NAMED RECIPIENT of the annual John Philip Sousa Award sponsored by Tawas Area Band Boosters was Michele Barc, daughter of Mr. and Mrs. Walter Barc of 1791 North US-23, East Tawas. A junior, Michele is an oboist and is in her first year as a member of Tawas Area Senior Band. She was one of 18 finalists in the Michigan Youth Arts Festival, which saw 10,000 youngsters participating at the district level. The award was presented during Saturday night's concert, attended by approximately 350 persons. Shown with Miss Barc is Gene Salamony, director.—Tawas Herald Photo.

Preliminary Tax Split Aids Schools

Preliminary tax allocation in Iosco County has designated 9.7 mills for schools, four mills for county operation, one mill for townships and .30 of a mill for the intermediate school district.

Although this split of the 15-mill "tax pie" may still be revised before the final allocation on June 1, it means that thinking of the county allocation board Monday would boost the allocation to schools by seven-tenths of one mill.

In the case of Tawas Area School District, it would mean that it would receive an increase of \$36,000 in operational funds.

Supt. Edward J. Barry told members of Tawas Area Board of Education Monday night that there was "plenty of ammunition" on both

sides—schools and the county—to show a need for additional operational revenue.

He said that he would need guidance from the board of education if he should pursue the goal of a full 10 mills for schools, of if he "should play the game" and go with the seven-tenths of a mill increase.

Last year, the final allocation gave nine mills to schools, 4.80 mills to the county, one mill to townships and .20 of a mill to the intermediate school district.

The preliminary order came on a four to three roll call following two previous votes. Voting in favor of the proposed split were Ernest Jordan, Ellsworth Bernard, Ralph Western and Richter Lixey. Voting against the split were Charles Smith, J. B. Smith and Edward Nelkie.

Board Would Consolidate Polls At TA High School

Effective with an operational millage election to be held later this summer, Tawas Area School District's polling places will be combined into one voting precinct located at the high school.

This action was taken Monday night following a report to the board of education that considerable confusion still existed among voters concerning location of polls.

Supt. Edward J. Barry told the board of education that confusion over the proper place to vote existed in all of the present three precincts because of overlapping precinct lines.

"From an administrative standpoint, the school would benefit by holding elections in one location," said Barry. "Some voters were refused ballots by election workers because their names were not listed in that particular precinct." It would be much easier for voters to identify the high school as the central polling

place, the superintendent stated.

The change will have no effect on the annual June 11 election as it is too late to make a change in polling places. All registered voters in the district must be notified by first class mail that a change is to be made.

Along with this official notification, the board of education is to develop a questionnaire to be sent to voters to "get the pulse of voter thinking" concerning the school and to announce plans for the millage election.

Robert Elliott, board of education president, was of the opinion that the board might learn something through this poll and believed the people should be heard concerning the direction to be taken for the school.

Elliott was of the opinion that the problem of transporting older voters to one central polling place would be minimal and that service clubs would cooperate in providing cars for such use.

IHM Pastor Slated as Program Speaker

The Rev. Fr. Lawrence E. Boks, who was recently appointed pastor of Immaculate Heart of Mary Catholic Church, Tawas City, will be principal speaker at Memorial Day ceremonies Monday, May 28, at Memory Gardens Cemetery, Tawas City. Services are to be under auspices of Jess C. Hodder Post No. 189, American Legion.

All veterans of military services are invited to participate in the annual Memorial Day program, according to Nelson E. Thornton, commander of the American Legion post.

Besides veterans, Thornton extended an invitation to boy scouts, girl scouts, cub scouts and brownies to participate in the annual parade. Tawas Area High School Marching Band will make its final public appearance before participating in commencement exercises.

Honorary officer of the day will be Leonard Bouchard. John N. Brugger will have charge of the firing squad and John Alexander will be officer of the day. Carl Libka is in charge of decorating the graves.

A parade is to assemble at 8:15 a. m. at the American Legion Hall. The parade is scheduled to leave for the cemetery at 8:30 a. m., with a stop at the Mathews Street bridge to honor the navy dead.

Veteran's Cemetery Program

The Rev. Noah Funk, pastor of the Church of the Nazarene, East Tawas, will be speaker at Memorial Day services Monday, May 28, at Veteran's Cemetery, East Tawas.

Earl Weaver will be officer of the day. Arthur Dease will act as master of ceremonies.

A parade is scheduled to start at 10:30 a. m. at Audie Johnson Post No. 211, American Legion Hall, East Tawas. Marchers will include members of the American Legion and auxiliary, Veterans of Foreign Wars and auxiliary, Disabled American Veterans and auxiliary, boy scouts, girl scouts and the Tawas Area High School Marching Band.

Following a salute to naval dead at the Michigan Waterways Commission Dock, services are to be held at the cemetery at 11 o'clock.

Services are to be held at the cemetery at 11 o'clock.

Split School Day Plan Studied as Solution to Overcrowding

Tawas Area School officials are now studying a plan to split the school day into two different segments as a means of alleviating a serious overcrowding problem in the junior and senior high schools.

And, judging from comments from the board of education Monday night, such a program could provide a temporary solution to this school district's problem next term.

Supt. Edward J. Barry, who, with Prin. John Alexander, visited Pinconning High School and John Glen High School to view split session programs in use by those schools, said he had no definite recommendation at present. He said that the administration would have to take a long look at the proposed program change as agreement would have to be reached on methods of solving some problems.

He believed that the first step would be to determine the thinking of the board of education and to discuss the proposal at the June 11 meeting. An investigation would be made of financial implications before making a final decision.

