Hunting Stories 'Growing' at Hale

Stories by Hale's big game hunters will probably improve with age through telling and retelling during the long winter, but moose hunting in Canada is the principal topic this week among coffee drinkers at Hale Bakery.

Perry Shellenbarger, chief cook and second in command to his wife at the bakery, is one of the two Hale hunters who returned last week with a moose from the Canadian wilds.

Hunting with Berkley and David Bernard Sr. and Alfred Baker near Gravel River, Ontario, Shellenbarger shot a 1,400-pound moose which had a rack spread of 51 inches. Another townsman, "Skip" Heilman, hunting with his father, Roderic, and three friends from Detroit, scored with a heavier bull moose which had a rack measuring 54 inches.

Both men had bagged a moose in previous Canadian hunting trips and Shellenbarger went north this season with the intention of "calling" one within shooting range. He obtained a recording of a cow moose call and practiced imitating the foghorn like sound. However, he was so successful in calling the bull moose out of the swamp that he may not try it again.

When asked to demonstrate his moose "yodel" at the coffee shop, Shellenbarger declined by saying: "I am afraid that I might bring one all the way to Hale, even if it is 600 miles from where I am hunting in Canada. Can you imagine the disruption a moose would cause on M-65 at Hale's four corners?"

Heilman has his own reservations. He started his hunting day in Can-

Infant Died in Car-Train Crash Oct. 9

An 18-month-old National City girl was killed and her mother and sister were seriously injured Tuesday, October 9, in a car-train collision at the Detroit and Mackinac Railway crossing on Turtle Road, Sherman Township.

Miraculously escaping the crash with only minor cuts and bruises was the father of the baby, Elmer M. Winchell, 29, 1931 South Sand Lake Road, who was driving the car.

The baby, Karen Sue Winchell, was dead at the scene. Molly Winchell, 25, wife of the driver, and Kathy Winchell, four years of age, were rushed by ambulance to Tawas Hospital. Mrs. Winchell was later transferred to a Saginaw hospital.

Investigating Iosco County Sheriff's Department officers said that Winchell was eastbound on Turtle Road shortly after 6:00 p. m. The driver told officers he did not hear the train whistle and that he did not see the train at the crossing until it was too late to avoid a collision.

The locomotive pulling the freight train entered the crossing just as the Winchell car was approaching. The car struck the rear portion of the locomotive and was carried along the tracks, being nearly completely demolished in the process.

The Winchells' third daughter, Sandy, was at the home of neighbors at the time of the crash, having been at school during the day and returned home by bus.

Karen Sue Winchell was born April 7, 1972, at Tawas Hospital. Funeral services were conducted Saturday, October 13, from the E. D. Jacques and Son Funeral Home, Tawas City, with the Rev. Robert E. Beyer officiating. Burial was in Greenwood Cemetery, East Tawas.

Besides her parents and sisters, she is survived by her grandparents, Mr. and Mrs. Vernon Castle of East Tawas and Mr. and Mrs. Otto Thaut of Au Gres.

TC Building Permit Fee to be Increased

Increasing present building permit fees to offset the rising cost of administration is being considered by the City of Tawas City.

The present rate charged by the city for building permits is \$2 for home construction or alterations and \$5 for a commercial application.

Within the next year, it is expected that the city will be required to follow state codes for inspection of construction and this will increase the cost of administration. In addition, the city presently pays \$5 to the assessor for appraising major construction as shown by building permits.

A motion by Ald. Edward Savage calling for building ordinance No. 164 to be amended with the provision that any new construction be charged \$10 for a permit and \$5 for all alterations above \$200 "died" for lack of support. A sample rate schedule compiled by communities of similar size in the area is being turned over to the city planning commission for study.

During discussion, it was reported that the county board of commissioners had recommended that the six units of local government presently receiving property assessment service from the county tax equalization department obtain this service from some other source. The city manager is to contact the county tax equalization department as no official notification had been received as of Monday night.

During discussion, the question arose as to ownership of the assessor's card file for Tawas City presently in possession of the tax equalization department. Should the city contract with a private firm for this service, cost of copying the cards would be approximately \$300.

A change had been under consideration by the council as it was felt that property assessment and equalization should not be handled by the same county office. An Oscoda firm has entered a bid to the city for providing the property assessment service.

Following its second reading, the council adopted Ordinance No. 181 which provides procedures for initiating special assessment projects, along with development of plans, costs, making of special assessment rolls, collection of assessments and authorization of bonds.

Under terms of the ordinance, public improvements within the city and the determination that the whole

or any part of the expense to be defrayed by special assessment upon property benefited, may be commenced by resolution of the council, with or without a petition.

The ordinance is to become effective following its publication in full.

On recommendation of the city manager, five volunteer firemen recently completing a training session conducted by the East Tawas Fire Department are to be guests of the city council, along with their wives, at a banquet to be held at Lixey's Restaurant. The banquet is being sponsored by the East Tawas Council and certificates are to be presented to those firemen completing the training course. Representatives of the Tawas City Council are to be in attendance.

The city manager is to attend the annual meeting of East Michigan Tourist Association to be held Thursday at Bay City.

TC Bridge Approaches Progressing

Replacement of sidewalks not included in the original planning for improvements along Mathews Street, along with development of a park area east of the new bridge between the railroad tracks and the river, is now under study by Tawas City officials.

At Monday night's council meeting, City Mgr. Reginald Bublitz reported that curb work leading to the Mathews Street bridge had been completed and that approach sidewalks were being constructed. The street grade is being raised and is to be surfaced with plant mix black-top.

A portion of the sidewalks on the east and west sides of the street have been replaced by the city due to the necessity for meeting the higher grade of the bridge.

It was recommended by Ald. Robert Rollin that the city contact property owners to determine if it is desired to replace the remaining 100 feet of sidewalk on the east side and about 75 feet on the west side, which is in poor condition due to its age and could be hazardous to pedestrians.

Cost of sidewalk construction is 90 cents per square foot and the city participates at a rate of 50 cents per square foot.

On recommendation of Mayor John Brugger, the city manager is to contact the Detroit and Mackinac Railway to determine if the city could lease a strip of land between the railroad tracks and the river on the east side of the Mathews Street bridge for park purposes.

This project had been discussed in the past and it is believed that the property could be improved at a minimum expense to the city. The property in question was once the site of the original Tawas Township Hall, before incorporation as a city. The old building was removed in the

EDA Project Gets Renewed Local Interest

Although an application from East Tawas, Tawas City and Baldwin Township was not included in the recent list of communities being considered for grants from the Economic Development Administration, efforts are being made locally to have this project considered.

