

Additions Dedicated at Tawas Hospital

More than 400 people attended the dedication ceremony Sunday at Tawas Hospital marking the completion of four major projects.

Participating in the ceremony were Robert Elliott, chairman of the board of trustees; Craig Miller, interim administrator; the Rev. Alfred Saulsbury, hospital chaplain; the Rev. Fr. Lawrence Boks, pastor of Immaculate Heart of Mary Church; Sr. Evangela Menzel, SSJ, representing the Sisters of St. Joseph; Rose Blackmore, director of community relations at the hospital, along with many other members of the hospital staff, board and community.

Leading the events was a ribbon cutting for the Ralph E. Richardson Nuclear Medicine Unit. Clipping the ribbon was Mrs. Gladys Papke, John Swartz and Martin Richardson, representing close friends and family of the late Ralph E. Richardson, whose bequest of \$400,000 purchased the equipment for that unit.

The addition of the nuclear medicine facility will vastly expand the medical staff's ability to diagnose many conditions including cancer. Richardson's main interest was in cancer detection for the community.

The hospital has applied to the Nuclear Regulatory Agency at Washington, D. C., for its license and the unit is expected to be operational late this fall. Debbie McShane has been hired as the nuclear medicine and ultrasound technician. Frederick C. Nash of Au Gres and Detroit was present to cut the ribbon for the Matilda R. Wilson Emergency and Outpatient Center. The \$150,000 to renovate and expand that area was granted to the hospital by the Matilda R. Wilson Fund of Detroit.

Nash spoke briefly about Mrs. Wilson and her mission in establishing the philanthropic fund. He stated that she would be most pleased to know she was influential in assisting this community in expanding its health care facilities.

The emergency room was expanded from four to eight treatment areas and the admitting department was relocated to the new area making a better traffic flow pattern for the admission of patients to the hospital and the emergency room.

Dr. Leslie Lambert, a retired member of the hospital medical staff, cut the ribbon for the 2.2-million-dollar expansion that saw the addition of a 30-bed medical-surgical unit replacing the older east wing of the hospital, plus expansions of the emergency room, admitting, X-ray, laboratory, medical records, respiratory therapy, physical therapy and special care unit.

In his remarks, Lambert recalled how the uncompleted hospital was pressed into service on June 8, 1953, to care for persons injured during a tornado. In those days, the hospital had 45 beds when it officially

opened for service on June 14, 1953. He also spoke on the advances which have taken place in medicine throughout the world and believed that a real key to world health would be curbing the population explosion.

Lambert particularly lauded Dr. John D. LeClair, retired dentist, who was instrumental in the original formation of Tawas Hospital and saw the original construction project through to its completion.

Timothy O'Connor, chairman of the development council, was present for the opening and took part in the ribbon cutting. Through his leadership, the council raised one-quarter million dollars locally for the expansion.

The new medical arts building was opened by Carl Tropf, developer and owner, who asked Kenneth Myles, member of the hospital board of trustees, to cut the ribbon. The new building can house up to 12 doctors and offers the convenience of a connecting corri-

dor to the hospital. There are currently two doctors, Dr. Syed Hasan, urologist, and Dr. William Loop, internist, practicing in the building.

The weather cooperated beautifully for the outdoor ceremony. That the business of health care is a full time operation was demonstrated during one point of the ceremony when the crowd parted at the emergency entrance to allow a man, obviously injured in some Sunday afternoon project around his home, to be admitted for treatment.

Punch and cookies were served in the hospital cafeteria by the volunteers after the program and guided tours were given to the public by the volunteers, development council members and hospital staff.

"This expansion is at the crossroads for the hospital in its development and will help to assure continued growth and ever better health care services to the people of the area," stated the director of community relations.

School Expects Enrollment Drop

An enrollment reduction of between 40 and 50 students projected for Tawas Area School's 1980-81 term may or may not hold true, according to a report Tuesday morning by Supt. Allan Dighera.

When the fall term opens next Tuesday morning, total enrollment is expected to be approximately 1,650 students, as compared to the fourth Friday count last year of 1,706.

Dighera reports, however, that the loss in students may not be as high as projected as several new families have moved into the area.

Prin. John Alexander urges all students who have not registered for the new term, both those attending school here last year and those new to the district, to register this week.

Alexander said that 90 percent of the students have already registered, which eliminates considerable confusion on the first day of school.

Alexander said that students should be prepared to attend a full day of school next Tuesday. The school lunch program will also begin serving that day.

Two new teachers will make their appearance at the junior and senior high school. Laurie Reame of Northville, a graduate of Central Michigan University, will be teaching junior high school reading. Janice Briggs of Kalamazoo, a graduate of Eastern Michigan University, will be teaching high school French and junior high school English.

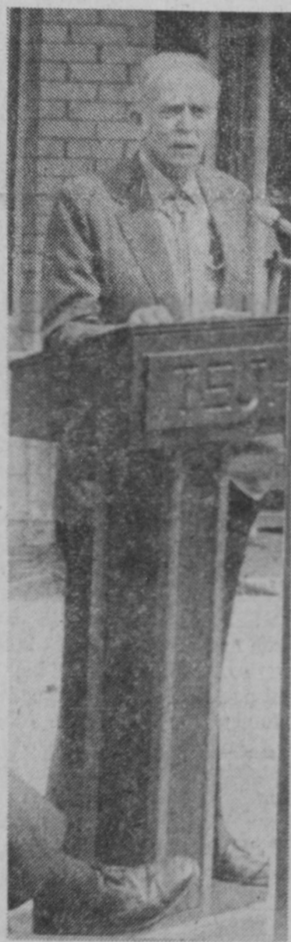

Teachers are to report Thursday to the high school for a full day of orientation.

Despite the fact that everything seems to be in readiness for the opening of fall term, considerable confusion over school financing exists around the state. An educational aid bill has not been adopted as yet by the state legislature and the only news thus far for this school district has been "bad news," according to the superintendent.

Dighera said that it appears that Tawas Area School District will lose a considerable amount

of money in state transportation funds under various bills to be considered by the legislature.

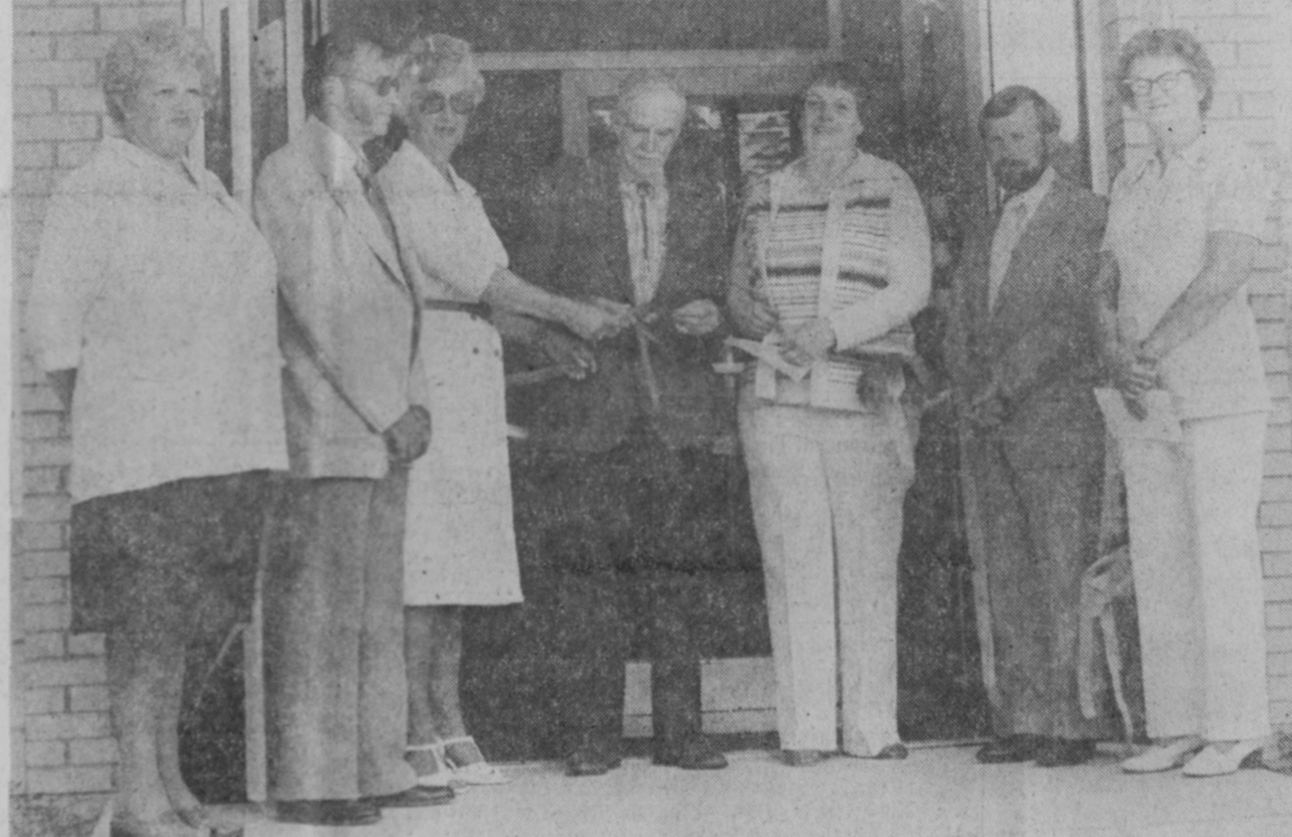

With three different constitutional amendments to be considered by voters in November, the school financing picture may become even more serious.