Basically, the proposed split session means that students presently attending junior and senior high school would be split into two segments. One possible arrangement would be for the 10th, 11th and 12th grades to attend school in the morning and seventh, eighth and ninth grades attend school in the afternoon.

The school day would be extended, with the first segment attending classes from 7:00 a. m. to 12 o'clock noon and the second segment from shortly after 12 o'clock noon to 5:30 p. m.

Students attending either segment would be in school the required 900 hours for 180 days. There would be five 55-minute periods in each segment.

One advantage of the program is obvious, pointed out Alexander. By splitting the school day in half, additional classrooms would be available immediately to handle present overcrowded conditions. The principal said that four rooms would be available in the building for adding new classes and to enrich the curriculum.

One important advantage is that the school would be able to offer vocational courses to junior high school grades.

Alexander said that Pinconning had found that the number of discipline cases in school had been reduced. Because of the reduction in time for classes to pass, he said that students just do not have the time to get in trouble. Study halls probably would be eliminated.

Disadvantages include the reduction in time for extra study, problems concerning athletics and other extra curricular scheduling, the lack of continuity between the morning and afternoon for the teaching staff, possible reduction of "school spirit" through elimination of pep rallies and lack of time for club activities.

Alexander reported that Pinconning had a tardiness problem with the morning segment due to the early start. From his own observation at Pinconning, he believed that students in the afternoon were more alert than those attending the morning segment.

Superintendent Barry said that the split session program was one of the alternatives discussed by the board of education last week following defeat of the school millage proposal.

REPRESENTATIVES from Gladwin County were honored Monday by Iosco County Board of Commissioners as part of the Michigan Week observance. Fred B. Lomas, left, and Carl Libka, commissioners, are shown escorting Mr. and Mrs. Robert McMahon and Mr. and Mrs. Chris Welker through the county building. Flood Insurance Plan is Initiated

Following a presentation by a representative of the Federal Insurance Administration, Tawas City Council Monday night initiated necessary action to make Tawas City property owners eligible for flood insurance.

The council adopted two resolutions presented by Richard Koortstra, representative of the federal program. If accepted, Tawas City property owners could be eligible to receive this coverage about June 1.

Koortstra told members of the council that the flood insurance was a combined program being offered by the federal government and private insurance companies. Coverage would be handled through local insurance agents.

Included in provisions of resolutions adopted by the council is one which requires that any new construction in the area covered by flooding insurance be subject to passage of local building inspection and that building specifications be consistent with the need for minimizing flood damage.

The city is to develop a map showing flood prone areas and write a history concerning flooding in the city. A flood plan study would be completed by the army corps of engineers listing the various types of property located within the district.

In other business, the council adopted a budget of \$252,215 for 1973-1974 following a public hearing.

An appropriation ordinance adopted provides 10 mills of taxes for general operation, 4 1/2 mills for streets and 1 1/2 mills for public debt for a total of 16 mills. Included in the street levy is three mills for bridge construction.

One building application approved during the past two weeks saw a permit issued to Mrs. Edward Wojahn, 119 Second Avenue, new roof, \$450.

The council voted to accept a contract with the county which calls for the sheriff's department to handle administration of the city police department.

Following complaint of Reginald Look, the city manager is to contact Tawas Motel to determine if the owner plans to erect a fence around a pond which has been dug at the rear of the property. It was felt that the pond may be dangerous to children if some form of protection is not provided.

Vincent Beam appeared before the council and asked that yellow lines be painted at the entrance to his property fronting on US-23 to indicate that parking of cars was not allowed in the driveway and at the front walk.

Nab Service Station Bandits at AuGres Motel

A pair of Bay City residents, who robbed a Pinconning service station of \$900 and held the gas station attendant hostage until releasing him about a mile away from the station, were captured at an AuGres motel early Saturday morning by two state police officers from East Tawas.

Charged with armed robbery and kidnapping are Edgar D. Worden Jr. and Barbara J. MacDonald. Worden had served a prison term for burglary and was on parole.

Troopers Gary Shepley and Larry Beals spotted a car at AuGres answering a description of one used in the holdup. They learned that the driver and his companion had checked into the AuGres motel about one hour after the robbery.

Money allegedly taken in the robbery was recovered from the room. A revolver was found hidden in a mattress.

Would Purchase Parking Lot Through Special Tax District

City Atty. Michael Freel was directed Monday night by the East Tawas Council to commence procedure under the Fourth Class City Act for establishment of a special assessment district to finance public purchase of a privately-owned parking lot.

Located at the rear of stores on the west side of Newman Street between Bay and Westover Streets, the property is presently referred to as the A&P parking lot.

The proposed special assessment district would also provide financing for leasing and improving 3 1/2 lots owned by Christ Episcopal Church for use as an employee parking lot. The city presently has a five-year lease on the property with an option for an additional five years.

City Clerk Clyde Soper estimates that the total cost of the project would be from \$108,000 to \$113,000.

All business places on Newman Street, Westover Street and State Street would be included in the special assessment district. Assessments would be based on the benefits to be received by each property owner and proximity to the parking lot.

In other business, a letter from the Michigan Liquor Control Commission indicated that a beer and wine takeout license requested by Truman Barbier had been denied due to a non-conforming use.

Wilbur C. Roach submitted a proposal from his Multi-County Sanitary Landfill calling for an annual contract of \$7,000 for use of the facility by the City of East Tawas. Mayor

Robert Bolen suggested that a council committee study the proposal and make a recommendation should such service be desired starting in June. In addition, it was recommended that the city make plans for advertising for bids on a new garbage removal contract, which expires in August.

