

Was Bear for Real?

A black bear sighted early Friday morning in Tawas City by two different motorists, discounted at first following an investigation by Iosco Sheriff's Department, apparently was a fact. Evidence that a bear had been in a garden at the residence of Mrs. Floyd Ketcherside was discovered Sunday.

law of Mrs. Ketcherside, said Monday that the Michigan Department of Natural Resources had been requested to make an investigation.

Following the sightings Friday near The Dutch Kitchen Restaurant and Borosch Real Estate, the sheriff's department theorized that the two motorists had sighted a large black dog.

Council Accepts Low Sewer Bid Subject to Bond Approval by Municipal Finance

On recommendation of its engineering consultant, Tawas City Council Monday night accepted the low bid of T. A. Forsberg of Okemos for construction of 10,400 feet of sanitary sewer in three special assessment districts.

Forsberg's bid of \$264,090 was lowest among six different contractors at the bid opening two weeks ago.

The bid was over estimated construction cost by approximately \$12,800, but the engineer's estimate had included a contingency item of approximately \$21,800 and it should be possible to complete the project within the proposed bond issue with a contingency fund of approximately \$8,400.

Total project cost of the construction would be \$305,000, which include's the above contractor's cost, engineering and inspection of \$30,000, legal and administration of \$2,510 and contingencies of \$8,400.

The contractor's bid is effective for 60 days from the date of acceptance and was awarded contingent upon approval of special assessment and general obligation bonds now before the Municipal Finance Commission.

Approval of the bonds has required a longer time than originally anticipated by city officials. It was stated Monday night that the Municipal Finance Commission

has a backlog of bonds awaiting approval, but a state spokesman told the city manager that Tawas City's proposed bond issue was to have been considered Tuesday (yesterday).

A number of property owners in the three special assessment districts attended Monday night's meeting. Among those speaking were Vernon Eckstein, Fred Wright, Andrew Oberla and Richard Powers, all of whom believed it was an inopportune time for sewer construction because of inflation and possible recession.

Eckstein stated the belief that the work could be handled by a local contractor and said he would

be happy to supervise the project.

It was pointed out by the mayor that no local contractors had entered bids on the project and that the city had asked for a performance bond to protect the interest of the city at large.

The mayor said that he felt the engineering firm had done an outstanding job in estimating within one percent of the total cost of the project, despite national inflationary trends. He said that as soon as bonds were sold, the contractor could immediately go to work on the project. Pending approval of the Municipal Finance Commission, the project could be started in 60 days.

Council Denies Move to Send Zoning Change to Planners

A move to send a request for rezoning property along M-55 back to the city planning commission was defeated by a four to three vote Monday night of the Tawas City Council.

At its regular meeting last Thursday night, the planning commission had informed Mrs. Elmer J. Burrell that it had not changed its previous position in regard to rezoning lots along M-55 from residential to commercial.

Mrs. Burrell had appeared before the council two weeks ago with the requested zoning change, stating that the property had been zoned commercial when originally platted and then changed to residential when the city's zoning ordinance was adopted in 1965.

Minutes of the planning commission meeting read at the council

meeting indicated that the planning commission was not in favor of spot zoning, that proposed business frontage in that area of M-55 would not meet requirements for parking, that M-55 served as a natural belt dividing business from residential and that other property owners of the area were not in favor of the change.

A petition had been presented at the planning commission meeting, signed by 42 property owners in that area, opposing the zoning change.

Ald. Robert N. Rollin and William Groff went on record at the council meeting urging that the zoning request be sent back to the

planning commission for further study. Rollin said that he was in favor of zoning M-55 frontage as commercial.

Mayor John Brugger said the planning commission had stated that its reasons for not recommending the zoning change were the same as in September 1970, when it denied a previous request.

The mayor said that objection to the zoning change by other property owners was a major reason for the planning commission's reasoning. In past zoning changes, the owner desiring the change had presented a petition signed by all property owners in the block approving the action.

Area Skill Center to Get 2nd Iosco Vote

Based on recommendation of its "Co-Op 5" citizens advisory committee, Iosco Intermediate School District Board of Education adopted resolutions Friday to resubmit proposals December 19 to voters seeking approval of constructing and operating a vocational skill center.

Members of the advisory committee from Hale, the Tawas, Oscoda and Whittemore attended a special meeting Wednesday night. A review of the last election was made and comments regarding its failure were discussed.

The committee recommended that another election be held to allow all area citizens an opportunity to take advantage of all state and federal financial assistance available to construct an area vocational skill center.

It was decided that more community involvement is necessary to promote an understanding of the vocational skill center concept. The main body of the committee is to be divided into smaller groups in each community to assist in promotion at the local level.

The proposed skill center would serve students and adults in all four school districts of the county. These districts include parts of Alcona, Arenac and Ogemaw Counties, as well as Iosco.

The main concept of a skill center is to train students and adults in specialized areas of interest so as to make them more competitive for higher paying jobs where advanced and specialized training is a necessary requirement.

TWO CARS met headon in the parking lot at the Tawas City Park Friday afternoon after the driver of one car apparently fell asleep at the wheel. The vehicle crossed the northbound lane of US-23,

went over the curb and struck the other car involved, along with the driver, who was standing in front of his vehicle.—Tawas Herald Photo.

Five Persons Hurt When Car-Trailer Jumped Curb, Struck Man and Car

Both legs of a Bay City man were amputated Friday following a headon crash between two cars in front of the Iosco County Building, Tawas City.

Most seriously injured among five persons hurt in the crash was Carl A. Wiskemann, 66. Besides having both of his legs amputated, he sustained internal injuries.

Investigating sheriff's department officers said that a car driven by Joe W. Johns, 52, Pontiac, was headed south on Lake Street (US-23). Johns apparently fell asleep at the wheel and his car crossed the northbound lane and hit a curb in front of a parking lot along the Tawas City Park. The car, towing a boat and trailer, went over the curb and struck the Wiskemann vehicle.

Wiskemann and Howard E. Hatchel, 47, Bay City, had pulled

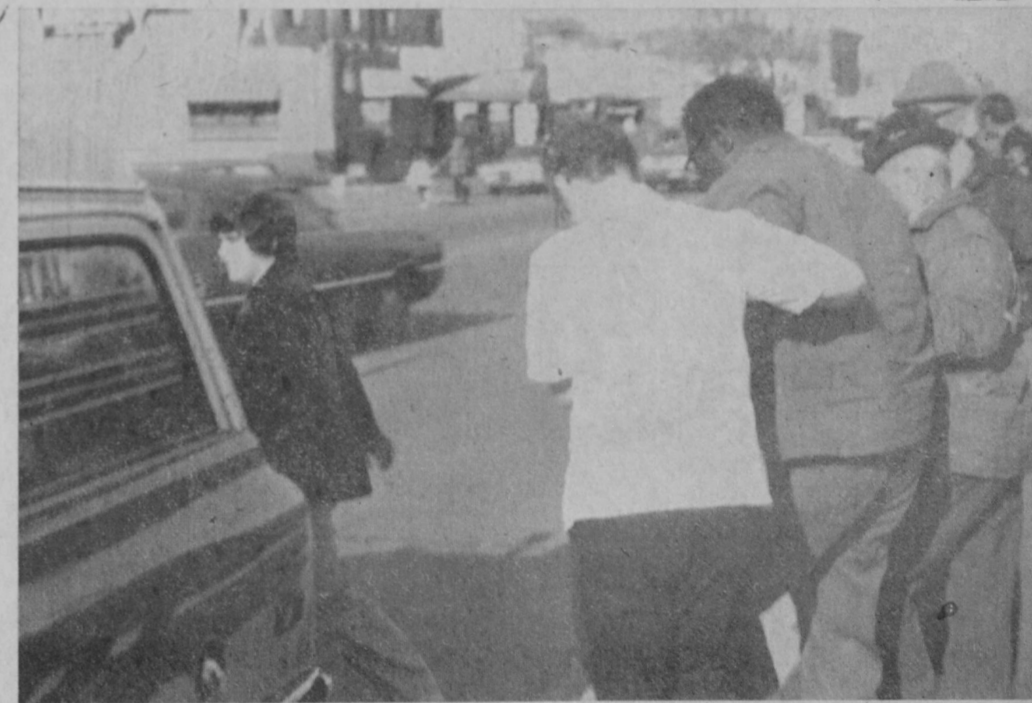

into the parking area headed north and the car was towing a travel trailer. Wiskemann was standing in front of the car at the time of the crash.

