Contract Approved to Start Work on Water Project

General contractor for construction of water facilities in Tawas City, East Tawas and Baldwin Township was given approval to proceed with the work Wednesday by the Iosco County Department of Public Works.

The initial project of installing water main along Aulerich Road at the Tawas Area Industrial Park in Baldwin Township was stopped briefly the previous week due to the lack of final approval by Farmers Home Administration. Bonds for financing the local area's share of the project, to be financed under an FHA loan, have not been sold as yet and the general contractor, GGL Contractors, Belleville, had commenced work in order to take advantage of weather conditions.

Kenneth J. Myles, attorney for the DPW, reported Wednesday that FHA had indicated it had no objection to the early start, although the firm will receive no pay until after bonds are sold, which is expected in about a month.

Myles said he had reviewed contract documents and performance bonds furnished by the contractor and found them in order.

Completion of the \$1,409,733 project is expected by October 1 under terms of contracts.

Due to the fact that bids submitted by the three contractors were \$300,000 below estimates, the DPW has given authorization to local units to utilize residual funds to be received under the FHA loan at five percent interest for 40 years.

East Tawas is to borrow \$121,300 to construct additional water mains, while authorization was given to Tawas City to borrow \$70,000 for water extensions and \$19,500 for Baldwin Township.

Alpena Firm Had Low Bid on ET Park

Low bid on construction of the new Dewey Durant Park at East Tawas was approximately \$12,000 above the estimated cost provided by engineers and it is expected two alternates will be dropped for the time being to meet available financing.

Bid of Scheuner Construction Company, Incorporated, Alpena, \$94,775, was accepted at Thursday's bid opening. Three other bids were received from Davison and Son Builders, Incorporated, Tawas City; Bourdow Trucking, and Gary Steadman.

Original estimate of the project was \$82,000. The city is to receive matching funds of \$41,000 in Bureau of Outdoor Recreation funds to help finance the project.

The project includes earth work, construction of a parking lot, softball field, two tennis courts, fences, a gate and lighting. The city expects to eliminate lighting and part of the fence to come within the allotted financing.

Clerk Clyde Soper said that application is to be made to the county parks and recreation commission for additional funds to complete the entire project.

Graduation Sunday at TA School

Commencement program for the class of 1977 at Tawas Area High School is to be held Sunday, June 5, 1:30 p. m., at the high school football field.

Tawas Area High School Band under direction of Gene Salamony is to perform "Pomp and Circumstance" for the processional and recessional.

The invocation will be given by Holly Look and the benediction by Ray A. Haglund, both members of the graduation class.

The salutatory will be given by David M. Kennedy and the valedictory by Michael J. Barry.

Presentation of honors will be given by Prin. John A. Alexander and presentation of diplomas by David Kennedy and Randall J. DeWise, members of the board of education. Supt. Robert A. Halle will present comments.

The graduating class numbers 175 students.

Require Primary to Fill Vacancy on Iosco Board

Two candidates filed for the District Two vacancy on the Iosco County Board of Commissioners and a primary election is to be held Tuesday, July 5.

Candidates have until 4:00 p. m. Wednesday (today) to file nominating petitions with the Iosco County clerk.

Those persons who have filed for the office are Forrest R. Whalley and David George, both of AuSable Township.

A special election is to be held August 9 to name a successor for Donald Griffin, who resigned from the board of commissioners three weeks ago. Griffin had been a member of the commission since 1974.

Saginaw Man Drowned in Sudden Storm

Lake Huron claimed its first drowning victim of the 1977 boating season late Saturday afternoon when a freak wind storm struck this area without warning.

Otherwise, Iosco County escaped any serious mishap over the three-day Memorial Day week-end. Iosco County Sheriff's Department was to have resumed the search Tuesday afternoon for the body of Robert Lohr, 20, of Saginaw, a student from Western Michigan University, who lost his grip on a capsized sailboat and went under the water about one-half mile south of Tawas Point Lighthouse.

His companion, Forest W. Bowman, 20, Saginaw, was rescued by Michael Fisher, Iosco County Sheriff's Department marine deputy, and George Robson, DNR marine officer, who rushed to the scene in a DNR patrol boat.

The sudden storm struck here at 5:10 p. m. and was accompanied by waves running six to eight feet in height. The wind velocity reportedly ranged from 35 to 40 knots.

The twin-hulled sailboat, owned by Bowman, had been tacking into the wind when a sudden gust capsized it. Bowman said that he and Lohr tried several times to right the boat with no success. Bowman

said that the boat drifted in the water for about an hour after Lohr lost his grip.

The capsized craft was spotted by a Tawas Coast Guard patrol boat at 6:20 p. m., while enroute to assist another overturned boat near Alabaster. The coast guard called for assistance from the DNR boat, which had been on patrol in Tawas Bay and was only about 10 minutes away from the overturned craft. The coast guard patrol boat continued on to Alabaster.

The DNR boat reached the overturned sailboat at 6:30 p. m. and found the operator clinging to its underside. A search was made of the area for Lohr, but heavy seas forced the patrol boat to return to shore.

Officers said that there were no life jackets on board Bowman's craft.

More than 20 distress calls from boaters were answered by the coast guard and sheriff's department following the storm. The same high wind struck at Bay City about two hours later and caught a number of boaters by surprise.

Several persons who had been thrown into the water after their boat capsized near Alabaster were able to make shore without assistance.

BEACHES along Tawas Bay were crowded Saturday afternoon with bathers enjoying the hot weather. About two hours after this picture was snapped at the Tawas City Park, an unforecast gale out of the northeast hit the area and one person was drowned when

a sailboat capsized off Tawas Point. Tawas Point Coast Guard Station and other agencies were swamped with calls for assistance from boaters caught in the storm.—Tawas Herald Photo.

Light Vote in Special Primary; Webb and Pember to Meet June 28

Tabulations by the Iosco County Canvassing Board Wednesday revealed that only 547 voters went to the polls in the May 24 primary election to pick candidates for the special election on June 28.

Facing each other in the next election will be John Webb Jr., Republican, Reno Township, and Robert Pember, Democrat, Plainfield Township. The successful candidate will fill the vacancy on the Iosco County Board of Commissioners caused by the death of

William Wereley of Hale. Webb, a native of Plainfield Township, received 206 votes, while Pember received 84.

A total of 382 ballots were cast in Plainfield Township, 23 votes were recorded in two precincts of Oscoda Township, 70 ballots in two precincts of Grant Township and 72 ballots were recorded in Reno Township.

Webb ran a strong race in nearly all of the eight precincts, but had particularly good votes in the

two precincts of Plainfield Township and in Reno Township. Plainfield Township's first precinct gave 63 votes to Webb and the second precinct gave him 71 votes. He received 47 votes in Reno Township.

Warren R. Oakley Jr., another Republican candidate, had an excellent vote in Plainfield Township, receiving 40 votes in the first precinct and 55 votes in the second. How these voters cast their ballots in the June 28 election could be a

deciding factor in the race between Webb and Pember as Oakley had a total of 116 votes in the election.

The third Republican candidate, Lyle Long of Grant Township, received a total of 73 votes, 25 of which came from Plainfield Township and 37 from Grant Township.

Pember received 48 votes in the first precinct of Plainfield Township and 24 votes in the second precinct. Wade J. Forshee was not far behind with 30 votes in the first precinct and 16 votes in the second precinct.

Plainfield Township voters approved a special proposition on roads, 223-90.

Note Retired for Sand Lake Heights Community Center

Through a cooperative community-wide effort, Sand Lake Heights Men's Association Friday afternoon retired the mortgage on the Sand Lake Heights Community Center.

Vincent Wade, president of the association, said that a mortgage burning ceremony would be held Saturday, July 9.

"Paying off this mortgage has been a super effort on the part of several different organizations," said Wade. "Citizens of three different townships were involved and the cooperation has been great."

The Sand Lake Heights Men's Association received a loan of \$20,000 on June 1, 1975, from Farmers and Merchants State Bank to construct the community center. The balance paid off Friday amounted to \$5,368.13.

Wade said that \$4,700 of the above amount was a donation from Sand Lake Senior Citizens, which the organization raised through its activities.

Other groups participating in financing the construction included the Grant Township Fire Department and the women's auxiliary of the Sand Lake Heights Men's Association.

Wade announced Friday that bids are to be let within two weeks to complete work on the kitchen.

Construction of the community center is the culmination of many years of efforts on the part of citizens of the lakes area. The idea originated following formation of the Grant Township Fire Department and was first promoted during Grant Township's centennial in 1967.

The community center is located near the township fire hall at Sand Lake. Facilities at the grounds include a softball field, a tennis court and playground equipment.

Participate in Class B State Track Finals

Jeff Tousley, Neil Warner and Andy Mayer of the Tawas Area Braves travel to Harper Creek High School, Battle Creek, Saturday for the state class B final.

Tawas' best chance for a place is with Tousley in the long jump and Warner in the 100-yard dash. Tousley is also in the 330-yard low hurdles and the 440-yard dash.

All Candidates or Elected Officers Must File Forms

Michigan's new campaign finance act, which was pushed through the state legislature by the Common Cause organization, may be annoying, bothersome and an actual waste of tax dollars in the long run, but candidates are warned that noncompliance with terms of the new act will be costly to them.

