

Episcopal Church Held Rededication

Cornerstone laying and rededication services for the completely renovated Christ Episcopal Church, East Tawas, were held Sunday afternoon with the Right Rev. Richard S. Emrich, retired bishop of Michigan, presiding. The program coincided with the church's centennial observance.

The project of refurbishing the church's exterior started last September when an engineer found the building to be structurally sound. The church building committee recommended the refurbishing, which extends the life of the building to a minimum of 50 years.

The project included veneering the building with brick to match the school-office addition constructed several years ago, a Gothic style steeple, a new roof, lawn and sidewalks.

During his centennial sermon, which emphasized the need for honoring and cherishing past traditions, Bishop Emrich commended the parish of Christ Episcopal Church for preserving the basic church building, which had been originally dedicated on Easter Sunday of 1893. "Today, it is certainly one of the finest buildings in the community," he stated.

Among members of the clergy assisting the Rev. Alfred W. Saulsbury, pastor, in the dedication service was the Rev. Kenneth Tousley, pastor of Tawas United Methodist Church, along with Episcopal Church pastors of Northeastern Michigan.

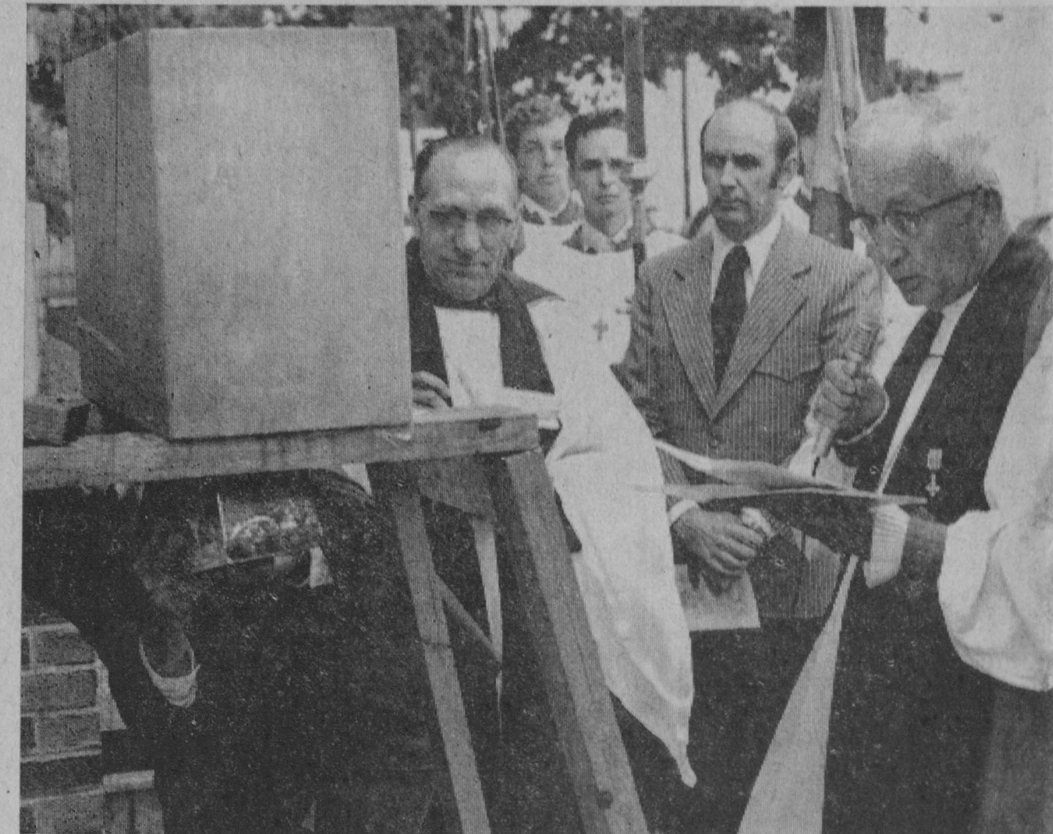

The choir of Trinity Church, Bay City, presented the anthem during the service in memory of the late Mrs. L. G. McKay Jr., a former resident of Bay City, who had been active in the affairs of Christ Episcopal Church.

In outlining the parish's history during a banquet Sunday evening at the Holland House attended by about 200 persons, Pastor Saulsbury said that early records of the church were incomplete. He said that the first recorded service was held here in a private home and services were held later in the Iosco County Courthouse. A mission was established at East Tawas in 1880.

Following construction of the church in 1893, it was consecrated in 1907. Although the building's interior has been remodeled several times, pews from the original structure are still in use.

Members of the church building committee include Robert Marsh,

Paul Chevis, Charles Schreck, Dr. Frederick W. Besancon, Leslie Canaan, Ralph Western, John Lippert, Kenneth Conn and Cecil Cable.

TC Council Approves Weekly Trash Pickup for Commercial

Effective July 1, a weekly trash pickup is to be furnished to Tawas City commercial establishments at city expense. This action was taken Monday night by the Tawas City Council.

Appearing before the council and requesting the service was Leonard Hosbach, president of the Tawas City Businessmen's Association, along with several businessmen.

Following discussion, the council voted, five to one, to accept an annual contract of \$5,200 for the service, which had been presented last fall by Leon Houghton, the city's contractor, and not accepted by the council.

