

# Tawas Area Wants to Retain NBC, but . . .

Officials of schools comprising the Northern B Conference met tonight (Wednesday) at Standish to decide if the league will continue for another season before dying in 1976-77, or if it will be scuttled prior to the start of the 1975-76 season.

This was the word Monday night to Tawas Area Board of Education from Supt. Edward J. Barry and James Papefus, athletic director. Rumors that schools at Pinconning, Gladwin and Standish-Sterling were considering a move to pull out of the NBC and form a new conference have turned into fact and only a constitutional provision in the league's bylaws prevents those schools from making the move this year.

However, Tawas administrators

said Monday night that the three schools above had made overtures to both Ogemaw Heights and Tawas Area to leave the NBC and form a new league. Should those two schools decide on that course, it would provide the five necessary votes to scuttle the NBC this season.

Barry said this situation leaves Tawas Area School in the position of being the catalyst which would dissolve the NBC, something which local school officials have been trying to prevent since the pullout by Pinconning, Standish-Sterling and Gladwin was first discussed.

Should Tawas not act in concert with the other schools, it could find itself without any league affiliation and operating as an inde-

pendent. This probably would prove to be a disaster as transportation costs mount with independent status and the excitement of league competition would reduce gates for athletic events.

Papefus said the three schools were thinking of establishing an eight-team league similar to the old Northeastern Michigan Conference. The five above mentioned schools were all members of the NEM before pulling out in 1962 to form a new conference.

The Tawas athletic director said that Roscommon, Whittemore-Prescott Area and possibly Houghton Lake had been mentioned as the three other members of the new league, which is practically the same alignment as the old NEM League.

"None of us want to see the NBC dissolved, we like the conference and the competition it provides," said Papefus. "At this point, however, three schools are definitely leaving the conference."

Papefus said that officials of both Carrollton and Essexville Garber have stated that, should the three middle schools leave the conference, a five-school conference with Tawas Area, Oscoda and Ogemaw Heights would not be practical. In the event of the split, Carrollton and Essexville Garber would seek affiliation with other conferences. Oscoda has not been invited to join the new conference.

The NBC has been noted for its well balanced athletic teams and competitive spirit. The three

schools which say they intend to leave contend they are too small to compete with Garber, Carrollton and Oscoda and travel is a problem. Apparently, there have been many hard feelings caused when two of the three larger schools have run up scores at the junior high school and junior varsity level.

In addition to athletics for both boys and girls, the conference provides interscholastic competition in debate and forensics.

When the NBC was first organized, all schools were listed as class B. Since then, enrollment requirements have changed and Standish-Sterling and Gladwin are listed in class C. Tawas Area's enrollment makes it a small class B

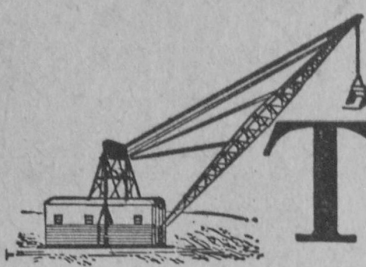

school, but Pinconning has one of the largest enrollments in the conference.

Papefus pointed out that while Tawas has not won a basketball championship since 1970-71 and the last football championship dates back to the mid-1960s, the school has always been in the thick of competition for top honors. "We would rather have the conference stay the way it is at present," stated the athletic director.

On recommendation of Barry and Papefus, the board of education gave its approval to terminate membership in the NBC as soon as contractual, legal and ethical obligations permit, to become effective as soon as similar resolutions are adopted by the other schools.

WORK on Tawas Area School's building trades house is nearing completion and the new dwelling will soon be offered for sale by the school. An open house is to be held Saturday and Sunday, May 31-June 1, in order to show work of the class. Gary Steed, left, and Bernard Link, right, are shown installing a light fixture. ### Tawas City Trying to Hold the Line on 1975-76 Budget

Despite spiraling costs due to inflation, coupled with less local taxes due to a slight decrease in valuation and a possible reduction in state money, Tawas City Council is doing everything in its power to hold the line on spending to retain the same 15-mill levy for general fund taxation.

This was the report at a special meeting of the city council Monday night called for the purpose of formulating a new budget for 1975-76.

The tentative budget as presented by City Mgr. Reginald Bublitz calls for general fund expenditures and receipts of \$186,650, up \$5,625 over last year.

According to latest figures from the county, the city has a valuation of \$9,737,134 for 1975. This is \$37,485 below the 1974 figure, which resulted when a sales study by the state indicated that previous valuations were too high.

"I have deliberately tried to anticipate what might be expected from the state this year in shared revenues, but this is difficult due to unemployment, less revenue from gasoline and weight taxes and the loss in sales tax," said Bublitz.

The city manager noted that normal operational receipts have one total of \$186,650 and added to this is the two mills which raises \$19,346 for tax anticipation notes authorized by the council to pay for the purchase of the former Hatton property and work to repair the city park dock. The total does not include approximately

\$21,000 for CETA reimbursements for five new employees hired under this federal program.

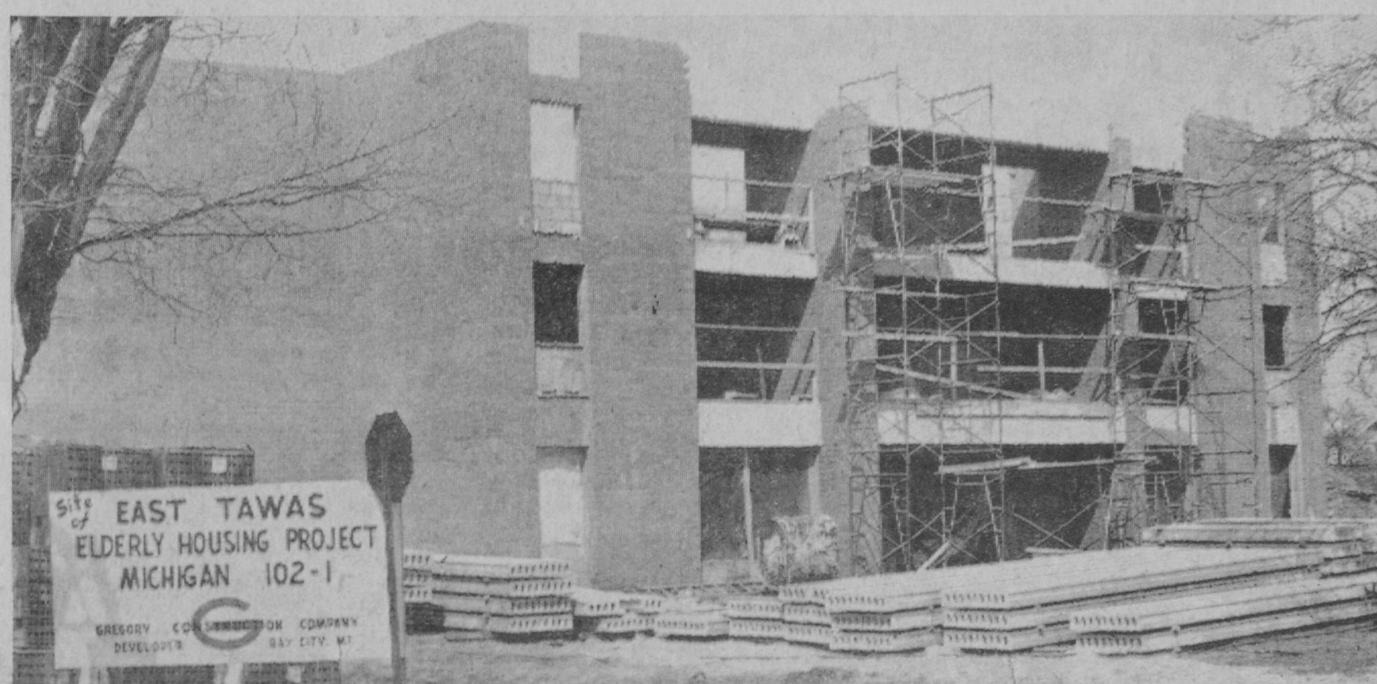

Bublitz said the receipts budget takes into account only normal operations and maintenance, with some known capital outlays, but does not cover funding for unknown projects or participation. "If large projects are desired for the coming year, then the millage will have to be adjusted to meet whatever is needed," said Bublitz. This was the case for the property purchase and the dock improvements, which were not included in last year's budget.

