

DAVID L. BELLINGER of Grant Township was killed Sunday on M-55 when his car, traveling in the wrong lane of the highway, collided with a vehicle driven by Edward J. Barry of East Tawas. Bellinger's wrecked car is at top.—Photos by Guys and Dolls.

Headon Collision Injuries Are Fatal

A 28-year-old Grant Township man received fatal injuries and an East Tawas man escaped with bruises and lacerations in a headon crash Sunday afternoon on M-55, seven-tenths of a mile west of Sand Lake Road. Pronounced dead at Tawas Hospital was David Lee Bellinger of 5146 Carpenter Road. An autopsy of the body was ordered by Dr. Larry S. Kelly, county medical examiner. Escaping the crash with only minor injuries and released from Tawas Hospital after first aid treatment was Edward J. Barry, superintendent of Tawas Area Schools. Investigating Iosco Sheriff's Department officers said that Barry, driving a four-wheel drive vehicle, was headed east on M-55, but traveling in the wrong lane. Officers said that Barry was traveling at approximately 40 miles per hour when he saw the oncoming Volkswagen operated by Bellinger traveling in the wrong lane. Barry told officers that the left wheels of the fast approaching car dropped off the roadway and he thought the driver was going to return to his proper lane. However, the westbound vehicle continued in the wrong lane. Barry turned his vehicle slightly toward the left just before impact and his vehicle was

Bomb Threat

Business resumed as usual Tuesday afternoon at Keiser's Drug Store after a telephoned bomb threat cleared the building. Investigating Iosco County Sheriff's officers said that a telephone call was received at the store around 3:00 p. m. stating that there was a bomb in the store. After police officers checked out the building, employees and patrons were allowed to return.

Former Banker Files Appeal On Guilty Plea

Richard L. Harwood, former president of Peoples State Bank of East Tawas, currently serving his sentence at the federal prison, Leavenworth, Kansas, has filed an appeal in Bay City Federal Court for withdrawal of a guilty plea to charges of false entry of deposits totaling \$616,000. After entering a guilty plea February 3, Harwood was sentenced to five years in prison on October 1 by United States District Judge Thomas P. Thornton of Detroit.

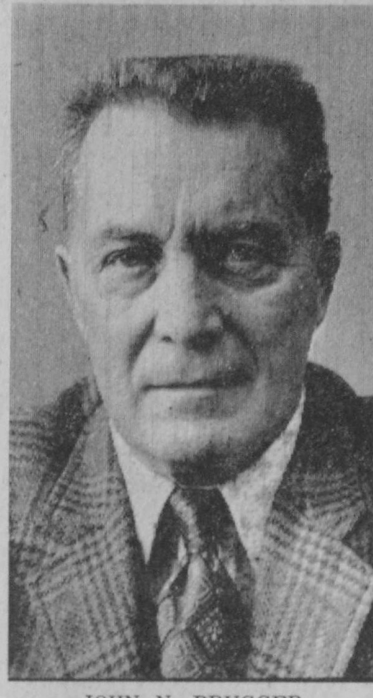

BOBBING FOR APPLES will be a popular pastime tonight during Halloween parties being sponsored in the community. Elementary and preschool children may attend parties at the East Tawas and Tawas City Elementary Units, Knights of Columbus Hall or the St. Joseph Social Center. A dance will be held at the high school for high school age children and junior high school students may attend a dance at the East Tawas Community Building.—Tawas Herald Photo.

City General Election Next Tuesday

Races for Mayor and City Council Feature Ballot

Tawas City voters are to receive two ballots in next Tuesday's general election and, barring any unfavorable weather conditions, the voter turnout is expected to be one of the largest for any election in the city's history. Expectation of a record count of voters on November 6 is based on the fact that the city will elect a mayor and a full slate of six councilmen, as well as to decide on a proposal seeking authorization to sell bonds to finance a sewer project. Providing major interest in the election will be the race between John N. Brugger, incumbent, and Mrs. Mildred DeBeau for the office of mayor. Brugger, a long-established busi-

Ask Voters to OK Sewer Bonding

A \$41,000 bonding proposal being placed before Tawas City voters next Tuesday has been given the unanimous endorsement of both the Tawas City Council and Tawas City Water Board. This proposal, which would finance construction of the new force main, is part of a sewer expansion and modernization program which has been developed by the city and its consultants after many months of study. Only last week, City Mgr. Reginald Bublitz termed construction of a new force main to connect the Second Avenue pumping station with the waste water treatment plant as "vital to public health." He based this on the fact that the proposed force main would alleviate a serious water problem at the Second Avenue lift station. Each spring, the station is overloaded and it is necessary to pump water directly into the river. While many other communities face similar problems in the spring and divert overloaded sewers into nearby streams, it is contrary to state law. The only reason that the state has not cracked down on enforcement is that the practice is the lesser of two evils. If the lift station is not pumped out, water backs up into basements or toilets in homes, which is an even more serious health problem. The city manager said that the problem would have to be solved, one way or another, and the water board recommended that the proposal be placed before voters on a 30-year general obligation bond issue.

Car Skids On M-65; Crashes Into Hotel

Daniel R. Dumas, 17, Whittemore, was treated at Tolfree Hospital Saturday after he lost control of his car and it crashed into the Whittemore Hotel. Investigating officers from the Iosco Sheriff's Department said that Dumas was northbound on M-65 when he lost control of the vehicle on the wet pavement. Extensive damage was caused to the hotel, but the driver escaped with only minor injuries. Florence Gronley, 72, Hale, was treated Sunday for minor injuries at Tolfree Hospital following a two-car crash on M-65 at Hale with a vehicle driven by Casimir L. Klemaszewski, 37, Bay City.

TC Street Closing Gets Tentative OK

Closing portions of three undeveloped streets near the old fairgrounds for construction of a new electrical substation was given preliminary approval Monday night by the Tawas City Council. No objections were registered at a public hearing called to discuss the proposal and the streets are considered closed pending adoption of final legal documents. In return for closing the streets, Consumers Power Company agreed to dedicate to the public the present trail which connects Cedar Street in Tawas City with Bridge Street in East Tawas. It agreed to give a 12-foot easement across its property to provide drainage for the present trail and for Tawas Industries, Incorporated, property located to the east. In addition, it is to provide approximately 17 feet of land for widening of Oak Street on the west boundary of its property. City Mgr. Reginald Bublitz told the council that with the three stipulations agreed to Monday night by Gordon Huck, area manager for the power company, the proposal represented a "fair exchange" between the city and Consumers Power Company. He said that the exchange represented approximately one acre of

TC Street Closing Gets Tentative OK

land. The proposal had been given preliminary approval by the zoning appeals board and the city planning commission. The power company is to construct a low profile substation in a wooded area on land to the north of the present substation on Cedar Street, Huron Street, Ottawas Street and River Street entering the property had never been developed. Huck called the project essential to the entire Tawas area as the substation will provide much needed additional electrical power to insure future growth. When originally proposed, the power company had agreed to dedicating the present trail connecting Cedar Street with Bridge Street. After an on site inspection of the area and discussion with nearby property owners, the council deemed drainage of the present trail important to future development of a street, as well as to handle property drainage on the east side of the trail. A tube under the trail is to be opened and engineering obtained to determine location of the 12-foot drainage easement across the power company property. Oak Street on the west boundary is presently 33 feet in width and a portion of the street is not situated on city property, due to a confusion in subdivision plats years ago. That portion of the street on power company property is to be deeded to the public in order to facilitate snow plowing and installation of future sewer and water mains to serve three undeveloped lots. In other business, the city manager said he would have recommendations for a new wage scale for hourly and salaried employees at the regular meeting next Monday night. The council is to consider a proposal by Mayor John Brugger to pay the city treasurer on a salary basis, rather than the present system of reimbursement through a salary and one percent tax collection fee. Brugger said that the present system of paying the one percent tax collection fee to the treasurer, amounting to \$3,000 a year, actually penalizes the city in its federal revenue sharing returns. The present ordinance governing the tax collection fee by the city treasurer is in conflict with the city charter and, under terms of the 1972 charter, the treasurer becomes an appointive city employee effective January 1. Bublitz reported that the council would soon have to consider hiring of a full time sewage treatment operator to comply with state regulations and to allow him more time to devote to his work as city manager. Consideration is to be given to training an employee in order to be certified by the state. In the meantime, it is felt that the operation could continue under the city manager's state license. A new time reporting system for employees is being developed by Bublitz in order that payrolls may be handled by city office employees, rather than by the city manager, which would provide much needed information for reports to the state concerning expenditures of state maintenance money on primary streets and highways.

One Sticker Candidate at Whittemore

Although no contests are listed on the November 6 election ballot for the City of Whittemore, Alfred R. Fortune has announced he will be a sticker candidate for mayor. Candidates winning in the primary election last August for the Democratic Party, the only ticket listing candidates at Whittemore, are Basil Goupil, mayor; Don Dorsey, clerk; Edward Graham Jr., treasurer; Octave St. James, First Ward alderman; Joseph DeLosh, Second Ward alderman.

Authorize Buying Two School Buses

Prior to adoption of its 1973-74 operational budget Monday night, Tawas Area Board of Education authorized the purchase of two new school buses and approved the hiring of a guidance counselor for girls. The new budget balances revenues of \$1,686,390.47 which was presented last week by Supt. Edward J. Barry. Mrs. Jeri Eid, whose husband, Foster Eid, is the new special education director for Iosco Intermediate School District, is the new guidance counselor for girls. Barry told members of the board of education that he had attempted for two years to secure the services of a guidance counselor for girls and was pleased that a qualified person had been hired. Approximately \$6,800 of the \$10,000 salary to be paid to the new counselor is to come from the school's general fund. The remainder is to be reimbursed from federal funds. The budget provides for the purchase of two new school buses at a cost of \$11,000 each. Considerable time during the meeting was devoted to a discussion on the rising cost of the school's transportation system. Purchase of the new buses was a necessity because of the increased number of miles traveled with the split school session and breakdowns in the present bus fleet. The administration and board of education is now studying the possibility of establishing the school's own bus service garage. This school district is one of only a few in the state which does not have its own bus maintenance facilities. The state pays approximately 75 percent of the cost of equipment, salary and supplies for maintaining buses and a study is being made to determine if the state's recommendation to operate a school bus garage here would be justified. It was suggested that possible quarters for the bus garage would be the former location of Michigan Consolidated Gas Company on First Street, Tawas City. It was stated that the building could be rented for \$250 a month. However, the building is located in a residential zone. Its use would be dependent upon allowance under the city zoning ordinance. Discussion was held on financing future purchases of band uniforms

Police Seek Car Involved In Hit and Run

East Tawas Police Department is seeking the identity of the driver of a red "compact" automobile which drove away from the scene of an accident Saturday night. Laura K. VanSumeren, 15, East Tawas, was walking north across East Lincoln Street at the intersection of Newman Street. She was struck by the left side of a car westbound on Lincoln Street. The driver did not stop after the collision with the pedestrian. Miss VanSumeren was taken to Tawas Hospital for treatment. Although no bones were broken, Police Chief Donald Docking said that the family doctor recommended the girl be kept at the hospital for a few days of observation.