The council adopted an appropriation ordinance calling for a city millage rate of \$9 per \$1,000 of state equalized valuation to be assessed for the city general fund and \$1.61 for debt retirement. The total city tax will be based on a levy of 11 1/2 mills.

Total expenditure for all funds in the city budget for 1973-1974 is \$468,881, of which \$230,875 is for general fund expenditure.

Look Rehired as Grid Coach

Richard Look, a member of Tawas Area School's varsity coaching staff for two years and head football coach last fall, was reappointed to the head coaching job Monday night by Tawas Area Board of Education.

Naming of Look came on recommendation of Supt. Edward J. Barry. Administrators and Look are to meet in the near future to select a football coaching staff for next fall.

The superintendent said he would have a recommendation June 11 concerning naming of a new head basketball coach to replace James Pappeneau, who resigned at the end of the 1972-1973 season and was appointed athletic director. Barry said that the school had not advertised the opening, but has had 11 applications from coaches with experience. There have been two applicants for the job from within the present staff.

A report from Robert McDonald, assistant principal, pointed out that present school policy does not allow students to skip school and that the 180 seniors and juniors participating in two unauthorized "skip days" last week would be making up time.

He said that under the four-eight-12 policy adopted at the start of the semester, absence from school was allowed only for illness, funerals in the family or through a pre-excused absence accompanied by a note from the parent. He said that this particular policy has always been in force and that the new handbook had not made any change.

The major difference in the new policy is that for a first offense, the student must make up time; for the second unexcused absence, the student is suspended and a meeting held between administration, teachers, the student and parents; for the third unexcused absence, the student is expelled from school.

McDonald said that the program was working during the second semester. He said that the average daily absence of students had dropped from 11.5 percent prior to the start of the new policy to just under five percent for the semester in which it has been in force.

A contract tentatively adopted at its last meeting with non-instructional employees was formally accepted by the board of education.

Prin. John Alexander reported that senior caps and gowns would arrive Friday. There is to be an honors assembly Wednesday, May 30. Commencement practice for seniors will be held June 1 and graduation will be held Sunday, June 3, 3:30 p. m., at the football field.

On recommendation of Trustee Leonard Sarki, the administration is to report to the board of education on the amount of miles traveled by empty school buses. Sarki said that in some instances he could see where the school would save money by having bus drivers take their vehicles home at night, but he believed that the present policy was being abused. He felt that all buses should be returned to one location at the school, unless it was feasible for the driver to take the bus home at night.

County Building Refurbishing Contract Awarded to Davison

A contract for redecorating and refurbishing the county building, using federal revenue sharing money, was awarded to Davison and Son Builders, Tawas City, at Wednesday's meeting of the Iosco County Board of Commissioners.

With a price tag of \$35,675, Davison was low among three different firms bidding on the projects, which has been under commission consideration for the past four months.

Other bids were entered by Consolidated Construction Company, Bay City, \$56,852, and Don Reed Construction Company, Lincoln, \$45,074.55.

In other business, the commission's buildings and grounds committee was assigned to obtain temporary quarters to house the department of social services until the department's new building to be constructed near the medical care facility is completed. Present quarters of the department located in the county building are to be utilized by other county offices.

A. J. Aulerich, newly-appointed commissioner from the Fifth District, resigned from the county road commission and building authority. Joseph Barnes of Reno Township was appointed to fill Aulerich's vacancy on the road commission. In a show of hands, Barnes received three votes and William Fuerst of Whittemore received two votes. Alfred Baker of Hale was named to Aulerich's former position on the county building authority.

A new salary agreement with members of the sheriff's department is to be discussed at the June 6 meeting.

Henry Gage, who recently completed a special state seminar on emergency preparedness as Iosco civil defense director, was presented a certificate by Chairman Robert Foster from the Civil Defense Preparedness Agency.

The commission authorized payment of extra time on holidays for members of the sheriff's department at the regular rate of pay.

The civil defense director reported that an agreement had been worked out with Sheriff George Westcott whereby all telephone calls for the civil defense office will be handled at the county jail.

Sidney Teague was appointed veterans counselor to replace Orie Hodge, who retired.

J. B. Smith resigned from the county parks and recreation commission and was replaced by Commissioner Aulerich.

Updating of the airport master plan has been deferred until the June 6 meeting for action.

Nelson Thornton and Com. Carl Libka were reappointed to the regional library board for terms ending in 1977.

Allocation of \$750 each to the Tawas Chamber of Commerce and Oscoda-AuSable Chamber of Commerce was authorized.

Committee appointments of Chairman Foster were approved as follows by the commission:

Legislation-conservation: F. B. Lomas and Aulerich. This committee includes parks and recreation, public works, cooperative extension, roads and bridges, drains and ditches, rules of order.

Health and public safety: Aulerich and Libka. Work of the committee includes social services, mental health, civil defense, district health and ambulance service.

Finance and claims and accounts: Smith and Lomas.

Buildings and grounds: Libka and Smith. This includes library, airport and personnel.

East Tawas Church Scene of Sawyer - Clark Nuptials

In 6:30 o'clock rites Saturday, May 19, at Tawas United Methodist Church, East Tawas, the Rev. Kenneth L. Tousey officiated at the double ring service uniting Cheryl Lee Clark and David W. Sawyer in marriage.

The bride is the daughter of Mr. and Mrs. Charles Clark of East Ta-

was. Her husband is the son of Mrs. Viva Sawyer of Hale.

The altar was decorated with vases of white chrysanthemums and pink carnations. Mrs. Alden Phelps acted as organist.

The new Mrs. Sawyer selected a full-length gown of white lace over satin with Empire waistline and full lace sleeves. A crown of pearls secured her elbow-length veil.

