

# Brugger Wins by Nine Votes

It was a bitter cold November day, but electioneering was hot in Tawas City!

Tuesday's general election saw one of the closest mayoral votes in city history. Mayor John N. Brugger was elected to his second two-year term as he defeated his challenger, Mrs. Mildred DeBeau, by only nine votes—293-284.

A total of 592 out of 1,072 registered voters went to the polls. Four persons each in Ward One and Ward Two cast ballots without voting for mayor, while seven persons did not vote for either candidate in the Third Ward.

Brugger had 94 votes in the First Ward, 106 votes in the Second Ward and 93 votes in the Third Ward. Mrs. DeBeau had totals of 86 votes in the First Ward, 98 votes in the Second Ward and 100 votes in the Third Ward.

In the primary election last August to select candidates for the November election, Mrs. DeBeau received 184 votes as compared to 145 votes for Mayor Brugger.

Mrs. DeBeau is the first woman ever to run for the office of mayor in Tawas City.

There will be one change in the makeup of the city council on January 1. Of the 12 candidates running for aldermen on a city at large basis, Ald. Edward Savage was the seventh highest vote getter and defeated for the position.

The new alderman will be William Ezo, who received 322 votes and is one of three councilmen elected to four-year terms. The other two candidates elected to four-year terms were James Lansky, who totaled 449 votes, and William L. Groff, 348 votes.

Elected to two-year terms were Chester Smyczynski, 308 votes; Clark Tanner, 296 votes; Robert N. Rollin, 284 votes.

Other defeated candidates besides Savage were Russell Carney, 212 votes; Reginald K. Look Sr., 178 votes; Jerry J. Snoblen, 157 votes; Robert W. Pawloski, 139 votes; Jack "Ollie" Johnson, 129 votes.

Voters gave overwhelming support to a proposal authorizing the city to issue \$41,000 in general obligation bonds to finance construction of a much-needed sewer force main between the Second Avenue lift station and the waste water treatment plant.

Mrs. Mary Byrd, city clerk, said that because of the close vote for mayor, the losing candidate may request an official recount by the county canvassing board.

All candidates in the election were on a non-partisan basis, under terms of the city charter.

## Council Sets Hearing on Special Tax Districts

Resolutions calling public hearings for the establishment of three special assessment districts to finance sanitary sewer construction were adopted Monday night by the Tawas City Council.

Plans and specifications for the three projects totaling an estimated \$240,000 are on file and may be inspected at the city hall. A public hearing to hear objections, if any, is to be held Monday, November 19, 7:30 p. m.

Following a recent meeting with a representative of the bonding firm of Miller, Canfield, Paddock and Stone, along with Edmonds Engineering, the city decided to take immediate steps toward establishment of the special assessment districts in order to issue bonds over a two-year period.

Special assessment bonds are limited to 24 percent of the city's total state equalized valuation in any one year. With a valuation of \$8,300,000, the annual limit would be approximately \$205,000 and the city proposes to issue \$200,000 in 1973 and the balance in 1974.

Establishment of the three special assessment districts is part of a three-phase program under study by the city for more than a year. Other portions include construction of a new force main to connect the Second Avenue lift station with the waste water treatment plant upon which a general obligation bond proposal was placed before voters Tuesday, and a proposed \$74,000 loan from the Farmers Home Administration for water system improvements.

Under the special assessment sewer improvement program, to be considered November 19, \$40,000 of the

\$240,000 total cost of the three projects would be paid by the city at large.

District No. 1, comprising the River and Spring Street area, has a total estimated cost of \$150,000. This includes 730 feet of 10-inch sewer, 3,494 feet of eight-inch sewer and a river crossing. The city's share of the project would be \$58,000 (including the river crossing and 10-inch main). A total of \$119,000 would be spread as a special assessment tax on a \$21.45 per front foot benefit.

District No. 2, comprising property abutting US-23 on the northwesterly side from Hale Street southwest to the Hobby Lot, consists of 1,170 feet of eight-inch sanitary sewer. The city's share of the project is \$2,500 with \$22,500 to be spread as a special assessment tax based on \$25 per front foot benefits.

District No. 3, comprising property

abutting US-23 on the northwesterly side from 264 feet northerly of Woodward Street southwest to Elms Avenue, consists of 1,970 feet of eight-inch sanitary sewer. The city's share would be \$6,500 with \$58,000 to spread in a special assessment tax on the basis of \$38.14 per front foot benefit.

Because of location, terrain, ground water table and other factors, the per front foot cost for construction varies in each district.

The above three districts include service leads and connections at each lot line. This is in line with a policy adopted by the city council to eliminate the necessity of extra expense involved in tearing up streets during sewer connecting.

Two other projects to be considered for special assessment districts in the future include Margo Street-Michigan Avenue and Victoria Lane.

## Wage-Salary Hikes Granted by City

A 30-cent-per-hour wage increase was granted hourly workers in a new wage and salary package adopted Monday night by the Tawas City Council.

Under the new schedule, the hourly rate of one laborer has been increased to \$2.95 and a second laborer has been advanced to \$3.25; three truck drivers are to receive \$3.45 per hour; one equipment operator is to receive \$3.65 per hour.

In addition, the vacation schedule was expanded. Prior to adoption of the new schedule, hourly workers received three vacation days per year until a maximum of 12 days at the end of four years. Two additional days have been granted at the eighth year, 12 years and 20 years.

In addition, workers receive Blue Cross hospital insurance fully paid for the employee and family, a retirement plan with full paid service paid by the city, six paid holidays per year, one day sick leave per month with 30 days accumulation.

Salary of the office clerk was raised \$600 to \$4,600 annually; city foreman, an increase of \$115 for an annual salary of \$8,900; librarian, an increase of \$233.50 for an annual salary of \$2,700.

Mrs. Mary Byrd, who is filling out the balance of her elective term as treasurer and appointed to succeed the late Walter Nelson as city clerk, is to receive \$5,000 annually effective January 1. Under terms of the city charter, the clerk-treasurer position may be combined into one position

and appointed by the city manager.

The city council was unanimous in its endorsement of the performance of Reginald Bublitz in his first year as city manager. He had served as superintendent of public works prior to the effective date of the city charter. Annual salary of the city manager was raised from \$10,500 to \$12,500.

As a means to provide more time for the city manager to administer the city operation, the council authorized the hiring of an additional secretary for the city hall.

## Tawas City DPW Lists Building Applications OK'd

Building applications approved by the City of Tawas City during the past two weeks are as follows:

Richard Bertsch, 404 North Street, 10 by 10-foot metal storage building, \$1,800; Joseph M. Smith, 1021 Lake, 12 by 14-foot addition to enclose between two cottages, \$1,000; Charles Stonehouse, 318 North Street, roof, \$200; William M. Brown, Twelfth Avenue, 12 by 44-foot dwelling, \$14,000; Robert Gaften, 643 Lake Street, repair, \$300.

A certificate of occupancy was issued to Gene Klenow, 643 Lake Street, operate bookkeeping and tax service.

SENIOR CITIZENS SERVICE CENTER in Tawas City is located in the American Legion Hall. This center, along with three others in Isosco County, is in need of volunteers and equipment.—Tawas Herald Photo.

## TA Senior Citizens Service Center Needs Volunteers

"We have a desperate need for equipment—particularly coffee makers—and volunteers," states Mrs. Lee Stringer, project director for Isosco's three senior citizens service centers.

Funded under a federal grant in cooperation with the county board of commissioners, three senior citizens service centers are in operation at Hale, Sand Lake and Tawas City. A fourth center is scheduled to open this week to serve the Oscoda area.

Mrs. Stringer said that 58 persons attended a pot-luck dinner last Wednesday at the Tawas City Center, located at the Jesse C. Hodder Post, American Legion.

"These community centers offer senior citizens a place to meet people with similar interests, the centers provide recreational and handicraft activities, as well as an outlet for information," states Mrs. Stringer.

One important service now provided at the centers is transportation. Under a federal grant, two new station wagons are provided to take Isosco senior citizens to appointments with physicians and dentists, provides a means by which persons unable to drive can do their shopping and other activities. Transportation was provided to 22 different individuals last week and the service is available Monday through Friday. Reservations one day in advance are required.

The "Dinners to Doors" project, which proved so successful during

the past year, is to be resumed in December. All residents who participated last year and persons interested in this year's project are urged to attend a meeting Thursday, November 8, 7:30 p. m., at the East Tawas Community Building.

A Thanksgiving banquet is planned

November 20 at the Tawas City Center. Persons desiring to attend are to make reservations by November 14.

The centers provide counseling service and a visitation program.

In addition to Mrs. Stringer, the staff includes six part-time aides to operate the centers.

## Parking Lot Tax District Hearing Set

A public hearing on a proposed \$150,000 special assessment district to finance the development of a parking lot has been set for Monday, November 26, 7:30 p. m., at the East Tawas City Hall.