According to terms of the act, which are to be enforced by the secretary of state's office, a late filing candidate will be assessed a \$10 fee for every day the required forms are not in the hands of the county clerk.

D. Keith Pappas, Iosco County clerk, attended a meeting Thursday at West Branch to hear an explanation of the law by representatives of the secretary of state's office. He returned with a box filled with 50 pounds of printed forms, all provided by the state.

For most local candidates—township, city, board of education and some county officers—the process of reporting will be rather simple. Each candidate or presently elected officer, however, must obtain a form from the county clerk and organize a campaign committee. A provision is made to form a candidate committee, which needs only the signature of the candidate. Each candidate or elected officer has 10 days after June 1 to comply with the law.

Those candidates receiving or spending less than \$500 in their campaign—\$1,000 in the case of a primary plus a second special or general election—need only fill out a second form indicating that less than \$500 was received or expended in the campaign. The form is then filed with the county clerk.

The process will be much more complicated for those candidates receiving or spending more than \$500 in their election campaign. Any candidate who has organized a committee prior to June 1, but has not received any funds, has until June 30 to file.

The county clerk said Thursday it may take the proverbial Philadelphia lawyer to fill out forms for those candidates spending more than \$500 for an election. He advises all candidates or presently elected officers to contact his office immediately.

The county clerk is required to collect a \$10 fee from each person filing the forms. The money is to go to the state.

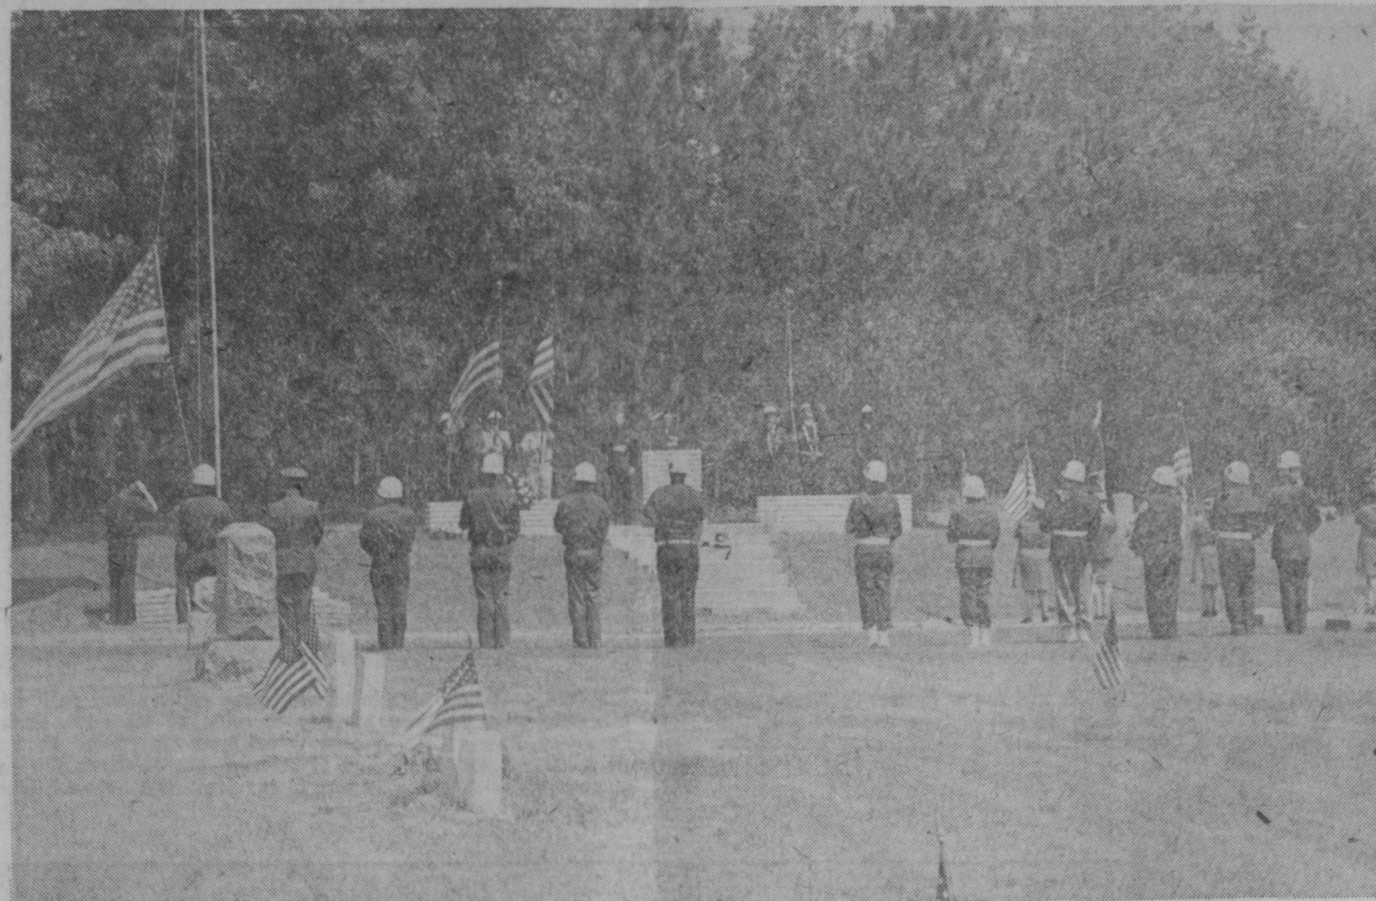

The clerk must also prepare a file card system showing the name and office of every person in the county who should file the forms. This file is to be checked later by the secretary of state's office to determine if candidates or officers have complied with the act.

A much simpler filing and record keeping system probably could have been designed for small counties to meet public disclosure of campaign financing, but that is not the way the state operates. A special branch within the secretary of state's office has been established to administer the act and the entire operation is expected to cost several millions of dollars in tax money.

Memorial Day Observed in Fine Fashion

"Great pride was evident Memorial Day when the Jesse C. Hodder Post No. 189 and the Disabled American Veterans Chapter No. 130 joined ranks to honor men and women who have served this nation so honorably," states Hugh Prescott, commander of the American Legion.

"The post extends appreciation to not only its own loyal ranks, but to the DAV chapter under the command of Carroll E. Wilfred and extends an invitation to join ranks again next Memorial Day," said Prescott.

Complementing this year's parade was Boy Scout Troop No. 974, under the direction of Thomas Pockrandt, scoutmaster. The troop is further commended for its special help in the decoration of 189 graves of veterans at Memory Gardens Cemetery.

Russell A. Rollin served as honorary officer of the day and the 4-H Clown Club joined the marchers. John Alexander was officer of the day and the Rev. John Palmer, pastor of First Baptist Church, was the speaker.

The post commander expressed gratitude to Tawas Area High School Band under Gene Salamony, director, for its participation.

Following the services, open house was held at the American Legion Hall on North Street. Refreshments were hosted by Fred Francis, president of Tawas Area Senior Citizens, and Belle Prescott, chaplain of Post No. 189.

To Announce Provincial House Plans

Jeffrey Poorman of Provincial House, Incorporated, Lansing, is expected to announce plans (today) Wednesday for construction of the new nursing home on Fifth Avenue, Tawas City. Plans have been approved by the Iosco County Department of Building and Safety Inspection.

Taste of SPRING

Suddenly the bitter bite in the air disappears! It's that first fresh breath of spring. Crocuses, daffodils and even tulips are beginning to peek through the crusty soil!

There can be excitement, too, in your spring menus. This recipe for Spicy Stuffed Ham Slices, for example, is a delicious and delightfully unique entree. A spring-fresh idea that's easy, too.

Sandwiched between ham slices is a delicately crunchy corn bread stuffing. A sophisticated stuffing, this harmonious combination of crumbled corn bread you make from enriched corn meal. Add pecans, raisins and cinnamon for the perfect spring taste complement to the ham flavor.

Attractively topped with pineapple rings, a sprinkling of raisins and a pineapple glaze, Spicy Stuffed Ham Slices becomes truly festive. Carry out this theme with fresh asparagus, tossed greens salad and strawberry-rhubarb pie. Suddenly it's spring at the dinner table!

Spicy Stuffed Ham Slices, served with fresh asparagus and tossed greens salad, says spring at the dinner table.

SPICY STUFFED HAM SLICES

One pan corn bread, cooled, crumbled*
1/4 cup raisins
1/4 cup chopped pecans
1/4 teaspoon salt
1/4 teaspoon cinnamon
1 egg, beaten
1/4 cup butter or margarine, melted

One 8-oz. can pineapple slices
2 smoked "fully-cooked" ham slices, cut 1/4 to 1/2-inch thick
1/4 cup firmly packed brown sugar

*CORN BREAD

2/3 cup enriched corn meal
2 tablespoons all-purpose flour
3/4 teaspoon baking powder
1/4 teaspoon salt
2/3 cup milk
1 egg
1 tablespoon vegetable oil

Combine dry ingredients. Add combined milk, egg and oil, mixing just until dry ingredients are moistened. Bake in greased 8-1/2x4-1/2x2-1/2-inch loaf pan in preheated very hot oven (450°F.) about 20 minutes. Cool. Makes one 8-1/2x4-1/2x2-1/2-inch loaf pan of corn bread.

