tuesday afternoon.

The board of education authorized the Keyette Club to attend the national convention at Boston, Massachusetts, on March 2-5. Fifteen girls will attend the convention with their sponsor.

John Alexander, high school principal, and Robert McDonald, assistant principal, reported on their attendance at the national conference of principals held at Dallas, Texas.

A former East Tawas resident, Earl Colburn, 56, died suddenly at Orlando, Florida, Tuesday, February 6. Funeral services and burial took place at Orlando.

He is survived by his wife, Verna; two sons, Earl and Ronald of East Tawas; a daughter, Mrs. John Appin of Pontiac; six grandchildren; a brother, William of Orlando, and a sister, Mrs. Iola Pieger of Saginaw.

Hale Area News

Hale Golden-Agers will meet Thursday, February 15, 12 o'clock noon, in the American Legion Hall for a pot-luck lunch. All senior citizens and retirees are cordially invited to attend.

Hale Women's Bowling Association will hold its annual city tournament at Hale Creek Lanes on the weekends of February 17-18, 24-25 and March 3-4. All interested bowlers are to contact Frances Slosser, association secretary, or Hale Creek Lanes.

Lauri Springsteen has been chosen from the cosmetology department of Kirtland Community College to compete in hair fashions at the Midwest Beauty Show, Chicago, Illinois, on February 20. One hundred cosmetology students from throughout the United States will enter. Jeri Fredrickson of St. Helen will be Miss Springsteen's model. Mrs. Lloyd Springsteen and Diane Wilson will attend the show.

Mr. and Mrs. James McMurray (nee Gail Scofield) are parents of a son, Michael J., born February 5 in Belgium where Mr. McMurray is stationed in the service. Paternal grandparents are Mr. and Mrs. Elwood McMurray and maternal grandparents are Mr. and Mrs. Wendell Scofield. The new arrival weighed seven pounds, eight ounces.

Howard Gregory accidentally fell at his home Tuesday and was taken to Tawas Hospital for stitches in his scalp. He was released Thursday. Mrs. Delbert Hewitt visited him Wednesday.

Mr. and Mrs. Carl Royster of Inkster visited her mother, Mrs. Phyllis Harvey, and Barbara last week-end. Mrs. Harvey and Barbara were in Alpena on business Thursday.

Mrs. William Lane and Mrs. Phyllis Harvey were in Bay City Tuesday.

Mr. and Mrs. James Slosser and children were at Sault Ste. Marie to attend the snowmobile races Saturday.

The Rev. and Mrs. Robert Lazar have moved to Hillman, where he will assume the parsonate duties at the Pleasant View Free Methodist Church. Mrs. Lazar hosted a family pink and blue shower for her sister, Mrs. Gary (Denise) Denstedt, Friday evening at the latter's home.

Mr. and Mrs. Daniel Thayer were in Alpena Thursday afternoon. Mrs. Thayer attended the monthly meeting of the Northeast Michigan Mental Health Board.

Frank and Francis Goodrow have gone to Florida for the remainder of the winter months.

Mrs. Ethel Crisman visited her daughter's family, the Benjamin Harpers, in Harrison Friday and Saturday.

Sympathy is extended to the family of Arthur Atherton, whose funeral was held Saturday at the Forshee Funeral Home, with the Rev. Raymond Bruce as officiant. Mr. Atherton made his home with his daughter, Lucille, and her husband, Larry Davis, of South Branch until he was recently hospitalized at Tolfree Hospital, West Branch.

A record crowd attended the program presented by the Bassett Family of Essexville Saturday evening at the Hale Free Methodist Church.

Charles Thayer of Flint and the Gordon Thayer family of Swartz Creek were guests of their parents, the Daniel Thayers, over the week-end.

Mrs. Bernard (Tracy) Sewilo came by bus from Eau Claire, Wisconsin, to visit her mother, Mrs. Marion Schrage, for a few days.

Mrs. Anabel Ranger; her daughter, Sandra Ryland, and her daughter returned Saturday from a three-week vacation in Florida. Vernon Ranger stayed with his mother and her husband.

The Fred Caverlys and the Duane Caverlys celebrated their 14th wedding anniversary Saturday.

Public Health Offers Services

In the military-industrial world, there are many highly specialized people, but in Isosco County, the staff of the District Health Department is doing a great job for the public. These public health specialists are located at 1094 South US-23, Tawas City; phone, 362-2701.

The services offered by this department to residents of Isosco County are many and at no fee. If you are physically incapacitated, a nurse will visit you in your own home and help you establish a system of management to insure that you are getting proper care and medications. These nurses are also available to any group, school or individual, for consultation on pre-natal care, infant care and crippled children care. Immunizations, TB tests, hearing tests and vision tests are also given. Information on communicable diseases is available.

This department is responsible for licensing of all food establishments, with periodic inspections, and upon request, will inspect your septic system, well, campground, swimming pool or dump.

If you have any questions, please write to: ARW, 101 Whittemore Street, Tawas City, Michigan 48763.

MESC Opens Oscoda Office

S. Martin Taylor, director of the Michigan Employment Security Commission, announced Wednesday, February 7, the establishment of an emergency temporary office in Oscoda. Taylor said the temporary office is being established for the assistance of unemployed workers who are entitled to unemployment compensation benefits.

About 300 workers are out of work due to a fire at the Rolls Products Division of the Thomson Company, Bay City.

The decision was made to establish the temporary office following a meeting of the Michigan Employment Security officials and Oscoda officials regarding the plight of laid off employees of Rolls Products Division.

The temporary office will be housed in space provided by local officials in the township hall, 100 State Street, corner of River Road and US-23, Oscoda.

The MESC claims office will be open from 8:15 a. m. to 4:30 p. m. on Monday and Tuesday of each week, beginning February 26.