Mrs. John Bettridge of Belleville, sister of the bride, was matron of honor. Acting as flower girl was Dawn Ann Bettridge, the bride's niece. Both were attired in floor-length gowns of pink and blue chiffon over blue crepe with Empire waistlines and long bouffant chiffon sleeves. Each carried one long-stemmed pink rose.

John Ryan was best man. Mr. Bettridge and Edward Wayne seated the guests.

A reception followed the ceremony at Tawas Golf and Country Club, Tawas City, for guests from Detroit, Orchard Lake, Birmingham, Livonia, Dearborn Heights, Farmington, Brighton, South Lyon, Belleville, Plymouth, Holt, Leslie and Whitmore Lake.

The newlyweds will reside at 1026 East Bay Street, East Tawas, Michigan 48730. The bride is a graduate of Farmington High School. Her husband graduated from Hale Area High School.

Pre-nuptial showers honoring the bride were hosted by Ruth Good, Joy Kasmer and Evelina Wayne.

John O'Farrell Died May 21

John O'Farrell Sr., a lifetime resident of Whittemore, passed away Monday, May 21, at Tawas Hospital at the age of 86 years. Funeral services will be held Wednesday (today), May 23, 2:00 p. m., at the Forstee Funeral Home, Twining. The Rev. Donald Morris will officiate with burial in Saints Cemetery, Whittemore.

Mr. O'Farrell was born December 30, 1886, in Whittemore. He was a retired custodian, having been employed at the Whittemore-Prescott Area High School for 35 years. He was a member of Whittemore United Methodist Church and Whittemore Lodge, Free and Accepted Masons.

Surviving him are three sons, Ivan and Donald of Whittemore and Oramel of Farmington; one daughter, Mrs. Harrison (Verna) Snyder of Whittemore; 10 grandchildren; 12 great grandchildren; one brother, William of Harrison.

Tawas City Native Passed Away

A native of Tawas City, William J. Kobs of Saginaw, 86, died Friday, May 18, at the Frankenmuth Lutheran Home. Services were held Monday, May 21, at the Case Chapel, Saginaw, with burial in Forest Lawn Cemetery, Saginaw.

Mr. Kobs was born June 29, 1886, in Tawas City and moved to Saginaw 45 years ago. He married the former Dora Marks in 1928. She preceded him in death in 1963.

Surviving are two daughters, Mrs. William Cooper of Saginaw and Mrs. Roy Maurer of Frankenmuth; five grandchildren; three sisters, Mrs. William Cholger, Mrs. Emma Moeller and Mrs. Johanna McLeod, all of Tawas City; five brothers, Karl and Arthur Kobs of Tawas City, the Rev. George Kobs of Wisconsin, Henry Kobs of Frankenmuth and Edward Kobs of Flint.

THIS WAS the scene at Tawas Lanes Monday night. It was bowling benefit night for the Tawas Area Knoltho League with entire proceeds of the evening's bowling going to the league program. Shown above is H. R. Hilbert, right, presenting a check in the amount of \$193.45 to Donald McKenzie, league treasurer. Also pictured is Phil Wegner, Little League player, and Louis Pfeiffer, director.

Frank Bissonette Died at Alpena

Frank Bissonette of Oscoda passed away Sunday, May 20, at Alpena General Hospital. Masonic service was held Monday, May 21, at the W. S. Bennett Funeral Home, Oscoda. Funeral services were conducted Tuesday, May 22, at the Oscoda United Methodist Church, of which he was a member. Burial took place in Pinecrest Cemetery.

Mr. Bissonette was born in April 1897 in Oscoda. He and his wife, Gladys, were married in Oscoda 52 years ago. He had been an Oscoda lumber dealer for 35 years before his retirement.

Mr. Bissonette was a World War I veteran; life member of AuSable Chapter No. 243, Free and Accepted Masons, and of Plante-Merkel Post No. 274, American Legion.

Surviving besides his wife are three sons, Frank and Hugh of Oscoda and Robert of East Tawas; two daughters, Mrs. Jean Barnes and Mrs. Nancy Edwards of Oscoda; three brothers, Menton of Oscoda, Joseph of Flint and Earl of Essexville.

AARP Enjoyed Fish Dinner

One hundred thirty-five members and guests of Iosco Lake Shore Chapter No. 661, American Association of Retired Persons, enjoyed a fish dinner donated by Lixey's Restaurant, East Tawas, at the Wednesday, May 16, meeting in the East Tawas Community Building.

Featuring the program was a biography of Dr. Ethyl Percy Andrus, founder of the National Retired Teachers Association and the AARP. Membership of the organizations has risen to five-million persons since 1958. Taking part in the memorial were the Rev. Joseph Dibley; Fred Francis, club president; Mrs. Irene Rhode, Mrs. Margaret Granger and Mrs. Dorothy Norris. Mrs. Genevieve Lomas accepted the book, "Power of Years" by Doctor Andrus, as a donation to the Iosco-Arenac Regional Library.

Eighty members traveled to Frankenmuth Friday, May 18, by bus to enjoy dinner there.

Members are to bring a sack lunch to the Wednesday, June 6, 12 o'clock noon, business meeting at the community building. Coffee and tea will be served.

OES Charter Was Draped

Charter was draped in memory of William Schaal and James Boomer at the Tuesday, May 15, meeting of Tawas City Chapter No. 303, Order of the Eastern Star.

Forty members were present to celebrate Mother's Day. Red geranium plants were given to Anna Schaal, Maude Rollin and Pearl Quick, oldest mothers; Bertha Montgomery, mother with most children, and Betty Herriman, youngest mother. Dianne Knight, worthy matron, read a poem honoring mothers.

