

AT THE START of the school term, Gene Salamony promised members of Tawas Area High School Marching Band they could "shave off his beard" if the band won first place in state competition. The band direc-

tor paid off the debt—the kids brought back a state first place trophy—and they shaved off the beard, all but Salamony's moustache, Monday morning.—Tawas Herald Photo.

Tawas Area Marching Band Tops in State C-D Schools

Tawas Area Marching Braves Band competed at the Michigan Competing Band Directors Association, State Marching Band Contest, in Durand last Saturday and won Flight III (C and D bands) with a score of 62.05. This win entitles the band to claim the title, Best Class C Marching Band in the state.

The band also took trophies for high marching and maneuvering, best color guard and best music. In the past two contests, the band received seven of the nine possible trophies for Flight III bands.

This score also beat every Class A and B band in Flight II, with the exception of the Flight II winner, Montrose. Scores of the participating bands were: Flight III, Flint Bentley, 43.90; St. Charles, 44.80; Leslie, 45.60; Ithaca, 48.05. Flight II participants were Coldwater, 43.65; Linden, 46.15; Wyoming Park, 54.30; Flint Powers, 57.75; Petoskey, 57.95, and Montrose, 67.60.

City Council Honors Band

In recognition of the first place win in state competition by Tawas Area Marching Band, Tawas City Council adopted a resolution recognizing the outstanding effort "of the young people who have worked so hard for this well-deserved award under the outstanding leadership of Gene Salamony."

The resolution declared the week of October 20 through October 26 as "Tawas Area High School Marching Band Week in Tawas City and that the mayor and council, on behalf of all citizens of the city, do hereby extend heartiest congratulations to all members of the band for a job superbly accomplished."

Moving for adoption of the resolution was a proud father, Coun. Robert Pawloski, whose daughter is field director of the band.

Restudy Parking Lot Light

A further evaluation is to be made by the East Tawas Council on maintenance of an overhead light at a parking lot situated between the state boat ramp and the city-owned parking lot next to Hester's Market.

At its last meeting, the council took the view that it was the responsibility of the state to maintain the light, but discussion Monday night indicated that it may also be a city responsibility.

Coun. Norman Klenow said that both business and private support for maintenance of the light had been heard and the council agreed that further study would be made before final action is taken. In other business, the council gave its approval to a group which proposed selling tickets at \$1 each to pay for the service of a Halloween aftermath cleanup. Kevin Griffin, spokesman, said that proceeds would

City Council Approves Downtown Development Authority

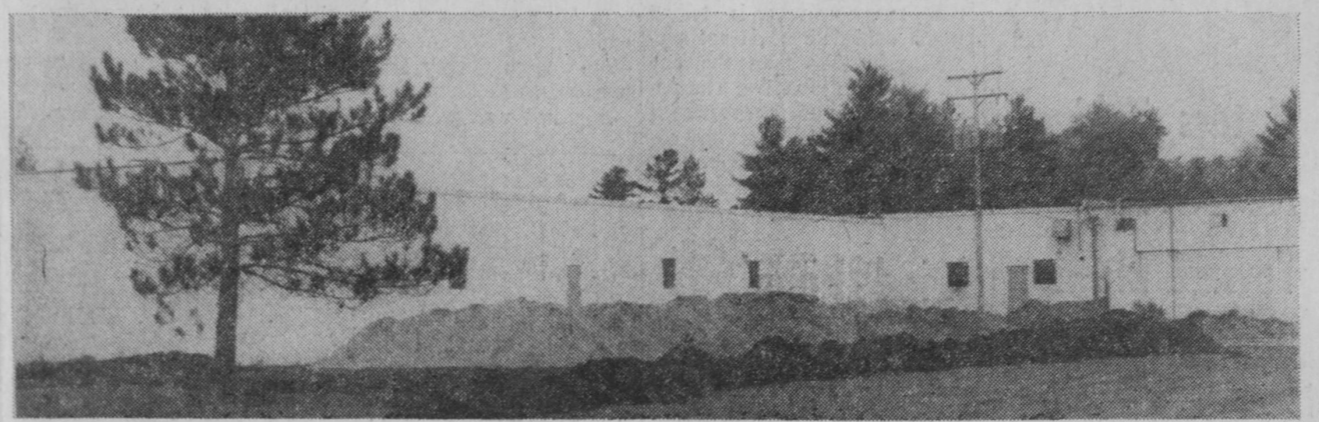

Approval was given Monday night by the Tawas City Council for expansion of a commercial redevelopment district, as well as to establish a downtown development authority, both under terms of state statutes.

No objections were heard to expansion of the redevelopment district, but the council brushed aside objections of petitioners in establishment of the downtown development authority.

Monday night's meeting opened with a public hearing on expansion of the redevelopment district. On September 15, the council established a commercial redevelopment district comprising the US-23 area from Mathews Street to Wheeler Street.

Several property owners asked that the district be expanded to include the entire business district from the west to the east city limits. By so doing, the council made property owners eligible to apply for a 50 percent tax exemption on any new or remodeling of commercial property for a period of 12 years.

Each application would require approval on an individual basis, both by the council and the state, to meet requirements of the act. Through this action, City Mgr. Lowell Thomas pointed out that the council is determining that virtually all property within the district is in a deteriorated economic status and improvements may be eligible for a 50 percent tax break up to a period of 12 years.

Break Ground for Additions Tawas Industries Expands

Work started last week on the construction of two additional buildings to house Tawas Industries, Incorporated, on Cedar Street. When completed, the new complex will contain the entire operation of the automotive filter manufacturing firm.

Elmer Werth, president, said Thursday that a new office building would be constructed at the complex next summer, along with another building. The consolidation of manufacturing operations was prompted last week through the

sale of the industrial firm's block-long building fronting on First Street and extending to Wheeler Street along Court Street in Tawas City to Brugger's Foodland. The industrial building is to be remodeled into a shopping complex housing a grocery store and other stores by the Brugger family.

All of this activity comes at a time when Tawas Industries is to start work on a new production line at its Cedar Street installation for the manufacture of a new type of oil filter, which is to go into production next March.

Arson Warrant Issued in Alleged House Torching

A warrant has been issued charging a Plainfield Township man with arson following a fire Thursday which totally destroyed a house at 5677 North M-65. When Plainfield Township Fire Department responded to a call from a neighbor, flames were shooting out of the windows of a house owned by Jack Henson of Dearborn Heights.

The house was occupied by two brothers, Richard and Leonard Engler. Richard told investigating Iosco County Sheriff's Department officers that he left for about 10 minutes to go to the store and found the structure in flames on his return. Engler told officers that his brother, Leonard, had threatened to burn the house and "move to the city" with his father.

A neighbor told officers that he heard an explosion and saw black smoke coming out of the house just as Leonard ran from the rear to the front of the house. Engler denied this, stating he was walking along M-65 at the time. Another witness said that Leonard Engler was standing in front of the house "laughing while he watched the house burn." The state fire marshal's office was called to aid in the investigation.

Oscoda Area School Closed by Teachers

Children of Oscoda Area School District have an unexpected vacation this week, following a walkout by teachers after a breakdown in negotiations for a new contract. No bargaining sessions were scheduled as of Monday, but the board of education said its negotiators are available, 24 hours a day, for continued talks.

Teachers, represented by Oscoda Education Association, had been working without a contract since the start of the school year. Secretaries, mechanics, nurses and custodial employees continued to work Monday.

The latest offer of 9.5 percent increase in salaries for one year was rejected September 2 by OEA, but teachers, who are demanding a 10 percent increase this term and a 10 percent increase next term, continued to work.

The teachers' union announced the strike on Monday, which interrupted classroom instruction for the district's 3,565 children.

In addition to salary, other contractual differences includes OEA's demand that layoffs be based on seniority, while the board of education seeks to keep teachers with specialized training regardless of seniority; OEA does not want deadlines for filing grievances enforced during summer months, but the board of education wants the 10-day time limit on grievances enforced.

River Mouth Gets OK for LCW Funds, but Hits Snag

The first step of developing the mouth of the Tawas River for recreational purposes—a local dream for more than 40 years—seemed to be reaching the fruition stage during past weeks, but two announcements by state and public authorities in recent days dashed cold water on hopes of the Tawas City Parks and Recreation Board and city council's plans.

The United States Fish and Wildlife Service plans to file an objection to the project based on the impact of filling or "reclaiming" land now under water at the river mouth; Gov. William Milliken announced Monday that, should the Tisch amendment be adopted November 4 by state voters, the state would not have money to match federal Land, Water, Conservation Act Funds.