Two years ago, the city levied a total of 16 mills of taxes to aid in construction of two bridges and new streets. Due to the valuation increase last year, the total levy was cut to 15 mills, the same as being proposed for the coming year.

The receipts budget includes an anticipated fund balance of \$1,000. Current property taxes amount to \$98,500 and delinquent taxes total \$8,000. Other major receipts include \$27,500 for sales tax return, \$7,000 from state income tax, \$10,000 from fire protection contracts, \$4,000 from refunds and rebates, \$1,000 from gas tax refund, intangible tax of \$4,200, liquor tax of \$2,800, collection fees of \$3,300, equipment rental of \$3,000 and other smaller receipts.

Bublitz said that receipts for the major street fund are derived from Act 51 and maintenance money he estimates the city will

### Countdown Near for State Pageant

The countdown has begun on the "Roaring Twenties," theme for the 1975 Miss Michigan Scholarship Pageant now in its 39th year, the last 27 at Muskegon.

Thirty-three of the state's loveliest and most talented girls will vie for the coveted crown during pageant week, June 16-21, at the L. C. Walker Arena, Muskegon.

Representing Iosco County will

be Miss Robbie Miller, 20, East Tawas, a student at Michigan State University, who was selected in March at a pageant held at Oscoda.

Primary motivation for the girls entering the pageant will be upwards of \$15,000 in scholarships offered by the Miss Michigan Pageant and its preliminaries. Many additional awards, including a new automobile, await the lucky winner.

Pageant week at Muskegon is one of the busiest, most exciting weeks most of the contestants have ever had. Beginning with registration on Monday, June 16, rehearsals and other activities leading up to and through the two preliminary nights and the final night will not culminate until the special awards during a program immediately following the crowning.

Michigan's Miss America preliminary is known as one of the best state pageants in the country. To maintain its stature, hundreds of volunteers participate in staging the week-long event.

### Six Petitions Filed in TA Board Race

Petitions have been filed by six persons to fill the two trustee vacancies on Tawas Area Board of Education at the annual election to be held Monday, June 9.

This is the first time in many years that there has been such a large field of candidates for the board of education and a record turnout of voters can be expected.

The two four-year positions to be filled are those presently held by Mrs. Charles (Joan) Schreck, president of the board of education, and Clare Herriman. Mrs. Schreck has announced that she would be retiring at the end of her present term on June 30, while Herriman has filed his petition for re-election.

Others to file petitions were John Whitman, East Tawas; Willard Dillon, Tawas City; Mrs. Louis (Eleanor) Pfeiffer, Tawas City; Mrs. Hugh (Isabelle) Prescott, East Tawas; Donald J. Holmes, East Tawas.

### Open Bids May 21 for AuGres Bridge

Bids will be taken Wednesday, May 21, at Lansing on 44 highway construction and maintenance projects, the state highway commission announced Friday. Included is construction of a new bridge to carry Whittemore Road over the AuGres River, 1.2 miles east of Whittemore. Estimated cost of the project, including demolition of the present bridge, is \$100,000. Approximate completion date is in December.

### School Board Supports TA Students Trying to Establish Cable TV Station

Tawas Area Board of Education Monday night gave its support to a group of students attempting to install a public service television station at the high school.

For the past three weeks, Thomas Snoblen, John Maher and David Kennedy have been working on the idea spending at least an hour a day on the project.

Kennedy, who was spokesman for the group at Monday night's meeting, said that it is proposed to establish a station which would provide cablecast television. This would not require the sophisticated equipment used by broadcast television and would mean that the

station would go on the air for approximately \$2,000.

He said that verbal approval had been received from General Television of Michigan for use of one of its cable channels and he is in hopes that a formal agreement might be adopted with that firm. A demonstration was given to the board of education using videotape equipment owned by the school's athletic department and shown over two television sets.

The students said the proposed station would serve the community presently served by cable television and would offer 100 percent local programming.

The students believed this would strengthen ties between the community and the school system.

The station would be operated by high school students offering a variety of programs and would supply practical training in the fields of technical television, business and writing for television. The students would initiate a program to teach incoming freshmen, in order to sustain the system.

The students hope that, eventually, a class might be established along the lines of "introduction to broadcasting," or something similar in the vocational program.

Prin. John Alexander stated that such a television station would be entirely new among high schools of the state. He believed there was great potential in the idea.

Dr. James Jacques was appointed as the board's representative to work with the students in gathering facts and costs for presentation at the next board of education meeting.

### Arrest Flint Man With Stolen Car

A warrant was issued Monday charging William Persons, 19, Flint, with receiving and concealing stolen property over \$100. Persons was arrested Saturday at Whittemore with a stolen car from Flint.

The sheriff's department investigated three personal injury accidents involving motorbikes on Saturday. Treated at Tawas Hospital were Todd F. Laurie, 21, whose motorbike crashed in Oscoda Township; Mark W. LaForest, 28, who lost control of his motorbike on a sand trail in Plainfield Township; Stanley W. Stefanski, 25, who collided with a tree across Five Channels Road.

A car driven by James L. Smith, 45, Tawas City, crashed into the southeast corner of First Baptist Church, Tawas City, on Friday night. The driver was not injured.

A vandalism complaint was investigated Saturday at Ingls Ford Sales, Tawas City. Officers said that a window in the building and an automobile windshield had been smashed by rocks.

Officers investigated the breaking and entering Saturday of a cottage on Cedar Lake Drive, Plainfield Township, owned by Ira Bucholtz.

### Hire Former Superintendent as School Board Consultant

An agreement was formally adopted Monday night by Tawas Area Board of Education hiring Reynold Mick, retired superintendent, in a supervisory capacity for certain areas of school administration.

Under terms of the agreement, the former superintendent would be paid at a rate of \$20 per hour for his consultant work. He would be directly responsible to the board of education and would study administrative areas requested by the board, the superintendent and other administrators.

No time limit was established for the hiring. Mick retired in 1972 after serving the district since reorganization in 1953.

In other business, the board of education authorized use of two buses by the Iosco Intermediate School District for transportation of students from the Bright Horizons Center on an overnight camp-

ing trip. The intermediate district is to pay all expenses.

The board authorized recalling outstanding 1970 bonds sold for the purpose of constructing a new track. The bonds would be retired three years early.

Supt. Edward J. Barry said that the retirement fund is adequate to pay off the balance on the bonds and leave approximately \$5,000 to pay for the cost of new bleachers and new equipment for tennis and wrestling, being considered as an addition to the athletic program.

Funds for retirement of the bonds have come from football gate receipts. It was stated that return of football receipts to the athletic department would make the school's athletic program self-sustaining.

Prin. John Alexander was given permission to break with tradition during the annual June commencement by eliminating the

Frederick Roberts spent the week-end in Flint where he attended the nuptials of his grandson, Robert Goss, and Joan Barley. Returnees for the summer are the Walter Brooms from Alabama; the Ross Butlers, Theodore Grandpres and Mrs. Irene Millier from Florida. John Westran has been a surgical patient at Alpena General Hospital for some time.

Mr. and Mrs. John Taeckens of Flint spent some time with Mr. and Mrs. John Collins and celebrated the birthday of the latter. Harold Curtis underwent surgery last week and the Curtis family learned of the passing of his brother, William Curtis, following an accident in Flagstaff, Arizona. Mr. and Mrs. Elmer Rushak, Southfield, visited friends, Mr. and Mrs. Arthur Gennis, for a few days.

YOUNGSTERS of the Tawas received free "lite-a-bike" safety kits Saturday from the Veterans of Foreign Wars Auxiliary No. 5678 in conjunction with the Isco County Sheriff's Department. Receiving his kit containing reflective tape is Todd Doll, who is shown with Mrs. Marie Smith, right, auxiliary president, and Lois Gauthier, left.—Tawas Herald Photo.

Wednesday evening, approximately 225 men, women and young people took part in the annual cleanup. After much raking and gathering of debris, the participants were treated to a pot-luck supper at the fire hall. Mr. and Mrs. Alfred Schulz spent Tuesday in Bay City where they called on his brother and sister-in-law, Mr. and Mrs. Carl Schulz, both confined to a nursing home. Saturday evening, about 120 volunteer firemen, their ladies and guests attended a Little Las Vegas party at the fire hall. Games were played, prizes made available and pot-luck meal was featured. Area residents are again urged to bear in mind that the fire telephone, 469-2222, is to be used only in case of emergency. Those wanting information are asked to call 469-9361. A recent incident saw the radio operator busily engaged in contact with his fire department and the forestry service when someone called via fire telephone for the locale of the fire. It was necessary for the operator to interrupt important dialogue to receive the unimportant call.