Refreshments of salad and crackers were served by the committee, Ruth Goodman, Mrs. Montgomery and Isabelle Ballinger.

Nursery Group Meets May 29

General membership meeting of Tawas Area Cooperative Nursery will be held Tuesday, May 29, 7:30 p. m., at the Zion Lutheran School, Tawas City. All parents interested in enrolling their children for the fall term are urged to attend.

Permanent committees will be set up and fund-raising projects for the summer will be discussed.

For further information, contact Betty Look at 362-6490.

Paul R. Youngs Died May 20

A former school teacher at Tawas City Elementary Unit, Paul Roy Youngs of West Branch, passed away Sunday, May 20, at Veterans Hospital, Saginaw, at the age of 54, following a lingering illness. Funeral services will be conducted Wednesday (today), May 23, 1:30 p. m., at the Steuernol Funeral Home, West Branch, by the Rev. David Barnes. Burial will follow in Evergreen Cemetery, Hale.

Mr. Youngs was born December 2, 1918, in Bay City. He was a former East Tawas resident and lived in West Branch the past two years. He is survived by his wife, Thelma.

Honor Society Held Induction

Sixteen new members were inducted into the Tawas Area High School chapter of the National Honor Society during a ceremony held Monday night at the high school cafeteria.

Members inducted were Suzanne Hoshbach, Carol Kusey, Robbie Miller, Robert Rich, Bruce Weber, Rhonda Whitford, Debbie Butler, Christy Eaton, Randy Reed, Joanne Revord, Peter Sutton, Darlene Cybala, Charlene Shover and Theresa Sutton.

Two other students accepted into membership but who were unable to attend were Virginia Elliott and Jane Nelkie.

The organization stresses the following qualities in students: Scholarship, character, leadership and service.

Among those participating in the induction ceremony were the following officers: Rob Elliott, president; Albert Kushion, vice president; JoAnn Hatcher, secretary-treasurer. Mrs. Harold Knight is faculty sponsor.

Holiday Postal Service Curtailed

There will be no rural delivery or window service from the East Tawas or Tawas City branch post offices on Monday, May 28, Memorial Day. Both offices will be open Saturday, May 26, until 12 o'clock noon, and mail will be delivered on that day.

Cities Would Help Finance SS Centers

City councils of East Tawas and Tawas City voted Monday night to cooperate in a program to assist in operation and maintenance of a proposed senior citizen center in the Tawas area, should one be obtained by the county.

Resolutions adopted by each council indicated that the cities would pay equal 50 percent shares for operation and maintenance, estimated at \$900 for East Tawas and \$500 for Tawas City.

City Clerk Clyde Soper of East Tawas said that an advisory council had recommended that the county board of commissioners study the possible purchase of sites in the four main population centers of the county.

He said that congress is presently considering legislation which, if adopted, would provide \$5 annually for each resident of the county 60 years of age and older. He said this would mean an annual appropriation of around \$17,500 for this county.

In addition, he said that legislation is being considered to increase allocations to local areas for furnishing meals to senior citizens.

School

(Continued from page 1.)

He pointed out that 169 sixth graders would be moving into junior high school next fall and 116 seniors would be leaving school at the end of this term. He said that this increase in enrollment would only compound the present problem and mutual agreement would have to be reached on a method of coping with the problem.

School operational cost would increase through the split sessions due to additional bus runs at an estimated cost of \$35,000. Scheduling would be complex under the system, "but not that difficult," said Barry.

Additional staffing would be required if curriculum improvements are to be made. Robert Elliott, board president, said that the board of education had committed itself to reducing class sizes.

Alumni Track Meet Scheduled

Initial alumni track meet between present members of Tawas Area High School track team and past track team members will be held Saturday, June 2. Time of the meet is to be announced.

Anyone wishing to sign up must call Rob Elliott at 362-3635 or Al LaBlance at 362-2959 immediately.

Graduation Nearing For Hale Seniors

Programs honoring the 48-member senior class at Hale Area High School started last week with the junior-senior banquet Friday night at the St. Pius X Catholic Church and the junior-senior prom held Saturday night in the school cafeteria. Theme of the latter program was "First Time Ever," marking the first prom to be held in the new high school building.

Commencement exercises for the class of 1973 will be held Saturday, June 9, 8:00 p. m., in the high school gymnasium. Baccalaureate services are to be held at the individual churches.

Sixth Graders Enjoyed Trip To Greenfield

Sixth graders of Hale Area School visited Greenfield Village, Dearborn, May 15 and 16. It was a "first" for the school as the overnight trip was financed through candy sales and other fund raising activities sponsored by the class.

A school spokesman said that the historical significance of Greenfield Village; the eating, sleeping, traveling and communicating with a large group of students and adults in a different setting provided something that a child cannot experience in his normal routine.

Porter and Zella Sabin were called to the home of their son, Glen, in Swartz Creek last Sunday due to the death of his wife, Arlene. Their daughter, Alice Stevenson, drove them there and her husband, Donald, and their children attended the funeral at Linden on Wednesday. Glen has one daughter, Chris Ann, 11 years old.

Mr. and Mrs. Elwood Ruckle and Mrs. Muriel Curtis had Sunday dinner at the Ralph Graves home.

Thomas Brumfield is still in Tolfree Hospital for medical attention and tests.

Paul Youngs, husband of the former Thelma Miller, passed away early Sunday morning at Saginaw Veterans Hospital. They lived south of West Branch. Funeral services will be Wednesday, May 23, 1:30 p. m., at West Branch Assembly of God Church.

Students Start Enrollment At Hale School

Students in grades eight through 11 are being enrolled in classes for the 1973-1974 year at Hale Area School during the month of May.