There is still a ray of hope for the project, however, as Robert Owens of the United States Fish and Wildlife Service, wishes to hold an on-site meeting of representatives from the United States Army Corps of Engineers, the Environmental Protection Agency and the Michigan Department of Natural Resources to review the question.

Adoption of the Tisch amendment to the state constitution, which would drastically slash state funds, is another matter and is to be decided by voters at the general election. The recreational services division of the DNR has approved the city's preapplication for funding assistance on this project and this is usually an indication that the project will be funded. The city had applied for \$127,000 as the first step in a long-range project, but the DNR approved an allocation of \$80,000 to get things started.

City Mgr. Lowell Thomas, who has spearheaded the move-

ment to obtain financial aid for this project, had been extremely satisfied with the offer, particularly so after cutting miles of bureaucratic red tape just to get the preapplication approved. This included a ruling by the army corps of engineers that an environmental impact assessment—a costly and time-consuming delay—was not necessary. "Both agencies obviously felt that the good resulting from a stabilized shoreline and properly engineered river mouth, to minimize sand blockage, far outweigh the minimal impact of filling or reclaiming land now underwater," said Thomas in a letter to Col. Robert V. Vermilia, Detroit District, corps of engineers. "The lake and bay are stocked by the state to enhance recreational fishing; what good are breeding grounds for the

Voters Taking Negative View Toward Election

Do you remember the last presidential campaign, when the two candidates talked about their own accomplishments and aims rather than knock the other fellow? Many voters are being "turned off" in the current campaign by television commercials which continually harp about the other guy.

This is particularly true for President Carter, who "tells it like it is" about Ronald Reagan—some of the commercials are stomach wrenching. After one term in office, perhaps Carter cannot find anything good to say about himself.

Regular readers of Jack Anderson's column appearing in the daily newspapers should be asking many questions. There are damaging questions being raised about the White House's involvement in Billy Carter's dealings with Libya as a middleman, yet the justice department refuses to spend any money on an investigation. The entire situation may blow up into

another Watergate, but do not expect any startling information until after the election. What makes this election different from others is the fact that many a voter is telling which candidate he is not supporting, rather than the one for whom he is voting. The unfortunate aspect is Americans may be apathetic about the entire election, being turned off by the Carter-Reagan choice.

'Pied Piper' Tisch Influences Michigan Voters

According to all pollsters, Robert Tisch, the Shiawassee County drain commissioner, has really turned into a modern-day "Pied Piper." His proposed amendment to the state constitution has something for everyone—slashing taxes left and right—and Michigan residents are believing what he has to say.

Tisch is a demagogue and, if Proposal D is adopted, local communities and schools will be unable to replace revenues lost by cutting local property taxes in half. Adoption of Proposal D may be one way of "getting back" at state government, but it is doubtful if voters would support additional local tax levies to replace funds lost under the Tisch amendment.

No Bidders on TC Bridge Bonds

Because of current economic uncertainties in the state, Tawas City has found no bidders on buying its proposed bond issue to finance the local share of a \$288,000 state program to build two new bridges.

City Mgr. Lowell Thomas said Monday night that no bids had been received Monday, the advertised date of sale, and that it was a "hairly time" for municipal bond issues, because of the uncertainties of future developments if the Tisch amendment to the state constitution is adopted.

Thomas said that sale of \$65,000 worth of local bonds, guaranteed by funds from the Michigan Transportation Fund, would be readvertised. Despite the low interest rate paid on such bonds, Thomas said that purchasers received the advantage of tax free returns on municipal bonds and that the obligation was secure.

In other matters, the council appropriated \$150 for operation of the Iosco County Historical Museum at East Tamas. Approval was given to plans

of Tawas Plating for its proposed pretreatment facility to remove metals from affluent discharged by that plant into the city's sewer system. This project will be an expensive one for Tawas Plating, said Thomas, costing in the neighborhood of \$300,000, and the firm has made application for federal financial assistance to meet a requirement to have pretreatment in operation by 1982.

Thomas said that the new legislation would have an adverse effect on plating industries and was pleased that Tawas Plating was taking this step to insure its continuance here. He said, too, that pretreatment was vital to the city to meet federal mandates in operation of its sewage treatment facility.

The council adopted a recommendation of the parks and recreation board and planning commission that the city not sell a lot at the southwest corner of the Mathews Street bridge to a private property owner for residential purposes. The property was purchased by

the city a number of years ago and the recommendation was that the city should only consider selling the property for commercial development involving a use compatible and beneficial to the river location. Councilmen pointed out, too, that the property had been purchased for public access to the river and has been used extensively by fishermen.

Acting on a request of a citizen at the last meeting, the council voted four to two not to read minutes of previous meetings at each regular session. The opinion was expressed that minutes were posted at the city hall within eight days following each meeting, which gave plenty of time for citizens to check proceedings without spending additional time to read them at each meeting. Minutes are then published after approval. Coun. John (Joe) Martin and Florence Upson felt that minutes should be read.

Authorization was given to the city superintendent to test a tractor-brush hog machine which is being offered for sale at a price of \$4,900 by a private owner. The 1977 equipment originally had a price tag of \$13,000.

A letter from F. I. Eggan, district traffic engineer for the state, stated that a 45-mile per hour speed zone on US-23 was to be extended southwest from Townline Road for another three-tenths of a mile. The council had requested the

state to lower the speed limit from Townline Road east to the Tawas River bridge, but Eggan said that a recent survey indicated that the bulk of the traffic was driving between 40 and 45 MPH except right at Townline Road, where incoming traffic held the speeds up somewhat. He said that a review of accident experience from 1976 through 1978 was also made and the section of the road was found to be very little different from other similar sections of state highways, with vehicle speeds not being a contributing factor to the rate.

DDA Hearing

(Continued from page 1.)

be getting a "free ride" on taxation for development of the Tawas Industries, Incorporated, building into a shopping complex.

Coun. Hugo Keiser commented that a public hearing had been held at the last meeting on the DDA proposal, that some property owners were opposed to it and some were in favor. He believed that district lines should be retained as recommended by the commercial committee and moved for adoption of the ordinance establishing a DDA. The motion was seconded by Coun. Robert Pawloski and passed unanimously by the council.

Both Coun. John (Joe) Martin and Florence Upson expressed the opinion that membership of the authority should include a cross section of all areas of the business district.

A vocal protest to the council's action was made by LeClair, who felt that establishment of a DDA would mean another two mills of property taxes. "Take away my buildings and there would be no town," said LeClair.

Richard Ziehl expressed the opinion that everyone should "get together to build the town," taking advantage of the beautiful setting on Tawas Bay. He felt that LeClair "should do something" by building a library for the community—"you can put your name on it," he stated.

Mayor David Westcott again expressed his confidence in a downtown development authority, stating that from all he had read and heard about DDAs in other cities, establishment of one here would be beneficial to this community.

warning of a reduction in speed approximately one-half mile southwest of Townline Road,

"with resultant lower speeds from the city limit toward Ninth Avenue."

Alley Here Oct. 28

State Rep. Tom Alley will be at Tawas Drop-In Center Tuesday, October 28, to explain the different tax proposals on the November 4 ballot. He will be accompanied by an individual to help answer any questions. The session will begin after the noon meal, at about 12:15.

A Halloween party is slated for Friday, October 31, and

everyone is urged to come in costume. Prizes will be awarded for the scariest, funniest and most original costumes.

Arts and crafts classes have started every Wednesday afternoon at 12:30. Bonnie Reynolds will instruct the group on making items to be included in the bazaar scheduled for Saturday, November 15, at the center. More ladies are encouraged to join in the enjoyable pastime.

Quota Club Sets Fashion Show

Quota Club of Iosco County will stage its annual fashion show Monday, October 27, at the Holland House. Proceeds from the event are used for the

hearing clinic at Tawas Hospital. Seven stores from the Tawas and Oscoda will present current fashions.

Richard Cass of South Carolina, clinician, presented a class on pointers on developing finger technique. Monday evening, he performed a concert to the enjoyment of the teachers attending.

State student day winners were presented in the elementary division, junior high division and senior high division. Concerto contest winners were also presented.

Heads Council of Catholic Women

Regina Frank was reinstated as president of St. Joseph's Council of Catholic Women at the Thursday, October 16, session. Joan VanSummeren was named vice president; Mabel Smith, secretary, and Mildred Flynn, treasurer.

New members welcomed to the group were Colleen Frank, Gina Durant and Alta Seacord. Get-well cards were signed for Frances Sheldon, Kate Schmidt and Joyce Lixey.