### Wilber News

Mr. and Mrs. Bertram Harris went to Sanford Lake Sunday and spent a few days visiting at the Walter Kennedy home. Gary Mallon of Pontiac enjoyed the week-end at his parents' home. Several from here attended the singsgiving Sunday night at Whittemore Methodist Church. Next month's singsgiving will be June 1 at the Wilber Methodist Church.

Mr. and Mrs. Keith Humbert of Clarkston and Mr. and Mrs. William Gugell of Frankenth visited at the Harold Cholger home over the week-end.

Mr. and Mrs. Kenneth O'Brien went to Saginaw Saturday to spend the week-end with Mrs. Earl Crane. Tracy O'Brien joined them there.

The Robert Smith family went to Glenn Saturday to visit relatives. Tammy Frasher returned home after spending a few days here. Home extension group gathered Wednesday night at Mrs. John Henry's home. Lunch was served by the hostess.

### Junior Braves

A seventh inning single with the bases loaded saw the Standish-Sterling Central junior varsity defeat the Tawas Junior Braves, 10-8, in baseball action Thursday. The Junior Braves held the lead most of the game, but Central's rally turned a well pitched game into a loss for Don Schriber. Mike Lear was top hitter with three singles, while Butch Duvall and Bruce Revord had two hits each. The Junior Braves bounced back in the second game to defeat the Central JV, 4-0. Kevin Mielock limited the losers to only two hits. Jerry Gracik and Schriber each had two hits and Gracik was the top defensive player.

### Nation's First Agricultural Experimental Station 100 Years Old

Rep. George Prescott of Tawas City received a commemorative medallion Wednesday, April 23, during ceremonies at the State Capitol Building. The medallion, honoring the 100th anniversary of the founding of the first agricultural experiment station in the nation, was presented by Dr. Sylvan H. Wittwer, director of Michigan State University's Agricultural Experiment Station. During the presentation ceremonies, Wittwer remarked briefly on the role that past legislative support has played in making MSU one of the major centers for agricultural research in the nation. In a related activity, the house and senate also passed a concurrent resolution noting the important part that agricultural research has played in improving and maintaining the quality of life in Michigan.

### Funeral Held for Bernice Marfleet

Funeral services were conducted Wednesday, May 7, at the United Methodist Church, Hale, for Mrs. Bernice S. Marfleet, 81, who died Monday, May 5, at Tawas Hospital. Burial was in Evergreen Cemetery. ## Miller - Robey Marriage Solemnized at Christ Church

Arrangements of white gladiolus and pink chrysanthemums formed a floral background in Christ Episcopal Church, East Tawas, for the marriage Saturday, May 10, of Pamela Robey and Robert Jon Miller.

The Rev. Alfred Saulsbury performed the double ring service. Mrs. Douglas Reid Jr. was vocalist, accompanied by Mrs. Lottie O'Loughlin.

The bride is the daughter of Mr. and Mrs. Herbert D. Holmes of East Tawas. Mr. and Mrs. William R. Miller of Saginaw are parents of the bridegroom.

Escorted to the altar by her stepfather, the bride chose a gown of silk organza and Venice lace. Highlighting the gown were a lifted, fitted bodice with a sheer yoke, high ruffled neckline, Bishop sleeves and a deep, flounced hemline which extended to a chapel train. To complete her attire, she wore a matching lace-edged cathedral veil secured to a beaded Juliet cap. She carried a colonial bouquet of pink roses and baby's breath.

Maid of honor was Laurie Kuenzli with Bonnie Brueback, Pamela Miller and Jane Miller, sisters of the bridegroom, bridesmaids. They wore gowns of dotted voile in rainbow colors of pink, orchid, yellow and green. Their matching parasols were adorned with sweetheart roses and daisies.

The junior bridesmaid, Debra Holmes, sister of the bride, and the flower girl, Jeannie Spencer, were identically attired in pink and blue. They carried lace parasols filled with sweetheart roses and daisies.

Walter Geiersbach of Saginaw was best man. Groomsmen were David Miller of Saginaw, brother of the bridegroom, Daniel Miller of Lansing and Ted Nestell of Saginaw.

Rainbow-colored streamers and bells decorated the Veterans of Foreign Wars Hall in AuGres for the reception attended by approximately 200 guests from Saginaw, Frankenmuth, Bridgeport, Lansing, AuGres, Flint, Reese, Bay City, Cass City, Ann Arbor, Freeland and Chesaning.

Mrs. Holmes chose a long-sleeved gown of blue quiana. Mrs. Miller selected a pink sleeveless gown with a long-sleeved jacket. Both wore corsages of white roses.

The newlyweds will reside at 1922 Bay, Apartment 1, Saginaw, following a one-week wedding trip to Florida.

Pre-nuptial showers honoring the bride were hosted by Miss Kuenzli, Miss Brueback and Mrs. Mary Spencer; Pamela Miller and Jane Miller.

## Hackborn-Sventko Vows Said at St. Joseph Church

St. Joseph Catholic Church, East Tawas, was the scene of the double ring ceremony Saturday, May 10, uniting in marriage the former Marcia Sventko, daughter of Mr. and Mrs. Steve Sventko of East Tawas, and Gregory Hackborn, son of Mr. and Mrs. R. Gordon Hackborn of Tawas City.

The Rev. Fr. Dennis Stilwell officiated at the 2 o'clock ceremony, which was followed by a reception at the Knights of Columbus Hall, East Tawas. Vases of white gladiolus decorated the altar. Mrs. Charles Petersen, vocalist, was accompanied by Mrs. Alden Phelps.

Given in marriage by her father, the bride descended the aisle in a traditional gown of satin and lace. Her veil was of bridal illusion trimmed in lace. She carried white roses, daisies and baby's breath.

Mrs. Steven Call, sister of the bride, was matron of honor. Bridesmaids were Janie Phelps and Molly MacMurray. They wore dresses featuring a flowered eyelet and panels of pink, yellow and blue. They carried spring flowers with ribbons to match the panels in the dresses.

Evelyn Sventko was flower girl for her sister. She wore a dress similar to the bridesmaids' dresses. Her bouquet was made up of spring flowers.

The bridegroom's brother, Robert Hackborn, was best man with Charles Petersen and Stephen Sventko of Colorado Springs, Colorado, brother of the bride, groomsmen. Eric Schreiber was ring bearer and Neil Robelli and Michael Hughes seated the guests.

For her daughter's wedding, Mrs. Sventko selected a floor-length yellow knit dress with chiffon sleeves. The bridegroom's mother chose a floor-length light blue brocade dress with matching jacket. Their corsages consisted of orchids.

The newlyweds plan to reside at 611 West Westover Street, East Tawas.

Hostesses honoring the bride with a pre-nuptial shower were Miss MacMurray and Miss Phelps.

Special recognition was given to Mr. and Mrs. Bert R. Stewart in honor of their golden wedding anniversary.

Pres. Fred Francis presented past presidents' pins to Arthur Markham, beginning president of the chapter, and Fannie Walstead, a following president.

The Chansonette Singers, officers' wives of Wurtsmith Air Force Base, presented an inspiring program of seven popular songs and ended with the singing of "The Lord's Prayer."

Margaret Granger and Muriel Hart won the door prize.

Next meeting will be Wednesday, May 21, at the community building. Bring a dish to pass and table service. Tea and coffee will be provided. A representative from the state office of the American Cancer Society will present the program. The public is invited to attend this program which will start at 1:30 p. m.

The June 18 meeting will be highlighted by the presence of Eugene H. Molenaar, area V regional representative.

SHOWN receiving a plaque of appreciation is Richard Harris, right, resigning president of Tawas Hospital Board of Trustees. Shown making the presentation is Sister Irena Waldmann, S.S.J., of Nazarene, president of the Community of the Sisters of St. Joseph, Harris, who was honored at a dinner Saturday, served on the board of trustees since 1967 and was named president in 1968. Robert Elliott, who has been a member of the board of trustees since August 1973, has been named new president.

## State Police Checked Crashes

Two motorbike crashes were investigated Saturday by Michigan State Police from East Tawas.