Houghton was present at the meeting and said that commercial pickups would be made Monday mornings starting at 9 o'clock when the new contract takes effect.

Hosbach said that the service had been discussed at several meetings of the businessmen's association and it was felt that, since Iosco County had assumed full responsibility for paying operation of a sanitary landfill to serve the entire county effective July 1, the city should now provide a commercial pickup.

Previously, the council had turned down similar propositions because of the expense involved and the fact that business places with large amounts of trash would benefit more than others.

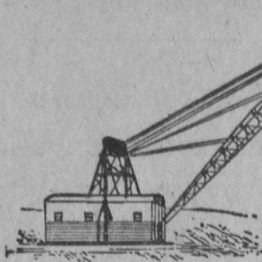

The city paid \$5,500 to Multi-County Sanitary Landfill under a one-year contract for dump services. Now that the county has contracted with the same landfill, the council decided that the money saved from its previous contract could now be expended for commercial pickup. Voting in favor of the proposition were Ald. William Ezo, Clark Tanner, Robert Rollin, James Lansky and Mayor John N. Brugger. Opposed to the measure was Ald. Edward Savage. Ald. William Groff was absent.

In other business, the council directed the city manager to inspect Christmas street lighting decorations and develop a replacement and upgrading program for the decorations. Hosbach said that the present decorations are 10 years old and had been purchased through a joint program between the businessmen's association and the city. He said that the association's treasury was not adequate to participate in the new program and believed that holiday decorations benefited the city as a whole.

Three Primary Races Set for Iosco Commission Seats

Three races for county commissioner posts were assured Tuesday for the August primary election when two more candidates threw their hats into the political ring to join nine other Republicans seeking five seats.

Latest to file prior to the 4:00 p. m. deadline Tuesday were William Wreley of Hale, who had held the District 5 post until his resignation last year to become county tax equalization director, and Joseph Fox of Tawas City, one of three candidates seeking the District 4 post. Others filing last week were Mer-

Rate for Proposed New Sewer Questioned; Street Work OK'd

Legality of establishing a base rate of \$19 per foot for construction of a fourth special assessment sanitary sewer during 1974 is to be checked by the City of Tawas City.

The above rate had been established by the water board and adopted by the council for costs in three special assessment districts currently awaiting approval by the Municipal Finance Commission for bonding.

The \$19 per foot assessment was a compromise reached last winter to equalize assessments in the three districts. Estimated construction costs varied in the three

districts because of sewer depths. City officials were of the opinion that property owners in deep sewer areas, or in areas of poor soil conditions, should not be penalized when deeper sewers were required to reach areas at the end of sewer lines.

The same \$19 per foot assessment had been recommended for a new special assessment sewer district being proposed on Victoria Lane from Manor Drive to M-55. Fifteen lots are involved with four owners, including the new Tawas United Methodist Church.

Both Ald. Edward Savage and

Robert N. Rollin questioned the legality of adopting a base assessment for 1974 should it be found that construction on the Victoria Lane sewer would be lower than the \$19 per foot cost. The city has not advertised for bids as yet on the other three established special assessment districts and it is not known if the actual cost of the earlier projects would come within the estimate. Should the actual cost be lower than the \$19 per foot, an adjustment is to be made to the property owners to reflect the lower cost.

The council adopted a resolution

Monday night deeming it a public necessity to establish the Victoria Lane special assessment district and a public hearing is to be held July 1, 7:30 p. m., to hear objections.

This is the first step in the city's ordinance covering special assessment districts and a final hearing would be required to determine costs.

Considerable discussion was also heard before adoption of a street construction program for 1974. A \$48,000 program was adopted involving 14 streets but, on recommendation of Alderman Rollin, engineering is to be obtained and a feasibility study is to be made to determine if another street should be included in this year's program.

Rollin was of the opinion that German Street, which intersects with M-55 and is heavily traveled by trucks, should be included in this year's program. He pointed out that the street was presently in poor repair and should be considered for plant mix blacktop.

This street was not included in 1974 plans when the city held a special meeting June 6 to discuss its annual street construction program. Although noting the heavy traffic and need for blacktopping, it was felt that storm and sanitary sewer work should be completed along the street before any new street construction is undertaken. The council adopted a similar policy last year for Harris Avenue from Second Street to North Street because of projected sewer work.

Rollin was of the opinion that storm sewer work on German Street was probably some years away and that immediate attention should be given to this street because of heavy truck traffic.

As the result of the discussion, the city manager is to check with the city's engineering firm to determine the actual position of proposed water and sewer mains along the street right-of-way and if it would be feasible to construct a blacktop cap on the 50-foot-wide section from M-55 to Maple Street.

Streets approved for receiving plant mix blacktop surface costing a total of \$41,800 are as follows:

River Street, from railroad tracks to North Street, 400 feet, \$2,100; North Street, from US-23 to River Street, 850 feet, \$4,100; Court Street, from M-55 to Beech Street, 800 feet, \$3,900; Whittemore Street, from US-23 to Seventh Avenue, 1,600 feet, \$8,200; Second Street, from Fifth Avenue to Second Avenue, 1,000 feet, \$4,500; Beech Street, from US-23 to Court Street, 300 feet, \$1,500; First Avenue, Anna Drive to M-55, 1,550 feet, \$7,500; Ninth Avenue, from US-23 to Fourth Street, 2,150 feet, \$10,000.

