Realignment Expected

TC Council Tables Authority Ordinance

Action on an ordinance to establish a downtown development authority under provisions of state law was tabled Monday night by the Tawas City Council.

Allan W. McCall, spokesman for a group of citizens appearing at the meeting, presented a petition signed by persons not in favor of being included in such a district.

At the conclusion of discussion, Coun. Hugo Keiser pointed out that proponents and opponents of the proposed downtown development authority had the opportunity to speak at a public hearing held at the last council meeting.

"In my own mind, there are some who do not understand the function of a DDA," said Keiser. Although stating that a committee of responsible people had made a study and recommended formation of a DDA, Keiser moved to table council action "as I don't believe in beating a dead horse to death on something we discussed at the last meeting."

Coun. Robert Pawloski agreed in seconding the motion and he asked that the list of persons signing the petition be studied to determine if all were actual property owners in the proposed district comprising the downtown development authority. A voice vote by the council was unanimous on the matter.

Mayor David Westcott said following the vote that, in his opinion, the DDA would be an asset as a vehicle to enhance the city for business, industry, tourism—"to help business 12 months of the year."

City Mgr. Lowell Thomas then explained to the council that, under terms of state law permitting establishment of a DDA, property owners who do not wish to be included in the authority could be excluded.

The petition submitted by McCall, which he said was signed by about 50 property owners, objected mainly to the section of the act which would permit a levy of two mills of taxes on property within the DDA district to finance its administration.

The petition stated that signers would receive no conceivable benefit from a DDA and asked the council to revise the proposal and confine the district

to an area which involved only those property owners affected by a development program and who wish to take advantage of provisions of Public Act 197.

Two different programs have been under consideration by the council to promote revitalization of the business district. Under one state law, the council established a redevelopment district which would permit property owners to remove old buildings from a blighted area and construct new commercial buildings, under a property tax incentive program similar to one established several years ago for industrial districts. One property owner, John N. Bruger, has expressed interest in the program during his current expansion.

The second program as envisioned by the council would be to establish a downtown development authority, under terms of a different act, which would promote redevelopment of the commercial area. A nine-member committee has been proposed, with the mayor being a statutory member.

When originally proposed, the council designated the area along US-23 from Mathews Street to Wheeler Street as the area which it considered to be the proper limits for a redevelopment district. It was pointed out, however, that property owners in other commercial areas along US-23 could petition the council to be included in the redevelopment district.

Those opposing establishment of the downtown development authority Monday night were the principal objectors to limiting the redevelopment district to confines of the Mathews Street to Wheeler Street area, demanding that the entire area of US-23 from city limit to city limit should be included.

The council adopted the development district as proposed, but a second public hearing is to be held on October 20 to learn if other property owners are interested in expanding the redevelopment district.

In stating his objection to the downtown development authority, a matter entirely different than a redevelopment district, McCall presumed that a DDA would be a corporation requiring funds to pay for its administration. He objected to the

provision that up to two mills in taxes could be levied on property within the DDA district to pay for that administration.

When the matter was originally presented by the council's commercial committee, spokesmen expressed the belief it would be proper to finance administration of such a district by benefited property owners, rather than to use money from the city's general fund. It was also emphasized then and re-emphasized by the city manager and councilmen Monday night that anything proposed by the downtown development authority, including a levy of taxes for administrative costs, was subject to approval of the council.

Dr. John D. LeClair, owner of property between Wheeler and Pine Streets, said that a two-mill tax levy for administration of a development authority would cost his family about \$1,000 annually. He said his property would not benefit and he would be subsidizing someone else in the area.

City Mgr. Lowell Thomas said that a tax levy was one of four ways which a downtown development authority could be financed, if such financing was actually needed for administration. Other methods could include revenue bonds, transfer from the general fund or from gifts.

Thomas believed the DDA would be a vehicle to provide the cohesive effort to spur economic development of the community. He said that such authorities had worked successfully in other communities and any of its proposals would be subject to council approval.

Arthur Krass, a US-23 resort owner, felt the DDA was a good idea and a good tool to provide the mechanism for commercial development.