Students are meeting in small groups to receive information and for counseling in selections, as well as to receive materials available for consultation with parents concerning next year's class choices.

Modular scheduling and nine-week grading periods are to be continued during the next term. School administrators are anticipating such changes as more in-class time for students, increased independent study, some new courses, a more structured commons and many improvements in the junior high school program.

Prin. Richard Dodge said he felt it is important that parents know about these changes and "are informed and involved in helping their son or daughter plan a school program."

TA Bravettes Won Over SS Central

Tawas Area Bravettes defeated Standish-Sterling Central, 69-32, in a track meet Thursday. The Tawas girls had 10 first place winners.

Receiving first place were: Tammi McKenzie, one-half mile, two minutes, 51.5 seconds; medley relay team (Edie Gardiner, Debbie Mooney, Debi Clark, Linda Kobs), two minutes, 5.6 seconds; 100-yard dash, Clark, 11.9 seconds; mile run, Bobbie Roach, six minutes, 43 seconds;

Gardiner, 220-yard dash, 28.9 seconds; Julie Youngs, 440-yard dash, 67 seconds; 440-relay team (Clark, Mooney, Kobs, Gardiner), 55.9 seconds; Clark, long jump, 15 feet, three-quarters of an inch; Kobs, high jump, four feet, seven inches.

Tawas won all three places in shot put, with Gardiner taking first, Lisa Morrical won second and Donya McKenzie won third. Mooney placed second in the hurdles with a time of 13.8 seconds.

Merit Scholarship winners, who were awarded four-year college scholarships by USG in 1973. Richard plans to major in pre-medicine at Northern Michigan University. The Lemons were guests at USG's annual stockholders' meeting.

Tawas Indies Lost Opener Sunday

Ken Blust, veteran outfielder-first baseman of the Tawas Indies, blasted a pair of home runs Sunday but it was not enough to offset a hard-hitting attack of Ossineke, which turned in 12 hits for a 16-8 victory.

With Blust's home runs in the second and third innings providing most of the thunder for the Indies' 10-hit attack, Tawas held a 5-4 lead at the end of 5 1/2 innings of play. Ossineke tied the game in the bottom of the fifth inning and then zoomed out in front with five runs in the sixth inning. The winners put the game out of reach with six more runs in the eighth inning.

Ossineke smashed four home runs off the combined slants of Chuck Petersen and Pat Jordan. Only two errors figured in the scoring from the Alpena County team, but Tawas City pitchers gave up 10 walks.

The Indies will play Lincoln here Sunday, May 27.

TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

The Upper Room

(Read Romans 10:10-13)
You will call upon me and come and pray to me, and I will hear you.

Prayer is thought of in many ways. While some think it is something only priests and preachers do, others think it is something only the self-centered pious do. Many do not seriously think that prayer is something they can do.

Prayer is the reach of our spirit outward—to God—to purity, to loveliness, to goodness, to honor, to justice. It is a reach inward—in solitude or in company—for harmony, health, peace. It is a wooing of the spirit of God within us.

What does praying depend upon? It certainly does not depend on our achievements in material or spiritual matters. It depends upon our willingness to pray. The underlying assumption is that God will listen to anyone who call upon Him in earnest. Prayer should grow to be more than a self-centered activity. It should be our spirit seeking to harmonize with the eternal Spirit.

God, then, is not anyone's possession to be used as one wishes. In the words of Jesus, "God is spirit, and those who worship Him must worship in spirit and truth."

PRAYER
O God, for the privilege of lifting our hearts to You, we are thankful. Help each of us to pray as our Saviour prayed, "Not my will, but thine, be done." Amen.

THOUGHT FOR THE DAY
Prayer is a wooing of the spirit of God within us.—Fred L. Maddox, Seattle, Washington.

15 Attended May 15 Meeting

Fifteen ladies were present at the Tuesday, May 15, evening meeting of the Nazarene Missionary Society, held at the home of Mrs. Rufus Martindale. Mrs. John Thomas, president, opened the meeting with prayer and Miss Gladys Klassen led in singing choruses.

Devotions were given by Mrs. Richard Abbott, who passed out several prayer promises.

Luncheon was served and the meeting closed by Mrs. Noah Pank.

Date of the June meeting will be announced.

Missionary to Present Talks

Miss Linda Klassen of Essex, Ontario, Canada, who is home on furlough after serving for 28 years in missionary work in Africa, will be in Tawas City Thursday, May 24, to give talks at two area churches.

She will be present at the 1:00 p. m. meeting of the Missionary Society of the First Baptist Church, Tawas City, at the multipurpose room. Members may invite guests to this meeting.

Miss Klassen will also speak at a special service and pot-luck dinner at the Reorganized Church of Jesus Christ of Latter Day Saints, Tawas City, beginning at 6:00 p. m. in the church dining room. Public is welcome to attend.

Miss Klassen is a sister of Miss Gladys Klassen of Tawas City.

Questions and answers about meat have topped the list in this month of May.

What can I use as a meat substitute? Is there any food that provides the same amount of food value as meat? Will any substitute satisfy my family's love for meat?

Fish, cheese, eggs, nuts, dried peas and beans and poultry are most often served as meat substitutes. Three ounces of cheddar cheese, one pint of milk, three-fourths cup of cottage cheese or one-third cup of peanut butter all provide the protein in three ounces of cooked lean meat.

If you use vegetables as sources of protein, you must eat a larger quantity to get the same amount of protein and the other nutrients supplied in meat. A vegetarian diet cannot be complete without some animal foods such as milk, cheese and eggs.

