

GETTING A HUG from Coach Dick Look following Friday night's win over the Oscoda Owls is John Pfeiffer of the Tawas Area Braves. Members of the Braves showed how they felt about winning over the Owls in the bottom photo. It was the first time the Braves had defeated the Owls since 1966. Turn to page six for more pictures and story of the game.—Tawas Herald Photos.

Hearing Oct. 29 on School Budget

A hearing on Tawas Area School's proposed budget of \$1,648,138.82 for the 1973-74 school year is to be held Monday, October 29, 7:30 p. m., at the administration office on Newman Street, East Tawas.

According to an explanation by Supt. Edward J. Barry, the new budget reflects revenues of \$1,686,390.47 and some line items may be revised by the board of education prior to final adoption.

The major difference between expenditures and revenue reflects the hiring of first year teachers by this school system, despite the fact that nine additional teachers were hired this year. The teaching staff now totals 91, with 40 instructors in the high school, 22 in the middle school

and 29 in the elementary. The total includes counselors.

Through the hiring of first year teachers to replace retirees and those instructors moving out of the area, the average salary has dropped from \$11,500 three years ago, to \$10,800 last term and \$9,800 this term.

As the result of the difference between the proposed budgeted expenditure and revenues, the board of education is to give consideration October 29 to purchase of three new school buses. The present bus fleet is averaging 1,787 miles of travel per day due to the split shift and the fleet is averaging two minor breakdowns per day.

Local revenue includes \$1,109,505.74 in property taxes, \$10,261.75 from special education, \$6,000 tuition from adult education, \$141.12 in regular tuition and other income of \$4,500.

State revenue included \$384,282.25 in state aid membership (2,078.1 students), transportation funds of \$62,783.86, vocational transportation of \$7,533, community education reimbursement of \$4,000, adult basic education of \$4,532, special education for the mentally handicapped of \$21,293.25, reimbursement for special education in learning disabilities of \$3,780, remedial reading reimbursement of \$5,652, eight part time non-resident students of \$940.80, driver education funds of \$6,993 and vocational education reimbursement of \$20,000.

The last category is new this year and is based on five programs being offered in the school.

The school receives federal funds of \$17,181.70.

General fund expenditures include \$357,431.50, as compared to \$379,231 last term; budget of the new middle school is \$266,666.15 (grades six through eight); budget of the high school is \$496,055.40, as compared to \$632,489 last term. The decrease in both elementary and high school is due to formation of the new middle school.

Other general fund expenditures include \$39,946.40 for community education, as compared to \$37,210.75 last term; administration, \$74,090, as compared to \$64,917 last term; transportation, \$117,236.60, as compared to \$116,837.99 last term; operation, \$133,761.10, compared to \$127,437.44 last term; maintenance, \$44,068.34, compared to \$35,959.99 last term.

The remaining general fund expenditures include fixed charges of \$68,897, community services of \$2,000, capital outlay of \$25,000 and transfer to other funds of \$22,285.32.

A breakdown of transportation costs indicates that the school would pay \$14,223 for gasoline, oil and grease this term, as compared to \$8,089.88 last term. However, this is dependent upon approval of an additional 22,000 gallons of gasoline by a federal board. Should approval not be received, the additional gasoline would raise the cost to \$18,462, based on the purchase of gasoline stations.

Local Bank Lone Bidder on City Notes

Peoples State Bank of East Tawas, which submitted the only proposal at Monday night's bid opening, has been awarded a contract to furnish \$25,000 worth of tax anticipation notes to the City of Tawas City.

The notes would be dated November 1, 1973, and mature on November 1, 1974, at an interest rate of 5.62 percent. This rate is well below the maximum of six percent allowed by the Municipal Finance Commission.

Last year, the city received an interest rate of 3 1/2 percent on its tax anticipation notes of \$33,900, but the national inflationary trend has resulted in a higher interest rate.

The money provided by the tax anticipation notes would finance completion of approaches on the city's two wooden bridges, finance a blacktop cap on the parking lot along US-23 at the city park and other street work.

At a special meeting Monday night, the council authorized the mayor and clerk to sign the necessary legal documents for the bank to provide the tax anticipation notes.

Store Windows Hit by Pellets at Whittemore

A window-breaking spree at Whittemore last Thursday is under investigation by Isco Sheriff's Department.

Officers said that a BB gun was used to damage windows at the Graham Oil service station, Snyder's repair shop, Flanagan's Grocery and Thompson's Dry Goods. Two automobile windshields in the Snyder lot were damaged.

Three Tawas City juveniles were cited into probate court for damaging fresh concrete at the Mathews Street bridge. The complainant was Davison and Son Builders, contractor for the work. Officers said the concrete was defaced by three girls, who wrote their names in the fresh concrete.

Theft of two tape recorders from the Western Auto Store, East Tawas, is under investigation.

A breaking and entering at the E. D. Jacques hunting camp in Wilber Township was checked by officers.

Two Injury Accidents Checked

Two personal injury accidents were investigated last week by Michigan State Police from East Tawas. George H. Christensen, 41, Flint, was treated at Tawas Hospital Sunday following a motorbike accident in Curtis Township, Alcona County. Officers said that Christensen lost his balance when the machine reached the top of the hill. His son, Kurt, riding on the back of the machine, was not injured.

Jay M. Thompson, 25, Wurtsmith Air Force Base, was treated Friday at the base hospital following a crash on US-23, Baldwin Township. Officers said Thompson lost control of his car and damaged 110 feet of guard rails along the highway.

NOT AN IMPOSING STRUCTURE, but an important one to Tawas City's sewage disposal system. The concrete slab in the foreground covers a lift station on Second Avenue. Voters are

being asked to authorize bonding the city to finance construction of a new force main to connect this station with the waste water treatment plant.—Tawas Herald Photo.

Force Main Termed 'Vital' by City Manager Bublitz

Construction of a new force main to connect the Second Avenue pumping station with the waste water treatment plant is vital to public health, according to a report this week by City Mgr. Reginald Bublitz.

Voters of Tawas City will decide November 6 on a \$41,000 bond issue being requested by the city council and water board to finance construction of this force main.

In a recent report to the council, Bublitz said that approximately 75 percent of the city's sewage is pumped through this station to the waste treatment plant and has been overloaded for years because of community growth.

Bublitz said that the public health factor under consideration is that

each spring, the Second Avenue pumping station is overloaded due to the large amount of ground water or runoff which enters the sanitary sewer system. When this happens it is necessary to utilize a portable pump to remove the water from the station.

While he emphasized that a screen and the portable pump itself prevent the transfer of solids, water is pumped directly from the sanitary sewer system to the river.

Bublitz said this was a most unhealthy situation, regardless of the fact that it is unavoidable in the spring. "It is actually the lesser of two evils. If the lift station is not pumped out, water backs up into basements or toilets in homes, which becomes an even more serious health problem."

Because of the above cited health reason, the council and water board have tagged the project as vital to the community. In an effort to reduce the cost, the proposal is being placed before the voters on a 30-year general obligation bond issue rather than to use revenue bonds which sell at a higher interest rate.

The project proposes to construct a new force main along the Detroit and Mackinac Railway right-of-way to parallel the present main. The route would include the crossing of Dead Creek.

A new pump capable of forcing 500 to 700 gallons of water per minute through the main would be installed at the station. The present force main with a 300 gallon-per-minute pump would remain in service.

DNR Participation in Dock Renovation Appears Likely

Notification was received Tuesday morning that there is a good possibility that the City of Tawas City will receive funding from the Michigan Department of Natural Resources for improvements to the pier in the city park.

City Mgr. Reginald Bublitz said that a telephone conversation with William Belten of the DNR's regional office at Roscommon indicated that the state planned to participate with the city in making improve-

ments to the park dock. Additional information on the project is to be forwarded to the regional office for a November 1 deadline to submit a report to the conservation commission. The commission would take action on this project, along with others, some time after January 1.

Bublitz said that current plans call for installation of treated wood piling around the dock, similar to materials used on the retaining wall along Ninth Avenue and in the two new bridges over the Tawas River.

The city manager said there was a good possibility that the city would receive from \$10,000 to \$15,000 as the state's share of a project totaling around \$35,000. One possible method to raise the city's share of the project would be the diversion of federal revenue sharing funds, which would require council action if deemed advisable.

Possible improvements to the dock

and involvement of the state in the project has been under discussion for several months. The city received word recently that the DNR would participate in a pilot project here to control beach erosion. The city crew is now preparing the beach to be raised by an application of sand.

The solid fill dock, long a popular place for perch fishermen, was originally constructed in 1940 using broken concrete from US-23. In the early 1950s, untreated wood piling was jetted into the lake bottom around the dock.

Because of the high water and wave action, much of the piling has washed away and a large segment of the solid fill has been eroded.

The city manager said that Tuesday's report was "very encouraging." He believes that installation of treated wood piling would offer a great deal of permanence to the pier.

School Choirs Plan Oct. 29 Fall Concert

Tawas Area Junior and Senior High School Choirs, under the direction of Donald Barnes, will present their fall concert Monday, October 29, 8:00 p. m.