A boat being towed by Johns

broke loose from the trailer and crashed on top of the Wiskemann vehicle.

Hatchel, who was in the car, received minor injuries and was treated at the hospital.

Those injured in the Johns vehicle were Johns; Hugh J. Hannah, 54, and Willy I. Floyd, 30, all of Pontiac. Their injuries were not serious.

FIVE PERSONS were injured, one seriously, in a spectacular two-car crash in Tawas City. The top picture shows one of the injured victims being helped into a waiting ambulance.—Tawas Herald Photo.

Building Permit OK'd by DPW

One building application was approved during the past two weeks by the Tawas City Department of Public Works.

A permit was issued to Huron Building Supplies, 120 Oak Street, to construct a 56 by 76-foot concrete block wood treating plant. Cost of the construction was estimated at \$29,000.

Halloween Parties Set for Tawas Kids

Tawas Kiwanis Club is again coordinating Halloween costume parties to be held at various locations in Tawas City and East Tawas the night of Thursday, October 31.

These parties are a joint effort of area service clubs and other interested organizations. Purpose of the parties is to provide an evening's fun for youngsters and parents of the area, while keeping children off the streets after dark.

Any individual or organization wishing to donate money, candy or prizes may drop them off at Peoples State Bank, East Tawas, or at the Tawas City office.

Tawas Kiwanis Club will sponsor a party for pre-school to third grade children at the Tawas City Elementary Unit; East Tawas Lions Club is to sponsor a party for pre-school to third grade children at the East Tawas Community Building; St. Joseph Christian Mothers Altar Society will sponsor a party for children in grades four through six at the St. Joseph Social Center; the Knights of Columbus will hold a party for seventh and eighth grade youngsters at the Knights of Columbus Hall.

Parties are to start at 6:30 p. m. and conclude at approximately 8:00 p. m. Games, candy and entertainment are to be provided.

E. Tawas Updates Long Range Plans for Community Center

An update on East Tawas' long range program to provide an educational-recreational community center location was presented to the city council Monday night by Clerk Clyde Soper.

Developed by the park commission a number of years ago, the plan would provide a location for future construction of an elementary school along with a site for a recreational area.

Proposed site for the future community center would be on city property north of Franklin Street and west of Locke Street. The property is located on the east end of acreage purchased by the city for its sewage disposal plant.

As one of the first steps toward implementing the plan, Soper was authorized by the council to obtain preliminary construction costs for development of tennis courts and a softball field.

In other business Monday night, it was reported to the council that the study of the proposed federal-state harbor of refuge at the Michigan Waterways Commission Dock was proceeding on schedule. It was stated that the health department had expressed concern over the possible effect of the proposed dock extension on water quality at the intake to the city's water filtration plant, but the council is to adopt a resolution as-

suming responsibility for resolving the matter.

The council adopted a resolution to enforce the BOCA building code in East Tawas, rather than to have the county enforce the state code. Action was required by the council prior to November 6. The council designated the city's building inspector as the person to enforce the new ordinance controlling construction, as prepared by the Building Officials Conference of America.

A resolution was adopted authorizing Spicer Engineering Company to prepare a proposal for a federal grant to aid in expansion of sewage treatment facilities.

It was reported that a recent training course completed by members of the city's volunteer fire department would enable insurance policy holders to apply for lower fire insurance rates in the city and in Baldwin Township. A new fire protection agreement with Baldwin Township was signed by the council.

Representatives of the Veterans of Foreign Wars Auxiliary No. 5678 presented a check for \$10 to the Tom Dillon Memorial Park fund and \$5 to Shiloh Youth Center.

Permission was granted to Iosco-Wurtsmith Chorus to solicit patron membership within the city.

Set Discussion Thursday On Hale Center

A meeting is to be held Thursday, October 24, 2:00 p. m., at the Hale Senior Citizen Center concerning continued operation of the facility. The center is presently located in a portable classroom provided by Hale Area School.

Under terms of a new program between Iosco, Ogemaw and Roscommon Counties, it was reported that the number of senior citizen centers in Iosco County is to be reduced from four to three.

Clyde Soper, who is Iosco's representative in the three-county program, said it has been proposed to move the trained person at one of Iosco's centers to a new location in Eastern Ogemaw County.

He said the move from Hale was necessary to receive federal funding for the entire program, which would include additional transportation funds.

Soper said the Hale center could be operated on a voluntary basis and that consultants in crafts were available for the Hale center.

PROPOSED CONSTITUTIONAL AMENDMENT

(AMENDMENT TO ARTICLE 9, SECTION 9 OF THE STATE CONSTITUTION PROPOSED BY LEGISLATURE TO PROHIBIT USE OF MOTOR FUEL TAX FUNDS FOR HIGHWAY PATROL PURPOSES AND LIMIT THE USE OF MOTOR FUEL TAX FUNDS FOR PUBLIC TRANSPORTATION TO 1/18th OF THE AMOUNT RECEIVED

Article 9, Section 9 will read as follows, if the proposed amendment is adopted:

Sec. 9. All specific taxes, except general sales and use taxes and regulatory fees, imposed directly or indirectly on fuels sold or used to propel motor vehicles upon highways and on registered motor vehicles shall, after the payment of necessary collection expenses, be used exclusively for highway purposes as defined by law. None of the revenues from such specific taxes shall be used for any highway patrol purposes by law enforcement agencies. Not more than one eighteenth of the tax on motor fuels may be diverted from highway purposes for public transportation purposes as defined by law.

Article 9, Section 9 now reads as follows:

Sec. 9. All specific taxes, except general sales and use taxes and regulatory fees, imposed directly or indirectly on fuels sold or used to propel motor vehicles upon highways and on registered motor vehicles shall, after the payment of necessary collection expenses, be used exclusively for highway purposes as defined by law.

This proposal will appear on the ballot as follows:

PROPOSAL C

PROPOSED CONSTITUTIONAL AMENDMENT

(AMENDMENT TO ARTICLE 9, SECTION 8 OF THE STATE CONSTITUTION PROPOSED BY INITIATIVE PETITION TO REPEAL THE SALES TAX ON FOOD AND PRESCRIPTION DRUGS AND TO COMPENSATE LOCAL GOVERNMENTAL UNITS FOR THE RESULTING LOSS OF REVENUE)

Article 9, Section 8 will read as follows, if the proposed amendment is adopted:

Sec. 8. The Legislature shall not impose a sales tax on retailers at a rate of more than 4% of their gross tangible personal property.

No sales tax or use tax shall be charged or collected from and after January 1, 1975 on the sale or use of prescription drugs for human use, or on the sale or use of food for human consumption except in the case of prepared food intended for immediate consumption as defined by law.

This provision shall not apply to alcoholic beverages.

To compensate units of government other than the state for loss of revenue resulting from repeal of the sales tax on food and prescription drugs, each present allocation of sales tax revenue to such units shall be increased by 1/5.

Article 9, Section 8 now reads as follows:

Sec. 8. The legislature shall not impose a sales tax on retailers at a rate of more than 4% of their gross taxable sales of tangible personal property.

