

Braves Ended Title Hopes of Dukes With 67-65 Upset Win

HIGH SCORER for the Tawas Area Braves in their 67-65 win Friday night over Essexville Garber was Mike Mooney, shown here passing off to a teammate on a fast break.—Tawas Herald Photo.

Tawas Area Braves sent the Essexville Garber Dukes home Friday night a 67-65 loser and handed the NBC championship to Carrollton on a silver platter. The Dukes and the Cavaliers had been tied for first place going into the final game of the season.

It was a sweet bit of revenge for the Braves, who had suffered a humiliating defeat earlier in the season at Essexville and they had to come from behind to turn the trick in this game.

The Braves had five players scoring in double figures to even the score for the 87-56 loss on January 17. Tawas had two big 23-point quarters in the second half to turn the tables on the Dukes.

Both teams were cold to start the first quarter and Tawas held a 2-0 lead until the Dukes finally scored a basket with four minutes remaining in the quarter. Essex-

ville went on to take a 12-8 margin at the end of the first eight minutes of play.

The visitors continued to coast on a slight margin as the Braves were unable to capitalize on some easy shots near the basket. The Dukes went off the floor at intermission with a 29-21 margin.

Two key players on the visiting squad, Matt Sutton and Marc Sutton, ran into foul trouble in the first half and the Braves took advantage of the former's absence by tying the score at 40-40 with one minute, 27 seconds remaining in the third quarter. Two foul shots by Mike Mooney tied the game, while Randy Scales connected on two foul shots to put Tawas in front, 42-40.

Jeff Hemphill found the range from the top of the key and put Tawas in front, 44-42, after Essexville tied the game.

The fourth quarter was all Tawas as Hemphill hit another field goal from the top of the key. Elliott and Mooney followed with two quick baskets and the Braves led, 50-42. Matt Sutton fouled out with six minutes remaining in the quarter, but not before Essexville closed the gap to 50-48. Baskets by Mooney (two), Scales and Hemphill gave Tawas a 58-53 lead and Mooney connected on a pair of field goals to put Tawas in front, 62-55.

A foul shot by Mooney and three successful charity tosses by

Scales put Tawas in front, 66-59, with one minute to go. The visitors battled back to close the gap, but a final free shot by Haglund gave Tawas its 67 points.

Leading the scoring for Tawas, which ended the season in third place, was Mooney with 20 points. Hemphill meshed 14 points, while Haglund, Scales and Elliott each scored 11 points.

The visitors had four players scoring in double figures, topped by Marc Sutton's 16 points.

The Junior Braves rallied in the last three quarters, but fell short of the visiting junior varsity, 58-53. Essexville scored 20 points in the opening quarter and Tawas held a 15-14 edge in the second

quarter, outscored the visitors, 11-8, in the third quarter and each team scored 16 points in the final.

Warner topped the Tawas squad with 11 points, followed by Tousey's 10 points. Powers meshed eight points, Fisher had seven points, Lear contributed six points, Gartland had five points. Halstead and Benson followed with four and two points.

Hale Eagles Beat Cards in Final Game

By DORNACE BELLVILLE

The Whittemore-Prescott Cardinals continued their losing ways February 18 at they hosted neighboring Hale Area and the Eagles took both games. The Cards lost a 58-56 thriller and the Eagle Junior Varsity won, 64-58.

The varsity game was close in the first quarter and the Cards held a 16-15 edge at the end of eight minutes. The Cards outscored the visitors, 20-10, in the second quarter to hold a commanding 36-25 margin at intermission.

Early in the third quarter, the Cards ran their lead to 15 points, 42-27, and it looked as if the Eagles were out of the running as the Cards continued their hot shooting while the Eagles just could not hit the bucket consistently.

As the last quarter started, the Cards went to a 52-39 lead, but Hale suddenly came to life. The Eagles reeled off 14 straight points to take a 53-52 lead.