Both choirs will perform, along with the Girls' Glee Club from the senior high school. The choirs have been working since September to prepare for this first concert of the school year. Three other concerts have been scheduled during the coming year: Christmas concert, December 19; winter concert, March 2, 1974; spring concert, May 24, 1974. All concerts will begin at 8:00 p. m. Selections to be sung at the fall concert by the junior choir will include: "Let All Things Now Living," a traditional Welsh melody; "I'm Goin' Away," by Ehret; "Climbing Up the Mountain," a Negro spiritual; and "Put A Little Love In Your Heart," by Holiday.

The Girls' Glee Club will perform one selection, "With a Voice of Singing," by Shaw.

Selections to be sung by the senior choir will include: "Lord Hosanna In the Highest," by Glarum; "Who Built De Ark," a Negro spiritual; "Parsley, Sage, Rosemary and Thyme," an old English song; "Pollution," by Leher, and "Daydream," by Sebastian.

TC Businessmen Sponsor Halloween Window Painting

A Halloween window painting contest is being sponsored by members of the Tawas City Businessmen's Association in cooperation with art classes of Tawas Area School.

Store windows of 11 participating merchants are to be decorated this week with a Halloween theme. Prizes are to be awarded to winning entries.

Participating merchants include Consumers Appliance Sales, Brugger's Foodland, Alpena Candy Company, The Tawas Herald, Peoples State Bank, McKay Sales Company, Frieda's Ceramics, St. Vincent De Paul Store, Kroger, Northeastern Shopper and Little Joe's Restaurant.

Calendar Project Needs Typists

Volunteers are needed to help type names for the Tawas Area Music Boosters' Community Calendar Thursday, October 25, 7:00 p. m., at Tawas Area High School typing room. Persons who have not been contacted for calendar purchase may call Mrs. Robert McDonald at 362-5564; Mrs. John Alexander at 362-2388 or Mrs. Louis Pfeiffer at 362-4377.

UNICEF Has Great Hopes In Campaign

Great hopes from little pumpkins grow, UNICEF pumpkins, that is. The small orange and black "Trick or Treat for UNICEF" cartons held out this Halloween will be lit by candles but by the good will of the dimes, nickels and pennies that citizens of the Tawas will drop in. UNICEF will turn these coins into help and hope for millions of needy children in the developing world.

Youngsters in Asia, Africa, Latin America and the Middle East desperately need the programs of improved food production, water supplies, disease control and education that UNICEF helps provide. Dropping 25 cents into a UNICEF "pumpkin" makes possible 200 vitamins for a mother and child. One penny protects a child against tuberculosis. One-half dollar becomes seeds for 8,300 tomato plants. And if a dollar goes in the box, 25 more children will have exercise books for school.

This year, the FHA girls of Tawas Area High School and the children of the Tawas United Methodist Church School classes are organizing the UNICEF Trick or Treat program. "And everyone can play a part," says Mrs. Marlin Eaton. "By adding our contributions to this year's Halloween collection, we help add health and well-being to the lives of millions of children."

School Consultant May be Hired by Board of Education

Interviews for the proposed hiring of an educational consultant are to begin next week by Tawas Area Board of Education.

At the suggestion Monday night of Supt. Edward J. Barry, the board of education is to consider the hiring of a professional consultant to study the district's curriculum, transportation and buildings, as well as to project population growth for the area.

Because of the recent defeat of a building program, Barry said the credibility of anyone connected with the school system was in question. He said that the majority of schools in the state retain the services of a professional educational consultant and believed one would be beneficial to this school district.

Barry said the Alpena School District makes use of a consultant to survey the community when questions arise. The superintendent stated there were a number of questions raised during the past election and that he had received requests from several citizens for a community survey.

"Maybe we are so close to the forest that we cannot see the trees," commented Barry.

He suggested that educational consultants from Central Michigan University, Michigan State University and the University of Michigan be interviewed.

Mrs. Charles Schreck, trustee, expressed the opinion that perhaps a detailed study of the educational program and facilities should be made to eliminate the need for future "crash" programs.

TA Open House Events Planned

Open house at the East Tawas Elementary Unit and middle school are scheduled for the night of Tuesday, November 13, according to a report Monday night of Tawas Area Board of Education.

Herman Rollin, principal at the Tawas City Elementary Unit, said that a survey was to be sent home to parents of children in that unit to determine if the November 13 open house date would be suitable. He said that some parents may find it difficult to attend events held in three different buildings.

In other business Monday night, three bids were received on the purchase of one obsolete school bus. Bids were as follows: Herbert Krumpack, Harrisville, \$167; Reginald Look, Tawas City, \$100; Wayne Freiberg, East Tawas, \$256.42. The bids were accepted for study.

The board of education authorized changing the health insurance carrier for administrators to SET, Incorporated, affiliated with the Michigan Association of School Boards. The former carrier had been MESA, affiliated with the Michigan Education Association.

The administration is presently preparing an application for a competitive federal grant to aid in participation in the extended year program. Deadline for the grant is November 30 and representatives of about 25 schools would be interviewed for possibly sharing in the \$2,000,000 to be allocated to Michigan. The local district would know by April 1 if the grant would be received. Individual grants last year ranged from \$40,000 to \$60,000.

At the request of Lawrence DeBeau of WDBI-FM, Tawas City, permission was granted to present live broadcasts of basketball games and the final football game of the season.

The third annual Halloween parade sponsored by the East Tawas Elementary Unit is to be held October 31, 1:00 p. m.

Based on notifications directly with the administration, about 80 percent of the parents of elementary children are expected to attend conferences Wednesday and Thursday with teachers.

16.5 Percent of Chest Goal Is Pledged

According to a report at 3:30 p. m. Tuesday, pledges in the 1973 Tawas-Whittemore-Hale Area Community Chest have reached 16.5 percent of the total goal of \$18,021.

The campaign, which opened Monday, October 15, and is to close Wednesday, October 31, had received pledges totaling \$2,973 as of yesterday.

Campaign headquarters is located at the Tawas Chamber of Commerce office.

CLYDE J. CREASER, left, who served 18 years as superintendent of East Tawas School, died October 17 at Rolla, Missouri. He and the late A. E. Giddings, right, former Tawas City School superintendent, were instrumental in reorganization of area schools in 1952 and were pictured 21 years ago checking petitions calling for the election.—Tawas Herald Photo.

C. J. Creaser Dead; Served Area Schools 19 Years

Clyde J. Creaser, 80, former superintendent of East Tawas School and one of two men instrumental in the reorganization of area school districts 21 years ago, died Wednesday, October 17, at Rolla, Missouri.

Funeral services were conducted Saturday, October 20, at the Huffman Funeral Home, Belding, and burial was in River Ridge Cemetery, Belding.

Coming to East Tawas in 1935, he served as superintendent for 18 years. In 1952, he and the late A. E. Giddings, who was superintendent of Tawas City School at the time, were instrumental in calling for an election to reorganize the two school districts, as well as rural schools of the area adjacent to the two communities, into the reorganized Tawas Area School District.

Following reorganization of the district, he remained one year with Tawas Area School as a member of the

faculty before going to Belding, where he taught at the Stanton School.

Born December 10, 1892, in Marshall County, South Dakota, he came to Alma at an early age. He served in Russia during World War I as a member of Michigan's "Polar Bear" regiment.

He received his life teaching certificate in 1915 and was recipient of bachelor and master degrees from the University of Michigan.

Before coming to East Tawas, he had served as superintendent of schools at Ithaca.

While a resident of East Tawas, he was a member of Tawas Kiwanis Club, Baldwin Lodge F&AM and the Methodist Church.

His wife, Julia, passed away October 8 at Rolla. He is survived by a daughter, Mrs. Ralph (Phyllis) Carson of Rolla; a son, James, of Chicago, Illinois; six grandchildren.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

TODAY'S Meditation

The World's Most Widely Used Devotional Guide

Read John 15:1-11. "If you keep my commandments, you will abide in my love, just as I have kept my Father's commandments and abide in his love." (John 15:10)

At the close of the worship service, a little girl came to me, looked up into my face, and said, "Is this all until next Sunday?" This question by a child struck me with a tremendous force. Is that what our faith meant—two hours on Sunday morning and then forget it until the next Sunday?

Too often we carry our Christian faith around on the surface and put it on and take it off at will. We seem to forget that Christianity is a contract meant to be in force at all times. We are bound to Christ just as the branches are parts of the vine.

The little girl's statement keeps ringing in my ears, for it was necessary to confess to her that there was nothing more until next Sunday. We certainly need to make our churches active every day of the week.

PRAYER We thank You, Father, for the church. We want to help make it a vital force in the life of the people in the community. Fill us with new and fresh ideas of service that we may fulfill the command of Him who walked before us, to make disciples of all people everywhere. Amen.

THOUGHT FOR THE DAY Christ is the vine, church members are branches. Are we bearing fruit? -Paul R. Flowers, Marion, Indiana.

Lutheran Women Attended Retreat

Members of Zion Lutheran Church attending a women's retreat Friday and Saturday, October 19-20, at Bill Oliver's Resort, Prudenville, were Mrs. Leonard Hensley, Mrs. Waldo Curry, Mrs. Robert Beyer, Mrs. Milton Unkel, Mrs. Richard Yanna, Mrs. Arnold Guilford, Mrs. Anna Kasichke, Mrs. Bertha Wood and Mrs. Iva Mallon. Approximately 100 ladies attended from the Timberline, Traverse Bay and Northern Zones.