City Manager Named to Small Town Task Force

City Mgr. Lowell Thomas was appointed to a 19-member task force for small and rural communities last week by Gov. William G. Milliken. The task force is to advise the governor on special needs of small communities and rural areas throughout Michigan.

The task force includes 14 members who represent a cross section of Michigan's small and rural communities, four legislators and a chairman. Legislators include Sen. Robert D. Young of Saginaw and Sen. Mitch Irwin of Sault Ste. Marie. The chief responsibilities of

the task force are to identify the most pressing needs facing small and rural communities, to assign priorities to those needs and to recommend a plan of action to meet them.

The task force will work closely with the governor's community development cabinet in designing a coordinated strategy for the future of Michigan's rural communities.

The task force is expected to meet at least once a month around the state and will submit its findings and recommendations to the governor by the end of the year.

Investigations Kept County Officers Busy

Three larcenies, two breakings and enterings and three vandalism complaints were investigated last week by Iosco County Sheriff's Department.

Larcenies were reported by Roy Clouse, Hale, theft of citizens band radio from automobile; Iosco County Airport, theft of 13 runway lights; Collier's Marina, Tawas City, fishing rods and equipment stolen from boat.

Reporting burglaries were June Wilhelm, Dyer Road, Whittemore, theft of antique rocking chair; Jesse Cover, entry of a cottage at Long Lake.

Vandalism complaints were reported by John R. Dawson, Tawas City, paint scraped from automobile by someone using sharp instrument; William Miller, Sand Lake, three cedar trees removed from property; Kocher's Market, Hale, piece of concrete thrown through window.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

License Toxic Waste Producers

Michigan should license firms producing toxic wastes rather than to place the disposal burden on rural areas.

State Rep. Tom Alley of West Branch said Wednesday that a bill is currently being considered by the legislature which would provide some of the needed controls.

One of the problems facing every county of Northern Michigan is that, by 1984, most of the sanitary landfills will be closed because of the high cost of meeting new state regulations.

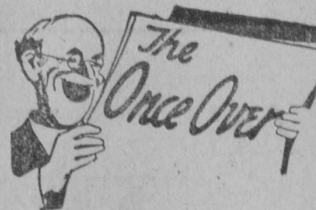

One of the problems is that environmentalists seem to think that every landfill must have a fail-safe system to prevent contamination of ground water by toxic substances. A reasonable approach must be taken toward solving this problem, but it seems to this corner

that any regulations on toxic waste disposal should be placed on the originator.

There is no reason why taxpayers of Northern Michigan should be burdened with more state regulations. Firms originating toxic wastes should be identified and licensed by the state, under a mandate to provide proper waste disposal.

If items to be found in the home are known to be dangerous, when disposed of in sufficient quantity in a landfill to endanger public health, then the state should consider a ban on the sale of such items, control of sale, or at least educate the general public as to proper disposal methods.

It is difficult and costly to make an antiseptic, fail-safe world—and do we really want one?

US-23 Still Only Two-Lane Highway

A rather dangerous situation has resulted with the paving of shoulders on each side of US-23 from Tawas City south to the Arenac County line. Motorists treat the highway as being four lanes wide and are passing on the right-hand side.

The broken yellow line down the center of the pavement and the white line along the right edge designates the highway as two lanes, but the state's new system of saving paint by using a broken line to mark the outside lane is confusing.

The paved shoulder is narrow and motorists passing to the right of traffic may find themselves being forced off the highway by the unsuspecting driver who has the legal right-of-way in the one lane; motorists passing on the shoulders may also find themselves in serious trouble at the many two-lane bridges along the route.

If heavy traffic continues on the shoulder, the blacktop will soon disintegrate as that portion of the road was not designed for such heavy pounding.

A clearer system of designating two-lane highways should be considered in order to improve safety and also to avoid damage to the highway shoulders.

Michigan Lowest in Federal Tax Return

Only 66 cents of every \$1 paid by Michigan taxpayers into the federal treasury last year has been returned to this state.

What is even more interesting is the disclosure that the entire "frostbelt" region of states last year sent nearly 36-billion dollars more in taxes to Washington than the states received in federal funding; contrast this to the "sunbelt" and western states, which profited by 22-billion dollars.

Over the last five years, the cumulative deficit of the northeast and midwest regions of the United States amounted to \$1,600 per person.

The disparity in spending is blamed on the military's preference for southern and western states, which is not surprising because of weather differences.

The main reason may be that voters in some of those states may be smarter than the northerners—the same congressmen are returned year after year until certain of those states control congress through seniority on committees.

Chiselers 'Steal' Own Food Stamps

Welfare chiselers apparently have found a new way to beat the system. Iosco County Sheriff's Department has been called on to investigate a "wave" of larcenies in which food stamps have been stolen from postal boxes. The report to law enforcement authorities is necessary in order to obtain replacement stamps from the department of social welfare.

While some of the larcenies may be legitimate, the majority are falsehoods; we would believe that nine out of 10 of these reports are false.

Because of the increasing number of this type of "larceny," perhaps those victims of reoccurring food stamp thefts should be required to pick up their food stamps at the post office; or, another solution might be to send food stamps by certified mail in cases where thefts have been reported. The additional cost for the special handling would still be less than food stamp replacement and a would-be chiseler would not collect double stamps.

(Read Exodus 3:7-14)
 "Moses said to God, 'I am nobody. How can I go to the king and bring the Israelites out of Egypt?' God answered, 'I will be with you.'" (Exodus 3:11-12 TEV)

I prided myself that I had trained and prepared through college and was ready to go out and serve God. Then, in Brazil, I met Maria, who had had no opportunities for an education and could not read or write. I discovered she had talents and skills I had never learned nor developed.

God was using her richly. What blessings she brought us all. I learned at her feet. She was always at church ready and willing to help. She could arrange a bouquet of garden flowers to look like a florist had sent them. She could visit the sick and lonely and make them feel loved. She could invite folks to Jesus while I stood by tongue-tied. She could bake a chicken that melted in your mouth.

I learned that preparation helps but it is not everything. Dedication and attitude are the essential factors in ministry. In my eyes, Maria was a saint. She never had much in this world but she gave herself to God. What a blessing she was to everyone!

PRAYER
 O God, thank You for people who share their love with others and make life more pleasant. Thank You for loving us, too. Help us to love and serve You better. In Jesus' name. Amen.

Full Gospel Businessmen Fellowship Set Program

A twin bill is slated for the Saturday, September 6, program of Full Gospel Businessmen's Fellowship, Huron Shores Chapter, for a promising spiritual movement. An appealing program for the younger generation as well as others, the well-known Bill Powell will be featured with the band, "Sonship."

Starting as a traveling rock-and-roll player, Powell and his wife came to Jesus in 1973 after an experience of physical disaster. He is now in musical ministry and has performed with many well-known artists.

Advance tickets will be available at the Book Nook, Golden Shears and Schaaf Lumber and Home Center, East Tawas, and Robert's Slack Shack, Oscoda. Checks may also be mailed to Post Office Box 566, East Tawas, for the 6:30 p. m. dinner. The program will start at 7:15 o'clock.

St. Joseph's Church Scene of Bommarito-Coffin Vows

St. Joseph's Catholic Church, East Tawas, was the scene of the double ring ceremony Friday, August 22, uniting in marriage the former Debra Coffin, daughter of Mr. and Mrs. T. K. Coffin of East Tawas, and Dominic Bommarito, son of Mr. and Mrs. Frank Bommarito of Detroit.

The Rev. Fr. Francis Murphy performed the 6 o'clock ceremony which was followed by a reception for 150 guests from Battle Creek, Detroit, Ann Arbor and Mt. Pleasant at East

Tawas American Legion Hall. Mrs. Alden Phelps was organist and Jamie Coffin, flutist.

Carrying a colonial bouquet of silk flowers, the bride was escorted to the altar by her father. She wore a qiana knit gown with sweetheart neckline encircled with lace. Matching lace inserts enhanced the full sleeves and the straight skirt flowed to a chapel train from a blouson top. Silk flowers adorned her hair to complete her attire.

Deborah Gadille of Ann Arbor and Dominick Missuraca of Roseville were attendants for the couple. Miss Gadille wore a yellow floor length gown and carried a basket of silk flowers. The couple will reside in Utica following a trip to Toronto, Ontario, Canada. The new Mrs. Bommarito graduated from Central Michigan University in 1979 and her husband is a 1976 CMU graduate.

Placed in State Show

Two Tawas area 4-H members placed in the 4-H State Horse Show, which was held Tuesday, August 19, at Michigan State University. Debra Holmes of East Tawas placed seventh in the trail class for ponies under 54 inches. Toni Coleman, also of East Tawas, placed fourth in flag, fifth in spud and action, sixth in costume and seventh in pole bending, in classes open to all horses and ponies 56 inches and under.

Nancy Wood and Kim Clark of Oscoda also participated in the show. Marie Eberline was alternate and participated in the special judging experience for 4-H horse members 14 years and older.

Ashmore-Creer Marriage Solemnized at Saginaw

Redeemer Lutheran Church, Saginaw, was the scene of the double ring ceremony Saturday, August 23, uniting in marriage the former Helen Lorine Creer, daughter of Mr. and Mrs. Robert H. Creer of Saginaw, and Rick Ashmore. Parents of the bridegroom are Mr. and Mrs. Justus Ashmore of East Tawas.