Hale Resident Died Feb. 7

Mrs. Delia Krohn of Hale, 59, a former resident of Romeo, died Wednesday, February 7, at Henry Ford Hospital, Detroit, after a lingering illness. The Rev. J. Douglas Parker officiated at funeral services Saturday, February 10, at the United Methodist Church, Romeo. Burial followed at Lakeville Cemetery, Lakeville. Funeral arrangements were handled by Allen's Funeral Home, Lake Orion.

The former Delia Kammer was born September 23, 1913, in St. Clair County. She was a member of the United Methodist Church, Romeo, and employed in the printing department of National Twist Drill, Rochester.

Surviving are her husband, Roland G.; two daughters, Mrs. Betty Showman of Romeo and Mrs. George (Roberta) Sondergeld of Lake Orion; a son, William J. of Adrian; two sisters, Mrs. Hilda Lomerson of Anker-ville and Mrs. Harold (Eleanor) Beier of St. Clair; three brothers, Allen, Edwin and Robert Kammer, all of Anker-ville.

Three Hurt on Snowmobiles

Three persons were injured in snowmobile accidents over the weekend, according to a report from Michigan State Police.

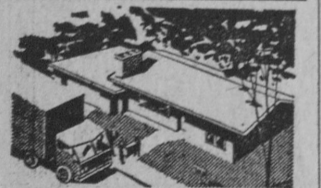

Robert G. Shepherd, 34, Green-bush, was injured Saturday when he lost control of his machine and struck a tree in Oscoda Township. He was treated at Tawas Hospital.

Ronald P. Raymond, 26, Standish, was injured Saturday when his machine rolled over at the Wilber Speedway. He sustained an injured shoulder and was treated at Tawas Hospital.

Leonard B. Wagner, 22, Lincoln Park, was treated at Tawas Hospital Sunday after his machine hit a tree at the Gordon Creek Campground. He injured his left shoulder and hip.

Check B&E

East Tawas Police Department is investigating a breaking and entering early Monday morning at Wojahn Cleaners, 227 Newman Street. The burglar, who entered the building through a skylight, made off with \$15 in change from a cash register.

Before you move in know the facts about insurance

- Fact 1:** Fire insurance alone on home and contents is not enough. Your home could be destroyed by windstorm, explosion or other hazard.
- Fact 2:** Theft coverage of your possessions, at home and away, should be included.
- Fact 3:** A lawsuit judgment against you could cost you everything you own. You need liability insurance.
- Fact 4:** You get all this and more in one Homeowners policy... with one low premium!

TA Braves Defeated Central

STEVE JANEGO of the Tawas Area Braves glides through the air on his way to a two-pointer in Friday night's game against Standish-Sterling Central. The Braves downed the visiting Panthers.—Tawas Herald Photo.

FIGHTING for a rebound in Friday night's game are Larry Nichols (51) and Steve Janego (21) of the Tawas Area Braves.—Tawas Herald Photo.

After a slow start Friday night, Tawas Area Braves rolled to their third straight win in Northern B Conference play by defeating the visiting Standish-Sterling Panthers, 51-40.

The Braves, a team with good talent but a squad whose basketball fortunes have been inconsistent since losing to the Panthers earlier in the season, gained some revenge for that loss.

Both teams were cold to start the game and it did not look as though Tawas was going to be able to make up for its past defeat. The Panthers scored the first basket and then held on to a slim, 10-6, margin at the end of the first quarter.

It was not until three minutes, three seconds were remaining in the second quarter when the Braves tied the game at 15-15. A bucket by Steve Janego with two minutes, 11 seconds, remaining in the quarter put Tawas into a 17-15 lead and one which the Braves held the rest of the way.

Returning to the floor after intermission with a 21-16 margin, the Braves nearly equaled their entire first half scoring effort by scoring 20 points in the third quarter. Leading the way in scoring was Larry Nichols, who scored 11 of his 15 points during the second half.

With a 41-29 lead at the end of the third quarter, Tawas decided it would not let another victory slip out of its grasp in the fourth quarter, as was the case earlier with Standish-Sterling Central. With the commanding lead, the Braves slowed the game with a deliberate passing attack and made Standish-Sterling move its defense out in an attempt to gain possession of the ball.

The Panthers responded by turning in some excellent steals, particularly by Schnetzler, when Tawas passing became a little erratic, but good ball handling by Chuck Saunders and Wayne Etue prevented any serious threat by the Panthers, who began to run into foul trouble.

The Braves were again hampered by fouls with Etue and Larry Nichols sidelined for about a quarter with four fouls each, but foul trouble was not as serious as in the last game when the entire first string sat on the bench to watch as substitutes lost to the Panthers in overtime.

Steve Janego, who demonstrated fantastic body control in making tough shots while being closely guarded, but missed several easy layups when he got the jump on the Panther defenders, topped both teams in scoring with 20 points on eight field goals and four charity tosses. Rosier paced the Panthers with 11 points in what had to be a disappointing, low-scoring night for Standish-Sterling.

Junior Braves Rack Up Another Win in Long Streak

Standish-Sterling Central's Little Panthers played on even terms with the undefeated Tawas Area Junior Braves for three quarters Friday night, but the home team needed only one quarter to wrap up a 77-62 victory.

Tawas Area jumped off to a 15-12 margin in the first quarter and Central's JV kept right on the heels of the Junior Braves in the second quarter when each team scored 17 points. The turning point came in the third quarter when the Junior Braves scored 24 points, while Central was meshing only nine. Central bested Tawas' fourth quarter scoring effort, 24-21, but Tawas substituted freely late in the game.

Mike Mooney topped all scoring with 33 points on 14 field goals and five foul shots. Randy Scales was next on the scoring ladder with 18 points, followed by 13 points for Jeff Hemphill. Aguirre topped a talented Central team with 19 points.