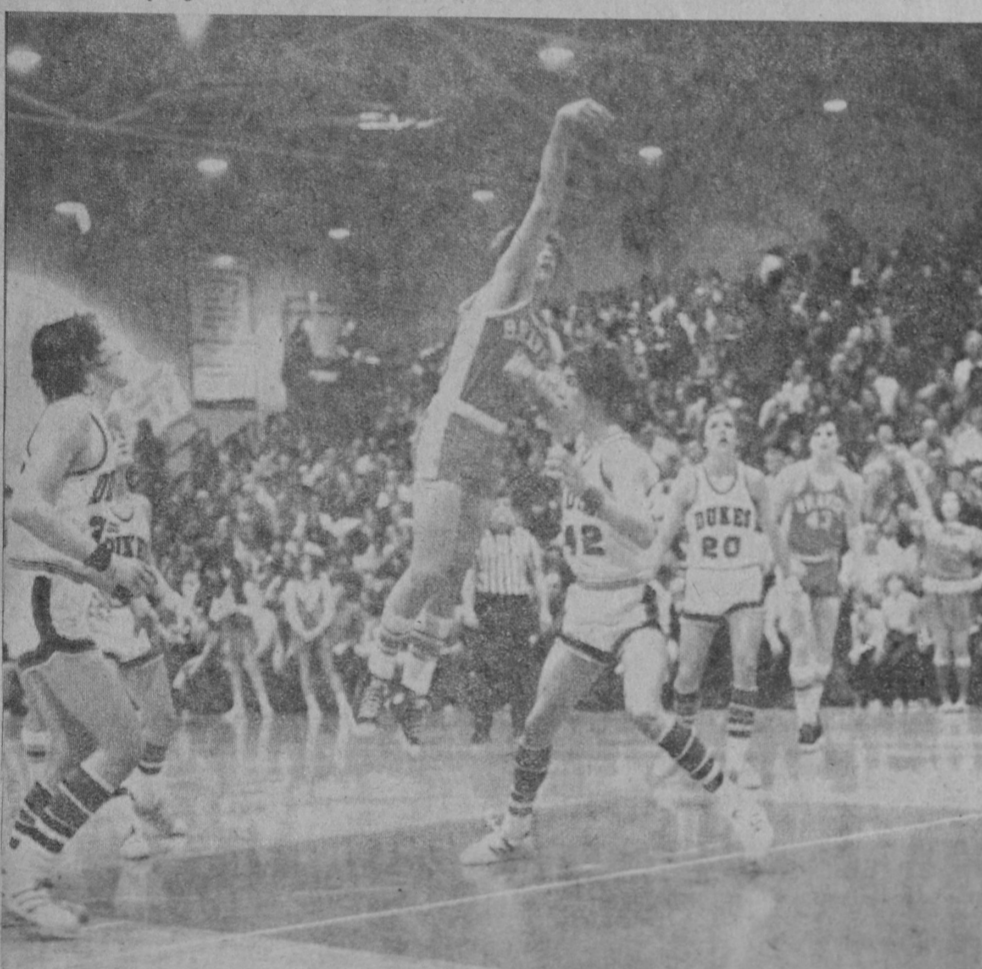

Tyson Shellenbarger started it off with a field goal and Steve Humphrey followed with another two-pointer. Jim Bellville hit a field goal, promptly stole the ball and went in unmolested for another two points. Shellenbarger connected for two more points, Bellville hit another and the Eagles were only two points behind.

With the Cards trying control ball strategy that backfired, they lost the ball and Humphrey's field goal put the Eagles ahead, 53-52, with about a minute to go.

Troy Farro collected two charity tosses to put the Cards ahead again with 49 seconds left, but Bellville hit another layup and the Eagles were on top by one point. The Cards lost the ball when a player stepped out-of-bounds with 19 seconds to go and Humphrey hit three charity tosses to give Hale a 58-54 lead with only two seconds remaining. Farro collected the last basket for the Cards as time ran out and the Eagles had an unbelievable come-from-behind victory.

Shellenbarger led the winners with 17 points. Humphrey had 14 and Bellville added 10, eight of those coming in the last minute. Joe Smith was top scorer with 20 points for the losers. Farro hit 19 points while Richard Durfee added 13.