Appearing Thursday before the Iosco Board of Commissioners was Harry Bacon of Edmonds Engineering of Bay City, who is handling the application and engineering work for the three local units of government.

Three Decisions Await ET Council Action Thursday

Decisions on three major topics—recognition of the Fraternal Order of Police as the bargaining agent for patrolmen, rezoning of the commercial area and hiring of an insurance appraisal firm—discussed at Monday night's meeting of the East Tawas Council, have been carried over to a special meeting Thursday night.

Four city patrolmen have proposed that they be represented by the Charles Miller Lodge of the FOP, which represents officers of the Iosco Sheriff's Department.

The rezoning under consideration proposes to change the block bounded by Church, Sawyer, Westover and Bay from residential to commercial in order to legalize its use for commercial parking as part of the new public parking project.

Heavy opposition was heard at a hearing September 27 concerning the proposed rezoning of three other blocks from residential to commercial. One block was bounded by Locke, Westover, Church and Bay Streets, while the other two blocks

were bounded by Main, Westover, Smith and Bay Streets. On October 9, the planning commission voted to allow these three blocks to remain with a residential designation.

The other matter to be considered Thursday night will be a recommendation from Tawas Bay Agency, Incorporated, Insurance, that the city retain the services of an insurance appraisal firm to arrive at a replacement cost for public buildings and contents.

A report Monday night from Paul Roper, superintendent of public works, indicated that the city was making application for federal funds in the amount of \$105,224 to assist with the expense of constructing secondary sewage treatment facilities.

This amount represents 20 percent of the city's original grant received in 1967. Only 30 percent of the original 50 percent entitlement had been funded at the time and new federal funds are now becoming available to those communities which did not receive a full 50 percent grant six years ago.

The council authorized installation of parking meters on the south side of the Holland House along Bay Street. Five or six parking spaces had been removed when plans for the hotel's renovation called for installation of a canopy over the sidewalk. Such installation was not made and parking now is to be restored.

Frank Roti, Retired State Police Commander, Dead

Frank A. Roti, retired commander of the Michigan State Police Post at East Tawas and former Tawas City police chief, died Sunday, October 14, at Tawas Hospital as the result of a heart attack.

Funeral services were conducted Tuesday, October 16, at the E. D. Jacques and Son Funeral Home, Tawas City, with the Rev. Fr. Lawrence Boks officiating. Burial was in Immaculate Heart of Mary Cemetery, Tawas City.

Born May 23, 1915, at Ishpeming, he and his wife, Jane, moved to the Tawas area in 1951 when he became desk corporal and assistant commander of the East Tawas post. Four years later, he was promoted to sergeant and given command of the post.

During his 27 years of service with the state police, he served at five different posts in Michigan and received three meritorious citations. He was one of the first officers to respond to a call from Marquette Prison when Gov. G. Mennen Williams was grabbed by convicts during an inspection tour and held hostage. He had charge of the capture of Alvin Kridget, slayer of a Brighton trooper and apprehended near Oscoda, and worked with Texas Rangers during investigation of a murder which led officers to a lonely grave along US-23.

He retired April 3, 1964, from the state police and was appointed two

County Adjusts Budget to Meet More Revenue

With fees from county offices and the state expected to bring in \$20,000 more than anticipated, Iosco County Board of Commissioners has revised its 1974 operational budget upward.

Total budget for county operation next year, which was established following a public hearing Thursday, has now reached \$1,046,798. A preliminary budget of \$1,025,698 was presented to the allocation board last April.

Included in revenue expected to balance the budget at the end of 1974 will be a \$120,000 surplus in the treasury at the end of 1973. Other revenue includes state and local fees of \$353,294 and \$573,504 to be raised by taxes (4.1 mills multiplied by a county valuation of \$139,879,111).

During the current year, the county is operating on a budget of \$993,802, which indicates an increase of \$163,997 for county operation next year.

Budgets of one department and three different allocations were boosted by a total of \$20,900. The equalization department's budget received a \$10,000 increase, an additional \$900 goes to Northeast Michigan Community Mental Health Services, an additional \$2,500 was placed in the social security fund for employees, while retirement and hospitalization insurance was boosted by \$7,500.

The budget, as adopted last April, includes a \$1,000 annual salary increase for elected officials and a \$500 increase for employees.

Budgets of major departments and allocations are as follows:

Prosecuting attorney, \$31,850; treasurer, \$37,500; clerk, \$38,047; register of deeds, \$38,150; sheriff's department, \$250,940; circuit court, \$27,800; friend of the court, \$6,640;

Jury board, \$900; cooperative extension, \$19,620; equalization department, \$67,490; probate court, \$25,625; drain commissioner, \$3,075; district court, \$57,400;

Planning commission, \$3,500; airport, \$13,724; probation and parole, \$2,415; civil defense, \$2,000; courthouse and grounds, \$50,750; Iosco-Arenac Regional Library, \$18,662; Department of Social Services, \$50,000;

Northeast Michigan Community Mental Health Services, \$12,400; elections, \$9,000; board of commissioners, \$37,000; District Health No. 2, \$55,000; county advertising, \$14,500; county department of public works, \$2,500; building authority administration, \$1,800; comprehensive health planning, \$800;

State institutions, \$30,000; apary industry, \$280; veteran's counselor, \$940; social security, \$23,000; retirement and hospitalization insurance, \$57,500; soldiers' burial, \$10,000; plat board, \$500; medical examiner, \$5,000; communicable disease, \$400; emergency employment act liaison, \$550; child care, \$19,000;

Historical work, \$1,000; airport garage lease, \$9,000; county parks operation, \$5,000; park and recreation administration, \$3,500.

A report on the 1973 budget by Clerk Keith Pappas indicated that 15 departments or funds had already exceeded allocation during the current year from January through September.

Overages were as follows: Cooperative Extension Department, \$4,426; courthouse and grounds, \$14,056; friend of the court, \$792; district court, \$2,425; equalization department, \$7,602; register of deeds, \$5,133; sheriff's department, \$15,808; treasurer, \$489; board of commissioners, \$5,893; medical examiner, \$1,020; civil defense, \$667; jury commission, \$410; social services, \$5,648; communicable disease, \$55.48; parks and recreation, \$460.

