

Commission Urges Budget Study for Iosco MC Facility

With an eye toward projected cost to the county for operation, Iosco County Board of Commissioners Wednesday urged the Iosco Social Services Board to "explore all avenues that may be available to resolve the medical care facility's budget for 1980 and beyond."

The social services board, composed of two members appointed by the county commis-

sion and one by the governor, has over-all direction of policy for the medical care facility.

Among areas suggested but not limited to study include:

1. Possible closing of the facility;
2. Securing a private operator for facility;
3. Possible sale of facility for continued operation;

4. Request a millage allocation for facility operation.

The commission asked that the social services board report its findings on the above questions.

Two weeks ago, the social services board fired Roy A. Bergstrom, who had directed the facility for the past 10 1/2 years. His firing could be traced directly to financial problems in the facility's operation for a number of months.

An apparent lack of communication with the social services board led to Bergstrom's firing, the director having received two letters of reprimand from the board for failing to report financial dilemmas in time.

The latest problem came September 26, when Bergstrom appeared before the county board of commissioners and asked for an emergency appropriation to meet the medical care facility's payroll. According to social services board members, the director had reported to that group only two days earlier that "finances were fine."

In the meantime, Herman (Bucky) Knight of Lincoln has accepted a 90-day contract to direct the medical care facility effective November 1. Knight is operator of the Lincoln Haven Nursing Home.

Handling the administrative affairs during the interim period is Dorothy Rapp, director.

At Wednesday's meeting of the board of commissioners, a petition signed by 53 persons was presented asking that Bergstrom be reinstated as administrator of the facility. Members of the county board of commissioners said they had no authority in the matter as the administrator works directly for the social services board.

The petition expressed the opinion that Bergstrom had been fired without just cause, that he had been singled out as the "scapegoat" because of the difficult financial situation of the times. The petition claimed that members of the social services board had acted with misfeasance in its action against Bergstrom.

Included on the petition were the signatures of 14 patients of the medical care facility.

Although the county board of commissioners does not control operation of the facility, it does have responsibility for funding deficits in its operation. With the latest allocation of \$15,000 to meet the October 1 payroll, the county has contributed \$96,000 to the operation this year and, if some changes are not made, it is anticipated that the cash crisis will be more severe next year.

One of the problems repeatedly stressed by Bergstrom during the past year was the fact that state reimbursement under Medicaid amounts to about \$35 per patient while the actual cost is \$43 per patient.

It is anticipated that the state will increase its share slightly next year, but not enough to meet the \$50 per patient day now being anticipated.

Last year, Provincial House Nursing Home approached the board of commissioners to determine if the county was interested in having the private firm operate the medical care facility. The commission turned thumbs down to that proposal.

In February, County Treas. Edward Nelkie pointed out to the commission that the millage voted by taxpayers to finance the county's share of the facility was due to expire as the bonds would be retired this year.

It was his opinion that a proposal should be placed before the voters to determine if a portion of the expired millage could be used for operation. No action was taken on Nelkie's suggestion.

Oscoda Man Killed Friday on Old US-23

Mark Crowl, 23, Oscoda, was fatally injured Friday night in a one-car accident on Old US-23 at Meade Road.

Investigating officers from the Oscoda-AuSable Township Police Department said that Crowl's car left the roadway, struck several trees and rolled over.

Commissioners Expect to Trim Iosco Budget

Iosco County Board of Commissioners expects to have its 1980 operation budget ready today (Wednesday) for presentation at a public hearing scheduled for Wednesday, October 31, 11:00 a. m. to 12 o'clock noon.

David George, finance chairman for the county board of commissioners, said Monday that the "bottom lines" on both revenue and expenditures had not been added as yet, but that information would be available this morning (Wednesday).

Because of the inflationary aspect of the times, commissioners can expect that preliminary operational costs will be much higher than anticipated revenues and cuts can be expected.

George insisted, however, that the board of commissioners would do all in its power to maintain present services provided in county operation.

During the past several weeks, the board of commissioners has met as a committee of the whole in special sessions with department heads to determine anticipated costs and revenue for each department, line by line. Once the county's new computer system gets on line, it is expected that the budget process will be improved through the availability of information fed into the new system.

Iosco County's state equalized valuation has risen above the 7.7 percent factor permitted by the Headlee amendment to the state constitution and a roll back is required in the operational millage rate for taxes to be received for county operation.

This contrasts with previous years, where an annual increase in valuation helped to bail out county budgets at the October session.

In addition to the anticipated higher cost for all operation, sheriff's department deputies have not reached an agreement over salaries and have asked for the services of a state arbitrator to reach a settlement. The outcome is an unknown factor in the budget process and could well result in a bulging of the sheriff's department budget.

After reviewing bottom lines today in regard to anticipated expenses and revenue, corrections must be made to balance the final budget for public presentation on October 31. Under state law, the revenue and expenditure columns must balance.

It can be anticipated that the budget hearing on October 31 will be a lively session. In previous years, hardly anyone showed up at a budget hearing, but budget cuts will change that.

Municipal Center Program Set for Interested Citizens

City Mgr. Lowell Thomas is scheduled to discuss the upcoming vote on a proposed new municipal center for Tawas City at a meeting with interested local citizens to be held Saturday, 2:00 p. m., at the Immaculate Heart of Mary Parish Hall on Beech Street.

The city manager is to outline problems with the present city hall and explain the cost, proposed financing, the impact of the facility on the city's tax rate and other points for voters to consider.

Similar programs have been presented by Thomas before the Tawas City Garden Club, Tawas Kiwanis Club, Immaculate Heart of Mary Council of Women and the Tawas City Business Association.

Any other group interested in hearing Thomas' presentation may make arrangements through the city hall.

A \$500,000 bonding proposal is to go to voters on Tuesday, November 6, seeking approval to finance the proposed municipal facility.

Estimated cost of the actual building, containing 7,825 square feet of floor space, is \$361,035. Additional costs of \$151,500 for demolition and rental, \$5,000 for legal fees, \$8,000 for engineering-soil survey, architect fee of \$29,000 and a contingency fund of \$33,965 would bring the total cost to \$500,000.

Preliminary site plan for the proposed facility shows its location on the site of the present city hall, with city offices containing 3,325 square feet, a 1,250-square-foot library and 3,250 square feet devoted to the fire hall. There would be parking in the front and rear of the building for an estimated 33 cars.

Marching Braves Band Had Third Place Finish

Tawas Area Marching Braves Band was recognized Saturday as the third best corps style marching band in the state, comparing to the fine showing of the school's basketball team in going to the semifinal game of the state basketball tournament earlier this year.

Competing against bands from class B and below schools at the eighth annual Bridgeport open marching band contest, Tawas received a score of 51.30 in final over-all in its flight.

Final placement in that flight saw Montrose and St. Charles in

the first and second positions. The first flight was topped by Durand, followed by Petoskey, Flint Powers and Coldwater. Open class leaders were Flushing, Plymouth, Flint Northern and Traverse City.

Preliminary competition Saturday morning and afternoon saw 30 bands vie for positions in the evening contest, which was limited to four bands from each classification.

"Our booster organization was super, generating a huge amount of excitement which was conveyed to the band," stated Gene Salamony, band direc-

tor. "The boosters' support to the band and at the contest was a major factor in our success." Last year, the third place winner scored 42.1 and Tawas made a substantial improvement over that score.

"I know of 20 bands that would love to change places with us, or even to have an opportunity to make the final competition," said Salamony. "For the size of our group, we had an excellent performance, again showing that Tawas continues to produce a product of which the community, school and students can be proud."

CAMPAGNING for seats on the Tawas City Council moved into full swing this week. One candidate, John Martin, was surprised Friday night when his seven-year-old nephew, Robert Werth, appeared at the Tawas Area High School football field wearing this political placard on his back. On November 6, voters are to select three council members for four-year terms from a field of five candidates and one council member to fill a two-year vacancy from a field of two candidates. In addition, there are two candidates for mayor and voters will decide if the city will bond to construct a new municipal center.—Tawas Herald Photo.