The Rev. Ronald Albers performed the 4 o'clock service, which was followed by a reception for about 350 guests from Ohio, Tawas area, Detroit, Frankmunth and Cass City at the GBU Hall, Bridgeport. Karen Keup was organist.

The bride descended the aisle on the arm of her father in a sata-peau gown styled with Empire bodice, wedding ring neckline and full sleeves. An A-line skirt with flounced hemline flowed to a full train. Appliques of Venice lace enhanced the gown and train. She carried a cascade bouquet of assorted daisies, white roses and carnations and babies breath. A matching Camelot headpiece secured her fingertip veil.

Maid of honor was Sherry L. Nuffer with Catherine Creer, Sue Cieszlak, Debbie Dutton, and Terri Walker, bridesmaids. Elisha Dufrense, cousin of the bride, was flower girl. The attendants wore silesia knit gowns in rainbow colors with square necklines and A-line skirts. Floral print wrap around jackets were worn over the dresses. Assorted daisies and babies' breath trimmed with

multicolor ribbons comprised their bouquets.

Serving as best man was Walker Whitford of Tawas City. Michael Greene, Michael Creer and Frank Murieko, all of Saginaw, and Dennis Ashmore of Ohio were groomsmen. Richard Rigda Jr. was ring bearer.

Mrs. Creer greeted guests in a blue gown with lace jacket and Mrs. Ashmore chose pink.

The couple will reside at 217 North Porter, Saginaw, following a two-week trip to Las Vegas, Nevada.

Hosting pre-nuptial showers for the former Miss Creer were Mrs. Dutton and Catherine Creer.

Artists Plan Pot-Luck for Aug. 28 Meeting

Thursday, August 28, 6:30 p. m., monthly meeting of the Tawas Bay Artists will be a pot-luck affair with the usual overflowing tables of dishes prepared by members. The dessert table will be topped by the homemade ice cream of Ione Sabin with her delicious fresh fruit sauces.

A general feeling of a relaxing get-together for the members after the many months of art show preparation is the theme for the evening.

Tousley - Colton Marriage Vows Solemnized Aug. 23

In a 7 o'clock candlelight service at Tawas United Methodist Church Saturday, August 23, Judith Lynne Colton, daughter of Mr. and Mrs. Spencer Welch of East Tawas, and Jeffrey Ward Tousley, son of the Rev. and Mrs. Kenneth Tousley, also of East Tawas, exchanged marriage vows before his father and the Rev. Joy E. Arthur.

Mrs. Alden Phelps, organist, accompanied Mrs. Harold Knight, Donald Silvester and David Spencer, vocalists. William Colton played a guitar accompaniment.

Escorted to the altar for the double ring ceremony by her father, the former Miss Colton was attired in a white nylon organza gown with high neckline accented with embroidered English netting and interwoven baby pearls. Featured were bishop lace on wide cuffs and a ruffled hemline. A floor length veil of English netting trimmed with matching lace complemented the gown and she carried a bouquet of pink and white roses.

Locey-Smith Nuptial Vows Said at St. James Church

Sandra A. Smith and Bryan A. Locey were joined in matrimony Saturday, August 16, at St. James Catholic Church, Whittemore. The Rev. Fr. James Holtz officiated as the couple repeated their vows.

Charlene Bosquet of Bridgeport, Thad Maciuszek of St. Johns and James Leve of Kalamazoo witnessed the ceremony. The bride's mother, Lillian R. Smith of National City; her friend, Donald Piechowiak of Pinconning, and the bridegroom's parents, Mr. and Mrs. William Locey of Gainesville, Florida, escorted the couple

Matron of honor was Mrs. Edward Haglund. Mrs. Bruce Thomas, Jackie Mosher, Kelee Mosher and Rene Welch were bridesmaids. They wore gowns designed with Empire waistlines and pleated skirts in rosebud print silk. Pink and white miniature carnations with Stephanotis and rubum lilies comprised their bouquets.

Serving as best man was Scott Gaines. Groomsmen were Dennis Tibbets; the bride's brother, William, and bridegroom's brothers, Philip, Scott and Mark. Chad Tibbets was ring bearer.

Mrs. Welch wore a blue floral silesia chiffon, pleated gown and Mrs. Tousley chose a brown polka dot silk knit. Enhancing their attire were white orchids. They greeted guests at a reception following the ceremony in the fellowship hall.

The bride is a graduate of Patricia Stevens Career College, Milwaukee, Wisconsin, and is employed as a legal secretary in Saginaw where the couple will reside while he finishes his senior year at Saginaw Valley College.

Miller-Simpson Vows Said at Zion Lutheran Church

A reception at Tawas Township Hall followed the exchange of vows Saturday, August 23, at Zion Lutheran Church when Shirley Ann Simpson became the bride of Harold Miller. The Rev. Bernhard Kube officiated at the 10 o'clock service.

The bride wore a traditional wedding gown with lace yoke and sheer sleeves. She carried a bouquet of yellow and white carnations and babies breath

adorned her hair. Janet Metcalf, maid of honor, wore a white gown with blue floral print. Allen Miller, twin brother of the bridegroom, was best man.

Fellow employees at the Dairy Queen hosted a bridal shower for the former Miss Simpson and her husband was honored with a bachelor party by fellow employees at Tawas Tool.

Groff-Mead Wedding Rites Said at Immaculate Heart

Mr. and Mrs. William J. Groff will reside at 105 Third Avenue, Tawas City, following a one week wedding trip around Michigan.

The couple exchanged vows Saturday, August 23, at Immaculate Heart of Mary Church, before the Rev. Fr. Lawrence Boks. Sally Buza played organ accompaniment as she and her brother, Thomas Smolinski, sang duets.

A reception for 250 guests followed at the parish hall.

Mrs. Groff is the former Mary Jane Mead, daughter of Mr. and Mrs. Vincent E. Lovell Sr. of Anson, Maine, and her husband is the son of Mr. and Mrs. William L. Groff of Tawas City.

Given in marriage by her fa-

ther, the bride chose white crepe with blouson top featuring lace at neckline and wrists. Complementing the gown was a full train. Babies breath adorned her hair and she carried white roses with bluettes and babies breath.

Wearing blue crepe gowns with short jackets were Charlotte Long and Cindy Groff, the bride's attendants. Assisting the bridegroom were Michael Mason and Eric Groff. Dennis Look was usher.

The bride's mother was attired in aqua and Mrs. Groff chose royal blue. White flowers enhanced their attire.

Guests greeted the couple from Anson and Skowhegan, Maine; Crystal Falls; Oscoda, and Detroit.

Hale UM Church Scene of Allen - Wallace Marriage

Arrangements of gladioli formed the floral background in First United Methodist Church, Hale, Saturday, August 23, for the marriage of Dianne M. Wallace and Terry L. Allen.

The Rev. Ronald McIntyre performed the double ring ceremony and Jane Peters was organist.

The bride is the daughter of Mr. and Mrs. Frederick L. Wallace of Hale. Mr. and Mrs. Wayne C. Allen, also of Hale, are parents of the bridegroom.

Escorted to the altar by her father, the bride wore a chiffon over taffeta gown in an Empire waistline design featuring lace bodice and pleated ruffle skirt. Her bouquet was comprised of pink sweetheart roses, white daisies and miniature white tipped pink carnations.

Donna Wallace, sister of the bride, was maid of honor with Roma Ruckle, Leslie Kreiner and Lori Purkey, bridesmaids. Ivory picture hats complemented pink print voile over ivory taffeta A-line dresses with jackets. They carried bouquets of

daisies and carnations. Flower girl was Kara Shellenbarger, who carried a basket of white and pink daisies.

Serving as best man was Ronald Allen, brother of the bridegroom. Groomsmen were Bryon Bernard, Rick Weaver and Gary Williams. Jeremy Allen, nephew of the bridegroom, was ring bearer and ushers were Tray Pearsall and David Millard.

For her daughter's wedding and reception for 350 guests at Plainfield Township Hall, Mrs. Wallace chose a yellow polyester A-line gown featuring pleated skirt and matching jacket. Mrs. Allen wore dusty rose polyester cape top with pleated skirt. White sweetheart roses and tinted carnations enhanced their attire.

Following a one week trip to the Upper Peninsula, the couple will reside at 6276 Gallion Road, Hale.

The bride was honored at showers given by her attendants.

Susan K. McGee Became Bride of Gregory M. Beck

Susan K. McGee became the bride of Gregory M. Beck Saturday, August 23, at the East Tawas home of her parents, Mr. and Mrs. Robert Kendall. Parents of the bridegroom are Mr. and Mrs. Fred Beck of Harper Woods.

Floral arrangements in pink and white set the scene as the Rev. Kenneth Tousley performed the double ring service. Donald Silvester, vocalist, was accompanied by Mrs. Alden Phelps, organist, for the 2 o'clock rites.

Given in marriage by her father, the bride was attired in a rose qiana gown with embroidered lace and carried a bouquet of white and pink chrysanthemums and roses.

Matron of honor was Diane Romatz of Mt. Clemens with Suzanne K. McGee, daughter of the bride, as bridesmaid. Mrs.

Romatz wore a lavender print gown and Miss McGee was dressed in beige print. They carried long-stemmed roses.

Edward Romatz was best man and Robert Coe of Flushing, groomsmen.

For the garden reception for 75 guests, Mrs. Kendall chose a beige print dress and Mrs. Beck wore a beige pant suit. Orchid corsages adorned their attire.

Upon their return from a week-long trip to Puerto Rico, the newlyweds will be living at 38831 East Archer, Mt. Clemens.