Under consideration by the East Tawas Council for nearly five years,

the project proposes to purchase the present privately-owned A&P parking lot, as well as to lease lots from Christ Episcopal Church for parking lot development.

The total cost includes \$11,159.50 for land acquisition, \$26,238 for construction, plus legal costs. Approximately 40 property owners are involved in the proposed special assessment district.

In other business conducted at Monday night's council meeting, two bids were accepted for review by the insurance committee on a proposal to provide an insurance appraisal service for building replacement. Marshall and Stevens entered a bid of \$2,500 with an annual cost of \$200 for updating the appraisal. Manufacturers Appraisal submitted a bid of \$2,400, but did not include a cost for annual update.

The council endorsed Robert Marsh's nomination to the Department of Natural Resources advisory board concerning shoreline erosion.

## Sheriff's Dept. Lists Weekly Investigations

One personal injury accident, a cottage burglary, a larceny and a currency tampering complaint were investigated last week by Isosco Sheriff's Department.

Maxin Burnask, 46, Davison, was treated at Tawas Hospital Sunday night after his car ran off M-55 at Sand Lake Road and struck a tree.

A burglary of the E. L. Daniels cottage, 2335 Kokosing Road, Plainfield Township, was reported Thursday. Entry was made by slashing a screen and prying open the front door.

Joseph Bissonnette, Sage Lake Road, Plainfield Township, reported Friday that \$130 worth of recording tapes had been stolen from his auto.

A bogus \$10 bill was discovered in the cash register of Hale Shell Station Friday by James Cooper. A customer apparently had passed a \$1 bill which had been changed to look like a \$10 bill.

## Sprinkler Fails to Turn Off

Extensive water damage was caused at the Holland House, East Tawas, on Saturday afternoon when a sprinkler fire extinguisher system failed to shut off following a blaze in a third floor apartment. East Tawas firemen said that persons in the building did not realize there had been a fire until water began to seep to the two lower floors.

## Second Man Dies From Crash Injuries

An accident the night of Tuesday, October 30, claimed the life of its second victim last Thursday.

Succumbing to injuries received in a one-car crash on US-23 at AuSable Point Road was Alphonso Williams, 25, who died at Wurtsmith Air Force Base Hospital.

Williams is believed to be the driver of a northbound auto which went out of control and rolled over while going around a curve.

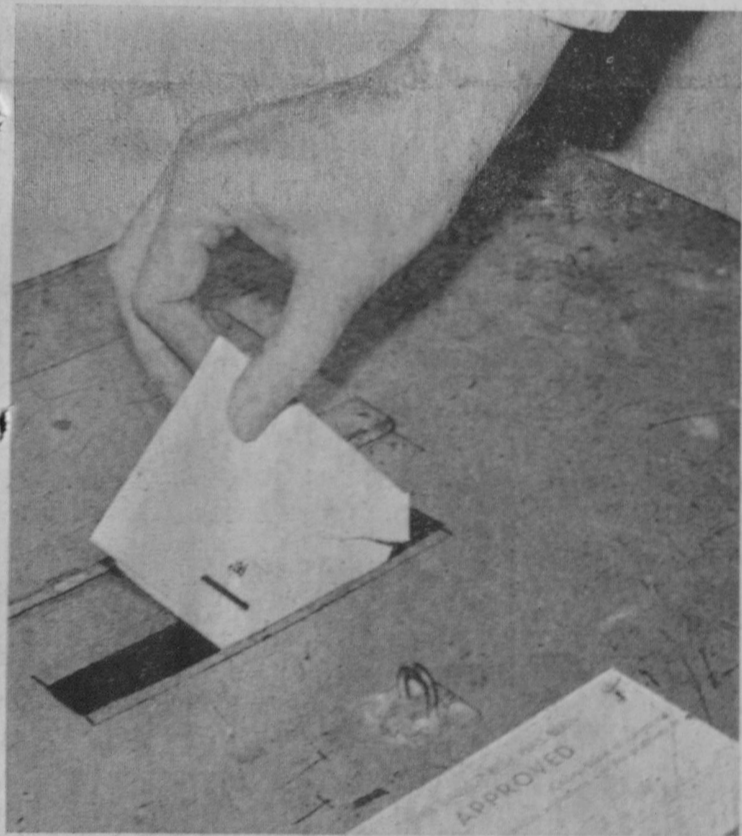

The first victim of the accident was Otis Freeman, 24, who was pro-

nounced dead October 30 at Wurtsmith Air Force Base Hospital. Dr. James Jacques, county medical examiner, said that death was caused by a fractured neck.

Investigating state police from East Tawas said the car in which the two airmen were riding was apparently traveling at a high rate of speed.

The car went out of control, slid sideways off the shoulder and into a ditch. The car struck a culvert, rolled over and both victims were thrown from the vehicle.

## Election Day 1973

## New Surgeon Joining Tawas Hospital Staff

Dr. Jose F. Fuentes, a surgeon, will be joining the medical staff of Tawas Hospital on November 10. His temporary office will be located in the hospital annex until his offices are completed for occupancy around December 1 at 325 Hemlock Street, Tawas City.

Born and educated at Manila, Philippines, he is a graduate of the University of St. Thomas, Manila. He served his internship at St. Clare's Hospital, New York City, New York.

He was in general surgery residency at Sydenham Hospital, New York City, for four years and later served as assistant surgeon at Brigham Hospital, Boston, Massachusetts, and Queen's Hospital, Long Island, New York, in thoracic-cardiovascular surgery with private practice in New York City.

He is a member of the New York County Medical Society and the Bronx Surgical Society. He is licensed to practice in New York, New Jersey and Michigan.

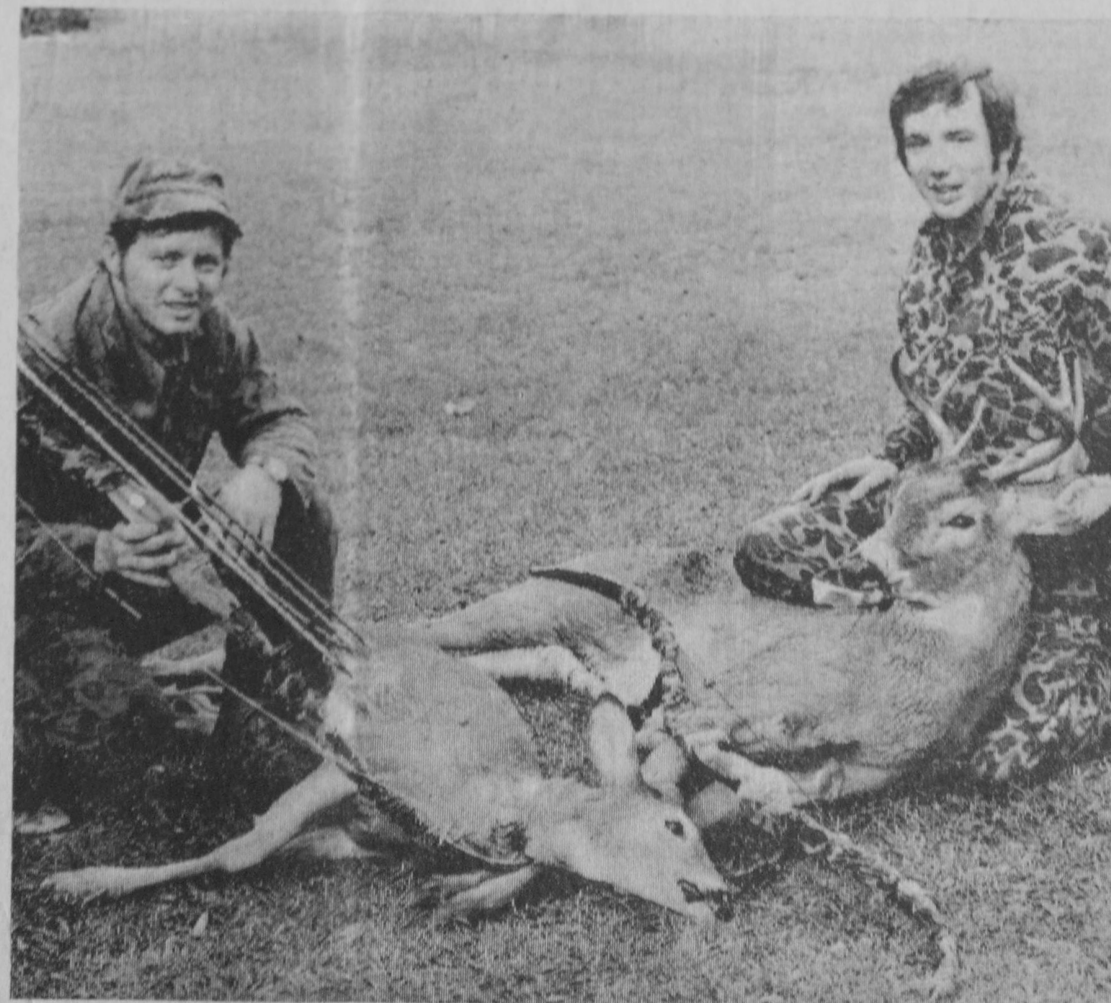

Doctor Fuentes, his wife and four children will reside at 1290 Tawas Beach Road, East Tawas. He will primarily be doing general surgery but will take some general practice.