City Manager Explains Need for Bond Approval

Prior to the November 6 election, City Mgr. Reginald Bublitz of Tawas City said this week that he would be contacting various groups, as well as individual citizens through the columns of this newspaper, to explain the need for voting "yes" on a general obligation bond issue being proposed to voters.

"This \$41,000 general obligation bond issue will pay for the installation of a larger force main to carry sewage to the waste water treatment plant," said Bublitz.

He said that the proposed new force main would parallel the existing force main, "which has reached and over-reached its capacity and is causing many problems of basement flooding and a great amount of abnormal pumping."

The city manager said that the proposed force main addition is vital to maintain the normal operation of the city's sewer system.

"It is therefore even more vital to the health and comfort of those we serve and we urge community-wide support of this proposal to borrow \$41,000 for the purpose of enlarging and extending the sewer system of the City of Tawas City."

Details of the proposal are to be presented by this newspaper during the next two publications.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

Letter to the Editor

Dear Editor,
I never thought I would be writing this letter. In fact, I have spent many hours reading the issue.
And "issue" is the reason for this letter.
Mom, Dad, big brother, big sister, surely you have noticed the magazine racks in our towns.
Within the last three months, I have noticed a drastic change from

suggestive to raw facts. I am not a prude but I feel if the kids want this kind of literature, there are stores that specialize in it. I am sure your kids or mine would have second thoughts walking through that door, but the way it is now, these kinds of pictures and articles are on every magazine rack in both towns.

The only excuse I can come up with to excuse these long time, concerned merchants is the hectic pace they have to go to operate a business today. They just cannot supervise every movement made in their stores. One person can do just so much in an 18-hour day schedule. This letter is written to ask the merchants and dealers of this sort of magazine to check their racks.

Is the few pennies made on this kind of magazine worth presenting to the Tawas citizens via your reputable business establishment in our town?

If you will not take it off the racks for my neighbor's children, take it off for your children and their children.

I am the first to admit sometimes we make our own problems, not knowingly, but one inspection of your magazine rack will let you know.

Sincerely,
Mildred M. DeBeau

TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

The Upper Room

(Read Ephesians 4:11-16)

These were his gifts: Some to be apostles, some prophets, some evangelists, some pastors and teachers, to equip God's people for work in his service, to the building up of his body of Christ. (Ephesians 4:11-12)

At the close of the worship service one Lord's Day, I asked a venerable attendant, "How is it that you are here so regularly when you have a hard time hearing what is sung or spoken?"

"True," he replied, "I cannot hear the hymns, the prayers or the sermon, but by being in my place on the Sabbath I vote for God."

His presence was a benediction! The glow of his countenance, his reverent attitude, his undying prayer and his stewardship radiated inspiration for both minister and congregation.

By responding to our divine call through our walk and conversation, each of us is privileged to vote for God: To demonstrate what is good, acceptable and perfect.

As Christians, we are ordained to be channels of transforming light and power. When we exercise faith and love akin to the Master's, the Holy Spirit empowers us and magnifies our witness.

PRAYER

Mindful, O God, that Thou hast built Thy church upon the faithful of every age with Christ as the cornerstone, grant that we may fulfill Thy hope. May we come "unto the measure of the stature of the fullness of Christ." Amen.

Tawas Kids to 'Trick or Treat' For UNICEF

Children make the world go round. This Halloween, Tawas United Methodist Church will help children around the world when it sponsors "Trick or Treat for UNICEF" to raise funds to help children of the developing world.

By giving time and support to the UNICEF program here in Tawas, volunteers will help give millions of youngsters in Asia, Africa, Latin America and the Middle East hope for a future, youngsters who otherwise might know nothing but hunger, disease, ignorance and despair.

Children here at home benefit, too. As they carry the official orange and black UNICEF cartons from door-to-door, count the funds collected that are sent to UNICEF headquarters in New York, they learn the joy of sharing with children they will never see, but whose problems are far more basic and cruel than their own.

On Tuesday, October 30, from 6:30 to 8:30 p. m., Tawas City will be canvassed by the FHA students from Tawas Area High School under the guidance of Mrs. Eber Wetzel. The children from Tawas United Methodist Church School will cover the more populated areas of East Tawas on Wednesday, October 31, 6:30 to 8:00 p. m., with a Halloween party following in the church hall.

"UNICEF enables you to extend a helping hand across oceans and continents to the young members of the family of man," says Mrs. Marlin Eaton, chairperson of Christian social concerns. "Let all of us in the Tawas area extend our hands together and help give every child a chance at the future he deserves."

Father Raymond Guest of IHM Women's Council

The Rev. Fr. Terrence Raymond of Whittemore was a guest at the Thursday, October 11, meeting of Immaculate Heart of Mary Women's Council. Thirty members were present in the school hall to enjoy a pot-luck dinner.

A brief business session was opened with a prayer by the Rev. Fr. Lawrence Boks. An invitation has been extended to St. Joseph Christian Mothers Altar Society to attend a social hour following the next meeting November 15.

Following the meeting, Mrs. Eva Ketcherside displayed many hobbies, which Father Boks suggested would be excellent projects for the coming season.

A workshop was held Tuesday, October 16, in the back rooms of the school basement for ladies of the parish.

How's Your Hearing?

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid ever made will be given absolutely free to anyone requesting it.

Thousands have already been mailed, so write for yours today. This model is yours to keep, free. It is not an actual hearing aid, but a full-size model. This will show you how tiny modern hearing help can be. The aid itself weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so write for yours now. Write Dept. 5481, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

Cecil F. Thayer Died October 10

Cecil F. Thayer, of Hale, 66, passed away Wednesday, October 10, at Tol-free Hospital, West Branch. Funeral services were conducted Saturday, October 13, at the Forshee Funeral Chapel, Hale, with burial following in Evergreen Cemetery, Hale.

Mr. Thayer was born May 25, 1907, in Ogemaw County and lived in Hale most of his life.

He is survived by his wife, Lavina; four daughters, Olive Royalty, Wena Burt, Mary Alexander and Carol Stoung; two sons, Gary Thayer and Carl Thayer; 22 grandchildren; one great grandchild; his mother; five brothers, and five sisters.

The Rev. Charles E. Jacobs, guest speaker at the first United Methodist church, opened a series of services by speaking at the morning services Sunday. A pot-luck dinner preceded the Sunday evening service. Mr. Jacobs is a graduate of Asbury Theological Seminary, Wilmore, Kentucky, and is currently pastor at the First United Methodist Church, Wayne. Thursday evening will conclude the evening services.

Study groups meet each morning at 10 o'clock.