Hale A. Eagles Win; Take Over First Place in NSL as Arenac Eastern Upset

It took eight minutes Friday night for the Hale Area Eagles to realize they were supposed to be playing basketball instead of soccer, but once they stopped kicking the ball the Eagles smothered visiting Posen, 91-49.

Posen used a triangular zone defense against the Eagles to start the game, putting the two free men on Hale Area's two top scorers, Greg Pickett and Jeff Miller. As a result of this defense, Hale was given the option to shoot unmoled from the outside.

Responding to this defensive setup with enthusiasm were Keyno Shellenbarger, Steve Denstedt and Ernie Maas, who meshed 18, 17 and 10 points, respectively, with some easy outside shots.

Posen then switched to a man-to-man defense and were bombed as Miller scored 21 points and Pickett meshed 19.

The Eagles' starting five turned

in 2½ quarters of outstanding basketball before giving way to substitutes in the fourth quarter. Pickett had 23 rebounds during the night to continue his record of pulling in at least 20 rebounds in 14 of the 15 games played this season.

The Eagles were to go against Alcona last night (Tuesday) and were hoping to avenge a defeat earlier this year at the hands of the Tigers. Hale's only other loss of the season came at the hands of Arenac Eastern. When smoke cleared away from Friday night's pairings, Hale Area was again on top of the North Star League as Arenac Eastern was upset by last place Hillman, 58-49. Hillman had a record of one win and 12 losses.

Action this Friday night finds the Eagles playing host to Atlanta. In the meeting earlier this season, the Eagles beat Atlanta by only two points.

Cards Won Pair, Then Lost One

Whittemore-Prescott Cards could boast of a two-game winning streak after a 60-59 squeaker over AuGres February 6, marking the first back-to-back victories for the Cards in many years; then came Saturday and the Cards lost to Saginaw St. Mary, 86-67.

The Card Junior Varsity lost both of its games, 51-45 to AuGres and 64-47 to St. Mary.

The Cards jumped off to a good 20-10 first quarter lead, but AuGres outscored them in the second quarter, 20-12, to cut the lead to two points, 32-30, at intermission. The lead changed hands several times in the third quarter with AuGres holding a two-point margin at the three-quarter mark.

Four Card starters had collected four fouls each midway in the third quarter to put the team in serious

foul trouble. Reserves came off the bench in the last quarter as the Cards took over the lead with less than three minutes to play.

Paul Rosemeck turned in an outstanding game on the backboards to hold off the Wolverines until the final whistle for a well earned, one-point victory.

Jim Moraitis played his best game of the season and scored 23 points in three quarters of play. Dave Tunney and Howard Barriger hit double figures with 13 points each.

The Wolverines had four players in double figures. Walt Selle and Randy Miller had 13 points each, Mike Fitzgerald and Ron Terry each had 12.

Tunney led Card scoring against St. Mary with 13 points, while Barriger had 11 points. Moraitis and Rosemeck each had 10 points.

RLDS Women Meet February 15

Women's Department of the Reorganized Church of Jesus Christ of Latter Day Saints will meet at the church Thursday, February 15, 1:30 p. m.

"Searches for Insight in Worship" is theme for the meeting. Hymn No. 46, "Heavenly Father," will be sung. Mrs. Levi Ulman will present devotions and the study will be conducted by Mrs. Ervin Ulman.

Roll call response will be the naming of a famous date in history. Benediction will be given by Mrs. Levi Ulman.

Extend Invitation to Newcomers

Immaculate Heart of Mary Altar Society extends a special invitation to newcomers to this area to attend a pot-luck dinner and meeting Thursday, February 15, 6:30 p. m., at the Immaculate Heart of Mary Catholic School, Tawas City. Those attending are to bring a dish to pass and individual table service. Charter members will be honored as guests and are not requested to bring a dish.

(Read I John 2:12-17)

The mercy of the Lord is from everlasting to everlasting upon them that fear him. (Psalm 103:17)

One of the saddest lines in English literature is a line from Shakespeare's "King Lear." The aged king, bereft of kingdom, comforts and eyesight, realizes at last his youngest daughter's devotion to him. Immediately after he reaches this realization, her death occurs. He says, "Thou'lt come no more," and his regret and longing are voiced in one word, five times: "Never, never, never, never, never." It is a universal cry—so full of never!

In our spiritual lives, however, what comfort it is that, as the prophets and apostles speak to us of our God, the "forevers" many times outnumber the "nevers." In this world of change and endings, we have God's changeless "forevers."

"My righteousness shall be forever, and my salvation from generation to generation."

"Jesus Christ the same... forever."

"The world passes away, and the lust of it; but he who does the will of God abides forever."

"I will dwell in the house of the Lord forever."

PRAYER

Lord, we thank Thee for the knowledge of Thine endless love and power and mercy. Strengthen us so to live that we may serve Thee faithfully and forever. In Christ's name we pray. Amen.

THOUGHT FOR THE DAY

God is forever and ever. M. Elizabeth Shinn, Cornwall, Pennsylvania.

Missionary Set As Speaker

The Rev. William Byler of Goodar Baptist Church, South Branch, welcomes the public to hear the Rev. Virgil Redmond, an Alaskan missionary, speak Saturday, February 17, 7:00 p. m. Mr. Redmond is a former Curtisville resident and Hale Area High School graduate. He has served on the mission field for many years and will show slides and tell of his work during that time.

Mr. Redmond will speak Sunday, February 18, at the morning and evening services at Hale Baptist Church. Mr. and Mrs. Redmond will travel to Ketchikan, Alaska, on their next assignment.

Sherman News

Sympathy is extended to the family of Elmer Dedrick, who passed away last Tuesday.