In the Junior varsity contest, the Cards almost ran the Little Eagles off the floor in the first quarter, scoring 12 points while holding the Hale squad scoreless. The visitors recovered in the second quarter to come up to 27-24 at intermission, then took over the game in the last quarter to win, 64-58.

FOLLOWING THROUGH on his jump shot from the top of the key is Jeff Hemphill of the Tawas Area Braves. Hemphill hit two jumpers at the end of the third quarter and opening of the fourth quarter to help the Tawas Braves turn back the Essexville Garber Dukes.—Tawas Herald Photo.

Dukes Top All-Conference Selections

Essexville Garber, with two first team selections and two players named to the second string, dominated all-conference selections by NBC coaches at a meeting held Saturday night.

Tawas Area Braves did not place a player on the first team, but had three on the second team. They were Randy Scales, Jeff Hemphill and Mickey Haglund.

Receiving honorable mention in the balloting from Tawas Area were Mike Mooney and Mark Elliott.

First team all-conference players include Rick Kutchuk, Standish-Sterling; Mark Jaremba, Carrollton; Larry Sweeney, Oscoda; Matt Sutton and Paul Wood, Essexville.

Joining the three players from Tawas Area on the second squad were Marc Sutton and VanSumeren of Essexville; Duane Riopelle, Standish-Sterling; Lewis and Pickleman of Carrollton.

RANDY SCALES made good on this driving shot against Marc Sutton, right, who was guarding for the Essexville Garber Dukes.—Tawas Herald Photo.

HA Eagles Eliminated in First Round

The host Hale Area Eagles were eliminated in the first round of the class D district basketball tournament held Monday night at Hale Area High School. The Eagles lost to Fairview, 70-48.

The Eagles experienced the same trouble Monday night which had plagued the squad all season. They had plenty of chances to shoot, but just could not put the ball in the basket.

Fairview sneaked to a 10-8 lead in the first quarter when the Eagles could only complete four of 17 shots from the floor. The winners went up another 18 points in the second quarter and held a 28-18 margin at intermission.

The Eagles played well in the third quarter, but still could not find the range and Fairview took a commanding lead with a 24-8 margin. The final quarter saw the

Eagles outscoring the visitors, 22-18.

Top scorer of the night was Charles Wideman of Fairview with 22 points. Steve Albrecht and George Handrich each had 14 points for the winners.

Tyson Shellenbarger topped Hale scorers with 20 points, followed by 10 points for Jim Bellville.

The second round of play was to have been held last night (Tuesday) with Mio meeting Arenac Eastern. On Wednesday night (tonight), AuGres is to meet Fairview. The winners of those two games meet Friday night for the championship.

Advance sale on 250 tickets is to be held Wednesday and Friday at the school. Hale Area's gymnasium seats 1,250 spectators.