Special meetings are being held at the Curtis Baptist Church this week through October 21 at 7:30 p. m. The Rev. Claire Olin will speak on "Prophecy—Past, Present and Future."

Jericho Gospel Singers of Saginaw will perform at the Hale Community Building Wednesday, October 17, to present a program of singing and testimonies to conclude a three-day stay here.

Next Sunday, a former Hale resident, the Rev. Leon Buck, pastor at the Iron River Baptist Church, will be guest speaker at the Hale Baptist Church at the morning service. For the evening service, the Rev. S. G. Biowers of Underground Evangelism, incorporated, will speak and show a special film, "To Russia With Love."

Next Sunday, October 21, 1:00 p. m., at the Hale Community Building, Mrs. Nellie Helm of Long Lake will be honored at a dinner and open house in recognition of her 99th birthday. She is 98 now and because her 99th birthday will come on February 24, 1974, when her nieces and nephew will be away, the occasion will be held early. Her five nieces extend an invitation to her many friends to attend to make this a memorable day. Dinner will be pot-luck with meat and coffee provided.

Mrs. Henrietta Little and her sister, Mrs. Irene Thompson of Rose City, traveled to Iron River to visit their sister, Lottie, and husband, Walter Lambert, last Friday and spent the week-end at Eagle River and Rhinelander, Wisconsin, where they visited the local television station.

Mr. and Mrs. Clyde Humphrey were called to Mississippi last week where Mrs. Humphrey's mother is very ill. Mrs. Humphrey remained with her mother and Clyde returned home by Wednesday.

Delbert Hewitt, Robert Parent and Robert Hunt left two weeks ago for moose hunting in Canada. Hunt returned last week and Mrs. Parent, Bruce Hewitt and his nephew, Craig Hunt, went to join them in Canada. Parent was the successful moose hunter, with the group returning last Thursday night.

Mr. and Mrs. Gordon Thayer and two children and her sister, Mrs. Carol Sandborn, and three children were week-end guests at the Daniel Thayer home. Charles Thayer went to Ypsilanti Friday and brought his sister, Rhonda, and Cyndi Piper home for the week-end.

Mrs. Lil Harrington is a patient at Tolfree Hospital suffering from a back injury. She is in traction.

Last Tuesday, the Dorcas Society met at the Baptist Church for its monthly meeting. Devotions were read and they revealed the names of secret sisters.

Mr. and Mrs. Arthur Sezekowski are grandparents of a baby girl, born to their son, Michael, and his wife, Linda, in Detroit October 7.

Mr. and Mrs. Alvin Lamoreaux of Ancharage, Alaska, have come to spend the winter with her parents, Mr. and Mrs. Frank Morris.

Mr. and Mrs. Steven Denstedt (nee Ann Shaw) are parents of a son, Scott Alan, born October 8 at Tol-free Hospital, West Branch.

James Lewis is a patient at Tol-free Hospital.

Mrs. Irene Digard was taken to Tolfree Hospital, West Branch, last Monday morning and is having tests this week.

Mr. and Mrs. John Krathwohl and Stephanie left for their home in Anchorage, Alaska, last Thursday after spending some time with her mother, Mrs. Vera Kocher.

Mr. and Mrs. Ronald Johnson and two children spent Sunday with his parents, the Clayton Johnsons. They live in West Branch and he is a student at Kirtland Community College, Roscommon.

Mr. and Mrs. Jerry Peters and Mr.

and Mrs. Wilfred Holzheuer left last week on a trip to Switzerland.

Mrs. Earl Redman; her daughter, Becky, and Steven Humphrey were in Columbiaville Sunday morning where Mrs. Redman did a chalk drawing and Steven accompanied Mrs. Redman and Becky on the piano with their vocal duet at the Baptist Church there.

Miss Irene Giemans has been visiting with her family in the past week.

Mr. and Mrs. Ralph Graves accompanied Mr. and Mrs. Elmer Moore and Mr. and Mrs. Jerry Moore on a hunting trip to Wyoming and returned a week ago. They were successful in getting an antelope and mule deer.

About 80 senior citizens from the Hale area joined two busloads of senior citizens from the Tawas and Sand Lake areas on a bus trip to Alpena. The Hale center is open five days a week at their office behind the elementary school. Telephone 728-4251 for further information. Keep this number on hand to check on events during the month.

Andrew Matthews is still at Tol-free Hospital recuperating from surgery and expects to return home soon.

Mr. and Mrs. Joseph Roman have returned from work in Detroit and are now living in their home on Victoria Street.

FHA to Install New Officers

Installation of 1973-74 officers of the Future Homemakers of America at Whittemore-Prescott Area High School will be held Thursday, October 25, 8:00 p. m., at the high school. Lunch will be served to members and their mothers following the meeting.

New officers are Betty Jakubic, president; Brenda Eymmer, vice president; Debbie Hottis, secretary; Cora Rosebeck, treasurer; Teri Rice, reporter; Debbie Durant, song leader; Jerry Jakubic, parliamentarian; Karen Proudfoot, advisor.

Members will attend the regional meeting at Coleman Wednesday, November 7. April Harkey is the regional song leader.

Women's Club Met October 10

Whittemore Women's Club met at the home of Mrs. Pascal Payne Wednesday evening, October 10, with 19 members and one guest present. Plans have been formulated for the club, the Junior League and the Burleigh Rural Ladies' Club to meet at the St. James Catholic Social Center Wednesday (today), October 17, 8:00 p. m., for a social hour. Rural club will be hostess for the annual event.

Mrs. A. Martin, president; Mrs. Richard Samson, and Mrs. I. Brown attended the Northeast District Convention held at Rogers City on October 4. The ladies gave an interesting and informative report of the meeting.

Plans for a card party to be held in the near future are being made.

Mrs. Samson was voted the most outstanding member of the club and will be presented with an award.

A floral demonstration will be given at the next meeting, Wednesday, October 24, at the home of Mrs. Martin in Hale.

Those from Whittemore area who attended the 25th annual 4-H leaders' recognition banquet last Tuesday evening at the Officers Club, Wurtsmith Air Force Base, Oscoda, included Mr. and Mrs. Marvin Davenport, Mrs. Wilma Ruckle, the Russell Whites, Mr. and Mrs. George Erickson, Mr. and Mrs. Clarence Provoost, Mr. and Mrs. Keith Hasty, Mr. and Mrs. Richard Wight, Rhoda Wight, Mr. and Mrs. Dornace Bellville, Mr. and Mrs. Burton Partio, Mr. and Mrs. Carl Lange, Mr. and Mrs. Philip Partio, Mr. and Mrs. Lynn Erickson, Mr. and Mrs. Gerald Bellen and Mr. and Mrs. Richard Samson.