Resolve Problems at Senior Citizen Center

A new contract between Tawas Area Senior Citizens Committee and Jesse C. Hodder American Legion Post is to be signed shortly for use of the American Legion Hall on North Street as a senior citizen drop-in center.

Lack of a contract between the two organizations was one of the points brought out Monday during a discussion on finances with participation by representatives of the two local groups, the Iosco County Council on Aging and the Trio Council on Aging, which has offices at West Branch.

Conducting the meeting was Douglas Brown, representing Iosco County Council on Aging. Trio Council was represented by Bruce Richards, director.

The American Legion Hall has served as a drop-in center for the past three years, shortly after the building was constructed. For most of that time, kitchen equipment in the building provided through federal funds received by Trio Council has been used to prepare hot food for senior citizen centers at Hale, Sand Lake and Tawas

City. Since June 1, a kitchen has been operating at the new drop-in center at Hale and the Tawas City center serves Sand Lake.

During the first year of operation in 1977, Jesse C. Hodder American Legion Post received \$2,100 to pay expenses of operation, but actual expenditure for utilities at the drop-in center amounted to \$2,200. By March 1 of 1978, the deficit had grown to \$500 and Trio Council agreed to assume responsibility for utility bills.

Food preparation at the center continued to expand to meet the needs of other drop-in centers, but it was apparently assumed that the Tawas City Drop-in Center Committee was responsible for the deficit.

Through an arrangement with Trio Council, the Iosco County Council on Aging, which administers \$47,000 this year from the two-tenths of a mill approved by voters for senior citizen center operation, had budgeted \$180 a month to pay utility bills at the Tawas City center. Due to problems of inflation and high usage, however, actual utility bills amounted to \$287 a month and there was a deficit owed for natural gas and electrical power amounting to \$900.

An apparent billing confusion between Trio Council and Iosco Council on Aging led to the former notifying the committee at the Tawas City center that it would have to pay the deficit. That problem was resolved Monday by the Iosco County Council on Aging, which agreed to assume the deficit.

The Tawas Area Senior Citizens Drop-in Center Committee agreed Monday to provide \$400 to match similar amounts from Jesse C. Hodder Post and the City of Tawas City to be used for blacktopping a parking strip in front of the building. Such a hard surface would provide an unloading area for buses and would enable older persons in wheel chairs to enter the building with a minimum of additional help.

Six Hurt in Iosco Crash

Six persons received minor injuries Friday morning in a crash on US-23 at the Auferich Road intersection, Baldwin Township.

Cars involved were driven by Cindy Green, 20, Oscoda, and John A. Gibbs, 25, East Tawas. Investigating Iosco County Sheriff's Department officers said that Gibbs had stopped to make a left turn into a private driveway. His car was struck from behind.

Injured in the Oscoda car were the driver and two passengers, Linda L. Peters, 18, and Marilyn Auner, 41. Besides Gibbs, injured passengers in his car included Beth Gibbs, 21, Troy, and Gwen Gibbs, 24, East Tawas.

WHITTEMORE-PRESCOTT Area School will hold its annual homecoming program Friday. Senior candidates for king and queen, who will reign over the festivities, are shown here. In the front row from left are Joy Ori and Marilyn Moraitis. In the middle row are Leo Everitt, Kim Bonnell, Margie Bassi and David Currie. Judge Sues Government for L. Huron Erosion Damage

A suit involving Lake Huron shoreline property erosion in Iosco County, first dismissed in federal court in 1974 and then ordered for retrial on two of four points by the federal court of appeals, was scheduled to open Tuesday in United States District Court at Bay City.

Bringing the suits are Allan C. and Betty G. Miller, former Baldwin Township residents, now of Tawas City. Miller serves as judge of the 23rd Judicial Circuit, comprising the Counties of Iosco, Alcona and Oscoda.

The Millers purchased a home situated on a 60-foot lot at Huron Heights, Baldwin Township, in 1968. They later sold the property and moved to Tawas City.

In their suit, originally asking damages of \$10,000, the Millers claim that during the springs and summers of 1968, 1969 and 1970, the water level of Lake Huron rose by several feet, eroding their beach and causing waves to lap against their solid land.

The suit claims that the unnatural stabilization of the level of Lake Superior, which is provided for in a treaty with Canada, accentuates the fluctuation of the Lakes Huron-Michigan level.

Judge Miller, who is serving as his own attorney in the suit, claims that when water of Lake Huron was naturally low during dry seasons, the army corps of engineers held back water in

Lake Superior; then, during a wet season, the rate of flow of the St. Mary's River would be increased, lowering the level of Lake Superior, but raising the level of Lake Huron.

"The two points to be decided by the federal district court is if the government seized 60 feet of the Miller beach through flooding by water, violating the due process guaranteed by the federal constitution, and if the army corps of engineers is negligent in its stabilization of the level of Lake Superior to the detriment of Lake Huron."

If the claim is granted, the door would be open to many millions of dollars in claims by other property owners around shorelines of the Great Lakes.

Jury Found 'No Cause' in Iosco Suit

Following a two-day trial, an Iosco County Circuit Court jury deliberated briefly Friday afternoon and brought in a "no cause of action" verdict in a \$150,000 damage suit against the owners of an East Tawas business establishment.

The suit was brought by Barbara Kaiser, guardian of Mark A. Kaiser, a minor, and herself, individually, vs. William R. Klenow and William Hayes, personal representative of the estate of Irene U. Klenow, deceased, doing business as Chum's Bar. On January 12, 1976, Frederick E. Kaiser, husband of the plaintiff, was a patron at the bar. After leaving the establishment, he received fatal injuries in an automobile accident.

The suit claimed that Kaiser's ability to operate an automobile was seriously impaired because of intoxication and that operators of the bar were negligent. The six-member jury found no negligence on the part of the owners.

Editorial—

Highway Planning Alternatives

As this corner sees it, the Michigan Department of Transportation has a number of established alternatives to be considered in proposed future upgrading and modernization of highways in Northeastern Michigan.

Those options, as discussed more than a decade ago, include:

1. Establishment and construction of a four-lane freeway to connect with the limited access route of US-23 from Standish to M-65, which has already been approved by the state on an established timetable for construction;
2. Widening of present US-23 from M-65 north to four lanes, with bypasses around principal population centers;
3. Widening of US-23 to four lanes with no bypasses;
4. Leave US-23 as it is with only minor or no improvements.

Although the last alternative is listed, Northeastern Michigan should hope that this will not be the final course of action by the state. This region has long been called the "stepchild" of highway planners, despite the fact that more than 10 years ago, plans were announced that a tentative route had been selected for a limited access freeway.

With the passage of time and the radical change which must come in the nation's motoring habits through the seemingly unsolvable gasoline crisis, this region may have to adjust its thinking in regard to an eventual freeway—in actuality, such a highway may no longer be necessary or practical.

The next best step may be to widen US-23 to four lanes with bypasses around the communities. This would be less expensive than constructing an entirely new highway and would still achieve the concept of moving through the region with safety. The same could hold true for M-65, with bypasses where necessary. Improvements to both routes could prove to be much more economical than a freeway.

The least desirable option would be to widen US-23 to a four-lane "tunnel" through existing communities along the route, removing essential business parking from those communities which were here before

any state highway network was ever considered. Traffic in the "tunnel" would be traveling at a higher rate of speed and, despite frequent traffic signals to permit entry on the highway, the danger to all motorists would be increased.

At the dawn of highway construction in this region prior to and following World War I, local communities probably made the mistake of believing that a town could not survive without a state trunkline passing through its business district. As a result, much pressure was brought to bear by each community on planners and resulting highways through the region often would wind in a serpentine fashion to touch as many communities as possible.

This desire to be included along or on the route of the state highway led to extreme competition and hard feelings between communities.