A contribution of \$2,000 was presented to the Rev. Fr. Francis Murphy toward the building fund.

Nelkie - Colburn Marriage Solemnized at ET Church

The Rev. Fr. Francis Murphy officiated at the Saturday, October 15, double ring ceremony at St. Joseph's Catholic Church, East Tawas, when Annamaria Colburn and Alan Nelkie exchanged wedding vows. Lori Ulman was vocalist for the 1 o'clock service.

Mr. and Mrs. Earl Colburn of East Tawas are parents of the bride and her husband is the son of Mr. and Mrs. Bernard Nelkie, also of East Tawas.

Given in marriage by her parents, the former Miss Colburn chose a gown featuring lace bodice with scoop neckline and hoop skirt adorned with silk rose appliques. Her bridal veil was attached to a crystal crown and she carried a bouquet of dusty rose carnations and babies breath.

Cheri Porter was matron of honor with Kim Almy, bridesmaid, and Annette Colburn, sister of the bride, junior brides-

maid. They wore peasant dresses of dusty floral print on beige and carried single roses surrounded by babies breath.

Serving as best man was Mark Birkenbach. Groomsmen were David Yanna and Doyle Nelkie, brother of the bridegroom. Terry Elliott and Guy MacMurray were ushers.

For her daughter's wedding and reception for 250 guests at the parish hall, Mrs. Colburn chose a lime green gown and Mrs. Nelkie was attired in dark peach. Flowers tinted to match adorned their gowns. Guests attended from Garden City, Lapeer and Waterford.

The bride, an employee of the United States Forestry Service, was honored at a shower hosted by Lynn Westcott, Karen Nelkie, Gayle Stawke and Mrs. Porter. The couple will reside at 109 Wadsworth, East Tawas.

Lorenz-Sanford Marriage at St. James Catholic Church

St. James Catholic Church, Whittemore, was the scene of the double ring ceremony Saturday, October 18, uniting in marriage the former Collette L. Sanford, daughter of Mr. and Mrs. John Giori, and Duane J. Lorenz, son of Mr. and Mrs. Bernard Lorenz, all of Turner.

The Rev. Fr. James Holtz performed the 3 o'clock ceremony which was followed by a reception for 300-400 guests at Whittemore Chamber of Commerce Building. Mrs. Vincent Pizzimenti, organist, accompanied Kathryn Giori and Mr. and Mrs. Patrick Jordan, vocalists.

Escorted to the altar by her father, the bride was attired in an organza sheer over taffeta gown with imported re-embroidered French Venice lace. Featured were an open scalloped neckline, fitted modified Empire bodice lavishly accented with pearl encrusted lace motifs and bishop sleeves. The skirt was fronted with lace and was also graced with a deep flounce

at the hemline encircling to the attached train. A walking length veil of mist illusion adorned in lace and secured to a Camelot headpiece completed her attire and she carried a bouquet of silk flowers.

Attending the bride were Laurie and Colleen Tressler, Michelle Lorenz, Tara Archambeau and Shannon Gardner. They wore gowns designed in rust floral print on tea rose with rounded neckline, blouson bodices and easy floor length skirts. Their bouquets were comprised of silk flowers.

Serving the bridegroom were Daniel Yates, Terry Lorenz, Steven Lorenz, J. J. Finnerty and Mark Keonski. Michael Hinkley and Gregory Lorenz were ushers.

Mrs. Giori chose a seafam gown and Mrs. Lorenz was attired in mint green. The couple, honored at a shower at Turner Hall by family and friends, resides at 20138 Townline Road, Tawas City.

Reports were given by Joyclyn Provoost and Marion Thompson. Program for the meeting was a travelogue by Mr. and Mrs. Harry Veldhuis, who showed slides of their trip to New Zealand and Australia.

Following the presentation, Ray Kesler, Plainfield Township supervisor, informed the club of the proposals on the November ballot. A question and answer period completed the program.

Members will convene at 1:30 p. m. Wednesday, October 29.

Tawas Bay OES Held Installation

Mildred Bloomer, worthy matron, and Wilbur Roach, worthy patron, presided at the installation of officers of Tawas Bay Chapter No. 71, Order of the Eastern Star, Saturday evening, October 18, and welcomed 110 members and guests. Installed as worthy matron was Donna Lemon; M. Kenneth Lemon, worthy patron; Doris Sprout, associate matron; Milo Nielson, associate patron.

Installing officer was Blythe Parks, past grandmaster of Swartz Creek Chapter No. 430, with Onalee Olson, Abigail Chapter No. 206, installing marshal, and Lucile Martin, Vienna Chapter No. 283, installing chaplain.

The worthy matron introduced her officers and presented each one with a gift. A solo was sung by Dianne Knight. A solo was also sung by Irma Cole to the newly-installed officers and the worthy matron and worthy patron gave acceptance speeches.

Refreshments were served by the Past Matrons Club on tables decorated in pink, white and silver with bells, butterflies and doves.

Luth. Women Set Fall Rally

Fall rally of the Lutheran Women's Missionary League Timberline Zone convened October 14, at Our Savior Lutheran Church, Gladwin. Six teen-aged girls, known as the Double Trio Singers of Valley Lutheran High School, provided entertainment and inspiration to the 84 ladies attending the rally. The morning session was completed with a report on the LWML Michigan District Convention and a business meeting.

After luncheon was served by the Gladwin ladies, the group listened to an interesting talk by Kimiko Astolos of Detroit, originally from Japan.

The spring rally will be held at West Branch.

DAR Had Tour of Base

Mrs. Robert Murphy, national defense chairman of River Aux Sables Chapter, Daughters of the American Revolution, introduced Captain McQueen, chief of public affairs at Wurtsmith Air Force Base, who explained a tour of the base to be taken by members during the October 16 meeting.

Lt. Jessie Havatter addressed the group on faith in the country's defense and women in military today. She gave an insight into equality, women being given nontraditional jobs and being treated fairly in responsibilities.

The group examined a B-52 plane; the last one was built in 1952. Although the company is now out of business, replacement parts are available. They also walked through the KCl36 air refueling machine.

Mrs. Worthy Boyd will present the program at the next meeting to be held at the home of Mrs. Adolph Sietland, Fairview. Her topic will be an arm-chair tour of DAR schools.

TC CLUB HAD TRIO COUNCIL SPEAKER

Eighteen members of Twentieth Century Club were addressed by Gayle Islette of Trio Council on Aging on activities and programs available to senior citizens of the area. The group met Wednesday, October 15, at the home of Mrs. A. C. Rayburn.

Mrs. Louis Emery gave the meditation. During the business session, conducted by Mrs. Donald Lamb, president, plans were discussed for the Christmas party and also for a silver musical tea next summer.

Hostesses were Marion Jennings and Cleopatra Shelp.

Proper nutrition for Latin American children, such as these young Mexicans, is one of UNICEF's major concerns. Funds raised through National UNICEF Day collections and greeting card sales help UNICEF meet the nutritional needs of children in over 100 developing countries, and together help UNICEF work toward its fundamental goal: a future for every child. Tawas Children in UNICEF Drive

Kermit the Frog, Liv Ullmann, Danny Kaye and scores of other celebrities will join with UNICEF this fall in a nation-wide appeal to "Fight World Hunger From Your Doorstep."

On radio and television broadcasts and in a massive mail campaign, the Muppet superstar will be inviting adults and children to join him in supporting local UNICEF fund-raising activities. "Hunger should not be kid stuff," Kermit says, asking his myriad avid fans to give generously to Halloween collections and benefits to provide food, medicine and clean water for millions of children around the world.

Children in Tawas area will be collecting Sunday evening, October 26, starting at 5 o'clock from Tawas United Methodist Church. Canisters specially marked will identify the groups.

A party with refreshments will take place at the church following collection. Mrs. Lowell Thomas is chairman of the event.

IN THE SERVICE—

Returns from Western Pacific

Navy Snn. Robert R. Stephenson, son of Robert W. Stephenson, East Tawas, has returned from a deployment in the Western Pacific and Indian Ocean.

He is a member of the Attack Squadron 165, based at the Whidbey Island Naval Air Station, Oak Harbor, Washington. While deployed, his squadron was embarked aboard the aircraft carrier, USS Constellation.

During the seven-month cruise, the Constellation set a new Pacific Fleet record of 110 continuous days at sea while operating in the Indian Ocean. The embarked air wing flew more than 28,000 sorties and logged more than 10,500 arrested landings.