Mr. and Mrs. Israel Bellville of Kawakawin spent a few days last week with Mrs. Ethel Bellville. Mr. Bellville celebrated his 84th birthday Tuesday.

Letter to the Editor

Dear Editor:
In your issue of October 10, discussing school enrollment for the schools of the area, Mr. Barry is quoted (or misquoted?) as saying: "One of the sad things is that some of the students who switched to the parochial schools this fall will probably return to the public school after the fourth Friday count. Even though some students may return, the public school would still be out \$800 per child in state aid."
We would point out that, in reviewing our records, there has not been a transfer from the private schools to the public school in recent years.
We do not know what formed the basis for the remarks of Superintendent Barry on this matter, but we feel that this is an unjustified slur upon the private schools of the area.
We might add that last year, St. Joseph School accepted five students from the public school after the public school had received state aid money for their education. We received no financial reimbursement for these students.
Sincerely,
William H. Ryan, president
St. Joseph School Board

New TC Legion Officers Installed Thursday Night

An impressive installation ceremony was conducted Thursday, October 11, by Carl Libka, past commander, at the regular meeting of Jesse C. Hodder Post No. 189, American Legion, at the Legion Hall, Tawas City. Officers for the 1973-74 year are Fitzhugh Prescott, commander; Robert Rollin, senior vice commander; Nelson Thornton, junior vice commander; Richard Stock, adjutant; Mrs. Victor Zaharias, finance officer; W. Neil Thornton, historian; Hugo Keiser, chaplain; Earl Davis and Douglas Ellison, sergeants-at-arms; John Brugger, service officer.
Plans were formulated for an open house to be held Sunday, October 23, beginning at 2:00 p. m., in the Legion Hall. The event will be co-hosted by Jesse C. Hodder Unit No. 189, American Legion Auxiliary. All veterans and their families are invited to attend and renew old acquaintances.

WIN Becomes Operational Here

Work Incentive Program (WIN) has become operational in Iosco County. WIN is a federally-funded program which is administered in this state by the Michigan Employment Security Commission. It is part of a major national effort designed to help people on Aid to Families with Dependent Children (ADC) become productive workers.
Under the 1971 amendments to the Social Security Act, all employable ADC recipients are required to register for WIN and to accept jobs or training. They can lose their ADC benefits if they refuse any step, from registering for WIN to accepting appropriate training or employment.
The WIN representative for Iosco County is Donald Czernik. The office is located in the new Department of Social Services building, 1199 West Harris Avenue, Tawas City. Further information may be obtained by phoning 362-6769.

City Council

(Continued from page 1.)

late 1930s and the property was acquired by the railroad.

Since removal of the iron foot bridge from the old Mathews Street bridge, the city has been studying the possibility of placing this span on some location over Dead Creek for use as a foot bridge. In the meantime, the city has received numerous offers for the purchase of this iron structure presently stored near the city garage.

It was the opinion of Ald. James Lansky that the city should obtain a definite price on setting this bridge in position and to take some action at the next meeting.

The city manager reported that he had received an estimated cost from Davison and Son, which is doing the city's concrete work, on setting the bridge in place. Rather than to construct concrete piers extending down to clay at the bottom of the creek, it has been suggested that a reinforced concrete slab be constructed on each creek bank and place the bridge on top of the slab. Cost of the concrete work would be approximately \$1,500. The price would not include replacement of some wood in

the structure.

No definite decision has been made as yet as to the location of the foot bridge, although possible sites at Ninth Avenue and Tenth Avenue have been considered.

During discussion of the Ninth Avenue location, it was reported that sample ordinances had been obtained for controlling the operation of junk and metal salvage yards. Such an ordinance would prohibit "pyramiding" of junk metal and

would require screening of such yards from public view.

The sample ordinances are to be turned over to the planning commission for study.

In the event such an ordinance is adopted, the council is now making plans to move the city garage and maintenance area to a different location, possibly near the industrial park. Utilization of the present city garage as a headquarters for the fire department has been suggested.

Travel to Oscoda Friday Night

Braves Blank Falcons, 13-0

It was a great week for Tawas Area School's homecoming. The weather was perfect—and the Junior Braves won; the crowd and program were tremendous—and the freshmen won; the queen and her court were lovely—and the Braves won.

And how—the undefeated Braves won! Taking on the visiting Ogemaw Heights Falcons, enjoying a perfect record going into the game and picked by everyone to repeat as NBC champion, the Braves shut out the

defending co-championship squad, 13-0.

There was only one flaw in the entire week—the Falcons were "Fritz-less." Tawas' win was tarnished by the absence of Fullback Roger Fritz of Ogemaw Heights, who is finished after knee surgery following the Falcons' game with Oscoda. It is a moot point, but fans will never know if the hard hitting Braves' defense would have contained the Falcons with Fritz.

The win gave the Braves a tie with Essexville Garber for the Northern B Conference lead. Garber blanked Gladwin Friday night, 19-0. Tawas goes against the Oscoda Owls this Friday night on the latter's home field. The Owls have lost to Ogemaw Heights and Pinconning, but won and loss records mean nothing when the Braves and Owls meet on the gridiron—it should be a good game.

Mike Hughes, hard-running Tawas fullback, put the Braves on the scoreboard in the second quarter, but not before Ogemaw Heights staged its best offensive threat of the night during the first quarter.

A good defense is the key to any football success and the Braves, long a defensive power in the NBC, arose to the occasion and made their own "breaks" to stop the Falcons' running and passing game.

The Falcons threatened to rip the game wide open early in the first quarter when Quarterback Pete Brooks began to zero in on End Bob Steinhurst, son of a former Tawas boy whose basketball days were played here. Mixing the running plays of Halfback Ron Curtis with two catches by Steinhurst, the Falcons penetrated to the Tawas six-yard line. After a five-yard offside penalty against the Falcons, Tawas defenders cracked through the Falcon line to cause a fumble and, as happened a number of times this season, John Pfeiffer of Tawas was on the bottom of the pile with the ball.

The Braves were unable to move the ball against an equally strong Falcon defense and Jeff Hemphill was called upon to punt for the second time in the quarter. Hemphill's punting proved a big factor in the win as he again boomed the ball deep into Falcon territory.