Galen G. Faith, 23, was injured on Pine Acres Road, Oscoda Township, when the throttle stuck on his machine. He lost control and went into a ditch. Scott W. Elliott, 19, was injured when he lost control of his machine on a dirt trail in Oscoda Township. Both operators were treated at Tawas Hospital.

A four-year-old Tawas City girl, Tina M. Hunke, was treated at Tawas Hospital Thursday after falling out of a truck on US-23 at East Tawas. Officers said that the truck driven by Jane E. Hunke, 25, Tawas City, was in the process of making a left turn onto Newman Street. The door opened suddenly and the girl fell to the pavement.

William Gross of Union Lake was one of three campers at East Tawas City Park who reported larcenies on Sunday morning. Gross reported the theft of \$75 worth of fishing equipment.

## Budget

(Continued from page 1.)

receive. Under the budget being considered, no local tax money is going into the major street fund.

The local street fund has tax money coming into it from the municipal fund along with Act 51 money. "There does appear to be some money coming into both the major and local funds for further study of storm sewers and some other major improvements other than maintenance. This, again, depends entirely on the money the city receives from the state," said Bublitz.

The expected receipts for all street purposes is estimated to be \$64,000 for 1975, as compared with \$93,800 for 1974, due to street construction programs. Bublitz said there is a small amount of work remaining to be done on some shoulders of new streets and drains and money has been included in the budget for this work.

Major general fund disbursements include \$25,340 for the police contract, \$16,850 for the fire department, \$22,575 for the department of public works, \$16,000 for street lighting, \$13,000 for garbage collection, \$21,400 for employee benefits, \$8,725 for the city hall, \$8,450 for insurance and bonds, \$5,581 for parks and recreation, \$4,650 for the library, \$3,400 for equipment, \$5,200 for the cemetery, \$1,300 for elections.

Next Monday night's regular meeting is to start at 7 o'clock in order for final discussion on the budget prior to the formal budget hearing at 7:30 o'clock.

# Tawas Indies Opened Season With Defeat

Tawas Indies opened the 1975 NEM baseball season Sunday by losing to visiting Ossineke, 7-4.

The Indies had a tough time solving the slants of Larry Yachcik, who gave up only four hits, walked three and struck out 11 batters.

Dave Mielock, losing pitcher, was nicked for 12 hits, walked one batter and struck out eight.

Tawas scored two runs in the second inning without the benefit of a hit and scored single runs in the fifth and eighth innings. Ossineke scored one run in the second inning, two in the fifth, two in the sixth and one run in the seventh inning.

Both teams turned in good fielding games with only one error for each side.

Mike Clearwood, left fielder for the winners, was top hitter of the day with a double, a home run and two singles. Clarence Jordan belted a triple for the only hit for extra bases by Tawas.

### Time to Begin Planning Exhibits for County Fair

Iosco County Fair time is only 2½ months away and Richard M. Samson, secretary-manager, Whittemore, reminds all county residents that "now is the time to begin planning exhibits to make the 1975 event the best ever."

Included with this week's issue of The Tawas Herald is the annual guide for exhibitors listing the fair program, rules, premium list and names of department heads.

The 1975 Iosco County Fair is to be held at the Hale fairgrounds Wednesday through Saturday, July 23-26, and coming weeks will find members of the fair board making final plans for the four-day event.

Gerald Bellen of Whittemore is president and division superintendents are as follows: George Erickson, livestock; Perry Sheltenberger, poultry; John Dooley, farm produce; Ann Strickler, flowers and plants; Mrs. Irene Goodrow, home economics; Mrs. Gerald Bellen, domestic arts; Mrs. Adele Brown, antiques; Mrs. Louis Gilles, art, hobbies and handicraft; Elwood Ruckle, games and contests; Lyle Bielby, conservation; Val Samson and Charles Preston, youth division; Ruckle, harness racing. Persons with questions concerning exhibits may contact the above superintendents. General rules for

exhibitors are included in the special 1975 guide included with this newspaper.

One of the new events this year is pony pulling for Michigan teams only. This event, governed by rules of Pioneer Pony Pullers, Incorporated, will be one of the featured attractions on the opening day of the fair.

The 1975 fair will see the second annual 4-H and FFA beef sale to be held Saturday, July 26. Prize winning beef entered in fair competition will be auctioned off to highest bidders.

Plainfield Township's bicentennial committee has made tentative plans to have historical displays during the fair.

### Oscoda Twp. Requests Building Code Administration by Iosco Department

Tentative approval was given Wednesday by the Iosco County Board of Commissioners for the county's new department of buildings and safety inspection to begin administering the state building code in Oscoda Township.

Final action on ratifying a resolution directing Francis J. Block, buildings and safety administrator, to enforce the code in that township is to be taken at the May 21 meeting of the commission. Appearing before Wednesday's

session was Charles Smith, Oscoda Township supervisor. Oscoda Township had adopted the state building code and had planned to handle enforcement, but presently is without the service of a building inspector. Smith said the township board is now of the opinion that it would rather have the county handle this work.

A contract between the township and the county would now be required for administration by Block's office. Possibility of establishing a deputy inspector at Oscoda is to be studied.

In other business, the county commission adopted provisions of the state plumbing code which are to become effective May 19 throughout Michigan. The department of building and safety inspection would provide administration for those local governmental units which have not adopted the state code. Included in the units being handled by Block's department will be the City of Tawas City.

The commission retained the

firm of Braun and Braun, Incorporated, Flint, a risk management firm, to conduct a survey and update all county insurance policies with the exception of health and life insurance. Specifications are to be established on insurance and bids are to be accepted from firms located within the county. Cost of the survey by the Flint firm is \$2,500.

The commission authorized the state civil service commission to perform a personnel classification and wage survey among county employees at a fee of \$2,000.

Russell Hamm was hired under the federal CETA program as a community development aid. He is to work with the bicentennial steering committee to coordinate programs and is to organize work groups among high school graduates on a variety of projects.

Lionel Butler announced his resignation as county building custodian effective July 5. Applications are to be taken by the commission to fill the position.

### Funeral Held for Mrs. G. Brigham

Funeral services for Mrs. Gordon (Donna G.) Brigham were conducted Friday, May 9, from the E. D. Jacques and Son Funeral Home, Tawas City. The Rev. William L. Stone officiated. Burial was in Ortonville Cemetery.

Mrs. Brigham, 62 years old, died Tuesday May 6, at Tawas Hospital. She was born July 27, 1912, at Ortonville.

Surviving are her husband; two sons, Frank of Adrian and James T. of Oscoda; two grandchildren; one brother, Monroe Frick of Ortonville.

**REGULATION AND TRUCKING**

Some people feel the regulated transportation system of the United States should not be regulated. They argue, the industry which approves of regulation, must be lining their pockets because of it. And for these reasons, they argue the Interstate Commerce Commission should be abolished.

We have regulation for one prime reason...to insure transportation service and standardized rates for communities located away from major shipping centers such as Detroit. Here, there is no cutthroat competition or biased rates. A shipper in Alpena can send his freight for the same rate as a shipper of similar freight in Detroit.

Shippers and merchants in places like Muskegon, Jackson, Petoskey and Midland can count on regular service and standard rates that do not change daily...or hourly because of ICC regulation.

The way we see it, without regulation, Michigan communities would have little to depend upon, except extremely poor service and a very unfair rate system.

A regulated transportation system is not the best of all possible worlds. But it is far better than no transportation system at all. Or worse, a government-run system.

### Vickie Balliet Surprises Friends

Her friends at Hale and Belleville thought Vickie Balliet would never do it, but she surprised them May 3 when she married John Jackson. Both are paraplegics.

Vickie and John both suffered spinal injuries in accidents that left them paralyzed below the waist. John, 28, had a diving accident when he was 16. Vickie, 21, fell off the horizontal bar at Hale Area School when she was 13.

Both have been in and out of hospitals for repeated surgery and therapy, especially Vickie.

They met when John visited a friend at Parkview Medical Center, Ann Arbor. She was staying there while receiving treatment at University Hospital. That was three years ago.

They lost contact, however, and did not start dating until last September, when they met again on a double date.

The first surprise came when John and Vickie's engagement was announced in The Ypsilanti Press and The Tawas Herald in February. Since then, the Balliet phone has been ringing constantly as friends and acquaintances of the family called to say, "You are going to invite me, aren't you?" Others have said, "I am coming to that wedding, you can count on it," without waiting for an invitation.