Ross-Cornillie Marriage Vows Said at Mt. Pleasant

University Chapel, Mt. Pleasant, was the scene of the double ring ceremony Saturday, May 28, uniting in marriage the former Maria I. Cornillie, daughter of Mr. and Mrs. Hugh Prescott of East Tawas, and Daniel J. Ross, son of Dr. and Mrs. Edgar Ross of Mt. Pleasant.

The Rev. Malcolm Brown and Stephen Ross, brother of the bridegroom, performed the 11:30 a. m. ceremony, which was followed by a brunch at the Holiday Inn. Beverly Ross, vocalist, was accompanied by Dennis Flynn at the organ.

The bride descended the aisle on the arm of her step-father in a gown of silk and chiffon with a Venetian lace trimmed V-neck collar, Empire waist and embroidered floral bodice. A cap-style headpiece secured the elbow length veil. She carried a bouquet of blue daisies, babies breath and white roses.

The bride's sister, Mrs. Jackie Kelley of Rochester, was matron of honor. Bridesmaids were Mrs. Dallas Brewer of Bay City and Mrs. Patrick Watters of Rochester, both sisters of the bride. Re-

becca Watters and Kristina Kelley served-as-flower girls. The attendants wore identical gowns of light blue chiffon with Empire waist and square neckline. Their bouquets were made of blue daisies and babies breath.

Steven Schmidt of Kalamazoo was best man with Rodney Owen of Mt. Pleasant and Daniel Weigl of Saginaw as groomsmen.

For her daughter's wedding, Mrs. Prescott selected a pink and white floral gown. The bridegroom's mother chose a light blue sleeveless dress and matching jacket with lace sleeves.

The newlyweds, who will reside in Mt. Pleasant, both attended Delta College. The bride is a graduate of Tawas Area High School. Her husband is a graduate of Mt. Pleasant High School and attended Hillsdale College.

Guests attending were from Tawas City, East Tawas, Fenton, Madison Heights, Farmington Hills, Ferndale, Owosso, Highland Park and Lancaster, Wisconsin.

The bride was honored by a pre-nuptial shower given by Mrs. Kelley.

Gardeners Should be Picky About Weed Control

Every vegetable gardener should be as picky about his weed control method as about the type of plants in his garden, according to A. R. Putnam, horticulturist at Michigan State University. Basically, the home vegetable grower has two choices: Cultural or chemical weed control.

The nonchemical or cultural methods are generally the least expensive and most practical for small gardens. Mulching keeps weed seeds from germinating and smothers existing small weeds. The larger weeds should be removed by hand before mulching. Mulching also helps keep in soil moisture and adds to the appearance of the garden.

Putnam points out that mulching needs to be done only once per growing season, directly after plants have been set out or after vegetable seedlings are about four inches high.

The most common mulches are plant materials or organic mulches such as grass clippings, leaves, compost, straw or sphagnum peat moss. Other materials suitable for use in vegetable gardens include sawdust, shredded bark, mushroom compost, peanut hulls and crushed or whole corncobs.

When mulching with sawdust, corncobs, straw or shredded bark, the gardener should apply a little extra nitrogen fertilizer to prevent nitrogen deficiency. Newspapers can be used, but should be placed several layers thick and anchored securely.

Aluminum foil, fiberglass mats (such as used for building insulation) and black plastic are inorganic mulches. These materials are not derived from plants. The most popular inorganic mulch is black plastic. In the spring, the plastic is spread over the ground and the young plants or seeds are set in the ground through slits in the plastic. Soil can be used to hold down the edges.

Putnam usually advises against using chemical weed control in the home vegetable garden. These substances were designed to kill plants and are only safe around certain plants. If not used with cau-

Flavor Adventure from the Far East

Oriental Sweet 'N Sour Pork is a delicate balance of crisp-coated pork with green pepper and pineapple, delicious served with rice.

The Far East can be as near as your kitchen with this exciting recipe suggestion. Oriental Sweet 'N Sour Pork is an easy version of the colorful, tantalizing Chinese specialties, so popular today.

Cubes of boneless pork are lightly coated with batter (begun from pancake mix) and fried in oil. The pork is then combined with a tangy sweet sour sauce, boasting square of green pepper and juicy pineapple chunks. The "sour" of the sauce is vinegar, and the "sweet" comes from maple-

blended syrup. The maple-blended syrup lends a distinct, yet delicate flavor to this expertly seasoned sauce.

Served with a bowl of white rice, Chinese snow peas or any favorite vegetable and tea, Oriental Sweet-Sour Pork makes exotic fare for adventuresome diners. A light, seasonal dessert might be colorful chilled melon balls and crisp fortune cookies. Your family or guests will be impressed with your creativity and delighted with this dinner with a Far East flavor.

ORIENTAL SWEET 'N SOUR PORK

- | | |
|---|---|
| Fried Pork: | Sauce: |
| 2 pork blade steaks, cut 1/2-inch thick | 1 large green pepper, cut into 1-inch cubes |
| 1/2 cup pancake mix | 1 garlic clove, minced |
| 1 egg, beaten | 1/2 cup chicken stock |
| 1/4 cup chicken stock | 1/2 cup maple-blended syrup |
| 1/2 teaspoon salt | 1/4 cup vinegar |
| Vegetable oil | 1 teaspoon soy sauce |
| | One 15-oz. can pineapple chunks |
| | 2 tablespoons corn starch |

For fried pork, cut pork steaks into 2x1-inch pieces, removing bones. Combine pancake mix, egg, chicken stock and salt mix until batter is fairly smooth. Dip pork cubes into batter. Fry in 1/2-inch deep hot oil (400°F.) 7 to 8 minutes or until crisp and golden brown, turning once. Remove pork from oil. Drain oil, reserving 1 tablespoon.

For sauce, saute green pepper and garlic in reserved hot oil. Add chicken stock, syrup, vinegar and soy sauce. Bring to a boil; simmer 1 minute. Drain pineapple, reserving 1/2 cup juice. Combine corn starch with reserved juice; gradually add to green pepper mixture. Cook over medium heat, stirring constantly, until sauce is thickened and clear. Stir in fried pork and pineapple; continue cooking over low heat about 2 minutes. Serve over hot cooked rice, if desired. Makes 3 to 4 servings.

For appetites as big as THE GREAT OUTDOORS

The outdoor season will be here before you know it! So now's the time to think about some new food ideas for your list of outdoor menus. Or, add a little zest and zip to an old cookout favorite.

Most everyone loves a grilled burger and this one is mouth-watering and spicy. West By Southwest Burgers are full of meaty goodness. That is because oats are in these ground beef patties to keep in juicy goodness and flavor while the spices give these plump, super burgers a Southwestern flair.

Cheese, avocado and tomato layers add tantalizing zest to South By Southwest Burgers. And to "sandwich" the burgers, use Vienna bread slices, spread with a quick combination of mayonnaise, chili sauce and chili powder. The taste is terrific and sure to please hearty outdoor appetites.

West By Southwest Burgers are extra juicy and tasty thanks to the oats added to the ground beef.

WEST BY SOUTHWEST BURGERS

- | | |
|---|------------------------------|
| Zippy Spread | 1/2 cup chili sauce |
| 1/2 cup mayonnaise | 1 egg, beaten |
| 1/4 cup chili sauce | 1 teaspoon garlic salt |
| 1/4 teaspoon chili powder | 1/2 teaspoon chili powder |
| Burgers: | 12 thin Vienna bread slices |
| 1-1/2 lb. ground beef | Shredded lettuce |
| 3/4 cup quick or old fashioned oats, uncooked | 6 tomato slices |
| | 1 avocado, cut into 6 slices |

For zippy spread, combine all ingredients; mix well. Chill. For burgers, combine meat, oats, chili sauce, egg, garlic salt and chili powder; mix well. Shape to form 6 oval patties. Place on rack of broiler pan or over ash-covered coals about 5 inches from heat. Broil about 5 minutes on each side or until desired doneness. Top each burger with cheese slice. For each sandwich, spread bread slices with zippy spread; cover 6 slices with shredded lettuce. Top lettuce with burger, tomato, avocado and remaining bread slice. Makes 6 burgers.

AN EXCELLENT CROWD was on hand Monday morning for the annual Memorial Day service at Memory Gardens Cemetery, Tawas City. The Rev. John Palmer, pastor of First Baptist Church, was reading the roll call of deceased veterans when this picture was snapped.—Tawas Herald Photo.

FINDING A JOB

There's a fast, modern employment service that's making it easier to find jobs and to fill jobs. It's called Job Service.

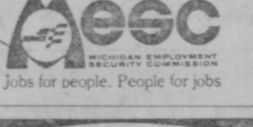

Last year, we filled over four million jobs. In forty years, we've never charged a fee.

Only Job Service has Job Bank. A new, computerized system.

If you're an employer and can't fill a job, we'll list it in Job Bank.

If you can't find a job, we'll match your skills to a job listed in Job Bank. So you won't have to walk all over town seeing the wrong people about the wrong jobs.

We're working to get people working. Help us do our job. Call Job Service.

The Kitchen Almanac

Cheese chatter — Serve most cheeses at room temperature to bring out characteristic flavor and texture. (Exceptions are cottage cheese and other soft unripened varieties which are served directly from the refrigerator.)

Remove hard varieties of cheese from the refrigerator an hour before serving, but keep them wrapped so that cut surfaces do not dry out.