Tawas' defense contained Ogemaw Heights for four plays, but the Braves were unable to move when they got their hands on the ball and Hemphill again punted out of trouble.

This set the stage for another drive as Steinhurst caught a pass and rambled to the 20. On the next play, Greg Hackborn, one of the Braves' defenders who electrified Tawas fans all night long with his smashing tackles, led three other Braves through the line to hit the Ogemaw quarterback and Tawas recovered another fumble.

This play set up Tawas' first touchdown. Mark Elliott picked up nine yards on the first play, then lost three on the second play. Fullback Mike Hughes cracked through for nine yards and Tawas had a first down on a five-yard offside penalty against Ogemaw. Quarterback Mickey Haglund, who found the going rough all night when he attempted to roll around the fast-pursuing Ogemaw defense, was stopped for a seven-yard loss. Hughes moved to the 49. End Randy Reed caught a pass to move within a foot of a first down and Haglund snuck for the first down.

Randy Scales then set up the touchdown with a 34-yard trap play to the Falcon five-yard line. Hughes found a hole opened in the OH line and he put Tawas on the scoreboard with six minutes, 48 seconds remaining in the half. Hackborn booted the ball from placement and Tawas held a 7-0 lead.

Hackborn, whose kickoffs matched the defensive value of Hemphill's punting all night, blasted the ball into the Ogemaw Heights endzone and the Falcons had the ball on their own 20. This set up another key defensive play for Tawas as Kevin Elliott jumped high to intercept an Ogemaw pass on Tawas' 30. The Braves racked up one first down but were unable to move after that and Hemphill boomed a punt to the Falcon 15. Both teams turned in great defensive work and Tawas had the ball when the clock ran out to end the half.

Despite the threat of rain, which never came, fans enjoyed shirtsleeve weather for the impressive halftime show which saw Detsy Lamb crowned by her father as the 1973 homecoming queen. Because of the importance of the game in NBC standings, along with homecoming festivities, it was one of the largest crowds ever to witness a game at the Tawas field.

Hackborn opened the second half with another booming kickoff and Ogemaw returned the ball to the 24. Hatcherman Perry Stephenson, one of several defensive standouts for the Braves all night, raked out for Curtis for a three-yard loss. Defensive End Mike Mooney then intercepted a pass on the 40-yard line and returned the ball to the 29 to set up another Tawas touchdown, the final score of the

night. On the first play from scrimmage, Halfback Mark Elliott picked his way through an opening on the right side of Ogemaw's line and rolled to the touchdown. Ogemaw's defense stiffened on the point after touchdown play and Hackborn's kick was blocked to make the score 13-0 with nine minutes, 53 seconds remaining in the third quarter.

The defenses of both teams continued to shine during the remainder of the third quarter and the final stanza. Stephenson and Elliott made great plays to knock down passes and Pfeiffer made the second of his two pass steals during the night. Mark Elliott of Ogemaw intercepted a pass to stop a drive by Tawas late in the third quarter.

The remainder of the game was played between the 40-yard stripes, with the exception of two more booming punts by Hemphill. On three straight plays in one Ogemaw series, Hackborn, Reed, Pfeiffer and Tim Schirmer cracked through the line to mail the Falcons for losses.

In turning back the eighth-ranked Ogemaw Heights squad, credit for the victory goes to the great Tawas defensive unit and every player had a share in Tawas' upset victory.

Freshmen Won Close Contest Over OH Frosh

Tawas Area Freshmen scored a 12-6 victory Thursday night over the visiting Ogemaw Heights Freshmen squad.

The Freshmen Braves scored their first touchdown in the opening quarter when Neil Warner ran a pass option play.

Ogemaw tied the game at the start of the second quarter, but the Braves went out in front when End Bruce Glancy caught a 20-yard pass.

Defensive standouts for Tawas were Brian Bradley and Mike Lear. John Rigg and Mark Fisher combined to pick up 150 offensive yards on the ground.

Eagles Threaten, but Fail to Score

The winless Hale Area Eagles threatened to score three times in Friday night's North Star League encounter, but each time was stopped as Atlanta posted a 32-0 victory.

Bruce Bernard again was the top Eagle defender with 16 solo tackles and one assist.

Junior Braves Had Big Win Over Ogemaw

Tawas Area's undefeated Junior Braves roared to a 41-14 victory Thursday night over the Ogemaw Heights Junior Varsity. The Tawas squad rolled up 369 yards offensively and scored six touchdowns.

The smaller Junior Braves left little doubt in the minds of the Junior Falcons and their fans that Tawas was "up" for homecoming week. The game was played on the losers' home field.

Led by Linebacker Dave Gartland's 14 tackles and 10 smashing tackles by Bob Stephenson, the Little Braves completely demolished the OH wishbone offense.

Mitch Lenczewski scored two touchdowns and ran one conversion to lead Tawas Area's scoring parade. Solo touchdowns were scored by Stephenson, Gene Miller, Mike Harvey and Brad Potts, the latter coming on a 25-yard pass play. Potts caught one pass for a two-point conversion and Greg Gotcher kicked one point after touchdown.

Tawas' offense featured break away running with touchdowns by Stephenson, Harvey and Lenczewski coming on runs of 46, 44 and 36 yards, respectively. Lenczewski carried the ball 18 times for 115 yards, while Stephenson and Harvey each had 56-yard totals.

Quarterback Earl Parsons completed four out of 11 passes for 102 yards. Potts intercepted two passes thrown by Ogemaw Heights.

The Junior Braves play host Thursday night to the tough Oscoda Junior Varsity, a team which was beaten two weeks ago by Ogemaw Heights.

Hucks Were Bridge Winners

First place winners in the north-south position at the Wednesday, October 10, meeting of Tawas Area Duplicate Bridge Club were Mr. and Mrs. Thomas Huck of East Tawas. Mrs. Jane Grant and Mrs. Vivienne Miller of Oscoda took second place with Mr. and Mrs. O. J. MacMurray of East Tawas placing third.

In the east-west position, Mrs. Catherine Gartland and Miss Mildred Murphy of East Tawas placed first with Lil Longair and Mary Gaus of Oscoda taking second place and Mr. and Mrs. Howard Burdett of East Tawas, third.

Due to Halloween, the Wednesday, October 31, meeting has been canceled and rescheduled for Wednesday, November 14, 7:30 p. m., at the Tawas Bay Yacht Club, East Tawas.