March of Dimes

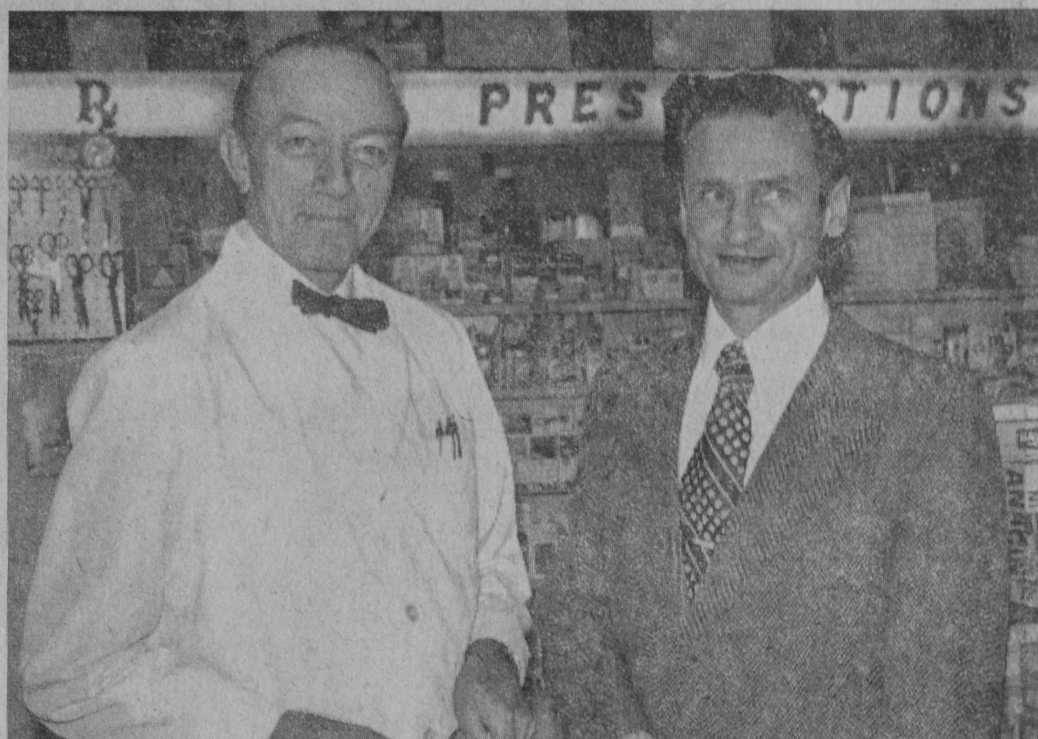

Collections Down From Last Year

The National Foundation-March of Dimes wound up its 1975 Mothers March in Iosco County. A total of \$1,625 has been collected from door-to-door solicitation, mail contributions and canisters. This compares with \$3,041.21 collected in 1974, although a contribution has not yet been received from Wurtsmith Air Force Base.

"Although the amount of money collected was down from last year, as was expected, the number of contributors was up, which is heartwarming," reports Mrs. Freda Coughlin, Iosco County chairman of the National Foundation-March of Dimes.

Mrs. Coughlin said that contributions have enabled the March of Dimes to continue its battle against birth defects, both by research into causes and prevention through financial assistance to those families who have or will be afflicted by birth defects.

This also assures continuance of such projects as polio vaccine, the hearing clinic at Tawas Hospital, genetic counseling, rubella immunization and a vaccine to prevent blood incompatibility disease in unborn infants.

NEW OWNER of Keiser's Drug Store and Keiser's Variety Store in Tawas City, Eugene M. (Mike) Farner, right, is shown here with Hugo J. Keiser, who retires from the business effective March 1. —Tawas Herald Photo.

Drug Store - Variety Store Purchased by Linden Man

Sale of Keiser's Drug Store and Keiser's Variety Store in Tawas City to Eugene M. (Mike) Farner, 42, of Linden, was announced this week by Hugo J. Keiser. The sale is to become effective March 1.

The new owner has been working in the pharmacy department of the drug store since last week, commuting each day between Tawas City and Linden, located south of Flint. He and his wife, Patricia, plan to move here shortly.

Farner, who has wide experience in the pharmacy business, started as a clerk in a drug store at Linden owned by his father. After completing high school there he attended the University of Michigan and received a bachelor of science degree in pharmacy.

Farner entered into partnership with his father in the Linden store in 1956 and operated the business until 1966. Since then he has served as a relief pharmacist in a number of drug stores in that area.

Farner had been a member of the Linden Kiwanis Club and took an active part in athletic and band booster groups at Linden. He enjoys golfing and tennis and hopes to again find time to participate in his favorite sport, distance running.

His wife presently serves as assistant to the manager of the Linden branch of the State Savings Bank of Fenelon.

The Keiser family is one of the oldest names associated with business in the Tawas area and observed its 50th anniversary of service to the community in December. In 1924, Hugo J. Keiser Sr. purchased the Red Cross Pharmacy, a business which was a continuation of a firm established around the turn of the century.

The present owner joined his father as a partner in the business following service in the United States Navy during World War II. He clerked in the store as a youth and attended the University of Grand Rapids' School of Pharmacy, graduating in 1941. He received his state pharmacist's license in June 1941.