Herbert Cholger reported that he had contacted officials at Lansing and learned that use of such an authority should be confined to areas of commercial blight.

Benjamin Brewer, a member of the commercial committee which proposed formation of a DDA, expressed the opinion that opponents had "missed" some people when petitions were circulated. He felt that formation (See PETITION, page 4.)

RALPH KNOPP of Edmands Engineering Company is shown discussing features of alternatives of a proposed lagoon system for secondary sanitary sewage treatment for Tawas City.—Tawas Herald Photo.

Await Step One Grant Review

Alternate Disposal Sites Under Study

Continuing its tussle with bureaucratic red tape, the Tawas City Council again adopted a resolution Monday night to proceed with its application for state-federal funds to aid in financing secondary sewage treatment.

Ralph Knopp of Edmands Engineering Company told councilmen Monday night that the first step in the grant application had been submitted by the council in 1977. Work performed here under that initial grant is now being reviewed by the state and, once approved, would be reviewed by the Environmental Protection Agency prior to the city's submitting application for the second step of the project.

A number of questions have been raised concerning work under the first step, although Knopp said all were minor in nature and could be answered without much trouble. From three to five weeks will be required to learn if the answers given by the city and engineer are sufficient.

Much of Monday night's session was taken up with discussing proposed sites for the secondary sewage treatment lagoon system.

When originally considered three years ago, it was thought that the city's 40-acre industrial park would provide sufficient room for the lagoons. It was found, however, that the site was too small and a 40-acre parcel owned by the Hughes family west of the industrial

park was given consideration. An alternative site west of the Hughes property owned by the Lake family, consisting of 60 acres, was also given consideration.

Discussion brought out the fact that the alternative Lake site possessed several advantages, which included the fact that clay was readily available on the site for lining the base of the lagoon system and that its location would be 1,200 feet from any houses, rather than the 800-foot buffer zone provided by the Hughes site.

Utilization of the Lake site would cost an additional \$60,000 for a 1,400-foot connector main and the local share would be about \$12,000. An easement across the Hughes property for the line and a service road would also be required, along with construction of a bridge across Dead Creek.

Councilmen felt that serious thought should be given to purchase of both parcels, using the Hughes property for future expansion of the industrial park. Purchase of the property would be borne entirely by local funds and the city is to make an offer to owners for an option to purchase the land.

In other business the council authorized hiring a survey of city-owned lots on Twelfth Avenue. Lines of the nine lots would be replatted into eight lots, measuring 70 feet in width rather than 60 feet. At its last meeting, the council established a minimum rate of \$50 per front foot for the sale of the wooded lots. Lots would be sold with the understanding that the property would be subject to a special assessment tax of from \$25 to \$30 per front foot to provide sanitary sewer.

Authorization was given to execute contracts for reconstruction of two bridges over the Tawas River at Whittemore Street and over Dead Creek at Sixth Avenue. A \$65,000 bond sale to finance the local share of the bridges has been approved by the municipal finance commission and a bid opening is to be held October 20.

Bids are to be opened October 15 at Lansing by the Michigan Department of Transportation on a number of projects, including the two two-span timber bridges and approaches here with a total estimated cost of \$300,000.

No Show

After two weeks of controversy, only 30 persons were in attendance Sunday night for a program scheduled by Gene Delfont, master hypnotist. The show was canceled and admissions refunded.

Escaped Oscoda Police Net

Federal Fugitive Still at Large; Father Arraigned

An intensive search of wooded areas near Oscoda was continued Tuesday by area law enforcement agencies for a federal fugitive who escaped from police Friday by diving into VanEtan Lake.

The man has been identified as Grant Goddard Jr., 52, Mikado, who served a jail sentence for bank robbery and currently is wanted by federal authorities for bank fraud and violations of alcohol, tobacco and firearm regulations.

To have been arraigned Tuesday in district court was the fugitive's father, Grant Goddard Sr., who was with his son Friday when Oscoda-AuSable Township Police attempted to stop their car on VanEtan Lake Road. He is charged with carrying a concealed weapon and harboring a fugitive.