And still more on cheese — Sprinkle grated cheese over eggs to be baked or combine with scrambled eggs for a different flavor.

Making a cheese omelet? Add shredded cheese after the omelet is cooked — before folding.

In case you didn't know, "Half and Half" is a mixture of milk and cream which contains not less than 10.5% and not more than 18% milkfat.

Peanut Cinnamon Toast 1/4 cup peanut butter 1/4 cup dark brown sugar 1 tablespoon margarine 1/2 teaspoon cinnamon

Blend ingredients until smooth. Spread on slices of bread and toast the slices in

the oven until bottom of bread is brown.

The homemaker who said, "I don't really need an automatic dishwasher," probably has never owned one. According to researchers at KitchenAid appliances, the modern automatic dishwasher is now one of the most sought-after kitchen appliances. (Many new homes, condominiums and newly remodeled kitchens include dishwashers as a "standard feature".)

According to Richard Lyng — president of the American Meat Institute, consumers can look forward to continued plentiful supplies of red meat at reasonable prices in 1977.

If your baked breads, biscuits, muffins or other home-baked goodies start getting too brown on top — yet aren't done through — loosely cover them with a tent of aluminum foil.

This trick will halt the browning while the baking continues.

Braves Won Over Gaylord in Predistrict

Keith LaHaye pitched a two-hitter Friday as the Tawas Area Braves won the predistrict baseball game with Gaylord, 4-1. The game was played on the winners' home field.

LaHaye aided his own cause with a double and batted in two runs. Mike Lear had a double and batted in one run, while Bruce Harris had a run-scoring single.

Tawas is to participate in the tournament to be held Saturday, June 4, 12 o'clock noon, at Pinconning.

Finals

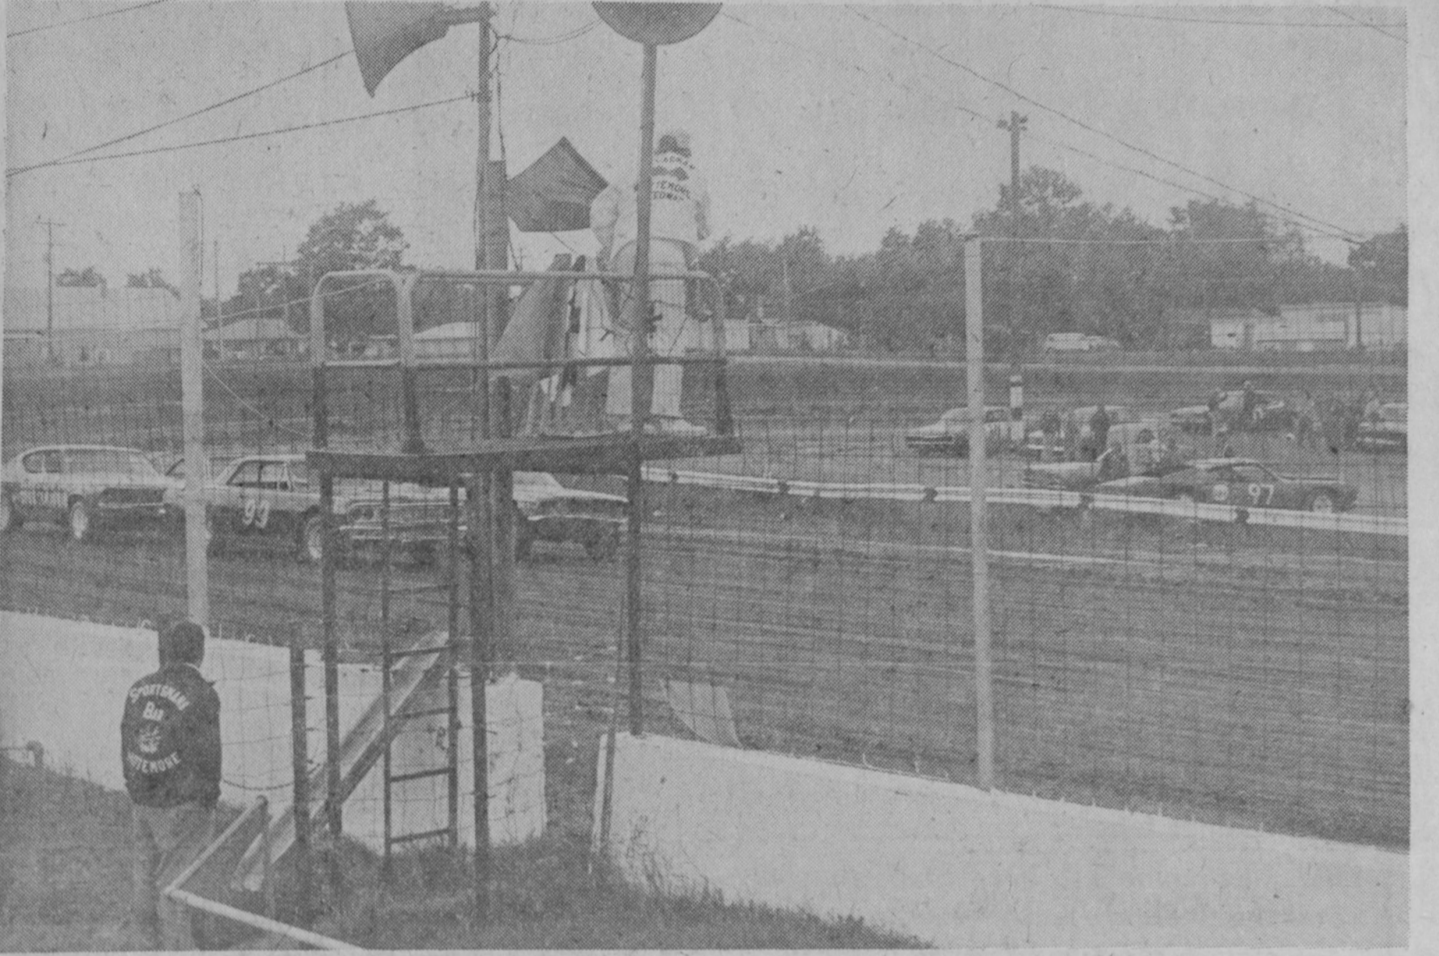

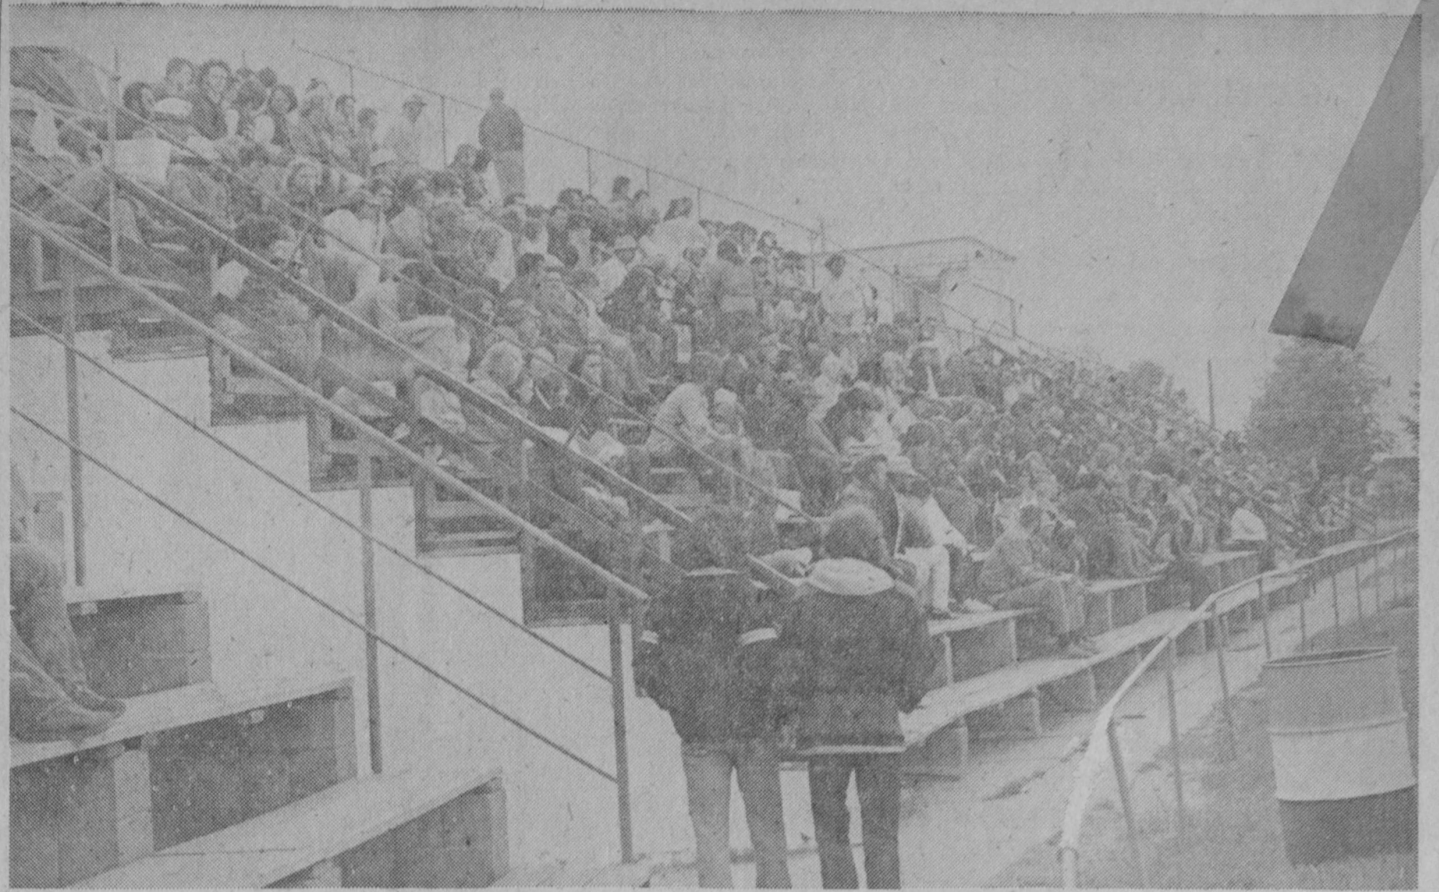

(Continued from page 1, sec. 1.) of being a state finalist in the 220-yard dash.

