

INDEPENDENCE DAY

Tawas-Hale List Holiday Plans

A big week-end of activities is scheduled for the Fourth of July holiday in the Tawas and at Hale.

The third annual hobby and antique show and sale is scheduled to open the program in the Tawas on Saturday, July 1. The show and sale, sponsored by Tawas Bay Artists, will be held from 9:00 a. m. to 7:00 p. m. at the East Tawas Elementary school.

The program at Hale starts Saturday night with a chamber of commerce dance at the Plainfield Township Hall. Music for dancing, starting at 9:00 p. m., is to be provided by "Spartus."

On Sunday, July 2, Plainfield Township Firemen will hold their annual barbecue from 12 o'clock noon until 6:00 p. m. at the fire hall, Hale. There will be games and prize drawings starting at 2:00 p. m.

An arts and crafts show and flea market are slated Saturday and Sunday at the senior citizens building on M-65.

Sunday's highlight at Hale will be a fireworks display at dusk. Persons attending are requested to

use the parking lot at the high school and township grounds.

Tawas' program on Monday, July 3, starts with a parade at 12:30 p. m., beginning at the East Tawas Elementary Unit. The route will be down Newman Street, turning south on US-23 and will continue to Mathews Street in Tawas City.

A barbecue will be held starting at 1:00 p. m. at the Tawas City Park under sponsorship of Tawas Area Winter and Summer; there will be an alumni band concert at the city park starting at 2:00 p. m.

A "super fantastic" fireworks display is to be held at the Tawas City Park at dusk. This program is financed by the chamber of commerce and the two cities.

Festivities at Hale on Monday will feature Colonel Bill Voorheis Big Top Circus at 6:00 and 8:00 p. m. under sponsorship of Hale Area Band Boosters.

The same circus will perform Tuesday, July 4, in the lot east of the Tawas City Park. Programs are scheduled for 2:30, 6:00 and 8:00 p. m. under sponsorship of the Eagles Club.

Expect Traffic Record to Fall

Michigan should continue this year's record tourism pace during the big Fourth of July holiday as motorists are expected to drive 770-million miles over the five-day period.

Major tourism barometers such as vacation spending, advance lodging reservations, travel inquiries and vehicle miles driven have increased significantly over last year and those factors indicate a banner Fourth of July holiday.

Travelers already have spent nearly 1.8-billion dollars in Michigan for the first five months of 1978, 10 percent more than last year and many tourism operators feel this record spending will carry through the upcoming holiday.

If good weather holds, it has been predicted that holiday motorists will drive 69-million miles more than in 1974, the last time Michigan had a 102-hour Fourth of

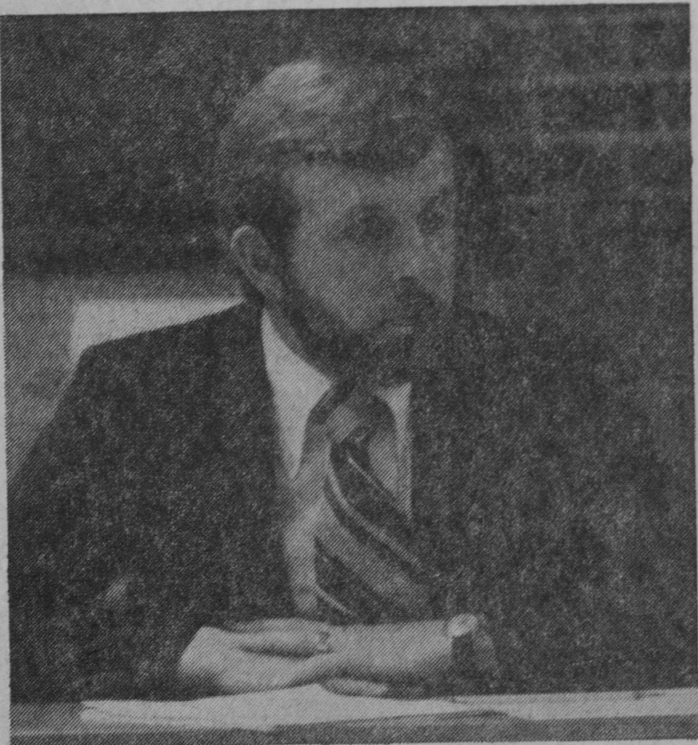

July week-end. The record for a summer holiday is the 870-million miles traveled during the 1972 Fourth of July week-end.

This year's Fourth of July holiday officially begins at 6:00 p. m. Friday and runs through midnight Tuesday, July 4.

Motorcyclist Hurt in Crash

Timothy A. Campbell, 17, Almont, was treated Saturday at Tawas Hospital for a shoulder injury sustained in a motorcycle accident in Oscoda Township.

Investigating sheriff's department officers said that Campbell's machine struck a stump on a wooded trail off Loud Drive and flipped over.

TIMOTHY O'CONNOR

Pilot Who Crashed June 6 at Airport Succumbs to Burns

ILL. Douglas Woodson, the 27-year-old air force officer who crashed in a single engine light plane June 6 after taking off from Isosco County Airport, died Saturday, June 24, at the University of Michigan Hospital's burn center, Ann Arbor.

He had sustained third degree burns over 90 percent of his body when the Cessna 206 aircraft he was piloting crashed in a wooded area northwest of the airport.

According to officials at Grissom Air Force Base, Indiana, where Woodson was stationed, funeral services were conducted Monday. He is survived by his wife, Catherine, and a son.

Woodson was piloting a plane owned by the Kokomo Aviation Company of Kokomo, Indiana. He had an off duty job and landed at

the airport in Baldwin Township to deliver a load of tools to Tawas Tool Company, located on Auferich Road.

A witness at the scene watching the plane during its takeoff noticed the pilot was in trouble. The plane banked to the south as if to be coming back to land, but veered off to the north and crashed.

The aircraft burst into flames and Woodson somehow managed to get out of the wreckage. Employees of the tool company went to his assistance and found him draped over a fence on the outer perimeter of the airport property, several hundred yards from the crash scene.

He was given emergency treatment at Tawas Hospital and was transferred by air force authorities to the burn center.

O'Connor Heads Hospital Council

Donald Snyder, administrator of Tawas Hospital, announces the acceptance of Timothy O'Connor as chairman of the hospital's development council. O'Connor was preceded by Mildred DeBeau, who succeeded in organizing and getting the program off to a good start but, due to pressures from her own business, was forced to resign.

The development council was formed for the purpose of providing a high level of community awareness and involvement in the hospital allowing the institution to keep pace with the changing health care needs of the community.

"While the community support in funds raised is essential to providing expanded facilities and new equipments, of greater value is the moral support, interest and pride of the community in our hospital," said Snyder.

O'Connor brings to the group a background of experience in business as well as an intimate knowledge of the community and its people. His exceptional ability to organize and his enthusiasm will spearhead the development effort.

Supporting him in this endeavor are five committee heads who have and are volunteering their time and efforts to organizing and implementing an active development program.

Those chairpersons and their committees are Elizabeth Rosenberg, annual support; Thomas Huck, deferred gifts; Bruce Myles, community relations; John Lippert, foundation and corporations, and Judith McIntosh, special prospects.

HOLDING a pencil sketch of one of the "Bigfoot" tracks discovered Sunday morning in Wilber Township is State Tpr. D. A. Emerson of the East Tawas post. Each print had five "toes," whereas tracks found last fall near Oscoda had only three "toes." Unless the perpetrator of a hoax has changed rubber "feet," the area has a real mystery.—Tawas Herald Photo.

Police Skeptical About Prints Left by 'Bigfoot'

Michigan State Police from East Tawas expressed skepticism over the authenticity of 23-inch-long footprints found Sunday morning along Silver Creek in Wilber Township, but the director of the Michigan Bigfoot Information Center was here Sunday afternoon to check out the report.

Anthony Kusey of 870 Monument Road and Kermit Knuppenburg of Mt. Clemens discovered the set of unusual tracks Sunday morning in a recently cleared area near Brownell Road, where preparations are being made to construct a new home for Knuppenburg.

Tpr. D. A. Emerson of the East Tawas post investigated and diagramed the unusual tracks along the perimeter of a cleared area and tracks leading over a pile of sand. The tracks entered the cleared area from a logging road and exited in the same direction.

Emerson's measurements of the 23-inch-long tracks indicated a stride ranging from two feet to four feet in length. He said that weight of the "footprints" was well distributed on both the hard ground surface and in soft sand.

The trooper made a measured sketch of one footprint, but was unsuccessful in making a plaster cast of the impressions. He said it did not appear as though the tracks had been made through the use of a wooden foot as there were distinct variances in the depth of impression made by the "toes" on hard or soft ground and both left and right prints were discernible.

Wayne W. King of Millington, director of the Michigan Bigfoot Information Center, was at the East Tawas post Saturday to check on the discovery of "Bigfoot" tracks found October 1 near Oscoda. He returned to the area when notified of the latest "sighting."

The Michigan Bigfoot Information Center was formed to "help establish and provide factual proof with supplemental evidence as to the existence of a primate," stated an informational letter provided to police by King.

"We feel there has been more than enough proof to substantiate the existence of these creatures," said King. "The ultimate objective of the center is to encourage passage of legislation for their protection."

The letter said it was not the intent to capture the creature.

Trooper Emerson said Monday his first impression was that the tracks had been faked, but he was now uncertain as to the authenticity of the tracks after making the investigation.

Sheriff's Dept. Had Busy Week With Burglars-Thefts

Five larcenies and two breakings and enterings were investigated last week by Isosco County Sheriff's Department.

Daniel L. Chene, 35, was arrested by officers Saturday at a local gasoline service station and charged with theft of a pickup truck owned by William Schultz of East Tawas.

The arrest report indicated that a second man with Chene did not know that the truck had been stolen.

Other larcenies were reported by E. J. Albert, East Tawas, theft of a propeller from an outboard motor at Bay View Harbor Marina, Tawas City; Edward Horn, East Tawas, theft of two citizens band radio antennas from two vehicles; William H. Wilson, Hale, larceny of 200 pounds of meat from freezer; George C. Borts, South Branch, theft of canoe from Jose Lake.

Breakings and enterings were reported by Alice Wilhite, Long Lake, burglary of a trailer house; Thomas Corder, Indian Lake Road, Grant Township, burglary and theft of three brass lamp fixtures.

Board Rejects All Construction Bids

Faced with costs \$77,000 higher than original architectural estimates, coupled with a letter from the low bidder stating that it had found an error in its June 16 proposal, Isosco County Building Authority Wednesday rejected all bids for construction of proposed additions and alterations to the county building and jail.

Action by the building authority authorized re-advertising for new bids on plans to be revised by John Dye, the county's architectural consultant.

Low bidder on the project was

Davison and Son of Tawas City, who entered a price of \$387,977. A letter submitted to the county by Davison stated that a \$54,000 error had been found in its original proposal and revised its bid upward to \$441,977.

This figure was still under the next lowest bid of \$464,000 submitted by Gregory Construction Company, Saginaw. Two other bids had been received ranging to a high of \$546,000.

Kenneth Myles, legal counsel for the building authority, told members of both the authority and the

Isosco County Board of Commissioners that an altered bid could not legally be accepted. He said the county could reject all bids or accept the original proposal from Davison.

According to law, if the low bidder failed to sign the contract for the original bid, the county could collect five percent of the \$19,000 good faith check included with the bid proposal.

Although stating that original plans for the county building addition and jail alterations were not extravagant, Dye said that plans

could be revised to reduce the cost.

He said that this revision and re-advertising would result in a five to six-week delay.

The building authority and county commission were unanimous in the decision to reject all bids and to resubmit the projects for bids based on new specifications.

The total 10-year bond issue has been established at \$500,000 and is to be repaid through federal revenue sharing money paid into the county's general fund.

As an example of inflation in

building costs in the past quarter century, the bond issue for constructing the original county building in 1952 was \$250,000. The present district court addition was constructed about 10 years later.

The 1978 proposal calls for expansion of vault space in the three county offices, expansion of the circuit court wing and construction of a new district court wing.

The present bond issue also includes the cost of removing a house on adjacent property recently purchased by the county and construction of a parking lot.

Tawas Hospital

BIRTHS—

Born to Mr. and Mrs. Brian Turpen, Mikado, June 21, a daughter, Noel Irene, weight seven pounds, 3 1/2 ounces.

Born to Mr. and Mrs. Dale Eracze, Oscoda, June 22, a daughter, Mandy Lynn, weight nine pounds, 3 1/2 ounces.

Born to Mr. and Mrs. William Booth, Hale, June 22, a son, Roy Robert, weight five pounds, 7 1/2 ounces.

Admissions— Tawas City: Muriel Rose, Marie Dorie, Myrtle Wilson, James Meyer, Irene Oates, Elayne Bennett.

East Tawas: Alice Erb, Thelitha Rice, Agnes Plumley.

County: Peter Lupi, National City; David Morin, Arthur Frazzle, Jane Stalker, Katherine Graham, Robert Shackey, Larry Brown, Stanley Bolton, Genevieve Reinbold, Oscoda.

Other communities: Aldina Clark, Glennie; Arthur Harris, Helen Kelleher, William Richards, AuGres; Matthew McIntyre, John Glease, Greenbush; Herman Colvin, Mikado.

Gypsum Employee Died Sunday

Charles C. Eimers of Whittemore was dead on arrival at Tawas Hospital Sunday, June 25, following a heart attack at National Gypsum Company plant where he was employed.

He was born October 24, 1951, at Standish, and was married to the former Gayle Keeney September 20, 1974, at Whittemore.

Besides his wife, he is survived by two sons, Charles Jr. and Barney; his mother, Mrs. Clarence Eimers of Whittemore; two brothers, LeRoy of Unionville and Ronald of Bay Port, and five sisters, Carol Wisenbaugh of Fairgrove, Virginia Corey of Whittemore, Rexine Hoyt of Twining, Edna Petri of Pinconning and Dolly Eimers of Whittemore.

Services are being held Wednesday (today), June 28, 1:00 p. m., at R. O. Savage Funeral Chapel, Standish, with the Rev. Daniel Gagnon officiating. Burial will be in RLDS Cemetery, Whittemore.

Memorials may be made to the Michigan Heart Association.

Behavior Is The Root Of All Litter

When winning at the trash freely blowing about our streets, people might ask, "Can't somebody do something about this?"

Yes, and there is more to be done besides not being a "litterbug" ourselves. We can involve ourselves in a new approach called the Clean Community System (CCS). Not only does this citizen action program deal with all "garbage"-related issues—solid waste management, recycling, littering—but with almost any issue relating to better communities—including housing, landscaping, sanitary landfill planning and energy.