EXAMPLES of the Halloween window art of Tawas Area School students is pictured here. The youngsters decorated windows at Tawas City business places last week, but much of the art work was washed off by rain over the week-end.—Tawas Herald Photos.

Drive Held Last Night for UNICEF

"Trick or Treat for UNICEF" is only the first step on a course that will help build a better world for needy children around the globe. Tawas United Methodist Church School children participated in the first step Tuesday, October 30, as they canvassed the area for UNICEF contributions. Residents of the Tawas who donated to UNICEF may be proud of the part they played in helping build that better world. Their "small change" amounts to a big change in the lives of hungry, diseased, poorly-clothed and sheltered children in the developing world. The pennies, nickles, dimes and quarters given to UNICEF Trick or Treaters will help provide those things to which UNICEF believes every child has a right—nourishing food, health care and education assistance. "By supporting our local UNICEF Halloween program, our community has demonstrated its support for the world's greatest asset—its youth," said Mrs. Marlin Eaton, chairman of the Christian social concerns of United Methodist women.

Mr. and Mrs. Lyle Schreiber of Pontiac visited relatives here over the week-end.
Francis Dorey and son, Russell, and Larry Alda visited the Kenneth Frasher family in Glennie Saturday night.

Mr. and Mrs. Kenneth O'Brien spent the week-end in the Upper Peninsula.

The Norman Harris family attended the 50th wedding anniversary party for Mr. and Mrs. Hollis Abbott Sunday at Curtisville Hall.

Mr. and Mrs. William Eckinger and Mr. and Mrs. George Bluhm of Kawawlin spent Friday at the Eckinger home.

Friends of Allen Schreiber are glad to hear he has returned home from Bay City General Hospital. Get-well wishes are sent to him following his surgery.

The Robert Smith family visited Mr. and Mrs. Raymond Kobs Tuesday night.

Donald Alda returned to Alpena Community College Monday after spending the week-end at his parental home.

Mr. and Mrs. Bertram Harris, Mr. and Mrs. Alton Abbott and Mrs. Russell Alda attended the 50th wedding anniversary party for Mr. and Mrs. Hollis Abbott at Curtisville Hall Sunday.

Steven Hyzer arrived from Grand Rapids to spend the week-end with his mother, Mrs. Cleona Hyzer.

Mr. and Mrs. Alton Abbott went to Vassar Tuesday.

Friends of Mrs. Beulah Pringle, who recently married Mr. McDonald, gathered at the Sherman Township Hall Friday evening for dinner and games.

Raymond Norrington of Frankenthum spent the week-end at his home here.

Mr. and Mrs. William Cholger visited her parents, Mr. and Mrs. John Jordan, Sunday.

Mr. and Mrs. Herbert Schroeder attended a going-away party for her brother and wife, Mr. and Mrs. Ralph Horton, in Flint last Saturday. They are moving to Titusville, Florida.

William DeLash visited Mr. and Mrs. Harold Parent one evening last week.

Mr. and Mrs. John Jordan spent Wednesday evening with Mr. and Mrs. Arthur Ranger.

Mrs. Orville Strauer visited Mrs. Harold Parent and Mrs. John Jordan Thursday.

Mrs. David Parent and daughter, Debbie, were callers in the Tawasess.

Mr. and Mrs. Herbert Schroeder visited Mr. and Mrs. Melvin Marsh Thursday evening.

Mrs. Dale Wood and son, Michael, were Thursday callers in the Tawasess.

Mr. and Mrs. Arthur Ranger and the Melvin Marshes visited Mr. and Mrs. John Jordan Wednesday.

Tawas Hospital

BIRTH—
Born to Mr. and Mrs. Alfred Donovan, Lincoln, October 25, a girl, weight six pounds, 1 1/2 ounces.

ADMISSIONS—
Tawas City: Violet Clute, Lillian Lansky, Louisa Severn.

East Tawas: Levi Campbell, Roland Brooks, Laurie VanSumeren.
County: Margaret Kasco, Hale; Lois Glaze, Freda Monte, Pearl Matte, Osceda; George Walmesley, John H. Wentworth, National City; Luella Lorimer, Whittimore.

Other communities: Clarence Bushart, George Bushart, Greenbush; Anna Pushman, AuGres; Beatrice Suiter, South Branch; Ernest VanWagoner, Harrisville; Frank Sayan, Mikado.

Margaret Wood, Doris Smith, Betty Bamberger, Peggy Blust and Lillian Powell attended a going-away dinner in honor of Ginger Hackney at Lixey's Restaurant Wednesday evening.

Diane Nickell of Turner was a caller of her sisters, Doris Smith and Jeanette Lichota, Tuesday night.

Mr. and Mrs. William Bamberger spent a few days in Davison and Lansing last week.

John M. Tanner

Aboard Cutter

Son, John M. Tanner, son of Mr. and Mrs. Clark Tanner Jr. of Tawas City, is a crewmember of the United States Coast Guard Cutter Courageous, which captured approximately nine tons of marijuana during a two-week patrol in the Bahama Islands. The crew was commended by the commandant of the coast guard for the professional manner in which the occurrences were handled.

A former student of Tawas Area High School, Tanner joined the coast guard in February.

Lower Hemlock

Mr. and Mrs. Irl Ballinger and daughter, Rebecca, spent the week-end visiting their son, David, and wife in Brighton.

Last Wednesday, Mr. and Mrs. Albert Conklin returned from Lake Katrine, New York, where they visited the Harold Spencer family.

Mr. and Mrs. James David and son, Christopher, of Walled Lake were week-end guests of her parents, Mr. and Mrs. Walter Miller.

Clifford Grove and son, John, spent the week-end with Mr. and Mrs. Ivan Alexander and attended the funeral of his sister, Mrs. Stella Proper. The community extends sympathy to the William Proper family.

David Kasischke was home from Michigan State University for the week-end with his parents, Mr. and Mrs. Martin Kasischke.
Friday, Mrs. Charles Kobs accompanied her son, Dean, to Bay City where they visited her parents, Mr. and Mrs. Martin Musolf.
Mr. and Mrs. Roy Rossow of

Marine City called on Mrs. Walter Laidlaw this week-end.

Robert Cain of Flint enjoyed a few days with the Ivan Alexanders.

Miss Lucinda Kobs of Bay City was home for the week-end with her parents, Mr. and Mrs. Raymond Kobs.

Mr. and Mrs. Robert Siebert of Mt. Clemens were Saturday callers at the Charles Kobs home.

COMMITTEE TO ELECT —Pd. Pol. Adv.

You're Represented— If I'm Elected!

MILDRED M. DeBEAU for Tawas City Mayor

I was reluctant when asked if I would consider running for Mayor of Tawas City. Experience . . . I have none — not many women have had the honor of being Mayor of their towns. But experience comes from doing and being on the job. When I am elected Mayor I know I will be leaning on the City Manager and six council members for a while. But between the eight of us, we should be able to guide the city through improvements in an orderly fashion.

The only drastic change you, the people of Tawas City, will see during my term of office will be full recognition of your thoughts and feelings on the changes and developments of our town.

You are going to be informed . . . and then asked to voice your opinion on issues which concern you and your town. That way the final results will not be that of one man's effort — nor six men and one woman — but the result of the feelings and thoughts of concerned residents of Tawas City.

My true feeling on being the Mayor of Tawas City is to get every one of you involved with your town.

The knowledge and know-how which is locked behind some of the doors of our community would save us valuable time and thousands of dollars. . . I WANT TO BE THE FIRST ONE TO KNOCK ON THAT DOOR.

OPEN IT BY VOTING FOR ME NOVEMBER 6th AS MAYOR OF OUR TOWN.

Sincerely,
MILDRED M. DeBEAU [Mrs.]
—Pd. Pol. Adv.

"BRING ME BACK ALIVE" is the message this "spook" has for motorists who will be on the road Halloween night (tonight). On Halloween, almost every school-age youngster in the state will be exposed to traffic during the hours of darkness when most fatal accidents occur. Motorists are asked to be alert to children caught up in the Halloween excitement and parents are urged to escort young children, include white or light colored cloth or strips of reflective material on costumes and to avoid loose-fitting hoods that completely cover the face.

Social

Palumbo-Grabow Wedding Vows Said at IHM Church

Immaculate Heart of Mary Catholic Church, Tawas City, was the scene of the double ring ceremony Saturday, October 27, uniting in marriage the former Joe Dee Grabow and Michael J. Palumbo. The bride is the daughter of Mrs. Carl Grabow of Tawas City and the late Mr. Grabow. Her husband is the son of Mrs. William Gibbs of Tawas City and the late Joseph Palumbo.

The Rev. Fr. Lawrence E. Boks officiated at the 5:30 o'clock ceremony, which was followed by a reception at McIvor Union Hall, National City, attended by 200 guests.

The bride descended the aisle in a full-length gown of sheer organza featuring a ring collar, deep full bishop sleeves and V-shaped bodice, all enhanced with lace and pink ribbon. From her Empire waistline fell a softly gathered skirt with tulle hemline, which swept into a chapel-length train. A matching Camelot cap secured the illusion veil. The bridal bouquet was made up of white and pink carnations.

Serving as maid of honor was Judy Skinner of North Branch. Jacki Grabow, sister of the bride, was the bridesmaid. They were identically attired in blue crepe gowns with tucked bodices and Venice lace trim. Their ring collars and leg of mutton sleeves were also trimmed in matching lace. Each carried a nosegay of yellow carnations.

Acting as best man was Wendall Jordan of Tawas City with Rodger Klouse of Glennie, groomsmen. Terry Grabow and Anthony Palumbo, brother of the bridegroom, seated the guests.

For her daughter's wedding, Mrs. Grabow selected a pink, long-sleeved dress. Mrs. Gibbs chose an aqua, street-length dress. Both wore corsages of bronze chrysanthemums.

The new Mr. and Mrs. Palumbo are graduates of Tawas Area High School.

Honoring the bride with pre-nuptial showers were Miss Grabow, Sheri Koehn, Janice Curry and Audrey Russell.

TC Garden Club to Meet Nov. 6

Answer to roll call will be a Thanksgiving quotation at the Tuesday, November 6, 1:30 p. m., meeting of Tawas City Garden Club at the home of Bernice Silverthorn. Current features on gardens will be presented by Anna Schaf.

Mabel Liske will offer a program, entitled "Thanksgiving is to Remember."

Hostesses will be Violet Fisher and Lois Giddings.

Engaged

Mr. and Mrs. Harry D. Coleman of Tawas City announce the engagement of her daughter, Miss Valeria Gasser, to Michael Sventko, son of Mr. and Mrs. Steven Sventko of East Tawas.