One of the best answers to the above was stated more than 45 years ago by Cong. Roy O. Woodruff, who had expressed his opinion concerning the route of one highway and then came under heavy criticism:

"I have insisted, always, that the interests of the people in one community are tied up entirely with the interest of every other community in our northern counties. I urge at all times that sectional differences and desires be harmonious and that everybody work for the early completion of all roads, leaving it to the judgment of those who are in a position to know the order of priority which should exist to determine which should be constructed first."

With the deceased congressman's words in mind, perhaps Northeastern Michigan has not been the "stepchild" of highway planners, when one considers the major transportation problems which have to be solved in metropolitan areas.

This corner expresses the hope that agreement can be reached without sectional differences at tonight's (Wednesday) meeting at Tawas Area High School between local officials, East Central Michigan Planning and Development Region and the Michigan Department of Transportation regarding future highway improvements in Northeastern Michigan.

(Read Matthew 6:25-34)

"Do not worry at all then about tomorrow. Tomorrow can take care of itself! One day's trouble is enough for one day." (Matthew 6:34 Phillips)

There is something about me that makes me prone to worry. I seem constantly to be concerned about something. I automatically worry all the time and it is a problem I am trying to overcome.

One day, my mind was swirling with thoughts of unpaid bills, things we needed but could not afford and on and on. Then, I heard my little four-year-old daughter singing a song she had just learned at her Christian preschool. Over and over, she was singing the words, "Why should you worry all the night through, why should you worry 'bout the things you got to do?"

I knew the Lord was speaking to me through her song and I am thankful that He chose to use my little girl to bring home a lesson He taught to His disciples so many years ago.

PRAYER

Lord, help us to remember that we are Your children and You will provide for us always. Help us not to worry. Amen.

Area Christian Businessmen Set Second Meeting

Second dinner meeting of a local chapter of the Full Gospel Businessmen's Fellowship International (FGBMFI) is to be held Saturday, November 3, at Tawas Golf and Country Club. Dinner starts at 7:00 p. m. and the program begins at 8:00 p. m. Women are welcome.

The chapter of Christian businessmen from the Tawas and surrounding area was organized recently with 190 in attendance. Officers elected include Donald Coneira, president; Clayton Busha, vice president; Kenny Schaaf, treasurer; James Wotter, secretary. Board members are Emil Lynch, Robert Rutherford, Jerry Wisniewski, John Solomon and Nelson Goode.

Speaker at the November 3 meeting will be Ted Griffiore, former secretary of the Plymouth, Livonia, Northville chapter of EGMFI. He is a born-again, spirit-filled, self-employed businessman. For the past 12 years, he has been owner and manager of an auto parts store at Westland. He and his wife are now residents of Gaylord.

The organization is a non-denominational fellowship of Christians, who promote Christian ethics in business as well as everyday life.

The national organization is now printing over 800,000 copies of each issue of its Voice Magazine in English and it is now available in six other languages.

Attend Annual Conference of Baptist Churches

The Rev. William Wright and several of the members of the Hemlock Road Baptist Church will be attending the annual conference of the Michigan Association of Regular Baptist Churches which will be held at the First Baptist Church of Bay City October 29-30.

Over 1,500 autonomous (self-governing) Baptist churches have voluntarily sought to fellowship together nationally within the framework of the General Association of Regular Baptist Churches. Dr. Paul Tassell, national representative of the fellowship, will be the keynote speaker at the Bay City meeting.

Other features of the conference include special music by the host church choir and the Brass Quintet from the Baptist Bible College of Clarks Summit, Pennsylvania; displays and exhibits representing various Baptist mission agencies, Baptist colleges, social agencies and auxiliary ministries and excellent Bible preaching by pastors from Michigan Regular Baptist Churches.

Attend Rally of Luth. Women

Fall rally of the Timberline Zone, Lutheran Women's Missionary League, was held at Bethlehem Lutheran Church, Standish, October 17, with 93 ladies enjoying a slide presentation by David Kaarre on his recent trip to India. Kaarre is a lay missionary from Holt and visited clinics established in Southern India to bring people to the Christian faith.

Following lunch, served by the ladies of Bethlehem, Lydia Wilk gave a report on the International Lutheran Women's Missionary League convention which was held in Omaha in July.

Spiritual Life Crusade Slated at ET Church

A Spiritual Life Crusade will be held at the Assembly of God Church, located at 311 East Lincoln Street, East Tawas, November 4 through 11, excluding November 10, with Evangelists Dale and Jerri Robbins of Sheridan, Indiana.

The Robbins have been in evangelistic ministry since 1973. Their ministry consists of Bible preaching, prayer for the sick, ministry in the Holy Spirit and ministry in music. Mrs. Robbins sang with the Revivaltime Choir on the Assemblies of God Revivaltime Radio broadcast while attending Central Bible College in Springfield, Missouri. Her husband plays several musical instruments as well as the piano.

The services begin with Sunday services at 11:00 a. m. and 7:00 p. m. Monday through Friday services begin at 7:30 p. m. The Rev. Edward J. Fairbanks extends a cordial invitation to the community to attend.

Iosco Commission Proceedings

SEPTEMBER SESSION (Cont'd)

September 19, 1979

A regular meeting of the Iosco Board of Commissioners held at the county building in Tawas City on September 19, 1979, pursuant to published schedule.

Meeting called to order at 9:45 a. m. by Chairman Webb and the roll called.

Present: Stech (District 1), George (District 2), Ulman (District 4) and Webb (District 5).

Absent: Merschel (District 3).

Iosco County Probate Judge William H. McCready and Juvenile Officer George Burnette met with board members to discuss the Arenac-Iosco-Ogemaw Joint County Program to provide foster family group home care for juveniles, which is funded by a basic grant of \$15,000 per county through the office of juvenile justice services and implemented by the Community, Family and Children Services, an agency contracted to provide all services, counseling and therapy. Judge McCready referred to a request from the tri-county governing board for an additional \$3,500 from each of the member counties (in addition to the \$45,000 basic grant), indicated to be needed to fully fund the program for the 1979-1980 fiscal year, expressing the opinion that the program provided is "not worth it", and indicating his general dissatisfaction with the service provided by the contracting agency. Continuing, Judge McCready directed attention to the per diem cost for each juvenile placed in a group home, in addition to the basic grant, proposing the use of foster homes within the county, or that he be allowed to work out an alternate program with other counties. In response to a question by board members as to whether he would reconsider the current program if given certain assurances, McCready indicated that he has no confidence in the present program. Following further discussion relating to the cost of placing juveniles in other facilities, Juvenile Officer Burnette indicated that they will probably have to continue with the existing program for the fiscal year beginning October 1, 1979, as it is too late to make a change.

Donald Miner, Tawas St. Joseph Hospital assistant administrator, appeared before the board to discuss the finances of the ambulance service operated by the hospital for all county units except AuSable and Oscoda Townships, submitting a statement of revenues and expenses for the years ended June 30, 1978 and 1979, indicating a net loss of \$19,496 for the former and \$17,374 for the latter; further indicating the 1978 loss and \$13,807 of the 1979 loss have been reimbursed by the county, leaving a balance due the hospital of \$3,567. Mr. Miner requested payment of the unpaid sum of \$3,567, together with 50% of the anticipated, or budgeted, loss for fiscal year ended June 30, 1980, in the amount of \$11,849.50, in accordance with an agreement between the county and the hospital dated May 24, 1978, providing for the county to finance the anticipated deficit (based on a one-year estimate)

in advance quarterly payments. In further discussion concerning ambulance equipment, Mr. Miner advised that they are very much in need of a new ambulance, which will cost about \$29,000, and will require approximately \$12,000 in addition to \$17,000 which they will have accumulated in their depreciation fund by the end of the current fiscal year, stating that they would like some indication from the board as to whether the county will provide the needed funds, as they would like to begin looking at vehicles now, with the plan to purchase by the end of the year.