The CCS is sponsored nationally by Keep America Beautiful, Inc. (KAB), but the program is strictly a local-level effort, owned by the people who work it. KAB provides training materials and field assistance when called upon.

The 111 cities taking part in the CCS at this writing range greatly in size—from metropolises like San Francisco, Houston and Indianapolis to communities like Tifton, Georgia (population 27,288) and Holly Ridge, North Carolina (population 415).

Community Groups The CCS calls upon all sectors of local life—government, business, labor, schools and civic groups—to contribute their expertise and motivate the community to do the same. By "drying up" these sources, by reaching the people responsible to make sure that waste is properly handled at each, there is less litter, to be blown onto streets, sidewalks and yards.

Public works directors are among those officials quick to realize the benefits of the

Clean Community System—the value of citizen cooperation in keeping costs (and taxes!) down, employee morale high and operations running smoothly.

People Bring Results The CCS is essentially a blueprint for citizen action on a variety of problems—once people learn how to organize and work together, there's really no limit to what can be accomplished.

CCS is results-oriented. The amount of litter in the community is measured quarterly. People's attitudes are indexed, too. These help the program's local leaders evaluate progress.

Once the people become involved, they begin to understand that litter is not an isolated issue. Many CCS cities have expanded their new approach to handling trash by starting citizen recycling programs. In fact, Rome, Georgia (population 30,759), funded the early stages of its CCS efforts through proceeds from newspaper recycling.

Mr. and Mrs. Donald Lake and sons of Allen Park are vacationing at the home of her parents, Mr. and Mrs. Kenneth Thibault.

Mr. and Mrs. Norton Freeland and grandson, Todd Pfahl, spent last week at Mackinac Island and touring Canada.

Mr. and Mrs. Kenneth Thibault. They will remain for two weeks.

Mr. and Mrs. Edna Schmidt have returned to the area and are residing on Oates Road.

IN THE SERVICE— Completes Navy Machinist Course Roland E. Trafelet, son of Mr. and Mrs. Myron Trafelet, Tawas City, has completed the basic machinist's mate course.

During the course at the Naval Training Center, Great Lakes, Illinois, students received instruction on the use of hand tools and machine shop equipment. In addition, they studied the basic operation, maintenance and repair of ships' propulsion equipment, evaporators and generators.

Firecrackers Exploded Under Patrol Car A 22-year-old M-55 resident, Allen D. Olak Jr., has been charged by Michigan State Police from East Tawas with littering and possession of fireworks.

A state police patrol car from East Tawas was westbound on M-55 and it is alleged the motorist threw a package of firecrackers out of his car window, exploding under the patrol car.

The Secret Life Of The Forest

LEARNING HOW TO LOOK Next time you're in a forest, look around more carefully. You'll be surprised how much there is to see. because the leaves on the trees are not yet fully formed. Lift up a flat rock to see a sample of the abundant life of the forest floor.

Expect TA School Will End Fiscal Year With Cash Balance

An estimated cash balance of \$6,577.06 is anticipated Friday, June 30, when Tawas Area School District closes its books for the 1977-78 fiscal year.

This was the word Monday night from Supt. Robert A. Halle during the board of education's final meeting of the fiscal year.

Presiding over the special session was David Kennedy, president protem, acting in the absence of Clare Herriman, president. Kennedy officially retires from the board of education Friday, having served a four-year term.

New members present at the meeting but not voting were Susan Rieth and Barbara Miller, who were elected to four-year and three-year terms, respectively, during the annual election.

The new members are to take over their offices officially on July 1 and the board is to reorganize July 10.

Superintendent Halle told members Monday night that expenditures during the past week included \$2,600 for boiler repairs at the Tawas City Elementary Unit, new windows were purchased for the original classroom section of that unit along with other costs mandated by an energy study and fire marshal's audit.

In other business, the board of education accepted the low bid of Edward Phillips for construction of a walk-in cooler in the high school kitchen. Phillips' bid was \$9,100.

ven Refrigeration, Harrisville, \$9,465, and Kirchman Brothers, Saginaw, \$10,401.

The superintendent announced that Mrs. Joseph VanDette, the school district's bookkeeper, was offered and accepted a position at Lansing. Her last work day will be June 30.

Halle said that one application had been received for the position, although it has not been posted as yet for applications within the staff.

The second contract negotiating session with the teachers' union was held Monday and a third session is to be held July 14.

Kennedy appointed Willard Dillon, Mrs. Rien and Randall DeWyse as a committee to study the per diem rate paid to board of education members. At the present time, board members receive \$5 per meeting.

Three architectural firms are to be interviewed July 24 concerning planning for a classroom at the Tawas City Elementary Unit, to be financed through a sinking fund established by voters at the annual election from delinquent taxes.

Architects to be interviewed include Brysselbout, Starke, Hacker and Simon, Bay City; John Dye, Oscoda; Manson, Jackson and Kane, Lansing.

On recommendation of Trustee Robert Curry, the board of education is to contact the Tawas City Council concerning motorcycle traffic using the footbridge across Dead Creek at Ninth Avenue.

Curry said he had been notified that motorcyclists were crossing the bridge at a high rate of speed. He felt that the city should install guard posts at each end of the bridge to restrict vehicular traffic, but would permit use by pedestrians.

The bridge is owned by the city and crosses from the foot of Ninth Avenue to the south property line of the Tawas City Elementary School. The structure was formerly part of the old Mathews Street bridge.

Letter to the Editor

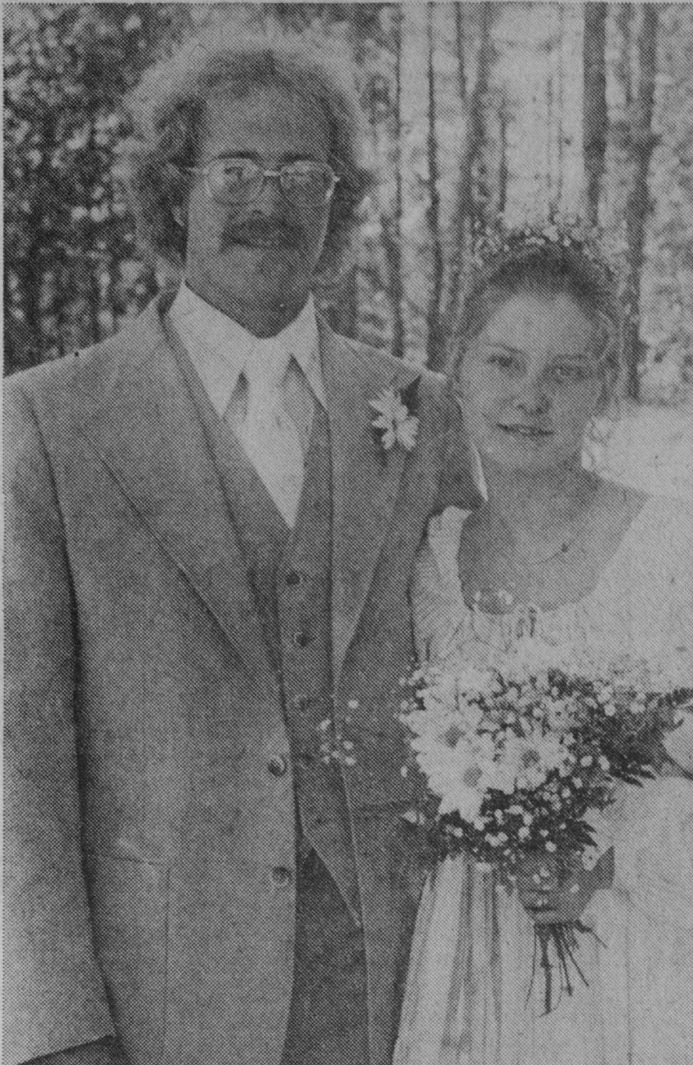

Dear Editor, Your June 7 issue was of special interest to me for Ambrose Schill was my uncle, father's oldest brother. I stopped in the cigar shop many times on my way home from school. I cannot remember the names of cigar makers, but it seems Alvah Misener was one. He used to make little cigars about 1 1/2 inches long for me.

I have one correction about the caption under the picture. Figures in the buggy are my father, William Schill, and the little girl in the center is me. The boy is Ambrose's youngest son, Alvah. I have a copy of the picture in the family collection. The correction is not important, but is for your record. Harriet Schill Gifford

Social

MARRIAGE SOLEMNIZED—Robina Hofacer and Philip Olsen were married Saturday, June 24, at the home of her parents, Mr and Mrs. Giles Hofacer Sr. of North US-23, Baldwin Township. The bridegroom is the son of Mr. and Mrs. Philip Olsen Sr. of Flint. The newlyweds are traveling through Canada.

On Dean's List at Mich. Tech.

Two area students were named to the dean's list at Michigan Technological University, Houghton, for earning a grade point average of 3.5 or better for the spring quarter. Named from Tawas City was Bruce Glancy, a freshman majoring in civil engineering, son of Mr. and Mrs. Robert Glancy, and named from Whittemore was Russell W. Louks, a junior majoring in mathematics, son of Mr. and Mrs. William Louks.

Women's Club Held Luncheon

Whittemore Women's Club met at Genie's Restaurant, East Tawas, for the annual spring luncheon Wednesday, June 14. Among the 17 members present was Rae Clark, newly-welcomed member. She was presented a rose ribbon corsage made by Adele Brown. She was also elected as the organization's secretary.

Plans for a booth for the Iosco County Fair July 26-29 at Hale were finalized.

Engaged

Mr. and Mrs. Hubert Hadley of East Tawas announce the engagement of their daughter, Karen Jean, to Dennis L. Fairbanks. The prospective bridegroom is the son of the Rev. and Mrs. Edward J. Fairbanks, also of East Tawas. Wedding plans are indefinite.

AARP Observed Eighth Birthday

Members of Lake Shore Chapter No. 661, American Association of Retired Persons, were welcomed at Bear Track Inn Wednesday evening, June 21, by George Rose and Ervin Wilee for its eighth birthday celebration. Dinner was preceded by a cocktail hour. Following the meal, Herbert Steele led in singing the familiar birthday song. Prayer of thanksgiving was offered by Fred Francis.

Recognition was made to retired teachers; 45 charter members; seven past presidents; present officers, and Gertrude Reece, assistant to the state director, by Marion Rose, president.

Donald Langley acknowledged the efforts of Marie Hall, chairman of the meal. He also introduced Mrs. Reece. During her speech, Mrs. Reece eulogized Doctor Andrus, founder of AARP. She spoke on her desires for and beliefs in AARP and of the organization's monthly publication, the first edition having been edited on a kitchen table and is now in its 200th chapter.

Future events announced at the dinner meeting are a bus trip to Interlochen Saturday, July 22, reservations being taken at 362-3097; regular sack lunch meeting Wednesday, July 5, at the East Tawas Community Building, Susan Lambrecht, guest speaker; joint picnic with Alpena and Lincoln Chapters at the community building picnic grounds, East Tawas, Wednesday, July 19; a float in the July 3 parade.

VFW Convention Delegates Named

Charter draping and a memorial service were observed by 13 members during the regular meeting of Veterans of Foreign Wars Auxiliary No. 5678 for Theodella Carpenter, who passed away Wednesday, June 21.

Business during the Monday, June 26, meeting included election of delegates to the national convention at Dallas, Texas. Elected were Theresa Roiter and Flora Roberts with Mabel Smith and Lu Baker as alternates.

Citations received at the state convention were for membership, hospital legislation and contributions to Camp Trotter.

Completion of the float will be accomplished at post home Saturday, July 1, for use in the July 3 parade. Barbara Dubovsky won the mystery prize.

Planning committee will convene at 7:00 p. m. Monday, July 24, preceding the next regular meeting.

Lunch was served by Anna Burleson and Betty DeLage.

TC Club Held Pot - Luck

Twenty members of Twentieth Century Club enjoyed a pot-luck luncheon Wednesday, June 21, at the home of Mrs. Richard Erspamer. Mrs. Donald Lamb, secretary, reported on the program schedule for the year.

Mediation was given by Mrs. P. N. Thornton. Mrs. John Mark gave a book review on the humorous book, "Mary Emma and Company," by Ralph Moody.

Plans for hosting the Iosco County Federation of Women's Clubs were discussed. Date for the joint meeting is Wednesday, August 16.

Wednesday, July 19, the group will meet at the Dutch Kitchen Restaurant for lunch before touring the county jail. Installation of officers and a business meeting will be held at the home of Mrs. Thornton.

this...that and the other

The Rev. Leonard Newman celebrated 25 years in the ministry at Sanford on Sunday. He was pastor at the Tawas City Emanuel Lutheran Church for six years, leaving here in 1961. Attending from Tawas City were Esther Look, Hattie Evril, Johanna McLeod and Alvera Burrell. Also attending were Mr. and Mrs. Walter Moeller of East Tawas. A 4 o'clock service followed by a dinner marked the event.

Kim Chelanko of Saginaw spent two weeks with Jane Guest and Mary Oulette of East Tawas. Kim, who observed his 17th birthday June 2, has aided Mrs. Guest in the upkeep of her home this past year. As a birthday remembrance, he will enjoy a week-long stay at Mackinac Island.

L. J. Trinklein of Tawas City was at Burt Lake State Park, Indian River, with his son, James, and family of Saginaw from June 9 until June 21. They enjoyed walleye fishing in the area.

Mr. and Mrs. Charles Clayton of East Tawas accompanied William Tomlin III to Milford, Ohio, to attend the graduation of their grand daughter, Tammy Tomlin, daughter of Mr. and Mrs. William Tomlin II. The Claytons remained with the Tomlin family for two weeks before returning to East Tawas.

Mrs. Dewey Pavelock and children of Davison and Mrs. Harry Toms of St. Helen were Saturday evening guests of Gladys Pavelock of Tawas City.

Timothy Small of East Tawas is at the home of his aunt and uncle, Mr. and Mrs. Richard Small of Beloit, Wisconsin. He will remain there during the summer for employment.

Sunday, the Joseph Liar family of Frankenmuth visited friends and relatives in the Tawas area.

Last week-end, Daniel Machulis of East Tawas attended the wedding of friend at Massachusetts.

Rodney Bertach is at the Tawas City home of his parents, Mr. and Mrs. Richard Bertach, on leave from military duty at Nellis Air Force Base, Las Vegas, Nevada.

Sunday, Mr. and Mrs. William Look and the Bernard Looks of East Tawas attended the celebration for the Rev. Leonard Newman of Sanford on the 25th anniversary of his ordination.