Mrs. Edward Maganski and daughter, Vicki, were in Detroit Tuesday and Wednesday.

Mr. and Mrs. Lawrence Jordan flew home from Florida Wednesday due to the death of Mrs. Jordan's father.

Mr. and Mrs. Ronald Schroeder and family of Pontiac spent the week-end here.

The Melvin Marshes returned home after a few weeks' vacation in Florida.

Mrs. Helen Smith returned home Sunday after spending a week with her daughter, Mrs. Steven Lewicki, and family in Bay City.

The Ted Lichotas were Saturday callers in the Tawas.

IN THE SERVICE—

Two Women are Anti-Sub. Observers

Two United States Navy enlisted women have recently been designated "observer" in the P-3 "Orion" anti-submarine warfare patrol plane at Moffett Field, California.

The girls, AZ3 Lee Ruth Alverson (lower right) and TD3 Carol L. Kokes (upper left), are assigned to the large replacement training squadron, VP-31, housed in historic hangar one.

Qualification of this type is not easy and the two had to undergo the rigorous written and in-flight testing specified in the P-3 Naval Air Training and Operating Procedures Standardization Program (NATOPS).

During the 4 1/2 hour in-flight phase of the exam, the girls carried out routine observer duties and participated in emergency drills. These ranged from ditching and bail out procedures to emergency decompression and fire of unknown origin drills.

The NATOPS examiner, CPO Allen Blue, then certified them "qualified" and they became the first women "crewpersons" for the P-3 "Orion" in the Pacific Fleet.

Aside from the distinction of being the first, the girls also have a more tangible reward as they now draw flight pay as crewmembers.

Petty Officer Alverson, 22, is the daughter of Mr. and Mrs. Louis H. Alverson, East Tawas. She graduated from Oscoda Area High School in 1966 and entered the navy in 1971. She reported to Moffett in September 1971 and works in the patrol squadron 31 Aircraft Maintenance Administration Office.

Petty Officer Kokes, 20, is the daughter of Mr. and Mrs. Robert L. Buttle, Hay Springs, Nebraska.

Hale A. School Lists Honor Roll

Prin. Richard C. Dodge of Hale Area School has announced the following students received all A's for the first semester: Twelfth grade, Lillian Helwig, Thomas Bain; eleventh grade, Kim Volwinkle, Gayle Nielsen; ninth grade, Jeff Bain.

B average honor roll candidates include: Twelfth grade: Joe Bell, Debra Bernard, Nancy Bernard, Connie Brandal, Lucia Brindley, George Clement, Wade Forshoe, Kevin Goodrow, Debra Grote, Chris Keene, Steve Krantz, Gregg Pickett, Ken Pincumbe, Charles Rollin, Lana Ruckie, Keyno Stollenberger, Linda Short, Don Springsteen, Rhonda Thayer, Sue Tucker, Diane Wilson.

Eleventh grade: Dave Bain, Deborah Brant, Patricia Carr, Kathy Grotte, Patricia Hilt, Patt Johnson, Ernie Meas, Debra Melzer, Connie Myers, Debbie Parent, Stephen Sestak, Robert Streeter.

Tenth grade: Jim Bellville, William Bieby, Lynne Bigelow, Russell Burr, Cathy Choling, Bettye Hobley, Steve Humphrey, Shadda Johnstone, Russ Louks, Sherry Mother-sell, Robert Parent, Janice Pember, Nancy Roberts, Kendra Salisbury, Anne Shaw, Patrick Skinner.

Ninth grade: Linda Bell, Gail Bissonette, Jim Bursick, Nancy Carr, David Dear, Brenda Denstedt, Dawn Forshoe, Clay Gibbs, Jayne Graves, Shirley Parent, Tray Pearsall, Faith Penrod, Nolan Wells.

Eighth grade: Kim Anderle, Dennis Bain, Stella Bell, Bill Bernard, Gary Bissonette, Turi Bratley, Bryan Denstedt, Peggy Gertz, Gregory Green, Marcy Humphrey, Steve Johnson, Lori Krantz, Brian Kreiner, Fred Lewis, Brent Menn, Linda Miller, John Pilet, Karen Rasch, Valerie Sharp, Tim Shaw, Erin Sullivan, Judy Taber, Carlton Wells.

Seventh grade: Julie Armstead, Jill Baker, Ann Bain, Bryon Bernard, Susan Bigelow, Nancy Bissonette, J. nece Byrd, Coleen Clement, Gale Dear, Monte Mathews, David Millard, Carrie Mousseau, Melody Ortiz, Steven Parent, Lori Purkey, Connie Robinson, Roma Ruckie, Rick Sharp, Dianne Wallace.

Sixth grade: Julie Armstead, Jill Baker, Ann Bain, Bryon Bernard, Susan Bigelow, Nancy Bissonette, J. nece Byrd, Coleen Clement, Gale Dear, Monte Mathews, David Millard, Carrie Mousseau, Melody Ortiz, Steven Parent, Lori Purkey, Connie Robinson, Roma Ruckie, Rick Sharp, Dianne Wallace.

McIvor News

Mrs. Burton Freel visited her daughter, Mrs. Dale Wood, Tuesday afternoon.

Mr. and Mrs. Harold Parent saw their cousins, Mr. and Mrs. John Bryning, at the Bay City Flea Market Sunday. The Brynings operate the flea market.

Mr. and Mrs. Herbert Schroeder called on his sister, Mrs. Edna Barritt, in Gladwin Sunday.

Mr. and Mrs. Jack Allen arrived from Muskegon and took his father, Austin Allen, back for a visit there.

The Larry Jordan family of Flint spent the week-end with his parents, Mr. and Mrs. John Jordan.

Mr. and Mrs. Herbert Schroeder were in Alpena Monday.