Oscoda Township Supervisor Robert Foster appeared before the board and requested to meet with the finance committee regarding financing of the Oscoda-AuSable Ambulance Service, as they are working on their budget.

Committees were ordered to their respective duties at 10:45 a. m., the board to stand in recess subject to the call of the chair.

Upon call to order at 11:35 a. m., Nancy Wade, Region 7-B (CETA) liaison representative, met with board members to discuss the problem of payroll preparation (and related activities) for a number of CETA employees (11, employed by the county and 26 out-stationed), inasmuch as the contract executed by the county and the Region 7-B Employment and Training Consortium in May of this year terminated the county CETA administration and transferred the responsibility to the Region 7-B people, who are not permitted under their rules to continue the payroll function. She advised that a determination, as to whether the county will continue to provide the payroll service or require the individual employers to do so on a reimbursement basis, will have to be made before October 1st, as Miss Illicin, a CETA employee who has continued as payroll clerk since May of this year, will be terminated as of September 30, 1979.

County Treasurer Edward Nelkie presented a trial balance report for the period ended August 31, 1979, which was prepared by his office, and re-

Moehl-Salisbury Marriage Vows Said at Christ Church

Christ Episcopal Church, East Tawas, was the scene of the double ring ceremony Saturday, October 20, uniting in marriage the former Kendra Kay Salisbury of Hale and Michael Fralick Moehl of Pinckney. The bride is the daughter of Mrs. Kenneth Salisbury of Hale and the late Mr. Salisbury. Her husband is the son of Mr. and Mrs. Richard Moehl of Pinckney.

The Rev. Kenneth Near officiated at the 5 o'clock ceremony, which was followed by a reception at Tawas Golf and Country Club for guests from Arizona, New York, Detroit and Flint area. Mrs. T. M. O'Loughlin was organist.

Escorted to the altar by her brother, Daryl Salisbury of Novi, the bride selected a Chantilly lace gown with full hoop skirt, matching lace sleeves and square neckline. A tiered lace train and fingertip veil complemented her gown and she carried a colonial bouquet of silk pink roses, Stephanotis and babies breath.

Jan Pember was maid of honor with Mrs. Paul Hundall, Mrs. Donald Barnhouse, Kathie Folcik, Jennifer Salisbury, Jeannie Riley and Kira Salisbury, bridesmaids. The attendants

were attired in dusty rose gowns with sheer sweetheart bodices, bishop sleeves and featuring crystal pleated skirts with self tie. Their bouquets were comprised of Stephanotis, snowball poms, miniature carnations, spring rye and babies breath.

Serving as best man was Donald Barnhouse. Groomsmen were Thomas Moehl, Donald Springsteen, Edward Folcik, Paul Hudnall, Jason Burgett was ring bearer and Wally Meijer and Robert Burns seated guests.

For her daughter's wedding, Mrs. Salisbury chose a mauve gown with full skirt and V-neckline. Mrs. Moehl wore a wine colored gown featuring gathered bodice and sheer gray overlay. Corsages of miniature carnations and Stephanotis enhanced their attire.

Following a five-day trip to the Upper Peninsula, the couple will reside at 1837 Sand Lake Road, National City.

The bride was honored at a shower hosted by her attendants.

EVOSYS TO PRESENT PROGRAM ON HONG KONG

The Rev. and Mrs. Gordon Evoys and two children will be returning to the Hale Free Methodist Church Thursday evening, November 1, 7:30 o'clock,

to show slides and tell about their two years of experiences in Hong Kong. The Evoys pastored the Hale Church in the 1960s.

Prior to the Hong Kong work, the Evoys had pastored churches for 13 years and had taught in public schools and did counseling at the Spring Arbor College. While in Hong Kong, Pastor Evoys had the opportunity to visit a commune on the mainland of China.

The Evoys now live in Mid-

land where they accepted the pastorate of the Midland Free Methodist Church this fall.

Mrs. Evoys, talented in music, with her husband had built up the largest Christian Youth Crusaders chapter in the Free Methodist denomination before they left the United States.

The public is welcome to come and renew their acquaintance and learn more about Hong Kong and China.

viewed the report, together with county finances in general, with board members.

The board recessed for lunch at 12:15 p. m. on order of the chairman, to stand in recess for committee work until 4:00 p. m.

The communications received by the clerk's office were referred directly to the chairman upon receipt.

AFTERNOON SESSION
Upon call to order at 2:30 p. m., John Bowman, of Community, Children and Family Services, program director of the Arenac, Iosco and Ogemaw Tri-County Foster Family Group Home Program for Errant Juveniles, appeared before the board to review program budget needs for the 1979-1980 fiscal year, which begins October 1, 1979, indicating that they project a need of \$10,655, in addition to the \$45,000 basic grant, to maintain the program at the current level, further indicating that Arenac and Ogemaw Counties have made a commitment to each pay one third of the sum requested, if all three counties participate. Mr. Bowman advised that one half of the increase would go to the foster parents as an increased subsidy and that the balance would be used for operating expense, special projects, transportation, etc. indicating that programming will have to be cut if the additional funds are not approved, which will necessitate dropping one of the nine children for which they have been able to provide care. In an extended discussion of the matter, all facets of the program were reviewed and examined and their views expressed by the various board members.

Committees were ordered to their respective duties at 3:30 p. m., the board to stand in recess subject to the call of the chair.

Upon call to order at 4:35 p. m., the minutes of the board of commissioners meeting of August 15 and 22, and September 7 and 12 were reviewed, whereupon it was moved by Stech and supported by Ulman that the minutes be approved as drafted and presented by the clerk. Motion carried.

Commissioner Stech presented and moved adoption of the following resolutions:

Your health and public safety committee recommends that Edgar Cummings, Iosco County emergency services coordinator, be authorized to attend the annual state police seminar on civil defense to be held at Higgins Lake, with quarters and meals to be provided by the state police.

Supported by Ulman and carried.

Your health and public safety committee, recognizing the energy crisis that exists now and for the foreseeable future in the United States, and in view of the fact that the county faces budget limitations for the 1979-1980 fiscal year, recommends that the following type vehicles be ordered for purchase through the Michigan Department of Management and Budget, Purchasing Division:

2 - Full-size (No. 3905-0010) 4-door sedans, V-8 engine, air conditioned, with all standard factory equipment, plus state-required police car equipment, as per attached specifications list.

3 - Mid-size (No. 3905-0010) 4-door sedans, V-8 engine, air conditioned with all standard factory equipment, plus state-required police car equipment, as per attached specifications list.

1 - Mid-size Plymouth Volare (No. 3905-0004) with standard state-listed equipment, plus the following: Dark blue color, rear window defogger and am-fm radio.

One full-size car to be paid for from "secondary road patrol" funds.

Supported by Ulman and carried.

Commissioner Ulman presented and moved adoption of the following resolution, motion being supported by George and carried.

Your administrative committee recommends that part-time secretarial help be hired during the vacation of the board of commissioners' secretary.

Finance Chairman George presented the following report of minutes of the statutory finance committee and moved that it be accepted, motion being supported by Ulman and, following a brief discussion, carried.

MINUTES OF STATUTORY FINANCE COMMITTEE MEETING OF AUGUST 16, 1979

Your finance committee recommends that the sum of \$3,567 be paid to Tawas St. Joseph Hospital from the ambulance fund, said payment representing the remaining unpaid deficit for the 1978-79 fiscal year.

Supported by Ulman and carried.

Your finance committee recommends that the sum of \$22,000, representing the fourth quarter payment of the 1979 appropriation, be approved for payment to District Health Department No. 2 the first week in October.

Supported by Stech and carried.

Your finance committee recommends that, effective October 1, 1979, only CETA employees presently employed by the county departments be transferred to the county payroll, with CETA reimbursement paperwork to be prepared by the department heads employing the CETA workers and submitted to the county clerk. These CETA employees shall be exempt from the retirement program, but shall receive all other county department fringe benefits which are fully reimbursable by CETA funds. This action is being taken to conform to the county's existing contract with the Region 7-B Employment and Training Consortium.