Mr. and Mrs. Frank Lansky have returned to Tawas City from Dearborn where they spent two weeks with their daughter and son-in-law, Mr. and Mrs. Lyle Hughes.

A few days last week, Ruth Schatz White of Howell visited her mother, Mrs. Henry Schatz of Tawas City.

Mr. and Mrs. James David and children of Farmington Hills were guests of her parents, the Walter Millers of Tawas City, and her sister, Mrs. Kenneth Wojahn of East Tawas, over the week-end.

Mr. and Mrs. Donald McPherson of Clio were Thursday guests of their daughter and son-in-law, Mr. and Mrs. David Smith of East Tawas.

Mr. and Mrs. Ford Turrell Sr. of Grand Rapids were week-end guests of his mother, Mary Turrell of Tawas City.

Mr. and Mrs. Harold Drake of East Tawas were guests of her brother, Mr. and Mrs. Orlando Bessey of Argentine, for a few days last week.

Wednesday, Mr. and Mrs. J. F. Mark of Tawas City were business visitors in Midland.

Mr. and Mrs. Harold Drake Jr. of Kalamazoo are vacationing this week in the Tawas area.

Mr. and Mrs. Fred Boughton of Lansing visited her parents, the Harry Goodales of Tawas City, a few days last week.

The Kenneth Blust family of East Tawas returned from a two-week vacation.

Mrs. Viola Wampler of Tawas City returned Monday from Flint where she spent the week-end with friends.

June Dee of Detroit and Shirley Eminger of Dearborn are visiting their mother, Mrs. Frances Hill of Tawas City.

Mrs. Grace Blair of Tawas City recently attended the graduation of her grandson at Saginaw.

Mrs. Jerold McEwen and sons, David and Bruce, of Frankenmuth visited her mother, Mrs. Fred Rempert, a couple of days last week.

Miss Betty Klos and David Ford of Hazel Park were week-end guests of her grandparents, Mr. and Mrs. George Liske of Tawas City.

The Luce family reunion of cousins was held Sunday at the

with her parents, Mr. and Mrs. Carroll Symons of Tawas City. Other guests of the Symonses were Mr. and Mrs. Harvey Gifford of Seattle, Washington, and the Calvin Long family of Bay City.

Mr. and Mrs. Ronald Bruckner returned to their Tawas City home Monday from a trip to Toronto, Ontario, Canada, in celebration of their silver wedding anniversary.

Senior Citizens

Enjoyed AuSable River Trip

Members of the Tawas Area Senior Citizens enjoyed a trip up the AuSable River on the paddle wheel boat Thursday, June 15. They were accompanied by a girl scout troop from Saginaw.

Singing was enjoyed to the accompaniment of Chief White Cloud of Glennie.

After the cruise, a pot-luck dinner was served at the Oscoda Sportsmen's Club. Kenneth Robinson and David Wallace served coffee to the group. Alice Proctor, club secretary, was hostess.

Cards and pool were enjoyed after the dinner.

Newlyweds to Make Home at Wood Dale, Illinois

Mr. and Mrs. Timothy DeWyse will reside at Wood Dale, Illinois, following a two-week wedding trip to Disney World, Florida, and Bahama Islands.

The couple exchanged vows Saturday, June 10, at Zion Lutheran Church, Bensenville, Illinois, before the Rev. Paul Doellinger in a double ring ceremony. A reception for 250 guests followed at The Hermitage Restaurant.

Mrs. DeWyse is the former Penny Lynn Enders, daughter of Mrs. Allen Hunt and Clarence Enders of Bensenville. Mr. and Mrs. James DeWyse of East Tawas are parents of the bridegroom.

Mrs. Thomas Lynch was matron of honor with Laurel Pawlak, Lanette Skipper, Mrs. Allan Ruppert of Bensenville and Mrs. Timothy Sterling of Tawas City as bridesmaids. Patricia Reinhart was flower girl.

Serving as the bridegroom's attendants were Richard Ruppert, best man, and Allen Ruppert, Randall DeWyse, Bruce Enders and Carl Schulatz. Seating guests were Thomas Lynch and Timothy Sterling. Ring bearer was Michael Lynch.

The bride was honored by a shower given in Summit, Illinois, by Miss Pawlak. Mrs. Hunt honored her daughter at a personal shower.

Legion-Auxiliary Held Pot-Luck Dinner

Glen Staley Post No. 422, American Legion, and Auxiliary held their regular pot-luck dinner Wednesday, June 21.

The auxiliary opened its meeting in ritual form with Barbara Harvey, president, presiding. Committees for the year were appointed as follows: Cora Brunson, veterans and rehabilitation; Elizabeth Timmer, community service; Beatrice Follette and Maisie Bigelow, Girls State; Grace VanHouten, publications; Marjorie Smith, past presidents parley; Marguerite Bowers, advisory; Mrs. VanHouten, communications; Mrs. Follette, education and scholarship; Shirley Carter and Janet Miller, membership; Mrs. Timmer, music; Betty Brandt and Mrs. Carter, constitution and bylaws; Alice Friebe, legislative.

In charge of the poppy committee is Gola Hendrickson; finance, Mrs. Brandt, and auditing, Mrs. Smith and Mrs. Timmer. Appointed to the executive committee were Mrs. Bowers, Mrs. Brandt and Stella Hudzinski. On the American Legion villa committee is Lillie Wells. Additional committees will be named at a later date.

Guests at Heine Home

Recent guests of Mrs. Harold Heine were her son, Darwin, and Mrs. Heine of Fairbanks, Alaska, and their daughter, Carol, accompanied by her fiancé, Mark Churchill of Seattle, Washington. Family members gathered for a picnic at the Loud Dam home of Mrs. Heine. Present were Mr. and Mrs. Gleason Heine; Mr. and Mrs. Randall Heine, Jason and Karmin; Mr. and Mrs. Ronald Clarke and Ryan, all of Alma; Mr. and Mrs. Michael Remer of Elwell; Mr. and Mrs. Dallas Heine, Gleason and Rebecca, Mr. and Mrs. Brad Heine and Nicholas, Mr. and Mrs. Timothy Czup and Bethany, all of Bay City; Mr. and Mrs. Darryl Heine and Nathan of Midland; Mrs. George Burt, Dale and Nancy of Alpena; the Gary Heine family of Oscoda, and the Garwood Heine family of Glennie. Mr. and Mrs. Sherman Johnstone of Hardy, Arkansas, spent last week with Mrs. Heine.

Hale Music Boosters are sponsoring the Voorheis Brothers Big Top Circus at the fairgrounds Monday, July 3, with performances at 6:00 and 8:00 p. m. Tickets are available from any booster member at a reduced rate. Proceeds from the ticket sales will go toward band and choir equipment, scholarships for music camp and to pay for medals and awards.

Prizes, cake walk, card and fun games will be featured at the Thursday, June 29, meeting of retirees with proceeds benefiting the Hale Area Senior Citizens building fund. Refreshments will be served at the event slated to begin at 1:30 p. m.

Mr. and Mrs. Vernon Teall of Norfolk, Virginia, are visiting friends and relatives in the area enroute from touring the West Coast. He is the son of the Irwin Tealls.

Attending the reception Monday evening for Beulah Western were Shirley Carter, Barbara Harvey, the Donald Stevensons and Helen Taylor.

Alice Friebe has returned from

Rep. Nash Testified Before Grand Jury

"Whom do you trust?" currently the most "popular game" at Lansing, has a connection with the Tawas area in a round about way.

The latest bribery allegation made at the state capital came through testimony before a grand jury by State Rep. Ernest Nash of Dimondale.

Nash is the son of Ernest Nash Sr. of Dyer Road, Whitney Township, and he grew up on the family farm there. He attended Tawas City High School.

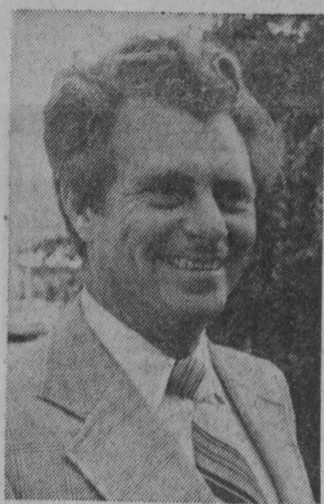

A Republican member of the Michigan House of Representatives, Nash told a federal grand jury last Wednesday that a former lobbyist once claimed or bragged that he

had given or offered a bribe of more than \$100,000 to House Speaker Bobby Crim and Majority Leader Joseph Forbes.

Naturally, both men have denied the allegations and Lansing has been in an uproar since the story surfaced.

The lobbyist who allegedly told the story to Nash concerning Crim and Forbes is currently testifying before another grand jury concerning bribery.

Before his election to the state legislature, Nash was an 18-year veteran of the Michigan State Police and achieved national recognition for his participation in voice printing investigative procedures.

STATE REP. ERNEST NASH

Tawas Won Two Over Ossineke

Tawas Indies scored a big double header win Sunday over visiting Ossineke. Tawas won the first game, 4-1, and then clobbered the visitors, 16-3, in the nightcap.

The Indies took command in the opening inning of the first game when Bernie Link homered. Tawas scored three more runs via the same route in the third inning when Bob Becker and Pat Jordan walked and were chased home by Earl Parsons' homer.

Ossineke scored its only run in

the seventh inning when Don Tesmek homered.

Brad Potts was the winning pitcher for Tawas, giving up seven hits. He struck out five batters and did not issue a walk. Max Kanowski was the loser, although allowing only three hits. He struck out 10 batters, walked four and his only trouble came from the two big Tawas blasts.

Matt Milan pitched a seven-hitter in the second game to turn back Ossineke. Parsons was again the big stick for Tawas as he collected a home run and two singles off the slants of Bill Keen.

Ossineke scored one run in the opening inning on two bunt singles and a run-scoring single by Earl Howley.

Tawas came back with six runs in the third on two walks and another three-run homer by Parsons. A single, a walk, an error and a double by Kevin Mielock accounted for three more runs.

Tawas scored four runs in the fourth and six in the sixth inning, while Ossineke scored two in the fifth.

Milan had a double and a triple during the game while Mielock and Pat Jordan had a double and a single each.

Tawas plays a double header July 2 at Harrisville and plays host to Prescott on July 8.

Winners at Whittemore Speedway

Vern Smith of Alger, Rollie Hottis of Whittemore, Pete Ward of Twining and Lenn Mote of Standish were feature race winners in Saturday night's stock car racing program at Whittemore Speedway.

Smith won the feature in flying stock and annexed the four-car dash. George Fisher of Ortonville won the first heat race and Jim Pace of Walled Lake won the second heat and Australian pursuit.

Hottis won the feature race in the four-barrel class and also won the four-car dash in that class. Dale Graves of Pontiac won the first heat.

Ward's win came in the hobby stock class, which saw Marvin LaBean of Standish taking the four-car dash. Ron Schroeder of Pontiac won the first heat. Ward won the second heat and the Australian pursuit.

Mote's win came in the super stock class with Dorsey LaBean of Standish claiming the four-car dash. Archie Flanagan won the heat race, while Darrell Blumlien of Skidway Lake won the Australian pursuit.

How D. L. Buchanan keeps your building from costing too much and taking too long:

Putting up a new building too often means paying more than you expected and taking longer than you thought.

The most frequent reason? No one person is clearly in control. That can cause a basic communication breakdown among all parties involved, resulting in confusion, cost overruns and missed deadlines.

But we offer you a team of construction professionals capable of controlling your entire project...concept to completion.

We can handle all the details—planning, rights-of-way, permits, construction, even landscaping. We'll make sure you get your building on-time and on-budget. And we'll do it using construction methods and building systems that can cut up to 40% off some conventional building timetables.

So if your next building has time and budget limitations, call us. We'll give you both the building and the control you need.

Construction on Provincial House, the new 120-bed skilled nursing facility at 400 West North Street in

Tawas City, is nearing completion. The announcement was made by Beverly Rawling, administrator-

registered nurse, who stated that the facility will begin patient admissions on Monday, July 17.

Building inspections by the Michigan Department of Public Health, state and federal fire marshals, and the United States Department of Health, Education and Welfare are being scheduled now, to assure compliance with all the regulations governing nursing facilities. New furniture and equipment are arriving daily at the new home and interior decorating, carpeting, wall-papering and painting are progressing rapidly.

The new facility will be capable of caring for 120 nursing and convalescing residents of all ages. It will be licensed as a "skilled nursing facility," to provide the highest level of nursing care available outside of a hospital. The complete program of care available to persons of all ages will include 24-hour professional nursing, medication control, dietary supervision,

physical therapy, and other rehabilitative and restorative services. Licensure as a "skilled" facility will enable Provincial House to provide residents with a broad range of reimbursement opportunities for their care, including Medicare, Medicaid, health insurance and private payment plans.

Supervised activity programs will be geared to group and individual interests and abilities. Religious services will be held within the facility on a regular basis. Soon after the home opens, a resident council will be established, composed entirely of patients and their own elected officers. This council will give patients an open forum for expressing their opinions, making suggestions and having a voice in the operation of the nursing home.

Mrs. Rawling stated that department heads, nurses, nurse aides, dietary aides, and housekeeping and maintenance personnel are being hired from among local area applicants. The entire staff of the new facility goes through an in-depth training program with department heads receiving supplemental orientation at other Provincial House facilities. Mrs. Rawling explained that "this will indoctrinate them to Provincial House philosophy and procedures to assure excellent quality care and a good quality of life to the residents of this new nursing home."

Social Security Pays Blind People Benefits

Over 120,000 people disabled by blindness and an estimated 55,000 of their dependents receive social security disability benefits, a social security representative said today.

We believe, though, that many others may be missing out on payments because they do not know about current eligibility requirements.

For social security purposes, blindness is defined as visual acuity of 20/200 or less in the better eye with glasses or reduction in the visual field to 20 degrees or less.

A person is not considered disabled unless his or her blindness prevents him or her from

engaging in substantial gainful work. Under the law effective January 1978, however, people disabled due to blindness may have average monthly earnings of up to \$333 without losing their benefits based on such earnings.

The law does not, however, affect the standards for determining substantial gainful activity for persons disabled by conditions other than blindness.

Blind people need credit for a certain amount of work under social security to be eligible for benefits on their own record. In 1978 the amount ranges from 1½ years up to 6¾, depending

on the person's age when he or she became blind.

People who get benefits as blind widows, widowers, or adults disabled before 22 do not need to have worked under social security.

After a blind person has received disability benefits for 2 consecutive years, he or she becomes eligible for Medicare, the spokesperson said.