The younger Goddard had been sought since hunters found a stripped blue pickup

truck abandoned in the woods northwest of Oscoda. Officers checked the registration and traced the vehicle to Goddard.

Police had staked out a cabin near Mikado owned by the fugitive's father and followed their car when they left Friday afternoon. The father was apprehended after both men ran from the car on VanEtan Lake Road, but a foot search aided by a tracking dog found no trace of the younger man.

Area police have been seeking a blue pickup truck since August 2 when Cherita J. Thomas, 20, mysteriously disappeared at Oscoda. Her car broke down at Oscoda and she was last seen entering a pickup truck which stopped in front of the disabled vehicle.

The truck found by hunters was stripped of tires, engine, seats, carpeting and tailgate. An investigation team from the state police crime labora-

tory is conducting fingerprint tests on the vehicle.

State police said Tuesday that they believe Goddard is hiding in the wooded area west of Oscoda.

Lt. S. H. Hutchings of the Michigan State Police Post at East Tawas and Det. Raymond Knuth of the Oscoda-AuSable Township Police Department said anyone who encounters Goddard should consider him to be armed and dangerous.

"Do nothing but notify any local police agency in the area of his last whereabouts," warned police.

Goddard served a prison sentence for robbing a bank in Southern Michigan and, at the time of his capture in 1966, confessed to robbing the Whittemore branch of Farmers and Merchants State Bank on October 6, 1965.

East Tawas Wins One; State to Provide Land Appraisal

The City of East Tawas received word Tuesday morning that a representative of the Michigan Land Trust Fund would conduct two property appraisals here shortly in connection with applications for grants.

The city had objected to spending from \$2,500 to \$3,000 for an in depth appraisal on the landlocked McKay property for expansion of the city park. The front portion of the property includes the house occupied by the county museum and that property purchase was financed from federal revenue sharing funds allocated by the county board of commissioners.

Clyde Soper, city clerk, said that State Rep. Tom Alley was at the city hall Tuesday morning and made several telephone calls to Lansing to confer with MLTF representatives.

The city had also applied for funds from the state for purchase of the Evans property and a representative of the trust fund is to make an appraisal of both parcels of land.

Action during Monday night's brief council action saw a request for the use of council chambers at the city hall by a nonprofit organization turned over to the city superintendent for recommendation. The group proposes to use the room two

Saturdays each month as a distribution point for canned goods and groceries purchased by the

group. The general feeling of the council was that objections (See ET COUNCIL, page 2.)

Hospital's First Baby to Construct New Wing

TWENTY-SEVEN years ago, the baby held in his mother's arms received gifts as the first baby born at Tawas Hospital.—Tawas Herald Photo.

Twenty-seven years ago, Kenny Allen Schaaf was a celebrity at Tawas Hospital, receiving a large number of gifts from Tawas businessmen. Within the next week he is to sign a contract to construct a new surgical wing at the hospital.

Schaaf, at 4:07 a. m. Sunday, June 14, 1953, was the first baby born at Tawas Hospital. His father, Willard Schaaf, has since passed away and his mother, Edith Vasek, lives on Janet Street, Baldwin Township.

His firm, Ken Schaaf Builders, Incorporated, entered the low bid of \$376,846 as general contractor for the expanded surgical suite.

Schaaf established his building firm here in 1973, and has a number of projects to his credit, including a senior citizen building, a school for the mentally handicapped and a drug store, all in Roscommon County.

This new project at Tawas Hospital will include two operating rooms, a four-bed recovery room, an outpatient surgical preparation area, an anesthesia preparation area and changing room for surgery personnel.

The contract also calls for renovation of the existing structure, providing central sterile supply services, storage and mechanical room space.

The total additional square footage added to the hospital will be 4,500, plus 3,600 square feet of the existing building to be renovated.

Approximate total cost of the project, including architect's fees and equipment, will be one million dollars.

Ground breaking is expected later this fall with a completion date in the fall of 1981. Architects for the project are Gazall, Krapak and Associates of Flint.

TWENTY-SEVEN years later, Kenny A. Schaaf was low bidder on constructing the new surgical wing at the hospital, shown with his mother, Edith Vasek.—Tawas Herald Photo.