The ship participated in several naval exercises with units from Great Britain, Singapore, Japan, Australia and New Zealand. Port calls were in Singapore, the Philippines and Panama, South Korea.

The long trip home was made extra special when 350 fathers, sons and friends of the crew embarked in Pearl Harbor, Hawaii, for the final leg of the homebound journey.

A 1976 graduate of Tawas Area High School, Stephenson joined the navy in February 1979.

Basic Trainee at Ft. Knox

Pvt. John W. Elmy Jr., son of Onda L. Elmy of Long Lake, is attending basic training at Ft. Knox, Kentucky.

During the training, students receive instruction in drill and ceremonies, weapons, map reading, military courtesy, military justice, first aid and army history and traditions.

Brown Finishes Navy Training

Robert L. Brown, navy fireman recruit, son of Patricia A. Knotts, Tawas City, has completed his training at the Naval Training Center, Orlando, Florida.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the navy's 85 basic occupational fields.

Brown joined the United States Navy in July 1980.

Low Bidder on Bridges in Tawas City

Great Lakes Contracting Company of Warren was low bidder on construction of two timber bridges in Tawas City. Bids were opened October 15 at Lansing.

The Warren firm was lowest of six bidders with a price of \$277,774 for construction of two-span timber bridges and approaches to carry Whittemore Street over the Tawas River and Sixth Avenue over Dead Creek.

Completion date for the two projects is July of next year.

Shop at the city park. The contract had previously been approved by the council's finance committee.

The contract calls for an annual rental of \$1,000, plus payment of three percent of gross sales to the city during 1981, 3 1/2 percent during 1982 and four percent during 1983. The operator would also provide liability insurance for protection of both parties.

stocked fish, if fishing access is greatly jeopardized at this point?" asked Thomas.

Thomas asked that if the corps would not act on the federal permit without the United States Fish and Wildlife Service's consent, a meeting be held here immediately.

He asked that the meeting be held the week of October 27 in order to meet the December 1

deadline for making the final application for LWC money.

"I cannot emphasize enough our deep concern that the \$80,000 of federal and state grant money might be jeopardized by a delay in processing the corps permit," Thomas stated in his letter to Vermilia.

The above project is actually the second step along the long road toward development of the river mouth. The first step was taken three years ago when the city acquired the property after years of negotiations.

OFFICIAL NOTICE OF SALE

\$65,000
City of Tawas City
County of Iosco, State of Michigan
1980 Michigan Transportation Fund Bonds

SEALED BIDS for the purchase of the above bonds will be received by the undersigned at the City Hall located at 508 Lake Street, Tawas City, Michigan 48763, on Monday, the 3rd day of November, 1980, until 3:00 o'clock p. m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

IN THE ALTERNATIVE sealed bids will also be received on the same date and until the same time by an agent of the undersigned at the offices of the Municipal Advisory Council of Michigan, 2150 First National Building, Detroit, Michigan 48226.

BOND DETAILS: Said bonds will be coupon bonds of the denomination of \$5,000 each, dated October 1, 1980, numbered in direct order of maturity from 1 upwards and will bear interest from their date payable on October 1, 1981, and semiannually thereafter.

Said bonds will mature on the 1st day of October of each year in the amount of \$5,000 from 1981 through 1993, inclusive.

INTEREST RATE AND BIDDING DETAILS: The bonds shall bear interest at a rate or rates not exceeding 10% per annum, to be fixed by the bids therefore, expressed in multiples of 1/8 or 1/20 of 1%, or both. The interest on any one bond shall be at one rate only, all bonds maturing in any one year shall carry the same interest rate and each coupon period shall be represented by one interest coupon. The difference between the highest and lowest interest rate on the bonds shall not exceed 2 percent per annum. No proposal for the purchase of less than all of the bonds or at a price less than 100% of their par value will be considered.

PRIOR REDEMPTION: Bonds maturing in the years 1981 to 1989, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1990 to 1993, inclusive, shall be subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any interest payment date on or after October 1, 1990, at 103% of par if redeemed prior to October 1, 1992, at 102% of par if redeemed on or after October 1, 1992, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the paying agent to redeem said bonds.

PAYING AGENT: Both principal and interest shall be payable at a bank or trust company located in Michigan qualified to act as paying agent under State or United States law, to be designated by the original purchaser of the bonds, who may also designate a co-paying agent, which may be located outside of Michigan, qualified to act as paying agent under the law of the State in which located or of the United States, both of which shall be subject to approval of the undersigned.

PURPOSE AND SECURITY: The bonds are to be issued pursuant to the provisions of Act 175, Public Acts of Michigan, 1952, as amended, for the purpose of defraying part of the cost of constructing street improvements in the City of Tawas City, and are issued in anticipation of Michigan Transportation Fund (the "Fund") payments from the State of Michigan to be received by the City. The bonds, however, are not general obligations of the State of Michigan. The bonds will pledge the limited full faith and credit of the City as additional security for payments of the principal and interest thereon. If the payments from the said Fund are insufficient to pay the principal of and interest on the bonds, then the City is obligated to make such payments as a first budget obligation from its general funds, including any collections of ad valorem taxes, but the ability of the City to levy such taxes is subject to charter, statutory and Constitutional limitations. The rights or remedies of bond holders may be affected by bankruptcy laws or other creditor's rights legislation now existing or hereafter enacted.

GOOD FAITH: A certified or cashier's check in the amount of \$3,250 drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith check and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bid, the total dollar value of all interest on the bonds from December 1, 1980 to their maturity and deducting therefrom any premium.

LEGAL OPINION: Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion, will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Miller, Canfield, Paddock and Stone for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue their unqualified opinion as to the validity of the above bonds, Miller, Canfield, Paddock and Stone has not been requested to examine or review and has not examined or reviewed any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial documents, statements or materials.

DELIVERY OF BONDS: The City will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at Detroit, Michigan, or such other place as may be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Standard Time, on the 45th day following the date of sale, or the first business date thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES containing the bids should be plainly marked "Proposal for Michigan Transportation Fund Bonds."

CHALK UP two points for Tawas Area High School's Diane Nelkie, who led the team in scoring in two games last week with 35 points.—Photo by Bonnie Brown.

Tawas Bravettes Won Pair of Games Last Week

Tawas Bravettes registered a 54-35 win over Saginaw and a 55-42 decision over the Jan Johnson and Diane Nelkie Whittemore-Prescott Cardinals meshed 12 points each to lead

the scoring attack against the Cardinals. Lisa Bielby chipped in 10 points and Colleen Curry had nine.

Shelly Cole had 19 points to pace the Cardinals and was top scorer of the night. Lisa Thompson had 10 points.

This was an aggressive game and three Tawas starters fouled out by the end of the game. Tawas had enough bench strength to play over the foul problems.

Nelkie hit the hoops for 23 points against St. Stephen, while Johnson and Lisa Konenske contributed eight points each to a winning cause.

The junior varsity won both of its games, taking a 67-37 win over Whittemore-Prescott and then turned back Saginaw, 59-22.

Scoring in double figures against the Cardinals were Amy Wood, 18 points; Dawn Allen and Ann Wood, 12 points each; Patty Stephan, 11 points.

Ann Wood was top scorer against Saginaw with 18 points, followed by a 12-point total turned in by Amy Wood and 10 points by Allen.

Braves Defeated Ogemaw Falcons

Tawas Braves rebounded from its loss to Pinconning by defeating the Ogemaw Heights Falcons, 21-13, in Northeastern Michigan Conference action on the losers' home field.

Kelly Moffatt again turned in a great game for the Braves, scoring two touchdowns, intercepting a pass, recovered a fumble and had 14 solo tackles.

The 152-pound junior halfback rushed for 88 yards in nine attempts, caught a 10-yard touchdown pass from Jay Grabow and ran 63 yards for another touchdown.

Grabow kicked three extra points and scored on a quarterback sneak.

Helping the Braves to ring up their second win as against four losses in conference play was Bill Dalbec, linebacker, who had 16 solo tackles.

Other NEM action saw Pinconning winning the championship by defeating Standish-Sterling, 21-14; Whittemore-Prescott lost to Gladwin, 27-8.

The only Cardinal score came shortly before end of the first half when Bill DeBoever went over on a two-yard run, then passed to John Pavlik for the two-point conversion.

The Whittemore-Prescott record now is one win and four losses.

Eagles Had Easy Win Over Eastern

Hale Eagles rolled to their third North Star League win Friday night by shutting out Arenac Eastern, 39-0.