Article 9, Section 10 and Article 9, Section 11 would be altered by this amendment if adopted:

Article 9, Section 10 now reads as follows:

Sec. 10. One-eighth of all taxes imposed on retailers on taxable sales at retail of tangible personal property shall be used exclusively for assistance to townships, cities and villages, on a population basis as provided by law. In determining the population the legislature may exclude any portion of the total number of persons who are wards, patients or convicts in any tax supported institution.

Article 9, Section 11 now reads as follows:

Sec. 11. There shall be established a state school aid fund which shall be used exclusively for aid to school districts, higher education and school employees' retirement systems, as provided by law. One-half of all taxes imposed on retailers on taxable sales at retail of tangible personal property, and other tax revenues provided by law, shall be dedicated to this fund. Payments from this fund shall be made in full on a schedule basis, as provided by law.

This proposal will appear on the ballot as follows:

PROPOSAL C

REMOVAL OF SALES TAX ON FOOD AND PRESCRIPTION DRUGS

The proposed constitutional amendment would:

- (1) Remove the sales tax on food and prescription drugs used for human consumption except food prepared for immediate consumption and alcoholic beverages; and
- (2) Compensate units of government, other than the state, for the resulting loss of revenue by increasing each present allocation of sales tax revenue to such units by 1/5th.

PROPOSAL B

REFERENDUM ON LEGISLATION

REFERENDUM ON ACT 106, PUBLIC ACTS OF 1974

(PROPOSAL RELATING TO BONUSES FOR VIETNAM AND OTHER VETERANS AND TO PROVIDE BONDING FOR FINANCING THEREOF)

This referendum required by provisions of Act 106 of the Public Acts of 1974 which reads as follows:

AN ACT to authorize the issuance of general obligation bonds of the state and to pledge the full faith and credit of the state for the payment of principal and interest thereon for a service bonus for certain veterans;

The People of the State of Michigan enact:

Sec. 1. When used in this act:

(a) "Period of service" means that period of time between 12:01 a.m. January 1, 1961 and 12:01 a.m. September 1, 1973.

(b) "Veteran" means a person who completed at least 180 days of honorable service or did during the period of service from service-connected causes in the military, naval, marine, or coast guard forces of the United States including the auxiliary branches thereof, was a resident of the state for at least 6 months before entering therein, and has not applied for and received similar benefits from another state. The 180 days required active duty does not include a period when assigned full-time by the armed forces to a civilian institution for a course substantially the same as a course offered to civilians; served as a cadet or midshipman of a service academy; or active duty for training in an enlistment in the army or air national guard or as a reserve for service in the army, navy, air force, marine corps, or coast guard reserve.

(c) "Beneficiary" means in relation to a deceased veteran the surviving husband or wife, child or children, or the dependent surviving mother or father, in the order named which determination may be made by the probate court of the county of residence of the veteran at the time of death.

(d) "Honorable service" means that service as evidenced by:

(1) Honorable or general discharge, or separation under honorable conditions.

(2) In the case of a serviceman who has not been discharged a certificate from the appropriate service authority that a serviceman did qualify under subparagraph (1) as if the veteran was being discharged or separated.

(3) "Combat veteran" means a veteran eligible to wear the Vietnam service medal or armed forces expeditionary medal.

Sec. 2. The state shall borrow not more than \$25,000,000.00, pledge its faith and credit, and issue its serial notes or serial bonds therefor, with maturities as fixed by law for the purpose of paying to or for the benefit of veterans and their beneficiaries as provided in section 3.

Sec. 3. (1) A combat veteran shall be paid a service bonus in the amount of \$600.00.

(2) A veteran shall be paid a service bonus of \$15.00 per month for each month or major portion thereof served as a veteran but not to exceed a maximum of \$450.00.

(3) A person shall not be entitled to a bonus as both a veteran and a combat veteran.

(4) If the veteran or combat veteran be deceased, payment shall be made to his beneficiary.

to provide for other matters relating to the bonds and the use of the proceeds of sale of the bonds; and to provide for the submission of the question of the issuance of the bonds to the electors of the state.

(5) If a veteran dies or is deceased from service-connected causes his beneficiary shall be entitled to receive the difference between the amount which the veteran received under subsection (2) and the sum of \$450.00.

Sec. 4. The state administrative board shall provide by resolution, from time to time, for the issuance and sale of serial notes or serial bonds of the lowest possible cost and the legislature is authorized to provide for the amount of the bonds and the method of eligibility for payment of the same herein directed.

Sec. 5. The question of borrowing the sum of \$25,000,000.00 and issuing bonds of the state for the purposes set forth in this act shall be submitted to vote of the electors of the state qualified to vote thereon in accordance with the provisions of article 9, section 15 of the state constitution, at the next general November election. The question submitted to the electors shall be substantially as follows:

"Shall the state of Michigan provide veterans of the Vietnam and other conflicts a service bonus, borrow the sum of \$25,000,000.00 and issue general obligation bonds of the state therefor, pledging the full faith and credit of the state for the payment of principal and interest thereon, the method of repayment of the bonds to be from the general fund of the state?"

Yes No

Sec. 6. The benefits provided in this act are not pay for services rendered or subject to state or city income tax.

Sec. 7. The benefits provided herein expire June 30, 1992.

Sec. 8. The secretary of state shall take such steps and perform all acts as are necessary to properly submit the question to the electors of the state qualified to vote thereon at the next general November election.

Sec. 9. After the issuance of the bonds authorized by this act or a series thereof it shall be the duty of the legislature and the legislature convenes that it will each year make appropriations fully sufficient to pay promptly when due the principal of and interest on all outstanding bonds authorized by this act and all costs incidental to the payment thereof.

Sec. 10. Bonds shall not be issued under this act unless the question set forth in section 5 is approved by a majority vote of the qualified electors of the state at the next general November election.

Sec. 11. This act shall be finally effective at such time as the question set forth in section 5 is approved by a majority vote of the qualified electors of the state as required by article 9, section 15 of the state constitution.

This act is ordered to take immediate effect.

This proposal will appear on the ballot as follows:

PROPOSAL B

VIETNAM AND OTHER VETERANS BONUS BONDS

The proposal would:

- (1) Authorize the state to provide veterans of the Vietnam and other conflicts who served between January 1, 1961 through September 1, 1973 with a service bonus; and
- (2) Authorize the state to borrow the sum of 25 million dollars for this purpose; and
- (3) Authorize the state to issue general obligation bonds therefor; and
- (4) Provide for repayment from the general fund.

Should this proposal be approved?

PROPOSAL D

REFERENDUM ON LEGISLATION

REFERENDUM ON ACT 245, PUBLIC ACTS OF 1974

(PROPOSAL RELATING TO PLANNING, ACQUIRING, CONSTRUCTING AND EQUIPPING OF TRANSPORTATION SYSTEMS, OTHER THAN OPERATING AND MAINTENANCE EXPENDITURES AND TO PROVIDE BONDING FOR FINANCING THEREOF)

This referendum required by provisions of Act 245 of the Public Acts of 1974 which reads as follows:

AN ACT to authorize the issuance of general obligation bonds of the state pledging the full faith and credit of the state for the payment of principal and interest thereon for the planning, acquiring, constructing, and equipping of transportation systems and other than operating and maintenance expenditures;

The People of the State of Michigan enact:

Sec. 1. As used in this act, "transportation systems" means facilities, services, and programs for public transportation of goods and people by land, air, and water as provided by law.

Sec. 2. The state shall borrow the sum of \$1,100,000,000.00 and issue the general obligation bonds of the state therefor pledging the full faith and credit of the state for the payment of the principal and interest thereon for the purpose of financing the planning, acquiring, constructing, and equipping of transportation systems, other than operating and maintenance expenditures, and the making of grants, loans, and advances for such purposes as provided by law.