Signed: David George, James Stech and Marian Ulman

Supported by Stech and carried.

In further discussion regarding the termination of the CETA payroll function, it was anticipated that the employers of the out-stationed CETA workers would be notified of the change by Ms. Wade.

County Clerk D. Keith Pappas directed attention to the communications that were received by him, which were referred to committee.

The business scheduled for the day having concluded, it was moved by George and supported by Stech to adjourn until the statutory session on October 9, 1979, at 9:30 a. m., or subject to the call of the chair upon 24 hours notice to board members and the news media. Motion carried and meeting adjourned at 5:05 p. m.

THANK YOU CONCERNED CITIZENS AND TAXPAYERS OF TAWAS CITY FOR YOUR VOTE OF CONFIDENCE AUGUST 7th.

I Have Been Quiet Long Enough!
Everywhere I go I hear people say, why are you willing to be a candidate in such a mess?

MY MAIN REASONS

To stop the unfair voting at our council meetings every first and third Monday of each month.

For instance, one issue brought before council was return to the 3 ward system. That was brought up a long time ago—enough time so we could have had it on the ballot this November 6th.

Another issue was the purchase of the Adamek Property.

Some of our councilmen will not listen to the people who voted them into their office position they now hold. They disregard the public opinion.

We need council members who have an open mind and will speak up for the goals of our taxpayers.

Anyone of you who have followed the council meetings know the vote so much of the time is 5 to 2

Now a Brief Report on Our Present Mayor Herbert Cholger and Councilman Robert Rollin. (Herb and Bob.)

Many items of interest to our people have been brought out in the open to the public because they demanded it to be so, to let the public know just how much money is being spent for land purchases against the peoples' wishes. Also, how much our again proposed municipal complex will cost. The brochures out in regards to that sound like Santa Claus has stopped and VISA will not have to be paid until the first of the month for the next 40 years.

When Bob Rollin rented his building to the city for a library, it was not rented with the understanding it would be for a long period of time, it was only to help the situation at the present time. The councilmen, at that time, if they would have used good judgment would have demanded a lease drawn up with Bob. Instead they put a lot of money into repairs—then griped when Bob raised the rent and put it up for sale. WHO IS TO BLAME?

We need a woman on our council who has a mind of her own, and will speak and vote for the taxpayer. . . LOIS LANSKI. Lois and I have had many discussions about our problems in Tawas City.

Lois is a very strong person in her goals and future for Tawas City. She has five children who may make their home here when they grow up, if Tawas City has anything to offer them to make their future here.

So My True Feelings are Please Vote for—

HERBERT CHOLGER — MAYOR
ROBERT ROLLIN — COUNCILMAN
LOIS LANSKI — COUNCILWOMAN (Councilperson)
FLORENCE UPSON — COUNCILWOMAN (Councilperson)

THANK YOU,
FLORENCE UPSON, Candidate for Tawas City Council

DON BRANNAN turned in a good run on this play which led to Tawas' second touchdown of the night against the Ogemaw Heights Falcons.—Tawas Herald Photo.

Braves Scored Early, Then Held on to Win in a Squeek

Tawas Braves struck for touchdowns twice in the first half of Friday night's game with Ogemaw Heights, then held on in the second half to win, 14-13.

A key interception by Ken McKenzie again led to a Tawas touchdown. Ogemaw Heights took the opening kick and had the ball only three plays when McKenzie snared a Falcon pass on the 40.

From there, Quarterback Jay Grabow quickly passed to Brian Norton, who had been converted to a tight end from his normal center position. Bryant Wilke picked up a first down on the next running play and, three plays later, Grabow hit Norton on a six-yard pass for a touchdown. John Brockenbrough booted the PAT and Tawas held a 7-0 lead.

Ogemaw Heights marched right back with an excellent drive and moved to the eight-yard line in 14 plays. The Falcons tried a pass on a third down play and that was broken up by the Tawas defense. A pass after a fake field goal saw Ogemaw Heights' quarterback stopped back on the 20 on a good defensive play by Chris Martin.

From that point, Tawas marched to its second touchdown of the night with Jim Grack and John Brannan lugging the ball on most of the runs. McKenzie pulled in a pass on the last play of the first quarter and, coupled with two five-yard penalties against the Falcons, Tawas finally moved to a touchdown with six minutes, 51 seconds remaining in the

Eagles Trounced Eastern

Hale Eagles rolled to an easy, 54-22, win over Arenac Eastern Saturday afternoon. It was the annual homecoming game for Eastern fans.

Vern Reed III, Hale quarterback, scored two touchdowns in the first quarter and Tim Lesneski booted two PATs to give the Eagles a 14-0 first quarter lead.

Six more touchdowns were reeled off by the Eagles before the end of the game. Tom Sanders scored on a 45-yard run, Mark Turnbull caught a 12-yard touchdown pass from Reed, Scott McDonald turned in a 12-yard touchdown run, Dan Dear scored on a 10-yard touchdown run and Reed passed to Sanders for a 70-yard touchdown run.

One touchdown came when John Brindley blocked a punt and the ball was picked up by Steve Tamplin, who ran into the end zone for a touchdown. Reed passed to Sanders and McDonald for two-point conversions.

Sanders was the leading rusher with 113 yards in seven carries. Dear had 71 yards in five passes and McDonald had 42 yards in five trips.

The Eagles rushed for 279 yards and Reed passed for 88 yards.

Defensive leaders were Dear, 10 tackles; Jeff Dillon and Turnbull, six tackles each; Larry Caverly, Tom Lesneski and Matt Husted, five tackles each.

Tom Lesneski intercepted two passes and Sanders snared one Arenac Eastern pass. Allen Baker recovered a fumble.

The Eagles have a record of four wins and three losses in league action and are to play host Friday night to Mio-AuSable.

Kelli Carlisle Elected Drama Club President

A meeting of Tawas Area High School Drama Club was held Thursday, October 18, at the high school with Mrs. Mund, English teacher, as sponsor. Nine of the 30 students present qualified to become members of the International Thespian Society, an educational organization which aims to establish standards of excellence in all types of theatre arts and to create an active interest in theatre in secondary schools.

The nine candidates are Kim Wilson, Gary Warren, Nancy Mooney and Jackie Abbott, seniors; Michelle Glossop, Kelli Carlisle, Claudia Carney and

Kenneth Rapp, juniors, and Steven Duda, freshman.

These young people are to be congratulated on the honor of being selected to this organization. Mrs. Mund has been active in the society for several years. During the business session, election of officers was held, with Miss Carlisle chosen for president; Rapp, vice president; Julie Thomas, secretary; Miss Carney, treasurer; Miss Mooney, historian, and William Colton, sergeant-at-arms.

Members of the club will commence the season by attending the Tawas Bay Players' production, "Barfoot in the Park."

TA Bravettes Won Pair of Games

Tawas Bravettes won a pair of basketball games last week, winning over Pinconning, 63-61, on October 16 and defeating Hale, 79-19, on Thursday night.

The win over Pinconning was Tawas' fourth in five league contests and the team has eight wins and three losses in over-all competition.

Kari Allen was top scorer in the game with 16 points and she turned in 18 rebounds. Lori Grack had 12 points, Joyce Hatcher meshed 11 points and Jan Johnson turned in a 10-point effort. Johnson was second high on rebounds with 12.

Maria Pintkowski scored 25 points to lead the Bravettes in the win against Hale. Cathy Davison had 17 points and Johnson meshed 10 points. Top scorers for Hale were Missy Sharp with eight points and six points by D. Kaiser.

Gladwin Beat Cards

Whittemore-Prescott Cardinals fell before the Gladwin Flying Gs, champion of the Northeastern Michigan Conference, in the final league game Friday night, 33-6.

Gary Stankowski of Gladwin rushed for 123 yards on 17 tries and scored a pair of touchdowns for the Gladwin team. Ken Plude, Dwight Berry and Todd Donahue each scored touchdowns for the winners.