Streets to receive seal coating are as follows:

Seventh Avenue, Second Street to First Street, 650 feet, \$1,200; Elms Avenue, Bay Drive to Grove Street, 1,250 feet, \$1,800; Margo Street, Nanette Street to Grove Street, 400 feet, \$700; Crocker Boulevard, Townline Road to Elms Avenue, 450 feet, \$700; North Street, Fifth Avenue to Eighth Avenue, 1,100 feet, \$1,700; Spruce Street, Maple Street to Oak Street, 700 feet, \$1,000. Total cost of the 4,550 feet of seal coating would be \$7,100.

Two Building Applications OK'd in Tawas City

Two building applications were approved during the past two weeks by the Tawas City Department of Public Works as follows:

Freeman W. Fankhauser, 518 Fifth Avenue, replace part of house roof, \$350; Goldie Paskow, 326 Whittemore Street, enclose two porches, new roof, new siding, \$5,500.

Discuss Possible New River Bridge

Investigation into possible construction of a new bridge over the Tawas River at East Tawas is being considered by officials of East Tawas. Mayor Robert Bolen suggested Monday night that an invitation be sent to Baldwin Township and the county road commission to send representatives to a joint meeting to discuss the proposal.

Discussion on the bridge developed at the regular council meeting when it was pointed out that there was considerable hazard to children fishing from the bridge because of heavy traffic conditions.

It was suggested that an ordinance be adopted prohibiting fishing from the bridge, but it was felt that this would not be an adequate answer. Possible purchase of the old foot bridge formerly utilized on Mathews Street in Tawas City for installation above the present bridge was also discussed.

Replacement of the present nar-

row bridge has long been discussed and Mayor Bolen was of the opinion that a wider structure, with provision for fishermen, should be considered.

In other business, a hearing is to be held Saturday, July 6, 10:00 a. m., concerning the proposed replatting of Forest Glen Subdivision. It was stated that property owners attending a previous meeting had generally accepted the concept of adopting boundary lines according to present possession and usage.

Engineering plans are being developed for widening of Newman Street along the athletic field. A walkway would be constructed on the west side of the street and covered drainage would be provided.

Joseph Badatucco, park manager, reported that a serious drainage problem exists in the basement of the community building. Because of high water, a basement floor drain connecting with the sanitary sewer has flooded the basement. An engineering study is to be made.

Earl Brzezinski has announced his resignation as a city patrolman. The police chief is to interview a possible successor.

Mrs. Charles Rosenberg of Quota Club of Iosco County appeared before the council and requested that the city study possible establishment of a museum. The feeling was expressed that this should be a county project.

Members of the council are to attend the July 14 dedication of the new harbor of refuge at AuGres.

Police Chief Donald Docking was authorized to attend the police chief convention at Traverse City June 24-26.

Community Chest Sets 1974 Budget Hearing Aug. 15

A tentative date of August 15 has been set for hearing requests from agencies and organizations for funds raised during the 1974 campaign of Tawas-Whittemore-Hale Area Community Chest. This action was taken at a meeting of the board of directors held June 13.

The 1974 fund drive is to be held from October 14-31. The community chest is currently seeking a chairman and vice chairman to organize this year's campaign.

Lions to Develop Skating Rink; Drop Tennis Courts

Proposed participation by the East Tawas Lions Club in construction of a tennis court-ice skating rink in the Tawas area has been dropped by a vote of the membership. As an alternative measure, the club is to utilize a new concept in construction of an ice skating rink next winter near its warming shelter at the Newman Street athletic field, East Tawas.

City councils and park boards of both East Tawas and Tawas City had been asked by the Lions Club to develop preliminary plans for constructing four tennis courts which could be flooded during the winter for ice skating.

The club was to furnish approximately \$15,000 to one of the two cities for participation in the construction and one city or the other was to construct a new warming shelter, as well as accept responsibility for maintaining the new recreational complex.

East Tawas has proposed to purchase new property to enlarge the Newman Street athletic field, a clear title for which was recently given by Tawas Area Board of Education. A similar plan was formulated by the City of Tawas City on a site north of the baseball diamond on First Avenue. After study, the Lions Club felt the site was too small.

Edward Sterling, representing the Lions Club, told the Tawas City Council Monday night that the club had studied both proposals and had reached the opinion that the original idea of flooding tennis courts in the winter for ice skating would be a poor policy. He said that the surface of tennis courts probably would be damaged by flooding.

As an alternative, the club proposes to dig a pond three to four feet deep, construct a clay base

Fish Planted

The federal fish hatchery at Jordan River planted 48,000 lake trout last week on the Lake Huron side of Tawas Point, according to a report from the Michigan Department of Natural Resources. The state was to have planted a large number of steelhead trout Monday afternoon in the AuSable River below Foote Dam.

Wayne Case New Hale Area School Supt.

Hale Area Board of Education announced last week that Wayne Case of Oscoda had been hired as school superintendent, effective July 1. He succeeds Paul Keene, who had announced his resignation in April.