During his 30 years in business, Keiser has taken an active part in civic and community affairs, having served elected terms on the Tawas City Council and Tawas Area Board of Education. He has served as a member of the board of directors of Tawas Chamber of Commerce, held office in the Tawas City Businessmen's Association, was elected to the Tawas City Charter Commission and has been a long time member of the Tawas City Planning Commission. He is a member of Tawas Kiwanis Club, Tawas Bay Yacht Club and the Jesse C. Hodder American Legion Post. He served as secretary of the Tawas City Centennial Committee in 1954. He presently serves as a member of the board of directors of Peoples State Bank.

An avid hunter and fisherman, Keiser said he had made no plans for the future, but hopes he now may be able to spend a little more time at his hunting camp. "My wife and I will also have time to enjoy our boat this coming summer," he stated.

Social Welfare's Operational Expense Showed Big Increase

The past year saw a large increase in operational expense of the Iosco County Department of Social Services, according to a report submitted last Wednesday to the Iosco County Board of Commissioners by Benson B. (Pete) Beck, department director.

Beck said the increase was partially due to the general economic conditions and partially due to changes in federal programs which put a greater financial burden on the county.

The total cost to Iosco County for 1974 was \$67,294.30, the Medical Care Facility portion being \$44,809.04 and the remaining \$22,484.36 for the department of social services. Of the more than \$44,000 expended at the medical care facility, \$29,000 will be recaptured next fall, due to an error in the state medical assistance audit.

"For the funds expended, many things were gained by the community," said Beck. He cited the availability and operation of a 64-bed medical care facility which provided more than 22,000 days of quality nursing care and therapy. In addition, the facility provided full and part time employment to more than 80 persons with a payroll of \$500,000.

The department of social services delivered financial and allied social services to an average of more than 2,000 persons. The revenue coming into the community through public assistance, aid to dependent children, amounted to more than \$1,000,000. During the year, 167 new families were approved for ADC, but the total caseload was reduced by 10 families. Beck said this indicated that more than one-half of the caseload at the beginning of 1974 was either closed or transferred to another area sometime during the year.

An average of 431 households

participated in the food stamp program, paying \$249,526 and receiving \$493,482 worth of stamps.

"Combining the figures, we find the department was responsible for placing more than two-million-dollars into the economy of Iosco County," said Beck. "This does not include an undeterminable amount which is paid to physicians and other medical providers through the medicare program."

Total receipts of the department, which included \$662,162 at

the medical care facility, amounted to \$824,840. This amount included an allocation of \$50,000 from the county general fund.

Disbursements amounted to \$706,972 at the medical care facility and \$73,124.90 for the department of social services.

Caseloads by programs included an average of 282 under aid to dependent children, 231 for medical assistance, 25 under direct relief, five for protective services, four under aid to dependent children

foster care, eight under Michigan Children's Institute and 18 for delinquency.

Registered requests for public assistance totaled 690 of which 328 were listed under family and 362 under single. There were 167 cases approved for ADC and 36 cases denied. Medical assistance had 217 requests approved and 70 requests were denied. There were 650 requests for food stamps and 615 were approved.

TWO HALE RESIDENTS were injured Thursday afternoon in a crash on M-55 near the Waldo Curry farm west of Tawas City. Treated at Tawas Hospital were William A. Terry, 69, and his wife, Mary. The Terry vehicle was eastbound on M-55 and went off the right shoulder. The car then crossed to the opposite side of the highway and was airborne for 20 feet before coming to rest in a deep ditch, headed west.—Tawas Herald Photo.

"We make good things happen!"

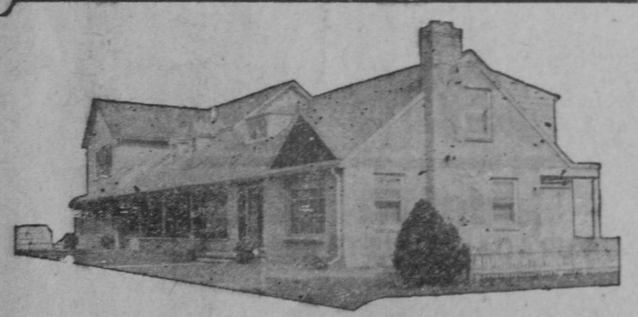

Six good reasons why a Peoples State Bank Checking Account is a good thing for you.

