**MORE THAN 50 BURGLARIES** in the Sand Lake and Hale areas were solved during the past three weeks by the Iosco Sheriff's Department. Officers have arrested three persons and six juveniles have been turned over to Iosco Probate Court. Surveying part of the loot from the burglaries is Deputy Dennis Frank, one of several officers involved in the investigation. Included in the recovery were five motorcycles, including three stolen from Myers Sport Shop at Hale, one from Hale Hardware and one from a private garage at Long Lake. The list of items recovered includes a chain saw held by Deputy Frank, three television sets, two stereo tape machines, radios, along with a large quantity of household items and sporting goods.—Tawas Herald Photo.

## Iosco's Millage Rates Listed by Tax Dept.

A tax apportionment report showing levies in all units of the county has been prepared by the Iosco Tax Equalization Department.

The report shows the total tax levy for county, townships and schools, as well as special assessment districts and city operation.

The rates are to be printed on tax statements to be mailed to taxpayers on or before December 1.

A uniform rate of taxes in all units is shown for the county with 4.50 mills allocated, .15 of a mill for debt retirement (medical care facility), .25 a mill allocated for the intermediate school district and .75 of a mill for voted special education.

Each township receives an allocation of one mill of taxes from the 15 mills divided by the county allocation board. Special voted taxes are shown in six of the 11 townships.

Three schools receive an allocation of 9.25 mills from the 15-mill limitation. The lone exception is Whittemore-Prescott Area which receives 9.50 mills through Ogemaw County's pegged millage.

Voted operational taxes for schools includes 11 mills for Tawas Area School, 10.30 mills for Oscoda Area School, 7.50 mills for Whittemore-Prescott Area School District and 14.75 mills for Hale Area School District. Tawas Area School does not have any debt retirement tax, but Oscoda Area School has a levy of one mill, while Whittemore-Prescott and Hale Area have a levy of five mills each.

Oscoda Township has special assessment districts for water, while Plainfield Township has special assessment districts for sewer and street lights. Grant Township has a special assessment district for street lights.

Rates to be shown on December statements mailed to taxpayers are as follows for the various units:

Alabaster Township—County, 5.65 mills; school, 20.25 mills; township, 2.50 mills. Total of 28.40 mills.

Ausable Township—County, 5.65 mills; school, 20.55 mills; township, 5.10 mills. Total of 31.30 mills.

Baldwin Township—County, 5.65 mills; school, 20.25 mills; township, two mills. Total of 27.90 mills.

Burleigh Township—County, 5.65 mills; school, 22 mills; township, one mill. Total of 28.65 mills.

Grant Township—County, 5.65 mills; school (Tawas Area), 20.65 mills; township, three mills. Total of 29.20. (For that portion in Hale Area School District, the levy is 29 mills and the total tax levy would be 37.65 mills.)

Oscoda Township—County, 5.65 mills; school, 20.55 mills; township, 5.75 mills. Total of 31.95 mills.

Plainfield Township—County, 5.65 mills; school, 29 mills; township, 2.30 mills. Total of 36.95 mills.

Reno Township—County, 5.65 mills; school (Hale Area), 29 mills; township, one mill. Total of 35.65 mills. (For that portion in Whittemore-Prescott Area, the levy for school is 22 mills and the total levy is 28.65 mills.)

Sherman Township—County, 5.65 mills; school (Whittemore-Prescott Area), 22 mills; township, one mill. Total of 28.65 mills. (For that portion in Tawas Area, the school levy is 20.25 mills and the total would be 26.90).

Tawas Township—County, 5.65 mills; school, 20.25 mills; township, one mill. Total of 26.90 mills.

Wilber Township—County, 5.65 mills; school (Tawas Area), 20.25 mills; township, two mills. Total of 27.90 mills. (For that portion in Oscoda Area, the school levy is 20.55 mills and the total would be 28.20 mills.)

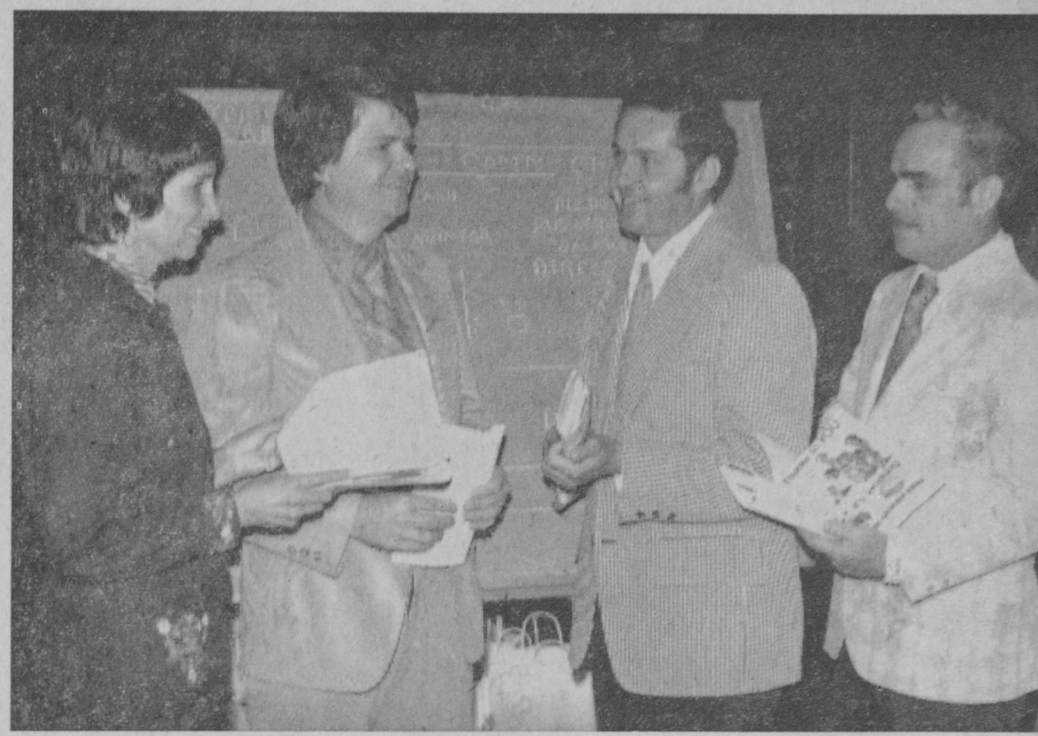

East Tawas—County, 5.65 mills; school, 20.25 mills; city, 11 mills (summer tax). Tax of 25.90 mills in December and total tax of 36.90 mills.

Tawas City—County, 5.65 mills; school, 20.25 mills; city, 15 mills (summer tax). Tax of 25.90 mills in December and total of 40.90 mills.

Whittemore—County, 5.65 mills; school, 22 mills; city, eight mills. Total of 35.65 mills.

The county rate listed above includes the intermediate school district tax.

Special assessment district taxes for Tawas City and East Tawas are not shown in the above report.