Sec. 3. (1) The bonds shall be issued in 1 or more series, each series to be in a principal amount to be determined, to have a maturity date which may be either serial, term, or term and serial, to bear interest at such rate or rates, to be subject or not subject to prior redemption, and if subject to prior redemption with such call premiums, to be payable at such place or places, to have or have not such provisions for registration as to principal only or as to both principal and interest, to be in a form and executed in a manner as shall be determined by resolution adopted by the state administrative board.

(2) The state administrative board may in the resolution provide for the investment and reinvestment of bond sales proceeds, and such other details for the bonds and the security thereon as may be deemed to be necessary and advisable.

(3) The bonds or any series thereof shall be sold for not less than par value and shall be sold at public sale after publication of a notice of sale therefor in a newspaper circulating in the state, which carries as part of its regular service notices of sale of municipal bonds, not less than 7 days before the date fixed for the sale of the bonds or a series thereof.

(4) The bonds before their issuance shall be approved by the municipal finance commission, but shall not otherwise be subject to Act No. 202 of the Public Acts of 1943, as amended, being sections 131.1 to 138.2 of the Michigan Compiled Laws.

Sec. 4. The proceeds of sale of the bonds or a series thereof shall be deposited in the state treasury in a separate account and shall be disbursed from the separate account only for the purposes for which the bonds were authorized including the expense of issuing the bonds. Any premium, accrued interest, and earnings on temporary investment of proceeds shall be deposited in

the making of grants, loans, and advances for those purposes; to provide for other matters relating to the bonds and the use of the proceeds of sale of the bonds; and to provide for the submission of the question of the issuance of the bonds to the electors of the state.

Sec. 5. Bonds issued under this act shall be fully negotiable under Act No. 174 of the Public Acts of 1962, as amended, being sections 440.1101 to 440.9994 of the Michigan Compiled Laws, and the bonds and the interest thereon shall be exempt from taxation by the state or any of its political subdivisions.

Sec. 6. Bonds issued under this act are hereby made securities in which banks, bankers, savings banks, trust companies, savings and loan associations, investment companies, and other entities carrying on a banking business, insurance companies, insurance institutions, and other entities carrying on an insurance business and administrators, executors, guardians, trustees, and other fiduciaries may properly and legally invest funds, including capital, belonging to them or within their control.

Sec. 7. The question of borrowing the sum of \$1,100,000,000.00 and the issuance of the general obligation bonds of the state for the purpose set forth in this act shall be submitted to vote of the electors of the state qualified to vote thereon in accordance with article 9, section 15 of the state constitution of 1963 at the general election to be held on November 5, 1974. The question submitted shall be substantially as follows:

"Shall the State of Michigan borrow the sum of \$1,100,000,000.00 and issue general obligation bonds of the state therefor pledging the full faith and credit of the state for the payment of principal and interest thereon for purposes of financing the planning, acquiring, constructing, and equipping of transportation systems, other than operating and maintenance expenditures, and the making of grants, loans, and advances for such purposes as provided by law, the method of repayment of the bonds to be from the general fund of the state?"

Yes No

Sec. 8. The secretary of state shall perform all acts necessary to properly submit the question to the electors of the state qualified to vote thereon at the general election to be held on November 5, 1974.

Sec. 9. After the issuance of the bonds authorized by this act or a series thereof the legislature shall appropriate each year a sum sufficient to pay promptly when due the principal of and interest on the outstanding bonds authorized by this act and all costs incidental to the payment thereof.

Sec. 10. Bonds shall not be issued under this act unless the question set forth in section 7 is approved by a majority vote of the qualified electors voting thereon.

This act is ordered to take immediate effect.

This proposal will appear on the ballot as follows:

PROPOSAL D

STATE-WIDE TRANSPORTATION SYSTEMS BONDS

The proposal would:

- (1) Authorize the state to borrow the sum of 1.1 billion dollars to finance the planning, acquiring, constructing, and equipping of various land, air, and water transportation systems, other than operating and maintenance expenses; and
- (2) Authorize the state to issue general obligation bonds therefor; and
- (3) Provide for repayment from the general fund.

Building Code in Tawas City to be Enforced by County

Exercising its legal option, Tawas City Council voted unanimously Monday night to have Isoco County enforce terms of the state's new building code for construction, electrical, plumbing and heating work.
 City Mgr. Reginald Bublitz reported that he had attended a session recently with the county board of commissioners concerning local enforcement of the code. Regardless of the city's action, the county is required to establish a department to handle the enforcement and Bublitz was of the opinion that a city department would be a duplication of service.
 Although the city would lose control over actual issuance of the permits, the city manager said that construction would still have to conform with the city's zoning regulations.
 In other business, the city is to notify the Alpena office of the state highway department that pavement in several locations of US-23 has heaved and serious bumps have developed in the highway surface.
 It was reported that the stop and go traffic control light at the M-55—US-23 intersection was operating on caution only because of a defective mechanism. Two weeks ago, a malfunction in the light stopped traffic on US-23 until it was changed manually.
 The council voted to purchase a demonstration tractor, with revolving broom and snowblower, from Gingerich Feed and Implement at a cost of \$2,375.
 The council is to seek advice from the city attorney on adopting an ordinance to establish the minimum amount for advertising for bids on city purchases.

Literary Club Had Program On Antiques

Ladies Literary Club of East Tawas met in the clubrooms Tuesday, October 15. Ways and means committee announced that there will not be a bake sale this year.
 Mrs. Daniel Cater, accompanied by Mrs. Kenneth Wojahn, sang two selections, one from "Snow White" and a humorous number, "Little Old Lady."
 Members brought at least one of their most treasured antiques, which proved to be most interesting as they told the origin and age of the many articles.
 Refreshments were served by Mrs. Gordon Penman, Mrs. Louis Benson, Mrs. Lydia Siedschlag and Mrs. Nathan Sweeten.
 The Rev. Alfred W. Saulsbury will be speaker at the November meeting and members were asked to bring friends.

Post Office Holiday Hours Announced

Holiday schedule will be in effect at the Tawas City post office on Veterans' Day, Monday, October 28. There will be no window service or rural delivery of mail on that date.
 Usual daily collection of mail will be made with all trucks scheduled for regular runs. The lobby will be open from 8:00 to 10:00 a. m. and from 3:00 to 5:00 p. m. Mail posted by 4:45 p. m. on the holiday will be dispatched the same day.

Crash Cushion Developed

A rolling crash cushion eight feet wide and 20 feet long will be showing up on Michigan highways where state crews are painting lane markings, the Department of State Highways and Transportation reports.

Rising Operational Costs Send Iosco Budget Up Another Notch

Increasing cost of operation brought on by the general inflation and increased crime rate is raising havoc with the budget of the Iosco Sheriff's Department, according to Sheriff George Westcott. And a recent Bay County Circuit Court ruling may drive the operational cost even higher.

Appearing Wednesday before the Iosco County Board of Commissioners to explain rising costs of his department, Westcott said that a recent circuit court decision in Bay County had removed restrictions on visiting hours in the Bay County Jail, provided phone calls by prisoners not to be limited and that inmates confined for misdemeanors are not to be intermingled with those convicted of felonies.

Should the Bay County ruling become mandatory for other jails in the state and it is expected that it will become a fact, additional jail personnel would be required in Iosco County. "If we do not get more help, it may mean that we would have to remove all of our interior doors and let people come and go as they please," commented Westcott.

The sheriff said, too, that three jail inmates had attempted suicide while confined here during the past year and, following the latest attempt, the state jail inspector notified Iosco County that it would have to increase its jail security, requiring additional manpower.

Because of limited finances available, Westcott is now in the process of revising departmental work schedules in an effort to beef up manpower at the jail. He said that the daily inmate average had jumped from nine prisoners last year to 13.4 prisoners during 1974. This is reflected in an increase of 2,689 meals served over the previous year.