Iron is important in your diet and much of the supply comes from meat. So if you substitute milk or cheese for meat you need to watch

NOTICE TO THE ELECTRIC CUSTOMERS OF CONSUMERS POWER COMPANY OF ELECTRIC RATE HEARING

On April 18, 1973, Consumers Power Company filed an application with supporting testimony and exhibits with the Michigan Public Service Commission in Case No. U-4332, which requests authority to amend its retail electric rates so as to increase its retail electric revenues by approximately \$36,100,000 on an annual basis. On April 18, 1973, Consumers Power Company also filed an application in Case No. U-4331 with the Commission for authority to increase its rates for the sale of gas. At the hearing hereinafter noticed, the application to increase the gas rates, Case No. U-4331 will be heard concurrently with the application to increase electric rates, Case No. U-4332. In its application, Consumers Power Company has stated that significant increases in the cost of capital, fuel, taxes, wages, equipment, materials and supplies have had a serious adverse impact upon the earnings level of its electric business and that it has not been able to attain the level of earnings in its electric business found to be reasonable in the prior electric rate order of the Michigan Public Service Commission.

On July 5 and 6, 1973, the week of July 16 and the week of July 23, 1973 in the offices of the Commission, Law Building, Lansing, Michigan 48913 for the purpose of offering in evidence the direct cases of Consumers Power Company in Case Nos. U-4331 and U-4332, and cross-examining such direct cases of Consumers Power Company.

C. The Commission, on its own motion during the course of these proceedings, Case Nos. U-4331 and U-4332, will carry on an investigation and hearing into the existing rates, charges, revenue deficiencies or excesses, services, practices, procedures and operations of Consumers Power Company, and this investigation and hearing will not necessarily be confined to matters contained in Consumers Power Company's applications but will include all matters pertaining to the reasonableness and justice of its rates, charges, operations and practices as may be necessary to enable the Commission to determine whether the existing or proposed rates and charges are unreasonable and excessive and should be reduced or altered.

The Michigan Public Service Commission has scheduled hearings on the applications filed in Case Nos. U-4331 and U-4332 and on the Motion for Partial and Immediate Rate Relief in Case No. U-4332 and has ordered that notice be given that:

1. A prehearing conference be held at 9:30 a.m. on June 6, 1973, in the offices of the Commission, Law Building, Lansing, Michigan 48913, for the purpose of exploring and, if possible, agreeing upon matters which will expedite the proceedings in Case Nos. U-4331 and U-4332, including the following:
 - a. Determining the parties to the proceeding, the nature of their appearance and the positions they are taking in the proceeding.
 - b. Simplifying and defining the issues.
 - c. Obtaining admissions as to, and stipulations of, the facts not remaining in dispute, the authenticity of documents, and matters of public record.
 - d. Determining the number and identity of witnesses.
 - e. Specifying the schedule for the exchange of proposed exhibits and written testimony, and the reduction of oral testimony to written form.
 - f. Establishing procedures for the hearing.
 - g. Specifying a further schedule of dates of hearing.
 - h. Expediting any other matters that may aid in the orderly conduct of the hearing and the disposition of the proceedings.
2. A public hearing will be held at 9:00 a.m. on July 2, 1973 in the Auditorium of the Law Building, 525 W. Ottawa, Lansing, Michigan 48913, for the purpose of taking statements from ratepayers and representatives of consumer groups. Hearings will commence at 9:00 a.m. on July 3, 1973 and continue that week

D. Any party seeking to intervene in this proceeding, in accordance with Rule 11 of the Commission's Rules of Practice and Procedure, shall file with the Commission, at least five (5) days prior to June 6, 1973 an original and eleven copies of the petition to intervene together with proof of service upon Consumers Power Company.

E. Consumers Power Company, on or before June 6, 1973, shall serve upon each intervening party a copy of the written direct testimony of its proposed witnesses and proposed exhibits as filed with the Commission, and proof of service shall be filed with the Commission on or before June 6, 1973.

F. Public hearings shall be held, in addition to the dates aforementioned, at such times and adjourned dates as shall be determined by the presiding officer until the matter has been fully heard.

G. The rate increase described in this notice has been requested by Consumers Power Company. The Michigan Public Service Commission may either grant or deny the requested increase or may grant a lesser or greater increase than that requested.

Jurisdiction of the Commission in this matter is pursuant to Sections 1, 2, 6, 7 and 8 of Act 106, P.A. 1909, as amended (M.C.L.A. 460.551, 460.552, 460.556-8); Act 300, P.A. 1909, as amended (M.C.L.A. § 462.2 et seq); Sections 3 and 4 of Act 419, P.A. 1919, as amended (M.C.L.A. 460.53, 460.54); and Sections 4 and 6 of Act 3, P.A. 1939, as amended (M.C.L.A. 460.4, 460.6); and the Commission's Rules of Practice and Procedure, 1964 Administrative Code, as amended, No. 54, R 460.11 et seq.

A summary of the proposed rate changes showing the requested increases by classes of service in terms of dollars and percentage is set forth below:

Certificate of Baptism Is SS Proof

Question: I will be 62 this June when I retire. Since I was born in Germany, the only proof of age I have is a baptismal certificate, issued when I was a year old, but it is written in German. A friend told me I might have trouble when I try to use it because it is in German. Is my friend right?

Answer: No. Since your baptismal certificate was issued before you were five years of age, it is a preferred proof. Bring the certificate with you when you apply for retirement benefits. We will translate it into English and return the original to you.

Question: I am a self-employed fisherman and I am nearing retirement. Some of the other fishermen tell me they get social security benefits even though they make quite a lot of money during the year. How can this be?