## Hunting Camp Hit by Vandals

Michigan State Police from East Tawas are investigating a complaint of breaking and entering and malicious destruction at the hunting camp of Ralph Lipp, Section 16, Sherman Township, about one-quarter mile north of Alabaster Road. A front door lock had been shot off the cabin. Appliances on the interior were riddled by .22 caliber rifle slugs.

## Bank Applies for New Branch

Farmers and Merchants State Bank of Hale has made application to the Federal Deposit Insurance Corporation for application to establish a branch at Glennie, Alcona County. The application was accepted for filing on November 2. The bank's main office is at Hale and it operates branches at Whittemore and Rose City.

AFTER HUNTING in various parts of the state since October 1, two Flint brothers bagged bucks Sunday near the Tawas during the 1973 archery season for deer. Richard Parkhurst, right, shot a nice eight-point buck late Sunday evening and then had to return to the woods Monday morning to track it down. Michael

Parkhurst, left, shot a "button" buck Sunday afternoon. This is the second time since they have been hunting together that they have filled their licenses on the same day. They are sons of Mr. and Mrs. Donald Parkhurst of 207 East Bay Street, East Tawas.—Tawas Herald Photo.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

## Baptist Church Scene of Clements-Warnes Nuptials

Arrangements of white gladioli and orchid chrysanthemums formed a floral background in the First Baptist Church, Tawas City, for the marriage Saturday, November 3, of Hope M. Warnes and Robert M. Clements. The Rev. Sidney Rowland performed the 3 o'clock, double ring service. Mrs. Walter Clements was the organist.

## Legion Post Meets Thursday

Monthly meeting of Jesse C. Hodder Post No. 189, American Legion, will be held Thursday, November 8, 7:30 p. m., at the Legion Hall, Tawas City. All veterans and Legion members are urged to attend.

## Hubbard Lake Artist Slates Demonstration

Sue Williams, an artist from Hubbard Lake, will give a water color painting demonstration at the regular meeting of Tawas Bay Artists Thursday, November 8, 2:00 p. m., in the Ladies Literary Clubrooms. Hostesses will be Mrs. Marvin Stefens and Mrs. Walter Wujek. Members and friends are urged to attend.

## Sand Lake Couple to Mark 50 Years of Married Life

Mr. and Mrs. Walter W. Broom of Sand Lake mark their 50th wedding anniversary Saturday, November 10. Following a family dinner, they will leave for Gulf Shores, Alabama, to spend the winter.

## Towns-Osborne Marriage Vows Said October 27

Sandra L. Osborne and Robert L. Towns Jr. exchanged marriage vows Saturday, October 27, at Tawas United Methodist Church, East Tawas. The Rev. Kenneth Tousley officiated at the 6 o'clock service.

## ET Garden Club Meeting Nov. 12

Answer to roll call at the Monday, November 12, 8:00 p. m., meeting of the East Tawas Garden Club will be the naming of a flower and a memory it recalls. Members are asked to gather at the council room of the East Tawas City Hall for the program, "Fragrance in the Garden and in the Home."

## Slide Show to Feature Audubon Meet.

Public is invited to participate in a pot-luck dinner and indoor meeting of the Iosco Audubon Society Thursday, November 8, at the Oscoda Area High School library. Dinner will begin at 6:00 p. m. Those attending are to bring individual table service and a dish to pass.

## Three Students Receive Degrees

Three students from Oscoda were among the 650 students awarded degrees at Central Michigan University, Mt. Pleasant, at the end of the summer sessions in August.

## Honored Oct. 28 at Shower

Misses Debra Anschuetz and Karen Cholger hosted a pink and blue shower Sunday, October 28, for Mrs. Dale Humbert of Midland at the home of Mrs. Andrew Anschuetz.

The honored guest opened many lovely gifts. Games were played and lunch served.

## About PEOPLE YOU KNOW

### Tawas City

Mr. and Mrs. John Novak visited relatives in Detroit Sunday.

Mr. and Mrs. James Prigge; daughter, Mary, and son, Charles, of Superior, Wisconsin, visited Mr. and Mrs. Clarence Murphy a few days last week.

Attending the Michigan Square Dance Convention at Cooz Hall, Detroit, Saturday were Mr. and Mrs. Terry Montgomery and Mr. and Mrs. J. W. Pickering of East Tawas and Mr. and Mrs. George Edwards and the Frank Zujkowskis of Oscoda.

Mr. and Mrs. Orville Moore and daughter, Marian, visited their son and daughter, Care Moore, and family at Alpena Sunday. Care is a sixth grade teacher in the Oxbow Elementary School, Alpena.

Mrs. Felix Hartman has returned home after spending the past week in Detroit. Mrs. Bertha Storke, who had been a guest in the Hartman home, accompanied her to Detroit before returning to her home in Milwaukee, Wisconsin.

Neison Marsa has returned to his home in Washington, D. C., after visiting his father, Herbert Marsh, for several days.

Mrs. Donna LaCombe and Mrs. Joan Rapp recently attended a fashion hair show at the Bavarian Inn, Frankenmuth.

Recent guests of Mr. and Mrs. Clarence Murphy were Mr. and Mrs. Paul Borman of Detroit.

Celebrating their 40th wedding anniversary October 28 were Mr. and Mrs. Herman Moehring. Here to join them were Mr. and Mrs. Fred Moehring of Detroit; the Rev. and Mrs. Robert Moehring of Algonac; Dr. and Mrs. John Fackler of Cleveland, Ohio; Mrs. George Schumann and Marie Schumann of Grosse Pointe Woods; the William Pinkertons of Alpena; Mrs. Ruth Fackler, Jacqueline Judd and Richard Moehring of Toledo, Ohio.

The Rev. and Mrs. Russell H. McKenzie of Highland Park, former residents of East Tawas, visited friends here over the week-end.

LEONA PETERS

## Named DAR Good Citizen at W-P School

Leona Peters, a senior at Whittemore-Prentiss Area High School, has been named Daughters of the American Republic Good Citizen of the Year at that school. She was one of several girls nominated for the position by her senior classmates with the final decision made by a faculty vote, based upon dependability, service, leadership and patriotism.

Miss Peters was scholastically at the top of her class at the end of her junior year. She is presently in a cooperative training program at her high school and is working in a dentist office in West Branch. She plans to attend Delta College, University Center, or Ferris State College, Big Rapids, to enter a field of dental assistant or hygienist.

Last year, Miss Peters earned a letter in girls' basketball and participated in track. Class citizenship awards were presented to her as a sophomore and junior. She has won scholastic honors in mathematics and English and was named Betty Crocker Homememaker of the year as a freshman. She has been a class officer for two years, served as class treasurer last year and is presently co-editor of the yearbook.

Miss Peters is the daughter of Mr. and Mrs. Glen Peters of Whittemore and is serving as an officer of both Future Farmers of America and 4-H.

CELEBRATING their 50th wedding anniversary on Saturday, November 17, will be Mr. and Mrs. Clyde Montgomery of Tawas City. An open house for relatives and friends is to be hosted by their six children from 4:00 to 8:00 p. m. at the American Legion Hall, 102 River Street, Tawas City.

## McIvor News

Mrs. Arthur Ranger was hostess to the Merry Neighbor Club Thursday. After the meeting, games were played. The hostess served a delicious lunch. Mrs. Clyde Wood was a guest.

Mr. and Mrs. Melvin Marsh spent a few days last week visiting relatives in Flint.

Mr. and Mrs. Ronald Schroeder and family of Pontiac spent the week-end at their National City home.

The Lawrence Jordan family of Flint enjoyed the week-end with his parents, Mr. and Mrs. John Jordan, and family.

Mr. and Mrs. Allen Edmore and family visited his mother, Mrs. Ida Kohn, last week-end.

Mrs. Jerry Kendall, Mrs. Dale Wood and their mother, Mrs. Burton Freel, spent Monday in Saginaw.

Mrs. Mary Jordan and daughters, Sue and Rita, were callers in East Tawas Thursday.

Mr. and Mrs. Richard Schroeder and family of Ann Arbor spent the week-end at their home here.

Mr. and Mrs. James Harten visited Mr. and Mrs. Arthur Ranger one day last week.

Mr. and Mrs. Joseph Rabideau and family of Auburn, Mr. and Mrs. William LaFrance and child, Mr. and Mrs. Leo Sylvester and family of Midland and Mrs. Louise Sylvester of Whittemore were supper guests of Mr. and Mrs. Harold Parent Sunday evening.