Cuts in service are in the immediate offering, including elimination of gun safety programs required for young hunters to obtain licenses, elimination of civilian defense activities and dropping instruction for young snowmobile operators. Department personnel are no longer available for such work, although Westcott said that there was a possibility that snowmobile courses could be taught at the jail rather than to have the training officer visit schools.

One additional cut, elimination of a daily road patrol between the hours of 4:00 and 8:00 a. m., is of major concern to Westcott. "I hate to think about taking a car off the road during those critical hours," he said Wednesday. "Because of the increase in burglaries, we actually should have more road patrols."

Added to the sheriff's department personnel problem was the resignation this week of Det. Ronald Larsen, effective November 7. James McBride, a former member of the department, is scheduled to be released from military service in early February and is guaranteed his former job as an ex-serviceman.

Westcott said that McBride would take over the detective vacancy, but the department is in immediate need of a replacement in this slot. The sheriff has requested authorization to hire one additional detective, but approval has not been received from the county commission. The sheriff said that because of the increase in breakings and enterings, along with larcenies, one officer would have to investigate four burglary-larceny complaints a day, seven

days a week and this could not be accomplished by one man.

The sheriff said that he "has been taking a lot of flak" in recent weeks over the rising operational cost of his department, but he pointed out that \$49,000 of the \$63,000 increase over the previous year's budget could be attributed directly to wages and salaries paid to department personnel.

"I had nothing to do with setting salaries as the board of commissioners negotiated directly on a new wage contract after the department's budget for 1974 was established last October," said Westcott. He said that fringe benefits alone in that contract had added greatly to the departmental expense.

Westcott pointed out, too, that food costs for the jail had jumped tremendously during the past year and the cost of gasoline was \$8,220 higher than the previous year.

The sheriff reminded commissioners that the county general fund was being reimbursed directly for some items that are paid from his budget. The department sells gasoline to Tawas Hospital for ambulances and approximately \$6,000 paid by the hospital went to the general fund instead of being shown in the sheriff's budget. Reimbursement from the federal government for police patrol at federal campgrounds and parks is not shown in the sheriff's department budget. Although shown in next year's budget, payment of the City of Tawas City's contract with the county for police protection by two officers was not indicated in the 1974 budget of the sheriff's department. This contract represented \$17,500 this year and will be \$23,000 in 1975.

"The department is actually operating with one less officer than when I took over as sheriff 22 months ago, although we do have two female clerk-deputies and a cook at the jail," said Westcott.

The sheriff told commissioners that the budget for law enforcement in Iosco was not commensurate with other increased activities of the county operation. He cited the fact that a considerable amount of county funds had gone to parks and recreation to increase the tourist and resort business in the area. He said, however, that increased services demanded from his department for policing parks and traffic control for various county events required additional manpower.

As a result of the discussion, the commission authorized supplementing the sheriff's department budget of \$40,000 over the 1975

budget of \$311,388 adopted last week.

Robert Foster, commission chairman, pointed out that financing of county operation is dependent on the annual allocation of local taxes. He said that general

operational expenses of all departments were increasing rapidly, along with the fact that the state legislature has adopted new laws requiring county governments to assume new duties—and at an increased operational cost.

Zoning Board OK's Change for Apartment

At a special meeting Wednesday night, East Tawas Zoning Board of Appeals voted to permit construction of a federally financed high-rise apartment building for the elderly at the intersection of Church and Bay Streets.

Following ground breaking ceremonies three weeks ago for the start of construction, it was pointed out to the city council that zoning for that property had not been changed from one-family to multiple family use.

Four persons registered objections over location of the apartment building, but the zoning board of appeals deemed the construction in the best interest of the city. Members of the board of appeals are Leonard Sarki, John Henry, William Look Jr. and Gerald Klenow.

Settle Contract With Iosco Co. Employees

A new contract with county building employees represented by United Steel Workers was approved Wednesday by the Iosco County Board of Commissioners. Union representation was approved earlier this year by a 15-2 vote of the employees.

Besides establishing wage scales for various jobs, the new contract provides for sick leave, funeral leave, paid holidays and longevity pay.

County building employees are to work 35 hours per week, 9:00 a. m. to 5:00 p. m. daily, and are to be paid at a rate of time and one-half for all hours over eight hours per day and 40 hours in any one week. The contract provides for a 15-minute break period during mornings and afternoons of a working day.

The contract provides for paid Blue Cross and Blue Shield insurance for employees and their families. An employee is to accumulate one day per month, but no more than 12 days per year, as sick leave and total sick leave days are not to exceed 120. Probationary employees may accrue sick leave, but may not use it until completing 90 days of service.

The contract provides for funeral leave of three paid days in the event of a death in the immediate family. Paid holidays include Lincoln and Washington's birthdays, Columbus Day, Veterans Day, Thanksgiving, Memorial Day, Independence Day, Labor Day, one-half day before Christmas Day and Christmas Day, one-half day before New Year's Day and New Year's Day. In the event that a holiday falls on Saturday or Sunday, the following Monday would be a holiday. Employees are to receive one paid personal day per year.

IN THE SERVICE—

Participates In Arizona Exercise

Marine Cpl. Leonard V. Lefel, whose wife, Linda, is the daughter of Mr. and Mrs. Howard Koehn of Whittemore, is participating in two weeks of training exercises at the Marine Corps Air Station, Yuma, Arizona.

He serves with Marine Attack Helicopter Squadron No. 269, which will conduct intensive training in air-to-ground ordnance delivery with the unit's AH-1J "Sea Cobra" helicopters.

Upon completion of the training, Lefel will return with the squadron to the Marine Corps Air Station, New River, Jacksonville, North Carolina.

A former student of Atherton High School, Flint, he joined the marine corps in November 1971.

Herald Classifieds Get People Together—Buying and Selling.

Longevity pay is at the following rates: Five to nine years, two percent; nine to 15 years, four percent; 15 to 20 years, six percent; 20 years to retirement, eight percent.

The following hourly rates effective January 1 were established by the contract: Clerk-typist, county clerk's office, increased from \$2.31 to \$2.59 per hour; clerk-typist, register of deed's office, increased from \$2.42 to \$2.75; clerk-secretary, treasurer's office, \$3.35 to \$3.42; secretary-assistant, friend of the court, from \$3.02 to \$3.42; legal secretary, prosecuting attorney, from \$2.75 to \$3.42; deputy clerk-bookkeeper, county clerk's office, from \$2.58 to \$3.24; deputy register of deeds, from \$3.02 to \$3.42.

Present hourly rates remaining the same are: Clerk-secretary, probate court, \$2.75; description clerk, equalization department, \$3.70; microfilm operator, register of deeds, \$3.70; deputy county clerk and circuit court clerk, county clerk's office, \$3.70; extension deputy agent, \$3.70; deputy county treasurer, \$3.70; part time clerk, \$2.75. An additional \$750 annually is to be paid to the probate court deputy.

Starting pay for new employees is to be 80 percent of the established rate, but not less than \$2 per hour, during a 90-day probationary period.

session to hear oral arguments on the 613 pages of briefs of efforts by property owners and the state to have National Gypsum Company remove its seven-million-dollar dock south of Tawas City.

The Silver Valley Committee reports that it operated in the "black" last season, but was unable to repay any part of a loan held over for past repairs and improvements.

Howard Becker, who has been operator and custodian at Old Orchard Park on a six-month basis, is now a full-time employee of the county at the same position.

State Police Sgt. Frank Roti, commander of the East Tawas post, was one of numerous witnesses who testified last week in the justice court examination of Alvin W. Knight, accused slayer of State Trooper Albert W. Souden.

Tawas City Council is studying adoption of a smoke nuisance ordinance.

25 Years Ago—
October 21, 1949—Iosco Board of Supervisors endorsed efforts of Tawas Hospital Association for its efforts toward securing an accredited hospital for the community.