Answer: Since fishing is often a seasonal business, your friends are probably getting benefits during those months when they have little or no work. Social security benefits can be paid for any month in which a self-employed person does not perform substantial services in his business.

Question: I am 18 and I will graduate from high school this spring. I get monthly social security checks because my mother gets social security disability payments. I know my checks will continue until I am 22 if I go to college full time. Since I will need to work part time, can you tell me what social security considers full-time college attendance?

Answer: Full-time attendance is usually a course load of 12 semester hours or more; but since this can vary from school to school, the Social Security Administration will usually accept the school's standard of full-time student.

Question: I am a college student, and I get monthly social security checks. I work at both a part-time and a summer job and, because I earned \$2,500 last year, I had to refund an overpayment to social security at the end of the year. How can I prevent this same thing from happening again this year?

Answer: If you know your earnings for this year will exceed \$2,100, notify your social security office right away. If you know how much you will earn this year, your checks will be stopped only for the number of months required to make certain you are not overpaid for the year.

Crooks at Work; Ask Identification

Did you ever hear the not-so-funny story about the elderly man or woman who was fleeced by an unscrupulous thief posing as a utility company repairman?

No? Then read your favorite newspaper or listen to your favorite radio or television station within the next few days and you will learn about it. J. G. Huck, area operations manager of Consumers Power Company's Tawas area, said today, "It happens every year about this time. The crooks come crawling out of hibernation, often posing as Consumers Power employees, sweet talking or scaring the daylight out of some unsuspecting victim. A short time later, the victim and his money are soon parted and the crook has departed to safer areas."

"Usually," Mr. Huck said, "the crook leads the victim to believe that there is a gas leak or a bare electric wire in or around the victim's house. The crook says he will fix it right away for a sum of money. (Depending on how much the victim has around the house.) After he has the money, the crook is gone."

How can you guard against frauds of this nature? "Easily," says Mr. Huck, "simply ask for identification and look around for the familiar vehicles driven by Consumers Power employees. Employees who investigate gas lines or electric power lines will normally be driving a vehicle clearly marked with Consumers Power Company's symbol. Each employee will have complete identification including an official card with his photograph on it."

"Consumers Power does not inspect interior wiring or in-house gas lines at any residence, except in those cases where the customer may request it. Even then, the company does not perform any rewiring service."

"Visits are usually made to households by company personnel for 'trouble' or service calls at the homeowner's request or for routine 'meter readings.' If you are visited by anyone claiming to be a Consumers Power employee who cannot identify himself, try to get his name and vehicle license number, if possible, and phone the local Consumers Power Company office about this immediately."

SAFETY TIPS
IT'S DANGEROUS TO JAYWALK
Jaywalkers are a double danger; not only do they risk their own safety, but they also cause traffic jams and vehicle collisions. Taking the time to cross only at corners may mean saving your life and the lives of others. Hale Students Study State-Local History

During the last nine weeks of the school year, seventh graders at Hale Area School have been working on a combined Michigan history-local history unit.

Students are examining the Evergreen Cemetery to "discover something about the community's past" through epitaphs, family plots and unusual markers; making a map of the Hale business district to gain an understanding of how communities are organized.

Other activities during the month include a presentation on Indian artifacts in correlation with the study of Michigan's heritage, a presentation by several clergymen on Hale's religious history and the many different denominations in the community, an end of the month field trip to the state Capitol and the Michigan Historical Commission Building at Lansing.

"Hopefully, this unit will give the seventh grade an opportunity to explore both Michigan and local history in new and unusual ways," states Randy LaLonde, instructor.

WITH COMPLETION of the new wooden bridge crossing the Tawas River at First Street, contractor for the City of Tawas City has moved to the mouth of the Tawas River where work has commenced on constructing a retaining wall along Ninth Avenue. High water in the bay, coupled with deterioration of the old retaining wall constructed in 1950, endangered Ninth Avenue with erosion of the west river bank. A new wall is to be constructed using treated timbers and piling. When this project is completed, the contractor is to move to Mathews Street to begin construction of a new wooden bridge at that point.—Tawas Herald Photo.

Realtor Week Observance Set May 20-26

Serving the real estate needs of all America will be emphasized by the Northeastern Michigan Board of Realtors May 20-26 as part of the National Observance of Realtor Week.

With the theme, "Pride in, respect for, the property of America," Realtor Week activities will seek to increase public awareness and appreciation for the American system of real estate ownership.

"One of the fundamental strengths of our society is the ownership of real property," Realtor Mark Huston, president of the Northeastern Michigan Board of Realtors, said. "Evidence of this fact is the ownership by nearly seven out of 10 American families of their own homes, a record equaled by few nations."

According to Realtor Lou Kramer, general chairman of National Realtor Week, the Northeastern Michigan Board of Realtors is one of 1,600 local boards and state associations of the National Association of Realtors to which the 110,000 realtors of America belong.

DON'T WASTE
NATURAL GAS.

Bea Rankin is no "pot-watcher"— but her Gas range is.

That's because Bea's Gas range has the Burner-with-a-Brain—the Gas-saving feature that provides the exact amount of heat for every food. So if Bea is busy elsewhere, or just plain forgets, her Burner-with-a-Brain adjusts the heat for her—automatically.

Today, Natural Gas does so many things so well—so inexpensively—that we should make sure we don't waste it.

You can help conserve Natural Gas if you'll cover your saucepans for faster cooking, use the lowest heat required for the job, cook one-dish skillet meals occasionally, and use a pressure cooker for steam cooking.

And if your range needs replacing, see the new, efficient, Gas-saving models at appliance dealers or Michigan Consolidated Gas Company business offices.