"Our friends are thrilled," said Mrs. Kenneth Balliet, Vickie's

mother. They sent out 250 invitations to the wedding, held May 3 at Immanuel Baptist Church, Ypsilanti.

Vickie has been living with her parents at Belleville. The bridegroom's parents, Mr. and Mrs. James Jackson, live at Rock, a town in the Upper Peninsula.

A ham radio operator, John taught himself enough about electronics to land a job as an electronics technician with a computer time sharing company.

Both John and Vickie drive cars especially equipped with hand controls.

Vickie's matron of honor was her sister, Mrs. Emily Niethammer of Saline. Among her bridesmaids was Laurie Springsteen of Hale.

**The Upper Room**  
(Read I Corinthians 3:1-11)

Other foundation can no man lay than that is laid, which is Jesus Christ. (I Corinthians 3:11)

Two years ago, two pairs of swallows drew a long line of mud on a wall—a few inches below the eaves of the manse. I wondered why. Last year, they strengthened and enlarged this line. Why? Were they deciding if the manse was suitable?

Apparently it was, for this year they came back; and with mud pellets carefully molded from the edge of the stream, bit by bit, they built homes. Doing only a few layers daily—each day's work dry and solid before further additions—they only added to firm foundations.

Life must have a good foundation on which to build a solid and lasting friendship. True friendship is built slowly, worth the effort and seldom lost. Jesus is the foundation on which to build a friendship. He is the builder and foundation of our faith, our everlasting Friend.

Our Father, help us to build more securely on the foundation rock of Thy love, so that we may not drift from Thee. Amen.

**Mrs. Cain Honored With 'This Is Your Life' Program**

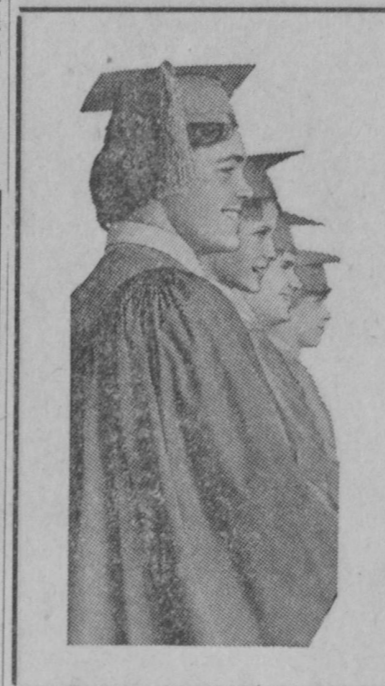

Eighty-five members and guests attended Immaculate Heart of Mary Council's recent mother-daughter banquet at the school hall. A welcome to guests was extended by Mrs. Eleanor Donahue, president.

Readings were presented by Alice Frank, program chairman, and Mrs. Rena Smith. Their presentations were from writings by Erna Bombeck.

In a "This Is Your Life Marie Cain" tribute, Mrs. Frank portrayed Ralph Edwards, assisted by Nancy Carney, co-chairman. Mrs. Cain, a charter member, has served in various offices and as president for four consecutive years. She was presented with

many gifts and a dozen roses. Present to share in their mother's life were her three children, Edward Cain of Lincoln, who was accompanied by his wife; Mrs. Mary Humpala of Tawas City, and Mrs. Michelle Mercer of Ypsilanti, and one of her five grandchildren.

Walter Schuhmacher, Robert Oates, Donald Lapeer and Clark Tanner poured for the event and were presented with gifts. Prizes were awarded to Mrs. Ruth Horger, most sons; Mrs. Mercer, coming the greatest distance to attend; Mrs. Scotti and Mrs. Frank, who tied for having the most daughters present.

**Notice to Telephone Customers of Proposed Rate Increases For Michigan Bell Customers:**

Michigan Bell Telephone Company has filed with the Michigan Public Service Commission an application to increase its rates and charges. Along with that application the Company also filed direct evidence upon which the application was based. The application states, among other things, that the revenue produced by existing rates is unreasonably and unjustly low, and that to attain the level of earnings previously approved by the Commission, the Company requests rate increases and changes in service offerings which would produce additional annual revenue from its intrastate operations in the amount of \$88,130,000, based on 1974 operating results.

**Notice of Hearings**

The Michigan Public Service Commission will hold public hearings on the application of Michigan Bell Telephone Company for a rate increase. The hearings are to determine whether, and to what extent, the existing rates, charges, and service offerings should be altered because they provide either an inadequate or excessive level of earnings to the Company.

The changes proposed by the Company are subject to approval by the Commission after public hearings. The Commission may approve different service offerings or rates which may be higher or lower than those proposed. The dates and places fixed for the hearings are as follows:

1. A pre-hearing conference will be held on June 3, 1975, at 9 a.m. in the offices of the Commission, Law Building, 525 West Ottawa, Lansing, Michigan 48913. The purpose of this hearing will be limited to identifying intervenors and their interests, to establish a schedule of further hearings beyond those established by this notice, to agree upon procedures, to discuss the issues involved in the company's application, and similar matters.
2. The first hearing will be held on June 23, 1975, commencing at 9:30 a.m. in Room 514, Veterans Memorial Building, 151 W. Jefferson Avenue, Detroit, Michigan. An evening session will be held at the same location, commencing at 7:30 p.m. the same date.
3. A further hearing will be held on June 24, 1975, commencing at 9:30 a.m. in 306 "J" Building, Oakland Community College, Orchard Ridge Campus, 2705 Orchard Lake Road (at I-696), Farmington Hills, Michigan. An evening session will be held at the same location, commencing at 7:30 p.m. the same date.
4. Another hearing will be held on June 25, 1975, commencing at 9:30 a.m. in the Auditorium, Law Building, 525 West Ottawa Street, Lansing, Michigan. An evening session will be held at the same location, commencing at 7:30 p.m. the same date.
5. Another hearing will be held on June 30, 1975, commencing at 9:30 a.m. in the City Commission Chambers, 9th Floor, City Hall, 300 Monroe N. W., Grand Rapids, Michigan. An evening session will be held at the same location, commencing at 7:30 p.m. the same date.
6. An additional hearing will be held on July 2, 1975, commencing at 9:30 a.m. in the Michigan Room, Don Botton University Center, Northern Michigan University, Marquette, Michigan. An evening session will be held at the same location, commencing at 7:30 p.m. the same date.

Hearings will continue on July 21, 1975 in the offices of the Commission, Law Building, 525 West Ottawa, Lansing, Michigan 48913 for the purpose of introducing the previously filed evidence and any corrections thereto into the record, and cross-examination of the Company's witnesses. Such hearings will continue from day to day thereafter or on such adjourned dates as the Hearings Examiner may set.

Persons intending to petition for intervention in this case shall file an original and 11 copies of a petition to intervene with the Commission on or before May 29, 1975 in accordance with Commission Rules of Practice and Procedure.

Persons filing such a petition to intervene may request from the Company a copy of its direct case. Persons filing petitions to intervene subsequent thereto will be required to take the case and schedule as they find it at the time of their intervention.

Subparagraph (2) of Rule 11 of the Rules of Practice and Procedure Before the Commission (R 460.21) provides as follows:

(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted. (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

Michigan Bell Telephone Company filed copies of its direct testimony and exhibits showing the proposed new rates with the Michigan Public Service Commission on April 24, 1975. Interested persons may examine that material during business hours in the offices of the Commission, Fifth floor, Law Building, Lansing, Michigan 48913 or at any business office of Michigan Bell Telephone Company.

**Effect on Customers**

The changes in rates, if approved as proposed, will affect residence and business customers as follows:

1. Proposed increases on 1- and 2-party residence flat rate services range from \$.25 to \$.80 per month, except for residence 1-party Metro service, which would increase by \$1.45 per month. The basic charge for Wide Area Local service would not be increased. The basic charge on Suburban and Rural service would increase in the range of 10 cents to 35 cents per month. The local message charge for Wide Area Local service would increase from 6 cents to 6.5 cents each. The Metro service charge for usage would remain at 4 cents per minute, but would apply to calls in excess of 20 hours instead of 25 hours.

2. The basic monthly charge for 1- and 2-party residence Budget Services would not be changed. The

calling allowance on Budget Service would be reduced from \$2.25 to \$2.00 per month, and the charge for each local call would be increased from 4.5 cents to 5 cents.