A free leaflet, *Disability benefits for blind people*, is available at any social security office. The address and telephone number of the nearest office can be found in the telephone directory under "Social Security Administration."

The History of Rock and Roll Slated on WIOS

John Carroll of WIOS AM has announced the completion of plans for the broadcast of the 52-hour spectacular, *The History of Rock and Roll*, to be aired on July 1 through 26, 6:00-8:00 p. m.

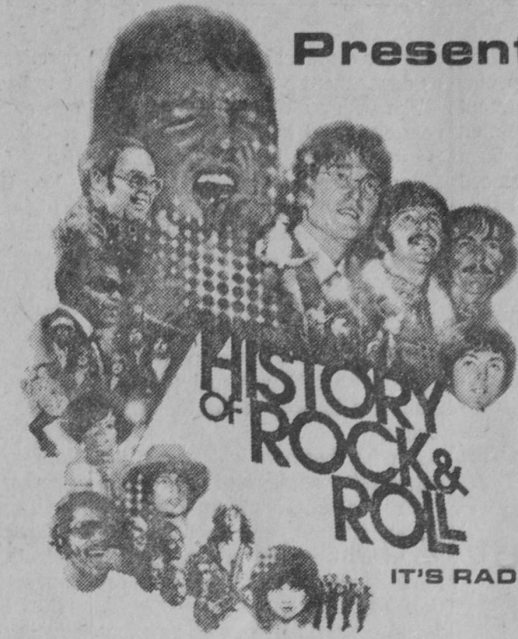

Created by radio programming specialists Drake-Chenault, it is the first and only, made-for-radio epic that traces the entire history of the phenomenon of rock and roll—from its humble beginnings in the early 1950s as Bill Haley sang "Rock Around the Clock"—right up to the chart-busting hits and artists of today, like Fleetwood Mac, Stevie Wonder and Linda Ronstadt.

Narrated by William Drake, it contains virtually every significant song of the last quarter century with nearly 2,000 excerpts from over 500 interviews and reminiscences by the artists, writers and producers who made it all happen. The movers of the industry recreating the colorful history of rock and roll—in both words and song.

It is being called radio's roots.

questions and answers

Q. I don't understand Medicare coverage of home health services. Both parts of Medicare cover home health care. What's the difference?

A. Medicare hospital insurance can cover home health care when it is needed for further treatment of a condition which was treated in a hospital or skilled nursing facility. Medicare medical insurance can cover home health services when a person needs part-time skilled nursing care but doesn't need to be in a hospital first. Medical insurance also can cover home health visits when you have used up the 100 visits covered under hospital insurance and need more. Certain conditions must be met, however, before either part of Medicare can pay for home health care. For detailed information, call any social security office and ask for a copy of *Home health care under Medicare*.

Q. Several years ago, I applied to have my earnings from the ministry exempted from social security coverage. At the time, I was told the exemption could never be withdrawn. I understand this law was recently changed. Can I revoke my exemption now?

A. The law now provides a one-time opportunity for members of the clergy to revoke their exemption from social security coverage. An application for revocation must be filed with the Internal Revenue Service before the clergyman becomes eligible for disability or retirement benefits, or by April 15, 1979, whichever comes first. If you revoke your exemption now, you cannot later file for an exemption again.

Q. I know Medicare medical insurance helps pay for services of doctors and suppliers, but I don't know who or what a supplier is. Can you tell me?

A. A supplier is a person or organization, other than a doctor or health care facility, that furnishes equipment or services covered by Medicare medical insurance. For example, ambulance firms, independent laboratories, and organizations that rent or sell medical equipment are considered suppliers.

Q. My wife and I just received a notice telling us we're not eligible for SSI payments. We disagree. Is there any way we can appeal this decision?

A. A claimant has the right to appeal any decision made about his or her eligibility for SSI payments or payment amount. There are four steps in the appeals process, and there is a time limit for requesting each one. Contact any social security office and the people there will assist you in requesting an appeal. This should be done as soon as possible after you receive the notice.

Edward Sterling Succeeds Block as Building Dept. Chief

Edward Sterling of Tawas City, who has been a building inspector with the Iosco County Department of Building and Safety Inspection for the past three years, has been named acting director to succeed the late Francis J. Block.

In making the appointment last week, the Iosco County Board of Commissioners established a salary of \$12,500 for the acting director.

Sterling is to have full authority of a department head and was given authorization to hire an electrical inspector to fill the present vacancy. Block had served as the

county's electrical inspector as well as department head.

The acting director said that the new electrical inspector would be stationed at the building inspection office at Oscoda.

The department has four employees and handles building inspection for the entire county with the exception of four townships and the City of East Tawas. The department provides electrical inspections for the entire county excluding East Tawas and provides plumbing inspection for the entire county.

In other business last week, the commission authorized its legal counsel to settle its lawsuit against the state for 90 percent of the \$20,000 which it sought in depreciation funds at the Iosco County Medical Care Facility.

The county had sought payment of the full \$20,000 for depreciation for the 1969-1972 period. Ronald Tyler, the county's legal counsel, told commissioners that the state claimed the county had not brought in its claim during the required slot period and that most other

counties of the state had settled for 50 to 60 percent of the depreciation figure. Since 1972, the state has paid the full amount of depreciation.

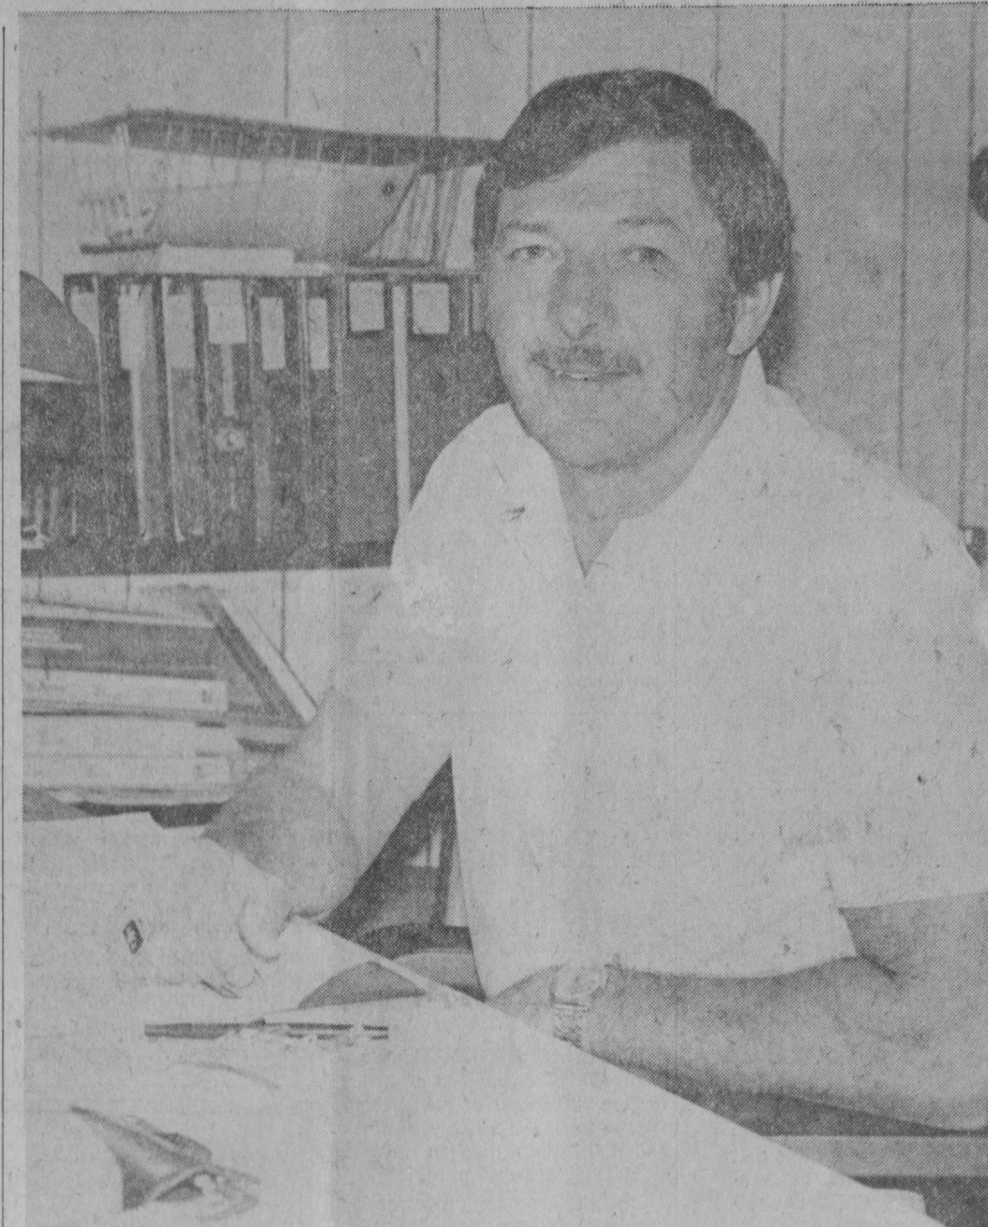

Roy Bergstrom, director of the medical care facility, said that all 41 facilities in the state had been required to take legal action for depreciation funds as money had not been provided for this purpose in the budget of the Michigan Department of Social Services.

A letter and petition from Arthur G. Leitz asked the county to restore the original name of Burgeson Road rather than the current designation of Old State Road in Baldwin Township.

Harold W. Schmidtke was appointed emergency energy coordinator for the county.

Bert Fortune of Whittemore was appointed to fill a vacancy on the Iosco-Arenac Regional Library Board.

David George, commissioner from Oscoda, was appointed as the third member from Iosco to the board of directors of District Health Department No. 2.

EDWARD STERLING of Tawas City was appointed last week as the acting director of the Iosco County Department of Building and Safety Inspection. He is shown above in his office in the county building annex.—Tawas Herald Photo.

Whittemore News

Marsha Louise Gamber, a 1978 graduate of Bob Jones University, Greenville, South Carolina, and a resident of Whittemore, has accepted a position on the faculty of Highlands Christian School, North Highlands, California, beginning in the fall. A 1974 graduate of Whittemore-Prescott Area High School, Miss Gamber is the daughter of Mr. and Mrs. Reginald Gamber. She received the bachelor of science degree in home economics and was a member of Theta Pi Delta Literary Society while a student.

Sunday, Mr. and Mrs. William Kline, Mr. and Mrs. Elgin Provoast of Otisville, Mr. and Mrs. John Drzewiecki were guests of the Garfield Provoast family.

Tuesday afternoon, Donna Wilson called on Mildred Harsch.

Saturday evening, Whittemore Baptist Church held a banquet honoring the Proteins and Astronauts. Awards went to Debra Spaid, Thomas and Sandra McKelvey for learning and reciting 300 Scripture verses in less than a year.

Oliver Peters and daughter spent Sunday with Georgina Freel and Louie Louks.

Key Game Broke Tie in Tawas Men's Softball Play

WIOS took over leadership of Tawas Men's Softball League last week by defeating Lakeside Bar, 15-7. Both teams had been tied with identical records of six wins and no losses.

Besides the key game between the two front runners, other games June 19 were as follows; Klenow's Market defeated Anschuetz Heating, 12-11; Rose Builders downed State-Wide, 11-7; Davison and Son dropped Midway Family Center, 26-2; Lad's Padd defeated Tawas Lanes, 15-5; Wooden Wheels edged Buckhorn Inn, 14-13.

Action Wednesday night saw Lad's Padd winning over Midway, 11-1; Tawas Lanes won a close game over Wooden Wheels, 6-4; Davison and Son walloped State-Wide, 33-5; Anschuetz Heating defeated Knights of Columbus, 9-6; Rose Builders topped Klenow's Market, 12-7.

Interpretive Displays Are Under Study at Monument

A preliminary study is currently being made by the United States Forest Service for development of interpretive displays and possibly a future center at Lumbermen's Monument on the AuSable River. Ross Frid of the supervisor's office of Huron-Manistee National Forest at Cadillac said Thursday that federal funding has been provided in next fiscal year's budget to provide display cases at the Lumbermen's Monument. Work on the project is expected to start in October.

James Massey of the forest service's regional office at Milwaukee, Wisconsin, said that displays would emphasize the role the AuSable River played in Michigan's lumbering era. He said that the state's center at Hartwick Pines emphasized the actual logging aspect of the lumbering era and displays here would emphasize log drives.

Through use of photographs and accompanying text, displays at Lumbermen's Monument would show visitors how the AuSable River appeared before the advent of hydroelectric dams and how driving logs on the river was actually accomplished.

Frid said they were contacting various resources for pictures and thought was being given to establishment of an interpretive center to be included in a new building at the monument at some future date.

He said that the preliminary study indicated that the forest service may station a guide at the nationally-famous monument site to aid visitors in understanding the colorful and historic era of the AuSable River drives.

ville, and Anthony Malacos, worthy grand patron, Dearborn Heights. The affair was held at Tawas Masonic Temple under sponsorship of Iosco Chapter No. 71, Order of the Eastern Star.—Tawas Herald Photo.

Corps Finally Gives OK to Permit

After filing an application six months ago, the City of Tawas City received word last week that a permit to dredge the mouth of the Tawas River was to have been issued Friday.

City Mgr. Reginald Bublitz said that as soon as a signed permit is received, expected this week, a contractor would be notified to start the project.

Bublitz said he was waiting to see if the new permit was good for a 10-year period, which he requested in his application to the United States Army Corps of Engineers last January.

"We submitted an application last year for a 10-year period, but it was only good for one year," he stated. There must have been some confusion at the corps' district office at Detroit as the city was later notified it should apply for a 10-year permit.

The latest delay in the application was caused by a 30-day posting period, May 15-June 15, to permit any statement by environmentalists.

The corps of engineers indicated earlier in the year that the permit had been delayed due to the number of snow removal grants received by the Detroit office.

The state permit from the department of natural resources was received months ago, but permitted no dredging between April 15 and May 1.

Under state requirements, no dredging would be permitted after September 15. At the present time, silt is rapidly closing the boat channel at the river mouth.

Tawas Herald
 Centennial Feature
PATRIOTISM AND THE LYCEUM LEAGUE OF AMERICA

A tattered minute book and a collection of songs is all that remains of a national organization which once numbered in the thousands of members. That organization died right here in Iosco County.

When the Whittemore Chapter of the Lyceum League of America disbanded in 1964, only two members were left in the last remaining chapter of the Lyceum League. Now 97 years of age, Mrs. Alice Goupil of Whittemore is the last surviving member.