Mrs. Harold Parent entertained the Merry Neighbors Club Wednesday. It was Karen Featheringill's birthday. Games were played and prizes were won by Phyllis Jordan, Adella Strauer, Josephine Brigham, Mrs. Featheringill and Louise Sylvester. Mrs. Strauer will host the next meeting on March 15.

Mrs. Walter Murringer visited her parents, Mr. and Mrs. William Draeger, Friday.

Mrs. Ruth Miller is still in the hospital and is feeling better.

Mr. and Mrs. Carl Pierson and family visited his sister, Mrs. William Revord, and family Sunday.

Mrs. Lloyd Brigham was a guest of her sister, Mrs. Walter Bowlsby, and family at Sand Lake Tuesday.

Mr. and Mrs. Charles Koepke of Tawas City visited her sister, Mrs. John Jordan, and husband Friday.

Mr. and Mrs. M. Clifford Anschutz of East Tawas called on his sister, Mrs. Herbert Schroeder, and Mr. Schroeder Sunday evening.

Mrs. St. John is a member of the BJU speech faculty. She holds the bachelor of arts and master of arts degrees in speech from BJU.

The St. Johns have three daughters.

Elaine M. Klenow is TA Homemaker

Elaine M. Klenow has been named Tawas Area High School's 1973 Betty Crocker Homemaker of Tomorrow. Chosen on the basis of scores in a written knowledge and attitude examination administered to high school seniors here and throughout the country December 5, she will receive a specially-designed award from General Mills, sponsor of the annual Betty Crocker Search for American Homemakers of Tomorrow. In addition, she remains eligible for state and national honors.

The State Homemaker of Tomorrow, to be selected from all school winners in the state in judging centering on results of the test, will receive a \$1,500 college scholarship. A 20-volume reference work, "The Annals of America," will also be presented to the state winner's school by Encyclopaedia Britannica Educational Corporation. The second-ranking student in the state will receive a \$500 scholarship.

In late April, the 51 Betty Crocker Homemakers of Tomorrow representing every state and the District of Columbia, each accompanied by a faculty adviser, will gather in Washington, D. C., for an expense-paid educational tour of the capital city and colonial Williamsburg, Virginia. Personal observation and interviews during the tour will be added to state-level judging results in the selections, to be announced at a dinner in Williamsburg, of the 1973 Betty Crocker All-American Homemaker of Tomorrow and three runners-up. Scholarships of the four national winners will be increased to \$5,000, \$4,000, \$3,000 and \$2,000.

Instituted in last year's Betty Crocker Search, a \$1,000 nutrition scholarship is also part of the program again this year. Recipient of this award will be the participating student who plans a college major in nutrition or a related field, ranks among the highest in his or her state on the over-all examination and, from those meeting these two criteria, achieved the top score on the exam's nutrition questions.

Science Research Associates, Chicago, Illinois, constructed and graded the written examination and is responsible for all judging and selection of winners.

A total of 665,600 seniors were enrolled in this year's search, the first in which boys were eligible to participate. Approximately nine million students have taken part in the program since its inception in the 1954-55 school year and, with this year's grants, total scholarship awards will exceed two million dollars.

ELAINE M. KLENOW

Reno News

Mrs. Helen Plowman and Harold Wagner spent last week visiting in several places. They drove to Jackson to visit Mr. Wagner's cousin, Keith, then on to Hillsdale to see Mrs. Plowman's granddaughter, Mary Jane Sharp, and children and her brother, Henry McCormack, at Clio.

Mr. and Mrs. Will Waters and Miss Florence Latta called on Laurel Lawe and Mrs. Alma Pake Sunday afternoon.

Mrs. Helen Plowman had the following guests at her home last weekend. Her daughter, Mabel Flynn of Mt. Morris; her granddaughter, Donna Alward of Gladwin, and Margaret Bellinger of Clio.

Miss Jean Ott of Howell spoke at the Reno Baptist Church Sunday.

Mr. and Mrs. Carlton Robinson of Clio spent Saturday with his brother, Elwin, and wife and his mother, Hattie May Robinson.

Mr. and Mrs. Earl Daugherty returned home Tuesday after a two-week stay with their niece and husband, Mr. and Mrs. Maurice Faustich of Ann Arbor.

Gary Williams of Mt. Pleasant was a week-end guest at the home of his parents, the Willard Williams.

Mrs. Will Waters and Miss Florence Latta were dinner guests Wednesday at the home of Mr. and Mrs. Lloyd Johnson at Tawas City.

Marshall Smith was a caller at the home of Mr. and Mrs. Willard Williams Sunday.

Katherine Wellna Died February 9

Mrs. Katherine Wellna of Tawas City, 72 years old, died Friday afternoon, February 9, at Tawas Hospital after a lingering illness.

Mrs. Wellna, the youngest of seven children born to Peter and Ellen (Calhane) Trainor, was born February 4, 1901, in Tawas City. She was married on June 28, 1926, to Martin A. Wellna at St. Joseph Catholic Church, East Tawas.

Mrs. Wellna taught school in Dearborn Public Schools for 37 years. A graduate of Tawas City High School, Mrs. Wellna received a life teaching certificate from Central Michigan University, Mt. Pleasant; bachelor of science (education) degree from Wayne State University, Detroit, and did graduate work at the University of Michigan and Wayne State. The Wellnas moved to Tawas City in October 1965.

Mrs. Wellna is survived by her husband, several nieces and nephews.

Funeral services were held Monday morning, February 12, from Immaculate Heart of Mary Catholic Church, Tawas City, with the Rev. Fr. Raymond J. Pilarski officiating. Burial was in the church cemetery. A Rosary was conducted Sunday evening at the E. D. Jacques and Son Funeral Home, Tawas City.