Mr. and Mrs. Orville Strauer were Sunday guests at the Clyde Wood residence.

Mr. and Mrs. Howard Kohn of Detroit visited his mother, Mrs. Ida Kohn, this week-end.

Mr. and Mrs. William Draeger were callers in Whittemore Friday. They visited their daughter, Mrs. Ronald Pishes.

Mr. and Mrs. Ronald Schroeder and family and the Richard Schroe-

## der family spent Sunday with their parents and neepled their father celebrate his birthday.

Mrs. Wilbur runyan of Whittemore visited Mrs. Harold Parent Thursday.

Mr. and Mrs. Vernon McGinnis and family of Flint visited her parents, Mr. and Mrs. Meivm Marsh, over the week-end.

Mrs. Gertrude korpus visited Mrs. Davis Parent and her daughter, Debra, Wednesday afternoon.

Raymond Norrington of Frankenmuth spent last week at his trailer home here.

Mrs. Iva Kohn visited her daughter, Mrs. Heleen Eckstein, in Tupper Friday afternoon.

## Cut Ribbon Friday for TA College Center

A ribbon cutting ceremony for Kirtland Community College's Tawas Area College Center is to be held Friday, November 9, 3:00 p. m. The program will include a survey of the new building located at 1691 North US-23, Baldwin Township. A social hour is to follow at the home of Dr. E. B. Cavell Jr., 375 Swan, East Tawas.

Members of city councils, the county commission, city and county officers and school officials have been invited to attend the program.

### LEGAL NOTICE

#### NOTICE OF MORTGAGE FORECLOSURE SALE

Default having been made in the conditions of a certain mortgage made the 17th day of May, 1971, by Leon R. Houghton and Nancy Sue Houghton, as mortgagors, to United States of America, as mortgagee, and recorded on May 17, 1971, in the office of the Register of Deeds for Isco County, Michigan in Liber 203 of mortgages on pages 237-240; on which mortgage there is claimed to be due and unpaid at the date of this Notice Seventeen thousand seven hundred ninety nine and 47/100 dollars (\$17,799.47) principal and Nine hundred twenty six and 12/100 dollars (\$926.12) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default;

NOW, THEREFORE, Notice is hereby given that on December 4, 1973, at 10 o'clock in the forenoon, at the east door of the courthouse in Tawas City, Michigan, that being the place for holding the Circuit Court for the County of Isco, there will be offered for sale and sold to the highest bidder at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

- Lots 16 and 17 of First Addition to THE ELMS of Tawas City, as recorded at Liber 2 of Plats at pages 37 and 38 of Isco County Records, Isco County, Michigan.
- The redemption period will be one (1) month from the time of such sale.
- Dated October 16, 1973.
- UNITED STATES OF AMERICA acting through Farmers Home Administration
- Calvin C. Lutz, State Director East Lansing, Michigan
- Mortgagee
- Gilbert A. Horn, Regional Attorney United States Department of Agriculture Room 1132, 300 South Wacker Drive Chicago, Illinois 60606
- Attorney for Mortgagee 42-5b

#### MORTGAGE SALE

Default has been made in the conditions of a mortgage made by Bruce E. Bowen, a single man, to David M. Moore and Agnes H. Moore, husband and wife and Charles R. Moore and Marian E. Moore, husband and wife, Mortgagees, dated July 16, 1973 and recorded on July 24, 1973 in Liber 229 on Page 337, Isco County records, on which mortgage there is claimed to be due at the date hereof the sum of six thousand one hundred and twenty and no/100ths (\$6,120.00) dollars, including interest at the rate of eight (8%) per cent per annum.

Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, at public vendue, immediately inside the main entrance of the Isco County Courthouse in Tawas City, Michigan at 11:00 o'clock a. m. on Friday, January 25, 1974.

Said premises are situated in the Township of Plainfield, County of Isco and is described as: Lots Numbered 137 and 138 of Lakeside Heights Subdivision according to the recorded plat thereof as recorded in Liber 2 of plats on page 19 and 21, and Lots number 11 of Woods Wonderland, a recorded plat, as recorded in Liber 9 of plats on pages 21 and 42, all as recorded in Isco County Records, Isco County, Michigan.

During the six months immediately following the sale, the property may be redeemed.  
DATED: November 1, 1973.

# March of Dimes Poster Child Shares Family Fun-Chores

By DAN GILLMOR

"Scotty was a month old when we brought him home from the hospital," Monta Hafen recalls, "and it was really hard not to overprotect him."

That was five years ago, and Scott, who is Monta and Gary Hafen's fifth child, was just leaving to go down the block from their modest ranch house in North Las Vegas, Nev. That may not sound unusual, unless you are aware that Scott was born with crippling birth defects, hydrocephalus (water on the brain), and spina bifida (open spine).

The first defect has been corrected by surgery. The second is painfully evident. Scott is paralyzed from the waist down and has to use braces and crutches to get around.

"It was hard at first," his mother says, "but we finally got hold of ourselves. Life had to go on. We made ourselves be less protective."

"We don't treat him as an invalid in any way. We expect things from him, and he does them. If he makes a mess with his toys, he has to pick them up and put them away in his toy box."

"Of course, with four older brothers and sisters, he gets a bit spoiled, no matter what Gary and I do. But we figure that's not so bad. After all, they only do what they want to do. We don't expect them to take care of Scotty to any greater extent than they would naturally take care of the littlest one in the family."

Scott's next older brother, Bret, has done a lot of that. He is only a year older than Scott, but Mrs. Hafen has encouraged the brotherly relationship without interfering with it.

"Bret puts him in his wagon and hauls him all over the neighborhood," she says, laughing fondly. "With just a little bit of watching along the way, that's how things have gone along."

### Travel Plans

Bret won't be able to go along next month when, as 1974 National Poster Child for the March of Dimes, Scott will tour the country. He will represent the 250,000 or so American children born every year with birth defects.

Contributions to the March of Dimes are allocated to research, medical service pro-

**EVEN IF YOU CAN'T run and play like other boys, books bring the world to you, as Monta Hafen demonstrates to her son, Scott. The 5-year-old boy from Las Vegas is 1974 March of Dimes Poster Child.**

grams, and educational efforts in the fight to prevent birth defects and to improve the quality of life at birth.

Mrs. Hafen is looking forward to taking Scott on the trips, even though they will be quite strenuous. "I feel that my children are responsible enough to carry on just as always. We have everything well under control."

"And Scott just loves to travel! I look forward to the feeling of success that he will get out of it. I've already seen a change in him since he started going around the state as Nevada Poster Child. He just seems to be more on top of the situation. He feels more like an equal of other children."

"You know how it is: he has something to talk about now. Something that he did that they haven't done. His friends get to run and jump and play, and Scotty can't. But now he gets to fly all over and meet

famous people."

Even though there may be a bit of a "sitter" problem, Mrs. Hafen is not worried. Scott's father, a Las Vegas school principal, will be home, except for one or two trips when he will accompany his wife and son. Mrs. Hafen is confident that Diane, 9, Sondra, 10, and Brad, 13, can handle things.

It's clear that blue-eyed Sondra will cover the kitchen. She is a self-proclaimed tacos cook of distinction.

"Just get hamburger and cheese and onions," she advises. "Then grate the cheese and cut the onions and then do the tortillas."

Prestol Tacos! It's simple, isn't it?

Asked how to make tortillas, Sondra explained: "Oh, you don't make them. You just buy them frozen and then you fry them."

You see. It really is very simple to make tacos.

# Gas Priorities Set by Consumers P.

Consumers Power Company has filed application with the Michigan Public Service Commission for authority to establish a system of priorities in event it should become necessary to curtail natural gas service to commercial and industrial customers.

John B. Simpson, senior vice president for gas operations, said the curtailment program should be regarded solely as prudent contingency planning. It establishes six categories of gas service, with highest priority being assigned to residential customers and to customers providing services essential to public health and safety. The company serves approximately 920,000 gas customers in 40 counties of Michigan's Lower Peninsula. Of these, 851,000 are residential customers.

Simpson explained: "Any large company which provides essential services to the public, as does Consumers Power Company, must constantly anticipate possible problems and plan ahead for such contingencies, even though the contingency may never occur. The company has

contingency plans for various possible mishaps and natural disasters which might affect its service to customers and the gas curtailment

plan should be considered one of these." Simpson said the company does not presently anticipate that it will

be necessary to impose curtailments during the forthcoming heating season. At the same time, he said, it cannot predict when a worsening of

its gas supply situation, or an unanticipated increase in demand, may make it necessary to impose such curtailments.

## Gertrude Shaum of Davison Died Oct. 29

Gertrude Shaum of Davison, 69, died Monday, October 29, at St. Joseph Hospital, Flint, following a brief illness.