## Budget Hearing Next Monday

Residents of Tawas Area School District interested in how administrators and the board of education will spend tax money and other revenues to finance 1974-75 operation are invited to attend the annual budget hearing next Monday night, 7:30 o'clock, at the administration office, East Tawas.

A revised budget was presented Monday night to the board of education and members are to study finances for two weeks prior to adoption of a final budget on Monday, October 28.

Next Monday night's meeting has been called especially to discuss the budget with citizens.

"The board of education and administration would like to see a good representation of citizens from all sections of the school district attend this budget hearing," said Supt. Edward J. Barry.

Few residents ever show up for budget hearings held by schools and local units of government. The hearings are required by law and are intended to acquaint citizens with the manner in which tax money is to be spent during the next year.

## Seek Formal Appointment of Bicentennial Committee

Following two preliminary meetings, a three-member committee was appointed Friday to appear before the Iosco County Board of Commissioners to seek establishment of an official bicentennial committee to direct a county observance in 1976.

Named to meet with the board of commissioners were Mrs. Charles Rosenberg, Mrs. Herbert Hertzler and W. D. Nunn.

A group of interested citizens had held preliminary meetings at the home of L. G. McKay Jr. and members of the Tawas City Businessmen's Association joined in the discussion at Friday's meeting.

Much of Monday night's board of education meeting was taken up with a review of last year's audit by Harold J. Knight, a certified public accountant of East Tawas and the school's auditor. Representing the East Tawas firm was Bud Rick.

Following a complete review of the audit, Rick explained provisions of a law effective January 1 which will make all school employees eligible for unemployment compensation. During the first two years of the new law, the school is to use the reimbursement form to the state for unemployment compensation rather than to make the regular contribution of 2.7 percent on the first \$4,200 of an employee's wages. The latter would have required an annual contribution of \$17,000 to build up a reserve account.

## State Police List Complaints Investigated

A cabin burglary, destruction of two advertising signs and a larceny from an automobile complaint were investigated last week by Michigan State Police from East Tawas.

A quantity of household items was reported stolen Thursday from a cabin on Cooke Dam Road owned by Martin L. Mroch.

Malicious destruction complaints were received from Island View Resort and Grant Township Hall, where large advertising signs were damaged.

Edward Jerome reported Wednesday that a shotgun, shells and gun case were stolen from his automobile, which was parked along Rea Road, Oscoda Township.

Contracts with three high school teachers were approved by the board of education. Included were Susan Klatt, special education; Cynthia Burt, English; Richard D. McTaggart, biology.

A field trip to the Central Michigan University Library by the English class on October 30 was approved by the board of education.

Permission was granted to an interdenominational youth group to use school buses for a trip to the Rifle River area next Saturday. Chaperone for the group is to be the Rev. Kenneth Tousley, pastor of Tawas United Methodist Church. The program is being handled through the community education program and the regular rate for use of school buses is to be charged.

A report on the Tawas Area Band program was given by Gene S. Salamony, director. He said that the band was among the top three class B bands in the state and among the top 10 for bands of all classes in Michigan.

Prin. John Alexander reported that the building trades class has roughed in a dwelling at East Tawas being constructed as a class project. Bids are to be taken in November on the plumbing.

Trustees Helen Payea and Dr. James Jacques were appointed to the special education committee. Trustees David Kennedy and Carl B. Babcock were appointed to a committee on elementary curriculum.

## Oscoda Petition Asks Recall of School Superintendent

A petition signed by 450 persons asking for the removal of Supt. T. C. Filippula was submitted Monday night to the Oscoda Area Board of Education.

Taken under study by the board of education, the petition claimed that "needed improvements" in the school system could not be accomplished under the superintendent's administration.

On petition of Oscoda voters, the Iosco Canvassing Board is to hold a recount Wednesday (today) on the millage election held by the school district on September 30.

After three previous millage proposals were turned down, district voters approved the fourth proposal by a vote of 2,023 to 1,754.

Last fall, a recount of votes in a district millage election saw the measure being defeated. The margin of difference found on election day, however, was only two votes.

## Prescott's Story Featured by MUCC

An entertaining short story, "Watch 'Em Charlie," by State Rep. George A. Prescott of Tawas City, appeared in the October issue of Michigan Out of Doors published by Michigan United Conservation Clubs.

The fictional story deals with two oldtime hunters, who pit their champion dogs in a grudge match on the opening day of bird hunting season. Their mutual friend, "Charlie," is the judge.

Prescott, who has authored numerous magazine articles over the years, has drawn on his experience as a Michigan bird hunter to weave a fascinating tale.

## Meet Today

Iosco County Board of Commissioners is to hold its second meeting of October Wednesday (today) at the Iosco County Building.

## Community Chest Has 1974 Goal of \$18,836

Nearly 50 persons attended Monday morning's kickoff coffee hour for the annual Tawas-Whittemore-Hale Community Chest Drive held at the Holland House, East Tawas.

Goal of the two-week campaign, October 21 to October 31, is to raise \$18,836. A single contribution during the campaign helps fund 45 agencies which both directly and indirectly continually serve the needs of the area.

Funds collected are administered by a board of volunteer directors and community workers involving nearly 200 persons.

Campaign headquarters is again located at Tawas Chamber of Commerce office.

The Rev. Noah Funk, 1974 drive chairman, said Monday that door-to-door solicitations were to start immediately in the hope that the campaign may be concluded by October 31. Mrs. Leonard Hintz, vice chairman, distributed packets of information to divisional chairmen for use by other volunteer workers.

Mrs. Charles Rosenberg, president of the community chest's board of directors, presented

## Hale Board OK's Salary Package With Secretaries

Hale Area Board of Education Monday night approved a new contract with The Association, representing 11 secretaries and cooks on the staff.

The new wage agreement calls for a six percent increase in salaries plus the addition of retirement benefits.

In other business, the board of education adopted a residence policy for students entering the district. Basically, the policy establishes responsibilities for the student and his parents or guardian.

Authorization was given to borrow \$32,000 from Farmers and Merchants State Bank to finance purchase of three new school buses.

A special meeting was set for Monday, October 28, 7:30 p. m., as a budget hearing. Residents of the district are invited to attend this meeting to learn about school financing for the 1974-75 term.

## Three Cabin Burglaries Investigated

Three cabin burglaries and a larceny were investigated last week by Iosco Sheriff's Department.

Household items valued at \$1,798 were stolen from a cabin near Five Channels Dam owned by James N. Cordell. Included among the stolen items were rugs made from animal skins, a television set and a hunting bow.

Other cabins entered were owned by Raymond Trombley in Wilber Township and Arthur Little at South Branch.

Timothy O'Keefe reported Friday that a shotgun had been stolen from his automobile parked at Londo Lake.

## 'Co-Op 5' Group to Study Proposal

A special meeting of all "Co-Op 5" members, who assisted in the study for a proposed vocational skill center in this county, is to be held Wednesday (tonight), 7:30 o'clock, at the Iosco Intermediate School District's trainable center in Tawas City.