HOW CAN I IMPRESS PEOPLE WITH THE NEED TO BE MORE CAREFUL WITH FIRE THIS YEAR?

Preventing forest fires is serious business!

Observe Vocational Education Week

The week of February 11-17 is National Vocational Education Week. According to Bruce Vickey, career education director for Isco Intermediate School District, local high schools are encouraging residents to visit vocational education programs in the schools.

All high schools have home economics and some business education. Whittemore-Prescott Area School has an agriculture program.

High schools having cooperative training programs are Tawas Area

School and Oscoda Area School. Shared time vocational education programs are held in each of the

four county high schools. Programs offered in the shared time program include business ma-

chines and office practice at Oscoda Area School, Hale Area School sponsors shared time building trades and

nurses' aide training. Tawas Area School has the automotive service program and Whittemore-Prescott Area School sponsors a machine shop program.

These vocational education programs are giving local students an opportunity to gain entry level employment skills before they graduate from high school.

Anyone having suggestions or comments concerning existing vocational programs or suggested program proposals are encouraged to contact Vickey at 362-2461.

VOCATIONAL EDUCATION CLASSES at Tawas Area School include drafting, wood shop, auto mechanics, metal shop and home economics. The above pictures were snapped during classes held Friday.—Tawas Herald Photos.

County Board Expressed Interest in Isoco Landfill

Representatives of cities and townships received a favorable reaction Wednesday from the Isoco County Board of Commissioners toward development of a county-wide sanitary landfill facility.

Spearheading the effort toward assumption of responsibility for the county's operation of a landfill facility has been Mayor John N. Brugger of Tawas City. He presented resolutions from Tawas City and East Tawas councils Wednesday asking the commission to investigate this possibility.

Others testifying for the need of a county landfill operation, termed by one official as a "glorified name for a garbage-refuse dump," were Sup. Richter Lixey of Baldwin Township and Harry Rapson of Alabaster Township.

J. Berkeley Smith, Oscoda commissioner, said he was in favor of the proposal and that "about 80 percent of the work toward developing a study had been completed last year by the county commission. We should revive those plans now and study financing for the proposition, which represents about 20 percent of the work remaining," he stated.

Robert Foster, Oscoda commissioner, said he believed the county could operate a sanitary landfill and then local units of government could retain the obligation of local garbage-refuse pickups through private contractors or other means.

William Wercley, commission chairman from Hale, stated that more units of local government should become involved in this study in order to develop plans. He suggested that a meeting be held between the commission, the county township association and mayors of the three cities to work out a solution.

local units of government has been complicated by state health department regulations which have gone into effect this year. One of the new requirements is that compacting and backfilling must be done each day the facility is open. This requires the expense of bulldozer work.

In addition, burning at sanitary landfills is prohibited by state health department regulations and the state is now inspecting the various operations by local units of government to determine the extent of ground water pollution from the facilities.

Brugger told commissioners that the East Tawas - Tawas City landfill had received a favorable report from the health department insofar as ground water pollution was concerned, but only recently was required to change locks on the gate to prevent use during unauthorized periods. This action was necessary in order to comply with the regulation that backfilling and compacting be accomplished daily. Despite the fact that it inconvenienced local businesses and industries, he said it was the only solution as the two cities could not afford the daily expense of compacting.

Rapson said that Alabaster Township, which spends about \$1,400 annually for operation of its dump, had been cited for three different violations during the health department's January 3 inspection. Violations included the burning of refuse, lack of daily backfilling and a high water table.

The Alabaster Township supervisor said that although he had requested some concessions from the state, he expected that the township would receive notification to close its dump by March 1.

"If the dump is closed, we can expect to find garbage and refuse scattered all over the township,"

said Rapson. He said that the time was coming when suitable land would not be available for dumps, particularly due to high water regulations.

Representatives of the townships and cities also asked the county commission to assume responsibility with Tawas Hospital for operation of the ambulance service. Local units of government, with the exception of Oscoda-AuSable, meet quarterly with hospital officials to supervise operation of the ambulance service. Private operators provide ambulance service in Oscoda and AuSable Townships.

Lixey said that operation of the ambulance service had improved to the point where the annual deficit was low. He felt, however, that the operation could best be supervised by the county commission.

Several commissioners expressed the opinion that the county was not interested in assuming responsibility for the ambulance service, particularly since the Oscoda-AuSable area was served by funeral directors and the present program for the remainder of the county was reasonably efficient.

Commissioners stated that they would continue to cooperate with local units of government and believed a \$2,000 or \$3,000 appropriation from county funds was justified.

A request from the City of Tawas City for county participation in constructing bridge approaches on two major streets was referred to committee. Commissioners said that the committee was to investigate possible county participation in bridge work in all sections of the county. It was indicated that federal revenue sharing funds might be made available on a 50 percent matching basis with local units of government.

LOOKING BACKWARD—

Three Offices Contested In ET Primary

15 Years Ago—

February 13, 1958—Races for three offices will feature the primary election at East Tawas. Opposing incumbent mayor, Elmer Werth, is John A. Mielock. Blaine Christensen, Second Ward alderman, is opposed by Edward Martin. Joseph Fernetto, completing his first term as Third Ward alderman, is opposed by Edward Seifert Jr.

Dr. John D. LeClair made application for a building permit to construct an 80 by 125-foot block and brick building on the bay side of US-23 across from his residence.

Dale M. Bradley has resigned as vice president and cashier of Farmers and Merchants State Bank at Hale. He becomes president of Peoples Commercial Bank at Three Rivers.

Frank Ahonen has purchased the Rudolf Watzke Plumbing and Heating business in Tawas City.

Between 25 and 30 Saginaw and Bay City iceboaters were here Saturday and Sunday to take advantage of the smooth ice of Tawas Bay. It has been more than 20 years since Tawas residents have seen ice boat races on the bay.