Thornton-Slavinski Vows Said at Christ Episcopal

Christ Episcopal Church, East Tawas, was the scene of the double ring ceremony Saturday, October 13, uniting in marriage the former Linda Slavinski, daughter of Mr. and Mrs. Bernard Slavinski of Tawas City, and Jack Thornton, son of Mrs. Joseph Doty of Flint and the late Jack Thornton.

The Rev. Alfred Saulsbury officiated at the 5:30 o'clock ceremony, which was followed by a reception at the Tawas Golf and Country Club, Tawas City. Vases of white gladioli, orange and yellow chrysanthemums decorated the altar. Janie Phelps, flutist, was accompanied by Mrs. Aliden Phelps, organist.

The bride descended the aisle in a white, floor-length gown of silk organza fashioned with a bouffant lace skirt, ring neckline, long puffed sleeves and natural waistline. The cathedral-length veil was attached to a lace and pearl headpiece, enhanced with a bouffant veil of bridal illusion. Her bouquet was made up of white and yellow roses and baby breath.

Acting as maid of honor was Sharon Roberts of Whittemore. Bridesmaids were Mrs. Michael Gingerich of East Lansing and Amy Harris of East Tawas. The attendants were identically-attired in moss green French crepe gowns with tiered skirts accented in cream Venice lace. Their gowns featured oval necklines,

short bouffant sleeves and sashes at their lifted bodices. Matching garden hats completed their attire and each carried a nosegay of orange and yellow chrysanthemums and yellow roses.

Serving as best man was Eugene Near of Whittemore with David Leslie of Whittemore and Donald Schuster of National City, groomsmen. Terry Beadle, brother of the bride, and David Appier of East Tawas seated the guests.

Approximately 350 guests were present from Tecumseh, Warren, Saginaw, Flint, Bay City, Kawkawlin, Whittemore, Roseville, Fayette, Garden and the Tawas.

Mrs. Slavinski greeted guests in a floor-length gown of yellow crepe with matching accessories. Mrs. Doty selected a floor-length black and gold dress with matching accessories. Both wore yellow rose corsages.

Following a one-week trip to Niagara Falls and Pennsylvania, the new Mr. and Mrs. Thornton will reside at 640 Ruell Road, Tawas City.

The bride is a graduate of Tawas Area High School. Her husband graduated from Whittemore-Prescott Area High School.

Honoring the bride with pre-nuptial showers were Mrs. John Whitman, Mrs. James Haydon, Mrs. Larry Rose, Mrs. Mabel Sidorsky and Mrs. Thomas Merschel.

ET Garden Club Enjoyed Roast Beef Dinner

Twenty-three members and guests enjoyed a roast beef dinner at the Monday, October 8, meeting of East Tawas Garden Club in the Tawas United Methodist Church, East Tawas.

Guest speaker was Richard Kormelink, professor of biology at Delta College, University Center. Speaking on the topic of mushrooms, Mr. Kormelink noted that mushrooms affect individuals differently according to body chemistry. Four foolproof types are morels, found in the spring; puffballs, which thrive during the fall; sulphur polipores, an orange, yellow and red shelf mushroom found on hardwood, and the shaggy mane, which grows in open fields during September. He also pointed out various poisonous mushrooms and molds which attack flowers and plants.

Serving on the refreshment committee were Mrs. John Henry and Mrs. Arthur Leitz.

Engaged

Kathleen Morrish and Thomas Limmer are planning a May 17, 1974, wedding. She is the daughter of Mr. and Mrs. James Morrish of Tawas City. Her fiance is the son of Mayor and Mrs. Francis Limmer of Flint.

Both will graduate from Central Michigan University, Mt. Pleasant, in May 1974.

4-H Leaders Honored Oct. 9 at Banquet

Twenty-fifth annual 4-H leaders recognition banquet was held Tuesday, October 9, at the Officers Club, Wurtsmith Air Force Base.

Nearly 100 guests, 4-H leaders and sponsors gathered to share the occasion. Dr. Norman Brown, director, 4-H youth programs, Michigan State University, presented an interesting program and challenged the Iosco County leaders to higher goals.

Gifts of appreciation were presented to former 4-H council officers, Richard Wight, vice president, and Katie Leitz, secretary-treasurer.

New council officers were recognized with office pins. They are Rodney Graham, president; Mrs. Leitz, vice president, and Joan Wight, secretary-treasurer. Graham is in his second year of office and was presented a president's gavel.

Special guest for the evening was Jean Flowers, 4-H youth organizer from Belize (British Honduras) in Central America.

Two special presentations were made for industries having supported the program for the past 25 years. They were Consumers Power Company, represented by Maurice Rhoads, and National Gypsum Company, represented by Richard Harris.

Slide Show Featured Program

Ninety-three Tawas Area Senior Citizens were entertained Wednesday, October 10, with slides of the 1969 and 1971 parades in the Tawas area, shown by Emil Deprest. Games were played during the remainder of the afternoon.

Reservations for a dinner Thursday, October 25, to be prepared by the Order of the Eastern Star, must be phoned to Edward Higgins, 362-5236, no later than Saturday, October 20.

Door prizes were won by Anthony Slominski, Margaret Baldwin and Fannie Walstead.

Next meeting will be held Wednesday, October 24, 12 o'clock noon, at the East Tawas Community Building.

Michigan Hosts 4-H Agent from Central America

Jean Flowers is a special guest for the Michigan 4-H program. Miss

Flowers is a 4-H youth organizer in the Central American country of Belize, formerly British Honduras. Her position in Belize is very similar to that of a 4-H youth agent in Michigan.

While in Michigan for two months, she will be learning about 4-H and other extension programs. She will spend two weeks in Iosco, Arenac and Alcona Counties, where she will be working closely with 4-H agents, Retha M. Hankey and Sharon K. Fritz. Miss Flowers will be involved in planning some programs as well as attending various extension functions.

Michigan has been actively involved in a two-way 4-H exchange with Belize for the past three years. Currently, there are two 4-H volunteers from Michigan working in Belize to help their 4-H program continue to grow. When Miss Flowers returns to Belize in mid-November, she will continue working with the youth program.

Frank - Crawford Nuptial Vows Repeated Saturday

In 1 o'clock rites Saturday, October 13, at Christ Episcopal Church, East Tawas, the Rev. Alfred Saulsbury officiated at the double ring service uniting Deborah Lee Crawford and Wayne Arthur Frank in marriage.

The bride is the daughter of Mr. and Mrs. Robert H. Crawford of Tawas City. Her husband is the son of Mr. and Mrs. Kenneth W. Frank, also of Tawas City.