Supt. John Tafelski, intermediate superintendent, said that in his recent conversations with citizens in the four school districts, many reasons for the defeat of the proposed vocational skill center were drawn to his attention.

"It is the hope of the intermediate school board that the committee will again take an active role in providing leadership in local communities for a second election," said Tafelski. "It is important to have as much community involvement as possible if we are to have a skill center for the area."

A meeting of the intermediate school district board of education last week indicated that members were in favor of again placing the proposal before voters. Should a favorable reaction be received from the "Co-Op 5" committee, a second vote probably would be held next March.

**TAWAS AREA SCHOOL** will hold its annual homecoming this weekend and the three senior girls seated in front will be vying for the selection of 1974 homecoming queen. From left are Carol Hewitt, Mary Jean Dodway and Patty DeWise. Members of the court will include, standing from left: Carol Oates and Robin Erickson, ninth grade; Tina Cybula and Kim Zollner, 10th grade; Cindy Scales and Patty Zaharias, 11th grade. Crowning of the queen is to take place during halftime of Friday night's game between the Tawas Area Braves and Pinconning Spartans. The annual homecoming dance is to be held Saturday night at the high school gymnasium.—Tawas Herald Photo.

## Murphy-Westcott Wedding Solemnized in Nuptial Mass

In a 1 o'clock nuptial Mass Saturday, October 12, at Immaculate Heart of Mary Catholic Church, Tawas City, the Rev. Fr. Lawrence E. Boks officiated at the double ring ceremony uniting Jean Marie Westcott and A1C James W. Murphy in marriage. Mrs. Frank Byrd was the organist.

The bride is the daughter of MSgt. and Mrs. David Westcott of Tawas City. Her husband is the son of CMSgt. and Mrs. James H. Murphy of Grissom Air Force Base, Indiana.

The former Miss Westcott chose a full-length polyester and lace gown with scoop neckline, lace sleeves, taredrop embroidered trim on bodice, hemline and train and accented with three small blue bows. A floor-length veil completed her attire and she carried a cascade bouquet of white roses with blue baby breath, centered with a white orchid.

Janet Walters acted as maid of honor with Judy Westcott and Deborah Plumley, bridesmaids. Their gowns featured full-colored floral bodices and sleeves with full-length, solid-colored skirts of orange, yellow and green. They carried fall bouquets and wore matching headpieces.

Mr. Murphy served as his son's best man with Richard Martin and Richard Jones, both of Wurtsmith Air Force Base, groomsmen.

A reception followed the ceremony at the NCO Club, Wurtsmith, for approximately 90 guests from Grissom Air Force Base; Shreveport, Louisiana; Salem, Indiana; Worth, Illinois; Palos Hills, Illinois; Peru, Indiana; Caro; Lincoln Park, and Reedford Township.

For her daughter's wedding, Mrs. Westcott chose a long brown dress with sheer lace sleeves, accented in pearls. Mrs. Murphy wore a long green dress. Both corsages were made up of miniature white orchids.

The new Mr. and Mrs. Murphy will reside at Tyndell Air Force Base, Florida, where the bridegroom is currently stationed with the United States Air Force.

Pre-nuptial showers honoring the bride were hosted by Miss Plumley and Mary Bouchard, personal; Rose Westcott, Mary Lorenz and Arlene Nelkie, miscellaneous.

# PAT Kick Was Braves' Victory Margin In Overtime Win Over Oscoda Owls

Coming from behind to score two touchdowns to tie the game at 16-16 in regulation time Friday night, Tawas Area Braves went on to win a dramatic 23-22 double overtime game over the visiting Oscoda Owls.

For the second straight year, the final score of the game between these two undefeated rivals had to be decided with the NBC tie-breaker rule. After Oscoda scored a touchdown and Tawas' defense stopped the attempt for a two-point conversion in the second overtime period, the Braves came back to again tie the game and then won on Jim Lansky's PAT kick from placement.

Playing before a near capacity crowd, the Owls jumped off to an 8-0 lead with two minutes, five seconds remaining in the first quarter when Fullback Jim Shurgart scored an eight-yard touchdown and Halfback Mike Lamrock ran the two-point conversion. It was all Oscoda in the first half as Halfback Mark Soroka went eight yards to score the second touchdown with four minutes remaining in the second quarter. The two-point conversion came on a pass. Except for a brilliant 77-yard run by Mark Elliott early in the second quarter, the Braves just could not move against Oscoda's defense. Elliott, who rushed for

200 yards during the night, took a handoff and raced from inside his own 10-yard line to the 28 of Oscoda and had only one defender between himself and a touchdown. The run was nullified when Elliott fumbled when finally tackled and the ball was recovered by Oscoda.

The Owls, on the other hand, had things going for them in the first half as Halfback Don Baxter was a hard man to bring down, particularly when he was the second player going through the line and received good blocking from other halfbacks.

Tawas' defense stiffened in the second half, but the Braves' offense could not get rolling until

late in the third quarter. After taking an Oscoda punt to the 15, Tawas had two plays in the third quarter and Elliott rambled to the 48 on the first one. Mitch Lenczewski picked up two yards just as the third quarter ended.

Quarterback Mickey Haglund then zeroed in on End Mike Mooney, who was to turn in several key plays during the night. Mooney moved to Oscoda's 43 on the pass and Haglund picked up 10 yards to the 33 on the next play. Elliott scampered to the 20 on the next play and picked up four more yards on second down. The Braves continued to find running room as Haglund went to the nine on a quarterback option. Elliott hammered his way into the endzone on three more running plays and scored a touchdown with eight minutes, 55 seconds remaining in the game. The Tawas quarterback scored the two-point conversion on the same play and the game was tied at 16-16.

Oscoda had the ball for two plays before the end of the game and Haglund intercepted a pass with one second remaining on the clock.

A flip of the coin gave Tawas the first crack at breaking the tie from 10 yards out. Elliott and Haglund moved the ball to the Oscoda two-yard line and the Owl defense recovered a fumble in the endzone on fourth down.

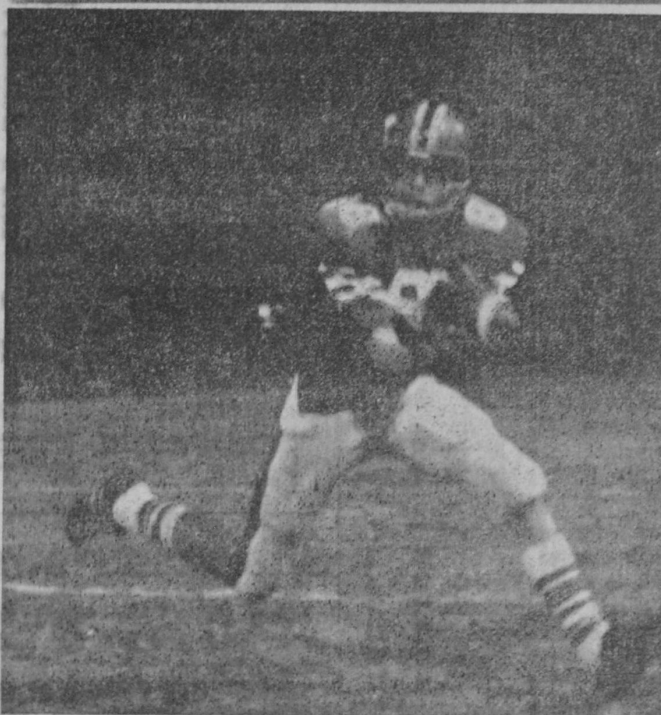

Oscoda had the ball for four plays in its first attempt to break the tie, but could only move to the seven in three plays. Haglund deflected a fourth down pass to send the game into a second overtime.