- 1 You can organize your budget better with a Peoples checking account because you have a monthly record of every bill you pay.
- 2 Your cancelled checks are argue proof receipts.
- 3 You never have to worry about losing cash or having it stolen because all your cash is safe and sound at Peoples.
- 4 You save time and gas because you can pay all your bills by mail.
- 5 At tax time you have a record to back up every deduction.
- 6 By keeping a monthly balance of \$250 you can write as many checks as you please and never pay a cent. (Of course, there's a small service charge if your balance falls below \$250.)

Isn't it time you opened a Peoples Checking Account. One of the Good Things from Peoples State Bank.

Question: My father's doctor told him that he needs a hearing aid. Will his medicare pay for a hearing aid?
 Answer: No. Hearing aids and hearing examinations are not covered by medicare. Questions about what medicare covers--and does not cover--are answered in the blue-covered booklet, "Your Medicare Handbook," which is sent to all people who have medicare.
 Question: I plan to visit my sister in Mexico and will probably stay with her for three or four months. How will this affect my monthly supplemental security income payments?
 Answer: Under the law, you are not eligible for a supplemental security income payment for any full month you are outside the United States. If you stay outside the United States for 30 or more consecutive days, your payments cannot be started again until you return to the United States and remain for 30 or more consecutive days. Before you leave, you should notify social security that you are going to Mexico. Include the date you plan to leave the United States and the date you plan to return.
 Question: I was disabled three months ago and applied for social security payments but I still have not received a check. When will my payments start?
 Answer: Under the social security law, there is a five-month waiting period for disability benefits. If you are eligible for payments, your checks will start with the sixth month of your disability.
 Question: I always kept my social security card in my wallet. Last week, I lost my wallet. How can I get a new card?
 Answer: Call any social security office and tell someone there that you have lost your card. If you kept a record of your social security number, give it to the person when you report your loss. You will get a duplicate card with the same number on it, but it will take several weeks.
 If you have questions regarding social security, contact the social security office at 1009 North Madison, Bay City, or phone 892-3554.

telephones into the homes of people in that township requesting the service, providing the company is successful in obtaining the franchise from the Michigan Public Service Commission.

Named to the board of directors of Tawas Chamber of Commerce were James Dillon, Harold Pfeiffer, Stanley Humphrey, Gordon Everett, Guy Cecil, Elmer Werth and Gordon Clute.

Bill's Drive In is scheduled to reopen February 24. Last fall, the business had to make way for the new route of M-55, which cuts through the old site.

Thirty-eight veterans of World War II, who are actively engaged in farming and livestock production, are enrolled in a farm management course at Hale Veterans Institute. Gordon Williams is administrator and is assisted in the instruction by Lyle Bielby.

Like a stuck Victrola record or an old movie constantly reshown, John L. Lewis, mine union czar, was in the news again, this time with another coal strike on the boards.

The question of what to do with 100-million-dollars worth of eggs purchased by the federal government to support the price at an average of 25 cents per dozen has become a major problem. The law permits the department of agriculture to give the eggs away if kept out of commercial, competitive channels, but warehouses are overflowing with eggs.

LOOKING BACKWARD—

Federal Grant Would Finance Sewer Work

15 Years Ago—

February 24, 1960—Tawas City Water Board is studying the possibility of using part of its federal grant for establishment of a revolving fund to finance construction of sewer mains in the city. A federal grant of \$36,000 was received by the city after voters approved a \$130,000 bond issue to finance construction of new additions to the waste treatment plant.

An article describing the cattle raising operation of Warren Huff, owner of the Rowala Ranch at Prescott, appeared in the March issue of the Farm Journal. Huff has a herd of 1,200 beef cattle on his ranch and believes that operations like his could be developed on the thousands of acres in northern parts of Michigan.