The bride, who attended University of Michigan, was honored at a miscellaneous shower at the Mt. Clemens home of Diane Eschenburg, assisted by Lynne Hendricks and Vicki Gilmore. Her husband was guest of honor at a bachelor party at the Romatz residence.

CLUB NEWS & NOTES

Garden Club

Held Picnic

Two guests, Grace Smith and Jane Christie, were present at the annual picnic of East Tawas Garden Club held Monday, August 18, at the cottage of Elizabeth Bennett. Erma Wolfin, president, presided at the business session where a letter of appreciation was read from Harris Barkman for the club's efforts in improving the grounds at the historical museum.

A vote was favorable to expend \$25 to provide advice and aid to Tawas Hospital for requested help for improving its grounds.

Commendations for contributions at the flower show were heard and Mrs. Wolfin acted as auctioneer at the white elephant sale to raise project money.

Written gardening questions are to be presented at the September meeting to be held at the home of Eleanor Cooke. Kenneth Kernstock, agriculture agent, will address the group on soils and fertilizers. Any answers will be provided by Kernstock or at the October meeting.

Heating Fuel Plan Announced by MC

Michigan Consolidated Gas Company announced Monday that the company's voluntary heating fuel plan will be available in all Michigan counties during the 1980-81 heating season.

The plan, developed by the Michigan Department of Social Services (DSS) and Michigan Consolidated Gas Company in 1978, was available only in Kent, Muskegon and Wayne Counties in previous years.

Under the plan, recipients of General Assistance (GA) and Aid to Dependent Children (ADC) may elect to have their heating allotments paid directly to Michigan Consolidated by DSS. The plan also guarantees that gas service will not be

shut off because of nonpayment of bills. In addition, DSS will pay up to \$300 in overdue gas bills for those who qualify for the program.

Residents of Wayne, Muskegon and Kent Counties who are qualified must apply for the program by August 31.

All other persons qualified for the program must apply by September 30. All applications should be made through the appropriate DSS caseworkers.

As reported in an independent study, the plan resulted in a 1.8-million-dollar savings for DSS during the 1978-79 heating season, while significantly reducing the threat of shutoffs to participants.

Home Remedies for Stain Removal

An "at your finger tips" home remedy guide for removing all types of stains from all kinds of washable fabrics is now available from county Michigan State University Cooperative Extension Service offices throughout Michigan.

The new bulletin, appropriately titled "Stain Out," highlights 40 common household stains and stain removal procedures.

"This bulletin was designed to make it easy to use," says Isabel Jones, extension clothing

and textile specialist at Michigan State University, and author of "Stain Out." "No more paging through lengthy and cumbersome bulletins to locate the right procedure for a specific stain. Information in the bulletin is listed on five pages in an easy-to-read chart."

To order "Stain Out," contact the MSU Cooperative Extension Service office in Iosco County, 362-3449. Ask for Extension Bulletin E-1402. Single copies are free to Michigan residents.

Tawas Area School Lists 1980-81 Bus Schedule

The following is the bus schedule for Tawas Area School District, released by David Westcott, director of transportation. All the route times are estimated. It is expected within the first week that parents can anticipate times will be stabilized.

Due to the ever increasing cost of fuel and the anticipated increase of associated materials, kindergarten routes have been established to most effectively utilize the existing transportation needs. With this in mind, all kindergarten children within the city limits of Tawas City and East Tawas will attend school in the afternoon session. All kindergarten children outside the city limits will attend school in the morning session. Afternoon kindergarten pickups will be adjusted within the first week of school. Parents should have their children ready and waiting for the bus between 11:30 a. m. and 12:20 p. m. until exact times are established.

No children with the exception of Headstart and special education who live within one-half mile of any school will be bused.

Pickup points for students who live within one-half mile of Tawas City Elementary and attend East Tawas schools must be at Tawas City school prior to 8:15 a. m.

Pickup points for students who live within one-half mile of East Tawas Elementary and attend Tawas City schools, must be at East Tawas Elementary prior to 8:15 a. m.

All bus routes, city and rural, will consolidate bus stops, approximately every one-half mile.

Students living within one-fourth mile of main roads (rural areas), will be required to walk to the bus stop, as established by the school district.

Students living west of the high school will be required to transfer (in some instances) to other buses for transportation to East Tawas schools.

25 Attended Reunion of Wilber Schools

The annual reunion of schools in Wilber Township was attended by 22 former students and two teachers Saturday, August 23, at the township hall. Two students represented the Green School and 10 each from Stevens School and District No. 1 School, known as Twin Schools. Florence Latter and Amy Buck were the teachers present.

Oldest member at the picnic was Irving Dawes, 84 years, and the youngest was Albert O'Neil.

District No. 1 held the first reunion in 1960 and invited the other two schools to join the annual event in 1969. In 1976, plans were made to place a marker at the site of the first school building, later to be used as the township hall. A stone for that purpose, donated by Irving Dawes and Mr. and Mrs. George Dawes, had originally stood in the yard of the Dawes brothers' parents. Inscription on the stone reads, "Dedicated to the pioneer families who built the first school in Wilber on this site in 1877 and to all students who attended the Wilber schools."

Hale Church Women Held Bazaar

First United Methodist Women, Hale, held their annual bazaar, bake sale and luncheon Friday, August 22, in the fellowship hall where tables were laden with the fruits of labor from the members and congregation.

Individual projects and those of each circle included quilts, stuffed animals, cutting boards and a clock from the wood shop of a man in the congregation.

A new feature this year was the this and that room with used items for sale.

Mrs. Louis Gilles and Mrs. Carl Garrison, co-chairmen, are to receive much credit for their efforts to make the event a success and enriching the treasury by \$3,000.

Tawas Hospital Offers Class

Parenting skills and child development information will be offered in a class in the meeting room at Tawas Hospital. The class will meet on three consecutive Wednesdays, August 27, September 3 and September 10, from 7:00 to 9:00 p. m. There is a fee for each couple. For more information, call Helen Whitehouse, 362-8636.

Hurt Saturday on Motorbike

John H. Doak, 21, Grand Rapids, was injured Saturday and treated at Tawas Hospital after he lost control of his motorbike on Wells Road.

Speedway Hosted Bicycle Racers

A field of some 75 or 80 bicycle racers were on hand to compete for prizes at the Whittemore Speedway during intermission time of regular racing. The crowd enjoyed racing and wheelie contests as the riders performed in the various classes.

James Amy, Whittemore, was first in the Big Wheel contest and Davette Vance, Whittemore, second place, and Richard Montague, Skidway Lake, third place.

In the 20-inch, seven-nine-year-old boys and girls, first place was awarded to Chris Jackson, Whittemore; second place, Jeannette Goodman, Standish, and third place, Michelle Brown, Twining.

Ten to 12-year-old boys and girls race was won by Bryan Steel, Skidway Lake; second place, Roger Berry, Whittemore, and third place, Dave Muckenthaler, Turner.

Placing first in the 13-16-year-old class was Jim Denellis, Oscoda; second place, Gary Simons, Oscoda, and third place, Andy Inkster, Prescott.

All age 10-speed race first place winner was George Conley, Whittemore; second place, Andy Hess, Whittemore, and third place, Carla Hess, Whittemore.

In the wheelie contest, first place went to Berry; second place, Melvin Hottis, Whittemore; third place, Denellis.

Speedway drivers also put on a good performance with winners as follows: Flyers four-car

dash—Rick Spencer, Whittemore, took first in both the dash and first heat with Dan Valent, Whittemore, taking first in the second heat, the Australian pursuit and feature events.

Ron Schroeder of Pontiac took first in the hobby four-car dash, first heat and the Australian pursuit. David Klump, Sterling, took the second heat event and Ed Muckenthaler of Turner took the feature event.

Next week's racing program includes open competition in a demolition derby.

Board Authorizes Another Solid Waste Plan for Iosco

Iosco County Board of Commissioners adopted a resolution Wednesday stating that it would soon file a solid waste management plan with the state as required by a 1978 act of the legislature.

This will be the fourth plan adopted by the county in the past decade; to date, none of the plans have been accepted by the state, which has constantly revised the landfill specifications and requirements during that time.

In its resolution, the commission said that the East Central Planning and Development Region had been appointed as the agency responsible for preparation of the new solid waste management plan. This organization also prepared the last plan submitted by this county two years ago.

Under terms of the agreement, the state is to pay 80 percent of the cost and Iosco County's treasury is to be tapped for the remaining 20 percent.

Much of Wednesday's session was taken up with discussing solid waste management and operation of a landfill.

Earlier in the summer, the commission announced that it intended to discontinue county financial support of the present landfill after expiration of a contract with Multi-County Landfill on July 1, 1981.