In the first play from scrimmage, Baxter raced around end to score a touchdown for Oscoda, but the Tawas defense held on the all-important run for two extra points.

Fighting to come from behind again, Elliott carried to the three-yard line in two plays and Haglund passed over the line of scrimmage to Jeff Hemphill to surprise the Owls defense and again tie the game on third down.

The final outcome of the entire night then rested on the toe of Lansky, who calmly booted the ball between the uprights for the one-point margin of victory.

Now undefeated in six games and tied with Essexville Garber for NBC leadership, the Braves play host this Friday night to Pinconning in the annual homecoming game. Last season, Pinconning upset the Braves and Tawas should be hungry for revenge.

REPRESENTING Tawas Area School this week-end in the state high school golf tournament at Brighton will be Dan Kasischke, who was the medalist winner in Saturday's regional tournament. Kasischke, who has been averaging a score of 79 for 18 holes during the season, ended in a three-way tie for medalist honors. The champion among 285 golfers participating was decided in sudden death on the 285-yard first hole. Kasischke fired an 80 during the regular 18 holes. Scores for other Tawas players included Bruce Harris, 93; Don Schriber, 96; Roger Powers, 99.—Tawas Herald Photo.

## Tawas' Big Ground Gainer

GAINING 200 yards in Friday night's game with the Oscoda Owls was Mark Elliott of the Tawas Area Braves. Elliott gained 65 yards rushing in the fourth quarter, which saw the Braves tie the game and send it into overtime.—Tawas Herald Photo.

### IOSCO COUNTY AGRICULTURAL SOCIETY ANNUAL MEETING REPORT

### Eagles Found Rough Going At Atlanta

Hale Area Eagles, unable to get going again after winning the opening game of the season, lost Saturday at Atlanta, 25-0. The strong Atlanta squad limited the Eagles to only 60 offensive yards on the ground.

The first quarter was scoreless, but Atlanta pushed two touchdowns over in the second quarter, scored one touchdown in the third quarter and one in the final.

Tim Millard was the outstanding defensive player for the Eagles with nine tackles and Fullback Bill Bernard picked up 31 yards on offense.

The Eagles play host to Arenac Eastern this Friday night. The visitors are currently holding second place in the North Star League.

### Forced Out of Bounds

MITCH LENCZEWSKI of the Tawas Area Braves was broken one tackle and is about to be brought down along the sideline by Scott Robbins of the Oscoda Owls.—Tawas Herald Photo.

### Hale Harriers Beat Tawas

With Flynn Clement running the course in 17 minutes, eight seconds, Hale Area School's cross country team defeated Tawas Area School's squad, 24-31. Placing third in the meet held Friday was David Brindley.

Hale Area harriers now have a record of three wins, five losses and two ties. In other meets held last week, Hale Area lost to Fairview and Whittemore-Prescott.

Red Cross Bloodmobile will be in Hale Wednesday (today), October 16, 2:00 to 8:00 p. m., at the Plainfield Township Hall. Anyone between 17 and 66 years of age may donate. The 17-year-olds must have written consent from their parent and appear at 5:30 p. m. when the doctor will be available. Donors must eat a meal that is low in fats before donating. Information may be obtained from Irene Goodrow, 728-3959, or Ann Strickler, 728-3935.

A singspiration will be held at the South Branch Community Church Monday evening, October 21.

The Rev. Willis Braun is chairman for the United Fund Drive in the Hale area and his helpers will be calling in the neighborhood soon. A kick-off meeting was held Monday morning at the United Methodist Church.

A Loon Lake summer resident, Clifford Miller, passed away in Detroit Wednesday, October 9, and his funeral was held Saturday.

Mr. and Mrs. Leon Brunson and Mrs. Otis Spiker were in Saginaw and Freeland on business Thursday. Mr. and Mrs. Dean Brunson visited their parents, the Leon Brunsons, over the week-end and granddaughter, Sandra Johnson, returned to her home with them.

Leon Brunson rescued two men in West Londo Lake after their boat had tipped over and they had clung to it for some time. They are sons of Joseph Goike, who is a lake resident.

Hale Area High School Band participated in the Central Michigan Band Day Saturday. Darrell Grosz, band director, accompanied 21 selected band students who joined other students from around the state in a half-time performance at the Saturday football game.

At the Senior Citizen Center Thursday, October 24, there will be a program of slides. Last month's program was slides by Mr. and Mrs. Gifford Stebbins of their travels in Florida and Arizona. A film by their son, Barry, taken during his tour of duty in Vietnam was also shown.

Family night pot-luck dinner will be held at the United Methodist Church Tuesday, October 22. The children's department will supply the program.

Methodist youth enjoyed a canoe trip on the Rifle River Sunday with 23 participating.

Wednesday, October 9, a few neighbors got together for a surprise 25th wedding anniversary party honoring Mr. and Mrs. Gerald Lewis. Present were Mr. and Mrs. Perry Shellenbarger, Mr. and Mrs. E. ## William Sherman Passed Away

A lifetime resident of the Tawas area, William E. Sherman of Tawas City, 67, passed away Sunday, October 13, at Tawas Hospital. The Rev. Fr. Lawrence E. Boks will officiate at funeral services Wednesday (today), October 16, 11:00 a. m., at Immaculate Heart of Mary Catholic Church, Tawas City, with burial following in St. Joseph Cemetery, East Tawas. Christian wake service was held Tuesday, October 15, at the E. D. Jacques and Son Funeral Home, Tawas City. Mr. Sherman was born October 13, 1907, in Tawas Township. He worked as a brick mason and also did carpentry work. He is survived by his wife, Jessie; one son, Donald of Tawas City; two grandchildren; one brother, Daniel of Davison; five sisters, Mina Brooks, Ann Walter and Florence Bessey of Tawas City, Clara Stourm of Davison and Margaret McGuire of Central Lake.

WORK was started last week on renovation of the pier at the Tawas City Park. The solid fill pier was originally constructed in 1940 and later improvements saw installation of wooden sheeting in the 1950s, along with sheet steel piling on the outer end. In recent years, the untreated wood has deteriorated rapidly and the high level of Lake Huron washed away much of the fill. A private contractor is now installing sheet steel piling from the outer end toward shore. Cost of the project is approximately \$26,000 and the state is assisting with a grant of \$15,000.—Tawas Herald Photos.