The minutes and song book of this organization were recently given to The Tawas Herald and were turned over this week to the Iosco County Historical Society for preservation in the new county museum.

The Lyceum League of America was a national federation of debating clubs aimed to promote ideas and purposes of good citizenship among the young men of the republic. The constitution of the organization made no distinction concerning sex—"men" also included women.

The organization sought to cultivate true independence by training members to think for themselves. It tried to promote political intelligence by making members familiar with the leading questions of the day, as well as with the leading issues of the nation's political history. It fostered patriotism by impressing members with the duties of citizenship.

In October 1891, The Youth's Companion wished to promote intelligent patriotism among young people who were soon to control the republic and proposed formation of the LLA. The response was so wide that before six months had passed, more than 1,200 Lyceums had been organized in the league.

Expansion of the league moved rapidly from month to month and organizations included members of all ages between 15 and 50 years, the average being 20.

Independence Club No. 1408 was organized at Whittemore and its first meeting was held in October 1892, with seven members present. Before the year was to end, the club consisted of 16 members and the membership grew to 26 by 1896.

Charter members included Nancy Beardslee, Sarah Beardslee, David Shaw, Jessie Chase, Murlin Beardslee, Pearl Stone, Harry Price, S. Stone, Clive Price, Mr. Sanderson, Mr. Kehoe, Nancy Baker, Robert L. Dillinbeck, Alice Bain, May Crandall, Clarence Hathaway, Effie Guiley, James Belchamber, Ira Whittemore, Luella Pringle, J. Porter, Theodore Goupil, Charles Beardslee, Susan Hammond, Earl Russell, Walter Burton, Sarah Cataline, William Leslie and William Dunham.

Minutes of the founding meeting indicate that the organization secured use of its rented quarters for \$1 a month and that David Shaw was elected president, with W. H. Price elected vice president. A wood bee was held prior to the second meeting in order to provide fuel for heating the clubroom. Pearl Stone, secretary, reported that a lively debate took place at the November 24, 1894, meeting, during which Mr. Beardslee took the affirmative and Mrs. Shaw took the negative. The literary part of the program included reading the second chapter of Evageline. A debate was held January 4, 1895, on the following question: "Resolved, that woman's suffrage is desirable," one of the most heated topics in this nation for 50 years. Judges of the debate decided for the affirmative.

Programs during ensuing meetings included songs, reading of poems and a dialogue by participating members of the club. It was voted to have an oyster supper, taffy pull and sleigh ride as entertainment for future meetings.

On May 16, 1895, the club voted to produce the play, "Uncle Tom's Cabin," and a committee was appointed to secure play books. A notation was made in the minutes that five cents was drawn from the treasury to purchase screws to fasten the curtain while another expenditure of 10 cents was made to purchase a dust pan.

On December 21, 1895, the following question was debated: "Resolved, that tobacco and liquor be abolished from the United States," another controversial topic of that era.

The young people of the Whittemore area continued to take an active interest in the Lyceum League of America and held monthly meetings for a number of years. Finally, as family responsibilities began to demand more time or members moved to other communities, the organization's roster began to wane.

A few dedicated members still held annual meetings through the 1920s and 1930s when old age began to take its annual toll of members. Independence Club No. 1408 continued to hold meetings, however, on an annual basis at the homes of members. Luella Price, secretary, noted that the meeting held in October 1964 was at the home of Lela Osgerby at Sand Lake. "It really was just a get-together of

ALICE GOUPIL, 97, Whittemore, is the last surviving member of Independence Club No. 1408, Lyceum League of America. She was the youngest member of the Whittemore chap-

ter organized in October 1892. The club reached 40 members in 1897 and continued to hold meetings after the national organization passed into oblivion.—Tawas Herald Photo.

LELA E. OSGERBY was a long time secretary of the Lyceum League chapter at Whittemore. The great principle of the Lyceum League of America remains today in the words of the Pledge of Allegiance to the American flag, which was written expressly for the organization in 1891 and was soon copied throughout the country.

Alice Goupil, Lela and myself," said the secretary.

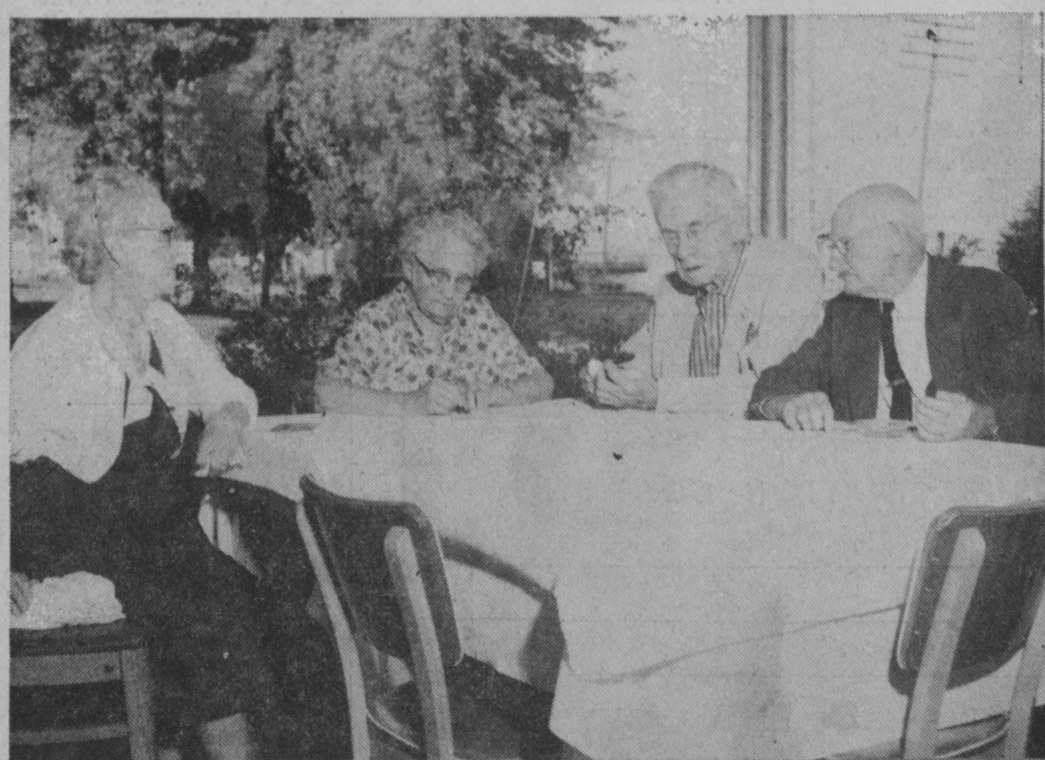

The last official meeting of the Lyceum League of America was held at a restaurant in Tawas City with five members attending. Included were Mr. and Mrs. Harry Price, Mrs. Goupil and Jesse Porter.

The meeting opened according to rules of the LLA with the flag salute and patriotic songs. The now white-haired members were no longer interested in debating national topics—their sun was setting and national issues were for the young folks.

When President Price pounded his gavel to close the meeting of Independence Club No. 1408, the Lyceum League of America had passed into history. Other similar organizations have gone the same route and are now forgotten.

Included in the minutes being turned over to the historical society is an "Unfinished Poem" by George L. Wakeman, one of the club members, who told about early days in Whittemore.

His last lines included the following sentiment, which might well be the LLA's benediction: "I have seen so much that is past and gone that to sit and dream of the days that were is, in itself, a life well lived to pass on to those who are yet to come."

FOUR MEMBERS of Independence Club No. 1408, Lyceum League of America, are pictured above during the national organization's 1958 annual meeting. The Whittemore chapter was

the last in the LLA and numbered seven members at the time. From left are Mrs. W. H. Price, Mrs. Alice Goupil, W. H. Price and Jesse W. Porter.—Tawas Herald Photo.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

Editorial—

Whose Bull is Being Gored?

The current flap in Michigan over the Democratic National Committee's recently adopted nominating rules for the 1980 presidential election is causing some editorial concern in the state, but this corner can only comment: "It all depends on whose bull is being gored."

Rules of the Democratic National Committee would restrict voting in the Democratic presidential primary election to those who declare their party affiliation at the polls and allow the recording of their answers.

This, it is claimed, would keep Republicans from crossing over into the Democratic primary to help elect such candidates as George Wallace, who swept the Michigan presidential primary in 1972 from the leading Democratic candidates.

This corner does not believe that so-called "independent" voters should get too upset over this—after all such voters are nonentities and the primary election is strictly a political function—politicians from both sides of the aisle always have emphasized that this is a two-party system.

By law, Michigan voters have not registered according to political party for 40 or more years, but this proposed "safeguard" would

not prevent people from voting under a false party label or switching party allegiances at will.

The current flap serves to remind this corner of a situation in the early 1940s when a Republican-dominated state legislature adopted a rule for a November general election requiring the printing of two separate ballots—one for state and local candidates and one for presidential candidates.

This action was taken to prevent state candidates in one party from "riding in on the coattails" of the then politically powerful incumbent president. All kinds of similar election rule tricks have been used by politicians over the years to insure re-election to the public trough, including incumbent designations on ballots—it all depends on the party in power.

It has been reported that Democratic presidential primaries in this state may be abandoned, unless the Michigan legislature brings its laws into line with the national committee's rules.

This is the best word heard in a long time and this corner hopes the Republicans will follow suit—Michigan voters have avoided the presidential primary as if it was a plague since it was foisted on the state and is a meaningless waste of tax money.

TODAY'S Meditation from The World's Most Widely Used Devotional Guide

The Upper Room

(Read Matthew 5:13-16)

"Let your light so shine before men that they may see your good works and give glory to your Father who is in heaven." (Matthew 5:16 RSV)

Never do I tire of the city scene that I can view from a window of our hillside home. The electric lights seem to twinkle on a clear night. I realize that they are only street lights or traffic signals but I like to think that each light represents a person. Christ's words, "Let your light so shine before men," seem appropriate.

Sometimes a deep fog appears and the lights are hidden from my sight. Then, the brightness is gone and the lights give neither beauty nor direction.

How much our lives resemble the street lights! When our thoughts are considerate and our actions kind and understanding, the glow from our hearts shines forth to guide others. But when our hearts are filled with hatred, jealousy and resentment, the lenses of our thoughts become misty and the light from within fails to shine. Then, God removes the fog cloud, the street lights glitter again.

Likewise, if we allow God to permeate our hearts, our confusion disappears and the true light once again glows like a beacon to benefit others.

PRAYER

Heavenly Father, may our lives reflect a light that will kindle the flame of love, peace and understanding for others to see. Amen.

THOUGHT FOR THE DAY

Is my life reflecting the light of Christ?—Pauline McDonald (Los Angeles, California)

Marguerite Bos Passed Away

Marguerite Bos of East Tawas passed away Tuesday, June 20, at Tawas Hospital. She was born September 26, 1906, and had moved to the Tawas area nine years ago from Charlotte.

The Rev. Sidney A. Short officiated at funeral services Friday, June 23, at Leonard-Osgood Funeral Home, Hastings. Burial followed at Riverside Cemetery, Hastings.

She is survived by her husband, Arthur; one son, Robert Seay of San Francisco, California; three stepdaughters, Marlene K. Stoops of Kalamazoo, Karen Jean Kerr and Linda Lou Selburg of Peoria, Illinois, and one stepson, Arthur G. Bos of Kalamazoo. She also leaves 10 grandchildren; one great grandchild; one sister, Louise Groves of Royal Oak, and two brothers, Frank and Richard Kenfield of Hastings.

Funeral Held for Archie Howe

Funeral services for Archie Howe, 76, were conducted Thursday, June 22, at Forshee Funeral Home, Prescott. A resident of Whittemore, he died at his home Monday, June 19. Burial was in Floral Gardens Cemetery, Bay City. Masonic rites were held Wednesday evening.

He was born November 26, 1901, in Crawford County, Illinois, and is survived by a daughter and a son.

Letter to the Editor

Dear Editor:

I visited the Tawas area over the week-end and found a copy of your editorial, "Constitutional Amendments Should Be Studied—Digested Before Passed." You have given your readers excellent advice. The petition drive now under way is not Proposal 13, nor is it anything like it other than a catchy title called tax limitation.

As you will recall Proposal "C" on our ballot at the last election was defeated and that limited spending to 8.3% of personal income. The world renowned economist, Milton Friedman, supported Proposal "C" with the reservation that 8.3% was too high.

The so-called limitation petition now being circulated, if passed, will establish the limit at about 9.5%. There is some disagreement but some people feel the terminology of the amendments establish a fixed dollar amount of spending that cannot be changed without a vote of the people. If that is true, it would require a vote of the people of Michigan for each budget.

Other than the mechanical difficulties with the proposal, it does not represent a reasonable limitation and the people that support it are doing so believing it does.

One last thought, if the people of Michigan approve a new Constitutional Convention, the amendments being approved by the voters could be for naught.

Sincerely,
ERNEST W. NASH
State Representative

Mrs. Carpenter Died June 21

Following a lingering illness, Theodora Carpenter of East Tawas passed away Wednesday, June 21, at Tawas Hospital. She was born January 6, 1928, at Flint and was a member of Veterans of Foreign Wars Auxiliary No. 5678. She married Howard E. Carpenter at South Bend, Indiana, in 1946. He survives.

Services were conducted Saturday, June 24, at Jacques and Kobs East Chapel, East Tawas, with the Rev. Edward J. Fairbanks officiating. Burial followed at Greenwood Cemetery.

Besides her husband, she leaves two sons, Howard III of Alpena and Theodore of East Jordan, and four daughters, Denise Stanek of Taylor, Rene, Michelle and Lynette, all at home. She also leaves four grandchildren; her mother, Mrs. Inger Wilcox of East Tawas; two brothers, L. D. Wilcox of Flint and Jack Wilcox of Lennon, and four sisters, Evelyn Leonard of Allen Park, Romona Taylor of Flushing, Donna Sims and Joanne Story of Flint.

Cub Scout Leaders Invited to Meeting

Cub scout leaders of Oscoda, Tawas area and Hale are advised of a round-table meeting at 7:00 p. m. Thursday, July 6, at Cedar Lake Elementary School. For more information, call Sandra Smith at 739-9786 or 739-4624.

Help fight air pollution: Join a car pool; be sure your car is well-tuned; drive as little as possible.

SUMMER REFRESHMENT

What is the best way to quench a hot summer thirst? Many people use juices and fruit drinks as a nutritional way to beat the heat.

The fruit beverages available vary greatly in cost and food value. Comparisons are essential to find the best buy, according to Anita Dean, food and nutrition specialist, and Mary Zehner, agricultural economist at Michigan State University.