There are preliminaries, semi-finals and finals in which the top four are taken. Mayer would have to run his best time or better to keep qualifying for the final.

Tousley was second in the 440-yard run with a time of 51.15 seconds in the meet of champions held May 27 at Alpena. Warner was first in the 100-yard dash with a time of 10.2 seconds and Mayer was third in the 100 and second in the 220-yard dash.

Tawas Indies Defeated Lincoln, 7-4; Potts Gave Up Six Hits in 10 Innings

Brad Potts gave up only six hits as the Tawas Indies defeated Lincoln, 7-4, in Sunday's Northeastern Michigan Baseball League action.

Potts struck out 11 batters in the 10 innings he was on the mound and left only three batters stranded on base.

Lincoln's losing pitcher, Dick Karsen, pitched four and one-third innings and gave up four hits, three runs and struck out four batters. Starting pitcher, Craig Kilbourn, walked four, struck out one, gave up 10 hits and four runs. Together, the two Lincoln pitchers left 11 runners on base.

Tawas' top hitters were Clarence Jordan with two singles and a home run; Wayne Revord, Earl Parsons and Skip Murringer each

with a single and a double. Lincoln's top hitter was Kilbourn, who had two singles. Karsen contributed a double.

Tawas scored two runs in the second inning, one in the third and one in the fifth to lead Lincoln until the ninth inning. Lincoln scored one run in the fifth, two in the seventh and one in the ninth on a base hit, a walk and a double.

Tawas scored three runs in the 10th inning on a double, a base hit and Clarence Jordan's home run.

Potts struck out three Lincoln batters in the 10th inning to end the game.

Tawas plays June 4 at Alpena instead of the scheduled June 5 game.

Tawas Girls Won; Boys Lost to Pinny

Tawas Braves had to settle for a second place finish in Wednesday's Northeastern Michigan Conference at Pinconning, but the Bravettes were crowned conference champions.

The Pinconning Spartans, which won all nine of its dual meets this year, won the conference crown with 70 points, followed by Tawas Area with 61 points, Ogemaw Heights had 54, Standish-Sterling had 48½, Gladwin picked up 20 and Whittemore-Prescott had 14.

Tawas had two double winners in the meet. Jeff Tousley won the 440-yard dash and the high jump, while Andy Mayer won the

long jump and the 220-yard dash. The Bravettes won the girls' meet with 65½ points, followed by Ogemaw Heights with 58½, Pinconning with 46, Gladwin had 28½, Whittemore-Prescott picked up 21 and Standish-Sterling was last with 18. Debbi Taylor led the Tawas scoring attack by winning first in the 880 and 440-yard running events. Kim Wickert won the discus, Mary Jane Williams annexed the 110-yard low hurdles and Andrea Colburn won the mile.

The Bravettes' mile relay team of Maria Pintkowski, Colburn, Lynn Look and Taylor also won first place.

Tawas Opened Arms to DISABLED VETERANS

THE TAWASES opened its arms to wounded veterans of World War II, who were being treated at Percy Jones Hospital, Battle Creek. In September 1948, a special week-end program was ar-

ranged here and the disabled guests were greeted by Chief Blue Cloud and other officials of the Tawas.—Photos by Donald Gould.

The Tawas have played host to numerous conventions, festivals and meetings over the years, but one of the most unusual gatherings ever to take place here occurred nearly 30 years ago when the community opened its arms to disabled veterans of Percy Jones Hospital, Battle Creek.

World War II was still fresh in mind when Fred Getts, commander of Iosco Post No. 5678, Veterans of Foreign Wars, announced on September 18, 1948, that arrangements were being completed for the entertainment of 100 disabled veterans on the week-end of October 1, 2 and 3.

The community responded quickly to this unique idea and opened its heart to the young patients of Percy Jones Hospital, who had been wounded on various battlefields of World War II and were still undergoing treatment. Helping to make arrangements for the visit was Vera Brown, columnist for The Detroit Times.

"In the name of the people of the Tawas, we wish to welcome you and to offer every facility available for your convenience and enjoyment. We hope your visit to our community is a pleasant one," stated a joint proclamation issued by John D. LeClair, mayor of Tawas City, and Henry L. Klenow, mayor of East Tawas.

Joining the VFW in sponsoring the visit were Tawas Chamber of Commerce, Jesse C. Hodder and Audie Johnson American Legion Posts, Tawas Kiwanis Club, the Fraternal Order of Eagles and several other organizations of the community.

With transportation furnished by military and civilian aircraft, the contingent of veterans arrived at Oscoda Air Base on October 1, 1948, where the opening program featured an air show by air force jet fighter aircraft.

A special train provided by the Detroit and Mackinac Railway brought the disabled veterans to the Tawas, where the guests were honored at a luncheon at Gifford's Grill given by Charles A. Pinkerton Jr., president of the railroad.

Using cars donated by residents of the community, the guests were whisked off on scenic drives through the AuSable River and Silver Valley districts. A group picture was taken at the Lumbermen's Monument by Donald Gould of East Tawas and a finished print was later given to each man as a memento of the occasion.

Friday's program included a dinner at the Odd Fellow Hall at East

Saturday morning's program included fishing and sight seeing trips on Tawas Bay aboard boats furnished by William DeGrow and Lee Case, followed by a noon pancake luncheon at the Eagles Hall. Entertainment in the afternoon included airplane rides at the Tawas City Airport on Meadow Road, a trapshoot at the Tawas City Park, speed boat trips, bowling and roller skating at the East Tawas Roller Drome.

Dinner was served Saturday evening at Davison's Restaurant under sponsorship of Mr. and Mrs. Edward Davison and Mr. and Mrs. Elmer Slaven. Roy McMurray acted as master of ceremonies for entertainment at the Eagles Hall, which included vaudeville acts, singing and dancing.

Churches of the community honored the disabled veterans during Sunday morning services, followed by fishing trips and another trapshoot sponsored by Iosco Sportsmen's Club.

charge by the owners. The program concluded Sunday afternoon with a venison dinner at

the Barnes Hotel. The venison was furnished by Cons. Officer Arthur Leitz from deer which had been killed by farmers, who had special permits to protect crops from foraging deer.

"After three active days of recreational programs, the men reluctantly left Sunday evening for Oscoda Air Base to return to Battle Creek by airplane," reported The Tawas Herald.

The event was one of the most memorable activities in the history of the Tawas. A number of the young disabled war veterans, who recovered and returned to civilian life, later returned to the Tawas on vacations and personally thanked organizations and individuals responsible for the pleasant interlude during their hospitalization.

A member of one of the sponsoring organizations later recalled that 1948 week-end as a "Memorial Day" to the living.

Start Exhibit Plans Now for Iosco Fair

County fair time at Hale is less than two months away and the Iosco County Agricultural Society reminds residents that now is the time to begin making plans to enter exhibits in the 1977 event.

A guide for 1977 exhibitors is included in this week's issue of The Tawas Herald and Richard M. Samson, secretary-manager, urges all interested persons to keep this special section for reference in planning exhibits.

"This is a county-wide event and members of the board of directors stress the fact that we want participation from all communities," states Gerald Bellen, Whittemore, president of the agricultural society.

The four-day fair has something for all ages—from special events for youngsters to a senior citizens' day—and features exhibits, judging, a giant midway and horse racing.

The program is to open Wednesday, July 27, with assembling exhibits. The midway and rides are to open July 26.

Features during the four days include a pony pull, harness rac-

ing, judging of 4-H exhibits and horses, open class judging, games and contests, parade and fat steer sale.

Senior citizens should make plans to attend a special day for oldsters on Friday, July 29. All senior citizens are to be admitted free. There will be a jamboree of retirees' kitchen bands and crowning of a retiree king and queen.

The guide for 1977 exhibitors includes general rules, the annual premium list, program of activities, along with the schedule of harness racing events and pony pulling contest.