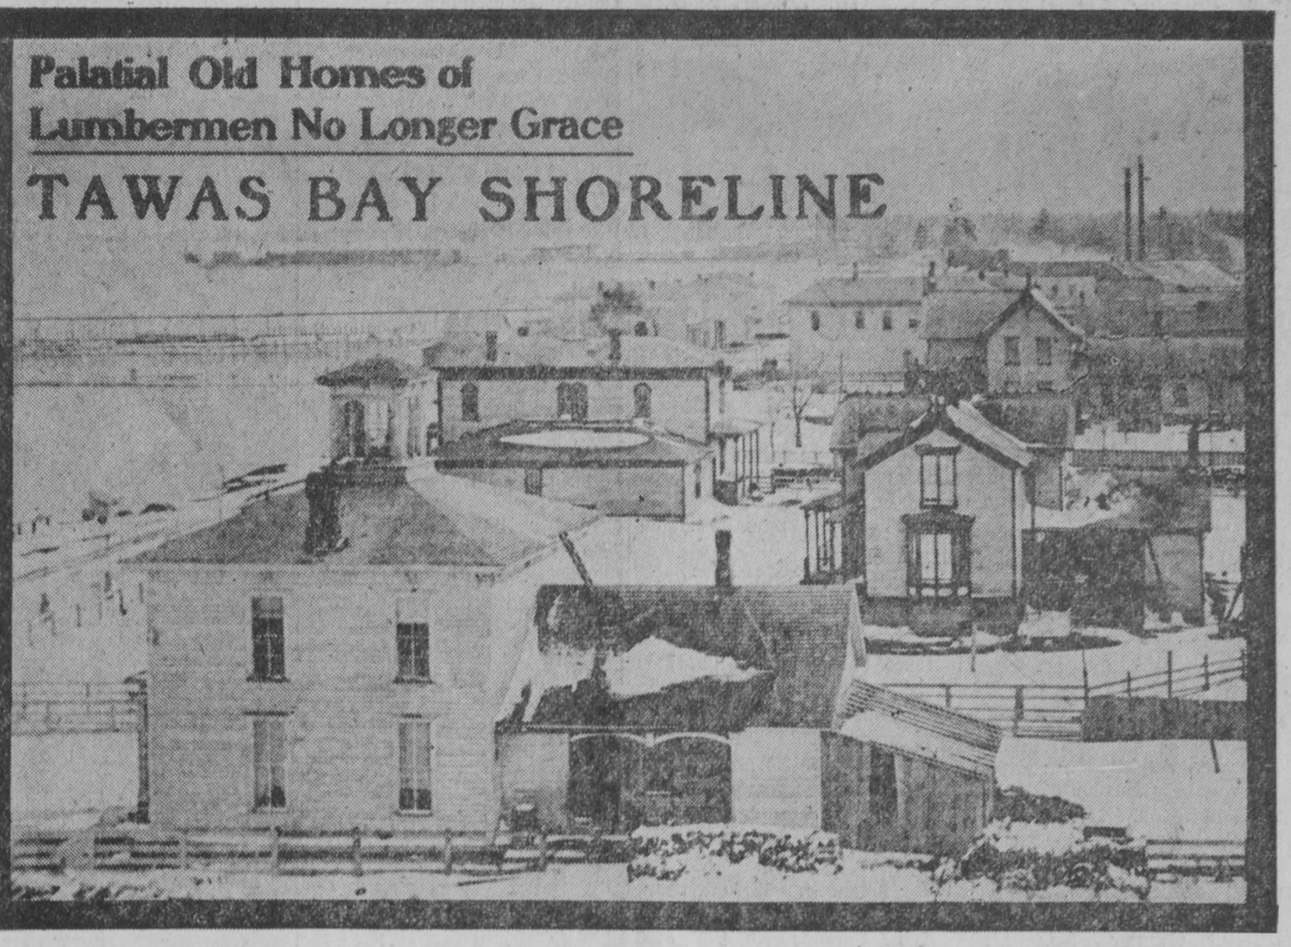

A meeting held later with representatives of local government indicated that the local units desired the county to remain as the coordinating agency for a landfill. Township and city officials volunteered to serve on a committee which would study the entire landfill problem and its financing.

Chairman John Webb indicated that he planned to appoint a committee soon to assist the board of commissioners on this problem.

Members of the commission pointed out in recent meetings that federal revenue sharing funds received by the county would now be needed to fund other state-mandated programs. Webb said that the county had expended approximately \$800,000 from federal revenue sharing funds in recent years to benefit local government. Included have been the landfill, ambulance service, recreational projects and other programs.

Webb reported that he had been contacted by Olen Herriman, supervisor of Grant Township, who said that National Gypsum Company wishes to reroute Sand Creek through its property. Herriman felt that the gypsum quarry would be an excellent location for a county landfill. A letter from Webb concerning the matter has brought no response from the gypsum company.

Com. Carlton Merschel said that the matter of using an abandoned quarry for a landfill should be investigated before any action is taken. He indicated that ground water found in a quarry could pose a serious problem to operation of a landfill.

Palatial Old Homes of Lumbermen No Longer Grace TAWAS BAY SHORELINE
 NOT A DWELLING shown in this 1870-era photo of Tawas City is standing today. The last to fall before the wreckers was the Nisbet residence in the foreground, located three lots southwest of the jail. The two Whittemore houses located on the right disappeared in the 1920s. The Whittemore store in the center was remodeled into a one-story building.

Changing times have seen the removal of many fine old dwellings—mansions in their day—along Tawas City's Lake Street. Among the fine old homes razed in recent years were four owned by the Prescott family, now occupied by a chain grocery store and parking lot.

In its day, the residence of G. A. Prescott at the southwest corner of Lake Street-River Street intersection was called the finest home built along the shore between Bay City and Alpena; on the northeast corner was the summer residence of the Rev. C. H. Prescott, a Baptist preacher - turned - lumber baron, who owned a large sawmill east of the city park, was first president of the railroad and developed sheep and cattle ranching in Western Iosco County.

Two dwellings on the south in the same block bounded by Pine and Wheeler Streets were the residences of Charles H. Prescott, who served as state senator for this district, and George A. Prescott Jr., associated with the family cattle business and a long-time secretary of the Michigan State Fair Board.

Another old dwelling removed in 1979 appeared less like a "mansion" than any old building ever razed along what is now US-23 but in its heyday 100 years ago, the residence of William Nisbet was considered "palatial." The site is now a parking lot.

Located three lots southwest of the Iosco County Jail, the much-remodeled frame house had fallen on hard times late in its life; a concrete patio and "shoe box" structure had been attached to the front in the 1940s, first for use as a coffee shop and later as the secretary of state's office; remaining bric-a-brac ornamental woodwork under the overhanging roof, fashioned by some long-forgotten artisan, was filled with dry rot; paint was peeling from siding and the building was in a general disrepair.

One of the oldest dwellings in town, it had been built in the late 1860s by T. J. Porterfield, an early-day lumberman whose name is memorialized in the plat book with his first and second additions to Tawas City.

The house was purchased in 1876 by Nisbet, one of the pioneer lumbermen of the Lake Huron Shore, who moved his family here that year. Nisbet remodeled the house first in 1876 and again in 1882, with a cupola in the center of its roof and later with Ionic columns supporting a wide veranda overlooking Tawas Bay.

A native of Canada and of Scotch parentage, Nisbet began lumbering when about 20 years of age and the firm of McRoberts and Nisbet commenced lumbering operations on the Rifle and AuGres Rivers in 1866.

In August 1876, the firm of Nisbet, Creen and Company purchased the J. C. Cameron and Company sawmill property, operating it for two seasons before selling out to C. H. Prescott in 1879. Nisbet became a member of the firm of J. C. Adams and Company of East Tawas, which carried on an extensive lumbering operation in the region.

Upon his death, the house passed into the hands of his son, James H. Nisbet, who was born in Beverly, Ontario, Canada, on October 12, 1866, and came to Tawas City when 10 years of age with his parents, a brother and a sister. He was to become a resident of Tawas City and Iosco County almost continuously for 72 years.

Nisbet graduated from high school in Tawas City and attended Alma College, graduating there in 1889. He then returned to enter the lumber business with his father and continued this arrangement until his father's death in 1901.

Nisbet was married to Laura S. Black, who was a teacher in the Tawas City Schools, on July 11, 1894, and their long life together saw them observing their 50th wedding anniversary at their home at Island Lake.

He served as secretary and later president of Tawas City Board of Education, later as a member of the Iosco County Board of Supervisors and several terms as city treasurer.

The family moved to a farm at Maple Ridge, Arenac County, in 1911, where again he was active in community affairs and served on the board of education. He organized and was president of the Rural Chautauqua, which was a unique movement in community education and entertainment.

In 1926, the family moved back to their summer home at Indian Lake and later to a new home on Island Lake, where they lived until they lost it by fire in September 1946. They then lived with their daughter, Mrs. Ray Mead, at Island Lake.

Nisbet was an enthusiastic yachtsman in the Tawas Bay area and, for 62 years, owned and operated his own yachts. Some of his yachts were The Verve, Wanda, Sunshine, Otawa and the Gamble. He was commodore of Tawas Bay Yacht Club, which for years has promoted regattas on Tawas Bay.

An appreciation of the beauty of Tawas Bay was gained by Nisbet during his youth, when he climbed the stairway to the cupola of the family home and spent hours on end watching the bustling lumber port scene which lay then in full view.

Nisbet passed away in July 1948. One of his two sons, Stephen Nisbet of Fremont, retired a number of years ago after a long career in Michigan education, having served as president of the state board of education. He was also president of the Michigan Constitutional Convention of 1961 and was associated with a nationally-known baby food company at Fremont.

More than a little history of the community was erased when the dilapidated old house overlooking the west end of the Tawas City Park was razed. By 1979, however, the old house had seen its day and was a much-remodeled eyesore ready for the wrecking crew.

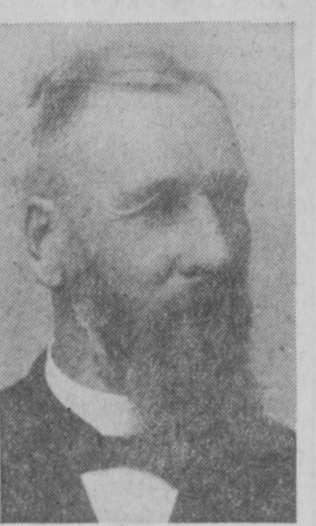

Removal of that old house recalls the pertinent lines of an anonymous writer, who penned "some reminiscences" for The Tawas Herald in 1919. The writer recalled the small white building which once stood along the lake shore southwest of the Mathews Street intersection.