The Eagles rang up 230 yards total offense and Dan Dear scampers for 126 yards in 19 carries, including two touchdowns.

Jeff Dillon put the Eagles on the scoreboard in the first quarter when he intercepted a pass and ran 10 yards to pay dirt. Setting up the play was a quarterback sack by Steve Saylor, who hit the Eastern quarterback in the act of passing.

The next touchdown came on a one yard plunge by Bob Schulte, followed by two third quarter touchdowns by Dear on

runs of two yards and 11 yards. The final two scores came on a six-yard pass from Schulte to Bob Janci and a 28-yard run turned in by Tom Green. Tom Lesneski converted one boot from placement and Tom Sanders passed to Dillon for a two-point conversion.

Besides Dillon's touchdown interception, Kevin Kreiner and Schulte snared passes thrown by Eastern. Matt Husted recovered an Eastern fumble. Saylor and Dear each were in on nine tackles while Dillon and Larry Caverly were credited with eight tackles each.

The Eagles travel to Farwell Friday night for a nonconference game.

FOREIGN EXCHANGE students, Anne Rasmussen (left) and Corrie Tabak (right) relax during a recent powder puff football game at Whittemore-Prescott Area School.

Two Exchange Students at Whittemore-Prescott High

Two foreign exchange students with the Youth For Understanding Program are attending Whittemore-Prescott Area High School this year. Both students graduated in June 1980 from their home schools and are seniors here.

Anne Rasmussen is 17 and from a farming area near Rynkeby, Denmark. She is staying with the Richard Wight family of Whittemore.

Anne has taken six years of English, four years of German and one year of French. Other courses studied while in Denmark were physics, chemistry, mathematics, Danish literature and new history.

While at Whittemore-Prescott, she will study speech, health, art, United States history, government, advanced clothing, German aide and library aide. Active in Future Farmers of America and Future Homemakers of America, she participated in the powder puff football game and plans to become more active as the year progresses.

Her hobbies include sewing, being with her friends and nature.

Many things are different here compared to Denmark, Anne says. All of the ancestors are Danish, there are not so many different cultures and traditions.

In Denmark, the school day starts at different times and ends at different times each day of the week. There is a lot of homework, mainly essays and not so much memorizing. To graduate in Denmark, nine years of school are required.

To get a driver's license in Denmark, one must be 18 years old. It is also very expensive to obtain a license, costing anywhere from \$20 per hour. Doctors and hospitals are paid through taxes.

Miss Rasmussen feels by living with an American family and attending an American high school she will learn a lot about the American society and school system.

Upon returning to Denmark, she plans to attend college, studying in the health service field.

Corrie Tabak is almost 18 and comes from Mydrecht, Netherlands (Holland), about 20 miles from Amsterdam. She is staying with the David Allen family of Whittemore.

Coming from a small all girl school, her courses included English, chemistry, biology, mathematics, history, geography, physics, art and the language and literature of the Netherlands.

Her courses while at Whittemore-Prescott will be speech, United States history, art II, advanced foods, world issues and world issues aide. Next semester, she will take health, government, wars and presidents, and home and family living.

FFA, FHA and playing in the powder puff football game are some of the activities in which she has participated. Corrie has many hobbies, including water sports, ice skating, snow skiing, bike riding, animals, flowers and plants.

She sees many things differ-

ent here compared to the Netherlands: Eating habits are much different, pancakes, donuts, etc., are not eaten for breakfast, but are supper foods. After meals, desert such as fruits and yogurt are eaten, not cakes, cookies or pies.

Corrie's school is much like Anne's, difference is in the days and classes. She might have one class one day and a different class the next, hours also vary from day to day.

To obtain a driver's license in the Netherlands, one also has

to be 18 and it is very expensive, around \$1,000 is average cost.

After graduating from Whittemore-Prescott, Corrie is planning to attend college in the United States to be a veterinarian. If she does not do this, she will attend college in the Netherlands.

The students and faculty of Whittemore-Prescott enjoy having Corrie and Anne in the school system, hoping they enjoy being here and meet the goals of their visits.

Six Hurt in County Auto Crashes

Six persons were injured in traffic accidents last week and treated at Tawas Hospital.

A two-car crash on Long Lake Road west of Hale sent four persons to the hospital. A car driven by Howard A. Piktstein, 24, Ann Arbor, crossed the center line and collided with a car driven by Linda Sue Bennett, 31, Oscoda. Piktstein and a passenger, James Yanoschik, 24, Ann Arbor, were injured. Debra Follette, 25, Hale, a passenger in the Bennett car, was also injured.

Michael F. Wescoat, 26, Mt. Morris, and Frederick D. Strauer, 17, Tawas City, were injured early Saturday morning when Wescoat's car struck a pile of sand on an abandoned stretch of former Sand Lake Road in Grant Township. The road was closed a number of years ago when a new section of Sand Lake Road was opened. The road is now the property of National Gypsum Company.

Charles T. Rouiller, 21, East Tawas, was injured October 13 when he swerved his car on old US-23 to avoid hitting a deer. The car went out of control and into a ditch.

Eighth Grade Girls Won Three Games

Eighth grade girls basketball teams of Tawas Area School registered three victories last week.

The "A" team defeated Alcona, 27-19, and the "B" team turned aside the same school, 14-13. The "A" team defeated Pinconning, 17-6.

Missy Minard had eight points to lead against Pinconning and turned in the same total against Alcona. Donna Miner had eight points to lead against Alcona's "B" team.

The freshman girl's team lost to the Bay City Handy Wildcats, 35-20. Patty Heath had eight points and Sharon Hughes had six points.

Voters Get Boost from Girl Scouts

Girl Scout Troop No. 750 will provide baby-sitting services for voters in Tawas Township during the election November 4. Under adult supervision, the girls will be at Tawas Township Hall from 3:15 p. m. until the polls close at 8 o'clock.

While serving parents wishing to vote, the girls will also meet requirements toward an active citizen badge.

Tawas Golfers Finished Sixth

Tawas Braves golf team finished sixth in the class C regional golf tournament held recently at Houghton Lake.

Scores posted by Tawas players included Jim Huck, 84; Phil Petrash, 88; Mark Jurczyk, 93; Keith Harris, 98.

Kids' Halloween Parties Set Oct. 31

Halloween parties Friday, October 31, in Tawas area will be sponsored by Tawas Council No. 2709, Knights of Columbus: Tawas Kiwanis Club, and Tawas Lions Club. Refreshments, games and a monster house will be featured at parties at East Tawas and Tawas City Elementary Schools and the K of C Hall, 821 Newman, East Tawas.

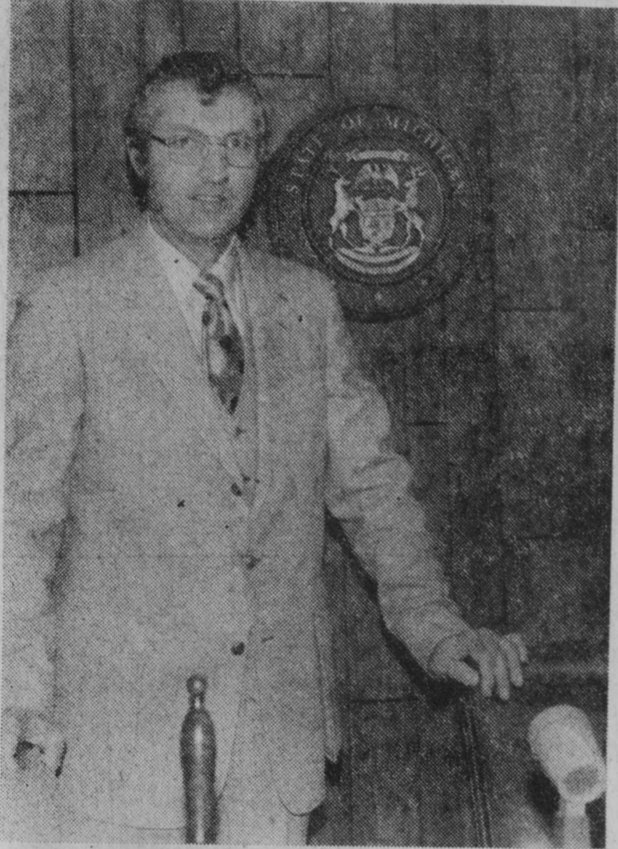

Parents are urged to have their children attend the parties and avoid the dangers involved in being on the street for trick or treats.

Gifts will be given to all children attending.

At Tawas City school, prizes will be offered for best costumes for children from toddler age through sixth grade.