25 Years Ago—

February 13, 1948—The funeral ship, Cardinal O'Connell, arrived at San Francisco, California, with the bodies of 2,813 war dead who had given their lives in the Pacific. Among the 103 Michigan men are two from Iosco County, CYAA Stanley Daley of East Tawas and Cpl. George E. Laidlaw of Tawas Township.

Installation has been completed on new carpeting at the Tawas City Methodist Church.

President Truman has submitted his budget totaling 39.7 billion dol-

lars, the largest peacetime budget in history. In the president's words, the budget reflects "the cost of war, the effects of war and our efforts to prevent a future war." Only 21 percent, eight billion dollars, represents the expense of running the government.

Biggest boom of all right now is that which is expanding the United States baby crop to historic proportions. More than 26 million new babies have arrived on the scene in this nation since 1940. There were 3.37 million babies born last year, highest in history. What this means during the next 10 to 15 years is that there will be bigger markets than ever for industry, as well as building of more schools, production of more food, the manufacture of more clothing and building of more homes.

Children of the Watts School gave their teacher, Mrs. McGuire, a birthday dinner with all the trimmings, including three birthday cakes.

The Hale school was closed Tuesday due to frozen water pipes in the building.

35 Years Ago—

February 18, 1938—Work commenced this week on the Merschel building at East Tawas. The second story is to be cut off and a brick and plate glass front is now under construction. Leslie Nash is contractor. Merschel Hardware and Quinity Market will have modern quarters when the work is completed.

Many owners of land who have paid their delinquent taxes will be confused to find this land published on the delinquent tax sale list, comprising eight pages of The Tawas Herald. Taxes on about 70 percent of the listed property have been paid to the county treasurer. The list was compiled by the state auditor general's office.

Ray Templin has been assigned chief referee of the district high school basketball tournament to be held at Sterling March 3, 4 and 5. Class C schools competing will be East Tawas, Pinconning, Standish, West Branch, Sterling and Whittemore. Class D schools include Alabaster, St. Joseph of Tawas City, St. Joseph of West Branch, St. Michael of Pinconning, Prescott and Rose City.

Karl Kobs of Tawas Township had the misfortune of having a rifle explode in his hands. It was necessary to amputate the middle finger of his left hand.

Students and friends of the Iosco County Normal class enjoyed a St. Valentine's party at Rambling Bill Hurley's Log Cabin Camp at East Tawas.

Iosco County 4-H Clubs, numbering 165 members, will hold their annual achievement day at the East Tawas Community Building.

EIGHTEEN EMPLOYEES of National Gypsum Company, National City plant, were presented Trailblazer Awards at a recent dinner for the employees and their wives. Trailblazer Awards are presented to employees completing 25 years with the company. Receiving 25-year awards in the top photo are, from left, Kenneth Bronson, Donald Schuster, Francis Rouse, Joseph Petri, George Kindell, Ellis Partlo, Albert Wice, Henry Chapman, Carl Smith and Joseph Bouchard. Not present but also receiving 25-year awards were Orval Armstead, Joseph Ducheneau, Forest Ellsworth, George Gawne and Melvin McCormick. In the bottom photo, James Charters is being presented a 30-year award by R. M. Harris, plant manager. Not present but receiving a 30-year award was Loraine Pickett of Whittemore, while Matthew Haglund of East Tawas received a 35-year award.

Iosco's Public Assistance Payments Low

Of Michigan's 83 counties, Iosco is the eighth lowest in the percentage of recipients of public assistance as compared to the general population of the county. This information was included Wednesday in a report to the Iosco County Board of Commissioners concerning the county's cost for operation of the Iosco Department of Social Welfare and the Iosco Medical Care Facility.

Benson B. (Pete) Beck, department director, said that in other words, 3.6 percent of Iosco's residents receive public assistance as compared to a state-wide average of 7.9 percent.

The average monthly grant for each public assistance recipient in the county is \$58.35, according to Beck's report. The average ADC family has 2.4 children and receives a grant of \$186.73 per month.

Approximately \$700,000 in public assistance grants was issued in Iosco County in 1972 and over \$400,000 additional was paid out in medical assistance for Iosco residents.

The food stamp program replaced the surplus commodity program in June and, during the last seven months of the year, participants paid in \$79,372.75 and received \$150,075 worth of food stamps. This increased food buying power of recipients by \$70,692.25.

Between public assistance grants and bonus food stamps, over \$70,000 of additional money was brought into the economy of Iosco County.

"In addition to the financial programs of the department, we were the initiating force in the implementation of the dinners-to-doors program," said Beck. "We placed six children in adoptive homes, provided counseling and other non-financial services on over 700 occasions. A job finding and placement service has been developed to serve the unemployed recipients."

Beck feels that the medical care facility is a great asset to the county, "not only because it provides a high level of care to its patients, but more especially for its value as an industry in the community."

The gross expenditure at the medical care facility was over \$523,000, of which nearly \$377,000 was paid in direct salaries to the nearly 90 full and part time employees. An additional \$42,000 was paid in fringe benefits. The county financial contribution to the medical care facility amounted to six percent of the total operational cost, or \$1.46 per patient day.

"We are hopeful that in 1973 we will be able to improve and expand our non-financial services to all citizens of the community," said Beck. "The community may also expect that we will be calling on it for help, particularly in the area of finding jobs for the unemployed."

The department director said that "we are all concerned about doing

something to reduce the increasing welfare numbers and costs. It will require a good deal of effort from all facets of the community if we expect to show success. We shall be soliciting your assistance in our efforts in the coming years."

The annual report indicated that there was a total of 150 patients treated at the medical care facility during 1972. The average daily census was 59 patients. Total deaths during the year numbered 38 and the number of patients discharged (excluding deaths) was 59.