Theme of the retreat was "Speak from the Heart." Main speaker was Dr. John S. Damm of Concordia Seminary, St. Louis, Missouri. His topic was the Bible and prayer. The Rev. Robert E. Weller of St. John's Lutheran Church, Midland, spoke on facing a crisis. Mrs. Martin Bertermann of Bay City held a session on living alone and Miss Kathleen Porter of Ann Arbor gave a talk on retirement.

'Sound of the Trumpet' Set for Two Local Showings

"Sound of the Trumpet," one of the most unusual and meaningful religious motion pictures ever produced, will be shown Saturday, November 3, 8:00 p. m., at Shiloh House, East Tawas, and Sunday, November 4, 3:00 p. m., at the First Baptist Church, Tawas City.

Sand Lake

Mr. and Mrs. Robert Curtis and family of Waterford and Mrs. Mary Killian, mother of Mrs. Curtis, were guests of his parents, Mr. and Mrs. John Curtis, for the week-end.

Mr. and Mrs. George Richard enjoyed a visit from their daughter, Mrs. Robert Butler, and husband of Detroit.

Mrs. Gladys Lane had as visitors for a couple days her son and daughter-in-law, Mr. and Mrs. Donald Hicks of Rochester.

Guests of Mr. and Mrs. Walter Broom for a few days were his sister, Mrs. Evelyn Miller; her son, Eugene Yetter, and a friend of the family, Erma Johnson, all of Detroit. They enjoyed a tour of the colors in Northern Michigan.

Mr. and Mrs. Basil Duncan spent a couple days in Traverse City last week.

Mrs. Gladys Miller has been hospitalized at Tawas Hospital for a week. The home of Mr. and Mrs. Clarence Cnude was severely damaged by a fallen tree in the recent wind-storm.

Mr. and Mrs. Norton Knapp of Toledo, Ohio, were houseguests of her cousins, Mr. and Mrs. Henry Maska, for a few days.

Wilber News

Mr. and Mrs. Kenneth O'Brien went to Adrian on the week-end and visited their daughter, Tracy, at college. Enroute home Sunday night, they attended a singingspiration at the AuGres Methodist Church.

Mrs. Amy Buck and daughter of Hale visited at the Bertram Harris home Monday.

Mr. and Mrs. Raymond Cross and Mr. and Mrs. John Newberry attended the annual Farm Bureau meeting Tuesday night at Hale.

Some friends and relatives from here attended the 65th wedding anniversary and open house at Mr. and Mrs. James Leslie's home in Tawas City last Sunday.

Mr. and Mrs. Bertram Harris returned home Wednesday after spending a couple of days in Grand Blanc and Flint, where they attended a relative's funeral.

Clarence Dorey arrived from Texas to attend the funeral of Richard Frasher at Glennie Monday.

The rummage sale at Wilber Methodist Church will be held October 24-25 from 9:00 a. m. to 4:00 p. m. Lunch will be available.

Several from here attended the funeral of Richard Frasher at Glennie Monday. Sympathy is extended to the family.

Mrs. Frieda Cholger is spending a few days visiting at the Harold Cholger home.

Mr. and Mrs. Lyle Schreiber of Pontiac were at the John Newberry home over the week-end.

Mrs. Everett Wolf, Mrs. Norman Harris and Mrs. Bertram Harris visited Mr. Wolf at Alpena Hospital Thursday.

Mr. and Mrs. Harold Horton of AuGres and Mr. and Mrs. Melvin Marsh were guests of Mr. and Mrs. Herbert Schroeder Sunday evening.

Mr. and Mrs. Kenneth Cusino of Oscoda enjoyed supper with Mr. and Mrs. Arthur Ranger last Saturday evening.

Mrs. William Draeger and daughter, Mrs. Walter Murringer, visited Mrs. Ronald Pipes Friday in Whittemore.

Mrs. Floyd Miller returned home from Tawas Hospital Sunday.

Mr. and Mrs. Dennis Viele and

Mrs. Flynn appointed members to work on various committees for the coming year. Christmas party committees were also selected.

Emily Rich and Helen Skiver will act as chairmen of the Halloween party to be held at the social center Wednesday, October 31. Volunteers to help with the activities are needed.

Members discussed the initiation of a sewing circle at the social center.

Following the business session, games were played and prizes awarded. Marcella Gavel won the jackpot. Hostesses were Marjorie Birkenbach, Gladys Nelkie and Arlene Reinke.

Sherman News

Because of conflicting dates with another church, the fish fry at the St. James Social Center, Whittemore, has been changed from October 25 to November 30.

Edward Magalski, Anthony Sapino and Vincent Pizzimenti attended the Knights of Columbus meeting at East Tawas Thursday evening.

Joseph Schneider and son of Tecumseh spent the week-end with friends.

Debra Schuster of Minnesota and Donald Schuster of Tecumseh spent several days with their parents, the Donald Schusters.

The Orville Revords and Dorothy Warner were Saturday guests of her sister, Lillian Smith.

Shirley Cottrell entertained her son, Charles, and family Sunday.

Mrs. Mae Clark is spending a few weeks with her daughter and family, the Pierre Letiennes.

Sunday callers at the Pierre Letienne home were Mr. and Mrs. Gerald Koehn, Larry Konore and family, the Carl Pierson family, the Joseph Koehn family and Skip and Charles Grabow.

Mrs. Charles Hohn was a Thursday caller of relatives here.

Mrs. Russell White and daughter of Whittemore were Friday callers of local friends and relatives.

James Almasy of Brighton spent the week-end at his trailer.

Mr. and Mrs. Thomas Cataline of Flint were week-end guests of his mother, Wilhelmina Cataline, and Gregory.

Mrs. Earl Nickell called on her parents, Mr. and Mrs. Lee Ewald of Turner.

Alex Branzi and friend of Detroit and his uncle of Sweden were visitors last Saturday of Mr. and Mrs. Ted Lichota.

Mr. and Mrs. Stanley Rangeloff and daughter, Wendy, of Detroit were Saturday callers of the Ted Lichotas.

Mrs. Harvey Smith and Amy were Thursday evening callers of her grandmother, Mrs. Effie Lambert, and the Elton Lamberts at Turner.

Altar Society Meeting Had Halloween Theme

A Halloween theme was followed at the Thursday, October 18, meeting of St. Joseph Christian Mothers Altar Society with Mildred Flynn, president, presiding.

An invitation was accepted from the Immaculate Heart of Mary Women's Council to attend a social hour Thursday, November 15. All members are also invited to attend the Council of Catholic Women Convention in Alpena November 1. An invitation was extended for interested persons to attend a "get-acquainted" cardio card circle Thursday, October 25, 7:30 p. m., at the social center.

Mrs. Flynn appointed members to work on various committees for the coming year. Christmas party committees were also selected.

Emily Rich and Helen Skiver will act as chairmen of the Halloween party to be held at the social center Wednesday, October 31. Volunteers to help with the activities are needed.

Members discussed the initiation of a sewing circle at the social center.

Following the business session, games were played and prizes awarded. Marcella Gavel won the jackpot. Hostesses were Marjorie Birkenbach, Gladys Nelkie and Arlene Reinke.

Hollis E. Abbotts Mark 50th Wedding Anniversary

Mr. and Mrs. Hollis E. Abbott of South Branch marked their 50th wedding anniversary Sunday, October 21, with an open house hosted by their children at the Curtisville Civic Center.

Mr. Abbott and the former Inez Byce were married October 28, 1923, at the Oak Park Church, Flint. The Rev. H. C. Pearce officiated. Attending the couple were Mrs. Amy Buck of Hale, Mr. Abbott's sister, and Clark E. Abbott of Midland. Mrs. Abbott is a native of South

Branch. Her husband was born and raised in Wilber Township.

The Abbotts moved from Flint to South Branch in 1948 where they engaged in farming until his retirement in 1960. Both are active members of the Farm Bureau and the Curtisville Baptist Church.

They are the parents of five children, Mrs. Jack (Jean) Mann of Hillsdale, New Jersey; Roland Becker of Flint; Morris Abbott of Flint; Donald Abbott of South Branch and Raymond Abbott of Tawas City.

Literary Club Marked 89th Anniversary

Ladies Literary Club celebrated its 89th anniversary since its organization at the Wednesday, October 17, meeting in the clubrooms. Members of the Twentieth Century Club were present as guests. It was also noted that this is the 60th year the club has been meeting in its East Tawas clubrooms.

A paper, "History of a Club and Its Town," was read by Mrs. Henry Hauser, who also wrote the paper. Some members dressed in the 1884 style, the year the club was organized.

Hostesses were Mrs. Clarence Everett, Mrs. Daniel Cater and Mrs. James Sanborn.

City Manager Gave Program

Nineteen members were present at the home of Mrs. Emil Deppert on the Wednesday, October 17, afternoon meeting of Twentieth Century Club. Mrs. Ervin Ulman offered the meditation, Mrs. James F. Mark gave a report on the Northeastern District Convention held October 4 at Rogers City.

Reginald Bublitz, city manager of Tawas City, was present. He answered many questions on the theme of "What's New in the City?" Hostesses, Mrs. Mildred Ulman and Mrs. Frances Sheeks, served pumpkin pie, tea and coffee.