Case, 41, had served the past three years as business manager of Oscoda Area Schools. Born at Jackson, he holds a bachelor of science degree and three graduate degrees from Michigan State University, East Lansing.

The new superintendent was a mathematics teacher and coach at Jackson St. Mary from 1958 to 1962 and served in a similar capacity at Grand Rapids Catholic Central in 1962.

After three years at Rochester, where he was a mathematics teacher, coach and assistant principal, he joined the Oscoda Area School system in September 1971.

Keene, who has not announced his future plans, had served as superintendent of Hale Area Schools for three years. A former superintendent at Port Austin, he succeeded Supt. Paul Sutherland in 1971.

Fair Premium List Published

Included with this week's issue of The Tawas Herald is the annual premium list for the Iosco County Fair to be held July 24-27 at Hale. The special section contains a program of fair activities, general rules for exhibitors and premiums to be paid winners in various departments. Fair officials urge residents to make plans now to enter exhibits in the 1974 event.

(Read Matthew 26:55-58)
Peter followed him afar off into the high priest's palace. (Matthew 26:58)

At first all of Jesus' disciples ran away when He was seized in the Garden of Gethsemane. Peter soon followed Him at a safe distance. Like Peter, many of us want to follow Jesus—but at a safe distance. If we follow Him too closely, who knows what might happen? How many evasions we use to keep a safe distance between us and Jesus' demands!

"There's a person on our block who seems lonely. But I better wait to see how the others respond before becoming too friendly."

"My husband's business contacts at this party are getting pretty rowdy. Perhaps it wouldn't hurt me to smile a little at the jokes. We might offend these guests if we went home early."

"The cause to which I'm asked to contribute is urgent. Yet we need a new television set. How much would it be safe to give?"

"These people would make good tenants for my rental property but they belong to a minority group. Wouldn't it be safer not to rent to them than risk offending the neighbors?"

PRAYER
Help us, Father, not to be afraid to take risks for You. May we follow You completely. In Jesus' name. Amen.

City Council Gives Tentative Approval to Zoning Changes

Tentative approval adopting recommendations of the Tawas City Planning Commission for updating the city's zoning ordinance was given Monday night by the Tawas City Council. Preparations are to be made to publish the proposed changes and to hold a public hearing.

Members of the planning commission met with the council Monday night to outline the proposed changes. Carl Babcock, planning commission chairman, said that the recommendations were an outgrowth of about one year of study by the planning commission and its consulting firm.

One of the major areas under consideration would be to transfer present authority for issuance of special use permits for zoning variances from the zoning appeals board to the planning commission.

Babcock said that the zoning board of appeals presently relies on recommendations of the planning commission concerning variances and he believed the work could be handled more effectively by the planning commission.

Another area of change would be in B-2 business areas. Babcock said that methods of conducting business in those areas, along with recreational concepts, had changed since adoption of the zoning ordinance. It has been recommended that a 20-foot setback line be established for construction in B-2 business areas to insure uniformity in conducting recreational sales and service businesses, as well as to insure that repair of vehicles is conducted in closed buildings.

A third change would require developers to submit a site plan for review by the planning commission for all construction other than one and two-family dwellings. Babcock said this would not place a burden on development, but would provide an added tool for orderly expansion of the city.

He said that the city zoning map was now being updated to indicate all past and proposed changes and the planning commission has recommended that an index be developed for the city zoning booklets. Future study of the planning commission will be in the area of fences and green belts, along with a study of commercial amusement areas.

Gene Salamony that his contract has expired for use of the city garage for storage of his privately-owned fire truck.

Rollin expressed the opinion that Salamony had not lived up to his agreement with the city for use of the fire truck on a backup basis for the city volunteer fire department, inasmuch as the truck had been completely stripped down during the winter while awaiting painting and was not in an operable condition. Rollin said that the city had included the truck in its insurance policy in case the equipment was used at a fire and that the city had merely provided winter storage facilities for a private owner. Rollin said he was not in favor of leasing private equipment or any similar arrangement.

On recommendation of Fire Chief Daniel Ulrich, the city council adopted a six-month agreement with Salamony last October to permit storage of his privately-owned fire truck in the city garage in consideration of possible use of the equipment on a standby basis. That agreement has now expired. The old truck, presently being refurbished, had been entered in area parades by Salamony.

Seven Thefts, Two B's & E's Investigated

Seven larcenies, two breakings and enterings and a vandalism complaint were investigated last week by the Iosco Sheriff's Department.

Mrs. Andrew Gale of East Tawas reported Thursday that a boat and motor had been stolen from her property.

Roger Wood, 5054 Whittemore Road, National City, reported Thursday that between 70 and 100 pounds of pork, along with six quarts of strawberries, had been stolen from a freezer in his garage.

Louis M. Cgratch reported Wednesday that a tool box had been stolen where he was working in a clearing near Binder and State Roads.

John Smith, Oates Road, Alabaster Township, reported June 10 that a cow had been stolen from his property. The animal, apparently shot and killed by a rifle slug, was found along Alabaster Road.

Ernest J. Dankert of Floyd Lake reported that a picnic table had been stolen from his residence.

A car parked along M-65 in Oscoda Township was entered sometime Saturday night or Sunday. Terry Schocke of Sandusky told officers that he and his wife had parked the car to go on an overnight backpacking hike. When they returned Sunday morning, they found that a rear window and the trunk had been pried open. Stolen items included a camera and checkbook.