The former Miss Crawford chose a white, pinfore-style gown with tiny brown flocked polka dots. A long tie belt was attached to her raised waistline. The long sleeves and stand-up collar were trimmed in matching dimensional lace. The bridal bouquet was made up of white daisies and baby breath.

Karen Anschuetz of Tawas City, maid of honor, appeared in a gown of the same style as the bride's, fashioned in brown polyester with tiny white flocked polka dots. Her colonial style bouquet was made up of bronze daisies and baby breath.

Kenneth Walt of National City was best man.

One hundred guests from Sault Ste. Marie, Drummond Island, Stockbridge, Oscoda, National City, Allen Park, Warren, Strong's, the Tawas and Zephyrhills, Florida, attended the reception at Melvor Union Hall, National City.

For her daughter's wedding, Mrs. Crawford selected a beige dress of polyester knit crepe and corsage of bronze daisy chrysanthemums. Mrs. Frank wore a blue dress with gold daisy chrysanthemum corsage.

After a four-day stay in the Upper Peninsula, the newlyweds will reside at 320 Lake Street, Tawas City. Both are graduates of Tawas Area High School.

Reno News

Mr. and Mrs. Paul Cherry of Sanford spent last week-end at the home of their parents, Mr. and Mrs. Lester Robinson.

Reno Social Group called on Mrs. Idella Wood at Vassar Tuesday.

Earl Daugharty arrived home from the Ann Arbor hospital Monday and is slowly improving in health. His daughter, Mrs. Neva Goff of Wabash, Indiana, drove him home and remained for a few days.

Fred Latta had dinner Thursday at the home of Mr. and Mrs. Will Waters.

Mr. and Mrs. Walter Redmond are spending some time visiting their son, Russell, and family in Colorado. Miss Edna Otis, who is now staying at Mrs. Ott's home in Whittemore, had supper at the home of Miss Florence Latta Saturday.

Miss Beatrice Barnum had the following guests last week: Mr. and Mrs. Arthur Aulerich and her niece and family of Canada, Mary Dickerson and Junior Karfa of Prescott. Mrs. Frank Bergery is spending a couple of weeks at the Barnum Nursing Home and helping to care for her husband and other patients there.

Address Changed?

If you plan to move and you are one of the almost 29-million people who get social security checks every month, you should notify the Social Security Administration promptly, according to John Carr, social security district manager in Bay City.

"Notifying social security before you move will assure delivery of your social security check to your new address without delay or interruption," Carr said.

"Just call or write any social security office and give them the social security claim number that appears on your check—as well as your complete old address and complete new address, with ZIP codes," Carr said. "Also notify your post office of your address change."

A change-in-address form is printed on the back of envelopes in which social security checks are delivered. Social security pays over four-billion dollars a month to people getting checks under the retirement, disability and survivors insurance programs.

SS Educational Package Available for Classroom Use

A package of educational materials dealing with social security is available to junior and senior high school teachers for use in the classroom, according to John Carr, social security district manager in Bay City.

The kit, designed to acquaint young people with social security, includes display charts, a four-page Student Gazette newspaper, a social security quiz, informational publications and information of films, Carr said.

Leaflets describing two audio-visual aids, "Four, e. g.," a 30-minute film that gives four examples of what social security is doing for young people today, and "Help! I'm a Number," a slide/tape show that explains the use of a social security

number, are also included in the teacher's kit.

"Although people still tend to think of social security as a retirement program," Carr said, "it really touches all age levels."

"Today, most youngsters already have social security protection based on work records of their parents and many students have started building social security protection in their own right through work in part time or summer jobs."

The teacher's kit can help students find out how social security works and how it will help them.

"For more information on the kit," Carr said, "write, call or visit any social security office." The Bay City office is at 1009 North Madison. The phone number is 892-3554.

County Board OK's Budget Of \$185,798

15 Years Ago—
 October 16, 1958—A budget of \$185,798 for 1959 was adopted by the Isoco County Board of Supervisors at the start of the October session. This was a \$13,200 increase over last year.

35 Years Ago—
 October 21, 1938 — Tawas City Chamber of Commerce adopted a resolution urging the state to widen that portion of US-23 which constitutes Lake Street in the business district of the city. Chamber members agreed to cooperate with the state in any practical plan to widen the street, but favored moving the buildings on the south side of the street back sufficiently to make an adequate highway rather than the complete abandonment of that side of the street for business purposes.

LOOKING BACKWARD—

If given one day of calm weather this week, workmen will have the huge intake ready for pumping water to Saginaw and Midland from Whitestone Point. Tests following the installation disclosed 22 leaks in the intake and it was thought that the water project could not be used until next spring.

Profits of business for the first half of 1948 are increased over 1947, but significant is the fact that profits for small businesses, or businesses with assets under a million dollars, show a decline.

The sharp increase of alewife in Lakes Michigan and Huron prompts the question if this is the rumbling of a biological explosion. Four years ago, no mention was made of the alewife in Michigan records. In 1957, 33,625 pounds of this nuisance fish were taken from Lake Michigan and an additional 1,868 pounds from Lake Huron. As the alewife increases, herring seem to decrease in almost the same proportion.

Family Living Education

By HELEN MEACH
 Extension Home Economist

Are you having a big headache trying to stretch family clothing dollars this fall?

Clothing prices are higher. Why? Because of increased consumer demands meeting with decreased supplies of raw materials and increased costs of manufacturing.

Wool production in the United States has been declining for some time. There is a need to import more wool to meet the renewed interest in woven rather than knitted fabrics.

How much do you spend on clothes and shoes for each member of your family each year? Figures from the United States Department of Commerce indicate that consumers spent an average of \$296 per person on clothing and shoes in 1972.

Extension clothing and textiles specialists at Michigan State University predict the figure for 1973 will be higher, reflecting the rising costs of raw materials and manufacturing and the increasing world-wide demand for clothing fibers and leather.

The function of accessory clothing items has changed. At one time, accessories were used to create a very definite and universal look. "Basic black and pearls" is one example.

The trend now is toward the "do-your-own-thing" approach. The result is greater diversity and more freedom to choose the accessories that reflect your own personality and life style.

Analyzing your own clothing values can help you find ways to adjust clothing expenditures. The value

you place on clothing affects the kinds, the amount and the prices of clothing you purchase.

What about recycling clothing to make the most use of it. Recycling does not have to mean tearing something apart and reconstructing it. It can also mean combining garments you already have in different ways to create "new" outfits. It can be re-