Roy Bridgman brought Cardinal fans to their feet early in the game when he scored a 79-yard touchdown run, but Gladwin was not to be denied and held a 20-6 lead at intermission.

Bridgman was the leading ground gainer for the Cardinals, rushing for 122 yards in 10 carries. Todd Horn completed three of 13 passes for 56 yards. He also had 12 tackles to lead on defense.

The Cards ended the league season with a record of one win and four losses and have an over-all record of three wins and four losses.

NOTICE

In an effort to address the present energy problem facing our country, the Farmers & Merchants State Bank wishes to announce the following schedule of bank lobby hours, which became effective the week of October 22, 1979. Studies have shown lobby traffic on Friday evenings between 5:00 p. m. and 7:00 p. m. to be light during the winter months. Therefore, by eliminating these hours we will reduce our energy usage of lights and heat.

NOTICE:

Effective the week of October 22, 1979, the Farmers & Merchants State Bank of Hale changed their regular business hours according to the following schedule:

Hale, Rose City and Whittemore Offices

Monday thru Thursday	Lobby 9:00 a. m. to 3:00 p. m.

US-23 Hearing Tonight

Discuss Highway's Future

REHEARSING for a one-act play, "The Balcony Scene," to be entered in district forensics competition Thursday at Dow Midland High School, are these students from Tawas Area High School. The leading role is played by Steven Dude, left, a freshman, and costars, Jackie Abbott, seated at center, and Nancy Mooney, right. Other roles are portrayed by, standing from left,

Glenn VanSickle, Patty Maher, Kim Kallnowski and Kim Wilson. Not pictured is Gary Warren. The play is being directed by Mrs. Sheila Mund, assisted by James Krumbach, student director. A public presentation is to be given at the Tawas City Elementary School gymnasium, Wednesday (tonight), 8 o'clock.—Tawas Herald Photo.

Although official positions by local governmental units are expected to be unanimous in urging the Michigan Department of Transportation to upgrade and modernize US-23 in Northeastern Michigan, there is apparent disagreement on how that modernization should be accomplished.

A public hearing is to be held tonight (Wednesday) at Tawas Area High School concerning a recent study of the state and East Central Michigan Planning and Development Region confirming the severe deficiencies of US-23.

"Economic survival of Northeastern Michigan will depend upon how soon and to what extent the state upgrades and modernizes this area's most critical highway artery," stated a resolution adopted last week by the Tawas City Council.

By a three to two vote last Wednesday, the Iosco County Board of Commissioners adopted a resolution urging the state to take "immediate steps to develop workable alternatives to make major capital improvements to US-23."

Two alternatives stated in minority positions last week included widening US-23 and removal of all parking along its route in Tawas City with no bypasses, as recommended by Mayor Herbert Cholger, to the ultimate goal of the constructing an entirely new freeway through the region, as supported by John Webb Jr. and James Stech of the county board of commissioners.

Three members voting in favor of the resolution adopted Wednesday by the county board of commissioners were Marian Ulman, Carlton Merschel and David George.

Commissioners George, Merschel and Ulman all stated during discussion on the motion that lives were at stake due to the unsafe conditions on US-23; that commercial development in the Tawas and Baldwin Centre made it mandatory for a bypass around the Tawas; that removal of parking on US-23 had not remedied the problem at Oscoda and a bypass there was also needed.

Chairman Webb felt that the state should give consideration to a freeway constructed along plans detailed a number of years ago, with the route of the new highway lying between Sand Lake Road and M-65, serving both the eastern and western sections of the county.

Stech was of the opinion that the commission should support an entirely new freeway, but he also felt that the commission should not take an official position because of the apparent disagreement of thinking in the county.

A week ago, the Tawas City Council adopted a resolution asking the state to develop workable alternatives to include a new limited access highway, or widening the present highway to four lanes with bypasses around population centers for through traffic.

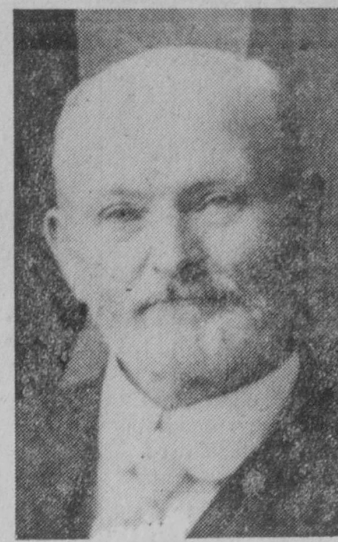

During discussion, the majority of councilmen believed that widening the highway to four lanes with bypasses would be a workable alternative should the state choose not to build that new limited access freeway which has been under consideration for so many years.

Such a limited access route on US-23 from Standish to the M-65 intersection is expected to be let out for bids around 1986.

Although there appears to be disagreement locally on alternatives, the state department of transportation hopes that tonight's hearing will provide the groundwork for what should come in the future in regard to highway needs of this region.

'THE NOBLEST ROMAN'

John A. Mark

JOHN MARK was a scaler and mill worker for the H. N. Loud Sons' Lumber Company before losing his fingers on his right hand when it came in contact with a circular saw. There was no disability or workmen's compensation insurance in those days and his

friends circulated a subscription paper to raise money to help feed his large family. The Louds kept him in their employment and then endorsed him for county clerk, a position to which he was elected in 1899 and served for 18 years.

years earlier during the "Pack Convention," when employees of Pack-Woods Lumber Company united Oscoda and AuSable delegates on one candidate for sheriff, was renominated by acclamation. Robert E. Richards, too, was renominated without opposition for county treasurer.

The nomination for county clerk proved to hold the most interest for the hats of five aspiring candidates were thrown into the political ring, with major support of the county centered on three candidates, Mark of AuSable, Frank F. Taylor and Thomas Galbraith of Tawas City. The other two candidates were William H. Warren of East Tawas and August Karus.

Mark, a long-time employee of the H. N. Loud Sons' Lumber Company, was one of the most popular residents of AuSable and a member of the city council. He had been an employee in the Loud sawmill and lost the fingers on his right hand when it came in contact with a circular saw.

There was no such thing as disability insurance or workmen's compensation in those days, but the paternalistic in-

stinct of the Louds toward their employees, saw the transfer of Mark to the commercial steamship dock and later to the company office.

The loss of fingers on his "writing hand" proved to be no real obstacle to Mark, who learned to hold a pencil or pen with the stumps remaining on his right hand, enabling him to work on company books; through constant practice, he became ambidextrous and he could write equally well with either hand.

Because of his successful fight to overcome a handicap, fellow citizens of AuSable termed Mark "the noblest Roman of them all."

F. F. Taylor, his major competition for the nomination, had been a businessman in both Tawas and was equally popular among his fellow residents.

A total of 24 votes was needed to nominate a candidate at the convention and, on the first ballot, Mark had 17 votes; Taylor had 15, Galbraith garnered eight, Warren had five and Karus tallied one vote.

Balloting continued well into the early hours of the next

morning and it was not until the 42nd call by the chairman that Mark received the required number of votes on an "informal" ballot.

During recesses between voting, much political "horse trading" had taken place between delegates, which must have colored much discussion in the smoke-filled caucus rooms. Being a Democrat, Editor Len J. Patterson of the Herald was not privy to the innermost workings of the convention process.

His report indicated that Mark's nomination was not assured by the "informal" ballot. "A motion was then made to proceed to a formal ballot, which resulted in Mark receiving 23, Taylor had 20 and there were two scattered votes. Two more ballots were then taken, each of which were 'stuffed'.

The 46th ballot nominated Mark, he receiving 25 votes to 21 for Taylor," reported the Herald. Patterson was excluded from the Republican convention for good reason, he having been nominated a week earlier as the Democratic candidate for county clerk. Although lacking proper credentials to attend the Republican convention, his report on that convention coincides with a report in the Iosco County Gazette, which was of Republican persuasion.