Feelings of thirst are the body's way of indicating the need to take in some fluids to replace those lost through perspiration. The higher the water content of a beverage, the better its thirst-quenching ability. Also, beverages that are a little tart, sour or, surprisingly, a little salty seem to quench thirst better than sweet ones.

With all the fruit beverages available on the supermarket shelves, the best way to compare them is by their labels. The list of ingredients will quickly show if a beverage contains only sweetened water to which some vitamin C has been added. Both the sugar and the vitamin C may be more cheaply purchased.

Although federal regulations vary, the names of different drinks in Michigan are clues to how much juice is actually being bought. Only a drink labeled as juice contains 100 percent fruit juice with no added water, color or flavor. This includes reconstituted juice, where the water added cannot exceed the original amount.

Nectar is made from pureed fruit and juice. Orange nectar is at least 50 percent fruit, apricot is at least 35 percent and most others are 40 percent. An ade contains no less than 25 percent fruit juice—except for cranberry, lime, lemon and lemon-lime which may be only 10 percent.

Both fruit drinks and punches contain at least 10 percent juice. The punch must also contain two or more fruits. A fruit flavored drink contains some juice but the amount may fall below 10 percent. Finally, an imitation fruit drink does not contain any juice.

The standards for powdered fruit beverages are less complicated. If there is no juice in the powder, the label must say so. The label must also state if the powder contains artificial flavor by printing it directly under and in half the type size of the product's name. The list of ingredients will show if artificial color has been added.

Many drinks which are not 100 percent fruit juice have still been fortified with nutrients, especially vitamin C. For orange beverages, the amount of this vitamin in a six-ounce serving of the drink is usually comparable to a four-ounce serving of the juice. Juices are still more complete nutritionally, however, because some trace elements of a juice may not have been identified and therefore not added to the drink.

Orange juice is the best juice from a nutritional standpoint. It is an excellent source of vitamin C and a good source of potassium. The more varied the types of juices you drink, however, the better the chance of getting all the trace elements your body requires.

Truly fresh juices are often of limited availability because of perishability. Some juices available in bottles and cartons have been pasteurized to decrease their rate of spoiling. They must still be kept refrigerated because they have not been processed long enough for sterilization.

Canned juices have been heated long enough to destroy the spoilage organisms. Once opened, however, they should be refrigerated and their flavor will be better if the juice is transferred to a glass or plastic container.

The heat of canning and pasteurization modifies the flavor of the juice. Frozen juices, although they also spoil quickly once thawed, generally have a reconstituted flavor which is comparable to fresh juice.

A number of factors should be considered when deciding if fruit juice or fruit drinks and mixes are the better buy. These include the time needed and convenience of making the drink, the cost per serving and the nutritive value of the drink, as well as personal tastes and preferences. Storage requirements may also be a consideration. For example, powdered drinks keep well until mixed and take up little shelf space.

Consumers Hotline Approved by State

With senate passage, the legislature today gave final approval to a toll-free consumer hotline for the Michigan Consumers Council. The bill, sponsored by Rep. Morris Hood (Detroit), now goes to the governor.

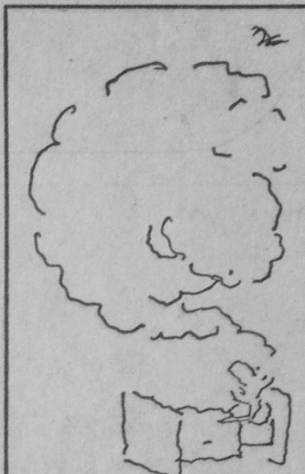

Linda Joy, council's executive director, said, "The hotline will bring the state's vast consumer information resources to the fingertips of virtually every consumer in the state. We expect this to be of benefit to both businesses and consumers."

The director explained, "It has been our experience that if the necessary counseling and information are available, consumers are able to resolve the majority of dis-

putes with businesses without the intervention of state agencies. If, however, it is apparent that mediation or enforcement would be useful, the calls will be referred to appropriate enforcement agencies."

Currently, Lansing-area consumers make the majority of calls to the council. "When the hotline is installed, consumers throughout Michigan will be able to call—whether they live in Ironwood, Detroit or Muskegon," Mrs. Joy said. "The consumers council serves as a spokesperson for consumers in the political process, providing information to both the legislature and the governor. It also operates the state's consumer information clearinghouse."

(And warm, friendly people.)

A Sunday School

full of stimulating new ideas.
(And lively, inquisitive kids.)

A Reading Room

full of revolutionary new ideas.
(And helpful, encouraging books.)

And a Wednesday testimony meeting

where the healing power of these new-old ideas is told, and people can give their thanks to God.

Now that we've introduced ourselves

we'd love to have you come and share with us...any time you can.

RESOLUTION AUTHORIZING ISSUANCE OF IOSCO COUNTY BUILDING AUTHORITY BONDS (COUNTY BUILDING)

Iosco County Building Authority
County of Iosco, Michigan
Minutes of a Regular meeting of the Commission of the Iosco County Building Authority, County of Iosco, Michigan, held on the 21st day of June, 1978, at 9:30 o'clock a. m., Eastern Daylight Time.

PRESENT: Commissioners Huck, Myles, Baker
ABSENT: Commissioners None
The following preamble and resolution were offered by Commissioner Baker and supported by Commissioner Myles:

WHEREAS, the Iosco County Building Authority (the "Authority") has been duly incorporated by the County of Iosco, a county corporation of the State of Michigan (the "County"), pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and maintaining a building or buildings, automobile parking lots or structures, recreational facilities, stadiums and the necessary site or sites therefor, together with appurtenant properties and facilities necessary or convenient for the effective use thereof, for use for any legitimate public purpose of the County; and

WHEREAS, the Authority, pursuant to said Act 31, as amended, and its Articles of Incorporation, proposes to acquire facilities for the use of the County for general County purposes, said facilities consisting of a building, additions and improvements, together with site therefor, site improvements, parking areas, equipment, furnishings and related appurtenances, as described in plans prepared or to be prepared by John T. Dye, Architect of Oscoda, Michigan, all as set out in a certain Full Faith and Credit General Obligation Contract of Lease between the County and the Authority, wherein the County has pledged its full faith and credit for the payment of amounts due thereunder to retire bonds; and

WHEREAS, the total cost of acquiring said project is estimated to be the sum of Five Hundred Thousand Dollars (\$500,000), which will include the costs of acquiring, constructing, furnishing and equipping the building, additions and im-

provements, site improvements, parking areas and related appurtenances (all as described in said Contract of Lease), architects' fees, legal and financing costs, and contingencies; and

WHEREAS, the Authority proposes, in accordance with the authorization contained in said Act 31, as amended, to provide at this time for the issuance of bonds of the Authority in the aggregate principal sum of Five Hundred Thousand Dollars (\$500,000) in anticipation of the full faith and credit general obligation contractual commitments of the County under said Contract of Lease to finance the cost of said project; and

WHEREAS, the Authority and the County have approved, executed and authorized delivery of said Contract of Lease dated as of June 21, 1978, a copy of which has been delivered to and is on file with the Secretary of the Authority and the County Clerk; and

WHEREAS, a Notice of Intention of Entering into said Contract of Lease has been or will shortly be published in accordance with said Act 31, and said Contract of Lease will be effective upon the expiration of forty-five (45) days following said publication unless a proper petition for an election on the question of said Contract of Lease becoming effective is filed with the County Clerk within said period of time; and

WHEREAS, all things necessary to the authorization and issuance of said bonds under the provisions of the Constitution and laws of the State of Michigan, and particularly the aforesaid Act 31, as amended, have been done and the Authority is now empowered and desires to authorize the issuance of such bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE IOSCO COUNTY BUILDING AUTHORITY AS FOLLOWS:

Section 1. Definitions. Wherever used in this Resolution or in the bonds to be issued hereunder, except where otherwise indicated by the context:

(a) The term "Act" shall mean Act 31, Public Acts of Michigan, 1948 (First Extra Session) as amended.

(b) The term "Authority" shall mean the Iosco County Building Authority organized pursuant to the provisions of the Act, or its successor.

(c) The term "Commissioner" shall mean the Commission of the

Authority, the legislative and governing body of the Authority.

(d) The term "Contract" shall mean the Full Faith and Credit General Obligation Contract of Lease heretofore made, executed and delivered by the Authority and the County, as referred to in the preamble hereto, and all amendments thereto hereafter made.

(e) The term "County" shall mean the County of Iosco, Michigan, or its successor.

(f) The term "Cash Rental" or "Cash Rentals" shall mean the full faith and credit general obligation Cash Rentals as provided for and defined in Section 3 of the Contract to be paid annually to the Authority by the County for retirement of the Bonds.

(g) The term "Project" shall be construed to mean the building additions and improvements and site therefor, site improvements, parking areas, equipment, furnishings and related appurtenances, as described in the preamble hereto, to be acquired pursuant to the provisions of this Resolution and the Contract.

(h) The term "Bonds" shall mean the Building Authority Bonds in the principal amount of Five Hundred Thousand Dollars (\$500,000) authorized to be issued by this Resolution and any additional Bonds authorized to be issued to complete or repair the Project, as authorized by the Contract.

Section 2. Declaration of Necessity. It is hereby determined to be necessary and advisable for the Authority to acquire the Project for the use of the County as provided and specified in the Contract.

Section 3. Estimated Cost; Period of Usefulness. The total estimated cost of the Project, including the payment of the incidental expenses specified in Section 4 hereof, which estimated cost is Five Hundred Thousand Dollars (\$500,000), is hereby approved and confirmed, and the estimated period of usefulness of the Project is determined to be not less than forty (40) years.

Section 4. Authorization of Bonds. For the purpose of paying the cost of acquiring the Project, including the payment of architects' fees, legal and financing fees, and other expenses incidental to the financing, there shall be borrowed in anticipation of the payment of Cash Rentals by the County under the Contract the sum of Five Hundred Thousand Dollars (\$500,000), and that in evidence thereof there be issued in anticipation of such full faith and credit general obligation Cash Rentals negotiable Bonds of the Authority in the principal amount of Five Hundred Thousand Dollars (\$500,000).

Section 5. Bond Terms. The Bonds shall be designated IOSCO COUNTY BUILDING AUTHORITY BONDS (COUNTY BUILDING), shall be payable out of the Cash Rentals, and shall be coupon Bonds of the denomination of \$5,000 each, dated as of September 1, 1978, numbered consecutively in direct order of maturity from 1 upwards, registrable as to principal only in the manner hereinafter provided, and payable serially on March 1st of each year as follows: \$25,000 1979 through 1983 inclusive \$50,000 1984 through 1985 inclusive \$75,000 1986 through 1989 inclusive

The Bonds shall bear interest at a rate or rates to be determined upon public sale thereof, not exceeding seven percent (7%) per annum, payable on March 1, 1979, and

semiannually thereafter on September 1st and March 1st of each year. Both principal and interest shall be payable in lawful money of the United States of America at a bank or trust company qualified to act as paying agent, located in the State of Michigan, to be designated by the manager of the account purchasing the Bonds and approved by the Authority. A co-paying agent similarly qualified and approved, but located either within or without the State of Michigan, may also be designated.

The Bonds will not be subject to redemption prior to maturity.

Section 6. Execution of Bonds. The Chairman and Secretary of the Commission are hereby authorized and directed to execute said Bonds when issued and sold for and on behalf of the Authority and affix the seal of the Authority thereto, and the Chairman of the Commission is hereby authorized and directed to execute the interest coupons to be attached to said Bonds by causing his facsimile signature to be affixed thereto. Upon the execution of said Bonds and the attached coupons the same shall be delivered to the Treasurer of the Commission or such other officer as shall be designated by the Commission, who is hereby authorized and directed to deliver said Bonds and the attached coupons to the purchaser thereof as hereafter determined by the Commission upon receipt of the purchase price therefor.

Section 7. Security for Bonds; Lien. The Bonds and the attached coupons shall be issued in anticipation of and payable from the Cash Rentals received by the Authority from the County pursuant to the Contract, which Cash Rentals are general obligations of the County for the payment of which the County in the Contract has pledged its full faith and credit pursuant to the provisions of the Act. The County has further covenanted and agreed that each year it will levy ad valorem taxes upon all taxable property within its boundaries in amounts which, taking into consideration estimated delinquencies in tax collections, will be sufficient to pay the Cash Rentals under the Contract becoming due before the time of the following year's tax collections. Such taxes, by virtue of Article IX, Section 6 of the Michigan Constitution and the Act, must be levied by the County without limitation as to rate or amount and in addition to any other taxes which the County may otherwise be authorized to levy, to the extent necessary to pay such Cash Rentals; provided that if at the time of making any annual tax levy there shall be funds on hand earmarked and set aside for the payment of said Cash Rentals becoming due prior to the next tax collection period, then such annual tax levy may be reduced by such amount. To secure the payment of the principal of and interest on the Bonds, all such Cash Rentals are hereby pledged solely and only for the payment of the Bonds, and a statutory first lien is hereby established upon and against such Cash Rentals for such purpose.

Section 8. Remedies. The holder or holders of said Bonds representing in the aggregate not less than twenty per cent (20%) of the entire issue then outstanding may, by suit, action, or other proceedings, protect and enforce the aforesaid statutory lien and enforce and compel the performance of all duties of the officials of the Authority, including, but not limited to, compelling the County by proceeding in a court of competent jurisdiction or other appropriate forum to make the Cash Rental payments required to be made by the Contract and requiring the County to certify, levy and collect appropriate taxes as herein authorized and as may be required by the Contract to be so certified, levied and collected by the County for the payment of Cash Rentals required to be paid by the Contract.

Section 9. Operation of Project. Pursuant to the terms of the Contract, the operation, maintenance and management of the Project and all costs and expenses with respect thereto shall be the obligation of the County.

Section 10. Operating Year. The Project shall be operated on the basis of fiscal year corresponding with that of the County.