## County to Enforce Building Code for Most Local Units

Iosco County will be enforcing terms of the state's new building code for construction in most local units of government, according to a discussion held Wednesday between the county board of commissioners and representatives of city and township governments.

Indications were last week that only two local units of government—East Tawas and Oscoda—would be adopting the necessary ordinances to enforce the state's comprehensive building code. No action by other units of government will mean that the county would be required by law to handle the enforcement.

"Regardless of action which may be taken by some units, it appears as though the county must establish a department to handle building code enforcement," said Robert Foster, chairman of the county board of commissioners. "Any action by the commission is still in the discussion stage, but

the county must take some action by November 6 to meet the state law."

The new state code requires comprehensive inspection of all construction, plumbing and electrical work. Qualified inspectors in the three fields would be required.

"These inspections are going to be expensive and there is no way that smaller units of government may contract for this service," said Reginald Bublitz, city manager of Tawas City. Inasmuch as the law makes it mandatory for the county to enforce the code in those units which do not provide the inspections, Bublitz felt it would be a duplication of service for Tawas City to establish its own inspection department.

The two units presently planning to handle inspections are the City of East Tawas and Oscoda Township.

Regardless of action by the county or local units, enforcement

of the new building code will mean higher construction costs throughout the state. For instance, the state guideline price for inspection of home remodeling up to \$500 would result in a fee of \$8. It is conceivable that required inspections for building a new house would range up to \$150, or more.

Foster said that the county would probably have to perform its new role in the inspection business "by ear" for the first year. A fee schedule would have to be developed in order to make the program nearly self-supporting as county financing is limited to the present taxation and departmental receipts structure.

Another serious financial burden being placed on the county effective January 1 is enforcement of the soil erosion act. Legislation in June delayed enforcement for a few months in order to allow counties to arrange financing for this added burden.

"The county commission is now considering the possibility of establishing an engineering department which would handle enforce-

ment of the building code, enforcement of the soil erosion act and to handle all engineering required by the county," said Foster.

While an engineering department would be an expensive proposition, Foster pointed out that Iosco paid out more than \$60,000 last year for architectural and engineering fees for construction and remodeling of public buildings.

He said that if an engineering department is established, it might be possible to extend this service to other local units of government.

"But regardless of what we do, the cost of governmental operation is going to increase, not only through inflation, but through the burden of these added services which the state legislature has mandated," said Foster.

Units of local governments represented at Wednesday's meeting included Baldwin, Sherman, Reno, Wilber and Oscoda Townships, as well as Tawas City.

## Bravettes Suffer 2nd Straight Loss

In an evenly-matched game Tuesday, October 8, Tawas Bravettes suffered their second straight loss of the season, 43-38, to Ogemaw Heights.

The two teams were tied at the end of every quarter with the exception of the all important fourth quarter. With 53 seconds remaining in the game, Ogemaw meshed a tie-breaking basket to put the Tawas girls behind, 40-38. Ogemaw converted three charity tosses for the final margin.

Top scoring honors for the game went to Dawn Bryant of the winners, who hooped 21 points. Julie Youngs topped Tawas scorers with 12 points.

Other Tawas players reaching the scoring column were Mary Jane Williams, nine points; Lisa Morrill, seven points; Liz Ballor, five points; Jacquie Johnson, three points; Linda Kobs, two points.

Tawas Junior Varsity rolled to its seventh straight victory with a 47-40 margin over Ogemaw. Shelley Davison scored 18 points to lead the winners. Marty Reasoner had 13 points for the losers.

Others scoring for the Junior Bravettes were Jan Lickfelt, 12 points; Cindy Zenser, six points; Helen Anschuetz, five points; Debby Taylor, four points; Jeanie Rose, two points.

## Money Matters of Principal Concern During Oct. Session

Present and future county finances was one of the main topics of the Iosco County Board of Commissioners during its three-day session last week.

In addition to approving its final budget for 1975, the board of commissioners made several transfers from the general fund to adjust budgets of departments which showed deficits in the 1974 budget.

As one of its final actions Thursday afternoon, the commission took note of departmental budget deficiencies for 1974 and made adjustments to carry on services for the remainder of the year.

A budget report for the end of the third quarter of 1974 indicated 19 departments and funds were under budgets by \$55,883.43, while 13 departments and funds were

over expended by \$82,128.66. A study of receipts indicated that property tax collection in the 1974 budget had been underestimated by \$19,196, while an increase in fees from county offices and an increase in state income tax return would total \$53,506.

According to state law, the county treasurer is not permitted to draw checks for departments which exceed budgets unless the necessary transfers are made from the general fund by the commission.

The commission's report indicated that the following departments had exceeded budgets at the end of the third quarter: Cooperative extension, \$1,961.99; friend of the court, \$221.62; circuit court, \$3,910.95; dog control, \$2,010.48; prosecuting attorney, \$6,150.10; reg-

ister of deeds (including microfilm), \$1,724.38; sheriff and jail, \$46,294.72; jury commission, \$350.42; retirement and Blue Cross, \$14,696.87; veteran's counselor, \$107.33; social security, \$4,290.65; communicable disease, \$409.15.

The board of commissioners made its final revision on the 1975 budget submitted last April to the county allocation board. The new budget for 1975 operation stands at \$1,203,654, as compared to a preliminary budget of \$1,139,695.

The new budget is \$155,856 higher than the current year's budget of \$1,046,798 adopted a year ago this month. Projected revenues include fees of \$315,000, state income tax return of \$147,000 and property taxes of \$741,654, based on a tax levy of 4.5 mills on state equalized valuation of \$164,812,182.

Three new items in the new budget include \$27,000 for enforcement of the state building code

and erosion control, \$12,000 for maintenance of buildings and a contingency fund of \$21,984. The county has never had a fund earmarked for building maintenance and upkeep of buildings has proven to be a costly item during the past two years. Establishment of a contingency fund was prescribed by the state auditor.

Cost of the various departments includes \$58,776 for equalization; prosecuting attorney, \$40,224; district court, \$65,916; probate court, \$28,350; cooperative extension, \$29,874; treasurer, \$38,858; register of deeds, \$47,148; circuit court, \$34,050; probation officer, \$2,756; friend of the court, \$12,224; drain commissioner, \$3,000; clerk, \$40,598; public safety (sheriff's department and jail), \$311,388; courthouse and grounds, \$38,000.

Allocations to other activities, ranging from jury board to library, total \$425,492.

## Plan Revival Seminar at ET Church

The Rev. Robert Reid of Riverside, California, evangelist-teacher, will be guest speaker at the Charismatic Revival Seminar, which begins Sunday, October 20, at the Assembly of God Church, 311 East Lincoln Street, East Tawas. Services begin promptly at 7:00 p. m. and will continue nightly through Friday, October 25. There will be no service Saturday and final service will be held Sunday morning, October 27.