Department superintendents include Charles Preston, livestock; Perry Shellenbarger, poultry; John Dooley, farm produce; Ann Strickler, flowers and plants; Agnes Bodenborn, home economics; Mrs. Gerald Bellen, domestic arts; Adele Brown, antiques; Mrs. Louis Gilles, art, hobbies and handicraft; Elwood Ruckle, games and contests; Lyle Bielby, conservation; Val Samson and Lynn Erickson, youth division; Robert Ruckle, harness racing.

from The World's Most Widely Used Devotional Guide

(Read Psalm 121)

"The Giver of the promise may be trusted." (Hebrews 10:23 NEB)

Recently, I experienced my first major surgery. Naturally, I was apprehensive. The night before, the doctor said in a voice of confidence to my husband, "I'll talk to you when the operation is over." As my husband left that night, he said, "I'll be here when they bring you back to your room tomorrow."

The following morning, after I had been prepared to go to surgery, a sweet-faced nurse, with a crisp cap perched on her head, said at my bedside, "Hi, I'm Ginny. I'll be here when you come back. I'll be checking with you every few minutes."

As I battled back after surgery, through the maze of tubes, intravenous feeding, excruciating pain, the myriad faces, tests and shots, a glimpse of Ginny bending over me in concern was a source of security. Each time I felt the loving pressure of my husband's hand on mine, I seemed to hear the words, "I'll be here."

Isaiah 43:2 says, "When you pass through the waters I will be with you; and through the rivers, they shall not overwhelm you." That is God's promise to us.

PRAYER

Help us, our Father, not only to remember Your promises, but also Your omnipotence. May we rely completely on Your word. Amen.

Susan Cronk Returns as Army Recruiter

Pvt. Susan Cronk, a 1974 graduate of Tawas Area High School, has returned to this area as an army recruiter aide, according to SFC Jerry Luczak, Iosco County army recruiter.

Private Cronk is one of several hundred aides who have returned to their local areas across the country to help army recruiters for 30-day periods in the army's hometown recruiter assistance program. As an aide, she will talk with young people about her military experiences and encourage them to contact Luczak about joining her in the army.

The daughter of Mrs. Robert MacGregor of Oscoda and the late Clifford Simmons of East Tawas, Private Cronk is married to PFC David Cronk, son of Mr. and Mrs. William Cronk of East Tawas. He is a food specialist at Ft. Knox, Kentucky.

Private Cronk just finished advanced army training as a stock control and accounting specialist at Ft. Lee, Virginia. She earlier completed basic training at Ft. Jackson, South Carolina. Following her aide duty, she will join her husband at Ft. Knox.

Individuals interested in army information may call 362-6366 (collect).

Funeral Held for Helen Steele

Services for Helen Steele of Indian Lake, who passed away Tuesday, May 24, were conducted Friday, May 27, at Case Funeral Home, Saginaw. Interment was in Oakwood Mausoleum.

The former Helen B. Karp was born August 29, 1901, in Saginaw and moved to Indian Lake in 1965 following retirement. She married Herbert Steele June 22, 1922.

She was a member of Christ Episcopal Church, East Tawas; St. Mary's Guild; Ladies Literary Club; Lake Shore Chapter No. 661, American Association of Retired Persons; Tawas Area Senior Citizens; Royal Arch Widows, and a life member of Martha Washington Chapter, Order of the Eastern Star.

Surviving besides her husband are one son, Donald, and one daughter, Mrs. Marion Hatfield, both of Saginaw.

IOSCO COUNTY Road Commission is now operating out of its new headquarters on M-55 east of Sand Lake Road. Work was being completed last Wednesday morning on blacktopping of

driveways and parking lots. James Delahanty, engineer-manager, said that some work yet remained on landscaping and the old garage at East Tawas was to be cleaned out. Work on the

new facility began in April of 1976. A public open house is to be held there on Friday, July 8. A special program is being planned by the road commission.—Tawas Herald Photo.

Mental Health Announces Two Staff Changes

Promotion of a staff member and the employment of a new staff member were announced Tuesday, May 24, by the Iosco-Ogemaw Community Mental Health Services Board.

Floyd Smith, director of the agency, announced that Ray Charrette, staff social worker in the Rose City clinic, has been promoted to the position of program director of the clinical practice program. Charrette will supervise clinical therapists in Rose City and Tawas City clinics. As part of his duties, he will also be in charge of providing aftercare service to people being released from Traverse City State Hospital. He will also provide emergency mental health therapy. Charrette holds the degree of master of social work, is a member of the National Association of Social Workers and has been employed at the Rose City clinic for the past five years.

In a related development, the mental health board contracted for the services of a psychiatrist, Dr. Seuk S. Im of Alpena. Doctor Im will be working in the Tawas City clinic two days a month and in the Rose City clinic one day per month. Doctor Im presently practices at Alpena General Hospital and in private practice. He was previously employed as director of community psychiatric programs for Traverse City State Hospital.

GOD STILL LOVES YOU.

If you wandered away from Him, there must have been a reason. But maybe what you lost interest in wasn't really God at all. Wouldn't it be satisfying, getting to know God as He really is... understanding your place in His loving plan? Let our Sunday church service help. This or any week.

Proper Planting Can Assure Growth

Dr. August DeHertogh, Michigan State University horticulturist, says many gardeners have trouble getting bulbs to bloom because they plant the bulbs improperly.

Planting times vary according to the variety of bulbs used. Spring bulbs should be planted in the fall so that roots can develop before the ground freezes. Summer bulbs are started after the danger of frost has passed in the spring.

Be sure to check the soil drainage, DeHertogh advises. One of the biggest reasons for bulb failure in Michigan is rotting from being planted in poorly drained soil. Plant flowerbeds when the soil is moist but not wet.

"Bulbs planted in the fall can be put anywhere and need only two-four hours of light," says Doctor DeHertogh. Summer bulbs need more light, six to 10 hours daily. For masses of color, plant bulbs in groups or clumps rather than rows.

Thoroughly mix any fertilizer, sand and peat moss to be added to the soil. Bone meal should be mixed with fertilizer when planting spring bulbs, along with nitrogen and potassium in the spring. Summer bulbs need a complete fertilizer when planted and again two to three times during the season.

Plant bulbs upright. Water planted beds enough to help settle the bulbs. "Unsound bulbs are rare," the specialist says. "Garden centers usually sell bulbs that will produce good plants and flowers. Final results depend on how they are planted and cared for."

DRY WEATHER has caused a scarcity of morels this spring, but these boys found a giant morel Wednesday evening in Tawas City. It measured 8 1/2 inches in length, was 12 inches in diameter and had dehydrated about 1 1/2 inches between the time it was found and when the above picture was snapped the next day. From left are William Raslich, Brian Savelia and Scott Savelia.—Tawas Herald Photo.

Deposit Coin First In MB Pay Phone

Starting Tuesday, June 7, Michigan Bell Telephone Company's dial tone first services will allow callers to reach an operator ("O") without depositing coins, but all other calling on pay phones will be switched to "prepay"—one must deposit coins before dialing all other numbers.

Howard L. Haight, local manager for Michigan Bell, said the conversion to dial tone first will see team members making on-site visits necessary to change the 53 pay phones in East Tawas and Tawas City.

As the Michigan Bell conversion team makes each pay phone ready to handle the new service, an instruction card will be placed on it to inform the caller how to make the various kinds of calls.

A special sticker also will be placed on each outdoor phone booth as an aid in identifying those that have been converted.

PUBLIC NOTICE
Effective July 1, 1977, Thomas Chiropractic Clinic, Tawas City, will close. Patients may call 362-6135 for transfer of records.
DR. J. E. THOMAS 22-4b

PUBLIC NOTICE
The Township of Plainfield presently has a valid National Pollutant Discharge Elimination System (Public Law 92-500) Permit, issued April 18, 1975, to discharge treated municipal wastewater to Smith Creek from its facility located at Section 14, T23N, R5E. The current permit expires June 30, 1977.

The applicant treats the municipal wastewater from the unincorporated community of Hale in Plainfield Township. The applicant discharges its effluent to Smith Creek.

It is hereby notified that the Water Resources Commission proposes to reissue the permit for a period of 5 years.

On the basis of preliminary staff review and application of applicable standards and regulations, the Michigan Water Resources Commission proposes to issue a revised permit for the discharge subject to certain effluent limitations and special conditions. The permit expiration date is March 31, 1982.

The proposed determination to revise an NPDES Permit is tentative. Persons wishing to comment upon, or object to, the proposed permit modifications are invited to submit the same in writing to: Permit and Enforcement Coordinator, Water Quality Division, Dept. of Natural Resources, P. O. Box 30028, Lansing, Michigan 48909

The name of the permittee and permit number should appear next to the above address on the envelope and the first page of any submitted comments. All comments received within thirty (30) days of the date of issuance of this public notice will be considered in the formulation of the final determination. If no written objections are received, the Michigan Water Resources Commission will issue its final determination no later than sixty (60) days following the date of this notice.

The application, issued permit and proposed revisions, and other information, are on file and may be inspected at the Water Quality Division offices, 8th Floor, Stevens T. Mason Building, Lansing, Michigan at any time between 9:30 a. m. and 3:30 p. m. Monday through Friday. Copies of the Public Notice and corresponding Fact Sheet summarizing application information and proposed permit conditions are available at no charge. Copies of all other information are available at a cost of \$.20 per page.

Please bring the foregoing to the attention of persons whom you know would be interested in this matter. 22-1b

Date May 27, 1977
Permit number: MI 0023817
Notice: The Township of Plainfield presently has a valid National Pollutant Discharge Elimination System (Public Law 92-500) Permit, issued April 18, 1975, to discharge treated municipal wastewater to Smith Creek from its facility located at Section 14, T23N, R5E. The current permit expires June 30, 1977.