Besides serving as the first office of the old Iosco County Gazette and later The Tawas Herald, "it was the original Whittemore Store, built about 1854, and was nicely finished inside and out and of considerable architectural beauty for such a small building.

"In the upper room was held the first county court and the first meeting of the board of supervisors; it was the office of the county clerk, register of deeds and judge of probate. In this building was held the first preaching service, the first Sunday school and the first day school. The first post office was also in this building.

"Public spirit has never been a prominent characteristic of Tawas City, or this old landmark might have been preserved," wrote the author of the 1919 newspaper column signed by "The Old-timer."

The last dwelling of any architectural note constructed prior to 1900 and still standing along Tawas Bay, the former residence of N. C. Hartingh, adds a touch of beauty to the shore line now rapidly filling in. (See OLD HOMES, page 6.)

The fine residence of G. A. Prescott overlooked Tawas Bay and was one of four homes owned by that family between Wheeler and Pine Streets. All were razed for a chain grocery store and parking lot.

Can a Camel pass through the Eye of a Needle?

THE CAMEL IS A COIN

THE NEEDLE IS A PIECE OF PAPER WITH A HOLE IN IT SMALLER THAN THE COIN

TO make the coin go through the hole in the paper without enlarging the hole looks like a task that would puzzle anybody. To accomplish it is very easy. Simply bend the edges of the paper upward, all the edges at the same time as you see Billy Boy doing in the picture. The coin will drop through the hole.

A big attraction at the pancake breakfast-bake sale Sunday, August 17, sponsored by Iosco County Unit, American Cancer Society, was the American Cancer Society mouse, which represents the mice used in cancer research. ACS mouse appears at fairs, parades and special school events to present educational programs on smoking. It is pointed out that the cost for each mouse used in the research program is 51 cents.

The event marks the last big effort of the society to raise funds before the end of the fiscal year, August 31.

Crusade envelopes are to be returned by the August 31 date. Anyone desiring to make a donation to the society may mail it to Box 503, East Tawas.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

(Published by Order of the Michigan Public Service Commission)

NOTICE OF PROCEEDINGS TO CONSIDER INFORMATION TO CONSUMERS AND ADVERTISING STANDARDS FOR NATURAL GAS SERVICE SET FORTH IN TITLE III OF THE PUBLIC UTILITY REGULATORY POLICIES ACT

On October 14, 1978, Congress enacted the Public Utility Regulatory Policies Act (PURPA), Title III of which, among other things, sets forth various standards for utilities including the Information to Consumers Standard and Advertising Standard.

In response to PURPA, the Michigan Public Service Commission (Commission) issued an order on May 2, 1980 in Case No. U-6490 which order, among other things, initiates proceedings to consider the Information to Consumer Standard and Advertising Standard, and to make a determination whether or not to adopt these standards.

Concerning the Information to Consumers Standard, though established in PURPA for electric utilities, the Commission has decided to consider the standard with regard to gas utilities as well. Section 113 of PURPA provides that each utility shall transmit to each of its consumers information regarding rate schedules not later than sixty days after the commencement of service or thirty days after application for a rate change.

This standard also provides that each utility shall, on request of a consumer, provide such customer with a statement of energy consumption, unless not reasonably ascertainable.

Finally, as part of its consideration of the Information to Consumer Standard, the Commission has directed all PURPA-covered utilities to address the following issues:

1. Describe all categories of information currently provided to ratepayers relating to the customer information standard, the level of use, and associated costs.
2. How ratepayers currently identify the proper procedure to calculate or verify individual bills. How are customers currently provided assistance in understanding the procedure and in calculating bills?
3. What changes, if any, in the current utility practices are necessary to achieve compliance with the requirements of this PURPA standard?
4. Identify any benefits ratepayers would receive from the adoption of this PURPA standard.
5. Describe types of information and delivery mechanisms which would be more useful or cost effective in meeting the information needs of utility customers.

As to the Advertising Standard, Section 303 of PURPA provides that no gas utility may recover from any person other than a shareholder any direct or indirect expenditure for promotional or political advertising as defined in Section 304(b) of PURPA.

Section 304(b) states:

"(1) For purposes of this section and section 303—

"(A) The term 'advertising' means the commercial use, by a gas utility, of any media, including newspaper, printed matter, radio, and television, in order to transmit a message to a substantial number of members of the public or to such utility's gas consumers.

"(B) The term 'political advertising' means any advertising for the purpose of influencing public opinion with respect to legislative, administrative, or electoral matters, or with respect to any controversial issue of public importance.

"(C) The term 'promotional advertising' means any advertising for the purpose of encouraging any person to select or use the service or additional service of a gas utility or the selection or installation of any appliance or equipment designed to use such utility's service."

"(2) For purpose of this subsection and section 303, the terms 'political advertising' and 'promotional advertising' do not include—

"(A) advertising which informs natural gas consumers how they can conserve natural gas energy or can reduce peak demand for natural gas energy.

"(B) advertising required by law or regulation, including advertising required under part 1 of title II of the National Energy Conservation Policy Act.

"(C) advertising regarding service interruptions, safety measures, or emergency conditions.

"(D) advertising concerning employment opportunities with such utility.

"(E) advertising which promotes the use of energy efficient appliances, equipment or service, or

"(F) any explanation or justification of existing or proposed rate schedules, or notifications of hearings thereon."

For its consideration of the Advertising Standard, the Commission has directed all PURPA-covered gas utilities to respond to the following:

1. Are the current practices of this Commission in compliance with the PURPA standard on advertising or its objectives?
2. Should the filing requirements related to allowable advertising expenses in Case No. U-5653 be extended to all jurisdictional gas utilities. If not, should they be extended to all PURPA-covered utilities? Would extension of the filing requirements on advertising place this Commission in compliance with the PURPA standard or its objectives?
3. What criteria and procedures should the Commission adopt to determine if individual advertising expenses qualify as allowable expenses under the four categories outlined in Case No. U-5653 or any others that the Commission might adopt as a result of this proceeding?
4. In order to help the Commission formulate its determination on the preceding questions, the Commission requests the following information:
 - a. Define and present specific examples of the types of advertising which should be allowed under each of the four categories outlined in Case No. U-5653.
 - b. Define and present specific examples of the types of advertising which are appropriate to exclude from allowable

expenses under the objectives of Case No. U-5653, and the PURPA standard.

c. Each participating utility should file its total advertising expenses booked during the last 12-month period available.

d. Each participating utility should file its total advertising expenses allowed in the last rate case proceeding for which the Commission has issued an order.

5. Do any other categories of advertising exist other than the four listed in Case No. U-5653 and those of the PURPA standard which would properly qualify as allowable expenses under the objectives of PURPA? If so, demonstrate what benefits ratepayers receive and how.

6. Are any related activities currently expended to ratepayers primarily for promotional or political purposes and thus excludable from allowable expenses to be charged to ratepayers under the objectives of the PURPA standard? If so, demonstrate why this is the case.

By its Order of August 11, 1980 (as amended August 12, 1980) the Commission has directed that proceedings be instituted to consider the appropriateness of the adoption of the PURPA Information to Consumers and Advertising Standards set forth above, and that notice thereof be given by each PURPA-covered utility.

Therefore, NOTICE IS HEREBY GIVEN that:

A) Gas utilities with sales (for purposes other than resales) of 10 BCF in 1978 subject to the jurisdiction of this Commission shall file, on or before September 19, 1980, the information and data indicated above with regard to the Information to Consumers Standard and the Advertising Standard as prepared testimony covering comments and/or Company position on the issues identified. Interested parties shall file their submittals at the same time.

B) Public hearings to receive comments and relevant data from interested members of the general public will be held as follows:

Lansing—September 8, 1980 at 1:30 p.m. and 7:30 p.m. in the office of the Commission, Mercantile Building, 6545 Mercantile Way.

Detroit—September 9, 1980 at 1:30 p.m. and 7:30 p.m. in the Auditorium, City-County Building, 2 Woodward Avenue.

C) A public hearing with regard to the Information to Consumers Standard and Advertising Standard to receive evidence and schedule cross-examination of testimony from responding utilities, parties authorized to intervene under Rule 11 of the Commission's Rules of Practice and Procedure, and the Commission Staff will be held in the Commission's offices, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan commencing at 9:30 a.m. on September 29, 1980, which hearing will be in the nature of a prehearing conference to explore and, if possible, agree upon matters which will expedite the proceeding including, but not limited to the following:

1. Determining the parties to the proceeding,

the nature of their appearances and the positions they are taking in the proceeding, as well as the facts they intend to controvert or give evidence of, all in accordance with the provisions of Rule 11 of the Rules of Practice and Procedure Before the Commission.

2. Simplifying and defining the issues in this proceeding.

3. Obtaining admissions as to, and stipulations of, facts not remaining in dispute, the authenticity of documents, and matters of public record.

4. Determining the number and identity of witnesses.

5. Specifying the schedule for the exchange of proposed exhibits and written testimony, and the reduction of oral testimony to written form.