3. Proposed increases in basic 1-party business flat rate services range from \$1.15 to \$1.75 per month, and increases on business flat rate P.B.X. trunks range from \$1.70 to \$2.60 per month. Proposed increases on rural and suburban business services range from \$.75 to \$.85 per month.

4. The basic monthly charge on business measured rate services would not be increased. The local message charge on those services would increase from 6 cents to 7 cents each. The basic monthly charge for business 1-party Metro service would increase from the present 8 cents to 9 cents each. For semi-public coin services, the monthly charge would increase by \$.80.

5. Charges for all keyless instruments furnished with business services, including the first one on the line, would be increased by 20 cents per month.

6. The basic service charge for Centrex systems would be increased by about 8%. The monthly charge for each Centrex Dial Terminal would increase 60 cents on measured rate services, flat rate services and on Metro services.

7. Charges for Interzone messages for both business and residence customers would increase by about 17%, except for customer-dialed calls from coin telephones, which would increase from 10 cents to 20 cents unlimited for all local and interzone station paid calls.

8. Non-recurring charges for installation, moves and changes of telephone service and equipment for residence service would increase by about 7%. The line charge for business service would increase by 75 cents and the station charge for business keyless instruments would increase from \$11.75 to \$20.00. The original provision of service charge for residence and business would not be changed. The maintenance of service charge would increase from \$19.70 to \$30.00.

9. Key and P.B.X. Equipment installation, move and change charge would increase 50%, with no increase in monthly charges for any items of key equipment. The monthly charge for PBX services would be increased in a range of 4% to 14%.

10. Monthly charges for residence extensions would be increased by 25 cents.

11. Proposed increases for toll calls within Michigan would be increased up to 8 cents per minute for operator-handled calls, with the larger increases applying to those calls covering longer distances with the exception of combining the rate mile charge of over 200 miles with the 101-200 miles. The existing 20% and 40% discounts for customer dialed calls would continue to apply. Coin telephone toll calls up to 20 miles would increase to 20 cents unlimited.

12. The monthly charge for Budget Toll Dialing Service would decrease from \$3.00 to \$2.50. The 60% call discount would continue with the addition of Friday evening after 5 p.m. and all day Saturday. Also proposed increases for toll calls within Michigan would apply proportionately to Budget Toll Dialing Service.

13. Monthly rates for WATS, INWATS and TWO-WAY WATS would be increased approximately 15%.

14. For General Mobile Telephone Service, the terminal usage charge for mobile calls would be increased by about 17%. The basic service charge would not be increased. The local message charge would receive the same increases as proposed for regular business measured rate telephone service.

15. Type I and Type II intercommunicating systems would have an approximate 20% increase in installation, move and change charges. Type I would have no increase in monthly charges whereas Type II would increase in a range of \$.50 to \$4.00. Monthly charges for certain other optional features associated with intercommunicating systems would not be increased.

16. Private Line services would be restructured in order to better reflect current costs and simplify charges and rates. Increases would average about 37%, although increases for individual services may be more or less than the average. Flat rate charges between Detroit zone rate areas would be replaced by mileage charges. A new charge for channel terminals would be established. Non-recurring charges and charges for local channels would be substantially increased. Telapak A and B would be eliminated, with the new private line charges applying to these services. Rates for Telapak C would be increased by 30%. Charges for Concentrator Identifiers would be increased about 50% and an installation charge of \$250 would be established.

17. Exchange regrouping would be changed to allow regrouping an exchange to a higher or lower rate group after 12 consecutive months instead of the existing 24 consecutive months.

18. Certain exchanges would have an enlarged base rate area which in some instances would result in rate reductions for subscribers paying rural zone charges.

19. Charges for all other telephone services and equipment not specifically shown above, would be increased by 8%, except that no increases are proposed for the following services and equipment: 3B Speakerphones; services designed for use by handicapped persons; Connecting Arrangements for Direct Electrical Connections; Rural Zone Charges; Princess® sets; Bellboy® service; and certain new services and equipment which have been introduced since June 30, 1974.

All installation and non-recurring charges not specifically shown above would increase about 7%, except that no increases are proposed for Design Line, Com Key and DID-A10D.

More information about the above changes will be given to all Michigan Bell Telephone Company customers by mail. If after receiving this information, you have any questions regarding it, please call or visit your local Michigan Bell business office.

## Social Security Questions are Answered

Question: I have been having back trouble for some time and a friend recommended that I go to a chiropractor. Will my medicare help pay for a chiropractor's service?

Answer: Medicare's medical insurance helps pay for only one kind of treatment by a licensed and certified chiropractor—man-

ual manipulation of the spine to correct a dislocation shown by X-ray. Medicare does not pay for the X-ray.

Question: My neighbor is 71 and the only income she has is rent from a small apartment in her house. Could she qualify for supplemental security income?

Answer: She may be eligible if she has limited resources and her income is small. She can get information about applying for supplemental security income by calling or writing any social security office.

Question: I am 64 and have been getting monthly social security benefits since my husband died

three years ago. I plan to remarry. Will my widow's benefits end?

Answer: Generally, widows who remarry after age 60 can continue to get benefits on their deceased husband's work record, but in a reduced amount. You may, however, also become entitled to a wife's benefit based on your new husband's record. Then, you could be paid a monthly amount equal to the higher benefit.

Question: I want to apply for the medical insurance payment under medicare. Do I have to send in anything other than a claim form?

Answer: Ask your doctor to complete part II of the "Request for Medicare Payment" form or

to give you an itemized bill to send with it. An itemized bill must show the date you received the services, the place you received them, a description of the services, the nature of your illness or injury (diagnosis), the charge for each service and your name and health insurance claim number.

Question: I have been getting supplemental security income payments for over a year. Now, I have a chance to take a part-time job. How will my earnings affect my supplemental security income payments? I am 66 and have no other income.

Answer: Earnings of \$85 or less a month will not affect your

monthly supplemental security income payments if you have no other income. Over \$85, your payment will be reduced by \$1 for each \$2 earned.

If you have questions regarding social security, contact the social security office at 1009 North Madison, Bay City, or phone 892-3554.

## Receive Degrees at Northern

Northern Michigan University conferred degrees on 733 grad-

uates during its 75th annual spring commencement Saturday, May 10, in the C. B. Hedgcock Fieldhouse. Included in the graduating class are 41 candidates for associate degrees, 646 for bachelor degrees and 46 for master degrees. The graduates represent 10 states, several United States trust territories and three foreign countries.

Among the graduates are Bonnie Groff of Tawas City, who received a bachelor of science degree in liberal arts, and Marypat Nadon of Wurtsmith Air Force Base, who was awarded a bachelor of arts degree in business.

# New Law Requires Immunization

15 Years Ago—  
May 11, 1960—Isosco County parents, who this month will enroll children in school for the first time, were reminded of a new state law requiring the youngsters to be immunized against five diseases. The diseases are smallpox, diphtheria, whooping cough, tet-

anus and poliomyelitis.

Nancy Allen, Tawas Area High School senior, was awarded the John Philip Sousa award during the annual spring concert held Saturday night.

Robert Toska of East Tawas was elected grand knight of Tawas Council No. 2709, Knights of Columbus.

Tawas Area had three first place winners in Friday's NEM track meet, won by Houghton Lake, the host school. Gary VanOrnum won first place in the 100-yard dash, Dwayne Ulman was the

victor in the 880-yard run and VanOrnum annexed the 220-yard dash.

### 25 Years Ago—

May 12, 1950—Tawas Perch Festival activities were held down to a minimum due to a 60-mile-an-hour gale which hit the area over the week-end.

Mr. and Mrs. Kenneth O'Brien of Saginaw have purchased the Hamburg Shop from Mr. and Mrs. Fred Frary. O'Brien formerly operated a restaurant at Saginaw.

Final determination by the Isosco County Tax Commission gave three mills for county operation,

seven mills to schools and one mill to townships submitting a request.

Alberta Buch, a senior at Tawas City High School, has received a state scholarship to attend Central Michigan College.

Whittmore High School held its annual junior-senior prom and alumni dance Saturday night at the community building.

### 35 Years Ago—

May 10, 1940—Formation of the Northeastern Michigan Hereford Calf Association was completed last week with C. T. Prescott of

Tawas City elected president. James P. Mielock of Alabaster was selected as secretary-treasurer.

Only 74 descriptions were sold at the sale of delinquent tax lands in Isosco County. This was one of the smallest sales held in years. About one-half of the 1,394 descriptions on the printed list were redeemed previous to the sale.