The applicant treats the municipal wastewater from the unincorporated community of Hale in Plainfield Township. The applicant discharges its effluent to Smith Creek.

It is hereby notified that the Water Resources Commission proposes to reissue the permit for a period of 5 years.

On the basis of preliminary staff review and application of applicable standards and regulations, the Michigan Water Resources Commission proposes to issue a revised permit for the discharge subject to certain effluent limitations and special conditions. The permit expiration date is March 31, 1982.

The proposed determination to revise an NPDES Permit is tentative. Persons wishing to comment upon, or object to, the proposed permit modifications are invited to submit the same in writing to: Permit and Enforcement Coordinator, Water Quality Division, Dept. of Natural Resources, P. O. Box 30028, Lansing, Michigan 48909

The name of the permittee and permit number should appear next to the above address on the envelope and the first page of any submitted comments. All comments received within thirty (30) days of the date of issuance of this public notice will be considered in the formulation of the final determination. If no written objections are received, the Michigan Water Resources Commission will issue its final determination no later than sixty (60) days following the date of this notice.

The application, issued permit and proposed revisions, and other information, are on file and may be inspected at the Water Quality Division offices, 8th Floor, Stevens T. Mason Building, Lansing, Michigan at any time between 9:30 a. m. and 3:30 p. m. Monday through Friday. Copies of the Public Notice and corresponding Fact Sheet summarizing application information and proposed permit conditions are available at no charge. Copies of all other information are available at a cost of \$.20 per page.

Please bring the foregoing to the attention of persons whom you know would be interested in this matter. 22-1b

MORTGAGE SALE

Default having been made on the part of the mortgagors in the terms and conditions of a certain mortgage given by: **CUSTOM HOME BUILDERS, INC.**, a Michigan corporation, to First Savings and Loan Association of Saginaw, Michigan, a Michigan corporation, bearing date the: 9th day of June, 1976 as recorded on June 21, 1976 in Liber 248, page 144, Iosco County Records.

Because of said default, said Association, by virtue of the option given it in said mortgage, has heretofore, and does now, declare the entire principal sum secured to be paid by said mortgage to be due and payable, and there is now claimed to be due and unpaid thereon the aggregate sum of: Thirty-six Thousand One Hundred Sixty-nine and 84/100 (\$36,169.84) Dollars and no suit or proceedings having been instituted at law to recover said sum, the debt remaining secured by said mortgage, or any part thereof.

Therefore, by virtue of the power of sale in said mortgage contained, which has become operative by reason of said default and the statutes in such case made and provided, notice is hereby given that said mortgage will be foreclosed and the premises described therein sold at public auction to the highest bidder, by the Sheriff of said County, on the 22 day of June, 1977, at ten o'clock in the forenoon at the front door of the Court House in the City of Tawas City and County of Iosco, Michigan; said Court House being the place of holding the Circuit Court for said County, which premises are situate and being in the Town-

ship of Sherman, County of Iosco, State of Michigan, and described as follows:

Part of Southeast 1/4 of the Southwest 1/4 of Section 4, Township 21 North, Range 6 East, commencing at the South 1/4 corner of Section 4, Township 21 North, Range 6 East; thence West along Section line 125.0 feet for a place of beginning; thence continuing West 125.0 feet; thence North 1' 16' 18" East parallel with 1/4 line 250.0 feet; thence East 125.0 feet; thence South 1' 16' 18" West 250.0 feet to the place of beginning.

The period of redemption is six (6) months.

NOTICE OF MORTGAGE FORECLOSURE SALE

Default having been made in the conditions of a certain mortgage made the 17th day of January, 1973, by Leroy Simons and Doris Simons; as mortgagors, to the United States of America, as mortgagee, and recorded on January 17, 1973, in the office of the Register of Deeds for Iosco County, Michigan in Liber 224 of mortgages on pages 468-471; on which mortgage there is claimed to be due and unpaid at the date of this Notice Nineteen Thousand Nine Hundred Forty and 99/100 dollars (\$19,940.99) principal and Five Hundred Forty Five and 37/100 dollars (\$545.37) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default;

NOW, THEREFORE, Notice is Hereby Given that on July 6, 1977, at 10 o'clock in the forenoon, at the east door of the County Building in Tawas City, Michigan, that being the place for holding the Circuit Court for the County of Iosco, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit:

That property located in Iosco County, in the State of Michigan. The Northerly 33 feet of Lot Numbered 143 and the Southerly 49.5 feet of Lot Numbered 144 of Jordandville according to the plat thereof as recorded in Liber 7 of Plats at Page 15, Iosco County Records, Oscoda Township, Iosco County, Michigan. The redemption period will be six months from the time of such sale. Property may be redeemed by paying amount bid at the sale plus 7% interest and any unpaid encumbrances on the property from date of sale.

A PORTABLE Bili-Lite used for treatment of jaundice in newborn babies has been presented to Tawas Hospital through efforts of the Republican Women's Club of Iosco County. Marsha Ginal of Twining and Dr. Jayne Dye, right, pediatrician at the hospital, are shown watching Benjamin Ginal, seven days old, who is receiving treatment. This equipment is the most widely used because of its versatility. The low base fits

under any incubator or bassinet and the single post design positions the light hood directly over the infant, permitting an unobstructed view and access to the infant. "This phototherapy light can be used with any nursery arrangement and is a welcome and much-needed piece of equipment for the newborns in our community," said Doctor Dye.—Tawas Herald Photo.

Call High Blood Pressure Major Cause of Stroke

High blood pressure is one of the most common diseases in the country, causing serious illness and attacking one out of seven adults. An effort is being made to control this relentless disease through a program of mass information, according to an announcement by Sandra Lange, a public health nurse supervisor.

"High blood pressure is the major cause of stroke, heart attack and kidney failure," said Dr. R. S. Libke, health officer and director of District Health Department No. 2, which covers Alcona, Iosco, Ogemaw and Oscoda Counties. "It has no outward symptoms and there is no cure; but it can be controlled."

The effects of hypertension are internal damage to the blood vessels—hardening and scarring of the arteries' outer walls (arteriosclerosis), build-up of fat and other materials inside the artery walls (atherosclerosis). Both impede the flow of blood through the vessels.

Once an individual has been diagnosed as hypertensive, according to Doctor Libke, he must follow a lifelong regimen which may include prescribed medication,

modified diet, exercise, weight reduction and relaxation.

Sometimes damage to the blood vessels cannot be repaired; there is only control to prevent further damage.

On the basis of estimates derived from the National Health Examination Survey, it is estimated that one million Michigan adults have high blood pressure. About 500,000 are unaware that they have it, 250,000 know they have it and are controlling it and 250,000 people know they are hypertensive but are doing nothing to control it.

The disease rarely becomes a problem before the age of 30. It affects twice as many blacks as whites, more women than men and more adults who are overweight than thin.

Blood pressure is the amount of force required to circulate the blood through the body. When blood pressure is read, the top number (systolic) measures the force of the heartbeat pushing blood from the heart into the vessels. The bottom number (diastolic) measures the pressure of the blood against the vessel walls when the heart is relaxing between beats.

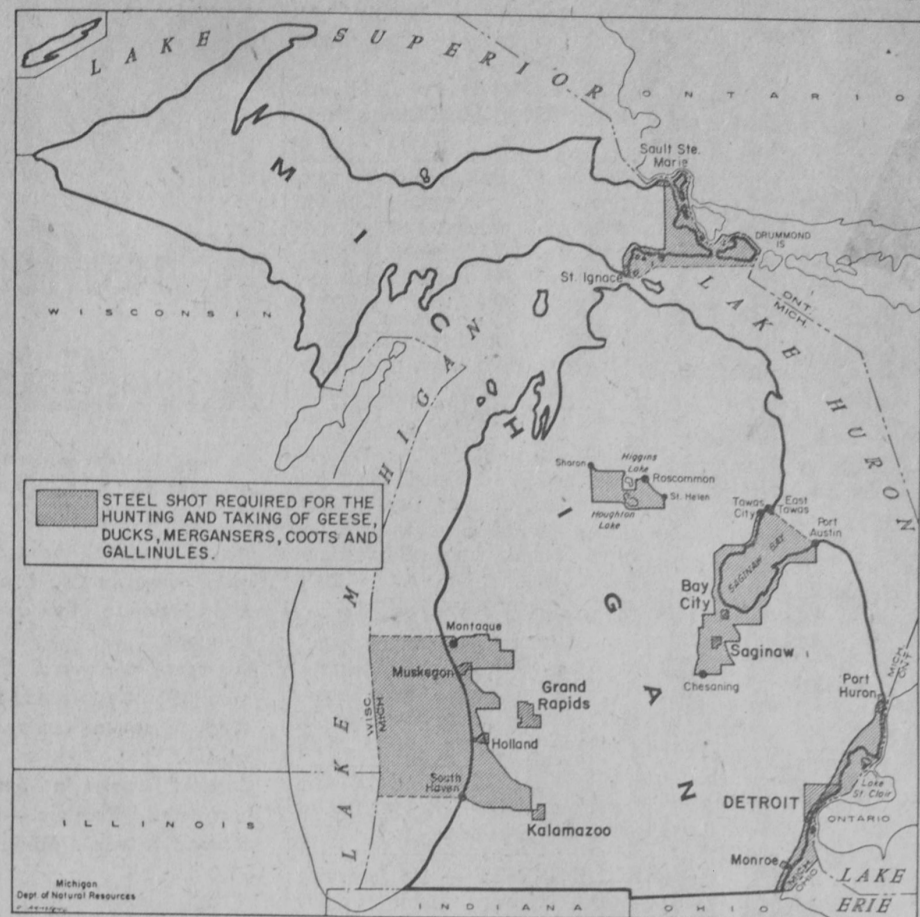

Nationally, over 23-million Americans have high blood pressure. Of that number, an estimated 10 million know they have high blood pressure and are not controlling it.