6. Establishing procedures for the hearing.

7. Specifying a further schedule of dates of hearings.

8. Consider any other matters which may aid in the orderly conduct of the hearing and disposition of the proceeding.

D) These proceedings will be limited solely to the issues raised regarding the above mentioned Information to Consumers Standard and Advertising Standard. The Commission hereby gives notice that the record in these proceedings may result in administrative rulemaking, amended utility regulations and alternative rate structures where appropriate to attain equitable solutions to the problems identified herein. Only questions relating to the appropriateness of the adoption of the aforementioned Information to Consumers and Advertising Standards shall be considered as relevant for purposes of this investigation. Proposals structured so as to conform with revenue requirements for any utility shall be considered in the individual rate cases filed in the future.

The Commission is currently interested in eliciting from participating parties, data and proposals relating to the most effective means of establishing equitable policies in these matters. The specific questions raised are for the purpose of receiving evidence relative to achieving the stated objective based upon as full and complete a record as possible.

E) A copy of the Commission Order of May 2, 1980, the Notice of Hearing dated August 11, 1980, and the Amended Notice of Hearing dated August 12, 1980 instituting this proceeding is available for inspection at each business office of Michigan Consolidated Gas Company throughout its service area.

PUBLIC NOTICE

Resolution to Abandon a Road

On a motion duly made by Commissioner Aulerich, supported by Commissioner White, and unanimously carried, it was moved to adopt the following resolution:

WHEREAS, in accordance with the provisions of Section 18, Chapter IV, Act 283 of the Public Acts of 1909, as amended, seven or more freeholders have petitioned this Board to absolutely abandon and discontinue that area of Pack Avenue located in Plat of "Oscoda Beach," Isosco County, Michigan; Said plat recorded in the Office of Register of Deeds, Isosco County Building, Tawas City, Michigan in Liber 1 of plats, page 28.

Described as that part of Pack Avenue lying between the South boundary of said plat of Oscoda Beach and the South line of AuSable Street a distance of 120.00 feet and that part of Pack Avenue lying between the South line of Oscoda Street and the North line of AuSable Street, a distance of 200 feet.

WHEREAS, the Board examined the area and noted that the road served no useful purpose, was not suitable for public access and that abandonment was in the best interest of the public;

NOW THEREFORE BE IT RESOLVED, that the above mentioned section of said road be and is hereby absolutely abandoned and discontinued,

EXCEPT, upon the condition that the title to all public utilities and drains and all appurtenances, thereto, now in, over or under the right-of-way is reserved to and shall remain in the respective owners thereof together with the easements and continued rights to occupy said road for public utility or drainage purposes with the present or additional facilities and to operate, maintain, repair, replace or remove the same, to the same manner as if said road had remained a public way.

I hereby certify that the above is a true copy of a part of the minutes of a meeting held on the 18th day of August 1980, by the Board of County Road Commissioners of the County of Isosco, Michigan.

REGULAR MEETING—TAWAS CITY COUNCIL

August 4, 1980
Meeting called to order at 7:30 PM at City Hall by Mayor pro tem Lansky.
Present: Martin, Pawloski, Upson, Hayes, Keiser, Lansky, Absent: Westcott. Others: Manager Thomas, Supt. Look.
Minutes of July 21 meeting unanimously approved by roll call vote.

Randy DeWyse appeared to question the special connection charge for sewer service to Lots 9 and 10, Elms Gardens. Manager explained how he estimated a fair charge based on recent sewer construction costs. Consensus of Council was to follow previous City policy and charge for connection based on what a special assessment charge would be if this were included in a special assessment district. Motion by Keiser seconded by Pawloski that the charge be set at \$3000 for connection of Lots 9 and 10, Elms Gardens, to the public sewer in accord with previous City policy, provided the connection is made during this construction season, otherwise to be adjusted with construction costs; roll call vote; unanimous yes.

Councilmen's Items:
1. One-way sign has been removed from Court Street due to confusion created by changing that one short section.

2. Edmands Engineering is awaiting results of soil borings before preparing road specifications for Industrial Park.

3. Mrs. Upson brought to Council a complaint regarding parking of privately-owned heavy equipment on City streets. Manager responded that there is no ordinance against it, but that Council could enact an ordinance if desired. Council suggested that the complainant present a petition or attend Council with a number of offended neighbors in order to substantiate the severity of the complaint.

Manager described DNR requirement that City be prepared to guarantee balance of cost of Rivermouth project if other funding cannot be obtained to match LAWCON funds, if approved. Resolution offered by Keiser, supported by Martin, that while the City Council will attempt to obtain additional funding assistance through the Upper Great Lakes Regional Commission, if said attempt is unsuccessful the City Council is hereby committed to obtain up to 50% (\$127,000) of project cost through the sale of general obligation bonds, current revenues, or a combination of both sources, and that the City Council does hereby confirm and attest to the DNR that it has the legal ability and more than sufficient bonding capacity and debt reserve under the City Charter and State statutes for bonding purposes; roll call

vote: unanimous yes. (Full text, p. 84, Supp. Bk.)
Resolution offered by Pawloski supported by Hayes that the City Manager be and is hereby authorized to submit a revised pre-application to the Department of Natural Resources for Land and Water Conservation Funds to assist in the first stage of reclamation, stabilization and development of the Tawas Rivermouth property with a revised estimated cost of \$254,000; roll call vote: unanimous yes.

Manager's Report and Recommendation regarding two methods of providing for improvement of commercial areas discussed. The Commercial Improvement Committee has gone on record as attempting to help the concentrated area of greatest need by establishing a Commercial Redevelopment District, which provides incentive for business to expand, improve, and renew by granting tax exemptions for up to 12 years. In accord with that recommendation, motion by Keiser, seconded by Pawloski, that Manager proceed to notify owners and prepare for establishment of a Commercial Redevelopment District to include all commercially-zoned property bounded by Wheeler Street, Tawas Bay, Mathews Street, and the D & M Railway right of way; that a resolution be prepared, qualifying this district under Section 5 (1) (a) of Act 255, PA 1978; and that a Public Hearing be set for September 8, 1980, 7:30; roll call vote: unanimous yes.

Motion by Hayes seconded by Martin that September 1 meeting (Labor Day) be rescheduled to September 8; carried.
Further discussing ways the City can assist commercial improvement by private enterprise, resolution offered by Hayes, supported by Keiser: **RESOLVED**, that the City Council does hereby declare its intent to create and provide for the operation of a Downtown Development Authority pursuant to Act 197, PA 1975, and **FURTHER RESOLVED** that the City Manager shall cause an ordinance to be prepared which establishes said authority and provides for downtown district boundaries which shall include all B-1 and B-2 zone land in Tawas City lying southeast of the D & M Railway, excepting from said boundaries all lots containing single-family residences occupied by the owners who do not conduct a business on said lot or immediately adjoining lots; and **FURTHER RESOLVED** that a public hearing shall be held at 7:30 PM September 15, 1980 at the City Hall to receive public comment on the adoption of the proposed ordinance; roll call vote: unanimous yes.

Proposed ordinance No. 203, establishing an O-S District in the Zoning Ordinance and rezon-

ing certain parcels, was introduced. Motion by Martin seconded by Upson that ordinance be accepted for introduction, but that the ordinance as finally adopted shall include a paragraph 12 in Section 650, as shown in proposed ordinance, and that final passage shall define district boundaries of rezoned parcel to include only Lots 63 through 72 of North Park Acres; roll call vote: unanimous yes.

Ordinance No. 202, Amending Ordinance No. 186, having been introduced at July 21 meeting, adopted in accord with City Charter, on motion by Hayes, seconded by Pawloski, to be effective August 14; roll call vote: unanimous yes.

Manager reported:
1. Delivery of DNR tanker to Fire Department; motion by Hayes seconded by Pawloski that Mayor and Clerk be authorized to execute the required agreement with DNR; roll call vote: unanimous yes. The only cost to City will be the annual insurance premium.

2. DNR is pressing for alternative methods of sludge disposal to be developed. City hopes updated samples to be tested will show improvement.

3. Hamady Brothers has requested transfer of SDM license from Kroger Co.

4. Meeting with County Commissioners re. landfill operation August 7.

5. Weed ordinance is enforced on basis of complaint received from residents within 200 feet. Meeting recessed to meet in closed session under provisions of Section 8 (d) of Open Meetings Act, called by roll call vote: unanimous yes.

Upon reassembly at 10:20, meeting was adjourned.

SPECIAL MEETING—TAWAS CITY COUNCIL

August 11, 1980
Meeting called to order at 5:00 PM at City Hall by Mayor pro tem Lansky.

Present: Hayes, Lansky, Upson, Keiser, Martin, Pawloski. Absent: Westcott. Others: Manager Thomas.

Meeting called by City Manager in accord with Section 4.4 of City Charter, and public notice was given in accord with Section 5 of Open Meetings Act. Resolution offered by Hayes, supported by Martin, detailing proposed bridge construction and cost estimates, determining to borrow \$65,000 and issue 1980 Michigan Transportation Fund Bonds in denomination of \$5,000 therefor (form of bond and coupon specified), and authorizing City Clerk to make application for permission from Municipal Finance Commission, with approval of notice of sale, and to publish notice of sale, adopted by unanimous yes on roll call vote. (Full text, p. 85, Supp. Bk.)

Resolution adopting form of notice of sale of bonds, offered by Pawloski, supported by Keiser, adopted by unanimous yes on roll call vote. (Page 86, Supp. Bk.)

Council expressed deep concern over falsehoods and rumors being started and spread by Herbert Cholger regarding Council actions legally taken. Motion by Hayes seconded by Keiser, that City Attorney be consulted as to how to stop harassment of Council by ex-mayor Cholger; roll call vote: unanimous yes.