The couple is planning a December 15 wedding.

Buch-Boomer Nuptial Vows Said Oct. 20

The Rev. Steven E. Byrd officiated at a 4 o'clock wedding service Saturday, October 20, in Berean Baptist Church, Fayetteville, North Carolina, uniting Sybil D. Boomer and Albert H. Buch, both of Tawas City, in marriage.

Attending the couple were the daughter of the bridegroom, Mrs. Harry Woessner, and her husband of Newport News, Virginia.

For the double ring ceremony, the former Mrs. Boomer chose a salmon colored, street-length dress. A reception followed at the home of the bride's daughter, Mrs. Steven Gwynn, and Mr. Gwynn of Fayetteville.

Following a brief wedding trip through the southern states, the couple will reside in Tawas City.

DAV Auxiliary Names Officers

Helen Machulis of East Tawas was elected chaplain and Marian Rose of East Tawas, historian, of Tawas Bay Chapter No. 130, Disabled American Veterans, Auxiliary at the meeting Monday, October 22.

Tentative plans for a November harvest supper were changed to a president's birthday dinner to be held in February.

One auxiliary project for the past two years has been holding a party once a month for patients of Isosco Medical Care Facility. Members assist patients and furnish prizes.

Those assisting Muriel Paster of Oscoda, chairman, at the party November 20 will be Mrs. Rose, Mrs. Machulis and Alice Dorff of Tawas City.

Next meeting will be held November 26 at which time food items for Christmas baskets for the needy will be collected.

Meetings are held the fourth Monday of each month at the Knights of Columbus Hall, East Tawas. Information about the organization, which covers all communities in Isosco County, may be obtained by contacting Irlab Stoll of Oscoda, adjutant, at 739-7540.

Senior Citizens Held Meeting And Dinner

Nineteen members with recent birthdays were honored at the Wednesday, October 24, meeting of Tawas Area Senior Citizens. Four visitors were among the 121 persons present at the East Tawas Community Building.

Door prizes were won by Mr. and Mrs. John Pawloski with a special prize going to Lu Baker. Prizes for the best Halloween costumes were won by Glen Dyer, clown, and Mae McMurray, Raggedy Ann. Ice cream and cupcakes were served.

Next meeting will be held Wednesday, November 14, 12 o'clock noon, at the community building. Members are to bring a sack lunch.

Senior citizens enjoyed their annual dinner Thursday, October 25, at the Masonic Temple with 109 in attendance.

Songs were presented by the senior quartet, Charles Ragg, Herbert Shultz, Ernest Nesbitt and Kirby Millier, and a solo by Dianne Knight. Group singing was enjoyed, with Betty Higgins accompanying at the piano.

Special door prize was won by Mrs. Rufus Martindale.

VOTE—Jerry Snoblen, Tawas City Council.—Pd. Pol. Adv. 441p

About PEOPLE YOU KNOW

Tawas City

Mrs. Dolores Gauer has sold her Douglas Drive home to Mr. and Mrs. Joseph Gaertner of Saginaw.

A son, Michael Anthony, was born September 30 to Mr. and Mrs. James Trinklein (nee Terry Hill). The child weighed five pounds, 12 ounces. Grandparents are L. J. Trinklein and Mrs. Frank Hill of Hudson.

Mr. and Mrs. Charles Klug and daughter of Muskegon visited her parents, Mr. and Mrs. William Makinen, last week-end.

A. Don Moreoco, who was stricken with a heart attack in August, is recuperating at his cottage on Tawas Bay.

Mr. and Mrs. Leo Gingrich of Le Roy and the Myron Smiths of Lake City were week-end visitors of the Arthur Allens.

Mr. and Mrs. Leonard Furst spent several days last week in Pontiac and Detroit.

Mrs. Lucile Smith returned Thursday to her home in Plymouth after a week's visit with her sister-in-law, Mrs. C. L. McLean.

Sunday, Mrs. Hilda Ulman visited her daughter, Mrs. Ruth Gauthier, a patient at Mercy Hospital, Bay City.

Mr. and Mrs. Richard Becker of Hamburg spent the week-end with his parents, Mr. and Mrs. Clifford Becker.

Mrs. C. L. McLean has been notified that her sister, Mrs. Chester Dobson of Saginaw, passed away Sunday evening. Mrs. McLean and the Victor Herrimans plan to attend the funeral.

Mr. and Mrs. Thomas Mark and daughters of Livonia were recent guests of his parents, Mr. and Mrs. W. Byron Mark.

The Robert Ericksons have sold their property on Lake Street and have purchased a home in East Tawas.

Friends are pleased to have Mrs. Fred Blust back home after a three-month stay at St. Luke's Hospital, Saginaw, and with her daughter, Mrs. Ernest Dankert. Mrs. Blust had fallen and shattered the bone in her leg and knee and had to be hospitalized.

A joint school of instruction for Tawas City Chapter No. 303 and Isosco Chapter No. 71, Order of the Eastern Star, will be held November 29 with Mrs. Matele Leungrave, grand Ada, presenting the school.

Mr. and Mrs. Gerald Mallon of Algonac called on relatives in the Tawas area over the week-end.

Mr. and Mrs. Ernest Mueller called on friends in Gladwin Thursday.

A Halloween party was held Sunday evening for young members of First Baptist Church. Many original costumes were worn and prizes were awarded.

A reception and dinner honoring Carolyn A. Everett, worthy grand matron of the Grand Chapter of Michigan, Order of the Eastern Star, was held Saturday evening, October 27, at the Saginaw Civic Center.

Area residents attending were Mrs. John Forsten, Mrs. Harold Knight, Mrs. Waldo Leslie, Mrs. Clare Herriman and Mrs. John A. Mark.

Mr. and Mrs. Arthur Ulman of Davison visited relatives here over the week-end.

Reno News

Mr. and Mrs. Carlton Robinson of Clo visited his brother, Elwin, and his mother, Hattie Mae Robinson, Saturday.

The Reno Baptist Missionary Society met at the home of Mrs. Hamilton Hutchison Tuesday afternoon.

Miss Edna Otis spent Wednesday at the home of Mr. and Mrs. George Waters.

Mr. and Mrs. Will Waters and Miss Florence Latter had the following guests last week: Mr. and Mrs. Chester R. Smith of Flint and Mrs. Carol Manning of Whittemore.

Mr. and Mrs. Arthur Aulerich went to Okemos Friday to help celebrate their grandchild's birthday.

Wednesday, Beatrice Barnum helped her sister, Mrs. Martin Near, celebrate her 59th birthday. She left Sunday for Ann Arbor and will have surgery in the hospital there.

East Tawas

Week-end guests at the William Davis residence were Mrs. Davis' sisters, Mrs. Elizabeth Winegar of Spring Lake and Mrs. Anna Van-Veelen of Muskegon.

Mr. and Mrs. Anthony Mazella's visitors last week-end were their niece, Nancy Baker of Detroit, and friend, Nancy Vitti of East Detroit, students at Wayne State University.

Mr. and Mrs. Howard Scott have returned home after a week of visiting relatives and friends in Grosse Pointe Woods, Wyandotte and Southgate.

Mr. and Mrs. Charles Clayton were with their children, Mr. and Mrs. Craig Jantsch, and Todd and Jennifer the first two weeks of October in Liverpool, New York, and enjoyed various points of interest. Saturday, Mrs. Lillian Crittenden and Mrs. Charles Rose and children of Caro were guests at the Clayton home.

Mrs. Sadie Jarvis has returned from Bay City where she spent several days last week with her daughter and husband, Mr. and Mrs. Ted DeWise, and family.

Mr. and Mrs. Merle Amo have returned from Detroit where they visited their children the latter part of the week. Her mother, Mrs. Johanna Kraay, returned home with them and will spend several weeks here.

Mr. and Mrs. Carl Beaubien, accompanied by Mr. and Mrs. Peter Frick and Mr. and Mrs. Gerald Ruczynski from Oscoda, enjoyed a few days' vacation at Las Vegas, Nevada, last week.

Guests at the William Broughton home during the week-end included Mr. and Mrs. James Broughton from Saginaw and Mr. and Mrs. William Broughton Jr. and daughter, Shelly, from St. Charles.

Mr. and Mrs. Harold Haglund from Marine City are spending the week at their cottage on Tawas Lake.

Mrs. Zeida Upton, who recently moved to Saginaw, is residing at 5905 West Michigan, Apartment B-4, Saginaw 48807.

Mr. and Mrs. Daniel Ballant were in Flint the fore part of the week to attend the funeral of her sister, Mrs. Maude Kirbyson. They also visited her daughter, Mrs. Roland Kolenka, and husband before returning home.

Mr. and Mrs. Marvin Flurry were Saginaw visitors on Friday.

Mr. and Mrs. Thomas Walsh have sold their home at 525 Fox Street to Mr. and Mrs. James T. Butler Jr., who took immediate possession.

Mr. and Mrs. Ernest Mueller called on friends in Gladwin Thursday.

A Halloween party was held Sunday evening for young members of First Baptist Church. Many original costumes were worn and prizes were awarded.

A reception and dinner honoring Carolyn A. Everett, worthy grand matron of the Grand Chapter of Michigan, Order of the Eastern Star, was held Saturday evening, October 27, at the Saginaw Civic Center.

Area residents attending were Mrs. John Forsten, Mrs. Harold Knight, Mrs. Waldo Leslie, Mrs. Clare Herriman and Mrs. John A. Mark.

Mr. and Mrs. Arthur Ulman of Davison visited relatives here over the week-end.

Here to spend the week-end with Mrs. W. G. Mallon were Mr. and Mrs. Gerald Mallon from Algonac and Mr. and Mrs. John Krumm of New Baltimore.

Mrs. Anthony Blust from Detroit is visiting relatives and friends in the Tawas area this week.

Mr. and Mrs. Edward Mochly were in Smith Creek a couple of days last week due to the death of her brother, Charles Frazer.

Mr. and Mrs. Joseph Roberts called on her brother, Harold DeLosh, at the Allen Park Veteran's Hospital. He is in room 1008 and would enjoy hearing from Tawas friends.

Mr. and Mrs. James Rufus from Arcadia visited friends in the Tawas area over the week-end.

Whittemore News

Women's Club Met at Martin Home

Whittemore Women's Club met at the home of Mrs. Ruth Martin, Hale, Wednesday evening, October 24. Twenty-one members and two guests were present. Mr. and Mrs. Robson from Bradley's Flowers and Gifts, Hale, demonstrated floral arrangements. The Robsons gave many helpful suggestions on the care of cut flowers.

At the close of the business meeting, three floral arrangements were given as prizes to Mrs. Martin, Bessie Curtis and Ethel Bellville.

Business meeting was conducted by Mrs. Martin, president. The ways and means committee discussed plans for the card party to be held at the Masonic Temple Friday, November 2, 8:00 p. m. There will be a prize for each table and door prizes. Refreshments will be served. Tickets

Sand Lake

Mrs. Valdean Musk and Mrs. Frances Byrne returned Monday from a trip to Bradford, Pennsylvania, where they attended the wedding of Mrs. Byrne's daughter, Lynn, and Jon Meabon of Bradford.