H. E. Friedman, Tawas City

justice of the peace, reports that a new change in the deer law provides a mandatory jail sentence of not less than five days for illegally killing or illegal possession of deer.

Work of the Iosco County Road Commission during the past construction year has included a new bridge across the South Branch of the AuSable River and the leveling of hills at the Thompson Farm in Plainfield Township.

A Catholic Youth Organization football league has been formed in the Tawas. Teams comprising the six-man touch football league include St. Joseph, Alumni, McGuire's and Reinke's.

The argument is heard in congress that the high farm price support recently adopted, keeping food prices high, might one day cause consumers to rebel and possibly throw out the entire price support program. There was a successful drive to peg support prices on wheat, cotton, rice, corn, tobacco and peanuts at 90 percent of parity.

On any one subject, there is such a divergence of opinion among economists that one wonders whether economics is a science or merely a guessing contest.

The G. K. Warren Auxiliary No. 170, Grand Army of the Republic, was host to the Ninth District convention Wednesday at the East Tawas Community Building.

There were 911 cars parked around the track at Whittemore Sunday to witness the jalopy races.

35 Years Ago—
October 20, 1939—President of the Utility Workers local and six other Consumers Power Company employees were arraigned here in justice court and charged with conspiracy to destroy company property in Iosco County. The alleged conspiracy occurred during the recent power company strike when transmission lines were cut in Oscoda Township in an attempt at sabotage.

Alabaster 4-H Club members completing the calf project were Leo Fry, Thomas Fry, Clarence Oates, Frederick Oates and Leonard Sarki.

The president has declared that a limited emergency exists and recruiting parties from Ft. Wayne, Indiana, and Selfridge Field will visit East Tawas to explain opportunities for enlistment in the regular army.

Dr. O. W. Mitton of East Tawas admonishes parents that there should be no hysteria over the infantile paralysis situation. He said that one mild case had occurred in the county and the patient was isolated until all chance of spread of infection had passed. "As a matter of fact," said the physician, "your child takes more chances crossing the street, where automobiles speed by, than in going to school—even with a dozen cases of infantile paralysis."

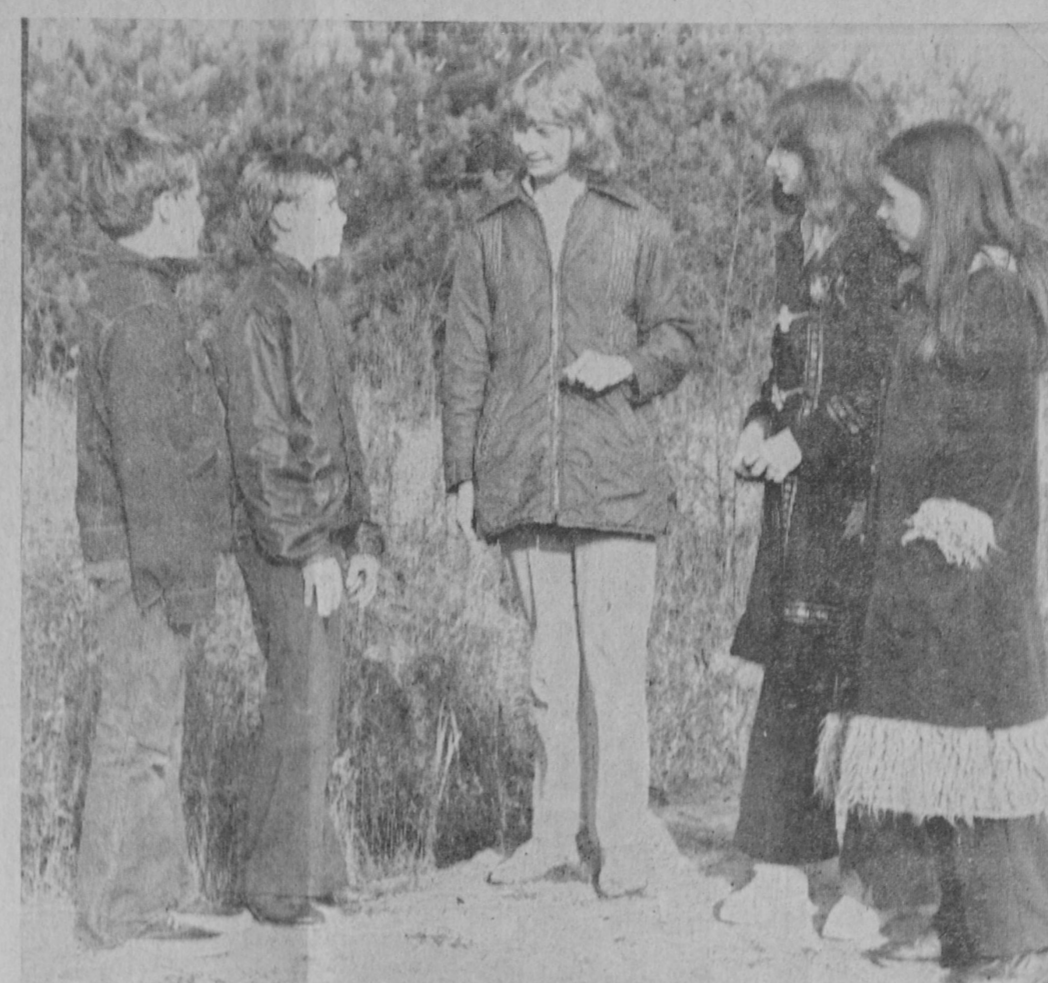

C. V. Markgraf Died October 14

Clifford V. Markgraf of Tawas City, 66, passed away suddenly Monday, October 14, at Tawas Hospital. Funeral services were conducted Friday, October 18, at Abiding Presence Lutheran Church, Rochester, by the Rev. Lloyd D. Buss. Burial followed in White Chapel Memorial Cemetery, Troy. Funeral arrangements were handled by the William R. Potere Funeral Home, Incorporated, Rochester.

Mr. Markgraf was born December 22, 1907, in Sandusky. He moved 29 years ago from Detroit to Rochester, where he was employed as a supervisor at National Twist Drill and Tool. Surviving are his wife, the former Mary Billingsley; one son, Dan Butler of Clarkston; a daughter, Mrs. Gail Vought of Rochester; five grandchildren; one sister, Mrs. David (Minnie) Holk of St. Clair Shores.

NEM Activity Group to Meet

An activity group, sponsored by Northeast Michigan Mental Health Centers, Incorporated, will meet every Monday evening, 7 to 9 o'clock, beginning Monday, October 28, at Tawas United Methodist Church, 401 Newman Street, East Tawas. Featured will be games, crafts and special activities, such as movies and demonstrations. Public is welcome to attend.

Swamp to Serve As 'Classroom'

A swamp located behind Hale Area Elementary School will soon be a busy place.

Linda Grosz, fifth and sixth grade science teacher, along with Susan Kerle, third and fourth grade teacher, are working on a conservation project which will turn the wooded area into an outdoor classroom, complete with nature trails.

The two teachers attended a three-day workshop at Camp Kett on October 11-13 to get ideas on turning their project into a reality.

Glen Dudderar, extension specialist in fisheries and wildlife, Michigan State University, East

Lansing, has agreed to come to Hale about the middle of November to give his expert advice on the undertaking.

"Such interesting things as animal and bird feeding stations, a rock garden, tree planting, water testing, wildlife habitat studies and more will go on in this selected area," said Mrs. Grosz.

Teachers and students, alike, are anxiously awaiting the MSU specialist's advice, so outdoor education and fun can begin.

Anyone interested in such a unique project is welcome to contact Mrs. Grosz and join in the fun.