Following the meeting, members enjoyed the program and social hour at the meeting of Ladies Literary Club. The club was celebrating its 89th anniversary.

DiCicco-Stedman Marriage Vows Repeated at Hale

In 1 o'clock rites Saturday, October 20, in the Hale Free Methodist Church, the Rev. Neil Strickland officiated at the double ring ceremony uniting Sharon Stedman and Roger DiCicco in marriage. Norma Jean Strickland, vocalist, was accompanied by Mrs. Oral Euper.

The bride is the daughter of Mr. and Mrs. Porter Stedman of Hale. Her husband is the son of Mrs. Etta

DiCicco of Providence, Rhode Island.

Escorted to the altar by her father, the bride selected a full-length gown of candlelight satin with re-embroidered lace accented with small pearls and sequins. The scoop neckline was edged in pearls and a pearl crown secured her fingertip veil. The bridal bouquet was made up of yellow roses, white chrysanthemums, ivy and baby breath.

Acting as matron of honor was Mrs. John O'Neill. Theresa Chapman was the flower girl. Both were attired in long gold gowns with matching veils. Their bouquets were made up of bronze and yellow daisies.

Robert Tower of Grass Lake was best man with Michael Chapman of Fenton, ring bearer.

A reception followed the ceremony at the Plainfield Township Hall, Hale. Guests were present from Fenton, Alpena, Grass Lake and the Hale area.

For her daughter's wedding, Mrs. Stedman chose a full-length pink and white dress with a corsage of pink carnations and baby breath.

Following a wedding trip through Northern Michigan and Sault Ste. Marie, Ontario, Canada, the new Mr. and Mrs. DiCicco will reside at 141 Leona Avenue, Providence.

The bride is a graduate of Hale Area High School and attended Bay de Noc Community College, Escanaba. Her husband is a graduate of Central High School, Providence.

Engaged

Mr. and Mrs. Elmer Davis of Tawas City announce the engagement of their daughter, June C., to J. Richard Brown, son of Mr. and Mrs. Jack Brown of Whittemore. The couple is planning a December 1 wedding.

The redemption period will be one (1

Braves Beat Owls in Overtime; Meet Tough Spartans Friday

Tawas fans will long remember the Braves' 20-19 come-from-behind overtime victory Friday night over their arch rivals, the Oscoda Owls. The victory protected the winners' undefeated record and points the way to an NBC showdown with Essexville Garber.

But, before the Braves begin sharpening their war axes for a possible battle with Garber in two weeks for the NBC title (Garber beat Ogemaw Heights Friday night), the tribe must take on the tough Pinconning Spartans this Friday night on the latter's home field. The Spartans are not "patsies" in anyone's book as Coach Tom Stalker's squad has given every opponent a rough go this season and has turned in some upsets, including one over Oscoda.

Friday night's game at Oscoda was exactly the kind of a game one could expect when these two schools get together on the gridiron. The Braves had not beaten the Owls since 1966 and that was the year that Tawas stopped Oscoda's Coleman Lane and Company's unbeaten record at five games with a 19-7 upset. During the intervening six seasons, nearly every game has been a cliff-hanger.

After losing two straight games to Ogemaw Heights and Pinconning, the Owls could envision salvaging a disappointing season by upsetting the

undefeated Braves—ala Tawas in 1966—and they almost pulled it off. The Owls nearly completely dominated the offensive game for 3 1/2 quarters, leading 7-0, but the Braves came to life in the last five minutes of play and fireworks provided by the two teams more than matched the pyrotechnic display furnished fans at halftime.

Keying their defense on stopping Halfback Mark Elliott of the Braves, the Owls smothered Tawas' offense for three quarters. The two teams played to a "Mexican standoff" during the first quarter as Tawas' blocking, tackling and punting just did not match the performance of past games.

With two minutes, four seconds remaining in the half, Oscoda defenders poured through Tawas' defense to punt. Rick Allison picked up the ball on the 20-yard-line of the Braves and not a Tawas hand touched him as he raced into the endzone. Mark Little booted the point after touchdown and the Owls held a 7-0 lead.

Oscoda's momentum was given another big boost when Mark Boyd, defensive halfback for the Owls, intercepted a wobbly pass thrown by Quarterback Mickey Haglund and returned the ball to the Tawas 45. The Braves' defense, which had taken its licks during most of the first half,

stiffened and stopped Oscoda with 41 seconds remaining before intermission.

After bands from the two schools provided fans with a spectacular halftime show, the Braves and Owls returned to the field to resume a great defensive battle. The Braves got what looked like a break on the opening kickoff when the ball went out of bounds on the Tawas 45. Fullback Mike Hughes just could not find a good hole in the Oscoda defense and Elliott was stopped short of a first down. Jeff Hemphill's punt was partially blocked and Tackle George Smith of Oscoda returned the ball to the Owls' 40. In 14 plays closing out the third quarter, the Owls had hard running from Marc Burger, Dave Brandt and Boyd to move the ball to the Tawas 27. On fourth down, Linebacker Greg Hackborn scooped up an Oscoda fumble and returned the ball to Tawas' 45.

The Braves just could not take advantage of this break as Boyd intercepted a pass on the 25-yard line. Oscoda picked up a first down and moved to the 49, where the Braves stopped Burger on third down. After a five-yard offside penalty was marched off against Oscoda, the Owls punted out of bounds on the Tawas 35.

This set the stage for three spectacular comebacks, two by Tawas

and one by Oscoda. With five minutes, 14 seconds, remaining in the game, Elliott finally found running room and some blockers to score a 65-yard touchdown on the first play from scrimmage. This closed the gap 7-6 but Tawas' soaring hopes drooped when the usually accurate toe of Hackborn failed to find its mark and the ball sailed wide of the uprights.

The missed point after touchdown seemed to inspire the Braves' defense. Hackborn's kickoff was returned to the 29, but on the next play John Pfeiffer and Randy Reed cracked through the Oscoda defense to drop Brandt for a six-yard loss. A penalty pushed Oscoda back to the 11-yard line and the Owls had to punt three plays later, the ball rolling out of bounds on Oscoda's 43.

With two minutes, 53 seconds remaining in the game, Elliott picked his way through the Oscoda defense to the Owl 34.

Sloback Randy Scales then electrified Tawas fans with his favorite play, a trap up the middle which moved the ball to Oscoda's 16.

In two plays, Elliott spun to the 12 and then carried to the one-foot line, where Hughes went the final distance for the touchdown. Hackborn's toe found the mark on this one and Tawas took what appeared to be a commanding margin of 13-7, with only two minutes remaining in the game.

The Owls were not to be counted out so easily as, on the first play from scrimmage after the kickoff, End Bob Teeppen got behind Tawas' defense and made a spectacular catch on Brandt's long pass, the play covering 60 yards. Boyd moved the ball to the one-foot line and Brandt plunged into the endzone for the tying touchdown.

This set the stage for the play which sent the game into overtime. A bad snap from center prevented Oscoda from trying a kick from placement for the point after touchdown.

With 35 seconds remaining in the game, the Braves had the ball for three plays before regulation time ran out.

Tawas won the toss and elected to take the first crack at penetrating Oscoda's endzone from 10 yards out. Elliott picked up five yards on the first play and moved to the four-yard line on the second play. Haglund went to the one-yard line on a quarterback sneak and, on the last play, again kept the ball to score the touchdown. Hackborn again booted the ball through the uprights to give the Braves a 20-13 lead.

The excitement was still not over as the Owls took their shot at the endzone. Burger spun to the six on the first play and Tony Thomas carried to the four-yard line. Pfeiffer broke through the Oscoda defense to stop Burger with a one-yard loss on the next play. Brandt rolled out to pass on fourth down, did not find a receiver and then ran into the endzone for a touchdown.

Oscoda elected to run the ball for a two-point conversion and the Tawas defensive line stood the test by stopping Brandt right in his tracks, winning the game in spectacular fashion by only one point.

For Tawas, it was the second time that the Braves have been involved in the tie-breaking rule which went into effect last season, winning over Carrolton earlier this season. It was the second straight game that the Owls have lost after being tied with an opponent at the end of regulation time. Pinconning turned the same trick two weeks ago.

The Braves had 13 first downs to Oscoda's seven and had an edge of 230 yards on the ground to the Owls' 172.