The Men's Association meeting was held Tuesday evening. Reports from the building committee were heard and further plans include obtaining the services of architects to assist with the proposed community building. LeRoy Lutz entertained the group with movies of the recent summer festival.

The retirees will hold their monthly meeting Thursday, November 1, 7:00 p. m., at the fire hall.

Mrs. Velma Mills has returned from a two-week stay in Southwestern Michigan, where she visited friends and relatives in Jackson and Grand Haven. Sunday, she was flown back by her niece and nephew.

Condolences are extended to the family of Edward Arends, who passed away and was buried a week ago.

Mrs. Frank Miller has been hospitalized for a week at St. Mary's Hospital, Saginaw.

are on sale from any club member and at the door.

Twenty-one reservations were made for the county convention to be held at the Whittemore Methodist Parish House Wednesday, November 7.

Mrs. Val Samson was presented a

"Club Collect" plaque and gift. She was voted an outstanding club member at the previous meeting.

An impressive welcoming service was conducted by Mrs. Adele Brown, honoring Mrs. Ann Strickler and Mrs. Mae Dailey, who had recently joined the club.

Open House Held Sunday at Legion Hall

Jesse C. Hodder Post No. 189, American Legion, and Auxiliary co-hosted an open house Sunday, October 28, at the American Legion Hall, Tawas City. Guest speakers included George Machulis of East Tawas, commander of Tawas Bay Chapter No. 130, Disabled American Veterans; Thomas King, vice commander of the fourth zone, DAV; Floyd Krause, state committeeman of the 10th district; Catherine Bogart, state vice commander of the auxiliary; and Jane Schultz, past state auxiliary commander.

Veterans were present from Flint, Oscoda, National City and the Tawas. Included in the afternoon activities were a film regarding memberships, an information exchange on the property tax relief act affecting veterans, information relating to the American Legion Hospital and family unit program at Battle Creek and American Legion Youth Home, Otter Lake.

Refreshments were served by Mrs. John N. Brugger, Mrs. Victor Zaharias and Mrs. Fitzhugh Prescott.

CHAMPION ONION?—Mrs. Harold Parent of McIvor believes this Bermuda onion which she harvested from her garden last week may be of record size. The sweet onion which she holds weighed 2½ pounds and measured 18½ inches in circumference. —Tawas Herald Photo.

Hale Area News

Hale Baptist Church Announces Speaker

The Rev. George B. Dagley, field relations coordinator for New Horizons Youth Ministries, will be speaking at the Hale Baptist Church Sunday, November 4, at both morning and evening services.

New Horizons Youth Ministries is a unique Christian organization which helps disturbed and distressed youths try to find themselves and redirects them in becoming useful to themselves and others in the community. They are counseled in their homes or are directed by the courts to this organization.

The mission maintains a complete facility for rehabilitating these youths on the Island of Haiti in Christian surroundings and supervision. Each boy or girl is given personal attention and tutoring service including unique spiritual, academic and cultural enrichment. After this period of rehabilitation, they are returned to a group home situation in Grand Rapids. From there, they are returned to their own homes or are placed in Christian foster homes.

Mr. Dagley's message at the 11:00 a. m. service will be "Why is there a need for New Horizons Youth Ministries?" The 7:30 p. m. message will be "The Potter and the Clay." Before the evening service at 6:45 o'clock, Mr. Dagley will show pictures of the Nation of Israel.

and children. Mr. and Mrs. Steven Denstedt and son, Mr. and Mrs. Mrs. Richard Brindley and children, the Anthony Bissonnettes and son and Mr. and Mrs. Edward Bissonnette gathered at the home of the latter's daughter, Mrs. Eugene Martin, and husband to celebrate the Edward Bissonnettes' 29th wedding anniversary.

Mrs. Paul Denstedt's mother, Mrs. Edna Sheffer, and brother, Elwood of Whittemore visited them Sunday.

Mrs. Marcella Dorcey took Mrs. Steven Dorcey's sister, Mrs. Carol Towhy, and daughter to Bishop Airport, Flint, for their return to the Panama Canal Zone. Mrs. Dorcey went on to Taylor to visit her sister, Bernice, and her husband, Freeman Ewing, and another sister, Christina Webb, at Garden City.

Visitors for the week-end at the Robert Greve home were their son's family, the James Greves of Flint.

Mr. and Mrs. Dean Bloss flew to California last week to attend graduation exercises for their son, James, who came home with them on fur-lough and will go to Israel when he returns. He is stationed at the United States Marine Corp Base, San Diego, California.

Mr. and Mrs. Arliss Bowman of Flint were at their cabin for the week-end and visited her mother, Mrs. Arlon VanHouten. They visited Mr. VanHouten at the Ogemaw Valley Medical Care Facility, Rose City, on Saturday.

Mrs. Lyle Belden and children were in Goodrich to visit her daughter and husband, Mr. and Mrs. Boyd Cooley, and child Sunday.

Oct. 31 - Nov. 3

Stella M. Proper Died Oct. 26

A longtime resident of the Tawas area, Stella M. Proper of National City, 64, passed away Friday, October 26, at Tawas Hospital. The Rev. William H. Wright officiated at funeral services Tuesday, October 30, at the Hemlock Road Baptist Church, Tawas City, with burial in Pioneer Cemetery, Grant Township, E. D. Jacques and Son Funeral Home, Tawas City, handled funeral arrangements.

Mrs. Proper was born April 22, 1909, in Elmira. Surviving are her husband, William H.; four sons, Arthur G. of Grand Ledge, James C. of Spokane, Washington, Edward H. of Wyoming and David A. of Twinning; four daughters, Nancy Law of Gladstone, Missouri, Nancy S. Houghton of National City, Ruth Ann Lee of Atwater, California, and Dora Colvin of Whittemore; 25 grandchildren; a stepfather, Cecil Drumm of Grand Ledge; four sisters, Beula Weatherwax of Pontiac, Mrs. Eldred Cary of Lansing, Jean Maloney of Grand Ledge and Annette Rose of LeRoy; five brothers, Arthur Grove of Tawas City, Edward, Vernon, Clifford and Glenn, all of Grand Ledge.

Funeral Today for Harvey H. Dietzel

Funeral services will be conducted Wednesday (today), October 31, 2:00 p. m., at Zion Lutheran Church, Tawas City, for Harvey H. Dietzel of East Tawas. Officiating will be the Rev. Robert E. Beyer with burial following in the church cemetery.

Mr. Dietzel passed away Sunday, October 28, at Tolfree Hospital, West Branch. Arrangements were handled by the Moffatt-Kobs Funeral Home, East Tawas.

Born December 29, 1896, in Saginaw, Mr. Dietzel married the former Helma Fundt in 1918 at Saginaw. He was a retired employee of Koehler Trucking and a member of the Zion Lutheran Church. He and his wife had resided in East Tawas for 13 years.

Surviving besides his wife is one brother, Walter Dietzel of Saginaw.

Graveside Services to be Conducted for Doris L. Hunt

Graveside services will be conducted Thursday, November 1, 4:00 p. m., at Brookside Cemetery, Tecumseh, for Doris L. Hunt of East Tawas, 85. The Rev. Russell Cooper will officiate. Mrs. Hunt passed away Sunday, October 28, at Isoco Medical Care Facility, Tawas City. The body is at the Moffatt-Kobs Funeral Home, East Tawas.

Mrs. Hunt was born July 23, 1898, in Adrian. She moved to East Tawas from Muskegon four years ago.

She is survived by a daughter, Paula Anderson of East Tawas and Lansing; three grandchildren; four great grandchildren, and a sister, Alma Wolters of East Tawas.

Visitors at the Irvin Teall home the past week-end were Mr. and Mrs. Vernon Teall and son, Greg; Michael Hodges of Norfolk, Virginia; Mr. and Mrs. Howard Teall of East Tawas; the Neil Bells, and Mr. and Mrs. Fred Burnett, Sunday, Mr. and Mrs. Irvin Teall and the Vernon Tealls called on Mr. and Mrs. Walter Grossman and Mr. and Mrs. Carl Schmalz. They drove to Reno Township to visit Irvin's sister, Mrs. Grace Williams, and to Augrees to visit Victor Teall at the care center.

Mr. and Mrs. Archie Ewing spent four days in Flint last week visiting relatives. While there, they celebrated their 25th wedding anniversary Wednesday evening at the home of their grandson, James Bielby, and family. The Ewings' daughter and husband, Mr. and Mrs. Stanley Bielby; their daughter, Mrs. James Tate, and husband, and their son, Mark Bielby, and wife also attended the occasion.

Mr. and Mrs. Robert Greve returned last week from a 10-week trip to Alaska, Canada and the Western States. They were accompanied by Mr. and Mrs. Charles Neff of Long Lake. While at Fairbanks, Alaska, they telephoned Mr. and Mrs. Maurice Bellville and visited Mr. Greve's niece, Mrs. Ralph Jewell, and her family in Everett, Washington. They took the last bus trip of the season to Mt. McKinley in Alaska and returned by the western route.

Mr. and Mrs. Emil Wagner returned Tuesday from a two-week vacation to see relatives in the South. They visited her sister in Wytheville, Virginia, and two sisters in Princeton, West Virginia. The three sisters traveled to Bristol, Tennessee, to visit a sister-in-law.

Mr. and Mrs. Glenwood Streeter were in Indianapolis, Indiana, for several days visiting their daughter, Dorothy, and her husband, Robert Ringlespaugh, and daughter.

Mr. and Mrs. Vernon Teall left for Norfolk, Virginia, Tuesday morning after visiting his parents, Mr. and Mrs. Irvin Teall, and on their way home will stop in Saginaw to visit a brother, Irvin Teall Jr., and family. At Cincinnati, Ohio, they plan to visit her brother, James Hodges, and family.

Mrs. Lillian Krueger and Mr. and Mrs. J. W. Blevins attended the funeral of Mrs. Krueger's brother in Lapeer last Thursday.

Mr. and Mrs. Edward Walker visited her brother and friends at Davison last week.

Mr. and Mrs. Matthew Jeffes of Flint spent Sunday with Mr. and Mrs. Delbert Hewitt.

Mrs. Ethel Crisman visited the Benjamin Harper family in Harrison last week-end.

Mrs. Jean Ruthuff and Mrs. ShirlaVee Kesler returned Sunday night from a seven-day trip to Rome, Italy. Enroute, they stopped at Shannon, Ireland. While in Italy, they toured Naples, the Isle of Capri and Vatican City, where the group was granted an audience by the Pope.