REQUEST FOR PROPOSAL
Region 7B Employment and Training Consortium is accepting proposals for "Special Projects" under the Emergency Jobs Program Extension Act of 1976 under Title VI of CETA.

A "Special Project" shall mean a definable task or group of related tasks which will be completed within a definable time period, not exceeding eighteen (18) months, which has a specified public service objective, and which results in a specific product or accomplishment when completed and which will not otherwise be accomplished with existing funds. Region 7B intends to contract with several qualified agencies throughout the eight counties to operate special projects. Projects previously funded under the Title VI "Special Projects" program for eighteen (18) months are not eligible for extension of second year funding.

Organizations interested in operating a "Special Project" may acquire a Pre-Application Proposal by contacting John Loiacano, Project Administrator at:
Region 7B Employment and Training Consortium
Mid Michigan Community College
1375 South Clare Avenue
Harrison, MI 48625
Telephone: (517) 386-3022
Monday through Friday between the hours of 8:00 a. m. and 4:30 p. m.

An agency may submit as many proposals as it desires. A separate Pre-Application must be submitted for each project. No minimums or maximums as to project size has been established. Projects can begin any time after October 1, 1980, and may not exceed eighteen (18) months. Potential project operators must be able to provide the necessary management information and accounting systems required by the Department of Labor and the Bureau of Employment and Training. This means that they must have the capabilities of operating their projects on a reimbursable basis and must be able to submit programmatic and financial reports as often as monthly.

Pre - Application Proposals will be reviewed by the Region 7B Advisory/Planning Council, with final concurrence from the Region 7B Board of Directors. The Region 7B Consortium will notify each applicant in writing

Designate Centennial Farm

A farm owned by Elwood and Eva Ruckle, 2163 Nile Road, Whittemore, has been designated as a Centennial Farm by the Division of Michigan History.

The farm, located in Burleigh Township, has been in the possession of the family since 1880. It was originally purchased July 9, 1880, by Thomas Ruckle, grandfather of the present owner.

Richard H. Austin, secretary of state, whose department administers the Centennial Farm program, said the program was inaugurated in 1948. Since then, more than 4,000 Michigan farms have been certified as Centennial Farms.

Certificates are provided by the Division of Michigan History. Large metal markers are provided by the Detroit Edison and Consumers Power Companies.

Explains Austin, "A Centennial Farm is one which has been in the continuous possession of the same family for 100 years or more."

For this purpose, the Michigan History Division considers a farm to be either 10 or more acres having estimated farm product sales of more than \$50

yearly, or less than 10 acres having estimated sales of at least \$250 yearly. A centennial farm comprises only the land and not the farm buildings, which may be remodeled or even new.

Applications for Centennial Farm recognition are obtainable from: Centennial Farm Program, Division of Michigan History, Michigan Department of State, Lansing, Michigan 48918.

Houses Being Razed

ONLY THE front portico remained of the G. A. Prescott residence when this picture was snapped in 1973. Other houses razed at the same time were the C. T. Prescott residence, center, and the G. A. Prescott residence, lower picture.—Tawas Herald Photos.

with commercial buildings. It is located at the northeast corner of the North Street intersection with Lake Street.

Although the exterior lines of that old house have been changed considerably since the days when it was the home of Harting, attorney-abstractor, the old house with its brilliant coat of red paint, white supporting columns and attractive grounds provides an interesting interlude to the eye passing along the shore.

The house is owned by Mr. and Mrs. Richard Ziehl, who plan it as their retirement home. As a youngster growing up in Tawas City, he learned to appreciate the beauty of Tawas Bay and his constant work at improving his property demonstrates that fact.

THIS HOUSE survived the wrecker, but is unrecognizable after being remodeled. This was the Peter E. Shien residence overlooking Tawas Bay and located across US-23 from the chamber of commerce office. The picture below shows one of the Whittemore family homes before it was razed for a parking lot west of the jail.

Iosco Board Sticks to Own Problems

"We do not have policy powers affecting the road commission and we have enough of our own problems without getting into the affairs of the road commission's operation."

Speaking was Com. David George, finance chairman, during Wednesday's meeting of the Iosco County Board of Commissioners.

Com. James Stech told commissioners that he was "shocked" to learn that the road commission had purchased a Buick LaSabre to provide transportation for the engineer-manager of the road commission.

"It is almost incomprehensible that the road commission would buy such a large vehicle when there is a 20 percent unemployment rate in this county," complained Stech. He pointed out that the county board of commissioners had forced the sheriff's department to purchase economy cars.

Com. Carlton Merschel said the model purchased by the road commission could not be considered in the luxury class and the road commission could have had an excellent reason for its selection.

A motion by Stech to ask the road commission to appear before the county commission and discuss the automobile purchase died for lack of support.

In another matter, Stech was of the opinion that the sheriff should be invited to appear before the board to answer allegations raised during the recent primary election campaign concerning the driving of patrol cars by deputies.

George felt that the commission should not raise any issues concerning the sheriff's department until current arbitration between the county and deputies is settled. He said he did not want to see the county's case prejudiced as it could cost more tax money. He said the sheriff had refused to sit in on proceedings before the state arbitrator. Briefs are to be filed August 29 in the matter.

A resolution to take Old Orchard Park off the tax roll of Oscoda Township was tabled. The property is owned by Consumers Power Company and leased to the county. It was pointed out by George that removal of the property from the tax roll would be contrary to an opinion of the state attorney general.

Austin Fisher was appointed assistant manager of the county airport. The commission authorized the prosecuting attorney to accept the low bid submitted for furnishing a new typewriter for his office.

The commission authorized the drain commissioner and one member of the county commission to be named to a new board studying water level problems at Tawas Lake. Com. Marian Ulman was appointed to represent the county.

The commission voted to accept a \$400,000 grant from the Department of Housing and Urban Development (HUD) in a Small Cities Block Grant program for this county. The funds would provide low interest financing for residential repairs. A housing commission is to be created to administer the program. All commission members voted to accept the grant with the exception of Ulman, who has stated her opposition a number of times on this matter.

ORDINANCE NO. 203, AMENDING ORDINANCE NO. 162 BY ADDITIONS AND CHANGES AS FOLLOWS: THE CITY OF TAWAS CITY ORDAINS:

ARTICLE VI-A — OS OFFICE-SERVICE DISTRICTS

PREAMBLE:

The OS DISTRICTS are designed to accommodate uses such as offices, banks, and personal services which can serve as transitional areas between residential and commercial districts and to provide a transition between major thoroughfares and residential districts.

SEC. 650. PRINCIPAL USES PERMITTED:

In an Office Service District, no building or land shall be used and no building shall be erected except for one or more of the following specified uses unless otherwise provided in this Ordinance:

- Office buildings for any of the following occupations: executive, administrative, professional, accounting, writing, clerical, stenographic, drafting and sales subject to the limitations contained below in SEC. 652 REQUIRED CONDITIONS.
- Medical office, dental office, including clinics.
- Facilities for human care such as hospitals, sanitariums, rest and convalescent homes.
- Banks, credit unions, savings and loan associations, and similar uses; drive-in facilities as an accessory use only.
- Personal service establishments including barber shops, beauty shops and health salons.
- Off-street parking lots.
- Churches.
- Business schools or private schools operated for profit.
- Private clubs or lodge halls.
- Other uses similar to the above uses.
- Accessory structures and uses customarily incident to the above permitted uses.
- Automobile parking spaces and off-street loading spaces as required in Article XII, "General Provisions."

SEC. 651. PRINCIPAL USES PERMITTED SUBJECT TO SPECIAL CONDITIONS:

Under such conditions as the Planning Commission, after hearing in accordance with Section 1406A, finds the use not to be injurious to the OS District and environs, and not contrary to the spirit and purpose of this Ordinance, the following uses may be permitted:

ARTICLE XI—SCHEDULE OF REGULATIONS

SEC. 11". SCHEDULE LIMITING HEIGHT, BULK, DENSITY AND AREA BY ZONING DISTRICT:

ZONING DISTRICT	Minimum Size Lot Per Dwelling Unit		Maximum Height Of Structures	Minimum Yard Setback (Per Lot In Feet)			Min. Floor Area Cov. (By Per Unit All Buildings)	Max. % Of Lot Area
	Area In Square Feet	Width In Feet		Each	Front	Rear		
OS Office Service	--	--	2	30	20	15	20	--

(k, 1)

(k) No side yards are required along the interior side lot lines of the District, except as otherwise specified in the Building Code, provided that if walls of structures facing such interior side lot lines contain windows, or other openings, side yards of not less than ten (10) feet shall be provided.

On a corner lot which has a common lot line with a residential district, there shall be provided a setback of twenty (20) feet on the side or residential street. Where a lot borders on a residential district or a street, there shall be provided a setback of not less than ten (10) feet on the side bordering the residential district or street.

(l) Off-street parking shall be permitted in a required side yard setback.

THE CITY OF TAWAS CITY FURTHER ORDAINS that district boundaries referred to and described in Section 301 be changed as follows:

That the following described parcel of land be rezoned from RA Residential to O-S Office Service: Lots 63 through 72 of North Park Acres.

ADOPTED IN ACCORD WITH SECTION 4.9 of the City Charter; to be published in the Tawas Herald August 27, 1980; effective date, August 28.

(s) David A. Westcott, Mayor (s) Rachel Sue McCready, Clerk

A copy of said ordinance may be inspected at city hall, 508 West Lake Street, Mondays through Fridays, 9 to 5.