A residential building code was adopted by the Tawas City Council.

Martin McCormick of East Tawas was awarded first place in extempore speaking at the district

speech contest held at Shepherd. This is the highest award possible in the speech contest and, in winning it, he brings to his high school the banner awarded by the University of Michigan.

From Detroit comes word that 1941 models will present changes of a magnitude rarely before equaled in the automobile industry. Designs will be revised with a definite trend toward streamlined "torpedo" bodies.

## Bertha J. Collier Died in Florida

Bertha J. Collier of Dunedin, Florida, a former resident of East Tawas, died Sunday, May 4, at her home. Funeral services were conducted Tuesday, May 6, at First United Methodist Church, Dunedin, with burial in Sylvan Abbey Memorial Park, Pinellas County, Florida.

Mrs. Collier and her late husband, Clyde Collier, established Jerry's Marina at Tawas Point and moved to Florida after retirement.

She was born July 11, 1883, in Sanilac County. Survivors include one son, Delos Collier of East Tawas; three daughters, Mrs. Stanley (Ruth) Dawson of Dunedin, Mrs. Joseph (Ina) Zook of Beaverton and Mrs. Ernest (Myrtle) Huested of Tampa, Florida; 12 grandchildren; 22 great grandchildren; a sister, Mrs. Frank Seibert of Dunedin.

### IN THE SERVICE—

## Two from Area Participated in Marine Maneuver

Marine Cpl. Kenneth J. Penn, son of Mr. and Mrs. Jack K. Penn of East Tawas, and Marine Cpl. Carlos A. Kowalczewski, son of Mr. and Mrs. Leonar E. Kowalczewski of Oscoda, returned to the United States Marine Corps Base, Quantico, Virginia, after a Mediterranean deployment with Marine Medium Helicopter Squadron 263.

They participated in various training exercises while embarked aboard the amphibious assault ship, USS Guam, including "Alien Gold," involving units of the British and United States navies.

The squadron also helped to support amphibious training maneuvers conducted by elements of the French Foreign Legion at Toulon, France.

Penn and Kowalczewski visited several Mediterranean countries, including Italy and Spain.

## MSU Market-to-Table Meat Series

### 13: OTHER PROTEIN SOURCES

#### Meat's Not Alone

"Too often we think of meat as our only source of protein," says Marilyn Mook, Michigan State University extension foods specialist. "There are other less expensive foods that are good protein sources and offer menu variety."

Combine low-cost, high-protein plant foods with more expensive animal foods such as milk, eggs, cheese, fish and meat, and you'll get the most protein for your money, she advises.

Proteins are made up of building blocks called amino acids. There are eight essential amino acids which the body cannot synthesize. Because meat contains all eight of these amino acids, it is considered a complete protein. Few vegetables contain all eight, so you must use a combination.

A 3-oz. serving of cooked lean beef, pork, lamb, veal, turkey or fish provides 20 grams of protein or about 1/3 of your daily protein requirement. (An average adult male needs 54 grams of protein per day, a female needs 46 grams.)

#### Turn to Plant Protein

"It's possible and practical to use a variety of animal and plant proteins in a meal and get those 20 grams," says Miss Mook. "Dry beans, peas and peanut butter are good protein sources."

You could get 20 grams of protein by eating 4 1/2 tablespoons of peanut butter, 3 oz. of American cheese, 3 eggs, 1 1/2 cups of dry beans or a can of bean soup. Of course, these amounts are more than the average serving size. But by combining smaller amounts with other foods, you can meet your protein requirement.

#### Hidden Sources

Did you know a slice of bread or a 1-oz. serving of cereal contains about two grams of protein? Cereal and milk together give you about six grams. A 1/2-cup serving of cooked macaroni and 1/2 cup of ice cream each contain three grams of protein.

"Most Americans eat two to three times more protein than they need," says Miss Mook.

Your body can't store amino acids for future use, so excess protein turns into fat or carbohydrate. This is a waste of a scarce and expensive nutrient.

#### Combine Vegetable Protein With Animal Protein

Beans ..... Franks Split pea soup ..... Ham Navy beans ..... Pork Peanut butter sandwich ..... Milk Cereal (oats, corn, wheat) ..... Milk Macaroni ..... Cheese Noodles ..... Tuna Canned corn or hominy ..... Sausage Waffles/Pancakes ..... Milk

#### TVP: Household Word?

Even with lower-priced ground beef, many consumers may continue to buy soy-textured ground beef because they prefer it, says Dr. A. E. Reynolds, Michigan State University extension meats specialist.

In the past several years, when beef prices rose so sharply that even ground beef and hamburger prices seemed excessively high, many meat processors and retailers began marketing and promoting ground beef blended with TVP.

TVP is a soybean-based textured vegetable protein used as a meat extender. When added to ground beef, TVP tends to absorb moisture and fat—and that means a juicier hamburger patty.

You may find it worth while to give beef/soy blends another try, Reynolds suggests.

The results of a survey of over 1,500 Michigan consumers suggests that many buyers prefer a blend of hamburger and the right proportion of TVP.

#### Proportion Is Key

So far, there's been little research to find out what amount of TVP consumers will consider acceptable in beef patties. Most tests have been with high levels of TVP (as much as 30%) or with low levels (about 5%).

In the survey by Michigan State University's consumer marketing program, Michigan consumers compared plain hamburger with 1) hamburger with 12% TVP and 2) hamburger with 24% TVP.

Most participants found the beef patties somewhat difficult to evaluate. The patties were bland because no salt was added. (Salt can't be evenly distributed in ground beef for unbiased research testing.) In spite of that drawback, the majority of the participants rated the beef patty with 12% TVP the highest. They rated the patty with 24% TVP next highest and the all-beef patty placed last.

Why, then, have sales of beef/soy blends declined? Not only are hamburger prices lower, but many consumers had unfortunate experiences with ground meats that had too much added TVP. The result: an unfamiliar texture and poor flavor.

#### Baffled by Names?

Because you may be baffled by the variety of ground beef products and extended beef names, here is an explanation of the contents for some frequently-seen products, according to Federal standards.

**Chopped beef; ground beef:** No more than 30% fat; no added fat; may or may not contain seasoning; no added water, binders or extenders.

**Hamburger:** No more than 30% fat; may contain added fat, up to 30% total; may or may not contain seasoning; no added water, binders or extenders.

**Hamburger Patties:** Same restrictions as hamburger. In this case, the word patty refers to the shape, not the contents.

**Beef Patties:** May have approved extenders added, in any amount. No limit on amount of fat or added water. If 3% or less textured vegetable protein is added, it is simply listed on the ingredients list.

If 3% to 10% TVP is added, the name is **Beef Pattie, Textured Vegetable Protein Added**. If 10% to 50% TVP is added, the name is **Beef and Textured Vegetable Protein Pattie**.

**Binder:** A natural product found in muscle tissue that holds sausage ingredients together. Also, approved substances used to hold ingredients together: wheat flour, wheat gluten, egg whites, isolated soy protein, dried whey, and more.