The ensuing political battle locally may have been overshadowed by a short and sweet campaign ending on November 8, 1898, with Republicans victorious throughout the state. Herald Editor Patterson called Hazen S. Pingree, Republican governor, a demagogue "and we predict they will see their error before two years roll by;" he also had a few choice words for Tenth District Congressman, "who will misrepresent the Tenth District for another two years."

Major interest in the campaign was for county clerk, Mark winning over Patterson by 120 votes. The editor made no comment about his loss to Mark and the two men became long and fast friends.

The race for county clerk found Patterson holding majorities in eight units and the two men were tied in one township, but Mark held substantial mar-

(See MARK, page 6.)

THIS RESIDENCE overlooking Tawas Bay was owned by John Mark. When he and his family moved there in 1899, the bridge near the mouth of the Tawas River had been

washed out for a year or more. Mark's property extended nearly to the bridge and the family maintained a large garden.

Notice of Election

TO THE QUALIFIED ELECTORS OF THE CITY OF TAWAS CITY:

PLEASE TAKE NOTICE that at the Regular Odd Year General Election to be held in the City of Tawas City, County of Iosco, Michigan, on the 6th day of November, 1979, from 7:00 o'clock a. m. to 8:00 o'clock p. m., there will be submitted to vote of the qualified electors of said City the following proposition:

Municipal Building Bonding Proposition

Shall the City of Tawas City, County of Iosco, Michigan borrow the principal amount of not to exceed Five Hundred Thousand Dollars (\$500,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of paying the cost of acquiring, constructing, furnishing and equipping a building for the use of the City to house a fire station, city hall and library, and acquiring and improving the site therefor.

The principal and interest of said general obligation bonds shall be payable from the general funds of the City, and the City is required by law to levy sufficient ad valorem taxes, if necessary, for the payment thereof upon all taxable property in the City without limitation as to rate or amount.

The above bonds will be payable in not to exceed forty (40) annual installments, with interest on the unpaid balance at a rate of not to exceed 8% per annum, or such higher rate of interest as may be authorized by law.

All qualified and registered electors may vote on the above bonding proposition.

The purpose of this election is to fill the following offices:

- Mayor
- Councilman—4 year term—3 to be elected
- Councilman—2 year balance of term—1 to be elected

The place of voting will be as follows:

CITY HALL, 508 W. Lake Street, Tawas City.

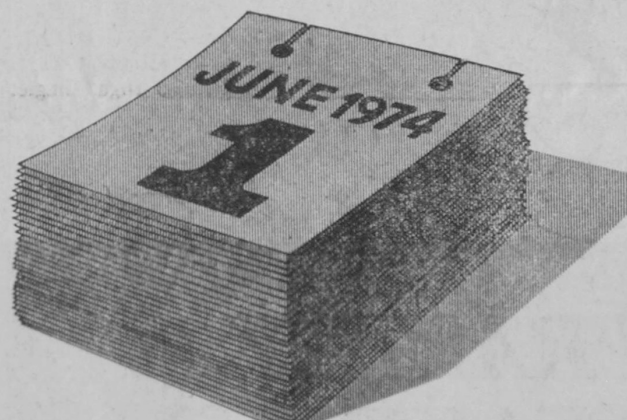

This notice is given by authority of the City Council of the City of Tawas City, County of Iosco, Michigan.

The money Mich Con spent for an average month's supply of natural gas in 1974 would buy 10 days' worth today.

The price of natural gas is rising steadily. Michigan Consolidated is paying more for gas supplies, which means you're paying a higher gas bill. Since 1973, the typical annual residential fuel bill has more than doubled. All but 6% of that, however, is due to the cost increases of exploring, producing, and transporting natural gas—not rate increases for Mich Con.

There are many reasons for rising natural gas prices. We think you should know what they are:

- New gas fields are difficult to locate and expensive to develop. And because of the high cost of exploration and production, the U.S. Congress has allowed producers to substantially raise the prices they charge their pipeline customers.
- Drilling companies are paying more to lease the land from the Federal Government and private land-

owners. And pipeline companies are allowed to charge more to transport natural gas from the wells to Michigan.

- Even the natural gas we buy from Canada is more expensive. It has increased at an annual rate of about 35% since 1970.

These higher exploration, production and transportation costs mean higher bills for us because we have to pay the regulated price to obtain the gas. They also mean higher bills for you.

But, even though prices will continue to rise, we're confident we'll be able to continue supplying you with natural gas. And we're confident it will continue to be your best energy buy—now, and in the future.

If you'd like to know more about natural gas costs, write for our free booklet, "Nobody Likes Higher Gas Bills. Including Us." Michigan Consolidated Gas Company, Public Affairs Activity, One Woodward Avenue, Detroit, MI 48226.

UNICEF Drive Sunday

Trick or treat for UNICEF will be conducted Sunday evening at 5 o'clock by children of the area ages seven years to early teens. Participants will meet at Tawas United Methodist Church to receive canisters and tags for the collection.

Upon completion of the drive, to be supervised by adults, a party for the youngsters will be held at the church. Mrs. Marlin Eaton invites all children of the area to join in this annual event to help support the less fortunate children of the world.

Nominate Candidates for Iosco ASC Committee

Farmers are being asked to nominate candidates to be on the agricultural stabilization and conservation service community committee ballot, states Harold Cholger, chairperson. The ASC community committee election will be conducted from November 23 to December 3, by mail ballot.

ASC committees are responsible for managing government farm programs on the local level. To meet the needs of individual producers, ASC committee members must be concerned and responsible individuals, Cholger said.

All farmers have the opportunity to nominate persons they feel would best serve the farm community. Farmers in Iosco County have already received their petition forms by mail and may begin submitting them to the county ASCS office, he stated.

A few basic considerations should be kept in mind when circulating petitions, Cholger said. In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected, must be signed by at least three eligible farm voters in the ASC community. The forms must be received in the county ASCS office no later than October 29.

A farmer may circulate or sign nominating petitions for as many candidates as he chooses. Anyone wishing to nominate a farmer for the ASC committee election may contact their local county ASCS office for full details, including eligibility requirements for office holders.

Cholger believes that farmer nominations of candidates for the upcoming ASC committee election are very important. He said, "Farmers should petition for and elect those individuals they feel would do a good job as ASC committee members. The election of concerned farmers to positions on ASC committees is necessary for good administration of farm programs." He further explained that the county ASCS office welcomes all valid petitions.

Tawas Bay Players Ready for 'Barefoot in the Park'

A very energetic group of persons, known as Tawas Bay Players, are involved in a project in hopes of paving the way for further theatrical productions. The final character for the upcoming production of Neil Simon's "Barefoot in the park," Emil Deprest as a delivery man, puts the cast of six busy under the direction of Vincent Weiler, assisted by Ann Dunham.

Tickets for the play may be purchased at Econo-Way Drugs, Gould's Rexall Drugs, The Village Shop and Tawas Chamber of Commerce, at Sewing Machine Exchange in Oscoda, or contact Karen St. James, 362-2734, or June Hudgins, 362-8423, for tickets and reservations.

Alley Wants Smoke Bombs Curbed

LANSING—State Rep. Tom Alley, West Branch, has asked the legislature to tighten up the state's fireworks law. The object of his concern is the smoke bomb.

A bill newly introduced by Alley would add smoke bombs or devices to the list of fireworks materials that cannot legally be sold or used in Michigan without a permit. The bill was introduced by Representative Alley at the request of a local school district.

"Smoke bombs may be small, but they can be very dangerous," Alley said. "Unfortunately, they are most commonly used by children. Once lit, they burn with tremendous heat, emitting a toxic smoke which can make children sick if inhaled. They are simply too dangerous to be classed as toys."

The legislature in 1978 rewrote the law banning fireworks after it was discovered there was a loophole in it which made it legally possible to sell, buy and use the explosive devices in Michigan.