Paul Denstedt returned from Tolfree Hospital Thursday after being hospitalized for over two weeks. Friday evening, Mr. and Mrs. Denstedt

'Dinners to Doors' Project Sets Meeting

Annual meeting for the 1973-74 "Dinners to Doors" project will be held Thursday, November 8, 7:30 p. m., at the East Tawas Community Building. All residents who participated last year and persons interested in this year's project are urged to attend.

There will be a recognition of persons in the Tawas and Oscoda areas who served the program last year.

Featured at the meeting will be updating the organization, drawing up of a working document and election of officers.

FOE Hosted Halloween Party

Tawas Bay Aerie No. 2588, Fraternal Order of Eagles, hosted a Halloween party Saturday, October 27, for 50 members and guests at the East Tawas clubrooms. Guests were present from New York, Vassar, Flint and Tecumseh.

Costumes were judged by the New York and Tecumseh visitors. Winners were Donald Russell of Detroit, Henry Wheaton of Flint and Gail Trudell of Tawas City.

Dinner was served by Norman Lesinski, president, and Valarie Ledregue, auxiliary president, with assistance from the members.

Braves Can Share Trophy With Win Over Dukes

Spartans Upset Braves; NBC Title Showdown Here Friday

Tawas Area Braves got a taste of the same bitter medicine which they administered to Ogemaw Heights three weeks ago. Putting their undefeated skein of six straight wins on the line Friday night against Pinconning, the Braves were upset by the Spartans, 21-14.

The loss dropped the Braves out of a tie with Essexville Garber for first place in the Northern B Conference. While Tawas' defense was being cut to ribbons by Spartan halfbacks, a few miles to the south the Essexville Garber Dukes were protecting their

undefeated record by shutting out the Oscoda Owls, 13-0.

This sets the stage for a season-ending clash here this Friday night between the Braves and Dukes. The Braves can still grab a share of the NBC title by turning back the Dukes, but they will have to play a different brand of football than they turned in Friday night.

After being keyed up for two straight weeks to turn in sensational wins against the Ogemaw Heights Falcons and the Oscoda Owls, the Braves fell behind early and went

completely flat against the Spartans, a team which lost its first four games this season but now has three straight victories. Because of the close scores in its earlier defeats, the Spartans have not been underrated by any NBC school.

Pinconning, honoring parents of the Spartans and cheerleaders in the last home game of the season, took charge right from the opening whistle. The Spartans gambled and lost on an on sides opening kickoff as the Braves recovered on their own 39. Pinconning's defense then went to

work on the Braves and, in three plays, Tawas came up with minus yardage.

Tawas' defense looked sharp in Pinconning's first offensive series as Tim Schirmer broke through to drop Quarterback Rod Kennedy for a one-yard loss and John Pfeiffer turned in a good play to break up a pass.

The Braves were again stopped by the Spartan defense and Jeff Hemphill punted to Pinconning's 37. This set the stage for Pinconning's first touchdown as Boyd Haut, 185-pound senior halfback, found a big opening in Tawas' line and moved the ball to the Tawas eight in three straight plays. With its back to the wall, Tawas' defense stopped Haut on the next slant, but Kennedy carried the final eight yards for a touchdown with five minutes, 48 seconds, remaining in the first quarter. The kick from placement was wide and Pinconning led, 6-0.

The Braves roared right back and penetrated to the Pinconning 27 in four running plays, three by Halfback Mark Elliott and one run by Fullback Mike Hughes. Quarterback Mickey Haglund was dropped for a loss back to the 36 on an errant pass play and a second pass attempt was broken up.

Tawas' defense again stopped the Spartans in three plays and the next series proved to be the Braves undoing. Tawas took a punt and moved to the nine-yard line of the Spartans in eight plays. On a third down play, the Braves fumbled and the Spartans recovered on their own nine-yard line.

That play lit the fuse for another Pinconning drive as the Spartans, behind the running of Haut and Tim Stalker, drove to the Tawas 11-yard line in seven plays. Tawas' defense stiffened and held the Spartans on third down, but Kennedy booted a field goal to give Pinconning a 9-0 lead.

Playing over that frustrating earlier fumble, the Braves came right back as Greg Hackborn returned another on sides kick to Pinconning's 44. Elliott broke loose on the first play from scrimmage and scampered to the seven. The Spartans stopped the Braves for two plays, but Haglund found Randy Reed all alone in the endzone and hit him with a touchdown pass. Hackborn booted the conversion to cut Pinconning's lead to 9-7.

Pinconning had the ball for three running plays and a punt and Tawas had one more play before the end of the first half.

Pinconning took up where they left off to open the second half as Kennedy and Haut began to slant through the same weakness in Tawas' line. The Spartans marched down the field after the kickoff and, in seven plays, Haut went the final five yards to score a touchdown. The kick from placement was wide and the Spartans had a 15-7 lead.

Tawas came right back to score in nine plays and remained within striking distance. Elliott picked up 13 yards in two runs, Randy Scales moved the ball from midfield to the 28 on a good trap play and Hughes picked up five yards in two plays. A pass from Haglund to Reed gave Tawas a first down on Pinconning's eight-yard line. Hackborn went the final distance for the touchdown and then booted the conversion to slice the Spartan lead to 15-14.

Pinconning protected its lead with the final touchdown of the night with nine minutes, 31 seconds remaining in the fourth quarter. In 14 plays, the Spartans moved from their own 35 to Tawas' eight-yard line. Kennedy went the final distance for the touchdown and a 21-14 lead as the Tawas defense stopped the conversion attempt.

A 15-yard clipping penalty on the kickoff against the Braves put Tawas on the 12-yard line and in deep trouble as time was running out. After getting nowhere and punting, the Braves recovered a fumble with five minutes, 56 seconds remaining in the game. This break was completely nullified by Pinconning's strong defense. The Braves picked up a first down to the 35-yard line, but time was running out and they gambled and lost by inches on a fourth down running play.

Tawas' defense came to life with 55 seconds remaining in the game to stop Pinconning and the Braves had time to run out. Tawas was stopped for losses on three straight running plays, including a desperation reverse that was diagnosed perfectly by the Spartans. Time ran out on an incomplete pass and the Braves fell from the unbeaten ranks.

BIGGEST HEADACHE for the Braves Friday night was Boyd Haut (43), left, who is being pursued here by Kevin Elliott (88). Haut was the leading runner for the Spartans.—Tawas Herald Photo.

Junior Braves' Win Streak Continued

Tawas Area Junior Braves rolled up 327 yards in polishing off Pinconning, 50-0, last Thursday night and will be shooting for an undefeated season Thursday night when they go against Essexville Garber Junior Varsity.

With all the scoring coming in the first half, the Junior Braves rang up seven touchdowns, gaining 210 yards on 47 plays on the ground and 117 yards in eight out of 11 passes in the first half.

Mitch Lenczewski was the big ground-gainer with two touchdowns and 125 yards in 14 carries. He has 929 yards to his credit this season and will be shooting for the 1,000-yard mark this week.

Gene Miller scored two touchdowns during the night while Earl Parsons, Mike Harvey and Brad Potts each scored solo touchdowns. Potts caught passes for two conversions, while Lenczewski and Dave Gartland each ran a conversion.

Bob Stephenson had 13 tackles to lead the defense and added a blocked punt. Greg Gotcher had 10 tackles and Kurt Seifert blocked a punt. Defensive Tackles Andy Turnbull and Don Reed each turned in six stops during the night.

Area coverage of this board consists of the Counties of Alcona, Alpena, Isosco, Montmorency, Ogemaw, Oscoda and Presque Isle.

Mental Health

Board Meeting

Northeast Michigan Community Mental Health Services Board will hold its regular monthly meeting Thursday, November 8, 7:30 p. m., in the auditorium of the Alpena General Hospital.

Area coverage of this board consists of the Counties of Alcona, Alpena, Isosco, Montmorency, Ogemaw, Oscoda and Presque Isle.

Oscoda Basketball Girls Edged Tawas A. Bravettes

Oscoda Varsity Girls' basketball team edged by the Tawas Area Varsity Bravettes, 42-41, in a close contest Tuesday, October 23.

Debi Clark paced the losers with 17 points and Jacquie Johnson took the lead in rebounds. Both teams ran into foul trouble in the fourth quarter, with Tawas losing two players and Oscoda forfeiting three girls.

The Tawas team now holds a record of six wins and two losses and is tied in the league for second place.

Junior Varsity Bravettes had no trouble in downing the Little Owls, 60-14, with three girls in double figures and 11 of the 14 team members scoring. Outstanding players were Cindy Zenser and Lori White. Mary Jane Williams was high scorer with 15 points.

JV also has a record of six wins and two losses in their bid for first place in the Northern B Conference. Both teams met with Essexville Garber in a home game last night, October 30.

CITY OF TAWAS CITY ORDINANCE NO. 181

An ordinance prescribing the complete special assessment procedure concerning the initiation of projects, plans and specifications, estimate of costs, notice and hearing; the making and confirming of the assessment roll and correction of errors; the collection of special assessments, authorization of bonds, and any other matters concerning the making of improvements by special assessment.

The City of Tawas City ordains:

Section 1. Definitions:

(a) Cost. The term "cost" as used in this Ordinance when referring to the cost of any local public improvement shall include the cost of services, plans, condemnation, spreading of rolls, notices, advertising, financing, construction and legal fees and all other costs incident to the making of such improvement, the special assessments therefor and the financing thereof.

(b) Local Public Improvement. The term "local public improvement" as used in this Ordinance shall mean any public improvement which is of such a nature as to benefit especially any real property or properties within a district in the vicinity of such improvement.

Section 2. Authority to Assess. The whole cost or any part thereof of any local public improvement may be defrayed by special assessment upon the lands specially benefited by the improvement in the manner hereinafter provided.

Section 3. To Initiate Special Assessment Projects. Proceedings for the making of local public improvements within the city, the tentative necessity thereof, and the determination that the whole or any part of the expense thereof shall be defrayed by special assessment upon the property especially benefited, provided that all special assessments levied shall be in proportion to the benefits derived from the improvements, may be commenced by resolution of the Council, with or without a petition.

Section 4. Initiation by Petition. Local public improvements may be initiated by petition signed by property whose aggregate property in the proposed district was assessed for not less than fifty-one per cent (51%) of the total assessed value of the privately-owned real property located therein, as shown by the last preceding general tax records of the City. Such petition shall contain a brief description of the property owned by the respective signatories thereof and if it shall appear that the petition is signed by at least fifty-one per cent (51%) as aforesaid the Clerk shall certify same to the Council. The petition shall be addressed to the Council and filed with the Clerk and shall in no event be considered directory, but is advisory only.

Section 5. Survey and Report. Before the Council shall consider the making of any local public improvement, the same shall be referred by resolution to the City Manager directing him to cause to be prepared a report which shall include necessary plans, profiles, specifications and detailed estimates of cost, an estimate of the life of the improvement, a description of the assessment district or districts, and such other pertinent information as will permit the Council to decide the cost, extent and necessity of the improvement proposed and what part or proportion thereof should be paid by special assessments upon the property especially benefited and what part, if any, should be paid by the City at large. The Council shall not finally determine to proceed with the making of any local public improvement until such report of the City Manager has been filed, nor until after a public hearing has been held by the Council for the purpose of hearing objections to the making of such improvement.

