18 Persons Jailed in Iosco Over Holiday

Iosco Sheriff's Department re-ported Tuesday that 18 persons were jailed over the week-end on charges ranging from drunkenness to the use of dangerous drugs. During the week, officers investigated four automobile accidents with personal injuries, five motorbike accidents and one tavern fight.

A child sustained minor injuries Friday afternoon in a two-car col-lision at the intersection of Whitte-more Street and Fourth Avenue, Tawas City. Drivers involved were Clifford J. Becker, 69, Tawas City, and Darlene M. Blust, 36, Tawas City. Harold A. Blust, two years of age, a passenger in the latter car, restricted and seed of the control of the co sustained minor injuries and was treated at Tawas Hospital. Officers said that Becker failed to yield the

right of way.

John Espilund, 26, Oscoda, was treated Monday at Tawas Hospital for injuries received in a crash on US-23, AuSable Township. The car, driven by William H. Espilund, 19, crashed into the disch

Michael A. Stramaglia, 16, Sterling Heights was treated Saturday at Ta-was Hospital for head injuries re-ceived in an accident at Gordon Creek Campgrounds. Officers said the victim was riding on the trunk of a car and fell to the ground.

Bryan G. Vazquez, 18, Flint, and Donya R. Dudley, 15, Maplewood, received minor injuries Sunday in a motorbike crash on Monument Road,

Milber Township.

Matthew C. Glendenning, 16, Utica, was treated at Tawas Hospital Sunday after swerving his motorbike to avoid a collision on Monument Road.

Mark R. Grandstaff, 18, Detroit, was treated at Tawas Hospital Saturday of the least section of the le

day after he lost control of his motorbike and struck a tree on Cooke Dam Road. Michael C. Rowan, 19, was treated Saturday at Tawas Hospital for in-juries received when his motorbike

was struck from the rear by a car on Monument Road. Michael J. Ballor, 19, Bay City, was treated at Tawas Hospital Friday for injuries he received when his motorbike struck a car parked on

US-23, Tawas City. Investigation continues into brawl early Sunday morning at the Hale Tavern. Officers said that a fight apparently started over a pool game. Chairs and windows were broken and one subject was seriously lacerated by broken glass. Officers said that two shots from a small cal-iber handgun were fired into the

Alcoholism-Drug Abuse Conference

The eighth in a series of nine labor-management conferences on alcoholism and drug abuse will be held at Gaylord on Friday, June 1, it was announced today by Dr. Maurice S. Reizen, director, Michi-gan Department of Public Health. Conferences have already been held at Kalamazoo, Lansing, Muskegon, Saginaw, Flint, Detroit and Marquette. The remaining conference is scheduled for Grand Rapids.

The Gaylord conference will be held at the Holiday Inn. It will be attended by leaders and administrators of labor, management, the community, local government and business from 25 Northern Michigan Isabella, Osceola, Clare, Gladwin, Arenac, Iosco, Ogemaw, Roscommon, Missaukee, Wexford, Alcona, Oscoda, Benzie, Grand Traverse, Kalkaska, Crawford, Antrim, Otsego, Montmorency, Alpena, Charlevoix, Cheboygan, Presque Isle, Emmet and Leelanau.

The purpose of the conference is to assist labor and management in developing occupational programs for combating alcoholism and drug abuse. State occupational program consultants will present the needs, potentials, techniques, mechanics and resources for programming.

"If left uncontrolled, alcoholism and drug abuse can lead to on-thejob accidents, absenteeism, inferior performance and ultimately loss of the employee," said Dr. Reizen. "We want to help both labor and management in coping with these costly problems."

The conferences are the first of their kind in the state's fight against alcoholism and drug abuse. They are sponsored jointly by the Michigan Department of Public Health and the governor's office of drug abuse and

> STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE BUREAU OF ANIMAL INDUSTRY LANSING, MICHIGAN

Department of Agriculture Regulation No. 133 Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.

2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.

3. Exhibition coops must be thoroughly cleaned and disinfected, both prior to and following such exhibition.

4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.

5. Litter for exhibition coops must be of clean material and be renewed daily or oftener as needed. 6. Shipping crates used in shipment of birds by common car-

rier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room.

7. No bird shall be handled by anyone other than the attendant and the judge after they have been placed in exhibition coops.

It is recommended that all birds exhibited at fairs and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

-Rules-Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award. Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the fol-

A. Pullets: 1. Rapidity of growth.

lowing:

Depth of pigment. 3. Uniformity of shape and size.

4. Promise of egg production. 5. Absence of defects and disqualifications.

B. Mature Birds (Hens): 1. Degree of bleaching. 2. Condition of abdomen (spread and pliability).

3. Absence of new primary wing feathers. 4. Alertness of head and eyes.

5. Body weight, conformation and fitness. 6. Absence of defects and disqualifications. It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds

may take back some disease to the farmer and injure his egg

production of his farm flock, if such disease is infectious and of the type which will lower his egg production. A pen entry shall consist of two females and one male. (Classifications: Cock, Cockerel, Hen, Pullet.)

be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.

3. All livestock from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin. Such animals shall meet Michigan requirements for importation into Michigan.

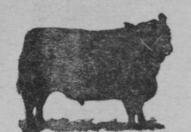

CATTLE

Cattle may not be exhibited from a quarantined premise or a quarantined area except upon permit from the Director of Agriculture or his authorized agent.

All cattle must be identified by ear tag, tattoo, or registration number.

Cattle from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin certifying that the animals meet Michigan requirements for importation.

OUT OF STATE FEEDER CATTLE

Feeder cattle originating in other states being held in quarantine on feeder permits may qualify for exhibition in the following

1. Steers must pass a test for tuberculosis and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested. Such steers must be accompanied by copy of test chart ADE Form 22.

2. Male and female feeder cattle must be tested for tuberculosis within 90 days of opening day and animals over one year of age must pass a test for brucellosis within 90 days of the opening day of the fair or exhibition and shall have been removed from the feed lot and held separate from the quarantined feeders after having been rested.

SWINI

Requirements provided in Michigan Department of Agriculture Regulation No. 117:

1. All swine for exhibition must be

free from infectious and contagious disease.

2. Native swine are not required

to be vaccinated against hog

cholera.

3. No swine shall be presented for exhibition purposes which have originated from any garbage feeding premise or that are in a quarantined area for the prevention of the spread of vesicular exanthema; or if a quarantine is on the premise for any reason (except upon a permit from the Director of Agriculture or his authorized agent.)

Michigan State Fair Spe	cial		

Michigan State Fair Community Arts Department will award a special gold ribbon in each of the classes listed below. The winner of each ribbon is especially invited to exhibit the article on which the award is made, or in the case of perishable products, a comparable article at the next Michigan State Fair.

The ribbon will designate the exhibit as a special State Fair display entitling the winner to free entry of the exhibit and a complimentary pass to the next State Fair.

ALL COUNTY FAIR EXHIBITORS, as well as gold ribbon winners, are invited to enter their handiwork at the State Fair. Write to the Community Arts Department, Michigan State Fair, Detroit, Michigan 48203, for your copy of the Premium Book and an entry form.

WILLIAM G. MILLIKEN Governor of the State of Michigan

Michigen agriculture which help to make our state a pleasant piece to

Each year less land is devoted to farms, yet production continues to keep pace with our expending population. As urbenization continues, some of our prime agricultural land is lost to other uses. Eventually,

is is a pleasure to extend an official welcome to you for the 1973 Weir. It is my hope that, as you examine the fine exhibits, you will gala as even greater appreciation of the Breat Lake State.