She was born Gertrude White on April 5, 1904, in Reno Township and lived in the area for 19 years before moving to the Flint area. She married John Shaum in 1927. She was a member of the Bethany Presbyterian Church of Flint and a member of Davison Chapter No. 299, Order of the Eastern Star.

Surviving are her husband; one daughter, Mrs. Leonard (Donna Lee) Hull of Burton; four granddaughters; three sisters, Mrs. Edna Beaver of Flint, Mrs. Erma Atkinson of Hale, Mrs. Thelma Maki of Davison.

Services were held Thursday, November 1, at the Swartz-Raysin Funeral Home, Davison, with the Rev. Bert Clark officiating. Interment was in the Flint Memorial Park Cemetery.

## Carl M. Arft Passed Away

Funeral services for Carl M. Arft of Tawas City will be held Thursday, November 8, 10:00 a. m., at Zion Lutheran Church, Tawas City, with the Rev. Robert E. Beyer officiating. Burial will take place that afternoon at 3 o'clock in White Chapel Cemetery, Troy. Mr. Arft passed away Monday, November 5, at Tawas Hospital. The body is at the E. D. Jacques and Son Funeral Home, Tawas City.

Mr. Arft was born June 10, 1899, in Romeo. He married the former Leona Horn in 1918 at Pontiac. He served as president of Tawas Area Senior Citizens in 1969 and 1970.

Surviving besides his wife are two sons, Leo of Bloomfield Hills and Stewart of Ann Arbor; a daughter, Mrs. Dorothy Spencer of Chelsea; 10 grandchildren; two brothers, Clarence of Tecumseh and Harold of Auburn Heights; a sister, Mrs. Linda Casey of Cadillac.

The family has requested church memorials in lieu of flowers.

## Hale Area News

Mr. and Mrs. Manvel Christianson and Mr. and Mrs. Emil Wagner were honored at a reception after morning services at the First United Methodist Church in honor of their 51st wedding anniversaries. Friends enjoyed cake, coffee and punch. The Christiansons and Wagners were out-of-town last year at the time of their 50th wedding anniversaries.

Mrs. Merle Bodenhorn and Mrs. Clara Darbyson returned Wednesday from a two-week trip to Portugal and Spain. They spent four days in Portugal and toured places of interest in Spain. They also attended a bull fight in Madrid.

Plynn Shellenbarger and David Runyan were in Lansing last week pheasant hunting for four days. They reported very good hunting and stayed at the home of Plynn's cousin, Richard Shellenbarger Jr.

Elmer Dillon, his son, Dale, and Gene Brodt of Lapeer and Byron Ostrander of Hale spent 10 days hunting in Montana and returned with three elk.

Leon Brunson and Elton Crego were in Battle Creek last Tuesday where Elton had a check-up at Ft. Custer Hospital for Veterans.

Mrs. Clyde Humphrey and her daughter and husband, Mr. and Mrs. Edward Dickerson of Tupelo, Mississippi, drove to Michigan last Saturday. Mrs. Humphrey returned to her home in Hale. Mr. Dickerson returned to Mississippi by plane, while his wife stayed in Garden City to visit relatives.

## Funeral Held November 5 for Mrs. Ruth Gilbert

Ruth Josephine Gilbert of East Tawas was passed away Friday, November 2, at Isoco Medical Care Facility, Tawas City. The Rev. Alfred Sausbrey officiated at funeral services Monday, November 5, at Christ Episcopal Church, East Tawas, with burial in Memory Gardens Cemetery, Tawas City. Funeral arrangements were handled by the Moffatt-Kobs Funeral Home, East Tawas.

Mrs. Gilbert was born August 6, 1897, in Alabaster. She married Harvey Gilbert January 3, 1920. He preceded her in death in 1968.

Surviving are her daughter, Mrs. Phyllis Rowley of Farmington; three grandchildren; two brothers, Sherman and Edgar Doby of St. Petersburg, Florida.

State consideration concerning three different projects was summarized this week in a letter to John P. Woodford, director of the Michigan Department of State Highways, by City Mgr. Reginald Bublitz of Tawas City.

The city has requested the closing of an open drainage ditch which runs along both sides of US-23 from the Tawas River bridge to the southerly city limit.

In addition, the city manager pointed out there is a serious erosion problem along US-23 near the M-55 intersection. He said that the problem was unusual from the standpoint of highway right-of-way and some private property. "Much must be done along US-23 or some of the

highway will be lost," said Bublitz. "It may very well be that some of this water-covered private property should be obtained by the department."

The third point contained in the city manager's letter concerned the widening of M-55 from its intersection with US-23 to a point two miles west near Plank Road. The city manager stated that the area in concern had become a hazard because of the increase in school activities and development of M-55 frontage. He said that turnoff lanes along M-55 were of a vital safety necessity.

Bublitz asked that the city be informed of any proposed expressway to serve the area, along with possible locations of exits.

## City Manager Tells of Highway Needs

# NOTICE

Notice is hereby given that the Farmers and Merchants State Bank of Hale, 114 N. Washington, Hale, Michigan 48739 has made application to the Federal Deposit Insurance Corporation for application to establish a Branch at 3160 South State Road, Glennie, Alcona County, Michigan. The application was accepted for filing by the Madison Regional Office of the Federal Deposit Insurance Corporation on November 2, 1973.

Any person wishing to comment on this application may file his comments in writing with the Regional Director of the Federal Deposit Insurance Corporation at its Regional Office, 110 E. Main Street, Room 715, Madison, Wisconsin, 53703.

If any person desires to protest the granting of this application he has a right to do so if he files a written notice of his intent with the Regional Director within 15 days of the date of this publication. The nonconfidential portions of the application are on file in the Regional Office as part of a public file maintained by the Corporation. This file is available for public inspection during regular business hours.

This notice is published pursuant to Part 303.14 (b) (1) of the Rules and Regulations of the Federal Deposit Insurance Corporation.

# Junior Braves Beat Essexville; Register Undefeated Season

Tawas Area Junior Braves closed out their second straight undefeated season Thursday night by trouncing the Essexville Garber JV, 32-6.

The Junior Braves rang up eight victories this season, scoring 312 points and allowed their opponents only 34 points. As freshmen last year, the same team had an undefeated record of seven wins.

Scoring Thursday night was shared by two players as Hallback Mitch Lenczewski moved up to the varsity to replace the injured Mark Elliott. Big guns for the final game this season by the Junior Braves were Greg Gotcher, who scored two touchdowns, and Bob Stephenson, who scored three times during the night.

Gotcher had touchdown runs of 60 and 18 yards, while Stephenson scored on a 20-yard screen pass, a 33-yard dive off tackle and a six-yard pitch option.

The Junior Braves totaled 51 ground plays during the night for 324 yards. Gotcher carried the ball 15 times for 102 yards and Stephenson picked up 91 yards in 17 carries. Earl Parsons, quarterback, carried six times for 91 yards.

Parsons completed five out of 10 passes for 134 yards while Gotcher had one pass for a 12-yard gainer. Brad Potts caught four passes for 114 yards and gathered in one pass for a two-point conversion.

Total offensive plays during the night amounted to 62, with 470 yards gained.

Defensively, Stephenson and Kurt Seifert led the way with 11 tackles each. Seifert had one pass interception, as did Mike Harvey. Steve Look, a freshman who moved up to junior varsity, knocked down one potential touchdown pass early in the game and intercepted an Essexville pass in Tawas' endzone for a touch-back.

Gotcher contributed nine tackles while Don Reed and Dave Gartland had eight tackles each.

During the eight-game season, Tawas scored 40 touchdowns on the ground, had 15 two-point conversions, kicked two one-point conversions and had four touchdowns by passing.

Offensive leaders during the season included Lenczewski, 108 carries for 929 yards, 19 touchdowns and six conversions; Stephenson, 392 yards in 60 carries and five touchdowns; Gene Miller, 49 carries for 334 yards, eight touchdowns; Gotcher, 234 yards in 44 carries, four touchdowns; Parsons, 29 carries, 134 yards, two touchdowns; Jeff Duvall, 25 carries for 85 yards and one touchdown; Harvey, 14 carries, 151 yards, three touchdowns.

The Junior Braves racked up 2,259 yards in 327 ground plays. Parsons completed 37 out of 70 pass attempts for 661 yards. Gotcher had six completions in 13 attempts for 73 yards, giving the Junior Braves a total of 2,993 offensive yards in 410 plays.

Defensively for the season, Gartland had 17 assists and 15 solo tackles; Stephenson, 39 assists, 22 solos, recovered three fumbles and blocked one punt; Gotcher, 49 assists, three solo tackles; Seifert, 43 assists, 15 solo tackles, one pass interception, one fumble recovery and one blocked punt.