MICKEY HAGLUND, Tawas Area Braves' quarterback, just made it into the endzone and was then pushed back by the Oscoda defense as the

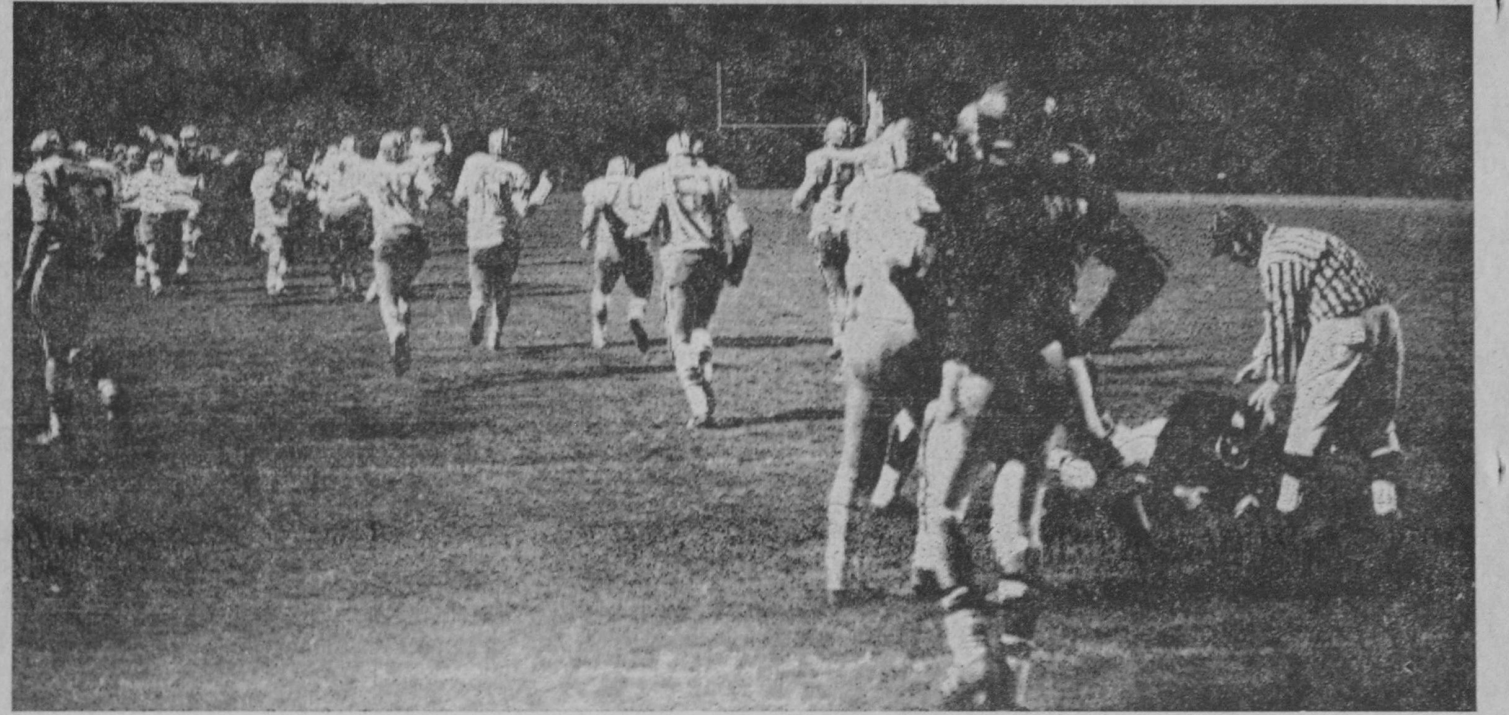

Braves scored a touchdown in overtime. This was the pile of players when the play was completed.—Tawas Herald Photo.

Two Big Plays in Victory—One Worked, One Failed

WINNING KICK for the Tawas Area Braves Friday night was this boot from placement by Greg Hackborn to score the point after touchdown in overtime as the Braves beat the Oscoda Owls, 20-19. Holding the ball for Hackborn's toe is Quarterback

Mickey Haglund. Earlier in the night, Hackborn missed a conversion but then booted two straight PATs under pressure.—Tawas Herald Photo.

AFTER STOPPING the Oscoda Owls' Dave Brandt about three yards short of the endzone on his try for a two-point conversion, the Tawas Area Braves' defensive unit raced down the field to celebrate their victory over Oscoda. Brandt is still on the ground

at right with the official asking for the ball. The game ended in a tie and each team scored a touchdown in overtime.—Tawas Herald Photo.

Hale Lost to Eastern, Cards Defeated Posen

Arenac Eastern handed the winless Hale Area Eagles a 16-0 loss in North Star League play Friday night. It was the second straight win for the Twinning school after 13 losses in a row.

That was the only conference game played Friday night and the big news was a non-league loss by Posen to the Whittemore-Prescott

Cardinals, 20-8. Posen is the unbeaten NSL leader with a 5-0 mark.

Arenac Eastern scored in the first and last quarters to hand Hale its fourth straight league loss and seventh over-all. Kevin Lynch passed 31 yards to Gene Williamson for the first score and Bill Grusecki ran 65 yards with an interception for the second TD. Lynch ran both PATs.

For the Cardinals, Don Turner scored on a four-yard run and Rick Durfee on a one-yard plunge as Whittemore-Prescott jumped out to a 12-0 lead at halftime.

Paul Meyers scored on a four-yard run for Posen and ran the PAT to trim the margin to 12-8, but the Cardinals came back with a 20-yard pass from Turner to Gary Smith and a conversion pass from Bob Locke to Smith to make it 20-8.

Jeff Webster led the Cardinal defense with 15 tackles.

Tawas Frosh Surprised Owl Squad, 26-19

In a surprising upset, Tawas freshmen defeated a previously unbeaten Oscoda squad, 26-19. Going into the game, the Tawas team was contending with an Oscoda unit that had scored 136 points and given up only 12 points.

Action opened early in the first quarter as Oscoda drove downfield to score. After kicking the extra point, the score stayed at 7-0 during the rest of the first quarter.

Tawas opened the second quarter with a 20-yard touchdown pass from Neil Warner to Jeff Tousley. The extra point attempt failed and the score remained, 7-6, during the rest of the first half.

An inspired Tawas team came out in the third quarter to score two consecutive touchdowns. The first came on a two-yard plunge by Mark Fisher. The extra point attempt failed, but Tawas went out in front, 12-7. On its very next offensive play, Tawas' tailback, John Rigg, ran the ball 60 yards for another touchdown.

Defensively, Rex Halstead, Steve Lauwers, Pete Peterson, Brian Bradley and Mike Lear all contributed over 10 tackles each for the winners.

This victory puts the Tawas squad into a first place tie with Oscoda. Both teams now hold a record of four wins and one loss.

Junior Braves Defeated Oscoda

Tawas Area Junior Braves smothered the Oscoda Junior Varsity Thursday night, 34-14, as Mitch Lenczewski scored three touchdowns and carried the ball 20 times for 122 yards.

Other Tawas players scoring touchdowns were Earl Parsons, Greg Gotcher and Brad Potts. Gotcher's TD came on a 63-yard punt return, while Potts caught a pass from Parsons.

The Junior Braves had 37 plays during the game and piled up 183 yards on the ground and 73 yards by passing for a total offense of 256 yards. Parsons completed six out of seven passes.

Bob Stephenson was the outstanding defensive player with eight solo tackles. Mike Harvey and Dave Gartland were each involved in 12 stops.

THE BRAVES tried two passes Friday night and both were intercepted by Mark Boyd of the Oscoda Owls. Watching from a distance is Randy Scales of the Braves.—Tawas Herald Photo.

There Is No Trick To Place A Herald Classified—But They Work Like Magic!

BIDS WANTED

Iosco Medical Care Facility will accept bids on the following construction and/or installation of equipment.

1. Ventilation and Combustion Air Louvers for the Emergency Generator Room.

ONE GOOD TERM DESERVES ANOTHER!

UNDER THE LEADERSHIP OF
MAYOR JOHN N. BRUGGER

the Tawas City City Council has undertaken and accomplished more civic projects for Tawas City than in any other administration in years.

Some of these projects include:

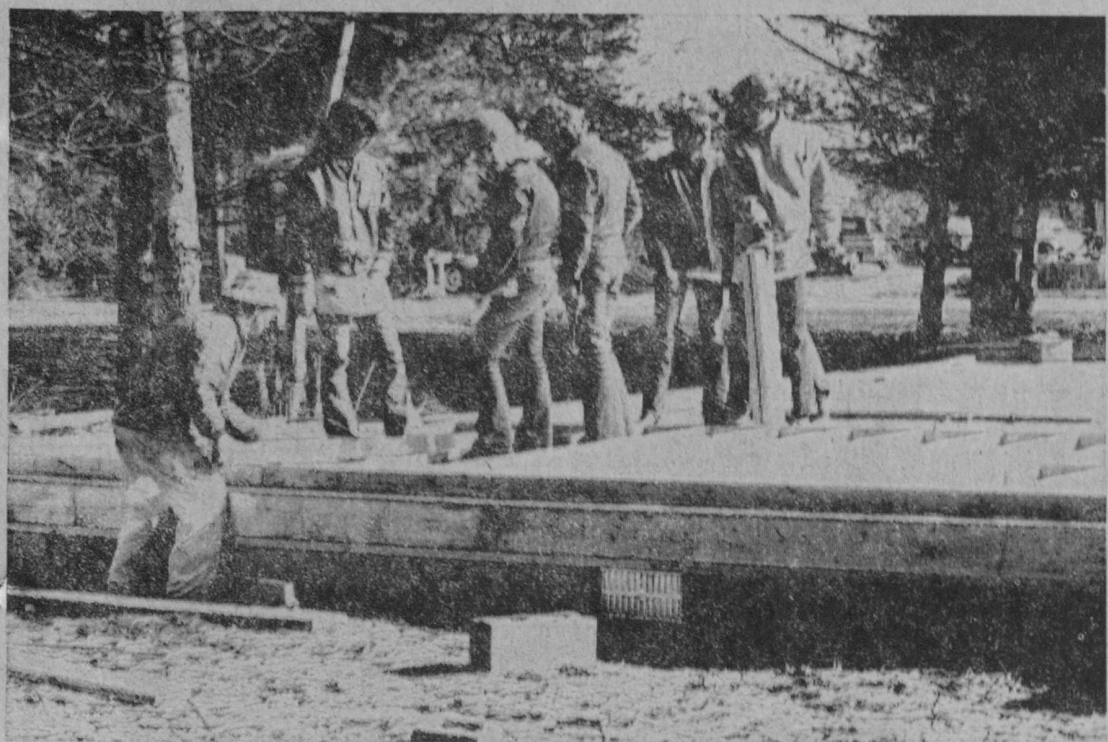

- 1) Two new bridges—Tawas City received \$5,700 for walkways and \$3,000 for the riverbank retaining wall from the Michigan Department of Natural Resources.
- 2) Improved traffic safety on US-23—\$19,000 in participating funds were given Tawas City from the county and state for the development of an expanded parking lot in the Tawas City City Park.
- 3) Tawas City Park will benefit from a \$6,000 erosion control grant from the Michigan Department of Natural Resources.
- 4) Betterment of the city street program—Streets have been changed from seal coat to plant mix blacktop with about two miles of streets being blacktopped this past summer.
- 5) Development of new sewer and water projects—A cooperative effort has been set in motion with adjoining communities to develop adequate water storage and modernization of sewer treatment facilities.
- 6) The city is now working with the state to improve the city park pier and to develop Tawas River mouth.