ET Council

(Continued from page 1.)

from businessmen would be heard to such use.

Charles Pierson was granted permission on behalf of the Tawas-Wurtsmith Singers to solicit funds for support of that group.

The department of public works is to investigate the feasibility of repairing a light at the parking lot near the new state boat launching ramp.

The city superintendent is to decide if the city will make the repair or if the matter should be left to the state for consideration under its over-all development program.

A survey is to be made to determine if parking should be removed in front of the former American Legion Hall on Newman Street, now being used for a headstart school program. The opinion was expressed that buses could use the Federal Building driveway for dropping off children, rather than to limit parking.

OK Local Share of Airport Funding

Action by the Iosco County Board of Commissioners Wednesday gave formal approval to financing the local share of grading, paving, lighting and extension of the runway at the county airport.

Total estimated local share of the cost is \$91,871.25, including a \$50,000 loan from the state, which is to be paid to the department of transportation.

In other matters, the board authorized payment of \$7,060 for roof repair at the Iosco County Medical Care Facility. The money is to come from the facility's capital project fund, as authorized by the Iosco Department of Social Services.

The commission agreed to pay an additional \$200 per month to Ruthann Brown, 23rd Judicial Circuit Court administrator, retroactive to September

1, and continue that increased payment until the governor appoints a successor to Circuit Court Judge Allan C. Miller, who retired. Iosco's share would be \$136 per month, with the remainder to be shared by Oscoda and Alcona Counties.

Howard W. Spencer was appointed county veteran's counselor, effective October 2.

Robert Bolen of East Tawas was appointed to the Iosco County ad hoc volunteer committee for funding a county landfill. He replaces Lowell Thomas of Tawas City.

In addition to its regular session, a meeting was held Wednesday with United Steelworkers of America, which represents county building employees in contract negotiations.

John D. Prior represented the union.

NEW OFFICERS of Huron Shores Chapter, Full Gospel Businessmen's Fellowship International, are pictured above following Saturday night's dinner meeting held at Tawas Masonic Temple. Seated at center is Jerome (Jerry) Wisniewski, president, Tawas City; James

Wolters, vice president, is seated at left and Nelson Good, secretary, Au Gres, is seated at right. Standing are Clayton Busha, left, and Edgar Ferrell, both vice presidents of the ministry.—Tawas Herald Photo.

IN THE SERVICE—

Enters Freshman Year at US AF Academy

Keith H. McCready, son of Mr. and Mrs. W. H. McCready, Tawas City, has entered the freshman year at the United States Air Force Academy, Colorado.

The cadet is one of more than 1,400 freshmen who were officially accepted into the cadet wing after completing six weeks of intensive field training, physical conditioning and survival instruction.

Cadet McCready begins four years of academic study and military training that will lead to a bachelor of science degree and a commission as a second lieutenant in the United States Air Force.

Received Wings of Army Aviator

Gregory L. Thornton, son of Mr. and Mrs. Herbert Thornton, Oscoda, recently received the silver wings of an army aviator and was appointed a warrant officer upon completion of

the rotary wing aviator course at the United States Army Aviation School, Ft. Rucker, Alabama.

The course provided training in leadership and helicopter flying techniques as well as instrument flight.

His wife, Elizabeth, was with him near the fort during the training.

Named Sailor of the Month

AZI Leona R. Hales, daughter of Mr. and Mrs. Louis H. Alverson of East Tawas, was named Sailor of the Month, a navy tradition to properly identify and provide recognition for outstanding performance in military and professional areas. The selection was based on variables, such as job performance, appearance, military bearing and participation in educational or community service activities outside of the command.

In a recent letter to the Alversons, Capt. R. Marryott, United States Navy commanding officer, stated, "Your daughter has consistently and conscientiously performed duties at the aircraft intermediate maintenance department at Moffett Field in a superb manner. Leona's ability to maintain such an outstanding performance places her 'head and shoulders' above her peers in the Sailor of the Month competition."