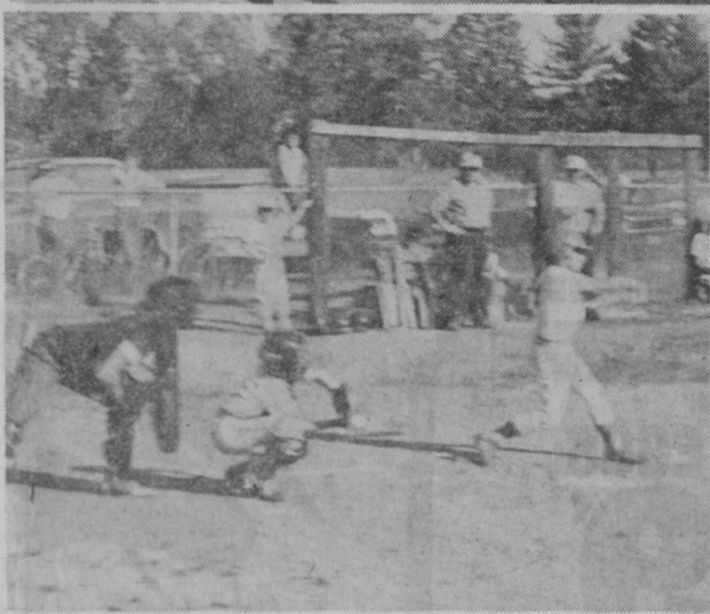

Section 11. Cash Rentals. The Cash Rental as provided in Section 3 of the Contract is hereby established and fixed as the Cash Rental authorized by the Act to be charged to the County for the use of the Project. Said Cash Rental shall be entirely net to the Authority and is estimated to be sufficient to provide for the payment of the interest upon and the principal of all the Bonds as and when the same become due and payable. Such Cash Rental shall not be reduced until such time as all Bonds and the interest thereon are paid in full or sufficient funds for their payment in full have been provided.

LOOKING BACKWARD—

Eye Classroom Addition at East Tawas

15 Years Ago—

July 3, 1963—Tawas Area Board of Education has authorized its architect to determine the cost of constructing two or three additional classrooms at the East Tawas Elementary Unit in the second phase of its five-year school plan expansion program. The cost of construction would be about \$10 per square foot, inasmuch as a new heating plant was constructed separate from the old building.

East Tawas State Park was at full capacity last week-end with 37 turn-aways as early as last Friday evening. A long line of campers awaited vacancies on Saturday and Sunday. The park has 186 camp sites.

Davison and Son Builders, Tawas City, were successful bidders on the new Oscoda Elementary School. Davison's bid was \$191,700.

Tawas Point Coast Guard Station has received delivery on its new 44-foot utility boat. The boat cost an estimated \$200,000.

25 Years Ago—

July 3, 1953—A parade, sailing regatta and fireworks will feature the Independence Day observance in the Tawas.

Dr. F. J. Fitzsimmons, physician and surgeon in this city for the past year, has been called for military service and left Wednesday for Ft. Sam Houston, Texas.

Fifteen members of the class of 1933 at East Tawas High School attended a reunion at the Holland Hotel.

For consideration of \$1, Tawas City Council conveyed to Gordon Clute all land in Lot 20 on the west side of Ninth Avenue. It was stipulated that the owner is to construct a 40 by 80-foot industrial building on the property within six months.

During the electrical storm Tues-

day, Clement Stephan's home in Tawas City was struck by lightning, showering the neighborhood with bricks when the chimney was hit.

35 Years Ago—

July 2, 1943—E. C. Carlson, superintendent of Tawas City Public Schools for the past two years, resigned Friday. He plans to enter defense work.

2Lt. Dorothea Arnold, Iosco County nurse for the past three years, leaves this week for service as a nurse in the United States Army.

The Rev. Frank Benish arrived from Ann Arbor last week to take up the pastoral duties of the Methodist Churches at Oscoda, Tawas City and East Tawas.

Patriotic war stamp card parties are held every Tuesday afternoon and evening at Hiram's Inn. Games include cribbage, euchre, bridge and Pedro. War savings stamps are awarded for prizes.

PUBLIC NOTICE

(Continued from page 4.)

ed. Such Cash Rental may be increased by the Authority, as provided in the Contract.

Section 12. Bond and Interest Redemption Fund. There shall be established and maintained with such bank or trust company where the principal of and interest on the Bonds are primarily payable a separate depository account designated BUILDING AUTHORITY BONDS (COUNTY BUILDING) BOND AND INTEREST REDEMPTION FUND (hereinafter sometimes called the "Bond and Interest Redemption Fund"). The Cash Rentals paid to the Authority shall be deposited as received into said Bond and Interest Redemption Fund, together with any premium or accrued interest received upon delivery of the Bonds, any advance payments of Cash Rentals made by the County under the Contract, any unexpended balance of Bond proceeds credited to debt service, and any other moneys attributable to Bond payment. All sums held in said Bond and Interest Redemption Fund shall be used solely and only for the payment of the principal of and interest on the Bonds herein authorized, together with any call premiums thereon.

The Commission may establish such other funds and accounts and provide for deposits thereto as it shall from time to time deem appropriate and necessary.

Section 13. Proceeds of Bond Sale. The proceeds of sale of the Bonds shall be deposited in an account with a bank or trust company to be designated by the Commission, designated COUNTY BUILDING CONSTRUCTION FUND, except that from the proceeds of sale of the Bonds, upon receipt thereof, a sum equal to the accrued interest and any premium on the Bonds shall be deposited into the Bond and Interest Redemption Fund. Said moneys in said Construction Fund shall be used solely and only to pay costs of the Project and any engineering, architectural, legal, financing or other expenses incident thereto on authorization of the Commission of the Authority in accordance with the provisions of the Contract. Any unexpended balance of the proceeds of the sale of Bonds remaining after completion of the Project may be used for the improvements or enlargement of the Project or for other projects of the Authority leased to the County if such use be approved by the Municipal Finance Commission and the County. Any remaining balance shall be paid into the Bond and Interest Redemption Fund and the County shall receive a credit for the amount of such balance against the Cash Rentals next due.

Section 14. Investment of Funds. Moneys in any funds and accounts of the Authority may be invested by the Authority in United States government obligations or obligations the principal of and interest on which are guaranteed by the United States government or in interest-bearing time deposits as shall from time to time be determined by the Commission. In the event such investments are made, the securities representing the same shall be kept on deposit with the depository or depositories of the fund or funds from which such investments are made, and such securities and the income therefrom shall become a part of such funds.

Section 15. Covenants of Authority. The Authority covenants and agrees with the successive holders of the Bonds and coupons that so long as any of the Bonds remain outstanding and unpaid as to either principal or interest:

(a) The Authority will punctually perform all of its obligations and duties under this Resolution and the Contract, and will collect, segregate and apply the Cash Rentals and all other rentals, payments and other funds to be received thereunder in the manner required under this Resolution and the Contract.

(b) The Authority will maintain and keep proper books of record and account relating to the operation of the Project and all rentals and payments received therefrom pursuant to the Contract. Not later than three (3) months after the close of each operating year the Commission will cause to be prepared a statement, in reasonable detail, sworn to by its chief accounting officer, showing the cash receipts and disbursements during such operating year, the assets and liabilities of the Project at the beginning and close of the operating year, and such other information as may be necessary to enable any taxpayer of the County or any holder or owner of the Bonds, or anyone acting in their behalf, to be fully informed as to all matters pertaining to the financial operation of the Project during such year. A certified copy of said statement shall be filed with the County Clerk and a copy shall also

be sent to the manager or managers of the account purchasing the Bonds. The Commission shall also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant, and shall mail such audit to the manager of the syndicate or account purchasing the Bonds. At the option of the Authority, the aforesaid audit may be submitted in place of the aforesaid statement required above.

(c) The Authority will not sell or otherwise dispose of any substantial portion of the Project in a manner which might impair the security for the Bonds until all of the Bonds have been paid in full, both as to principal and interest, or until such full payment has been duly provided for, and will not do or suffer to be done any act which would affect the Project in such a way as to impair or affect unfavorably the security of the Bonds.

Section 16. Additional Bonds. Nothing contained in this Resolution shall be construed to prevent the Authority from issuing additional bonds pursuant to the Act, in anticipation of either full faith and credit general obligation contract payments or revenue contract payments, to finance the construction of additions to the Project or any new buildings or projects within the scope of its corporate powers, but said bonds shall be payable out of, and have a first lien on, the rentals or payments contracted for in connection with such new projects, and shall in no way have any lien on or be payable out of any of the Cash Rentals pledged to the payment of the Bonds of this authorized issue or any additional bonds issued to complete, repair or alter the Project in accordance with the authorization provided in the Contract. The Authority shall have power to issue additional Bonds to complete, repair or alter the Project as authorized in the Contract.

Section 17. Contract with Bondholders. The provisions of this Resolution, together with the Contract herein referred to, shall constitute a Contract between the Authority and the holder or holders of the Bonds from time to time, and after the issuance of any of such Bonds, no change, variation or alteration of the provisions of this Resolution or the Contract may be made which would lessen the security for the Bonds. The provisions of this Resolution and the Contract shall be enforceable by appropriate proceedings taken by such holder or holders, either at law or in equity.

Section 18. Bond and Coupon Form. Said Bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF IOSCO
IOSCO COUNTY BUILDING AUTHORITY
BUILDING AUTHORITY BONDS (COUNTY BUILDING)
No. _____ \$5,000
KNOW ALL MEN BY THESE PRESENTS THAT THE IOSCO COUNTY BUILDING AUTHORITY, a public corporation of the State of Michigan, for value received, hereby promises to pay to the bearer hereof, the sum of FIVE THOUSAND DOLLARS on the first day of March, A. D., 19____, with interest thereon from the date hereof until paid at the rate of _____ percent (____%) per annum, payable on March 1, 1979, and semiannually thereafter on the first day of September and March of each year, upon presentation and surrender of the proper interest coupons hereto annexed as they severally become due. Both principal of and interest on this bond are payable in lawful money of the United States of America at _____

The bonds of this issue are issued in anticipation of and are payable from the proceeds of certain cash rentals required to be paid to the Authority by the County of Iosco, Michigan (the "County"), pursuant to a certain Full Faith and Credit General Obliga-

tion Contract of Lease dated June 21, 1978, between said County and said Authority, whereby said County has leased building additions and improvements and site therefor, together with site improvements, parking areas, equipment, furnishings, and related appurtenances, to be acquired by said Authority in accordance with the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. Said cash rentals are full faith and credit general obligations of the County payable from ad valorem taxes which must be levied by the County without limitation as to rate or amount to the extent necessary to make such payment. The Authority has irrevocably pledged to the payment of the bonds the cash rental payable by the County, as set forth in said Contract, the total of said cash rental payments being sufficient in amount to pay promptly, when due, the principal of and interest on the bonds of this issue, and a statutory first lien on such cash rentals has been created by the bond authorizing resolution for such payment.

This bond is one of a total authorized issue of one hundred (100) bonds of even date and like tenor, except as to rate of interest and date of maturity, aggregating the principal sum of \$500,000, numbered consecutively in direct order of maturity from 1 upwards, issued under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and pursuant to a certain resolution duly adopted by the Commission of the Building Authority on June 21, 1978, for the purpose of paying the cost of acquiring, constructing, furnishing and equipping the aforesaid facility.

Bonds of this issue are not subject to redemption prior to maturity.

For a complete statement of the funds from which and the conditions under which this bond is payable and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described resolution and contract.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form, as required by law.

IN WITNESS WHEREOF, the Iosco County Building Authority, by its Commission, has caused this bond to be signed in its name by the Chairman and Secretary of said Commission and its corporate seal to be hereunto affixed and has caused the annexed interest coupons to be executed by the facsimile signature of the Chairman of said Commission, all as of the first day of September, A. D., 1978.

RESOLUTION DECLARED

THE TAWAS HERALD

Wednesday, June 28, 1978-5

ADOPTED.

BRUCE L. MYLES
Secretary

Iosco County Building Authority
I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Commission of the Iosco County Building Authority at a Regular meeting held on June 21, 1978, and that said meeting was conducted and public notice of said meeting

was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

BRUCE L. MYLES
Secretary
Iosco County Building Authority 26-1b

NOTICE OF INTENTION OF ENTERING INTO TAX-SUPPORTED CONTRACT OF LEASE AND OR RIGHT TO PETITION FOR REFERENDUM THEREON TO THE TAXPAYERS AND ELECTORS OF THE COUNTY OF IOSCO, MICHIGAN:

PLEASE TAKE NOTICE that the County of Iosco has approved and executed a Full Faith and Credit General Obligation Contract of Lease with the Iosco County Building Authority pursuant to Act No. 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. Such Contract provides, among other things, that said Building Authority will acquire building additions and improvements and appurtenances for the use of the County to house the court, jail and County offices and WILL ISSUE ITS BONDS TO FINANCE THE ESTIMATED COST OF THE SAME FOR SAID COUNTY IN THE PRINCIPAL AMOUNT OF \$500,000. Said bonds will mature serially from 1979 to 1988, inclusive, and will bear interest not exceeding 7% per annum on the outstanding principal balance.

The Contract further provides that the County will lease said facilities from said Building Authority and WILL PAY AS RENTAL TO SAID BUILDING AUTHORITY ALL SUMS NECESSARY TO RETIRE THE PRINCIPAL OF AND INTEREST ON SAID BONDS, TOGETHER WITH ALL COSTS OF OPERATING AND MAINTAINING SAID FACILITIES AND ALL COSTS of said Building Authority in connection therewith, regardless of whether the facilities are completed or are tenable. The principal amount to be borrowed by the Building Authority will be indebtedness of the County for purposes of Constitutional debt limitations, and said principal amount, together with the County's rental obligation for payment thereof, may be increased to cover increased costs of the facilities.

COUNTY'S CONTRACT OBLIGATION

BY VIRTUE OF SAID CONTRACT AND ACT, ALL OF THE COUNTY'S REQUIRED PAYMENTS TO THE BUILDING AUTHORITY WILL BE FULL FAITH AND CREDIT GENERAL OBLIGATIONS OF THE COUNTY PAYABLE FROM ANY AVAILABLE FUNDS OF THE COUNTY, AND THE COUNTY WILL BE REQUIRED TO LEVY AD VALOREM TAXES ON ALL TAXABLE PROPERTY WITHIN ITS BOUNDARIES, WITHOUT LIMITATION AS TO RATE OR AMOUNT AND IN ADDITION TO ANY OTHER TAXES WHICH THE COUNTY IS AUTHORIZED TO LEVY, TO THE EXTENT NECESSARY TO MAKE THE PAYMENTS REQUIRED TO RETIRE THE BONDS AND INTEREST THEREON, IF OTHER FUNDS FOR THAT PURPOSE ARE NOT AVAILABLE.

SAID CONTRACT SHALL BECOME EFFECTIVE WITHOUT VOTE OF THE ELECTORS OF THE COUNTY, AS PERMITTED BY LAW, UPON THE EXPIRATION OF 45 DAYS FOLLOWING THE DATE OF PUBLICATION OF THIS NOTICE, UNLESS A PETITION REQUESTING AN ELECTION ON THE QUESTION OF WHETHER SUCH CONTRACT SHOULD BE EFFECTIVE, SIGNED BY NOT LESS THAN 10% OF THE REGISTERED ELECTORS OF THE COUNTY, IS FILED WITH THE COUNTY CLERK WITHIN SAID PERIOD. If such petition is so filed, said Contract shall not be effective without an approving vote by a majority of electors of the County voting on the question.