There were 15,782 physical therapy treatments administered during the year, of which 11,332 were for in-patients and 4,450 for out-patients.

Admissions included seven private pay patients, nine under Medicaid, 68 under Medicare and three under Blue Cross auto insurance.

Ila Laidlaw Retires From Teaching

Thursday, February 1, a "This Is Your Life" testimonial dinner honored Ila B. Laidlaw upon her retirement from a long teaching career in the Iosco County area. Seventy-five teachers, members of the board of education, relatives and former students of Mrs. Laidlaw assembled at Lixey's Restaurant, East Tawas.

The former Ila Carter began teaching over 40 years ago in Glennie until 1933, when she married Walter B. Laidlaw. She returned to teaching in Glennie in 1940 and became seventh and eighth grade teacher and principal of that school in 1956. Oscoda Area Schools consolidated with the Glennie School in 1963, at which time Mrs. Laidlaw began teaching third grade until the time of her recent retirement.

The Laidlows are the parents of five children.

Second Meeting on Coop. Nursery

Second meeting for parents interested in organizing a cooperative nursery in the Tawas area will be held Monday, February 19, 7:30 p. m., in the Tawas Area High School library. Both fathers and mothers are welcome to attend.

Slides on cooperative nurseries will be shown and committees will be formed for licensing, insurance, equipment, financing, membership and rules.

For further information, contact Mrs. J. Richard Ernst at 362-5616 or Mrs. Michael Freel at 362-2903.

60 Attended AARP Meeting

Iosco Lake Shore Chapter No. 661, American Association of Retired Persons, met Wednesday, February 7, with 60 members and guests in attendance. Business meeting was conducted by Fred Francis, president.

Pot-luck dinner and social hour is scheduled for Wednesday, February 21, 12 o'clock noon, at the East Tawas Community Building. Coffee and tea will be served. Marion Norris, vice president, will preside in the absence of Mr. Francis, who will be vacationing in Florida.

SS Explains Quarter Of Coverage

Question: I am 34 and I have been working for nearly 10 years. I heard somewhere that, based on my date of birth, I will need 40 quarters of coverage to get social security checks when I retire. What is meant by a quarter of coverage?

Answer: A quarter of coverage is a three month period of the year (January through March, April

through June, July through September, October through December) used to measure work credit under social security. You earn a quarter of coverage for any calendar quarter in which you are paid \$50 or more in nonfarm wages. (A farm employee gets a quarter of coverage for each \$100 in covered farm wages he receives in a year. Self-employment net income of \$400 or more in a year earns four quarters of coverage for the year.)

The number of quarters of coverage a worker needs to get social security payments depends on the worker's date of birth. Anyone who has earned at least 40 quarters of coverage is permanently insured for retirement and survivors insurance benefits. Of course, for older people the number of quarters required is much less than 40. For example, a man who reached 65 in 1972 only needs 21 quarters to be insured.

Question: My 20-year-old daughter attends college and gets monthly student payments from social security since her father died. She is getting married on February 4 and we have notified social security of this. I know her checks will stop when she gets married, but will she receive a check February 3?

Answer: Yes. The check she will get on February 3 is a check for the month of January, when she was not married. Her February 3 check will be her last one.

Question: After my husband died last May, my four children and I started getting monthly social security payments. Do I have to report these payments as income and pay income tax on these benefits?

Answer: No. Social security benefits are not subject to Federal income tax.

Turner Man Won First Place Trophy

(Continued from page 3, sec. 1.)

First place in the 250-mile snowmobile race held the week-end of February 3-4 at Traverse City went to Steve Bilacic, 18, Turner, who drives for Whitford's Sales and Service, 801 West Westover, East Tawas.

Driving a 500 TX Polaris, Bilacic bested 49 other challengers in the 368-lap race which had been canceled the previous week-end because of warm weather.

Bilacic, who led the race for 45 laps, estimates his total winnings for the week-end at \$8,700. The first place award is worth about \$6,000 and he is to receive \$450 in lap money. Polaris donated another \$1,250. Backup drivers included Norman Miknyocki, Len Poniatowski and Gary Lutes of Tawas City.

The Houghton Lake annual Michigan "300" mile snowmobile race, scheduled for Sunday, February 11, has been postponed to Saturday, March 10.

Time trials begin Friday, February 23, through Sunday, March 4, from 10:00 a. m. to 4:00 p. m. daily. For further information, call Ted Galbraith, registration chairman, (517) 366-5214.

Family Living Education

By HELEN MEACH
Extension Home Economist

Is a large egg fresher than a medium egg? Not necessarily, because egg grades and sizes are not related. All stores carry USDA Grade A eggs and some also stock USDA Grade AA. The grade is based on the interior quality of the egg and the condition of the shell. It is a measure of quality. The size, on the other hand, is merely a measure of quantity. If you buy one dozen large eggs, you will get 24 ounces of eggs . . . a dozen extra large eggs will give you 30 ounces.

It is important that you store eggs covered and in the refrigerator. Eggs keep best at temperatures between 45 and 55 degrees Fahrenheit. If you leave them out of the refrigerator (at 72 to 80 degrees Fahrenheit), eggs will likely lose more quality in one day than they would in a week at 45 degrees.

When you are using a recipe that calls for only the whites or yolks, keep the eggs in the refrigerator until you are ready to separate them. Cold yolks are less likely to break than those at room temperature. Cover eggs yolks with water and refrigerate in a tightly closed container. They will keep two to three days. Whites, stored in a tightly closed container, will keep seven to 10 days.

Number of whole eggs to fill a standard one-cup measure is four large, five medium, six small. Number of egg whites to fill a standard one-cup measure is seven large, eight medium and nine small. Number of egg yolks to fill a standard one-cup measure is 14 large, 17 medium and 21 small.