Circuit Judge Ernst—District Judge Hummel

Two Judicial Appointees Announced by Gov. Milliken

Two judicial appointments affecting Iosco County were announced last week by Gov. William G. Milliken.

The governor appointed 81st Dist. Judge J. Richard Ernst of East Tawas to fill the 23rd Judicial Circuit vacancy and appointed Atty. Robert Hummel of Oscoda as the new 81st District judge.

The appointments were the result of the recent retirement of Circuit Judge Allan C. Miller, who had served the 23rd Judicial Circuit for 20 years.

Judge Ernst's appointment was effective Monday and Hummel's appointment is to become effective the week of November 16. Judge Ernst will serve for a term expiring January 1, 1983. Attorney Hummel will have to run for the two years remaining of Ernst's term in the general election of 1982.

Both men, who were notified of their appointments by telephone Wednesday morning, said they had been extremely honored by the governor's action.

Judge Ernst will serve the Counties of Iosco, Alcona and Oscoda, while the new district court judge serves Iosco and Arenac Counties.

Judge Ernst, 44, was elected to the 81st District bench in November 1964, following establishment of that court by state law under terms of the 1961 state constitution.

A native of Detroit, he opened his private law practice here in November 1964 and served from January 1965 to December 1968 as Iosco County prosecuting attorney. He was elected to a four-year term of district judge beginning January 1, 1969, and was re-elected to six-year terms in 1972 and 1978.

A 1954 graduate of Mt. Clem-

ens High School, he attended Yale University from 1954 to 1956, served with the United States Army in Japan from 1956 through 1958, returned to Yale University and received his bachelor degree in 1960. He then attended the University of Michigan Law School and received his law degree in 1963.

He joined the law firm of Bodman, Longley, Bogie, Armstrong and Dahling at Detroit in June 1963 and then moved to East Tawas. His mother, Louise E. (Burgeson) Ernst, is a former resident of Baldwin Township.

He and his wife, Janet, are the parents of three children, Matthew, Julie and Andrew.

Appointee Hummel, 49, established his private law practice at Oscoda in April 1973. Born at Detroit, he received his bachelor degree from the University of Detroit and received his law

degree from the University of Detroit Law School in 1960.

He was a member of the law firm of Plunkett, Cooney, Rutty and Peacock from 1961 until 1973. He and his wife, Mary Lou, are parents of an 11-year-old daughter, Brenda.

"It is going to be a new experience for me," said Hummel. "Public service is an important element in an attorney's career and I am looking forward to this new position with great anticipation."

He will spend the next month closing his private law practice at Oscoda before assuming his new duties.

Judge Ernst had been assigned to circuit court duties following Judge Miller's resignation and presided over the court here last Thursday and Friday, in addition to his regular district court responsibilities.

THE SAND LAKE HOTEL, constructed in 1925 by Mr. and Mrs. Arthur Cowan, proved to be a hit with vacationers in Iosco County's inland lakes area. The hotel was in business until 1933, when it was destroyed by fire.

Iosco County's numerous inland lakes have been popular summer vacation sites throughout regional history, but coming of the automobile and improved roads in the early 1900s saw development of an entirely new business—plating of subdivisions and sale of lake front property by real estate agents.

Early day lumbermen took note of the potential beauties of those inland lakes, but they were mainly interested in the connecting waterways provided by lakes and streams as a mode of transporting white pine logs to mill towns.

After harvesting the pine, much of the cutover land unsuitable for farming was allowed to revert back to state ownership to avoid payment of property taxes. Some of the lumbermen, however, retained property surrounding the inland lakes and constructed crude "shacks" for their personal use for hunting or fishing excursions, or sold large blocks of property to local businessmen.

One example of the earliest use of lakefront property for summer vacations would be at Loon Lake northwest of Hale, where L. B. Smith, who lumbered that area in the 1880s, retained some property on the east end for his personal use. Smith and his family resided in Tawas City and utilized his former lumbering headquarters—a two-story house built on a bluff overlooking the lake—for a family vacationing site. The property now comprises a YMCA camp.

Other local businessmen established cottages on Sand Lake, Island Lake and Indian Lake, to name three bodies of water which became popular prior to 1900, but such use was limited mainly to local residents due to the difficulty of inland travel by horse and wagon over the sand trails.

Henry Ford's Model "T" automobile quickly changed the picture in the early 1900s as this new mode of transportation—readily available to the average wage earner—provided the means whereby city dwellers of the Saginaw Valley could spend a week-end vacation at some secluded inland lake.

Excursions to Iosco County were still bone-rattling rides due to unimproved roads, but a steady stream of motorists

AMONG the pioneer developers of Iosco County's inland lake resort properties were Mr. and Mrs. Arthur Cowan, who came here from Sanilac County in 1919. The Cowans had visited the area some years earlier and realized the potential of a blossoming business in developing resort property. The picture was snapped on their 50th wedding anniversary.—Tawas Herald Photo.

made the trip each year on roads consisting of two sand ruts which meandered around old stumps and headed in the general direction of the inland lake country.

One of the pioneer developers in Iosco County resort property was Arthur Cowan, who, with his wife, Pearl, of Sanilac County, made a vacation trip in the early 1900s to Tawas, Tawas Lake and Cedar Lake near Oscoda.

"Natives of Sanilac County were beginning to take advantage of Lake Huron frontage, though good highways were unknown, and after making our first trip to the Tawas area we could visualize the advantages of Iosco County," recalled Cowan in 1953.

"Tawas Bay, the inland lakes and streams, the national forest with its winding sand trails had a most fascinating picture to us and, with forethought and foresight, we believed we could do something about it in some

way," he stated.

In 1919, the Cowans came to East Tawas, buying a home and gathering advantage points—which really were in the future. The Cowans developed Tawas-entha Subdivision as their first venture.

The Cowans then purchased property at Sand Lake, where they plotted and sold lots around the lake.

"Our first lots were sold to pay for the initial land purchase. The selling price of those first lots was \$300 for a front lot with adjoining back lot until 10 lots in this parcel were sold to our home town folks. We walked into town and back, a distance of approximately 25 miles, when roads were impassible," recalled Cowan.

Soon, a few cottages were built, along with a free campground which featured native Indian camp meetings and Indian weddings, along with canoe races manned by the Indians.

In 1925, the Cowans opened their new Sand Lake Hotel which immediately proved to be popular. "Many of the people of the Tawas are attending the dancing parties given at the Cowan hotel at Sand Lake each Tuesday evening," reported The Tawas Herald on June 26, 1925.

"Mr. and Mrs. Cowan have proven popular host and hostess and are providing enjoyable times for their guests. The music for parties is furnished by the Whitney Orchestra of Rose City, one of the best in this section. The musicians composing this orchestra are Mrs. Roy Whitney, piano; Roy Whitney, traps; John Morris, violin; Howard Monahan, cornet; Fred Monahan, banjo."

Interior of the Sand Lake Hotel featured rustic furnishings, with Mrs. W. K. Webster of the Mt. Pleasant Indian School as hostess. The Cowans had a lifelong interest in the welfare and lore of Michigan Indians and the summer camp meetings held annually at Sand Lake soon proved to be an important attraction for tourists, as well as local residents.

"We began to see our dream coming true," recalled Cowan in 1953. "Several tourists and home folks were among our guests and our fish and chicken dinners were becoming popular. Soon, a gravelled road from US-10 (now M-55) was constructed through to Sand Lake, followed by a telephone line from Hale—we were on our way."

Improvements to roads kept pace with advances made in the automobile industry and other developers were soon subdividing and selling lots around other inland lakes of the county.

In 1933, the Cowans remodeled and enlarged their cottage at Sand Lake into a restaurant.

"The new addition will be used for a kitchen and beverage room, the main floor having space for dancing, rustic tables and other features akin to the woodland and similar to those used in the rustic hotel built a few years ago. Lunches, dinners and beverages will be served. The building will be known as the Wigwam Tavern," reported the Herald on November 10, 1933.

JAYNE PETERSON of Oscoda is one of the speakers scheduled during the local observance of National Business Women's Week.