Anderson Coach Company's production lines at East Tawas are gradually moving back into full swing after the recent six-month strike which closed down all operations.

Michigan Bell Telephone Company has filed new rate schedules which would increase the price of residential service a dime a month.

Tawas Area School's five-man team competing in the Lower Peninsula Ski Championship at Boyne Falls includes Charles Busch, Edward Collier, James Campbell, Ernest Lixey and Patrick Bolen.

35 Years Ago—

February 23, 1940—Plans are nearly finished for rebuilding and widening the narrow section of US-23 in Tawas City, according to Murray D. VanWagner, state highway commissioner. The state has asked the city council to adopt a resolution authorizing the highway department to proceed with work as funds are now available for the project.

Harold Burtzloff of Tawas City managed to scramble to safety Friday after breaking through a patch of thin ice on Tawas Bay about one-half mile from shore.

Formation of a township school unit in Burleigh and the City of Whittemore is under consideration. Ten school reorganizations have been approved in the state thus far this year by the department of public instruction.

Oratorical and declamatory contests are to be held Tuesday at Tawas City School. Marion Mulcolf, Mable Ulman, Norma Malcolm and Harold Ross are contestants in the oratorical contest.

CLOSED ALL-DAY SATURDAY

Regular Office Hours are as follows:

Monday and Tuesday: 8:00 a. m. to 12 Noon, 1:00 p. m. to 5:00 p. m. and 6:00 p. m. to 10:00 p. m.

Wednesday through Friday: 8:00 a. m. to 12 Noon and 1:00 p. m. to 5:00 p. m.

District IX Senior Band Festival at TA March 1

Tawas Area High School will host the District IX Senior Band and Orchestra Festival Saturday, March 1. Bands from Whittemore-Prescott, Gladwin, Beaverton, Prudenville, Gerrish-Higgins, Clare, Standish-Sterling, Hale, Oscoda and Tawas Area high schools will participate in the day's performances.

The purpose of the festival is to stimulate interest in the study of band and orchestra instruments, to develop a desire for good music and to promote the recognition and status of instrumental music as a curricular subject.

Bands will perform three prepared selections for three adjudicators. These judges will rate the band from I to V. The bands will then sight read two selections for a fourth judge and be rated according to their performance. The two ratings, concert and sight reading, are then combined for the final mark. A I rating qualifies the band for the State Band and Orchestra Festival to be held in Traverse City Saturday, May 3.

Adjudicators for the festival will be Kenneth Bloomquist, Michigan State University; Rex Hewlet, Central Michigan University; David C. McCoy, Olivet College, and Thad Hegerberg, Michigan State University.

The public is encouraged to attend a full day of concerts. This will be an excellent opportunity to hear many different bands perform.

Schedule for the day's events will be: 8:00 a. m., Au Gres; 8:25 a. m., Hale; 8:50 a. m., Standish-Sterling Cadet; 9:30 a. m., Hillman; 9:55 a. m., Atlanta; 10:20 a. m., Ogemaw Heights; 10:50 a. m., Gladwin; 11:20 a. m., Standish-Sterling Senior; 12:05 p. m., Clare; 1:30 p. m., Tawas Symphonic; 2:00 p. m., Oscoda; 2:30 p. m., Farwell; 2:55 p. m., Roscommon; 3:20 p. m., Beaverton; 4:00 p. m., Clare Reserve; 4:25 p. m., Houghton Lake; 4:50 p. m., Alcona; 5:15 p. m., Whittemore-Prescott.

AARP Held Pot-Luck on February 19

Eighty-one members and guests of Lake Shore Chapter No. 661, American Association of Retired Persons met for a pot-luck lunch Wednesday, February 19, at the East Tawas Community Building.

Foster Eid, director of special education for the Iosco Intermediate School District, gave an interesting and instructive talk explaining the work of the intermediate school and the educational programs for all children.

Door prizes were won by Florence Nesbitt and Essie L. Thompson.

Individuals are to bring a sack lunch to the Wednesday, March 5, noon meeting at the East Tawas Community Building. Tea and coffee will be served.