Section 6. Determination on the Project. Notice. After the City Manager has presented the report required in Section 5 for making any local public improvement as requested in the resolution of the Council, and the Council has reviewed said report, a resolution may be passed tentatively determining the necessity

of the improvement, setting forth the nature thereof, prescribing what part or proportion of the cost of such improvement shall be paid by special assessment upon the property especially benefited, determination of benefits received by affected properties, and what part, if any, shall be paid by the City at large; designating the limits of the special assessment district to be affected, designating whether to be assessed according to frontage or other benefits, placing the complete information on file in the office of the City Clerk, where the same may be found for examination, and directing the City Clerk to give notice of public hearing on the proposed improvement, at which time and place opportunity will be given interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the City and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the City, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular adjourned or special meeting of the Council. At this meeting, all interested persons or parties shall present in writing their objections, if any, to the assessments against them. The Assessor shall be present at every meeting of the Council at which a special assessment is to be reviewed.

Section 7. Hearing on Necessity. At the public hearing on the proposed improvement, all persons interested shall be given an opportunity to be heard, after which the Council may modify the scope of the local public improvement in such a manner as they shall deem to be in the best interest of the City as a whole; provided that if the amount of work is increased or additions are made to the district, then another hearing shall be held pursuant to notice prescribed in Section 6. If the determination of the Council shall be to proceed with the improvement, a resolution shall be passed approving the necessary profiles, plans, specifications, assessment district and detailed estimates of cost, and directing the Assessor to prepare a special assessment roll in accordance with the Council's determination and report the same to the Council for confirmation.

Section 8. Deviation from Plans and Specifications. No deviation from original plans or specifications as adopted shall be permitted by any officer or employee of the City without authority of the Council by resolution. A copy of the resolution authorizing such changes or deviation shall be certified by the City Clerk and attached to the original plans and specifications on file in his office.

Section 9. Limitations on Preliminary Expenses. The Council shall specify the provisions and procedures for financing a local public improvement. No contract or expenditure, except for the cost of preparing necessary profiles, plans, specifications and estimates of cost, shall be made for the improvement, nor shall any improvement be commenced until the special assessment roll to defray the costs of the same shall have been made and confirmed.

Section 10. Special Assessment Roll. The Assessor shall make a special assessment roll of all lots and parcels of land within the designated district benefited by the proposed improvement and assess to each lot or parcel of land the proportionate amount benefited thereby. The amount spread in each case shall be based upon the detailed estimate of the City Manager as approved by the Council.

Section 11. Assessor to File Assessment Roll. When the Assessor shall have completed such assessment roll he shall file the same with the City Clerk for presentation to the Council for review and certification by it.

Section 12. Meeting to Review Special Assessment Roll-Objections in Writing. Upon receipt of such special assessment roll, the Council, by resolution, shall accept such assessment roll and order it to be filed in the office of the City Clerk for public examination, shall fix the time and place the Council will meet to review such special assessment roll and direct the City Clerk to give notice of a public hearing for the purpose of

affording an opportunity for interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the City and by first class mail addressed to each owner of or person in interest in property to be assessed as shown by the last general tax assessment roll of the City, said publication and mailing to be made at least ten (10) full days prior to the date of said hearing. The hearing required by this section may be held at any regular adjourned or special meeting of the Council. At this meeting, all interested persons or parties shall present in writing their objections, if any, to the assessments against them. The Assessor shall be present at every meeting of the Council at which a special assessment is to be reviewed.

Section 13. Changes and Corrections in Assessment Roll. The Council shall meet at the time and place designated for the review of such special assessment roll, and at such meeting, or a proper adjournment thereof, shall consider all objections thereto submitted in writing. The Council may correct said roll as to any special assessment or description of any lot or parcel of land or other errors appearing therein; or it may, by resolution, annul such assessment roll and direct that new proceedings be instituted. The same proceedings shall be followed in making a new roll as in the making of the original roll. If, after hearing all objections and making a record of such changes as the Council deems justified, the Council determines that it is satisfied with said special assessment roll and that assessments are in proportion to benefits received, it shall thereupon pass a resolution reciting such determinations, confirming such roll, placing it on file in the office of the City Clerk and directing the City Clerk to attach his warrant to a certified copy thereof within ten (10) days, therein commanding the Assessor to spread and the Treasurer to collect the various sums and amounts appearing thereon as directed by the Council. Such roll shall have the date of confirmation endorsed thereon and shall from that date be final and conclusive for the purpose of the improvement to which it applies, subject only to adjustment to conform to the actual cost of the improvement, as provided in Section 13 of this Ordinance.

Section 14. Special Assessment-When Due. All special assessments, except such installments thereof as the Council shall make payable at a future time as provided in this Ordinance, shall be due and payable upon confirmation of the special assessment roll.

Section 15. Partial Payments-When Due. The Council may provide for the payment of special assessments in annual installments. Such annual installments shall not exceed thirty (30) in number, the first installment being due upon confirmation of the roll or on such date as the Council may determine and deferred installments being due annually thereafter, or in the discretion of the Council, may be spread upon and made a part of each annual City tax roll thereafter until all are paid. Interest shall be charged on all deferred installments at a rate not to exceed seven per cent (7%) per annum, or such other rate as may be provided by applicable state law, commencing on the due date of the first installment and payable on the due date of each subsequent installment; the full amount of all or any deferred installments, with interest accrued thereon to the date of payment, may be paid in advance of the due dates thereof. If the full assessment or the first installment thereof shall be due upon confirmation, each property owner shall have sixty (60) days from the date of confirmation to pay the full amount of said assessment, or the full amount of any installments thereof, without interest or penalty. Following said sixty (60) day period, the assessment or first installment thereof shall, if unpaid, be considered as delinquent and the same penalties shall be collected on such unpaid assessments or first installments thereof as are provided in the City Charter to be collected on delinquent general City taxes. Deferred installments shall be collected without penalty until sixty (60) days after the due date thereof, after which time such installments shall be considered as delinquent and such penalties on said installments shall be collected as are provided in the City Charter to be collected on delinquent general city taxes. After the Council has confirmed the roll, the City Treasurer shall notify by mail each property owner on said roll that said roll has been filed, stating the amount assessed and the terms of payment. Failure on the part of the City Treasurer to give said notice or of such owner to receive said notice shall not invalidate any special assessment roll of the City or any assessment thereon, nor excuse the payment of interest or penalties.

Section 16. Delinquent Special Assessments. Any assessment or part thereof, remaining unpaid on the first Monday of March following the date when the same became delinquent shall be reported as unpaid by the Treasurer to the Council. Any such delinquent assessment, together with all accrued interest shall be transferred and re-assessed on the next annual City tax roll in a column headed "Special Assessments" with a penalty of four per cent (4%) upon such total amount added thereto, and when so transferred and re-assessed upon said tax roll shall be collected in all respects as provided for the collection of City taxes.

Section 17. Creation of Lien. Special assessments and all interest, penalties and charges thereon from the date of confirmation of the roll shall become a debt to the City from the persons to whom they are assessed, and until paid, shall be and remain a lien upon the property assessed, of the same character and effect as the lien created by general law for State and County taxes and by the City Charter for City taxes, and the lands upon which the same are a lien shall be subject to sale therefor the same as are lands upon which delinquent City taxes constitute a lien.

Section 18. Additional Assessments, Refunds. The City Clerk shall, within sixty (60) days after the completion of each local or special public improvement, compile the actual cost thereof and certify the same to the Assessor who shall adjust the special assessment roll to correspond therewith. Should the assessment prove larger than necessary by five per cent (5%) or less, the same shall be reported to the Council which may place the excess in the City treasury or make a refund thereof pro rata according to the assessment. If the assessment exceeds the amount necessary by more than five per cent (5%), the entire excess shall be credited to owners of property as shown by the City assessment roll upon which such assessment has been levied, pro rata according to the assessment; provided however, that no refunds of special assessments may be made which impair, or contravene the provision of any outstanding obligation or bond secured in whole or part by such special assessments. When any special assessment roll shall prove insufficient to meet the cost of the improvement for which it was made, the Council may make an additional pro rata assessment, but the total amount assessed against any one parcel of land shall not exceed the

benefits received by said lot or parcel of land.

Section 19. Additional Procedures. In any case where the provisions of this Ordinance may prove to be insufficient to carry out fully the making of any special assessment, the Council shall provide by Ordinance any additional steps or procedures required.

Section 20. Collection of Special Assessments. In the event bonds are issued in anticipation of the collection of special assessments as hereinbefore provided, all collections on each special assessment roll or combination of rolls shall be set in a separate fund for the payment of the principal and interest on the bonds so issued in anticipation of the payment of such special assessments, and shall be used for no other purpose.

Section 21. Special Assessment Accounts. Moneys raised by special assessment to pay the cost of any local improvements shall be held in a special fund to pay such cost or to repay any money borrowed therefor. Each special assessment account must be used only for the improvement project for which the assessment was levied, expenses incidental thereto, including the repayment of the principal and interest on money borrowed therefor, and to refund excessive assessments, if refunds be authorized.

Section 22. Contested Assessments. No suit or action of any kind shall be constituted or maintained for the purpose of contesting or enjoining the collection of any special assessment unless: (1) within thirty (30) days after the confirmation of the special assessment roll, written notice is given to the Council of intention to file such suit or action, stating the grounds on which it is claimed such assessment is illegal, and (2) unless such suit or action

shall be commenced within sixty (60) days after confirmation of the roll.

Section 23. Re-assessment for Benefits. Whenever the Council shall deem any special assessment invalid or defective for any reason whatever, or if any court of competent jurisdiction shall have adjudged such assessment to be illegal for any reason whatever, in whole or in part, the Council shall have power to cause a new assessment to be made for the same purpose for which the former assessment was made, whether the improvement or any part thereof has been completed and whether any part of the assessment has been collected or not. All proceedings on such re-assessment and for the collection thereof shall be made in the manner as provided for the original assessment. If any portion of the original assessment shall have been collected and not refunded, it shall be applied upon the re-assessment and the re-assessment shall, to that extent, be deemed satisfied. If more than the amount re-assessed shall have been collected, the balance shall be refunded to the person making such payment.

Section 24. Combination of Projects. The Council may combine several districts into one project for the purpose of effecting a saving in the costs; provided, however, that for each district there shall be established separate funds and accounts to cover the cost of the same.

Section 25. Deferred Payments of Special Assessments. The Council may provide for the deferred payment of special assessments from persons who, in the opinion of the Council and Assessor, by reason of poverty are unable to contribute toward the cost thereof. In all such cases, as a condition to the granting of such deferred payments, the City shall require mortgage security on the real property of the beneficiary

payable on or before his death, or, in any event, on the sale or transfer of the property.