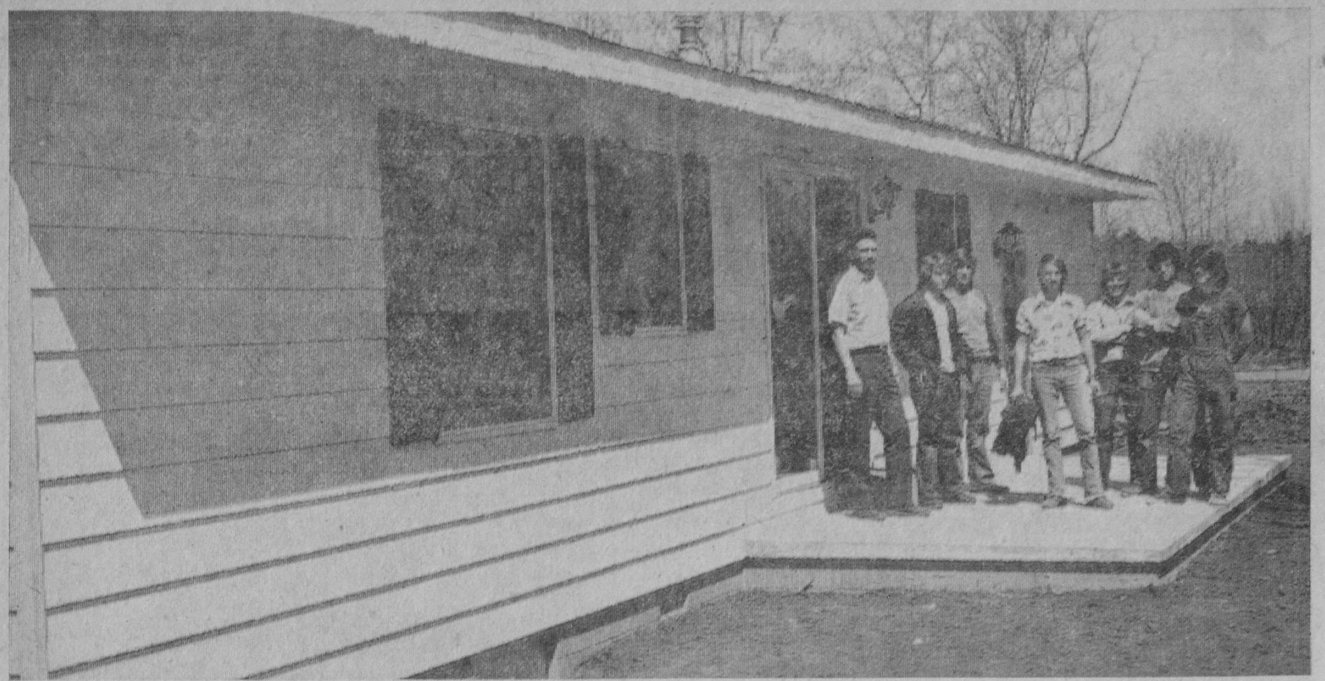

**Extender:** Used either to improve sausage processing or to "stretch" costly foods. Commonly-used extenders include cereal, vegetable starch, soy protein, dried milk, hydrolyzed plant protein.

#### State Law Differs

Under state law, hamburger produced in Michigan may have no more than 30% fat; ground beef, no more than 20% fat. Any ground meat product made in Michigan that cannot be classified as hamburger or ground beef, and contains supplements, is termed **meat loaf**.

## Learn by Doing

OPEN HOUSE for the three-bedroom dwelling being completed by the building trades class of Tawas Area High School will be held Saturday, May 31, and Sunday, June 1, 2:00 to 4:00 p. m. Located at 624 Church Street, East Tawas, work by local students on this dwelling has drawn many compliments from local contractors. Robert Reasner, instructor, said the 15 senior boys participating in the project were proud of their work. "This has been a great experience for all involved and the students have received practical training which should help them throughout their lives." Reasner is shown with some of his students in the top picture. Tim Johnson is shown installing a door in the picture at left, while Michael Smyczynski puts the finishing touches on vinyl wall covering at right.

## Class of '60

### NOW FACES BIGGEST CHALLENGE

Remember when you could send a postcard for 3¢, and for only 5¢ you could buy a candy bar? When 15¢ bought you a hot dog and 10¢ a refreshing root beer? You probably didn't know, but that also was the year your parents could buy a kilowatt-hour of electricity from us for 2.38 cents.

Things have changed a lot since 1960... music, politics, sports, our entire life style — and prices. Especially prices! For example, the same 10¢ root beer today will cost you 25¢. Why? Because sugar is essential in making root beer. And as the price of sugar goes up, so does root beer. That's exactly what has happened to the price of our kilowatt-hour.

Prices have soared for just about everything we buy. A coal-burning power plant, comparable in size to one built in 1960, would cost us over four

times more to build, today, than 15 years ago. The equipment used to protect the natural environment adds from 15 to 40 percent to the cost of new generating stations. And the cost of coal used in electric generation has more than doubled.

Everyone's biggest challenge, yours and ours, is to make ends meet in these inflationary times. And we will be the first to admit that it isn't easy.

So, along with the price of everything else, the price we must charge you for electric service has been increasing. However, the average price you pay today for electricity has only increased approximately one cent per kilowatt-hour since 1960. And, when you consider what inflation has done over the past 15 years to the price of almost everything — including a root beer — we hope you will think your electric service is still a good buy.

This message is paid for by the owners of Consumers Power Company.

STATE OF MICHIGAN  
 DEPARTMENT OF AGRICULTURE  
 BUREAU OF ANIMAL INDUSTRY  
 LANSING, MICHIGAN

Department of Agriculture Regulation No. 133  
 Regulation Relating to the Public Exhibition of Poultry

By virtue of the authority provided by Act 181, Public Acts of 1919, as amended, the following rules and regulations are hereby established:

1. Feed and water containers provided for exhibition coops shall be new or properly cleaned.

2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed and water. Feed or water containers may not be removed from exhibition coops except for the purpose of cleaning.
3. Exhibition coops must be thoroughly cleaned and disinfected, both prior to and following such exhibition.
4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.
5. Litter for exhibition coops must be of clean material and be renewed daily or oftener as needed.
6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room.
7. No bird shall be handled by anyone other than the attendant and the judge after they have been placed in exhibition coops.

It is recommended that all birds exhibited at fairs and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

—Rules—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.  
 All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
1. Rapidity of growth.
  2. Depth of pigment.
  3. Uniformity of shape and size.
  4. Promise of egg production.
  5. Absence of defects and disqualifications.
- B. Mature Birds (Hens):
1. Degree of bleaching.
  2. Condition of abdomen (spread and pliability).
  3. Absence of new primary wing feathers.
  4. Alertness of head and eyes.
  5. Body weight, conformation and fitness.
  6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.

A pen entry shall consist of two females and one male.  
 (Classifications: Cock, Cockerel, Hen, Pullet.)

be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.

3. All livestock from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin. Such animals shall meet Michigan requirements for importation into Michigan.

CATTLE

Cattle may not be exhibited from a quarantined premise or a quarantined area except upon permit from the Director of Agriculture or his authorized agent.

All cattle must be identified by ear tag, tattoo, or registration number.

Cattle from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin certifying that the animals meet Michigan requirements for importation.

OUT OF STATE FEEDER

Feeder cattle originating in other states being held in quarantine on feeder permits may qualify for exhibition in the following manner:

1. Steers must pass a test for tuberculosis and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested. Such steers must be accompanied by copy of test chart ADE Form 22.

2. Male and female feeder cattle must be tested for tuberculosis within 90 days of opening day and animals over one year of age must pass a test for brucellosis within 90 days of the opening day of the fair or exhibition and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested.

3. All cattle to be eligible for awards will be shown in the ring at halter in a manner prescribed by the judge.

SWINE

Requirements provided in Michigan Department of Agriculture Regulation No. 117:

1. All swine for exhibition must be free from infectious and contagious disease.

2. Native swine are not required to be vaccinated against hog cholera.

3. No swine shall be presented for exhibition purposes which have originated from any garbage feeding premise or that are in a quarantined area for the prevention of the spread of vesicular exanthema; or if a quarantine is on the premise for any reason (except upon a permit from the Director of Agriculture or his authorized agent.)

STATE OF MICHIGAN  
OFFICE OF THE GOVERNOR  
LANSING

WILLIAM G. MILLER  
GOVERNOR

**TO VISITORS AND SPONSORS:**

While visiting Michigan's county fairs, you will discover the great variety of our agricultural products.

Michigan farmers grow more than 50 important crops which help to feed not only the people of our state but the people of our nation and the world.

Michigan's 80 county, 4-H and agricultural fairs do more than promote our agricultural endeavors. The fairs are a stage for the horticultural, educational, mechanical and artistic pursuits of Michigan residents of all ages. Since 1846 Michigan families have come to the fair for education and entertainment.

It is a pleasure to officially welcome you to the 1975 fair. I hope you find enjoyment plus a renewed appreciation of Michigan's tremendous resources.

Sincerely,  
*William G. Miller*  
Governor

**TO FAIR VISITORS AND SPONSORS:**

As you enjoy Michigan's county fairs, notice the abundance of our state's farm products.

The farmers who produce our food make big investments of time and money and face constant uncertainties and risks. Yet these men and women of agriculture continue to farm and their labor has made agriculture the second largest industry in Michigan, valued last year at more than four billion dollars. The efficient production of our farms is one of the most important foundations for the "good life" enjoyed by Americans.

It is a pleasure to welcome you to the county fair on behalf of the Commission of Agriculture and the Michigan Department of Agriculture. You will be pleasantly surprised, I think, to find both entertainment and education here for all the members of your family.

Sincerely,

*B. Dale Ball*