All of these projects just did not happen! They required knowhow and leadership. Experience is important for the City of Tawas City to successfully participate in these types of public works projects.

Mayor John Brugger through past experience as an alderman on the City Council, a member of the City Charter Commission, and a member of the Board of Education HAS DONE HIS HOMEWORK. He knows the why and the wherefore of community development.

LET US CONTINUE WITH PROVEN EXPERIENCE—
RE-ELECT JOHN N. BRUGGER

—Paid Political Adv.

TAWAS AREA SCHOOL'S building trades class is now rushing work on getting sidewalls and the roof in place on the class project of construction of a dwelling at the east corner of First Street and Ninth Avenue in Tawas City. The 26 by 42-foot dwelling and attached 22 by 24-foot garage is being entirely constructed by students under the supervision of Mark Defibaugh, instructor. This is the first year for a building trades class at this high school. Students from Tawas Area were enrolled last year in a similar program conducted at Hale Area School as part of the shared time vocational training program coordinated by Iosco Intermediate School District. Such instruction is particularly valuable to students, regardless of future avocation, as experience gained will be beneficial throughout the students' lives.—Tawas Herald Photos.

'Co-op 5' to Study Vo-Ed. Program

"Co-op 5" is the name of a new advisory committee which this month begins an intensive planning program to improve and increase vocational education offerings and facilities for Iosco County high school students.

Sponsored by Iosco Intermediate School District, in cooperation with boards of education of the four public school districts of the county, the advisory committee is to hold its first meeting at Hale High School Wednesday (today), October 24.

Formation of the committee follows an announcement from the career education office of Iosco Intermediate School District that an educational survey involving employers and high school students had been completed.

"The study indicates a strong need for increasing vocational education programs in the area," states Bruce Vickey, vocational coordinator for the intermediate district.

Based on survey results, the intermediate district has proceeded with plans for expansion and improvement of vocational training by obtaining resolutions from public school districts of the county.

Leadership for the intensive planning program is to be provided by the intermediate district office at East Tawas and will involve local citizens serving on an advisory committee.

Committees are to have studies and recommendations completed by February 15, 1974, at which time the compiled information is to be presented to local boards of education, as well as the intermediate district board of education.

Local Groups to Hold Parties On Halloween

Local organizations are sponsoring parties in an effort to keep children off the streets Halloween night, Wednesday, October 31, and prevent the extensive amount of vandalism in East Tawas and Tawas City which took place last year.

A dance will be held at the Tawas Area High School gymnasium for high school age children. Junior high school students may attend a dance at the East Tawas Community Building. Elementary and preschool children may attend parties at the East Tawas and Tawas City Elementary Units, Knights of Columbus Hall or the St. Joseph Social Center.

All parties and dances are free of charge. Cider and donuts will be served.

Ruling Sought on Bank's Relation to Damage Suit

A complaint seeking a declaratory judgment was filed Thursday in Iosco Circuit Court by Peoples State Bank of East Tawas asking the court to determine the rights and relationships between the bank and Hartford Accident and Indemnity Company.

The action is the result of Hartford's civil action commenced August 7 in Iosco Circuit Court on its own behalf and allegedly on behalf of the bank in which the insurance company seeks damages of \$1,875,000 against the bank directors.

The insurance company's damage suit, together with its petition asking for a change of venue from this county, was to have gone to jury trial Thursday before Judge James P. Churchill of Vassar, sitting in place of Judge Allan C. Miller, who disqualified himself from hearing the case.

It is believed that the three different petitions will be heard on the same day once a new trial date has been set.

The three cases have arisen over the acts of Richard Harwood, former bank president, who dishonestly misappropriated bank funds and subsequently has been sentenced to serve five years in federal prison.

The misappropriation of funds was discovered in February 1972 and the bank filed proof of its loss with Hartford, which provided coverage on a bankers blanket bond and excess bank employee dishonesty blanket bond. A \$775,000 settlement was later negotiated between the bank and Hartford based on the two bonds. The bank assigned to Hartford all of its rights in the loss, but retained the right to 30 percent of any recovery, according to its claims.

In its petition Thursday, the bank claims that prior to settlement, it believed it was required either to accept the settlement terms offered by Hartford or "run a substantial risk, because of the existing impairment of its capital, that it would be required to close its doors."

The bank claims that it did not consent to nor request that it be made a plaintiff in Hartford's case against the seven bank directors, nor did it retain nor agree to the retention of Leopold P. Borrello, also named as defendant with Hartford, as its legal counsel.

The bank asks the court to determine if it is properly a party plaintiff in Hartford's civil action and, if so, if the bank can be required by Hartford to retain Borrello as its counsel. The bank asks if it could discharge Borrello "when he takes action contrary to the desire and best interest of the bank" and may the bank utilize its own counsel.

In addition, the bank asked if Hartford may sue directors or any third person for alleged negligence which caused or permitted the fraudulent and dishonest actions of Harwood, which in turn caused the loss suffered by the bank.

The bank asked: "May the bank, if it deems it to be in its best interests, engage in informal discovery by providing documents from its files directly to the defendant directors in civil action?"

According to Hartford, the bank is a party plaintiff in the action against the seven directors and the civil action would be handled by Borrello,

its legal counsel, with all matters pertaining to the case to be handled through its office.

DAN KASISCHKE, a junior at Tawas Area High School, set a new school record and won the medalist standing in Wednesday's NBC meet at Currie Golf Course, Midland. Kasischke, named to the all-conference team, fired a one under par 71 on rounds of 34 and 37, Tawas Area's team, coached by Charles Crowley, finished sixth in the meet. Scores of other players were Rob Sarki, 91; Jim Heinritz, 97; Mike McIntosh, 96; Dave Kaunisto, 107.—Tawas Herald Photo.

Audubon Pushing Deposit on Bottles

Iosco Audubon Society is supporting state legislation to place a mandatory deposit on beverage containers, as well as supporting legislation to eliminate Michigan's nearly 40-year-old bounty on coyotes.

According to Mrs. James Wasyk, society president, the county organization supports House Bill 4926 which would place a 10-cent deposit on most beer, wine, pop and liquor containers, whether made of glass,

metal, plastic or paper. A five-cent deposit would be required on the short-necked 12-ounce beer bottles.

The bill provides for regional redemption centers and there would be a maximum penalty of a \$1,000 fine for violation of the law, reports Mrs. Wasyk. The society asks interested citizens to write area legislators to support the bill.

On the national scene, a bill has been introduced in the United States Senate which would ban the shipment and sale of non-returnable beverage containers in interstate commerce and ban all "flip-top" cans. The law would be administered by the United States Environmental Protection Agency.

Concerning Michigan's coyote bounty, Mrs. Wasyk said that Senate Bill 39 to repeal the act providing the payment of bounties is presently locked in the conservation and tourism committee.

She reports that more than two-million dollars has been paid out since 1935 for coyote business in Michigan and is of the opinion that the bounties "have not affected the number of animals in the least."

In addition to being ineffective, the Iosco Audubon Society president said the bounty wastes money "needed for important purposes and has been the source of frequent fraud."

The legislative subcommittee of the Michigan Audubon Society is coordinating a campaign among Michigan environmental groups to spring the bill from committee. Mrs. Wasyk said that state senators for interested persons to contact are Oscar Bouwsma of Muskegon, Basil W. Brown of Highland Park and L. Harvey Lodge of Waterford.

Supervisor Named For National Forest

Kenton P. Clark, current supervisor of the Cleveland National Forest, California, has been named supervisor of the Huron-Manistee National Forests, Regional Forester J. H. Cravens, administrative head of the 20-state eastern region of the United States Forest Service, announced Tuesday, October 16. Clark is succeeding former Sup. John von Bergen, who retired last summer after 40 years of federal service, the last eight years spent as supervisor of the Huron-Manistee National Forests.