Mrs. Hales graduated from Oscoda Area High School in 1968, attended Saginaw Business School and joined the navy in 1971. Her husband, Terry, is also serving in the United States Navy at Moffett Field, California.

Students Observe Constitution Week

In observance of Constitution Week, three students from the Emanuel Lutheran School presented a program to members of Lake Shore Chapter No. 661, American Association of Retired Persons, at its regular meeting Wednesday, October 1, at the East Tawas Community Building. Their topic was "Time to honor the Constitution." Readings by Barbara Krueger, Shelly Zetzer and Bonnie Backus included Articles of the Constitution, United States Constitution and the Bill of Rights. They also presented copies of the Bill of Rights and the Declaration of Independence.

Mabel Smith, president, pre-

sided at the business meeting and reminded members that on November 4 it would be one year of captivity for the American hostages in Iran and, in remembrance, to tie a yellow ribbon on their mailboxes.

Plans were made to have a catered Thanksgiving dinner Wednesday, November 19, at the community building.

The next meeting Wednesday, October 15, will include a pot-luck dinner and speaker to review the amendments that will appear on the ballot November 4.

Door prizes were won by Donald Langley and Martin Mueller. Membership bonus was won by Lois Kienholz.

**Honor Horgers
Oct. 4 on
Anniversary**

Mr. and Mrs. George Horgers of East Tawas were honored Saturday, October 4, at a surprise party to celebrate their 40th wedding anniversary. The affair was hosted by their 14 children and their spouses.

A special Mass was held at Immaculate Heart of Mary Church with the Rev. Fr. Lawrence Boks officiating and a reception for 150 guests followed at the parish hall.

The former Ruth Dunn and her husband were married October 12, 1940, at St. Lawrence Catholic Church, Utica, and moved to the Tawas area 11 years ago.

The Horgers' 18 grandchildren were present at the party.

**Commission on
Aging Meeting**

Iosco County Commission on Aging will meet at 1:30 o'clock Tuesday afternoon, October 14, at Grant Township Hall, according to Sidney F. Main, secretary.

Guest Books—For all occasions. Several colors from which to choose. The Tawas Herald, 408 Lake Street, Tawas City.

**Revord-
Wixson
Marriage**

A reception at Botsford Inn, Farmington, followed the 1 o'clock ceremony Saturday, October 4, uniting in marriage Chris Marie Wixson and Bruce Michael Revord. The Reverend Father Alder officiated at the double ring service at St. James Church, Ferndale.

Mr. and Mrs. Gerald Wixson of Ferndale are parents of the bride and her husband's parents are Mr. and Mrs. Orville Revord of Tawas City.

Given in marriage by her father, the bride was attended by Laurie Boiko and Sue Revord. Serving as best man was Kirk Revord with Timothy Wixson, groomsmen.

The newlyweds traveled to Tahquamenon Falls for their wedding trip.

**List Speaker at
Emanuel Luth.**

The Rev. Walter Voss of Akron will be guest speaker at Emanuel Lutheran Church, Tawas City, at the 8:30 and 10 o'clock services Sunday morning, October 12. Pastor Voss, now retired, served Emanuel from 1930-1936.

**Vows Said
at Hale First
UM Church**

Roma Jean Ruckle became the bride of Robert L. Peterson in a double ring ceremony at 7 o'clock Saturday evening, October 4, at First United Methodist Church, Hale. The Rev. Theodore Hastings officiated before an altar decorated with floral arrangements of pink and white carnations.

Mr. and Mrs. Robert Ruckle of Hale are parents of the bride and her husband is the son of Mr. and Mrs. Lavern Peterson of Turner.

Catherine Wyatt, organist, accompanied Perry Shellenbarger, vocalist.

Escorted to the altar by her father, the bride wore an organza sheer gown with high neckline and long bishop sleeves with lace bridal points. A chapel length train was attached to a six-tiered bouffant skirt. A hat-shaped crown secured a fingertip veil and she carried a cascade bouquet of white carnations.

Jill Baker of Hale was maid of honor with Lana Vohwinkel, Dianne Allen and Bridget Ruckle, bridesmaids. Carrying candles encircled with dusty rose silk flowers, they were attired in polyester knit blouses with flared skirts.