Mr. Reid has been used almost daily in the Charismatic move of the Holy Spirit in the Southern California area during the past year. He recently returned from a

21-day evangelism tour of the West Indies. Charismatic seminars are designed specifically for the building of faith in the hearts and lives of spiritually hungry people.

Traveling with Mr. Reid is his daughter, Leigh Ann. She has written a scripture memorization course which she will share with her father in the meetings.

The Rev. Edward J. Fairbanks, pastor, invites the public to attend these nightly services. For further information, contact Mr. Fairbanks at 362-3067.

## TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

(Read Matthew 10:37-42)

He who finds his life will lose it, and he who loses his life for my sake will find it. (Matthew 10:39)

As I was driving home from attending a church meeting recently, I was thinking about our program that morning. The leader had asked each person to illustrate with a drawing what our church women's group meant to us, or what we would like for it to mean.

Almost everyone drew a circle of women holding hands, facing inward, with the church as a smaller circle and God as its center. Somehow, this represented to me a tight, little clique—befriending and loving only those in the circle. Something was missing.

Suddenly, I saw myself standing on a beach casting a pebble into the water. The circle of waves went out—in all directions.

Then I asked myself, "Should not our church circles be facing OUT, reaching to those outside the church?" The direction of the waves of the Christian love and fellowship would then be outward—spreading throughout the world.

### PRAYER

Father, make us sensitive to the needs of others around us. Give us the incentive to befriend people and draw them to Your kingdom. Amen.

### THOUGHT FOR THE DAY

The outward reach is the proper direction for the church.—Freda Creager, Colorado Springs, Colorado.

## October Is Immunization Action Month

As part of a continuing effort to reduce the incidence of childhood diseases and eliminate the threat of widespread epidemics, the Center for Disease Control has designated October 1974 as "Immunization Action Month." The goal of the program is to increase the number of children immunized against polio, measles, mumps, rubella, diphtheria, tetanus and pertussis.

Explaining the reason for the program, Dr. John J. Witte, director of the immunization division, Center for Disease Control, said that the percentage of young children immunized against these diseases has been declining at an alarming rate in recent years. As a result, diseases that were once well controlled, such as polio, measles and rubella, are becoming a problem once again.

"We still have children dying from these diseases each year," Doctor Witte said. "The real horror, however, is that not enough children are being immunized to assure that epidemics will not occur on a broad scale."

One of the main problems, Doctor Witte continued, is that many parents wait until their children approach school age before having them immunized. "This leaves the child unprotected during the first four or five years of his life, an age when some of the diseases are most serious and most likely to strike. Moreover, this means that if an epidemic occurs, it is most likely to spread quickly among children of this age group," Doctor Witte stated.

Parents are urged to check their records to make sure their children are fully protected. "The diseases for which children should be immunized are polio, measles, mumps, rubella, diphtheria, tetanus and pertussis. Parents of children who are not fully immunized and those who are not sure whether their children have received all their immunizations, should check with their doctors or local health department right away. This is the only way to make sure children are protected and help prevent epidemics."

## Ann Marie Rich Named to High School Who's Who

Ann Marie Rich, a 1974 graduate of Tawas Area High School, was recently notified that she is to be featured in the eighth annual edition of Who's Who Among American High School Students, 1973-74, the largest student award publication in the nation.

**UP, UP AND AWAY.** After treatment for botulism poisoning, a bald eagle flies back to the wilderness following release near Houghton Lake. The bird was found struggling helplessly in the Muskegon River by canoeists who alerted the Department of Natural Resources. Treatment for poisoning was given at the Rose Lake Wildlife Research Center, operated by the DNR. Under the care of pathologist John Stuhlt and research biologist Glen Belyea, the nine-pound eagle soon recovered and was allowed to return to its native habitat. How the eagle was poisoned is not known although it is thought a dead fish the eagle may have eaten caused the problem. Bald eagles are relatively common in Michigan with approximately 180 nests counted in a recent census.

### LOOKING BACKWARD—

### Co. Valuation Increased; Tax Millage Cut

15 Years Ago—October 14, 1959—Isosco supervisors will spread slightly more than four mills on tax rolls for county operation as the result of the county's valuation increase of nearly \$4,000,000, mostly through new construction. The final budget approved calls for a \$20,000 increase to \$206,352, but a millage figure of .00405 to meet that budget is believed to be the lowest in the state for county operation.

The Tawasites hosted district conventions of Quotarians and Michigan Supervisors Associations during the past week.

Representing the student council of Tawas Area School at a conference at Central Michigan University, Mt. Pleasant, were Carol Anschuetz, Peter Bolen, Robert Frank and Jeanette Werth.

As its first order of business in the October session, Isosco Board of Supervisors went on record indicating Isosco's interest in procuring federally-owned property at Tawas Point. Both the Michigan Department of Conservation and the county have sent letters to the federal government stating that each wanted the property for public park use.

35 Years Ago—October 13, 1939—A Bay City man was fatally injured and another man suffered bruises and cuts Friday night when their car crossed in front of a northbound Detroit and Mackinac Railway gas-electric train near the Hayes-Leslie garage in Tawas City.

A furnished log house on US-23 overlooking Saginaw Bay, 10 miles south of Tawas City, is offered for rent by Charles Randall at \$12 per month, including electricity.

Students with perfect attendance at the Watts School during September were Frank and Lillian Birkenbach, Kathleen Frank, Donald Coates, Harold Coates, Ronald Herriman and Melvin McCormick.

The district health department reports that there is no polio epidemic in Isosco County, but there have been seven cases reported in Alcona County and schools there have been closed. The health department

### Last Year for Tire Studs

This is the last winter that motorists in Michigan will be able to use snow tires with metal studs not approved by the Department of State Highways and Transportation, according to Automobile Club of Michigan.

"All studded snow tires that motorists now own or plan to purchase can be used without restriction within Michigan this winter from December 1 through April 1, 1975," states Joseph Ratke, Auto Club touring manager.

If the studs are removed, the tires may still be used on highways after this winter and persons with a strong wrist and pliers can remove the studs, or most tire dealers will do the job for \$3 to \$5 per tire, Auto Club points out.

Last year, Public Act 138 was passed, which, after April 1, 1975, bans metal tire studs of the type now used in Michigan. The law also changed the date that any studded tires can first be used each winter from November 1 to December 1.

The highway department is now empowered to establish rules regulating the use of highway traction devices after this winter.

Ratke adds, "If studs can be developed that will reduce road surface damage to 25 percent of that now caused by tungsten carbide studs, the highway department could approve their use."

Auto Club states that while unapproved studs will be prohibited after this winter, the new law will not affect the use of tire chains or snow tires.

## Sugarbeet Crop Has Lower Yield

Michigan's 1974 sugarbeet crop will not have the sweet profit today's retail prices suggest.

This year's production will yield about 1,422,000 tons of beets—seven percent smaller than the 1973 crop, says Dr. Milton H. Erdmann, Michigan State University Extension crop and soil science specialist.