It was the last game for 15 senior members of the Braves. Making their last appearances in the red and white were Curtis Earl, Hackborn, Mike Hughes, Stephenson, Al Fisher, Neil Robell, Tim Sterling, Andy King, Pfeiffer, Craig Prescott, Pete Sutton, Reed, Paul Brinkman and Kevin Elliott. Glen DesJardins, another senior, was injured earlier in the season and did not see action.

THE UNDEFEATED JUNIOR BRAVES of Tawas Area High School closed out the season Thursday night by defeating Essexville Garber JV. Members of the squad include, front row from left: Don Reed, Gene Miller, Glenn Grackin, Jeff Duvall, Harvey Herriman and Bob Stephenson. In the middle row from left are Coach Ray

MITCH LENCZEWSKI, who moved up from the junior varsity last week to fill in for the injured Mark Elliott, is shown during Friday night's season-ending action.—Tawas Herald Photo.

MIKE HUGHES, a steady performer at fullback all season for the Tawas Area Braves, is shown picking up good yardage in Friday night's game against Essexville Garber.—Tawas Herald Photo.

## Dukes Top TA Braves, 20-10, to Win 1973 NBC Grid Title

After sharing the NBC title with other schools as co-champion in two previous seasons, Essexville Garber finally found itself undefeated and alone at the top of the heap Friday night—but not before fighting off a determined bunch of Tawas Area Braves, who made a bold bid to grab one handle of the coveted trophy.

There has to be a winner and a loser in football and the Dukes were deservedly crowned 1973 champion with a 20-10 victory over Tawas. While the loss was a disappointing one for the Braves and their fans, the squad coached by Dick Look could still stand tall when the smoke of battle cleared away on parents' night. The Braves had not been considered a title contender at the start of the season, but a six-game winning streak convinced everyone that they were "for real."

The Braves were again "for real" Friday night, despite an upset the previous week at Pinconning which knocked Tawas out of the undefeated ranks. That loss was costly in more ways than one as the Braves lost the service of Mark Elliott, hard-running junior halfback who had piled up more than 1,000 yards rushing in seven previous games this season and was sidelined Friday night with a fractured wrist for the final go with Essexville.

But the depth of Tawas' resurging football program was again apparent as the Braves dipped down to the undefeated junior varsity to bring up a sophomore halfback to fill in for Elliott in this championship game. Mitch Lenczewski, who had 929 yards for the Junior Braves before his big jump to the varsity this week, turned in a credible performance against the Dukes. His play, along with present juniors on the varsity and other standouts on the Junior Braves, should provide plenty of fuel for the "hot stove league" this winter when thoughts turn to the next season.

But it was again the Tawas defense which received most of the plaudits following Friday night's hard-hitting game with the Dukes. Except for some penalties against Tawas which kept Essexville moving on the ground in key situations, the Braves' defensive line turned in an outstanding performance, as did the defensive line of the visitors.

What hurt Tawas' cause the most, however, was Essexville's great aerial attack led by Senior End Lynn Conway, a sure member of the NBC all-conference team and an outstanding candidate for all-state honors. Conway set up the Dukes' first touchdown on a 37-yard pass reception and scored the second touchdown with a great catch in Tawas' endzone.

Despite some key pass interceptions by the Dukes, the Braves used their own aerial attack to good advantage in taking up some of the running slack against Essexville's tough line.

John Pfeiffer and company's defensive play stopped the Dukes cold after the opening kickoff and the Braves' offense roared, then sputtered against the Dukes' defensive line. A good punt by Jeff Hemphill saw the Braves recover a fumble on Essexville's 26 and the Braves were moving goalward as End Mike Mooney caught a pass on Essexville's 16. The drive stopped right there as the Dukes recovered a Ta-

was fumble on the next play. The Dukes had the ball for only two plays as Kevin Elliott intercepted a pass on Essexville's 41. From that point, Fullback Mike Hughes moved the ball to the 36 and Randy Reed caught a pass up the center to the 21. Essexville's line knuckled down to stop Tawas' offense in three plays as the Braves reached the 16. On fourth down, Greg Hackborn put Tawas on the scoreboard first with a field goal kicked from the 26-yard line.

Two penalties in the next series for the Dukes hurt Tawas' cause, as pass interference gave Essexville the ball on the 40 and another five yards were marched off when Tawas was detected off sides. From the 45, Tailback Jim Mackey moved to the 50 and Wingback Jim Kerry picked up one yard for the first down. This set the stage for Conway's 37-yard pass reception at the end of the first quarter. With the ball on the 14-yard line, Mackey went the distance for Essexville's go-ahead touchdown. The attempted placement kick was wide and the Dukes held a 6-3 margin.

The next series found Kevin Elliott hauling in a pass to the 45-yard line on third down. The Braves picked up a first down to the 50, were penalized five yards for illegal procedure and lost the ball on Essexville's 28 when Fred Massall intercepted a pass thrown by Mickey Haglund.

Three plays later, Tawas was in serious trouble as Conway caught a pass on the two-yard line and Essexville had a first down. The Tawas defensive line turned in its finest back-to-the-wall performance of the season as the Braves stopped the Dukes cold in four running plays. On third down, Defensive Halfback Perry Stephenson broke through to take the wind out of Mackey with a three-

PULLING in a pass for the Tawas Area Braves is Randy Reed, who scored the Braves' only touchdown during the night.—Tawas Herald Photo.

yard loss and, on fourth down, the Braves racked up the Dukes on the 20.

Tawas' first play from scrimmage resulted in a five-yard march backward on an illegal motion penalty and Hemphill again punted three plays later. Kerr returned the ball to Essexville's 48. Conway caught a pass on the 36 and Tom Trimble spun his way to the seven-yard line after being hit by three Tawas tacklers on the 20. Mackey was dropped for a 10-yard loss on the next play and, with two minutes left in the quarter, the Dukes again took to the air and Conway made a pretty catch in the endzone for a touchdown. The kick from placement was good and the Dukes had a commanding 14-3 lead.

Time was running out on the Braves in a nine-play series which saw Tawas score its lone touchdown of the night. After Halfback Randy Scales moved the kickoff to the 77, Mooney started things off by gathering in a pass on Essexville's 45. On third down, Lenczewski took a screen pass to the 21 for a first down. With only 34 seconds remaining in the half, Reed made a sensational catch on the seven-yard line. Two passes later and Reed turned in another outstanding reception of a Haglund-thrown pass for a touchdown. Hackborn's kick from placement was good and Tawas sliced Essexville's lead to 14-10.

Both the Braves and the Dukes were going for broke with only 16 seconds remaining in the first half. Tawas tried an on-sides kick which did not work and Essexville attempted one pass play and a run before the clock ran out.

Following an outstanding season-ending performance by bands from both schools, the Braves took the opening kick and roared to one first down, only to lose the ball when Conway intercepted a pass and returned it to Tawas' 35. This set the stage for another great defensive effort by the Braves. Hackborn "red dogged" through the Essexville line in two plays to drop the quarterback for losses totaling eight yards. Hemphill then broke through to drop the quarterback for an 18-yard loss to crush the Dukes' running drive for the moment. Essexville's punt to the Tawas 36 was one yard short from the point where Conway had made his pass interception only four plays earlier.

The Braves moved to Essexville's 48 in three plays, but another costly fumble stopped them. Aided by a 15-yard penalty, the Dukes moved to the Tawas 11-yard line. Three plays later, Stephenson foiled an attempted screen pass to drop the Dukes with a 13-yard loss.

The Braves had the ball for three plays and then punted. The Dukes racked up one first down before Haglund intercepted a pass on the 29. The Braves moved into Essexville territory in three plays, but that drive bogged down and Hemphill punted to the 14. Mackey, Tom Harris and Trimble combined to move the Dukes to Tawas' 41 and Mackey scampered to the 35. Tawas' defense stopped the Dukes, but the Braves found themselves with their backs to the wall as officials ruled Essexville's punt was dead on the two-yard line.

This disputed punt play led to Es-

sexville's final touchdown as the Braves just did not have enough running room and Hemphill punted to the 35 on fourth down. The Dukes put together their best drive of the night as Kerr carried to the 30. Mackey moved to the 26 and Harris scampered to the one-yard line. Harris went the final distance for the touchdown, the PAT attempt was missed and the final score read 20-10 with two minutes, 16 seconds left in the game.

The Braves had the ball for five plays, which included a 13-yard pass reception by Reed, but Harris intercepted a Tawas pass two plays later. Two 15-yard penalties against the Dukes put Essexville back on its own 15 and, in four plays, the Dukes punted with 43 seconds remaining in the game. Because of the last touchdown, the score was out of reach for the Braves and Tawas' final pass was intercepted.

It was the last game for 15 senior members of the Braves. Making their last appearances in the red and white were Curtis Earl, Hackborn, Mike Hughes, Stephenson, Al Fisher, Neil Robell, Tim Sterling, Andy King, Pfeiffer, Craig Prescott, Pete Sutton, Reed, Paul Brinkman and Kevin Elliott. Glen DesJardins, another senior, was injured earlier in the season and did not see action.