JIM LANSKY of the Tawas Braves, who booted the winning point in Tawas' overtime victory two weeks ago against Oscoda, was successful on five kicks from placement in Friday night's victory over

Pinconning. Mickey Haglund of the Braves holds the ball in the above picture as Lansky boots it over the heads of the Pinconning Spartans.—Tawas Herald Photo.

Braves Won Over Pinny; NBC Showdown Battle at Essexville

Shivering homecoming fans waited for two quarters Friday night before Tawas Area Braves touched off an offensive fireworks display to rock the Pinconning Spartans, 35-0. It was the seventh straight victory for the Braves in as many games and they now go against the Essexville Garber Dukes this Friday night in a showdown battle for NBC leadership.

While the Braves appeared to be as cold as the below freezing weather in the first half, Tawas missed an aerial touchdown in the first quarter by a matter of inches and scored a touchdown early in the second quarter to take a 7-0 lead into the locker room at half-time.

Tawas' coaching staff must have had some warning words for the Braves during intermission—something like: "Hey, these are the same guys that upset us last year. What are we going to do about it?" What the Braves did was to score four touchdowns in the third quarter to turn a close game into a complete rout.

Tawas' defense, which racked up four straight shutouts at the start of the season, was most impressive during the night. The Braves intercepted six Pinny aerials during the game and, despite a blocked Tawas punt early in the first quarter on the Braves' 13, Pinconning just could not mount any type of an offense.

Shortly before the end of the first quarter, Tawas staged a good drive from the Pinny 40, the point where Randy Scales intercepted the third Spartan pass of the night. Six plays later, Tawas had the ball on the Spartan 19 and Quarterback Mickey Haglund passed to End Mike Mooney for a touchdown. Mooney made a nice over-the-head catch on the throw and scored with ease. Jim Lansky, whose toe has been phenomenal all season, came on to boot Tawas into a 7-0 lead. The scoring play came with eight minutes, 19 seconds remaining in the second quarter and ended the first half offensive threat as Pinconning turned in good defensive work.

Following homecoming ceremonies at halftime, Tawas roared back on the field and, on the first play from scrimmage, Mitch Lenczewski, junior speedster, raced 65 yards to paydirt. Lansky booted the PAT and the Braves had a 14-0 lead. Minutes later, Earl Parsons intercepted a Pinconning aerial and, in three plays, Halfback Mark Elliott scored Tawas' third touchdown. Lansky's toe gave the Braves a 21-0 lead.

Tawas' defense stopped the Spartans in three plays and the Braves took over on their own 44 on a Pinconning punt. Lenczewski moved to the Pinconning 24 on the first play and Scales' excellent block opened the way for Elliott to move to the four. Elliott scored the touchdown with five minutes, 54 seconds remaining in the quarter and Lansky booted Tawas into a 28-0 lead.

The Braves were still red hot as Scales intercepted a pass on the 34. Elliott raced 30 yards to the

four and Lenczewski went the final distance to score the fifth touchdown. Lansky booted the PAT and Tawas had a 35-0 shut-out.

While Tawas' first string offense was cooling off along the sideline, the second string battled the Spartans to a standoff during the entire fourth quarter.

Tawas' defense was led during the night by Bob Stephenson, who had two solo tackles and six assists. Scales had three solos and three assists. Harvey Herriman recovered a Pinny fumble in the fourth quarter.

Playing at Essexville this Friday night, the Braves will be meeting the defending champion of the NBC and a Bay City area school which always fields a strong team. The undefeated Dukes shut out Oscoda, 30-0, Friday night and this week's game should decide the conference title, although each team has one game remaining before the end of the season.

QUEEN MARY JEAN DODWAY is shown at center with members of her court during halftime ceremonies Friday night. At left center is Patty DeWyse and at right center is Carol Hewitt. Other mem-

bers of the queen's court included, from left: Robin Erickson, Tina Cybula and Cindy Scales. At top right are Patty Zeharias, Kim Zollner and Carol Oates.—Tawas Herald Photo.

Launching Ramp Still Under Study

Feasibility of a state boat launching ramp and parking area at the mouth of Tawas River is to

be studied by the Michigan Natural Resources Commission following a discussion Thursday with city officials.

The proposed development program is a modified version of a one-half-million dollar plan submitted two years ago to the state. That plan was rejected by the state as too costly.

The new plan proposed Thursday by Mayor John N. Brugger replaces costly riprap indicated in the original proposal with less expensive wooden groins.

The proposed series of groins in the vicinity of an old pier at the river mouth would be similar to one installed earlier this year at the city park. That groin was installed by the city in a cooperative effort with the Michigan Department of Natural Resources in an experimental beach nourishment program.

The natural resources commis-

sion held its fall meeting at Harrisville and a luncheon was held at the Wabun, Oscoda.

Others appearing before the commission were Robert Foster, chairman of the Iosco County Board of Commissioners, who in-

quired about lowering parking rates for senior citizens at the AuSable River Park. A contingent of East Tawas officials appeared in regard to federal-state development of the Tawas Harbor project at East Tawas.

Frosh Won Second Game Of Season

Tawas Area Freshman Braves inched out their second victory of the season Thursday, October 17, by overcoming Pinconning, 8-6. Tawas' single touchdown was scored in the second quarter when Andy Mayer bulled his way into the endzone from the 10-yard line. Kevin Mielock ran the two-point conversion to give the Braves an 8-0 lead.

The score remained unchanged until the third quarter when Pinconning drove down the field to make the score 8-6. Tawas' defense toughened to stop the Pinconning PAT attempt in what proved to be the game-winning play.

An outstanding running performance was put in by Mielock, who carried the ball 22 times for 125 yards. Three passes from Larry Hughes to Mayer kept the Pinny defense off guard.

Thursday, October 24, the freshman travel to Essexville to play the only undefeated freshman team in the Northern B Conference.

Take Hwy. 23 north to Standish. Turn right at light (Cedar St.) and go 4 miles to State Rd., turn right, go 1 mile to first road and turn right again. Go 1/4 mile to Lentz Rd. Follow the Open House signs.

Come on out — inspect a new MILES HOME under construction. See why more and more do-it-yourselfers are building their home the time-tested MILES WAY.

Learn how MILES puts it all together... plans, precision-cut lumber, step-by-step assembly instructions, beautiful kitchen cabinets, quality heating... and more. Handle a hammer and save the high cost of professional workmen. No previous carpentry experience necessary.

USE MILES MORTGAGE MONEY

MILES has mortgage money and will trust you before you start. Ready cash isn't important. Neither is a paid-for lot. You'll enjoy your home... plus low, rent size payments. Stop paying rent, start toward financial security.

MILES has the selection in homes — ranches, two stories, split levels and foyers in 2 to 4 bedrooms. Or use your own plan.

Bring the whole family, and your plans. A Miles Man will be on hand to answer your questions. It may be the start of a new life.

Sorry I can't attend. Please rush me a catalog of homes.

TODAY'S Meditation
from
The World's Most Widely Used Devotional Guide
The Upper Room

(Read Jeremiah 6:15-19; Matthew 23:29-39)

Stand by the roads, and look, and ask for the ancient paths, where the good way is; and walk in it, and find rest for your souls. (Jeremiah 6:16)

When I prepared for the birth of our first baby a few years ago, I decided to purchase a rustic, Early American cradle and refinish it. However, as I visited country stores in our area, I learned that eighteenth-century cradles are scarce—and expensive.

We often turn to the past to gain perspective, especially in times of national insecurity. This was true in the kingdom of Judah during the seventh century, B. C. At that time, powerful Assyria threatened that nation and pagan beliefs menaced traditional Hebrew religion.

In response to this situation, the prophet Jeremiah urged the Jews to remember their special, historical relationship with God. He warned that unless they repented of their transgressions and obeyed His laws, God, who is sovereign in history, would not deliver them.

By becoming aware of how God has acted through history, we too can learn true obedience.