Planted acreage this spring dropped 7,500 acres from last year's level. Erdmann attributes the reduction to competition of last year's higher-priced crops such as navy beans, wheat and corn. Michigan farmers were paid an average of about \$13 per ton for sugarbeets the past few years.

Another factor influencing the size of the crop is the nearly double price increase for fuel, fertilizer and land rental costs over 1973.

It has not been all that sweet for the processing industry, either. Farmers and Manufacturers Beet Sugar Association spokesman, John P. Rummel, says processing costs have more than doubled.

"Our fuel oil costs rose 230 percent in the past two years; coal went from \$11 to \$45 per ton," he says.

Just prior to the energy crunch,

### Iosco Airman Completes Course

Amn. Richard W. Dorcey, son of Mr. and Mrs. R. C. Dorcey of Whittemore, has graduated at Keesler Air Force Base, Mississippi, from the Air Training Command's basic course for electronic specialists.

The airman, who received instruction in communications and electronics systems principles, is remaining at Keesler for advanced training.

Airman Dorcey is a 1969 graduate of Whittemore-Prescott Area High School.

### DAV Officer Announces Visit

Chalmers LaFray, field service officer of the Disabled American Veterans, will be at the Isosco County Building, Tawas City, Tuesday, October 22, from 10:00 a. m. to 3:00 p. m., to assist veterans and their dependents with Veterans Administration problems.

### CARDS OF THANKS

The family of Mabel (Goodrow) Bachand would like to thank Elder Richard Zmyslony, Latter Day Saints Church, pallbearers, relatives and friends for thoughtfulness during our bereavement. 42-1p

I want to express my sincere appreciation to the Reverend and Mrs. Merton and to my friends for the kindness shown and for the many cards, flowers and fruit sent to me while I was a patient in Tawas Hospital. I also want to thank the wonderful nursing personnel and Doctor Brinkman for his dedication and thoughtfulness. Everyone should appreciate a hospital like this one, its cleanliness, friendliness and its wonderful service. Mrs. Alice Anderson 42-1p

Words are inadequate to express my appreciation for the prayers, cards, gifts and visits from friends, relatives and neighbors. Also a special thanks to Pastor Bill Wright, Doctor Brinkman and the staff of Tawas St. Joseph Hospital. May God bless you. Victor Herriman 42-1p

#### NOTICE OF MORTGAGE SALE

Defaults having been made and said defaults having continued for a period of more than thirty days in the conditions of a certain mortgage made by CARL A. BROWNELL, JR. to MICHIGAN NATIONAL BANK, a National Banking Association, doing business at Saginaw, Michigan, dated September 4, 1974, and recorded September 9, 1974, in Liber 148 on page 178 in the Alpena County Register of Deeds Office, and recorded in Liber 49 on page 554 in the Alpena County Register of Deeds Office, and recorded in Liber 207 on page 522 in the Isosco County Register of Deeds Office; and said mortgagee having elected under the terms of said mortgage to declare the entire principal and accrued interest thereon due, which election it does hereby exercise, pursuant to which there is claimed to be due and unpaid on said mortgage on the date of this notice for principal and interest the sum of \$169,566.08, and no legal action having been instituted to recover the debt secured by said mortgage or any part thereof. The said mortgage includes real property located in the counties of Alpena, Alpena and Isosco. Pursuant to MCLA 600.3224 said parcels of land shall be sold separately and no more parcels shall be sold than are necessary to satisfy the total amount due on said mortgage, together with interest, costs and expenses allowed by law.

Now therefore, by virtue of the power of sale contained in said mortgage and pursuant to the statutes of the State of Michigan in such case made and provided, notice is hereby given that on Tuesday, November 12, 1974, at eleven o'clock in the forenoon, at the front door of the Court House in the City of Harrisville, Alpena County, Michigan, that being the place of holding Circuit Court in said County, said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, and any sum or sums which may be paid by the undersigned at or before said sale for the taxes and/or insurance on said premises, and all other sums paid by the undersigned, with interest thereon, pursuant to law and to the terms of said mortgage, and all legal costs, charges and expenses, will be foreclosed by a sale at public auction to the highest bidder of the following described premises:

Lots 300 and 301, Plat of Huron-Cedar Lakes Subdivision No. 2, Section 14, Town 25 North, Range 9 East, Greenbush Township, Alpena County, Michigan.

The mortgage covering the Alpena County property is a second mortgage and is subordinate to a first mortgage to Citizens Commercial & Savings Bank dated October 15, 1963, recorded October 22, 1963, in Liber 41 on page 439;  
 That if said sale is not sufficient to pay said mortgage together with interest and expenses, notice is hereby given that on Wednesday, November 13, 1974, at eleven o'clock in the forenoon, at the front door of the Court House in the City of Alpena, Alpena County, Michigan, that being the place of holding Circuit Court in said County, said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, and any sum or sums which may be paid by the undersigned at or before said sale for the taxes and/or insurance on said premises, and all other sums paid by the undersigned, with interest thereon, pursuant to law and to the terms of said mortgage, and all legal costs, charges and expenses, will be foreclosed by a sale at public auction to the highest bidder of the following described premises:

Grass Island, Section 3, Town 30 North, Range 8 East, Alpena Township, Alpena County, Michigan;  
 That if said sale is not sufficient to pay said mortgage together with interest and expenses, notice is hereby given that on Thursday, November 14, 1974, at eleven o'clock in the forenoon, at the front door of the Court House in the City of Tawas City, Isosco County, Michigan, that being the place of holding Circuit Court in said County, said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, and any sum or sums which may be paid by the undersigned at or before said sale for the taxes and/or insurance on said premises, and all other sums paid by the undersigned, with interest thereon, pursuant to law and to the terms of said mortgage, and all legal costs, charges and expenses, will be foreclosed by a sale at public auction to the highest bidder of the following described premises:

Lots 298 through 307, according to the recorded plat of Lake Huron Sand Beach Subdivision No. 2 and part of Government Lot 1 of Section 15 and part of Section 14, Town 24 North, Range 9 East, Township of Oscoda, Isosco County, Michigan, more particularly described as follows: Beginning at the Northwest corner of said Lot 307, thence South 89° 59' 30" East 127.06 feet; thence on a 4' curve to the right chord bearing and distance South 4° 26' 23" East 691.08 feet to a point of common curve; thence on a curve to the right radius 11,801.19 feet chord bearing and distance South 12° 04' 30" West 1053.53 feet; thence South 14° 38' West 1112.23 feet to the North line of Michigan State Highway Park; thence North 75° 22' West along said North line 292.0 feet to the East line of Highway US-23 right-of-way; thence North along said Easterly right of way line, said right of way line being measured 50.0 feet Easterly of the center line of pavement, North 14° 38' East 1112.23 feet and on a curve to the left radius 11,509.19 feet, chord bearing and distance North 12° 04' 30" East 1027.48 feet and North 9° 31' East 649.69 feet to the place of beginning, subject to the rights of the public and of any governmental unit in any part thereof taken, used or needed for street, road or highway purposes.