In making the announcement, Cravens expressed enthusiasm over the assignment of this California native to the Michigan forests. "His western background will provide a new dimension in land management on our eastern national forests and we expect his experience with land use planning in that part of the country will add strength to our own planning system," Cravens said.

Color codes for cooking vegetables? That is right. Vegetables fall into four color groups and each group should be considered "on its own color" when being cooked.

Green vegetables are best when cooked in just enough salted water to prevent scorching. Cook quickly, with lid off kettle for first few minutes. Do not add acids, baking soda, etc., or you will lose both the attractive green color and valuable vitamins.

For yellow vegetables, cook with a moderate amount of water and with lid on unless it is a strong flavored

vegetable. Do not overcook. This causes natural sugar to caramelize and darkens the yellow color.

Cook most red vegetables in a moderate amount of water with lid on. The exception is red cabbage, a strong flavored vegetable, which is best cooked uncovered. A tiny amount of vinegar or lemon juice helps hold red color in red cabbage.

Just cover white vegetables with water to cook. Keep lid on, unless the vegetable is strong flavored, like onions. Cook only until tender or they will probably darken. To help preserve the white color, you might like to add one-half teaspoon of lemon juice or vinegar or one-eighth teaspoon cream of tartar to each cup of cooking liquid.

All vegetables should be cooked the shortest time possible and until just fork tender.

"Vegetables in Family Meals"—that is the name of a free bulletin which you may request from your cooperative extension office. It has 29 pages filled with information about buying, storing and cooking vegetables, plus eight pages of mouth-watering recipes.

Call for your copy or drop into your county extension office where you will see many additional educational bulletins on display for you.

MISS CAROL PEMBER, daughter of Mr. and Mrs. Robert Pember of Hale and a senior at Olivet College, was chosen as homecoming queen for the college's festivities October 13. She is a graduate of Hale Area High School. Miss Pember is shown standing at left with members of her court, from left: Ann Horodyski of Florida; Sandy Krake of Portage, Michael Strong of Detroit, Marilyn Haslett of Niles. Seated from left are Vicki Kimling of Arizona, Janet Keene of Muskegon, Patti Reeths of Muskegon and Karen LaMere of Kalamazoo.

Widower May Qualify Under Wife's SS

Question: I am a 62-year-old widower. Since I was totally dependent on my wife before she died, can I get monthly social security checks based on her work record?

Answer: Possibly, if she worked long enough in jobs covered by social security. Since January of this year, the age of eligibility for dependent widowers was lowered from 62 to 60. You should contact any social security office to apply for monthly payments.

Question: My husband died in an automobile accident four months ago and my 20-year-old son was severely injured in the same accident. Since my son had worked for nearly six months before his injury, can he get monthly disability checks from social security?

Answer: Your son needs at least 1 1/2 years of work under social security during the last three years to get disability payments on his own work record. However, he may be able to get benefits on his father's work record. A child can qualify for monthly payments on the work record of a deceased, disabled or retired parent if the child became disabled before age 22.

Question: Since my ex-husband became disabled a couple of months ago, he has not been able to pay his child support. I know that he applied for monthly social security payments. Can my 15-year-old son and I also collect monthly checks? I am 40.

Answer: You should apply for payments for your son. If your husband's benefits are approved, your son will also be eligible. But you cannot get payments now. A divorced wife can get payments on her ex-husband's earnings record only if she is 62 or over and was married to him for 20 years or more.

Question: Since my husband's death two years ago, I have been getting social security checks for myself and two of our three children. However, my oldest girl, who is now 24, could not get payments because she was over 18 when she became severely disabled from arthritis. She was 19 when her disability began. Has this law been

The Tawas Herald

408 Lake Street Tawas City

LOOKING BACKWARD—

TA School May Qualify for Federal Funds

15 Years Ago—

October 23, 1958—With an enrollment increase of about 10 percent over last year, partly due to the number of servicemen's families from Wurtsmith Air Force Base who are making their homes in this area, Tawas Area School may qualify for new federal funds under "impacted" legislation recently passed by congress.

Paul D. Bagwell, Republican candidate for governor, stopped in Tawas Friday on a whirlwind tour of Northeastern Michigan. "I know we are going to win because there is a resurgence in the Republican Party, the like of which veterans have not seen in many a year," said Bagwell.

About 1,500 customers shopped in the new Kroger Store during its opening day Wednesday.

Prin. Ernest Jordan of Tawas Area High School reports that about 20 percent of the high school students were stricken with "hunting sickness" Monday, opening day of small game season. Of the 672 students enrolled in the top six grades, some 135 were absent and only 16 of the absentees were girls.

25 Years Ago—

October 22, 1948—"Unless we do

something about our outmoded, overcrowded and, in many cases, entirely unsuitable buildings, we are faced with disaster," said Wilfred Clapp, assistant superintendent of public instruction, in his address to Tawas City and East Tawas boards of education. Clapp pointed out the need of increased building facilities throughout the state and said that it could only come about through reorganization of outmoded school districts.

John Webb and Sam Barnes came together with their cars near Hale Lake Wednesday morning, reports the Herald's Hale correspondent. No one was hurt, but the cars were both damaged.

A perch dinner at the East Tawas Club will feature the two-day meeting of the Michigan Outdoor Writers Association which will be held here Saturday and Sunday.

Arthur H. DeLage and Russell (Tink) Tomlinson are Republican slip candidates for sheriff of Iosco County. Ivan O'Farrell, who defeated John Moran in the primary, is the Republican nominee listed on the ballot.

Russell H. McKenzie of East Tawas was appointed grand herald by Michigan Odd Fellows.

35 Years Ago—

October 21, 1938—Iosco County farmers own something over 1,600 head of horses and they must be fed and handled with some degree of caution if they are able to perform the year's work in an efficient manner. County Agent W. L. Finley advises farmers to give their horses a bath to remove eggs deposited by the bot fly in the summer and early fall.

During the World War, Great Brit-

ain helped liberate Palestine's Arabs from the Turks, thereby winning Arabic support against Turkey. Although Arabs expected they would be rewarded with complete domination over Palestine, England's Lord Balfour led a successful campaign to establish part of the Holy Land as a haven for the wandering Jew. Since then, World Jewry has sent 400,000 persecuted Hebrews to Palestine, investing \$385,000,000 to build a national home. But disgruntled Arabs have protested with warfare, keeping harried British busy policing the land over which she was given a

mandate in 1923. While blood ran freely through the streets of Jerusalem, Bethlehem and Jaffa, a commission is in search of amicable agreement. Meanwhile, Jew-hating Germany and Italy have given restrained cheers for the Arabic cause, cheers that need no longer be restrained since the Munich peace treaty has placed Great Britain on the defensive. Faced with threats of Italo-German intervention unless Arabs were given a square deal, Prime Minister Neville Chamberlain has been reported ready to "sell out" the Holy Land's Jews.

Forest fires have broken out in Sherman Township and the fire warden has a crew of men at work battling the blazes.

Margaret St. James, who has 12 years of experience in the Tawas City post office, is democratic candidate for county treasurer.

Irvin Burtzloff, Former Tawas City Resident, Dead

Irvin Burtzloff passed away in San Francisco, California, on October 8. Mr. Burtzloff, 60, was the son of the late Mr. and Mrs. Edward Burtzloff.

He was born and educated in Tawas City, leaving this community after his graduation from Valparaiso University. He served during World War II with a long tour of duty in the Aleutian Islands.

He is survived by his sister, Mrs. Edmund C. (Viola) Arnold of Syracuse, New York.

Mean PAY DAYS
For YOU!

Now. An official program that can cut heating costs up to 17% and conserve Natural Gas.

If you're like most people, holding down heating bills is an idea that hits you right where you live. And, chances are, you'd like to help save Natural Gas, too. Especially during this time of energy shortages. Now there's an official program that supports both of these objectives. It was developed at the direction of the Michigan Public Service Commission, which is seeking ways to conserve Natural Gas and hold down utility bills by the wise use of energy.

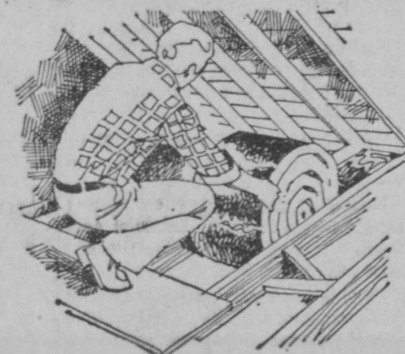

The heart of the program is simply this: **Installing ceiling insulation in your home. It's quick. Economical. Easy. A recent White House study found that "the most significant opportunity" for homeowners to conserve energy was through "improved insulation of houses."**

"Such improved insulation," the government said, "would benefit the individual homeowner by reducing winter fuel bills, summer air conditioning bills, size and capital cost of heating and cooling equipment, and air pollution."

The Michigan Public Service Commission agrees with this conclusion. It has supported a study prepared by Michigan Consolidated Gas Company which found that Michigan homeowners can achieve fuel savings of as much as 17% by adding six inches of insulation to their attics. Naturally, results for your home may vary due to architectural differences and your heating habits.