The revised law allowed cer-

'Homespun' Holidays' Offers Demonstrations

If the holiday season has become far too hurried and harried, this may be the year to plan ahead and slow down the pace. The "Homespun Holidays" program from MSU Cooperative Extension Service in Iosco County can help do just that.

Scheduled for Thursday, November 8, 7:00 to 9:00 p. m., at the Tawas United Methodist Church, Homespun Holidays will include demonstration of make-ahead holiday decorations. Extension Home Economists Margaret Mielock and Susan Lambrecht will present the program. Similar sessions will be held November 5 and 6 in Standish and West Branch.

Fee will cover supplies. Advance reservations and additional information may be secured by phoning 362-3449.

TAWAS CITY COUNCIL MEETING MINUTES—October 1, 1979

Meeting called to order at 7:30 PM at City Hall by Mayor Cholger.

Present: Rollin, Cholger, Lansky, Hayes, Keiser, Cotter, Landon. Others: Mgr. Thomas.

Minutes of September 17 meeting approved.

Planning Commission August 16 minutes accepted.

Councilman Rollin urged Manager to have clutter cleared off Eighth and Ninth Avenue rights of way.

Resolution offered by Keiser, supported by Cotter, that WHEREAS the City Council deems it advisable to vacate the alleys platted in Blocks 9 and 10 of Porterfield's Addition to Tawas City, reserving unto the City easements for utilities, IT IS RESOLVED that Monday, November 5, 1979 at 7:30 PM be appointed as the time for hearing objections, at the City Hall, 508 W. Lake Street, Tawas City; carried unanimously.

Motion by Keiser seconded by Landon that \$155 be appropriated from Contingency Fund of Industrial Park Development Fund for repainting Industrial Park sign on U. S. 23; roll call vote, all yeas.

Motion by Hayes seconded by Lansky that \$1036 appropriation made September 17 for payment of MESB billing be rescinded, as payment is not due this fiscal year; carried.

Manager discussed need for, feasibility of, and areas considered for annexation. Motion by Cotter seconded by Keiser that Manager be directed to proceed along the lines of his Report and Recommendation dated September 21, and to set up a meeting with township officials at his discretion; roll call vote: yes, Rollin, Cholger, Lansky, Keiser, Cotter, Landon; Hayes abstained from voting due to his financial interest in the matter.

Proof ballot for Municipal Building Bonding Proposition presented for Council review.

Motion by Hayes seconded by Lansky that City participate in paving a 40'x60' access area on American Legion property this year if the County and Legion will share in equal thirds, City's share not to exceed \$433.00; roll call vote; unanimous yeas.

Letter from Tawas Area School Supt. Dighera requesting vacation of portions of Ninth Avenue and Second Street referred to Planning Commission for review and recommendation.

Council was briefed on EC-MPDR's request for City officials to provide input on US 23 planning study at Department of Transportation public hearing set for October 24 at Tawas Area High School.

Manager presented a "Talking Paper," prepared with facts which are available for use in discussing proposed Municipal Building project with residents. He expressed his willingness to address any group interested in the proposal.

EMTA notice received of Convention to be held at Bay Valley October 25. Council recommends Manager attend.

City Attorney's letter opinions regarding two sets of petitions filed with City Clerk September 25 were distributed for Council information.

Adjourned 8:40.

Pursuant to Act 43 of the Public Acts of 1963, Notice is hereby given that a PUBLIC HEARING will be held on WEDNESDAY, OCTOBER 31, 1979, from 11:00 A. M. to 12:00 A. M. in the Board of Commissioners Room at the County Building in Tawas City on the PROPOSED BUDGET for Iosco County for the Year 1980.

A copy of the proposed budget will be available for inspection at the office of the County Clerk on October 25, 1979.

IOSCO COUNTY BOARD OF COMMISSIONERS
D. Keith Papas, Clerk

BADGERS AND CANADA LYNX

The Natural Resources Commission has ordered that for a period of five years no person shall take or attempt to take a badger or a Canada lynx at any time. This order on badgers expires on October 31, 1983, and on the Canada lynx on June 30, 1982. 43-1b

CITY OF TAWAS CITY NOTICE OF PUBLIC HEARING ON INTENTION TO VACATE ALLEYS

WHEREAS, the City Council deems it advisable to vacate the alleys platted in Blocks 9 and 10 of Porterfield's Addition to Tawas City, reserving unto the City easements for utilities,

IT IS RESOLVED that Monday, November 5, 1979, at 7:30 PM be appointed as the time for hearing objections, at the City Hall, 508 W. Lake Street, Tawas City.

Objections shall be filed in writing with the City Clerk.

Rachel Sue McCready
Tawas City Clerk 43-2b

gins at AuSable and Oscoda to win easily.
Mark moved his large family to Tawas City that fall and served as the county clerk for 18 years, retiring in 1916, shortly after the editor retired to become Tawas City postmaster.
The new county clerk was as popular in Tawas City as he had been in his former home at AuSable. He later served in many offices of public trust, including that of Tawas City treasurer, as a member of the Iosco County Road Commission, a member of the poor commission and a member of the Tawas City Board of Education. He served many years as secretary of the Tawas City Masonic Lodge.
Mark's lifelong hobby of horticulture and gardening proved to be the delight of his neighbors and friends, the flowers from his garden providing endless hours of enjoyment to residents and friends. He always

provided a large bouquet of flowers from his garden to decorate the newspaper office.
A resident of Iosco County for 54 years, Mark died March 29, 1940, at the age of 83 years.
The beautiful handwriting of this remarkable man contained in record books in the county clerk's office bears witness to a person who overcame a serious physical handicap to forge a new role in life, when personal qualities and penmanship were a prerequisite to holding public office.
His son, John Atlee Mark, now retired, lives just west of the old family home on Lake Street overlooking Tawas Bay.

National Business Women's Week

Huron Shores Business and Professional Women's Club and Delta Cappa Gamma saluted the National Business Women's Week October 21-27 with a kick-off dinner at Oscoda's Lakewood Shores. Addressing the group on current issues in legislature facing today's women was Rep. Tom Alley, West Branch.

The professional group will sponsor a program on senior citizen placement and care Thursday, October 25, 7:00 p. m., at Oscoda Area High School. Theme of the program is "Positive Thinking for the Golden Years."

National Business Women's Week was first celebrated in 1928 and is observed annually the third week in October. Traditionally, the president of the United States begins the week with an official proclamation, followed by similar messages from governors and mayors throughout the country. Signing of the proclamation locally took place October 22 prior to the dinner and address by Representative Alley, highlighting the immense contribution of women toward the betterment of society.

VOTE POSITIVE!

RE-ELECT JERRY COTTER

TUESDAY, NOVEMBER 6

Non-Partisan Candidate for TAWAS CITY COUNCILMAN

Despite the difficulties, I have been involved with the Majority of the City Council in making some VERY POSITIVE PROGRESS. A few EXAMPLES:

1. Our NEW CITY MANAGER, Lowell Thomas, is doing a terrific job!
2. For a per person cost of less than 2c per day, We will have a new MUNICIPAL CENTER. Be sure to Vote Yes on the separate ballot!
3. PROGRESS is being made on our Sewer problems.
4. The COST OF BORROWING MONEY IS LESS because bidding is now required on short and long term loans.
5. GREATER INCOME IS BEING EARNED by investment of funds in Daily Interest Accounts.
6. A NEW FIRE CONTRACT with Alabaster and Tawas Townships requires sharing of all costs on a FAIR BASIS.
7. Most CITY EQUIPMENT has been UPGRADED.
8. PROGRESS has been made in law and ORDINANCE ENFORCEMENT. I believe ordinances should be enforced or repealed.
9. INDUSTRIAL PARK EXPANSION is underway to attract desirable industries.
10. PROGRESS has begun on the TAWAS RIVER HARBOR. Let's hope development will be rapid.

I hope you will VOTE on Tuesday, November 6. I will appreciate Your Vote.

Thank you for reading this advertisement.

Sincerely,

JERRY COTTER