Harold McCloud reported Saturday that his storage shed on Esmond Road, Plainfield Township, had been entered. A portable generator and tools valued at \$265 were stolen.

Leslie Medlyn of Londo Lake reported that a storage shed on his property had been entered. A tool kit was stolen and a motorcycle was damaged.

Henry Frye of Wilber Road, Tawas City, reported Wednesday that his mailbox had been vandalized.

Patrick Phelps of Whittemore reported Sunday that a 10-speed bicycle had been stolen from his yard.

Officers arrested three persons on separate charges of violation of the controlled substance act. Richard L. Brooks, 21, Kobs Road, Tawas City, and Daniel J. Brooks, 17, 215 Wheeler Street, Tawas City, were arrested Sunday on Plank Road. Officers said they stopped a car which was traveling backwards on the road. When the vehicle was stopped, they made a search and found a jar containing marijuana on the ground outside the car.

Richard Lambert, 18, Detroit, was stopped Sunday for speeding on M-65, Reno Township. Officers found a quantity of marijuana in his clothing and a marijuana pipe.

A 30-year-old Mt. Morris man, William A. Maurer, was treated at Tawas Hospital Saturday after his motorcycle slid into the ditch along Curtis Road, Plainfield Township.

Kenneth M. Arntz, 35, South Branch, was treated at Tawas Hospital Wednesday after he lost control of his vehicle on the wet pavement of South Branch Road. The car rolled over and struck a telephone pole.

Indies Rack Up 2nd Straight Win

Tawas Indies racked up their second straight victory Sunday by defeating Barton City, 9-8, in an exciting baseball game which was not decided until the last inning.

Holding a 5-4 lead going into the ninth inning, the visiting Tawas squad scored four runs in the top of the ninth inning with three hits and a hit batsman. The runs proved crucial as Barton City unloaded four runs in the bottom half of the inning and Mickey Haglund fanned the last batter to end the threat.

Tawas took an early lead with one run in the first inning when Pat Jordan reached first on an error, Craig Herriman singled and Jordan scored on Koepke's sacrifice. Jordan scored the second run in the third inning when he walked, moved to second on a bunt and scored on Koepke's single.

The Indies took a commanding lead in the top of the fifth inning when Ken Blust belted a three-run homer, but Barton City scored one run in the bottom of the fifth inning, two in the sixth and one in

the seventh to cut the lead to one run.

Back-to-back singles by Tom Kasichke and Brad Potts, coupled with Pat Jordan's double, accounted for two runs in Tawas' ninth inning. After two batters were out, Steve Sventko was hit by a pitched ball and Jordan scored on a wild pitch. Sventko scored the winning run on an infield error.

Dave Mielock was the winning pitcher and had help from Ron Leslie in the sixth, seventh and eighth innings. Haglund came on in the ninth inning to retire the last two batters after Barton City's threat.

Seven Tawas players figured in its nine-hit attack and the leading batter was Kasichke, who had a double and a single.

The Indies are to play host to league-leading Ossineke this Sunday.

Wetzel-Belcher Candlelight Vows Repeated June 15

At a 7:30 o'clock, candlelight service Saturday, June 15, at Tawas United Methodist Church, East Tawas, the Rev. Kenneth L. Tousey officiated at the double ring service uniting Linda Belcher and John Wetzel in marriage. Dale Harwood was the organist.

The bride is the daughter of Mr. and Mrs. Howard Belcher of East Tawas. Her husband is the son of Mr. and Mrs. Eber Wetzel of Tawas City.

The former Miss Belcher chose a white lace, A-line gown with floor-length skirt embellished in petals. She wore a teardrop veil with matching petals and pearl insets. Her bouquet was made up of yellow roses and white carnations.

Wearing a yellow dotted Swiss gown accented in yellow floral lace was Wanda Davis of Tawas City, maid of honor. Vicki Myles of Tawas City acted as bridesmaid in a blue dotted Swiss gown.

Donald Harten was best man with Dale Harten as groomsmen. Jay Wetzel and Dennis Wetzel, brothers of the bridegroom, seated the guests.

A reception followed the ceremony at the church fellowship hall for 150 guests from Ithaca, Ann Arbor, Glennie, Pontiac, Detroit, the Tawas, Ohio and Champaign, Illinois.

Mrs. Belcher greeted guests in a blue and white nylon and polyester gown. Mrs. Wetzel selected a pink floor-length dress.

Following a wedding trip to the Upper Peninsula, the new Mr. and Mrs. Wetzel will reside at 2644 Northeast Drive, Tawas City. Both are graduates of Tawas Area High School. The bridegroom is a 1970 graduate of Michigan State University, East Lansing.

A pre-nuptial shower in the bride's honor was hosted by Norma Reinke and Nadene Bouback.

Among MSU's Top 50 Senior Women

Sandra Smith of Turner, daughter of Mrs. Walter Smith and the late Mr. Smith, has been named among the 50 outstanding senior women at Michigan State University.

The women were nominated by students and faculty on the basis of their service, leadership and scholastic qualities. Mortar Board, a national women's honor society, chose the top senior women from the nominations. There are about 2,000 women in the spring graduation class.