To help you realize fuel savings in your home, we've designed an easy home insulation program. Here's how it works. First, you can install the ceiling insulation your-

self. It's a simple do-it-yourself project—and the most economical way to put in ceiling insulation and hold down your heating bills. Many customers can accomplish the task for less than

\$100. Michigan Consolidated Gas Company has even prepared a helpful booklet that shows you just how to do the job. Secondly, you can call a contractor of your choice and arrange to have the work done. Or call Michigan Consolidated Gas Company. We'll have one of our participating insulation subcontractors install it for you.

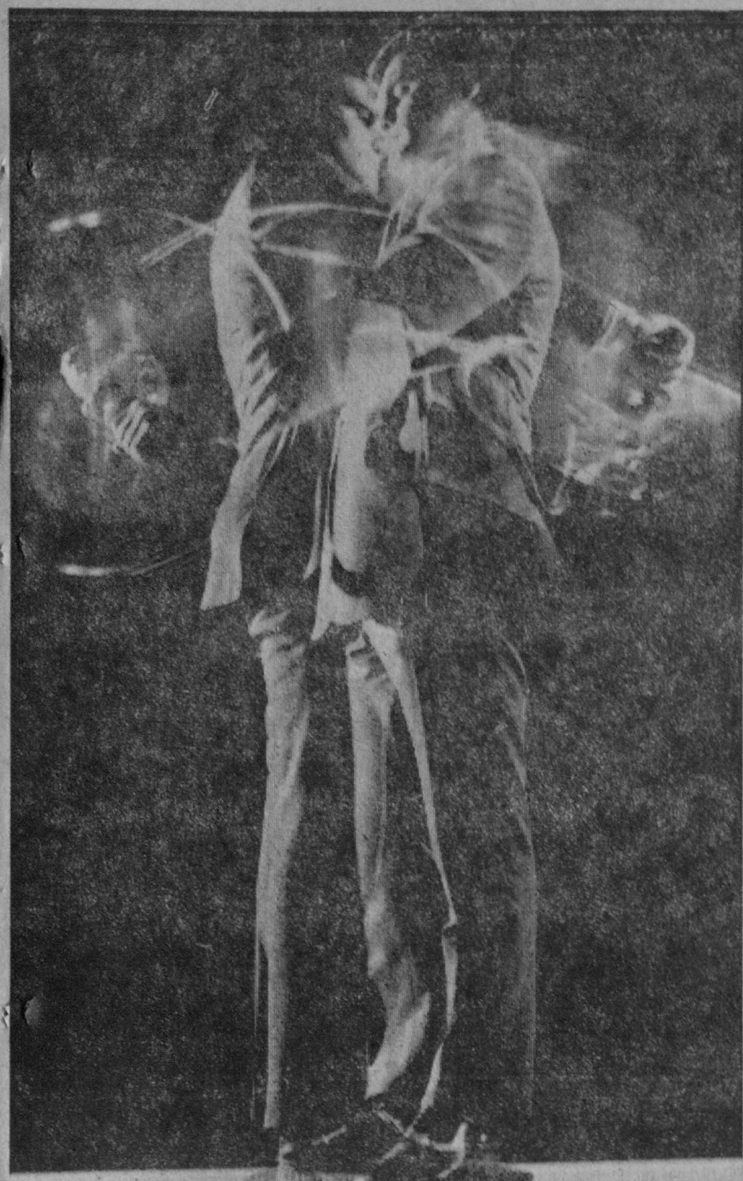

Our insulation program is easy on your budget, too. Many houses with up to 1,000 square feet in the ceiling area can be insulated for less than \$200. And, there's a payment plan to suit most every customer. You can pay cash. Or, you can pay just 20% down at the time the contract is signed—then simply have the remaining cost included in your gas bill. Pay it off on your next three gas bills with no interest or carrying charges. Finally, you can pay for the job over an extended period at an interest rate of 1% monthly on the unpaid balance. ANNUAL PERCENTAGE RATE OF 12%.

Whichever you choose, you'll be taking an important step toward holding down your heating bills. And cutting down on the use of Natural Gas. Why not plan on doing it now. Contact us today for additional details. And if you're a do-it-yourselfer, ask for our free booklet.

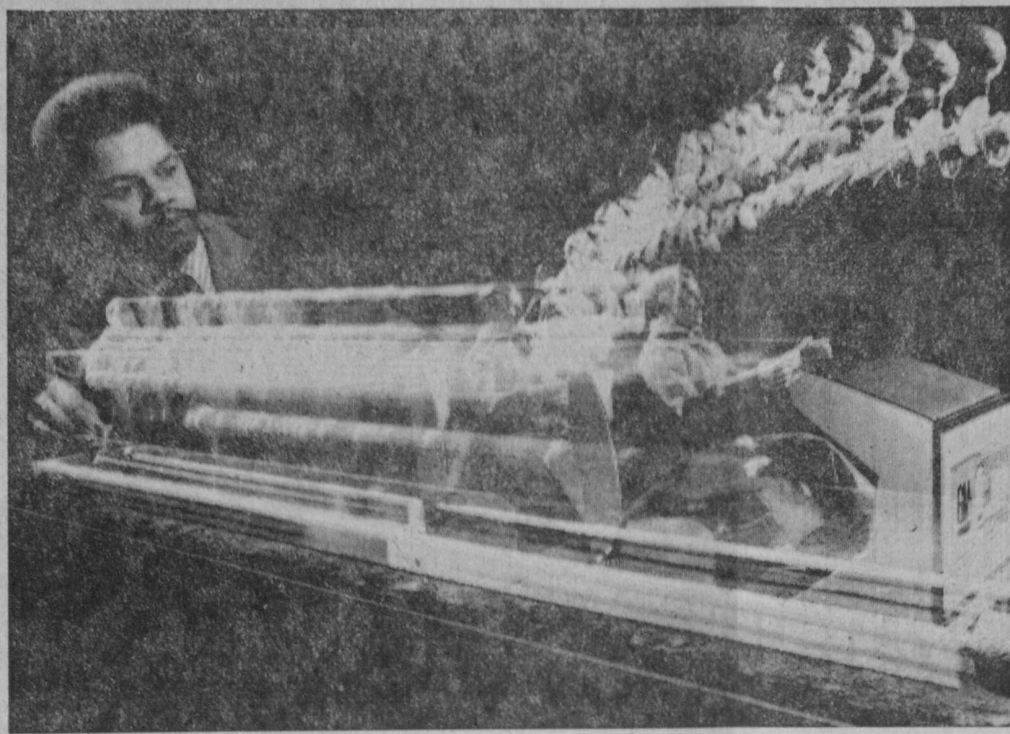

MICHIGAN CONSOLIDATED GAS COMPANY

We care about your tomorrow.

LOCAL STUDENTS will get a peek at the future when General Motors "Previews of Progress" research-in-action science show appears at Tawas Area High School on Monday, October 29, 1:30 p. m. The non-commercial show seeks to inspire student interest in science, engineering and related technical and vocational careers to provide the trained talent America needs to keep pace with the promise of the future. To demonstrate a few of the gyroscopic principles employed in space exploration and guidance systems of the future, a General Motors lecturer (at left) uses a rapidly spinning wheel to explain how gyroscopes operate. A miniature impact sled that vividly demonstrates the value of seat belts dramatizes safety research in the lower picture. The time exposure catches the action of the unrestrained passenger in the second seat as he is completely ejected from the sled, while the properly belted passenger remains safe in the sled body.

Gunfire Causes Serious Power Line Failure

Losing electric service as a result of errant gunshot fire has become an ever-increasing problem for Consumers Power Company and its customers.

In 1964, there were only 25 instances when gunshot fire caused interruptions of electric service to customers. During 1972, 75 cases were reported. These 75 occurrences resulted in loss of power to 40,391 customers.

Aside from the inconvenience caused by the service interruptions, a number of public health and safety agencies such as police and fire departments and hospitals lost electric power and could have been unable to react to a public emergency.

Figures for 1973 show the interruptions again on the rise. During the first six months of the year, 37 outages were caused by individuals shooting out the insulators on utility poles or severing the electric wires. Consumers Power records show 24,296 customers had their power interrupted during the six-month period.

Consumers Power wants to stop the intentional shooting of insulators and electric transmission lines. The company offers a standing reward of up to \$500 for information leading to the arrest and conviction or apprehension and restitution of persons responsible for these destructive acts.

How's Your Hearing?

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid ever made will be given absolutely free to anyone requesting it. Thousands have already been mailed, so write for yours today. This model is yours to keep, free. It is not an actual hearing aid, but a full-size model. This will show you how tiny modern hearing help can be. The aid itself weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so write for yours now. Write Dept. 5481, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

Toast Autumn with the Heather Mist Multipals® from Donegal®

Pick up the Donegal collection for fall. Turn yourself out in powerful plaids and sensational solids. All brimming with colors captured from Autumn. Misty heathers accented with bright darks. For men who are going places, a sure fashion start for the season. In carefree blends.

Kick up your heels in a pair of doubleknit, heatherpane plaid cuffed pants with belt loops. Slip on a long sleeve, full fashion Coleseta® heathered knit shirt. Tipped with accent brights. And make it terrific with our gently shaped doubleknit blazer with patch pockets.

Get it together with a pair of heathered doubleknit cuffed pants. Looped for a belt and gently flared. Underneath it all, our long sleeve acrylic, knit sport shirt with accent stitching.

Donegal® Multipals® easy-to-care knits are machine washable and dryable. Dry cleaning is recommended for blazer.