## DAR Chapter Organized Thursday in Tawas City

The River Aux Sables Chapter, Daughters of the American Revolution, was organized Thursday on the 84th anniversary of the national society's founding.

Organization ceremonies followed a luncheon for members, prospective members and visiting state DAR officers hosted by Mrs. Steven Ezo, Tawas City.

The name, River Aux Sables, was chosen for its historic significance in the area and fulfills the society's requirement of documentation prior to 1825, according to Mrs. James V. Zeder, organizing chapter regent and honorary state regent of the DAR.

Records show that, in 1823, a claim to land situated on the "River Aux Sables or Sandy River" was entered by Louis Chevalier, who trapped and traded furs for Joseph Campau. At that time, the

American Fur Company maintained a post near the mouth of the river.

Ceremonies included confirmation of the new chapter by telephone from national DAR headquarters at Washington, D. C., and an address by Miss Olive L. Matthews, Owosso, state librarian, who brought official greetings from the Michigan Society DAR.

Mrs. Stuart D. Holland, Birmingham, state historian, installed the following officers:

Mrs. Zeder, Point Lookout, regent; Miss Roxanne Kenyon, Sage Lake, vice regent; Mrs. Dale Brummond, Wurtsmith Air Force Base, chaplain; Mrs. Ralph Haley, Long Lake, recording secretary; Mrs. Robert E. Murphy, Greenbush, treasurer; Mrs. Ezo, registrar.

Other organizing members are

Mrs. Wyman Adams, Atlanta; Mrs. Eugene Brunk and Mrs. Robert Cashman, Rose City; Miss Harriet Coe, West Branch; Mrs. Albert Olson, Sage Lake; Mrs. W. Neil Thornton and Miss Laura Elizabeth Ezo, Tawas City.

Also present were Mrs. Worthy T. Boyd, Long Lake, a member of John Alden Chapter, Midland; Mrs. Howard K. Beck, AuGres; Mrs. N. Dow Mason, Rose City; Mrs. Louis Bush, Hale.

One of the new chapter's first actions was to extend its charter period to one year so that anyone joining during that time can do so as a charter member, Mrs. Zeder said.

Membership is open to any woman over 18 who is descended from a patriot who aided the cause of independence in the American Revolution.

BLOCKED FROM THE BASKET by two Ogemaw Heights defenders at left is Lisa Morrill, shown with the ball in center. Trying to give her a hand at right are Jacquie Johnson and Liz Ballor of the Tawas Bravettes.

## SCS Maintains Field Office at East Tawas

Soil Conservation Service (SCS), an agency of the United States Department of Agriculture, provides technical assistance to landowners throughout the 85 existing Soil Conservation Districts in Michigan.

The agency maintains a yearly budget in Michigan in excess of \$1/2-million dollars, all of which benefits Michigan citizens.

Over half the annual budget ensures conservation assistance to Michigan's Soil Conservation Districts by operating field offices. The remainder of the budget supports other programs which are part of the soil and water conservation program in Michigan.

Such programs as on-going soil surveys, river basins, watershed planning and operations, resource conservation and development and water bank account for the bulk of the remaining SCS dollars in the state.

In addition to its primary field offices, the agency maintains six area or regional offices, four soil survey offices, two field construction units and a state office located in East Lansing. Being a technical agency, personnel have varied backgrounds in forestry agronomy, engineering, fish and wildlife and a host of other environmental sciences.

In Isosco County, the SCS maintains a field office in East Tawas. Franklin Kulhanek, soil conservationist, is there to assist landowners in planning and applying conservation measures to their land.

From humble beginnings, the agency now employs nearly 250 full time and 35 part time staff members throughout the state. The agency depends on its technical support staff in 73 field offices in Michigan. No area is devoid of the technical services provided.

The agency, whose roots began in the "Dust Bowl" era of the early 1930s, became an active voice in soil and water conservation in Michigan in 1935.

For information and assistance, contact a representative of the local Soil Conservation District or the SCS office, Federal Building, East Tawas.

## Wage Reports-SS Payments Due Oct. 31

Quarterly wage reports and social security contributions for household workers are due by October 31, according to John Carr, social security district manager in Bay City.

"If you pay a household worker \$50 or more in cash wages in any three-month calendar quarter for work around your house, you must send a report of the wages and the social security contribution to the Internal Revenue Service within one month after the end of the quarter," Carr said.

Quarters are January-February-March, April-May-June, July-August-September and October-November-December. Wage reports and social security contributions for the third quarter of 1974 are due by October 31. The reports may be filed on the form, Employer's Quarterly Tax Return for Household Employees (for Social Security, available at any Internal Revenue Service office.

Under the current social security contribution rate, the employer and the employee each pay 5.85 percent of covered wages. "Or the employer can pay the full 11.7 percent contribution," Carr said.

Social security contributions help build retirement, disability, survivors and medicare protection for 1 1/2-million household workers, including maids, cooks, cleaning women, gardeners, handymen and babysitters. People who employ household workers can get a free copy of the leaflet, "Social Security and Your Household Employee," at any social security office. The Bay City social security office is at 1009 North Madison. The phone number is 892-3554.

ORGANIZING MEMBERS of the new chapter of the Daughters of the American Revolution are shown here with state DAR officials attending Thursday's luncheon. ## Northern B Debaters Held First Tourney

Northern B Conference Debate League held its first tournament of the 1974 season Tuesday, October 8, at Central Michigan University, Mt. Pleasant. Schools participating in the league are Standish-Sterling Central, Gladwin, Oscoda, Carrollton, Pinconning, Tawas Area, Ogemaw Heights and Essexville Garber. Three more tournaments are scheduled in the league with the next one Tuesday, October 22, 3:00 p. m., at CMU.

Standings at the end of two rounds are as follows: Garber, 4-0; Pinconning, 3-1; Standish-Sterling, 3-1; Oscoda, 2-2; Tawas Area, 1-3; Carrollton, 1-3; Gladwin, 0-4.

Top scorers for each team were Thomas Johnson, Essexville Garber; Carrie Hager, Standish-Sterling; Amy Savage, Tawas Area; Mary Boldt, Carrollton; Peter Shannon, Pinconning; Calvin Olson, Oscoda, and Kathleen Sullivan, Gladwin. Coach of the Tawas Area team is Robert Erickson.

Ogemaw Heights observed the first two rounds and will begin varsity level competition in round three.

This year's debate resolution is "Resolved: That the United States should significantly change the method of selecting the president and vice president."

TAWAS AREA SCHOOL CHEERLEADERS are now wearing new uniforms, thanks to area businessmen, the boosters club, the board of education and individuals. Varsity cheerleaders have new skirts and sweaters. Shown here are Keri McDonald (front), Linda Graic (left), Karen McMurray (right), Cindy McKinney (center), Sue Goodman (middle) and Loa Russell (top).—Tawas Herald Photo.