The women received a certificate and rose during the special ceremony at Beaumont Tower in late May. The parents and students attended a reception at Cowles House given by Pres. and Mrs. Clifton R. Wharton Jr. after the ceremony.

Miss Smith is majoring in home economics-education and is secretary of the Human Ecology Club Council, editor of Omicron Nu, the home economics honorary society newsletter, and is secretary of the Family Ecology Club. She is a 1970 graduate of Whittemore-Prescott High School.

Engaged

A fall wedding is being planned by Jean Marie Westcott and AIC James Wesley Murphy. Miss Westcott is the daughter of MSgt. and Mrs. David Westcott of Tawas City. Her fiancé is the son of SMSgt. and Mrs. James H. Murphy of Grissom Air Force Base, Indiana.

Miss Westcott is a 1974 graduate of Tawas Area High School. Airman Murphy is a 1971 graduate of Macaonaquah High School, Bunker Hill, Indiana, and is presently serving at Sheppard Air Force Base, Texas.

Engagement Announced

Ellen Smith and Thomas Leslie announce the engagement of their parents, Ruth McLean and Benjamin Leslie, both of Tawas City. Wedding plans are indefinite.

Hale Couple Surprised On 25th Anniversary

Sixty-five friends and relatives surprised Mr. and Mrs. Louis Katterman of Hale at their home Sunday, June 16, with a celebration in honor of their 25th wedding anniversary. The affair was hosted by their sons, Arlen, Rod and Nolan.

Following a pot-luck dinner, a wedding cake made by Alice Shel-lenbarger was presented to the honored couple. Guests were present from Flint, Saginaw, Bay City, Traverse City, Hale and the Tawas.

Funeral Held Tuesday for Louise A. Moeller

Louise A. Moeller of Tawas City, 76, passed away Saturday, June 15, at Tawas Hospital. The Rev. James F. Rockhoff officiated at funeral services Tuesday, June 18, at Emanuel Lutheran Church, Tawas City. Burial was in Memory Gardens Cemetery, Tawas City. Memorials are available at the E. D. Jacques and Son Funeral Home, Tawas City.

Mrs. Moeller was born November 4, 1897, in Tawas City. She is survived by her daughter, Jean Arp of Pikesville, Maryland; two grandchildren; two great grandchildren; two brothers, Frank and William Bertch of Tawas City; a sister, Helen Bright of Cedar.

Received Injuries in Two-Car Crash Thursday

Judy A. Pausits, 25, East Tawas, was treated at Tawas Hospital Thursday following a two-car collision on M-55 at the Kobs Road intersection. Investigating Michigan State Police said that a car driven by Dale R. Kendall, 16, Tawas City, headed north on Kobs Road, pulled in front of the other vehicle.

HONORED WEDNESDAY NIGHT by Iosco Educational Secretaries Association was Mrs. Dorothy Blood, right, who retired last week after serving 22 years as an office secretary at Hale Area School. Mrs. Blood is shown with Mrs. Lee Cater, left, and Mrs. Irene Dickey during a retirement dinner held at the Wabun. The three women were charter members of the association.—Tawas Herald Photo.

NEW OFFICERS installed Wednesday night by Iosco Educational Secretaries Association are shown here with Mrs. Patricia Blust, left, retiring president. New officers from left are Mrs. Wilma Ruckle, president; Mrs. Arlene Aull, vice president; Mrs. Jessie Morrison, secretary; Mrs. Bea Follette, treasurer.—Tawas Herald Photo.

Class of 1969 Plans Reunion On June 29

Tawas Area High School graduating class of 1969 is holding its five-year class reunion Saturday, June 29, at Tawas Golf and Country Club, Tawas City. Buffet dinner will be served at 7:00 p. m. Music will begin between 9:00 and 9:30 o'clock, featuring the Gary Sullivan Variety Band.

Class members wishing to make reservations should contact Mrs. Ronald Warner (nee Kay Arnold), 326 Maple Street, Tawas City, Michigan 48763, or call 362-5119 as soon as possible.

Sunday, June 30, weather permitting, a family picnic will be held. Time and place will be announced at the reunion.

Russell Howes, Arenac County extension director, reports that at a hearing held by Circuit Judge Swallow in April, there was a gentlemen's agreement that the county road commission and county drain commission in the three Counties of Arenac, Iosco and Ogemaw would not dig or clean any road or drain ditches in the AuGres watershed until Judge Swallow takes some further action in August. This gentlemen's agreement was to apply to individual farmers in the watershed area. It was generally agreed that the farmers could go ahead with tile drainage but should not dig or clean ditches.

The purpose of the above agreement was to give time for the three-county augmented board to meet and consider further action on flood control in the AuGres Watershed. Individuals desiring further information on this agreement are to contact the appropriate county drain or road commission or the county board of commissioners. It is hoped by the persons involved that all individuals and governing bodies will honor the above agreement.

Miss McKinney Recipient Of Cash Award

Jackie McKinney of Tawas City, valedictorian of the class of 1974 at Tawas Area High School, has been awarded the Jane Addams scholarship cash award from Rockford College, Illinois, as the most outstanding student to be entering Rockford this fall.