Robbie Schultz served as best man and groomsmen were Scott Schell, Jeffrey McCane and David Peterson.

For her daughter's wedding and reception at Plainfield Township Hall, Mrs. Ruckle chose a plum dress enhanced with a wrist corsage of white carnations and purple statice. Mrs. Peterson wore a rose colored dress adorned with white carnation and pink statice corsage.

Before leaving for a four-day trip to the Upper Peninsula, the couple greeted guests from Saginaw, Mt. Pleasant, Bay City, Traverse City, Flint, Trenton, Northville, West Branch, Tawas City and Whittemore.

The former Miss Ruckle, employed at Farmers and Merchants State Bank, and her husband, a truck driver for Kraft, will reside at 5707 Curtis Road, Hale. A miscellaneous shower was held August 13 at the church.

**Newlyweds
Residing on
UM Campus**

Mr. and Mrs. Mark Lehman are residing at the campus of University of Michigan following their marriage Saturday, August 23, in 1 o'clock rites at Mother of God Church, Southfield. The Rev. Fr. George Garmo officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Jamil Taila of Westland and her husband is the son of Mrs. Dorothy Lehman of Whittemore.

Escorted to the altar by her father, the bride wore an off-white gown featuring a lace bodice adorned with pearls and a full length train. A matching veil and bouquet of daisies, roses and babies breath completed her attire.

Attendants for the bride were Sue Kiland of Redford and Vickie Taila of Canton. They were attired in light blue chiffon with white flowers and their bouquets were comprised of white and blue daisies.

Serving as best man was Robert Wynn of Whittemore. Groomsmen were Richard Lehman of Saginaw, brother of the bridegroom. Matthew Lehman of Whittemore and David Lehman of Clio, brothers of the bridegroom, were ushers.

A reception for 300 guests followed the ceremony at Whittemore Chamber of Commerce Hall. Mrs. Taila and Mrs. Lehman wore light blue gowns enhanced with corsages of small roses and light blue silk flowers.

The couple honeymooned at Tahquamenon Falls, Sault Ste. Marie and Mackinaw City for three days before returning to Ann Arbor where they attend the university.

The bride was honored at a shower given by Miss Taila.

**this... that
and the other**

Mrs. Lydia Galliker of Tawas City is spending some time with her daughter and son-in-law, Mr. and Mrs. Howard Blust of Bath, parents of a daughter, Jill, born September 27.

Mr. and Mrs. Gary Wood of East Tawas were among the more than 100 insurance agents who attended the 1980 Leaders Club convention held recently at the Hotel Hershey and Country Club, Hershey, Pennsylvania.

Jo Ellen Johnroe of Tawas City was included on the academic honors list for the recently completed summer term at Ferris State College.

Mr. and Mrs. Alfred Cramer of East Tawas entertained their daughter and husband, Mr. and Mrs. Charles Zech, and family of Mt. Clemens over the week-end.

Miss Mary Thornton of Kalamazoo spent Saturday and Sunday with her parents, Mr. and Mrs. N. E. Thornton of Tawas City.

James McGuire is a new resident at Bay Park Tower.

Thelma McGuire of East Tawas has been transferred from Alpena General Hospital to Standish Community Hospital where she is recuperating from a fractured hip.

Sunday, Thomas Mark returned to his home in Livonia after spending a few days with his parents, Mr. and Mrs. Byron Mark of Tawas City, and enjoying the fishing season.

Mr. and Mrs. Judson Bowers of Phoenix, Arizona, spent last week here with relatives. Mrs. Bowers will be remembered to Tawas friends as Agnes Roach.

Mr. and Mrs. Gregory Dee and June Dee of Taylor spent the week-end in Tawas City with Frances Hill.

Visiting Mrs. Ada Fitzpatrick at her East Tawas home over the week-end were her son, his wife and children of Waterford. They enjoyed a color or tour to Harrisville, Lincoln and Mikado and visited other relatives in those areas.