PRAYER

O Lord, help us to gain perspective from learning about the past and to find faith to do what is good in Thy sight. Amen.

THOUGHT FOR THE DAY

We find peace for the future by knowing God's spirit in the past.—Barbara D. Wild, Cornwells Heights, Pennsylvania.

Free Milk Policy Listed by School

Emanuel Evangelical Lutheran School, Tawas City, has announced its policy for free milk for children unable to pay the full price of milk served under the National School Lunch, School Breakfast, Special Milk Program and United States Department of Agriculture Donated Foods Program.

Local school officials have adopted the following family size and income criteria for determining eligibility: Total family size of one with income of \$2,910; two members, \$3,830; three, \$4,740; four, \$5,640; five, \$6,480; six, \$7,310; seven, \$8,060; eight, \$8,810; nine, \$9,510; 10, \$10,190; 11, \$10,860; 12, \$11,530. (Each additional family member, add \$670 to amount of income.)

Children from families whose income is at or below the levels shown are eligible for free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to mental or physical condition of a child and disaster or casualty losses are urged to apply.

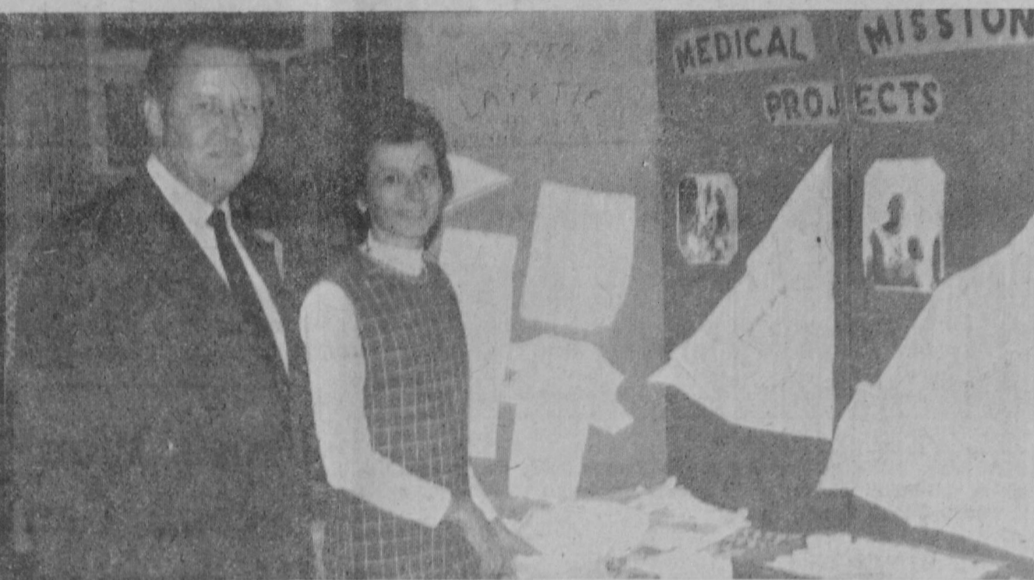

Under the provisions of the policy, the principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the principal, he may make a request either orally or in writing to the Emanuel Evangelical Lutheran Board of Education, 216 West North Street, Tawas City, Michigan 48763, for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

The school and office of the Iosco Intermediate School District have copies of the complete policy which may be reviewed by an interested party.

EMANUEL LUTHERAN CHURCH of Tawas City celebrated its annual Mission Festival with a special service Sunday evening, followed by a mission fair and social hour. The guest preacher for the special service was a son of the congregation, the Rev. Herbert Buch, who is presently pastor of St. John's Lutheran Church of Saginaw. Displayed at the fair were many beautiful articles (top photo) sewn

by the ladies of the congregation and donated to various charitable organizations. Other displays set up in the multipurpose room of the school showed some of the work being done in the home and foreign mission fields of the Wisconsin Evangelical Lutheran Synod. The Rev. James Rockhoff, pastor, is shown at one of the displays with Mrs. Charles Kobs (lower photo).—Tawas Herald Photos.

Guest Speaker at Hale Church

The Rev. H. Lane Loman will be guest minister in a series of special evangelistic services Tuesday, October 29, through Sunday, November 3, 7:30 p. m. nightly, at the Free Methodist Church, M-65, Hale.

Mr. Loman, who resides in Salisbury, North Carolina, is an ordained minister in the Southeastern Evangelistic Church. He entered the full-time evangelistic ministry in October 1971 after seven years of pastoral service.

Mr. Loman ministered in the churches of many denominations, specializing in the field of youth evangelism. His wife, Janet, adds much in conveying the gospel through song.

The Rev. Neil Strickland, pastor of the host church, extends a cordial invitation for the community to share in the local services.

UNICEF Drive In Tawas on October 30

Great hopes from little pumpkins grow. UNICEF pumpkins, that is. The orange and black "Trick or Treat for UNICEF" cartons held out this Halloween will be lit, not by candles, but by the good will of the dimes, nickels and pennies that citizens of the Tawas will drop in. UNICEF will turn these coins into help for millions of needy children in the developing world.

Youngsters in Asia, Africa, Latin America and the Middle East desperately need the programs of improved food production, water supplies, disease control and education that UNICEF helps provide. Dropping 25 cents into a UNICEF "pumpkin" makes possible 200 vitamins for a mother and child. One penny protects a child against tuberculosis. A 50-cent piece becomes seeds for 8,300 tomato plants. And if a dollar goes into the box, 25 more children will have exercise books for school.

"The wonderful thing is that everyone can play a part," states the local committee. "By adding our contributions, large or small, to this year's Halloween collection, we help add health and well-being to the lives of millions of children."

Wednesday, October 30, from 6:30 to 8:00 p. m., is the date and time for this year's drive.

Delahanty Named Engineer-Manager

James L. Delahanty has been appointed to the position of engineer-manager of the Iosco County Road Commission. The commission made the appointment at its

October 15 meeting. In May of this year, Delahanty was promoted to superintendent-manager of the road commission. He was recently notified of his registration as a professional engineer and will now assume responsibility for road commission engineering.

Delahanty joined the road commission as assistant to the engineer-manager. He succeeded Otis Love, who retired in May.

Previously employed by Rieth-Riley Construction Company at Laporte, Indiana, and the American Appraisal Company at Milwaukee, Wisconsin, Delahanty graduated from Michigan Technological University, Houghton, in 1969.

The new engineer-manager and his wife, Sue, reside at East Tawas.

AARP Held Meeting

One hundred three members were present at the Wednesday, October 16, meeting of the Lake Shore Chapter No. 661, American Association of Retired Persons, at the East Tawas Community Building.

Following the pot-luck dinner, a tape-recorded message by Thomas E. Parrott, assistant commissioner of the Social Security Administration, was heard.

Fred Francis, past president, was presented a past president pin by Bud Fisher, president. Mr. Francis was president for 1972 and 1973.

Door prizes were won by Mrs. Anthony Perona and Mrs. Martin Slominski.

Everyone is to bring a sack lunch and table setting to the next meeting Wednesday, November 6, 12 o'clock noon, at the community building. Coffee and tea will be furnished.

SCHOOL FINANCING—
Financing schools by property tax MUST BE CHANGED. Schools should be financed by state money with LOCAL CONTROL REMAINING IN SCHOOL DISTRICT.

FARM PROGRAM—
A program to encourage small farmers to stay in business and old farms to go back into production. A program for small farmers is a MUST because we DO NOT want our FARMING INDUSTRY to be CONTROLLED by LARGE FARMERS like the OIL INDUSTRY.

INDUSTRY—
JOBS HAVE TO BE PROVIDED for all LOCAL RESIDENTS. By encouraging industry it would reduce unemployment and our welfare rolls.

ENDORSED BY—Ogemaw County Sheriff William E. Ehinger