### Tawas Frosh in Three-Way Tie for First

Tawas Area freshman football team finished off the season by downing Essexville Garber, 26-0. The win placed Tawas in a three-way tie for first place with Oscoda and Gladwin.

Tawas scored 20 points in the first half and then used a wide variety of plays to shut out the visitors and score another touchdown in the second half.

Neil Warner led the Braves with two touchdown runs and two touchdown passes to Jeff Tousley. The defensive standout was Ray Haglund, who made numerous tackles and intercepted a pass. Offensively, Brad Freeman, 225-pound fullback, slammed the Essexville line.

Thursday night's victory gave the Tawas frosh a record of six wins and one loss.

### Discontinue Classbook Deposit at TA

A \$5 deposit on classbooks at Tawas Area Schools has been discontinued. Anyone desiring a refund of their deposit must stop in person at the administration office in East Tawas any week-day between 8:00 a. m. and 4:30 p. m. If possible, individuals are asked to bring receipts.

# Six Persons Sentenced in Circuit Court

## Consumers P. Files Nuclear Power Plant Application

Six persons received jail sentences or probationary terms Wednesday when arraigned in Iosco Circuit Court before Judge Allan C. Miller. Richard J. Tryban and Marcello J. Huizar were sentenced to six months in the county jail and fined \$500 each. They had entered guilty pleas to the breaking and entering of Don's Bop and Shop, Tawas City. Patrick Hutchinson was given a probationary term of three years and a jail term of seven days. He was arrested September 4 at Gordon Creek and later entered a guilty plea to possession with intent to deliver under the state controlled substance act. He was assessed a fine of \$200 and court costs of \$200.

Charles Lee Brooks III was placed on probation for two years and ordered to pay court costs of \$100. He had entered a plea of guilty to the controlled substance act. William Sabin, arrested July 2 at Oscoda and charged with breaking and entering, was sentenced to 60 days in jail and placed on probation for three years. He was ordered to pay restitution of \$444. David Tripp, who was a defendant in the same case, was sentenced to 90 days in jail and ordered to pay restitution of \$444.

# Hospital Offers Blood Tests as Diabetes Week Observance

National Diabetes Week, with free blood screening tests, will be observed November 12-16, 8:00 a. m. until 2:00 p. m., at Tawas Hospital. The program is part of the search for the more than 102,000 "unknown" diabetics in Michigan.

Last year, the hospital tested 428 persons and found 32 positive cases. The presence of diabetes may be indicated by excessive thirst, excessive urination, loss of weight, itching, constant hunger, easy tiring, slow healing of cuts and scratches, as well as changes in vision.

In Michigan, diabetes is ranked as the fourth leading cause of death by disease, the second leading cause of blindness and a contributing factor in half of all heart attacks. Testing is limited to persons who are not known diabetics. Children with a family history of diabetes may be tested if accompanied by an adult. Tests showing positive will receive a letter and a letter will be sent to the family physician indicating that further evaluation is needed. Those persons who do not hear from the testing within eight weeks may assume that the test result is within the normal range.

# Kroger Lists Widespread Price Cuts

Kroger Food Stores have announced the first phase of the company's new marketing and merchandising program for the 73 store Detroit division area with an announcement of widespread cuts in food prices.

N. A. Sawall, Detroit division vice president, said that the company has slashed hundreds of grocery and produce prices in addition to already lower meat prices. Kroger recently noted that its marketing program for the Detroit area would employ a number of different approaches. More announcements are expected in the future, Sawall said.

in the sample meal plans. Do not drink (other than water), eat, smoke, chew gum, candy, cough drops, etc. following the meal until the blood sample is taken.

Suggested breakfast: Fruit (banana, canned fruit or large glass of fruit juice), cereal (cooked or flakes), milk, two teaspoons sugar,

two pieces toast or bread, one tablespoon jelly or jam, coffee or tea (cream and sugar if desired).

Suggested lunch: Vegetable or cream soup, five crackers, meat or cheese sandwich (with two slices of bread), dessert (cake, pie, pudding), milk. A second suggested lunch is as follows: Hamburger and bun, French

fries or potato chips, dessert, large glass of pop (not diet). Finish any one of the above three meals two hours before taking the test at the hospital. Meals should be eaten within a 15-minute period. The testing is a free community service for local residents provided by Tawas Hospital.

Visitors are welcome to attend.

Not all car insurance policies are alike. You'll find out when you have a claim.

You can help yourself avoid costly mistakes in the amount of auto coverage you carry if you talk over your needs with your independent insurance agent. Because—as many people discover too late—all policies do not cover all risks. And the attitudes of different companies toward claim payments vary quite widely.

As an independent agent, we represent several insurance companies. This means we can pick and choose among insurance companies to find the one that provides the best coverage for you.

We have a free booklet, "How To Avoid Costly Mistakes In Auto Insurance," that is yours for the asking. Just call or write for your copy. There's no obligation.

In just a few short weeks, many of our customers around Michigan have taken advantage of a new program to hold down heating bills and help save Natural Gas, too.

The program was developed at the direction of the Michigan Public Service Commission, which is seeking ways to conserve Natural Gas and hold down utility bills by the wise use of energy.

The heart of the program is installing ceiling insulation in your home. It's quick. Economical. Easy. In fact, a recent government study found "the most significant opportunity" for homeowners to conserve energy was through "improved insulation of houses," [which] "would benefit the individual homeowner by reducing winter fuel bills, summer air conditioning bills, size and capital cost of heating and cooling equipment, and air pollution." The Michigan Public Service Commission has found that many homeowners could achieve fuel savings of as much as 17% by having six inches of insulation in their attics. Naturally, results for your home may vary due to architectural differences and your heating habits.

To help you realize fuel savings in your home, we've designed an easy home insulation program. Here's how it works.

First, you can install the ceiling insulation yourself. It's a simple do-it-yourself project—and the most economical way to put in ceiling insulation. Many customers can accomplish the task for less than \$100.

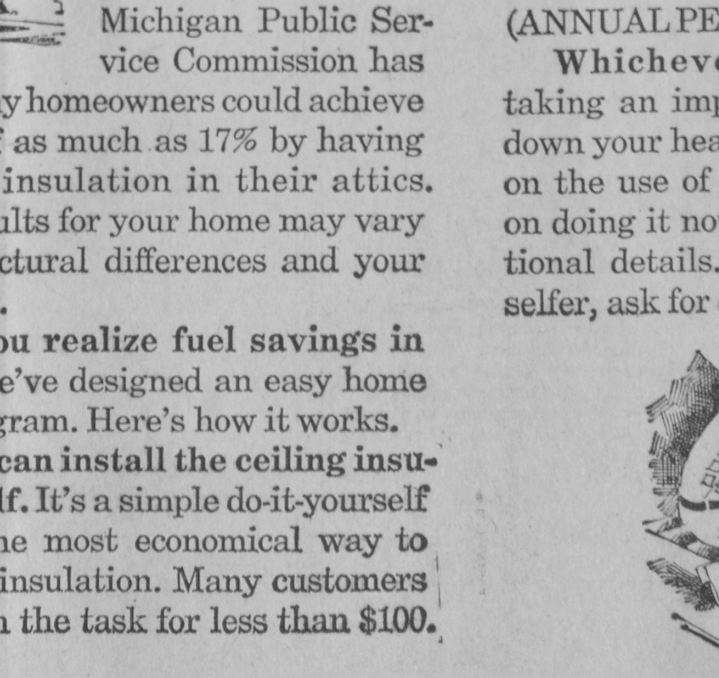

To assist you in the project, Michigan Consolidated Gas Company has even prepared a helpful booklet that shows just how to do the job.

Secondly, you can call a contractor of your choice and arrange to have the work done. Or call Michigan Consolidated Gas Company. We'll have one of our participating insulation subcontractors install it for you, which can also be easy on your budget. Many houses with up to 1,000 square feet in the ceiling area can be insulated for less than \$200. And, there's a payment plan to suit most every customer. You can pay cash. Or, you can pay just 20% down at the time the contract is signed—then simply have the remaining cost included in your gas bill. Pay it off on your next three gas bills with no interest or carrying charges.

Finally, you can pay for the job over an extended period at an interest rate of 1% monthly on the unpaid balance. (ANNUAL PERCENTAGE RATE OF 12%.)

Whichever you choose, you'll be taking an important step toward holding down your heating bills. And cutting down on the use of Natural Gas. Why not plan on doing it now. Contact us today for additional details. And if you're a do-it-yourselfer, ask for our free booklet.

MICHIGAN CONSOLIDATED GAS COMPANY

We care about your tomorrow.

## Dems Win State-Nation; Iosco to GOP

15 Years Ago—

November 6, 1958—While Democrats at the state level and across the nation were pulling in the political plums of Tuesday's general election, traditionally Republican Iosco County returned all of its GOP incumbent candidates by two to one margins over Democratic opponents.