Section 26. Reconsideration of Petitions. In the event that the Council shall fail to make any public improvement petitioned for under the provisions of Section 4 hereof during the calendar year during which any petition is filed, such petition shall be reconsidered by the Council prior to the first day of March of the succeeding calendar year for the purpose of determining whether such improvement should be made during such calendar year.

Section 27. Hazards and Nuisances. When any lot, building, or structure within the City, because of the accumulation of refuse or debris, the uncontrolled growing of weeds, or age or disrepair, or because of any other condition or happening, becomes, in the opinion of the Council, a public hazard or nuisance which is dangerous to the health or safety of the inhabitants of the City or those of them residing or habitually going near such lot, building, or structure, the Council may, after investigation, give notice to the owner of the land upon which such hazard or nuisance exists, or the owner of the building or structure itself, specifying the nature of the hazard or nuisance, and requiring such owner to alter, repair, tear down, or remove same promptly and within a time to be specified by the Council, which shall be commensurate with the nature of the hazard or nuisance. If, at the expiration of the time limit in said notice, said owner has not complied with the requirements thereof, or in any case where the owner of the land or of the building or structure itself is not known, the Council may order such a hazard or nuisance abated by the proper department or agency of the City which is qualified to do the work

required, and the costs of such abatement, assessed against the lot, premises or description of real property upon which said hazard or nuisance was located.

Section 28. Authorization. Bonds issued in anticipation of the collection of special assessments and general obligation bonds evidencing the City's share of the cost of any local improvement, may be authorized by resolution of the City Council.

Section 29. Severability. Should any section, clause or provision of this Ordinance be declared by any court of competent jurisdiction to be invalid, the same shall not affect the validity of the Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

Section 30. All ordinances or resolutions and parts of ordinances or resolutions inconsistent with this Ordinance are hereby repealed.

Section 31. This Ordinance shall be known and may be cited as the "Special Assessment Ordinance" of the City of Tawas City, Michigan.

Section 32. This Ordinance shall be published in full promptly after final enactment and shall take effect immediately upon such publication, and shall be recorded as provided in the City Charter.

Motion by Councilman Savage supported by Councilman Tanner that Ordinance No. 181 be accepted for second reading and ordered adopted. YES: Councilmen Lansky, Savage, Rollin, Smyczynski, Tanner and Brugger.

NO: Councilmen None.

Mary Byrd, City Clerk

I hereby certify that the attached constitutes a true and complete copy of Ordinance No. 181, adopted by the City Council of the City of Tawas City, County of Iosco, State of Michigan, at a regular Meeting held on October 15, 1973.

Mary Byrd, City Clerk 43-16

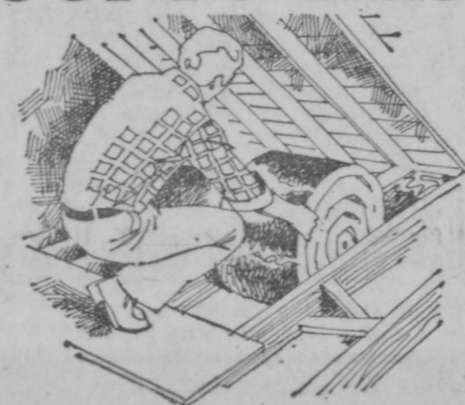

Now. An official program that can cut heating costs up to 17% and conserve Natural Gas.

If you're like most people, holding down heating bills is an idea that hits you right where you live. And, chances are, you'd like to help save Natural Gas, too. Especially during this time of energy shortages. Now there's an official program that supports both of these objectives. It was developed at the direction of the Michigan Public Service Commission, which is seeking ways to conserve Natural Gas and hold down utility bills by the wise use of energy.

The heart of the program is simply this: Installing ceiling insulation in your home. It's quick. Economical. Easy. A recent White House study found that "the most significant opportunity" for homeowners to conserve energy was through "improved insulation of houses." "Such improved insulation," the government said, "would benefit the individual homeowner by reducing winter fuel bills, summer air conditioning bills, size and capital cost of heating and cooling equipment, and air pollution."

The Michigan Public Service Commission agrees with this conclusion. It has supported a study prepared by Michigan Consolidated Gas Company which found that Michigan homeowners can achieve fuel savings of as much as 17% by adding six inches of insulation to their attics. Naturally, results for your home may vary due to architectural differences and your heating habits.

To help you realize fuel savings in your home, we've designed an easy home insulation program. Here's how it works. First, you can install the ceiling insulation your-

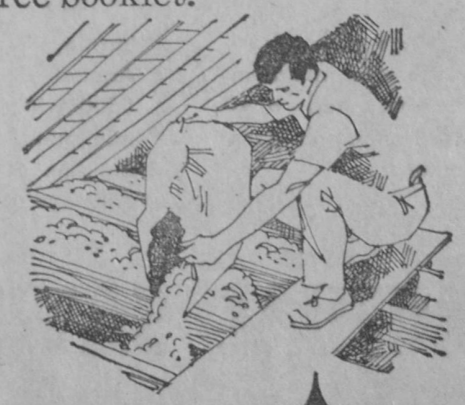

self. It's a simple do-it-yourself project—and the most economical way to put in ceiling insulation and hold down your heating bills. Many customers can accomplish the task for less than

\$100. Michigan Consolidated Gas Company has even prepared a helpful booklet that shows you just how to do the job. Secondly, you can call a contractor of your choice and arrange to have the work done. Or call Michigan Consolidated Gas Company. We'll have one of our participating insulation subcontractors install it for you.

Our insulation program is easy on your budget, too. Many houses with up to 1,000 square feet in the ceiling area can be insulated for less than \$200. And, there's a payment plan to suit most every customer. You can pay cash. Or, you can pay just 20% down at the time the contract is signed—then simply have the remaining cost included in your gas bill. Pay it off on your next three gas bills with no interest or carrying charges. Finally, you can pay for the job over an extended period at an interest rate of 1% monthly on the unpaid balance. ANNUAL PERCENTAGE RATE OF 12%.

Whichever you choose, you'll be taking an important step toward holding down your heating bills. And cutting down on the use of Natural Gas. Why not plan on doing it now. Contact us today for additional details. And if you're a do-it-yourselfer, ask for our free booklet.

Family Living Education

By HELEN MEACH
Extension Home Economist

Choose your favorite apple, a fragrant Winesap, a juicy Stayman, a tart Northern Spy. Each variety has its own appeal.

Apples are versatile. Use them in a main course, salad, bread or dessert.

An apple, eaten raw, makes a

pleasant, low calorie snack or dessert. A medium-size apple contains only 70 calories.

Jonathan, McIntosh, Northern Spy and Delicious are the "big four" apple varieties in Michigan. They account for 75 percent of all apples produced and supplied to 32 other states. Nationally, Michigan ranks third in apple production.

Small apples often called "school-boy" or "trick-or-treat" apples are

good choices for lunches or snacks.

Medium-size apples are the best choice for general use. They measure 2 1/2 or 3 1/4 inches in diameter and three of them weigh about one pound. There are 46 medium-size apples in a peck, 96 to 144 in a bushel.

How many apples do you need? For a nine-inch pie, you will need six to eight medium-size apples. One bushel of apples will make 16 to 20 quarts of applesauce.

If you want to know more about apple varieties, ripening season and use, ask for "Apples in Appealing Ways" from your Cooperative Extension Service office. It is free upon request.

THE EXPANDED vocational training program at Tawas Area High School this year includes a new course in food service. Twenty-seven students are participating in two-hour classes each day under Mrs. Mildred Bloomer, instructor. Mrs. Bloomer, who reports that response to the class has been excellent, said that students are receiving general education in learning how to become waitresses, cooks and restaurant managers. Besides receiving instruction in baking and cooking, the students study

price and food proportion control. The top photo shows Mrs. Bloomer with Thomas Anderson as he prepares to bake a batch of rolls. In the picture at lower right, Mark Gross watches Sheryl Trudell decorate a cake, while Nancy Yax and Wanda Davis are frying chicken at left. According to Raymond VanHorn, cooperative education and vocational coordinator, a new class in the techniques of selling is to be offered at the school.—Tawas Herald Photos.

Police Training as Career Offered by United States Army

Finding an appealing career is not an easy task. Good pay, chances to advance, excitement, challenge—everyone wants those aspects in his work. Today, it is even more important to find a career that is relevant, one that makes you a contributing member of the community.

A career in law enforcement can offer a variety of benefits. It also can be risky at times; the qualifications for entrance are not the easiest, and the hours may not always be 9:00 a. m. to 5:00 p. m. But hold on; don't blow the whistle yet.

Nationwide, 330,000 men and women are in police work. Their varied assignments include giving first aid, directing traffic, investigating crimes and apprehending criminals. Chemical and microscopic analyses,

handwriting and fingerprint identification are areas requiring specialized study.

Training is with experienced officers. In the classroom, law is thoroughly examined from constitutional law to local ordinances. Self-defense methods are integral to training outside of class.

Entrance salaries for police are high, averaging \$8,500 yearly. Pay increases on a regular basis and promotions are granted after service of specified periods of time. Opportunities for advancement are numerous in the larger departments and you may be given the option to specialize in the area of your choice.

The police want men and women who can stand up under pressure. They also want those who can han-

dle responsibility and want to make a contribution to the community.

If you are a United States citizen, over 21 years of age, a high school graduate and can meet height and weight standards, you can take competitive examinations to qualify as a police officer. Character traits, such as honesty and good judgment, are also important and are usually evaluated in an interview.

Men and women under 21 who are planning a career with the police can take advantage of the army's police training program at age 18. Many civilian police departments seek job applicants with army police training.

More information on police training opportunities in the army is available from Sergeant Rice at East Tawas, 362-6366.

Sandra Smith Named Editor For Omicron

Sandra Smith, a 1970 graduate of Whittemore - Prescott Area High School, has been elected as Michigan State University's editor for Omicron Nu, a national honor society for home economics students.

Miss Smith, the daughter of Mrs. Lillian Smith of Turner, was chosen by the human ecology department on the basis of scholastic achievement and leadership ability. She will report events occurring at MSU's chapter to Omicron Nu's national magazine, which is published monthly and composed of news from the 50 university chapters in the United States.

Miss Smith, a senior, is dually enrolled in the College of Human Ecology and the College of Education. She plans to earn a secondary education degree.

Miss Smith will spend winter term student teaching in Battle Creek and plans to graduate from MSU in June 1974.

Not Just for Oldsters

Social Security Aids People of All Ages

Question: I always thought the social security program was only for older people. Is that true?

Answer: No. Today, social security could just as easily be called a young worker's insurance program. The program has changed a lot since 1935, when it was enacted. The survivors program provides income for the families of young workers who die prematurely. The disability program provides monthly checks for severely disabled workers under 65 and their families. Over 4½-million children today are receiving social security benefits based on the work record of a parent who has retired, become disabled or died. Many children are being helped through college by social security student benefits that were made possible by their

parents' contributions to social security during their working years.