Jane Addams was the first woman to win the Nobel Peace Prize in 1931. She led in the fight to give women the right to vote, was president of Women's International League for Peace and Freedom and founded the famous Hull-House in Chicago, Illinois.

Seminar Date Response to Decide OSHA

A training seminar which will relate better understanding of the Occupational Safety and Health Act (OSHA) of 1970 is being sponsored by Tawas Area Chamber of Commerce on Wednesday or Thursday, June 26 or 27, depending upon which day the majority of responses prefers.

Objective of this program is to better acquaint the employer and employee in understanding and complying with the act's standards.

Program will commence at 9:30 a. m. and conclude at approximately 3:30 p. m. It will be conducted by a qualified staff, familiar with both the letter and spirit of OSHA. There is no charge for attendance and participants will be provided with instructional materials related to the course, which may be retained as reference materials.

Individuals may receive further information by calling 362-3832 or writing Tawas Area Chamber of Commerce, Tawas City, Michigan 48763.

Susan Frederick Receives EMU Scholarship

SS Explains Eligibility for College Aid

Question: I am 18 and I will graduate from high school this spring. I get monthly social security checks because my mother gets social security disability payments. I know my checks will continue until I am 22 if I go to college full time. Since I will need to work part time, can you tell me what social security considers full-time college attendance?

Answer: Full-time attendance is usually a course load of 12 semester hours or more; but since this can vary from school to school, the Social Security Administration will usually accept the school's standard of a full-time student.

Question: I am 66 and my wife is 64. We own a small home, but we have no savings and our income is \$125 a month from social security. Can we get supplemental security income payments?

Answer: People 65 and over who have little or no income and limited resources can get supplemental security income payments, so you may be eligible. Your wife might get payments if she is blind or severely disabled. For information about applying for supplemental security income payments, contact any social security office.

Question: I am a widow, 67, and my monthly supplemental security income checks are my only income. Someone has asked me to work a few hours a week making lampshades. If I take the job, I will be paid about \$6 a week. Will that be taken off my supplemental security income payments?

Answer: No. People 65 and over, blind or disabled with no other income can earn as much as \$85 a month and get their full supplemental security income payment. Their supplemental security income payment is reduced by \$1 for every \$2 earned over \$85.

Question: I just started getting monthly social security disability checks. Some people tell me I am also eligible for medicare and others tell me I am not. What is the story?

Answer: You will be eligible for medicare hospital and medical insurance after you have been entitled to social security disability checks for 24 consecutive months. You will get a notice in the mail shortly before that time.

If you have questions regarding social security, contact the social security office at 1009 North Madison, Bay City, or phone 893-9579.

Private Coppler is a veterinary food inspector at the medical center.

Returns from Mediterranean

Navy ET3C Terry K. Beutler, whose wife, Carol, is the daughter of Mr. and Mrs. George Gawne of Whittemore, returned from a six-month deployment to the Mediterranean aboard the gasoline tanker USS Nespelen homeported in Little Creek, Virginia. He and his shipmates provided fuel as required by amphibious craft of the sixth fleet and served as backup logistic support for other fleet units.

Completes Health Science Course

Pvt. Edward E. Huling III, 19, son of Maj. and Mrs. Edward E. Huling Jr., Wurtsmith Air Force Base, completed a 10-week basic health science course at the Academy of Health Sciences of the United States Army, Ft. Sam Houston, Texas.

Students learn to perform routine patient care and treatment duties in combat areas, hospital units, dispensaries, clinics and other medical facilities. They also receive instruction in the transportation of sick and wounded by ground, air and water means.

His wife, Theresa, lives at Wurtsmith.

Finalize Plans for Rocket Race

Officials of Cub Scout Pack No. 911, serving the Tawas area, have finalized plans for a rocket race to be held Thursday, June 27. Kits were distributed at the May meeting.

Rockets will be propelled along guidelines and powered by rubber bands. Each boy will carve and paint his rocket to suit his own design.

Race will be held at 7:00 p. m. on the East Tawas Elementary School playground. Prizes will be awarded to the boys with the fastest and best designed rockets.

LOOKING BACKWARD—

Chapel Lake Indians Start New Season

15 Years Ago—

June 18, 1959—Chapel Lake Indian Ceremonials, which proved to be one of Northern Michigan's feature attractions last summer, will open its second year engagement June 19 at its open-air stadium nine miles west of the Tawas on Plank Road.

Jerry Cotter of the Mt. Pleasant law firm of Cotter and Cotter announced this week the establishment of his law office at 440 Lake Street, Tawas City.

Gordon E. Kobs of Tawas City received a bachelor of science degree at Central Michigan University, Mt. Pleasant.

Selected to attend a two-week summer school at Interlochen near Traverse City are Nancy Allen, Christine Moehring, Nancy Borosch and Richard White, all members of Tawas Area High School Band.

Iosco County Board of Supervisors authorized blacktopping of the parking lot driveway from US-23 to the rear of the county building.

Steve Kolcovich and Larry Kindell each added a new trophy to their collection Sunday by crossing the finish line first at the mouth of the Tawas River. The Tawas area canoe team has won this race four times during the six-year history of the contest.

25 Years Ago—

June 17, 1949—Due to the expensive nature of polio cases from Iosco County, the local chapter of the National Foundation for Infantile Paralysis has had to call on national headquarters for additional funds. During 1948, five infantile paralysis cases were reported in the county.