"Approximately 300,000 Americans each year succumb to fatal heart attacks, strokes and kidney failure caused by high blood pressure."

The local health department is resuming its blood pressure screening and monitoring clinics in Iosco County and to offer expanded services in this area to other groups, especially those higher risk groups mentioned above.

Requests from community organizations, employers of 10 or more people, etc., will be honored on a first come, first serve basis.

1977 WATERFOWL SEASON STEEL SHOT AREAS

Beginning this fall, waterfowl hunters must use steel shot in the shaded areas shown above if they shoot 12-gauge loads, according to the Department of Natural Resources. Hunters may still use lead shot in the designated areas only if loads used are 16- or 20-gauge. Ten-gauge shotguns will be forbidden from steel-shot areas. Hunters may use either steel- or lead shot in areas not shaded. Steel shot was developed as an alternative to lead which has been poisoning from two to three million ducks and countless other birds each year in North America. DNR wildlife biologists say that ingestion of as few as one or two lead pellets can kill waterfowl.

Volare AMERICA'S NO.1 SELLING WAGON

...and the number one reason for that could be price

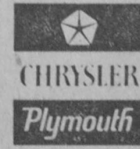

\$3941*

Definitely a No. 1 price. Another reason could be room... a major reason you buy a wagon in the first place. Volare gives you more room than any other American compact wagon. More room in the passenger compartment, more room in the cargo area. Volare even has 75% the

cargo space of an average of full size wagons. No wonder America is saying, "Thanks for giving us what we need in a station wagon. Thanks for giving us Volare."

Price and room. Not one... but two reasons why Volare is on top.

DEPARTMENT B—POULTRY

ENTRY FEE—10% of 1st Prize.
Superintendent—Perry Shellenbarger.

—Rules—

Exhibitors are requested to read carefully rules and regulations covering exhibition of poultry.

All exhibits shall be (a) purebred (b) cross bred from purebred parents.

All birds showing any general disqualifications according to the Standard of Perfection shall receive no award.

Provided the birds are typical of the breeds which they represent, the placing of awards shall depend upon the following:

- A. Pullets:
1. Rapidity of growth.
 2. Depth of pigment.
 3. Uniformity of shape and size.
 4. Promise of egg production.
 5. Absence of defects and disqualifications.
- B. Mature Birds (Hens):
1. Degree of bleaching.
 2. Condition of abdomen (spread and pliability).
 3. Absence of new primary wing feathers.
 4. Alertness of head and eyes.
 5. Body weight, conformation and fitness.
 6. Absence of defects and disqualifications.

It is suggested, especially for fairs held late in September and October, that all birds exhibited go directly from the Fair to market for slaughter so that none of them will be taken back to the farm. The reason for this precaution is that the birds may take back some disease to the farmer and injure his egg production of his farm flock, if such disease is infectious and of the type which will lower his egg production.
A pen entry shall consist of two females and one male.
(Classifications: Cock, Cockerel, Hen, Pullet.)

MICHIGAN DEPARTMENT OF AGRICULTURE
ANIMAL HEALTH DIVISION
LANSING, MICHIGAN 48913
HEALTH REQUIREMENTS FOR LIVESTOCK EXHIBITED IN MICHIGAN
(Revised January 1969)

GENERAL

Requirements provided in Michigan Department of Agriculture Regulation Nos. 110, 117, 133, and Section 10 and 21b of Act No. 181, Public Acts of 1919, as amended.
1. Livestock affected with a communicable disease must not be exhibited at, nor brought to fairs.
2. At least seven days before an exhibition of livestock, the buildings and yards shall be thoroughly cleaned of all manure, litter and unused hay and straw. Following such cleaning, all structures shall be thoroughly sprayed with an approved disinfectant. After cleaning and disinfection, no livestock shall be placed in such pens until admitted for exhibition.
3. All livestock from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin. Such animals shall meet Michigan requirements for importation into Michigan.

CATTLE

Cattle may not be exhibited from a quarantined premise or a quarantined area except upon permit from the Director of Agriculture or his authorized agent.

All cattle must be identified by ear tag, tattoo, or registration number.

Cattle from other states, provinces or countries must be accompanied by an official interstate health certificate approved by the livestock sanitary official of the state of origin certifying that the animals meet Michigan requirements for importation.

OUT OF STATE FEEDER CATTLE

Feeder cattle originating in other states being held in quarantine on feeder permits may qualify for exhibition in the following manner:

1. Steers must pass a test for tuberculosis and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested. Such steers must be accompanied by copy of test chart ADE Form 22.
2. Male and female feeder cattle must be tested for tuberculosis within 90 days of opening day and animals over one year of age must pass a test for brucellosis within 90 days of the opening day of the fair or exhibition and shall have been removed from the feed lot and held separate from the quarantined feeders after having been tested.

No swine shall be presented for exhibition purposes which have originated from any garbage feeding premise or that are in a quarantined area for the prevention of the spread of vesicular exanthema; or if a quarantine is on the premise for any reason (except upon a permit from the Director of Agriculture or his authorized agent.)

POULTRY

Requirements provided in Michigan Department of Agriculture Regulation No. 133:

1. Feed and water container provided for exhibition coops shall be new or properly cleaned.
 2. Feed or water containers from which birds have eaten or drunk must be refilled so as not to contaminate the common supply of feed or water. Feed or water containers may not be removed from the exhibition coops except for the purpose of cleaning.
 3. Exhibition coops must be thoroughly cleaned and disinfected both prior to and following such exhibition.
 4. Exhibition coops must be so constructed and placed as to provide adequate light for proper inspection of poultry for evidence of transmissible diseases.
 5. Litter for exhibition coops must be of clean material and be renewed daily or oftener as needed.
 6. Shipping crates used in shipment of birds by common carrier may not be used as exhibition coops. Shipping crates shall be cleaned and disinfected after birds have been removed for exhibition and before being used again. Whenever possible and convenient, shipping crates shall not be stored in exhibition room.
 7. No bird shall be handled by anyone other than the attendant and the judge after they have been placed in exhibition coops.
- It is recommended that all birds exhibited at fairs and poultry shows shall have been vaccinated against Infectious Bronchitis and Newcastle Disease thirty days or more prior to the date of the exhibition or show.

HORSES

Requirements provided in Michigan Department of Agriculture Regulation No. 117:

All horses for exhibition must be free from infectious and contagious disease.

SHEEP

Requirements provided in Michigan Department of Agriculture Regulation No. 117:

All sheep for exhibition must be free from infectious and contagious disease.

ANIMAL HEALTH DIVISION
Act 181, 1919, p. 324, Imd. Eff.
May 2.

AN ACT to provide for the prevention and suppression of contagious, infectious and communicable diseases of livestock; to prohibit the importation into or release within this state of certain rabbits; to provide for the creation of a department of animal industry of the state of Michigan; to authorize and require the appointment of a state commissioner of animal industry, of 2 advisory commissioners and of a state veterinarian; to prescribe the powers and duties of said officers; to make an appropriation therefor; and to repeal all acts or parts of acts contravening the provisions of this act. Am. 1939, p. 152, Act 91, Imd. Eff. May 12;—Am. 1956, p. 177, Act. 90, Imd. Eff. Apr. 5.

287.21 Domestic member of equine species; movement or importation into state; certificate of inspection; contagious, infectious, or communicable disease; exceptions.

Sec. 21. Any domestic member of the equine species moved or imported into this state shall be accompanied by a certificate of inspection issued by an accredited veterinarian in the state or territory from which the equines are imported. A legible copy of such certificate approved by the chief livestock sanitary official of the state or territory of origin or by an official of the United States department of agriculture shall immediately be furnished to the Michigan department of agriculture. Certificates on inspection shall contain the following information:

- (a) Name, address, and location of consignee at destination and the number and description of the equine species.
- (b) Negative to an official test for equine infectious anemia conducted within 180 days of importation. This test shall be conducted in a laboratory approved by the United States department of agriculture.
- (c) Any existing positive identification.
- (d) An accurate description of the animal including color or markings, type, breed, age, and sex.
- (e) Place of origin, including name, address, and location.
- (f) Certificate shall contain a statement that the animal or animals to be shipped have not been in contact with or exposed to an animal which has been positive to the official test for equine infectious anemia, within 90 days prior to shipment.

An equine affected with or recently exposed to contagious, infectious or communicable disease shall not be brought into the state. This section shall not apply to: (a) the transportation of equines through the state to points beyond the state lines; (b) equines imported for immediate slaughter purposes only; (c) foals up to 5 months of age still nursing their dams.