Question: I have accumulated \$82 worth of doctor bills so far this year. When can I send these bills to the medicare carrier for payment?

Answer: You can send your bills in immediately. This year, the annual deductible for medical insurance is \$60. Medicare will pay 80 percent of the reasonable charges for your covered expenses over the \$60 deductible.

Question: I just started getting social security retirement checks, and I am thinking of doing some part time work. I do not fully understand the retirement test. Can you explain it to me?

Answer: Under the retirement test, you can work and earn as much as \$2,100 in a year and still get all of your social security benefits for that year. However, if your earnings exceed \$2,100, your benefits are reduced \$1 for every \$2 earned over that amount. No matter how much you earn in a year, though, you can get all of your social security benefits for any month you neither earn \$175 nor do substantial work in your own business. Next year, the figures will go up to \$2,400 a year and \$200 a month.

How's Your Hearing?

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid ever made will be given absolutely free to anyone requesting it. Thousands have already been mailed, so write for yours today. This model is yours to keep, free. It is not an actual hearing aid, but a full-size model. This will show you how tiny modern hearing help can be. The aid itself weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so write for yours now. Write Dept. 5481, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

Do your share for freedom

BIDS WANTED

Iosco Medical Care Facility will accept bids on the following construction and/or installation of equipment.

1. Ventilation and Combustion Air Louvers for the Emergency Generator Room.
2. Installation of Smoke Detectors and Door Closing devices on Smoke Barrier Doors.
3. Install ventilating equipment for laundry to provide 30% filtered air with mechanical louvers and fire damper controls.
4. Installation of glass partition to segregate business office from building corridor.
5. Asphalt the added extension to the employees parking area.

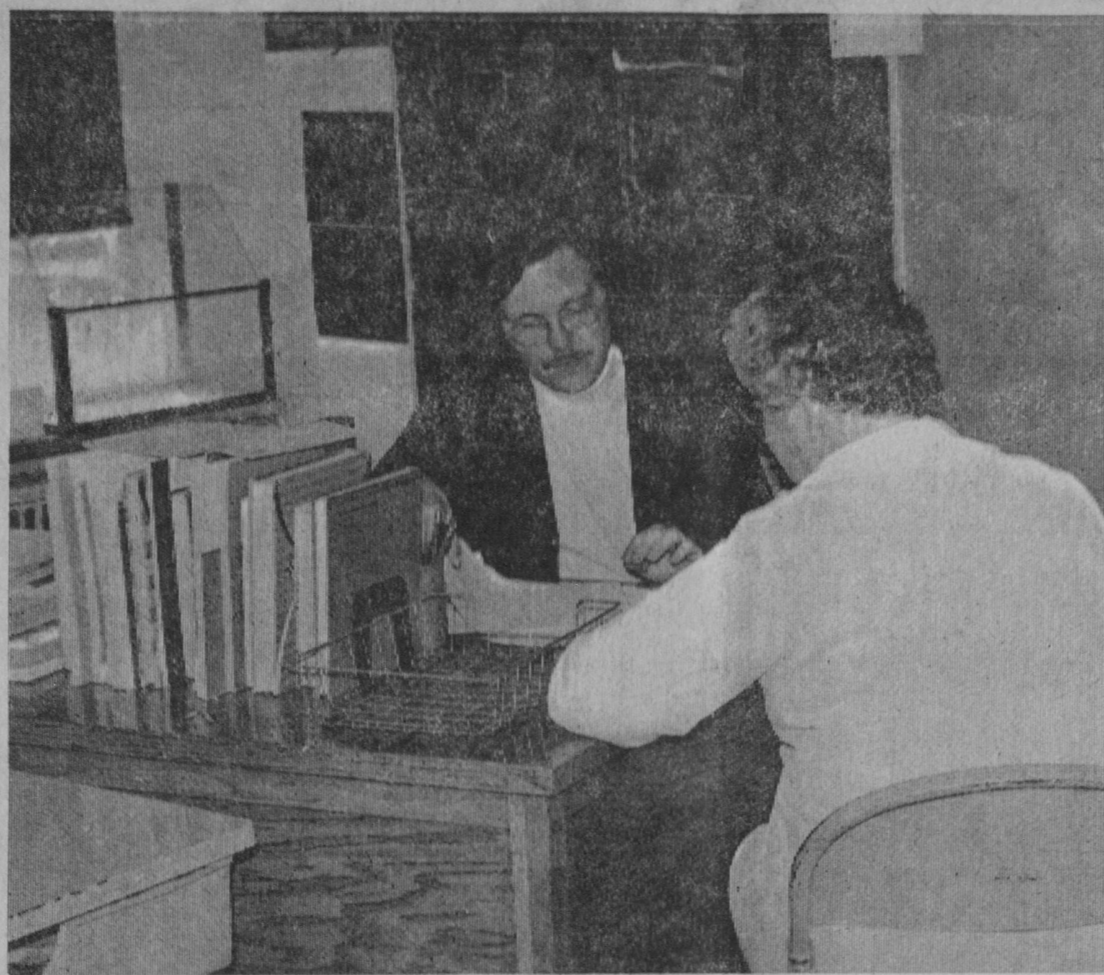

Bidding documents may be obtained at the Iosco Medical Care Facility, 1201 Harris Avenue, Tawas City, Michigan.

Bids must be submitted to the Medical Care Administrator by 4:00 P. M. Monday, November 12, 1973.

The County Department of Social Services Board reserves the right to reject any or all bids.

Roy F. Bergstrom, Administrator
Iosco Medical Care Facility

SECOND ANNUAL parent-teacher conferences at Tawas City Elementary Unit were held last Wednesday and Thursday. Herman Rollin, principal, said there was an outstanding turnout of interested parents. Report cards for the first marking period were handed out during the two days. These conferences give parents the opportunity to meet with teachers in order to learn of

the progress each child is making in class and provides the teacher an opportunity to explain problem areas in the instruction and to discuss possible solutions with the parents. Such conferences were held here for the first time last year and were so successful that the administration decided the program would become an annual event.—Tawas Herald Photo.

LOOKING BACKWARD—

New Contract Inked With Coach Co.

15 Years Ago—

October 30, 1958—A new contract between Anderson Coach Company and Millman Local Union 2539, Carpenters and Joiners of America, was signed by company officials and representatives of the local.

Raymond Cross of Wilber Township, an employee of the Iosco County Road Commission, was injured Thursday in a freak accident. While bending over to repair a tire on a road grader at the county garage, the tire blew off its rim. The metal rim struck his head and leg.

Proper resolutions and other legal work are now being prepared by Tawas City's bonding attorney in order for the city to hold its general obligation bond election to finance additions to the sewage treatment plant. An election was to have been held November 4, but because of the time necessary to prepare the legal work, it was called off.

Alarmed over an increased volume of game law violations, Iosco Board of Supervisors has recommended that the state establish a headquarters in this county on land which it now owns on M-55, or elsewhere. The board recommended that the headquarters be equipped with telephone service 24 hours a day.

25 Years Ago—

October 29, 1948—Several townships of Iosco have used some of their sales tax diversion money this year to improve roads over which school buses and mail carriers travel.

A new centrifugal pump, which had been ordered more than a year ago, has finally arrived and is being installed at Tawas City's new well. The city is now using three wells for its water supply.

An amendment to the state constitution is being placed before voters which would modify the 15-mill limitation by permitting 20 years of bonding in place of five years and permit decisions by a majority rather than approval by two-thirds of the total vote cast.

Considers from Iosco County to

the Hereford feeder cattle auction at West Branch were John Dooley, George Prescott Jr., Elmer Britt and sons, Carl Adams, Harry Latta, Archie Donahue, James Mielock.

Ernest Nash, William and Jack Baker of Alabaster are entering their potatoes in the 4-H class of the Northern Michigan Potato and Apple Show to be held at Cadillac.

35 Years Ago—

October 28, 1938—Charles A. Pinkerton Jr., who has been with Chrysler Motor Corporation since his graduation from Michigan State University, has been appointed sales representative of the Australian Division of the Chrysler Corporation. He and Mrs. Pinkerton leave Los Angeles, California, today on the SS Lurine for Honolulu, Hawaii, where they will remain for two weeks before continuing their journey to New Zealand. They will remain in New Zealand and Australia for about two years.

The Iosco County Road Commission has just finished the last mile

of a 23-mile construction program started early this summer. During the past season, over 21,000 cubic yards of crushed limestone were produced by the stone crushing plant.

Fred S. Whittemore, first white child born in Iosco County and grandson of Judge Gideon O. Whittemore, founder of Tawas City, died Sunday. He was 77 years of age and had been a resident of this city all his life.

Even as businesses reported declining profits, General Motors led the way in a business upturn by placing 35,000 men back at work and granted 10 percent pay boosts to all employees making less than \$300 a month.

Charles Kocher and Fred Guilford of Hale left Sunday for Canada on a moose hunting trip.

Stanley A. Daley has taken over management of the Standard Oil service station at East Tawas. He has been an employee at the station for a number of years.

Put a New Face on the Tawas City Council

BILL EZO wants to serve you. His interest in the operation of the City of Tawas City and in the welfare of its citizens is rooted in his life-long residency.

- Active in Local Business and Civic Organizations

ELECT WILLIAM L. EZO

TO THE TAWAS CITY COUNCIL

—Pd. Pol. Adv.

ONE GOOD TERM DESERVES ANOTHER!

UNDER THE LEADERSHIP OF

Mayor JOHN N. BRUGGER

the Tawas City City Council has undertaken and accomplished more civic projects for Tawas City than in any other administration in years.

Some of these projects include:

- 1) Two new bridges—Tawas City received \$5,700 for walkways and \$3,000 for the riverbank retaining wall from the Michigan Department of Natural Resources.
- 2) Improved traffic safety on US-23—\$19,000 in participating funds were given Tawas City from the county and state for the development of an expanded parking lot in the Tawas City Park.
- 3) Tawas City Park will benefit from a \$6,000 erosion control grant from the Michigan Department of Natural Resources.
- 4) Betterment of the city street program—Streets have been changed from seal coat to plant mix blacktop with about two miles of streets being blacktopped this past summer.
- 5) Development of new sewer and water projects—A cooperative effort has been set in motion with adjoining communities to develop adequate water storage and modernization of sewer treatment facilities.
- 6) The city is now working with the state to improve the city park pier and to develop Tawas River mouth.

All of these projects just did not happen! They required knowhow and leadership. Experience is important for the City of Tawas City to successfully participate in these types of public works projects.

Mayor John Brugger through past experience as an alderman on the City Council, a member of the City Charter Commission, and a member of the Board of Education HAS DONE HIS HOMEWORK. He knows the why and the wherefore of community development.

LET US CONTINUE WITH PROVEN EXPERIENCE—
RE-ELECT JOHN N. BRUGGER