National Business Women's Week

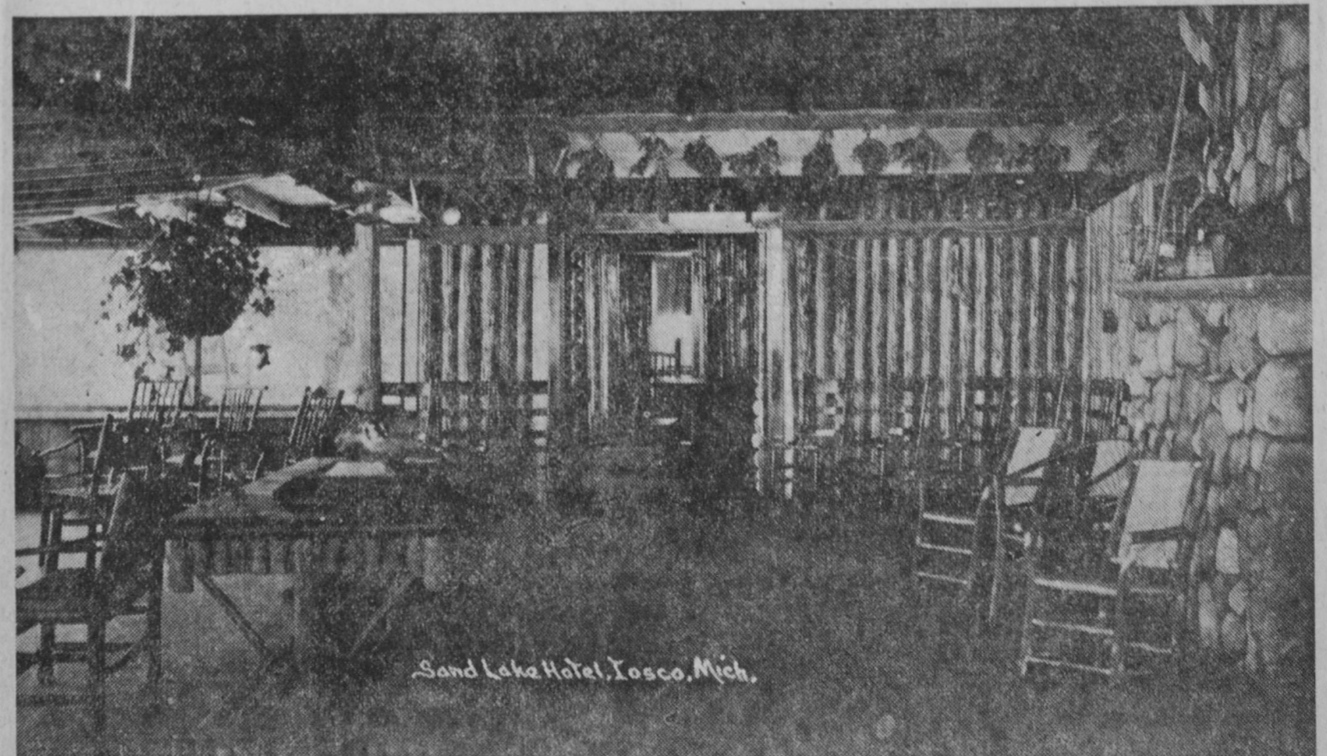

October 19-25 has been proclaimed National Business Women's Week. Celebrated each year since 1928, National Business Women's Week is sponsored by the National Federation of Business and Professional Women's Clubs. The purpose of the nation-wide salute to working women is to dramatize the contributions of women to the economic, civic and cultural facets of American society.

The local observance of National Business Women's Week was declared by proclamations issued by Oscoda and AuSable Townships. The proclamations commended the 43-million working women in the United States for their efforts to improve conditions for working women and for their service to society.

National Business Women's

Week will be observed in the local area through activities sponsored by the Huron Shores Business and Professional Women's Club. A series of free seminars is offered throughout National Business Women's Week that address areas of concern to both women and men. The seminars to be held include:

"Energy Options-Now and the Future," with Jayne Peterson, secretary-treasurer of Electric and Wind Company, presenting the program Wednesday, October 22, and "Financial Planning for the 80s" with George Ounan, insurance agent, speaking on Thursday, October 23. Both sessions are slated at the Wabun, Oscoda, and begin at 7:30 p. m. All interested community residents are invited to attend the free seminars.

RUSTIC FURNISHINGS were featured on the interior of the Sand Lake Hotel, Mrs. W. K. Webster of the Mt. Pleasant Indian School was hostess and programs sponsored by the hotel emphasized the culture of native Michigan Indians.

Two-Day Horse Judging Seminar Slated at MSU

Helping participants learn what constitutes a good or bad horse is the aim of a two-day horse judging seminar at Michigan State University Friday and Saturday, November 14-15.

Richard Dunn, MSU Cooperative Extension Service horse specialist, says the seminar is open to anyone 14 or older and provides basic information on judging horse competition classes. Though it is intended primarily for the beginner, the experienced judge will also find the session a good refresher seminar.

"It will be especially useful to adults and teens—such as county extension agents, vocational agriculture instructors and volunteer leaders—who are coaching or plan to coach youth horse-judging teams," Dunn says.

Participation is limited to 350 persons, who must have pre-paid registration completed by November 10. Lectures will be held in the MSU Kellogg Center for Continuing Education, and practice judging sessions will be held at the MSU Livestock Pavilion.

For program details, write to: Horse Judging Round-Up, Kellogg Center for Continuing Education, MSU, East Lansing, MI 48824, or call Dunn, (517) 353-1748.

A Vision—Church Like Noah's Ark

The Rev. J. Richard Greene of Frostburg, Maryland, will be the guest speaker at East Tawas Assembly of God Church Wednesday evening, October 29, 7:30 o'clock.

Pastor Greene, serving the Frostburg Church of the Brethren, and his congregation of 46 people have undertaken the task of building a new church after the design of Noah's Ark. It is called God's Ark of Safety, and is being built to a full scale Noah's Ark. The visiting pastor states that God gave him a vision of this church and many miracles have taken place in the construction of the ark.

The Rev. Edward J. Fairbanks extends an invitation to the public to attend this unique service.

Editor:

On September 27, 1980, I tore up two fingers with a chain saw and was driven to Tawas Hospital emergency room. The physician on duty was a man from Midland. He checked the fingers, made a couple of phone calls, came back and stitched one finger. The nurse then bandaged them and I was told I had to be at St. Luke's Hospital, Saginaw, in 1 1/2 hours to have the tendon sewed together. No ambulance was available so I was asked to call someone to drive me to Saginaw.

The surgeon who was supposed to be there had left the hospital. The physician on duty, after an hour of waiting, checked the finger. He then made a phone call, came back, stitched the tendon and closed the laceration. After the bandages were on, I was told to return to Saginaw in 10 days to see a specialist, evidently the one the doctor called. All of this took from 5:30 p. m. until midnight.

My question is—with all of the doctors here—is there not one who is capable, or qualified, to perform this bit of surgery? If so, why not call one of our own, instead of me calling a neighbor to rush me to Saginaw?

Incidentally, we barely avoided an accident on the way home, which could have killed both of us.

When I left the hospital with one hand useless, I was handed pain pills in a kid proof bottle—ever try to open one, with one hand?

Emmett R. Cecil
P. S. A new surgical wing? Who will work in it? Or do we still go to Saginaw?

(Read Matthew 8:1-13)

For a seven-year period in my life, I was an agnostic. The experiences which eventually led me back to faith were powerful, even awesome. But during the first few months, my faith wavered so shakily at times that I felt almost despondent.

Then, my eight-year-old son and I talked about God. I confided these feelings to him. He looked at me intently and said, "Jesus must be very happy that you keep trying so hard to believe."

It was a simple statement, direct in its certainty and confident in its assurance. It healed a part of me. My son's words reminded me that faith, like all of living, is a process. But, what mattered most at that moment was his unhesitant and loving reply to my need.

It is this kind of immediate response Christ chose to use in meeting the need of the leper and that He wants to give to all of us. When we, despite our doubt, ask Him to help us attain wholeness, He declares simply, but with love's eager reassurance,

UM Women Had Speaker

The Rev. Charles Swan of the Detroit Conference spoke to members of Tawas United Methodist Women on the missionary work in India as part of the Mission Saturation program during their regular monthly meeting Tuesday, October 14. Object of the program is to help mission come alive for residents of Tawas area.

Mrs. Reynold Mick will present a book review and officers will be elected at the next meeting Tuesday, November 11, 1:00 p. m., at the church.

Refreshments were served by Leona Alverson, Betty Cross and Grace Beaudoin.

ASC Service Needs Nominees

Six nominees to represent Plainfield - Oscoda - Wilber-Ausable, Grant-Tawas-Baldwin and Reno-Burleigh-Sherman-Alabaster Townships are needed by October 27 at the office of Agriculture Stabilization and Conservation Service. Petitions may be obtained at the county office.

This is an opportunity for interested persons to become involved in soil and water conservation and community problems.