Allan C. Miller, who opened his office in the city hall this week, has been named Tawas City's new city attorney.

Only 12 volunteers showed up for the work bee Sunday at the Silver Valley winter sports area.

SFC John Smith, who has been the army recruiter here for the past 3 1/2 years, is being transferred to a new assignment at Karlsruhe, Germany.

Since 1952, when the water of Tawas Bay was washing away the shoreline and endangering US-23 at the intersection of M-55 in Tawas City, Lake Huron has dropped nearly four feet. Lake survey reports of the army corps of engineers indicate that the lowest level was in 1934, when the water was about a foot lower. The highest recorded level was in 1876, when the water reached an elevation of 583.42 feet above the mean tide of New York, or .42 of an inch above the 1952 level.

25 Years Ago—

November 5, 1948—G. Mennen Williams was elected governor of Michigan over Kim Sigler, incumbent. Despite the political experts and political polls, Harry S. Truman was re-elected president over Thomas Dewey.

The United National Security Council has commanded both Arab and Israeli forces to issue immediate cease fire orders following six days of warfare in the Negev Southern Palestine desert area.

Twenty-two herds with 243 cows on test were reported for the month by Allen E. Kohn, tester for the Iosco County Dairy Herd Improvement Association.

Jack Kesler has begun a new house on his farm, 2 1/2 miles southeast of Hale.

William Fuerst of Whittemore, who spent the past two weeks hunting in Canada, returned home with a large moose.

The bounty on foxes, which was established by the Iosco County Board of Supervisors in 1947, is producing results of a satisfactory nature. A check of the records in the office of the county clerk reveals that 531 foxes have been killed upon which bounty has been paid. Reports are coming in from various parts of the county that small game is appearing again and it is hoped that by a continuation of the bounty Iosco hunters will soon be able to obtain small game in abundance.

35 Years Ago—

November 4, 1938—With the opening of the Iosco game refuge to deer hunters this fall for the first time in 12 years, more hunters are expected to hunt in this area. The game refuge includes 6,800 acres of deer cover.

Instead of giving a motorist an arrest slip for a minor violation of the traffic law, German police simply deflate the car's tires; then they stand by and watch the motorist as he laboriously pumps them up again by hand. The scheme is said to have decreased offenses.

Ogemaw and Iosco Counties are

## All-Volunteer Army Apparently Proving Successful

Army enlistment statistics for the first six months without the draft indicate that the all-volunteer army will be successful, according to Sergeant Rice, East Tawas army representative.

Sergeant Rice reported that as of June 30, the end of the last fiscal year, the army missed its manpower goals by only 1.7 percent.

"That is a very small percentage," he said, "especially when you consider the problems involved in making the transition from a draft-dominated force to one which relies on volunteer enlistments."

One of the factors expected to contribute to the success of the volunteer army in future years is the need for fewer replacements each year. Volunteers are signing up for longer enlistment terms and are expected to have a high re-enlistment rate.

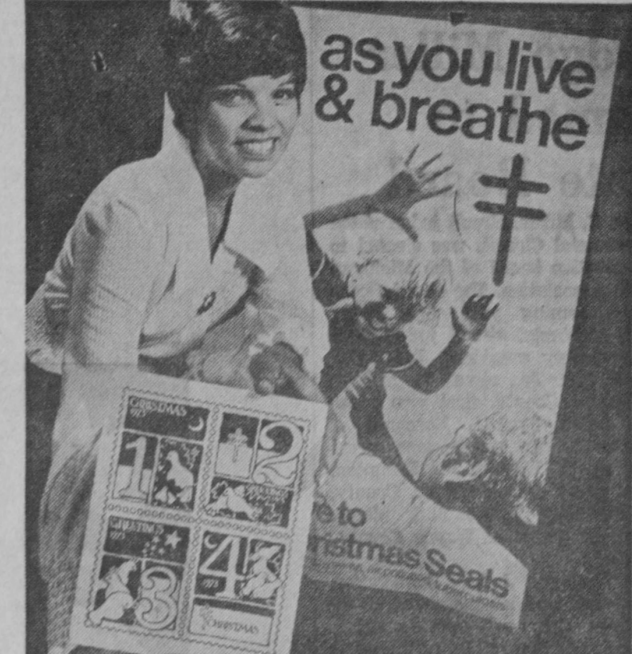

"Then," Sergeant Rice observed, "the only problem will be to find and retain specialists with critical skills."

As reasons for the army's recruiting success, Sergeant Rice cited the substantial increase in starting pay, guaranteed choice of training and duty location and improvements in the quality of military life.

PLAYOFF GAME for the football championship of Tawas City Elementary Unit is to be continued this week after fourth and fifth grade all-stars battled to a tie Thursday night. The game was played during intermission in the game between Tawas Area

Freshmen and a team from Essexville Garber. The fourth and fifth grade teams, pictured above, will be battling for possession of a trophy sponsored by the community education program.—Tawas Herald Photo.

Michigan's 1973 Christmas Seal Chairman is dark-eyed Raquel Gonzalez, 19, of Detroit. A sophomore at the Detroit College of Business, Raquel will tour Michigan asking citizens to give generously to the traditional Christmas Seal Campaign. Contributions to Christmas Seals, this year featuring the Twelve Days of Christmas, will support important programs to aid those afflicted with lung disease.

**Family Living Education**  
 By HELEN MEACH  
 Extension Home Economist

Decision-making today is more difficult than in the make-what-you-need economy of pioneer times. Scientific advances and technological growth have brought tremendous changes in our way of life. The economy which has helped to create a high standard of living has also contributed much to the complexity of decision-making. Never has there been so much to choose from or so many pressures to buy.

Advertising is a powerful persuader in decision-making. Each day, we are exposed to nearly 2,000 advertising appeals. We are urged to buy from the moment radio and television are turned on for morning news until they are turned off after the late, late show. Newspapers and magazines are filled with advertisements. Almost every day we come into contact with direct mail sales catalogs or door-to-door promotion. Advertisements are on posters, matchbook covers, handbills, delivery trucks, wrapping paper, flyers, telephone poles, paper bags and ballpoint pens.

Advertising can help you make decisions. Most advertising is honest and can be depended on. But even if an advertisement has information faithful to the truth, you are not relieved of all responsibility. Keep in mind the purpose of advertising—to inform and sell. Learn to use advertisements to improve your decision-making; not dictate your choices.

In our highly-specialized economy, there is an increasing gap between producers and consumers. Advertising tends to narrow it. You can help narrow the gap by giving some thought to what you really want in a product or service.

### IN THE SERVICE—

## O'Brien Trains as AF Musician

Ann. Terrence P. O'Brien, son of Mr. and Mrs. Kenneth C. O'Brien, East Tawas, has been assigned to Luke Air Force Base, Arizona, after completing air force basic training.

During his six weeks at Lackland Air Force Base, Texas, he studied the air force mission, organizations and customs and received special instruction in human relations.

Airman O'Brien has been assigned to Luke for further training and duty as an air force musician.

A 1970 graduate of Oscoda Area High School, the airman studied music at Michigan State University, East Lansing.

## Gregory Pickett Completes Basic

Pvt. Gregory S. Pickett, 18, son of Mrs. Shirley R. Schmalz, Hale, completed eight weeks of basic training at the United States Army Training Center, Armor, Ft. Knox, Kentucky.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid and army history and traditions.

## Grandchildren May Qualify for Social Security Benefits

Question: My husband and I have had custody of our two granddaughters, who are 10 and 12, since the death of their parents in 1968. My husband is retiring in December at 65. I am 63. Can our granddaughters receive any social security payments when my husband starts getting monthly benefits?

Answer: Your granddaughters might be eligible for a monthly payment when your husband retires. Grandchildren can get benefits if they were under 18 when they began living with their grandparent, if the children were living with and being supported by the grandparent for the year immediately before the grandparent retired and if the children's parents have died or are disabled. When your husband applies for retirement benefits, he should also file an application for your granddaughters.

Question: My doctor does not send my bills into Medicare for me. What do I need to do to send the bills in myself?

Answer: The most important thing is to have your bills from the doctor itemized. Each bill should show your doctor's name, your name, dates of service, a description of each service and charges for each separate service. These bills, paid or unpaid, should be attached to a completed Medicare claim form, SSA-1896, and mailed to the address listed in your Medicare handbook. The social security office has these forms, and can help you complete them.

Question: I am retired and my daughter who is a student gets social security checks. She will be 22 next December but will not graduate from college until January. We have been told that her checks can continue until she graduates. Is this true?

Answer: Yes. Student benefits do not always end when the student becomes 22. A full-time undergraduate student who remains unmarried may continue to get checks after the month the student becomes 22. The student's checks stop at the end of the quarter or semester in which the student reaches 22 or two months after the student's 22nd birthday, whichever comes first.