A Tawas City resident registered a complaint Wednesday that deer had eaten all the peas and cabbage in his garden. Thirty-five years ago, a deer ran down Lake Street creating considerable excitement. Today, it is commonplace to look out of the window and see deer nibbling on the lawn.

Cutting grain and threshing still remains common on some Michigan farms despite the turn to combines in recent years. The most common rates for cutting grain with a binder are from \$2 to \$3 per acre. Threshing rates are eight cents per bushel for wheat and rye; six cents per bushel for oats; seven cents per bushel for barley.

A contention that the government cut its civilian employee rolls by 10 percent and accomplish exactly the same purpose was made in Washington, D. C., by former Pres. Herbert Hoover. Declaring

that this could be done if the government was organized properly, Hoover said the savings to the taxpayers might reach four to five-billion dollars a year.

35 Years Ago—

June 16, 1939—Graduation exercises were held at the Alabaster School Friday night. Graduates included Arlene Brown, Virginia Pickett, Peter Rescoe and James Bowen.

A great deal of excitement was created at National City Tuesday afternoon while a hobo was prowling around the burg. The womenfolk had themselves locked in their houses while some of the menfolk got on top of the houses and watched his movements until a couple of brave ones came in from the country and went to where he had a fire built. They made friends and found that he was just waiting for the northbound freight. They

Family Living Education

By HELEN B. MEACH
Extension Home Economist

Have you seen the new nutrition labels on some of the food packages in our supermarkets?

Did you know that by December of this year these new labels will be required on all packages containing foods to which nutrients have been added? They will also be required on food packages where the manufacturer has made nutritional claims on the label or in advertising.

This new program, sponsored by the Food and Drug Administration, will provide consumers with accurate and reliable information concerning nutrients. The information will enable consumers to compare the nutritional values of different foods and compare new food products with familiar ones. It will, for the first time, make nutrition information readily available to everyone who wants to make use of it.

The regulation forbids certain claims about nutrition and diet. Under the new regulations, a label cannot say or even imply:

That a food can prevent, cure or treat any disease or symptom; that a balanced diet of ordinary foods cannot supply adequate amounts of nutrients; that storage, transportation, processing or cooking of a food is or may be responsible for an inadequacy or deficiency in the diet; that a natural

vitamin is superior to an added or synthetic vitamin; that a food contains certain nutrients for which there is no known need or significant value to human nutrition.

The prohibitions included in the new regulation may be as constructive as the new labeling regulations themselves.

Nutritional labeling is a tool which, if properly understood, interpreted and applied, can be of enormous benefit to the consumer.

BUREAU OF ANIMAL INDUSTRY
LANSING, MICHIGAN

Department of Agriculture Regulation No. 133
Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.

2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be thoroughly cleaned and disinfected, both prior to and following such exhibition.
4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.
5. Litter for exhibition coops must be of clean material and be renewed daily or oftener as needed.
6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room.
7. No bird shall be handled by anyone other than the attendant and the judge after they have been placed in exhibition coops.

It is recommended that all birds exhibited at fairs and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

—Rules—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

A. Pullets:

1. Rapidity of growth.
2. Depth of pigment.
3. Uniformity of shape and size.
4. Promise of egg production.
5. Absence of defects and disqualifications.

B. Mature Birds (Hens):

1. Degree of bleaching.
2. Condition of abdomen (spread and pliability).
3. Absence of new primary wing feathers.
4. Alertness of head and eyes.
5. Body weight, conformation and fitness.
6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male.
(Classifications: Cock, Cockerel, Hen, Pullet.)

WILLIAM G. MILLIKEN
Governor of the State of Michigan

To Visitors and Sponsors:

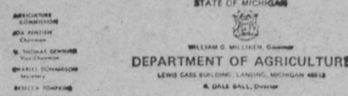

The farm products you see at Michigan's many county fairs are being grown on increasingly smaller amounts of land. It is our duty to see that we are able to continue to be able to feed ourselves in the future.

Uncontrolled conversion of farm land to other uses must stop before we lose much of the most productive land in our state.

Michigan farmers must also be given special consideration when tax standards are established. Farms must be taxed only on their potential to grow foodstuffs, and not on their speculative value for other uses. Otherwise, we'll lose this precious and irreplaceable natural resource...our farm land.

It is a pleasure to officially welcome you to this 1974 fair. I hope you will consider Michigan's need for agriculture as you view the many fine exhibits.

Sincerely,
William G. Milliken
Governor

To Fair Visitors and Sponsors:

While visiting Michigan's county fairs, you can see the importance of agriculture both to our state and our country.

Among the world's market basket and the farm products exhibited at fairs are examples of what makes Michigan one of the major suppliers of important food products.

It is through the diligent efforts and hard investment of our farmers that we are able to produce enough to feed not only our country, but much of the rest of the world.

Last year, Michigan farm products were valued at over 7.1 billion dollars. Agriculture is Michigan's second largest industry and contributes immensely to our high standard of living.

It is a pleasure to welcome you to your county fair on behalf of the Commission of Agriculture and the Michigan Department of Agriculture. May your visit be interesting, entertaining, and educational.

Sincerely,
B. Dale Ball