This Notice is given pursuant to the requirements of Section 8 (b) of the aforesaid Act 31, as amended. Further information concerning the details of said Contract, the facilities being financed and the matters set out in this Notice may be secured from the County Clerk's office. A copy of said Contract is on file in the office of the County Clerk for public inspection.

D. KEITH PAPAS
Clerk, County of Iosco

Here Are Suggestions to Put Steak on the Grill this Summer

Meat prices got you discouraged and wondering how you can have steak on the grill without blowing your budget? Beef chuck blade steaks are always an excellent and economical choice for grilling or indoor broiling. Costing considerably less than loin cuts, these steaks from the beef chuck are somewhat less tender. According to Retha M. Hankey, home economist for the Michigan Beef Industry Commission, "Marinating these steaks provides opportunity to add a complimentary flavor and has a tenderizing effect."

For a tasty example of just how good blade steaks can be, here is one to try.

Beef Steaks Mediterranean
2 Beef blade steaks, cut one-half to three-quarters inch thick
¾ Cup lemon juice
3 Tablespoons orange marmalade
2 Tablespoons salad oil
1½ Teaspoons salt
¾ Teaspoon oregano
¾ Teaspoon hot sauce
Combine lemon juice, orange marmalade, oil, salt, oregano and hot sauce in saucepan. Bring to boil, reduce heat and cook slowly five to 10 minutes, stirring occasionally. Cool. Place steaks in a flat pan or plastic bag. Pour marinade over steaks, turning to coat all sides. Marinate in refrigerator four to six hours or overnight. Place steaks on grill or on rack in broiler pan four to five inches from heat. Broil at moderate temperature from seven to 10 minutes on each side, depending on degree of doneness desired. Brush with marinade before and after turning. Makes four to six servings.

(See TRANSFERS, page 8.)

Plan Alfalfa Meeting Near Whittemore

A two-light alfalfa meeting is slated on Thursday, July 6, at the David Sturtevant farm, located 1½ miles south of M-55 on Mill Station Road, Whittemore. To be discussed are renovation of alfalfa stands with the use of Kerb, a herbicide that kills quackgrass; application strip looks terrific; interseeding of existing stands after killing the grass, and clear seeding of alfalfa in the spring with the use of Eptam to control broadleaf weeds. The public is invited to observe these new cultural practices. The weather conditions and other related factors must have been favorable for the development of large alfalfa weevil populations during the past month. Many of the alfalfa producers would have benefited economically from spraying the weevil this year. A close watch must be kept on the alfalfa regrowth for damaging feeding by the alfalfa weevil grubs or adults. Refer to Extension Bulletin E-739 - Management for Alfalfa Weevil Control - for spray recommendations.

LEGAL NOTICE

STATE OF MICHIGAN
In The Circuit Court for the County of Iosco
DORA LESLIE STREETER, Plaintiff,
vs.
ROBERT F. FLUHARTY and SANDRA L. FLUHARTY, his wife, Defendant.
John D. Hamilton P28067
Attorney for Plaintiff

NOTICE OF SALE
Case No. 77-52809CH
In pursuance and by virtue of a decree of the Circuit Court for the County of Iosco, State of Michigan, made on May 19, 1978 and entered June 5, 1978, in a certain cause therein pending, wherein Dora Leslie Streeter was Plaintiff and Robert F. Fluharty and Sandra L. Fluharty were Defendants, notice is hereby given that I shall sell at public sale, to the highest bidder, at the Iosco County Circuit Court-house, on the 26th day of July, 1978, at 1:30 o'clock in the afternoon, the following described property, viz:
Lot Numbered One (1) and the Southeasterly Two (2) Feet of Lot Numbered Ten (10), Block Numbered Twelve (12) of the Map of F. Scheffler and Co's Addition to Tawas City, City of Tawas City, Iosco County, Michigan.
D. KEITH PAPAS

STATE OF MICHIGAN

The Probate Court for the County of Iosco
File No. _____
Estate of Steven Ezo, Deceased
Take Notice: On July 11, 1978, at 1:00 P. M., in the Probate Courtroom, Iosco County Building, Tawas City, Michigan, before the Hon. William H. McCready, Judge of Probate, a hearing will be held on the petition of Peoples National Bank & Trust Company of Bay City, and Patricia Ezo, for the admission to probate of a purported Last Will and Testament of said deceased, dated April 19, 1978, and for granting the administration to Peoples National Bank & Trust Company of Bay City, and Patricia Ezo, the co-executors named in said Will, or some other suitable person, for construction of the Will as prayed for in a certain petition for construction filed with the Court, and for a determination of heirs.
Creditors of said deceased are notified that all claims against the estate must be presented to said Peoples National Bank & Trust Company of Bay City, 300 Center Avenue, Bay City, Michigan, co-executor, and proof thereof with copies of the claims, filed with the Court on or before August 31, 1978. Notice is further given that the estate will be thereupon assigned to persons appearing of record entitled thereto.
Dated: June 6, 1978.

THE TAWAS HERALD Wednesday, June 28, 1978-7

COUNCIL PROCEEDINGS

Minutes of Tawas City Council meeting June 5, 1978.
Meeting called to order at 7:30 PM at City Hall by Mayor Herbert Cholger.
Present: Cholger, Lansky, Keiser, Cotter, Landon, Rollin. Absent: Ezo. Others. Mgr. Publitz.
Minutes of May 15 meeting approved.

Planning Commission May 18 minutes received, subject to request for addendum with next minutes to include Mr. Leman's reasons. Manager was directed to set a policy toward enforcing or re-negating permit expirations.
Public Hearing having been set for this time, notice duly published and mailed to 16 adjacent property owners, Dr. John LeClair told Council of his intention to build on his lots, if rezoned, a storage-type building, which would not disturb the neighborhood. Seven of the 13 residential owners adjacent were present, with objections to increasing noise levels and reducing residential property values expressed. Councilmen pointed out the limited space available after consideration of setback requirements, and quoted City planning consultants' objection to rezoning the area. Motion by Cotter seconded by Keiser that Council deny Dr. LeClair's request to rezone Lots 3, 4, 5, 6, and 7 of Block 33, Original Plat, from RA Residential to Industrial; roll call vote, unanimous yes.
Motion by Keiser seconded by Landon that Council try to work out a suitable proposal with Dr. LeClair for exchange of Lots 3, 4, 5, 6, and 7, Block 33, Original Plat for suitable location in Industrial Park so he will be able to build an industrial building; roll call, unanimous yes.
Motion by Landon seconded by Cotter that Planning Commission make it a priority to plot out Industrial Park to make sure all property is accessible; carried.
Mrs. Gerry Lemon again requested installation of lights, at tennis courts, noting that Tennis Club's entire profits from Perchville had been turned over to City. Manager described high cost of underground cable required by Consumers Power. Motion by Landon seconded by Cotter that City go ahead and put up poles with lights at tennis courts as soon as possible; roll call vote, unanimous yes.

Stan Wooten of General Television introduced Steve Kniffin, Regional Manager of its parent company, who discussed company's requests for rate increases and regulation, deletion of provisions in present 15-year contract. He was asked to provide financial information to support a rate increase, and Manager agreed to provide copies of present contract for Council study. Motion by Landon seconded by Rollin that Public Hearing be held in conjunction with financial report to be presented at June 19 regular meeting; carried.
Manager read May 30 letter from Ronald Kaiser, Donations Coordinator, Recreation Services Division, DNR, informing that James Beers will call to make inspection of rivermouth property in July.
Letter from Clara Trombley re-

questing to rent Lubaway building for the summer referred to Manager, to check with Health Department and Park Board, and to determine what kind of business she proposes, and amount of rent.
Police Report for April accepted.
Motion by Kaiser seconded by Landon that election inspectors for August 8 Primary receive \$2.65 per hour worked, \$10 for School of Instruction attendance, drivers out-of-town \$20 per mile, and chairpersons \$5 extra.
Treasurer's Report for May accepted.
Bills for the following funds were presented:
Major Streets \$1739.81
Local Streets 371.00
General 9052.74
Motion by Cotter seconded by Lansky that \$134 payment for volunteer firemen fees for Baldwin Township fire be deferred until Council receives a report from Fire Chief, as to why they went out of contracted territory. Motion by Cotter seconded by Keiser that bills totaling \$11029.55 be paid; roll call vote, unanimous yes.
Del Myles explained new insurance billing.
Manager commented on Cedar-Maple intersection problem. Council will await City Attorney's opinion before proceeding.
Discussion of projects, equipment and buildings was delayed to June 19 meeting due to length of time required. July 3 meeting was postponed to July 10; July 17 meeting postponed to July 24.
Adjourned 10:37.

BIDS WANTED

The Board of Education of the Iosco Intermediate School District invites the submission of bids on two (2) 1974 16 passenger used school bus units.

Sealed bids will be received until 4:00 P. M., Friday, July 7, 1978 at the Office of the Superintendent, Iosco Intermediate Schools, 686 Aulerich Road, East Tawas, Michigan 48730.

The bus units are available for inspection prior to July 7, 1978. Arrangements for inspection may be made by calling the Intermediate Office - Telephone number 517/362-4467.

Bidders may bid on one or both units. A check or bid bond equivalent to 10 percent of the bid will be required. All proposals submitted shall remain firm for a period of thirty (30) days.

The Board of Education for the Iosco Intermediate School District reserves the right to reject any or all bids in whole or in part and to waive any formalities therein.

Signed,
Josephine DiLoreto, Secretary
Board of Education
Iosco Intermediate School District 24-3b

If you must burn to clear land... USE CARE! Have help, tools, water and equipment handy... Prevent Forest Fires!

Reno News

Mrs. Grace Williams spent Sunday night at the home of her daughter and family, the Victor Johnsons of East Tawas.

Twenty-six persons attended a surprise birthday party for Richard Samson. The following members of his family were present: His daughter and husband, Mr. and Mrs. Ray West, Drummond Island; his sons, Gerald of Sault

CERTIFICATES of appreciation were presented to two citizens band radio clubs of the area Monday by Michigan State Police for past participation in Operation Care, which is credited with the saving of lives during national holidays. Making the presentation was Lt. S. S. Hutchings, left, commander of the East Tawas post. Holding the certificates are Donald McClellan, president of Tawas EARS, center, and Russell Bentley, Oscoda, right, president of Oscoda ECAR. The two clubs provide rest stops for motorists and provide traffic information during Operation Care.—Tawas Herald Photo.

Operation Care Being Expanded

Operation Care, which provided a dramatic deterrent to auto fatalities and accidents over the Memorial Day holiday, has been expanded to a nation-wide program according to Michigan State Police.

Originated last Labor Day by Michigan, Ohio and Indiana, 40 states participated over the past Memorial Day holiday and all states will be involved in the coming Fourth of July holiday.

The program is a combined accident reduction effort which saw traffic fatalities dropping from 31 over the 1977 Memorial Day holiday to 18 over the same holiday this year.

Success of the program was credited to increased visibility of highway patrols through cancellation of all pass days for state troopers, participation by citizens band radio clubs in providing rest areas throughout the state and massive publicity through the news media.

Citizens band radio clubs have been particularly lauded for efforts

in this program. The clubs provided coffee stops for motorists, information on road hazards and rest stops provided the opportunity for motorists to get off the jammed highways.

With more cars on road patrols, state police issued 13,700 traffic tickets as compared to 7,200 a year ago Memorial Day, which was credited with slowing down traffic. Other patrol arrests numbered 1,105 on Memorial Day as compared to 641 a year ago, while assists to motorists zoomed to 3,715 this year as compared to 1,641 on the 1977 Memorial Day week-end. Drunk driving arrests numbered 159 on Memorial Day, as compared to 100 a year ago and warnings to motorists totaled 7,500 over the past holiday as compared to 4,400 a year ago.

Certificates of appreciation were awarded Monday to two local citizens band radio clubs, Tawas EARS and Oscoda ECAR. Presentations were made at the Michigan State Police Post, East Tawas.

Sand Lake

Mr. and Mrs. Jerry Smith journeyed to Charlottesville, Virginia, last week-end and on their return brought with them his sister, Mrs. Jane Manchester, and sons for a visit with their parents, the Jack Smiths.

Joseph Topolewski has returned from Bloomfield Hills where he spent nine days and attended graduation exercises for his granddaughter.

Mr. and Mrs. Vernon Pell, Southfield, spent the week-end with

Mr. and Mrs. John Curtis.

Mrs. Marion Aspin spent a couple days last week in Bay City.

Sand Lake Heights Men's Association met last Monday evening. Members discussed pertinent subjects and two films were shown.

Mrs. Mary Brown has returned from Minnesota where she attended the marriage of her sister and visited friends.

Peter Lupi was admitted to Tawas Hospital last week and Lee Reeside is a patient at St. Luke's Hospital, Saginaw.

Mr. and Mrs. Theodore Niver are

home after a few days spent in the Upper Peninsula where they visited various points of interest.

Sharon Curtis, Waterford, is spending some time with her grandparents, Mr. and Mrs. John Curtis.

Wilber News

Mr. and Mrs. Kenneth Schmid and family of Warren spent the week-end at their home here and visited relatives.

Saturday, Mr. and Mrs. Neil Libka, Mary Lou and Patrick of Pigeon visited Linda Alda and family.

Sunday, Mr. and Mrs. Kenneth O'Brien visited Mr. and Mrs. Irvin Bedford in Jackson. They were Monday guests of Mr. and Mrs. Bruce Bedford of Detroit and Mrs. Alice Williams of Grosse Pointe Woods.

The Dwight Perkins family of Kawkawlin visited the Robert Smith family and other relatives on Sunday.

Richard and Teena Picardt and baby and Rodney Buck of Mt. Pleasant arrived Wednesday to spend a couple of days with Mrs. Olive Lotridge and Florence Buck.

Get-well wishes are sent to Daniel Corner, a patient at Tawas Hospital.

Mrs. Marvin Mallon and Mrs. A. Don Anderson were at West Branch Sunday to visit James Leslie at the medical facility.

The Farm Bureau Group held a meeting Thursday night at the Raymond Cross home. Lunch was served by the hostess.

Mr. and Mrs. Gary Mallon and Nikkie went to Milford on the week-end and visited Mrs. Mallon's mother.