Tawas Bay Players Start Third Week of Play Rehearsal

Duties have been delegated by Tawas Bay Players as they start the third week of rehearsal for their upcoming play, "The Odd Couple," under the direction of Donna VanMeter, assisted by June Hudgins.

Michael Jacot is stage manager and heads the crew to construct the stage. Assisting him will be Timothy Wolenzik and John St. James. Hand props are handled by Jean Watts, Marilyn Jurczyk and Karen St. James with Beverly Hill rehearsal technician.

Costumes are being readied by Annette French, Gloria Sterling and Mrs. Hudgins, who will also be house manager. Sandra Palmer is in charge of make-up.

Ardith Biggs and Mrs. St. James head the program committee and Mrs. VanMeter and Mrs. Hudgins are on the advertising committee along with Craig Smyczynski, Debra DeBois and Tara Metzger.

Tickets go on sale November

Hustle and Bustle Lessens— Be a Hospital Volunteer

With the hustle and bustle of summer behind, individuals concentrate on the forthcoming winter and how to pass time. Tawas Hospital volunteers have the answer in offering a job that guarantees complete satisfaction. The volunteer program works directly with the patients. Along with this service, a "traffic control" desk is set up and there is a need of volunteers to work at this desk, especially on week-ends.

In controlling traffic, keep in mind that there are important things to remember in visiting a patient and the volunteers wish to share these facts with residents of the community. Never hover over a patient but find a chair and sit down. Establish facial and eye contact. When permissible, do not be afraid to shake hands or give them a hug—the patient is a person, not an illness. Be a good listener, it is their time to talk about themselves and ventilate their fears. If he or she becomes upset, take a short walk as a delay might be in order. Refrain from business talk, home problems and negative health care experiences.

Check before bringing a patient food or giving him liquid. Alcoholic beverages are out. With some medications, they can be extremely dangerous. Never bring in or offer medication. Do not sit on a pa-

tient's bed. Never touch equipment in a patient's room. This includes adjusting the bed. Do not smoke in a patient's room—go to a designated area. Do not stay too long. A short visit is best, giving a patient time to recuperate. Remember, hospital visiting hours are 1:00 to 8:00 p. m. The volunteer service at Tawas Hospital is dedicated to patient comfort. Individuals with a few hours a week to volunteer may call Jane Churchill, volunteer coordinator, 362-4525, and discuss further a job that guarantees satisfaction.

Extra strength relieves problem itching.
It's called BICOZENE® and it has 20% more anesthetic than Lanacane®. BICOZENE's extra strength anesthetic safely cools all kinds of problem itching virtually on contact. And BICOZENE's antibacterial action speeds healing of itchy genital or anal areas.
Look for BICOZENE Creme in the purple box at your pharmacy. Or ask for "By-Co-Zeen."

NOTICE OF HEARING

PETITION TO ABSOLUTELY ABANDON AND DISCONTINUE A COUNTY ROAD
RESOLUTION

Commissioner Aulerich moved the adoption of the following resolution:

WHEREAS, in accordance with the provisions of Section 18, Chapter IV, Act 283 of the Public Acts of 1909, as amended, seven or more freeholders have petitioned this Board to absolutely abandon and discontinue that portion of Chain Lakes Road described as follows:

"Part of the Old Chain Lake Road beginning at a point 33 feet north of the section corner common to Sections 7, 8, 17 and 18, T24N, R5E, Plainfield Township, Iosco County, Michigan, thence North on Section Line between Sections 7 and 8 to the Southerly right-of-way of Chain Lakes Road a distance of approximately 1300 feet."

NOW, THEREFORE, BE IT RESOLVED, that a hearing be held November 10, 1980 at 10:00 a. m., E. S. T., at the Board's offices, 3939 W. M-55, Tawas City, Michigan 48763 and that a Hearing Examiner of the Board shall hold said hearing and obtain all necessary facts and information concerning the advisability of either granting or denying said petition, and shall report all findings of facts to the Board.

BE IT FURTHER RESOLVED, that true copies of this notice be served, posted and published in accordance with the provisions of said Act No. 283 of 1909, as amended.

The motion was supported by Commissioner White and carried by the following vote:
Ayes, Commissioners Conley, Aulerich, White, Nays, none.

CERTIFICATION
I, Stephen D. Ferguson, Secretary and Clerk of the Board of Iosco County Road Commissioners, do hereby certify that the above and foregoing is a true and correct copy of an excerpt from the minutes of a meeting of said Board held on 15 October A. D., 1980, as appears of record in the office of said Board; that I have compared the same with the original and it is a true transcript therefrom.
IN WITNESS WHEREOF, I have hereunto set my hand at Tawas City, Michigan, this 17th day of October A. D., 1980.

Area Pallet-Sawmill Mgrs. to Visit Knight's Oct. 30

Thursday, October 30, 1:30 p. m., there will be a special program for area pallet and sawmill managers at Knight's Wood Products, Incorporated, West Branch.

The meeting will be opened by Dr. Henry Huber, MSU extension specialist in wood products, and will feature a tour of Knight's operation. This will include the demonstration of the Campbell Super-Nailer, a new automatic nailing machine, and the Brett Scragg sawmill.

The afternoon will be concluded with a presentation by Jack Zollner, DNR wood utilization specialist, on a recently concluded study of the yield obtained for pallet parts.

Following a buffet dinner, Kenneth Kernstock, district extension farm agent, will discuss possible tax strategies to increase profit for 1980. The evening program will be moderated by Robert Ojala, Oscoda County extension director. No charge is made for the program but dinner will be on your own. Brett Engineering is sponsoring the afternoon refreshments.

Anyone interested in forest products is welcome to attend.

DEVELOPMENT of inland lake waterfront property in Iosco County became an important business in the 1920s, coinciding with advances made in automobile transportation and improvement to the state's highway network.

Cowans

(Continued from page 1.)

The Cowans sold their hotel at Sand Lake to Mr. and Mrs. W. K. Webster, who operated it until the spring of 1933, when it was destroyed by fire with an estimated loss of \$16,000. It was never rebuilt.

The Cowans continued in the real estate business at Sand Lake during the tough times of the depression era. Their son, Edward, headed a recreational program there for the enjoyment of summer visitors and children.

Later, in 1953, the Cowans established a real estate brokerage business on US-23 in Tawas City and their office, now owned by William Borosch, was located on the bank of the Tawas River.

After 35 years of developing and selling inland lake and other property in Iosco County, the Cowans retired in 1956, making their home here on Bay Drive.

During their life here in Iosco County, the Cowans witnessed the transition of inland transportation from sand trails to paved highways and played an important role in the development of this county's tourist and resort business.

They were not alone in this development, but they were among the pioneers in the local field. Year around and summer homes have been constructed on all of the lakefront lots, plus adjoining back lots, which the Cowans sold for \$300 in 1919 "package deals." In the process, the county has been enriched both through new valuation and new citizens.

Fall and Winter High on Calories

Halloween kicks off the fall and winter holiday season that has us eating our way from trick-or-treat goodies through Thanksgiving pies and Christmas cookies and finally to New Year's Eve chips and dip. It is a calorie-laden season and food is an important aspect of the celebrations.

Recognizing that importance, now is the time to think about the special holiday foods to fix for family and friends. The snacks served may well represent over 20 percent of the daily caloric intake of family members. Make sure those snacks are both good and nutritious, that holiday snacks contribute nutrients besides calories.

Start strategizing right now, with that symbol of harvest and Halloween, the great pumpkin. One-fourth cup of canned or plain, cooked pumpkin contains only about 20 calories but provides about 75 percent of recommended daily allowance for Vitamin A. A quarter cup of

pumpkin seeds has 190 calories but also contains about 22 percent of the USDA for iron. Use pumpkin in pies, bread, cake and cookies. Roast the seeds for a crunchy munchy, using these easy directions:

ROASTED PUMPKIN SEEDS
Wash and dry the pumpkin seeds. Remove any remaining strings or membrane. Spread seeds in single layers on a baking sheet. Roast at 375 degrees for 20 to 30 minutes to dry. Drizzle with butter or margarine, increase oven to 400 degrees. Watch carefully until the seeds are golden brown. Salt, cool, eat.

MICROWAVE DIRECTIONS
Rinse fibers from about one cup pumpkin or butternut squash seeds; drain. Sprinkle a light, even coating of salt in a shallow dish; arrange damp seeds in a single layer on the salt. Cook, uncovered, at full power, six-seven minutes or until seeds are crispy; stir and check every minute.