Mr. and Mrs. Dean Roeske of Lansing spent the week-end with her sister, Mrs. Chris Wresche of Tawas City.

Guests of Mr. and Mrs. Harry Coy of East Tawas on Wednesday were her nieces, Barbara Cooley and Donna VanDenBosch of Bay City.

Mrs. Mabel Wilson and Mrs. Wilton Finley of Lansing spent the week-end with the former's parents, the Harry Goodales of Tawas City.

Mr. and Mrs. Lowell Aspin of Tawas Lake visited at Drummond Island over the week-end.

Mr. and Mrs. Rick Forbes of Drayton Plains have purchased the home of Mary Westerland on Evans Street, East Tawas.

Mrs. Barbara Sterling has returned from an extended trip to Tucson and Bisbee, Arizona, and other western points.

**Grocery Walk
Oct. 14 at Senior
Citizens Center**

Tawas Senior Citizens Drop-In Center will have a grocery walk at 1 o'clock Tuesday afternoon, October 14. Everyone attending is to bring an edible item to be donated. These items may include anything one has on hand, such as canned goods, produce or fresh food from the garden.

A special film, "Animals at Home in the Desert," will precede the grocery walk at 12:15 o'clock.

Activities at the center for October will include a diet and exercise club at 10:00 a. m. each Monday; arts and crafts classes each Wednesday at 12:30 p. m.; euchre club each Friday, beginning at 1 o'clock.

Board members meet at 10:00 a. m. the first Monday of each month with a general membership meeting at 1:00 p. m. the first Tuesday of each month. Blood pressure clinic will also be held on the first Tuesday from 9:00-11:00 a. m.

Lillian Kelch has returned to her home in Cleveland, Ohio, after spending two weeks with Mr. and Mrs. William Goodwin of East Tawas.

Mr. and Mrs. Donald Black of Plymouth have purchased the Terry Sergeant home on Wheeler Street, Tawas City.

Guests of Mr. and Mrs. Stanley Bourne of East Tawas last week were her sister and husband, Mr. and Mrs. Stanley Push of Lincoln Park.

Mr. and Mrs. Randy Seifert and daughters, Kristen and Elizabeth, of Maple Rapids were week-end guests of his parents, Mr. and Mrs. Edward Seifert Jr. of East Tawas.

Mr. and Mrs. Gary Bessey and family of Perry and the Darrell Bessey family of Flint visited their parents, Mr. and Mrs. Grant Bessey of Tawas City, over the week-end.

Mr. and Mrs. Nelson Basner of East Tawas joined a group from the Montrose Wesleyan Church for a week-end trip to Casaloma, Ontario, Canada.

Mr. and Mrs. William Wilson and daughter of Lansing are spending a few days at the Goodale hunting camp.

Visiting Mr. and Mrs. Wilbur Roach of East Tawas one day last week was Mrs. Mary Carter of Mt. Clemens.

Mr. and Mrs. Donald Lamb of Tawas City spent last week in Ann Arbor on business.

The Naomi group met at the Tawas City home of Mrs. C. L. McLean on Monday evening for a regular meeting. Bible study was held and light lunch served.

Tawas Hospital

BIRTHS
Born to Mr. and Mrs. Edward Knox, East Tawas, October 4, a daughter, Tegan Lynette weight eight pounds, 1 1/4 ounces.

ADMISSIONS
Visiting hours 1:00-8:00 p. m.
Tawas City: Edna Jones, Anna Walter.

East Tawas: Marie Drzewiecki, Cora Burris.
County: Tempest Dohm, Mary VanWinkle, Christian Bayer, Grace Wehrman, Brian Alda, Oscoda; Sherric Wojtas, National City; Violet Collins, Hale.

Other communities: Arthur Kaarto, Greenbush; Clifford Rolph, Glennie; Henry Card, Bernice Jordan, Au Gres; Albert Corey, Pontiac; Raymond French, Livonia; George Meikle, Standish; Irene Peterson, Turner; Frank Spooner, Harrisville.

**Rotary Club
Pledges Support**

Tawas Area Rotary Club voted to pledge support to Gov. Earl L. Warrick's leprosy project by initiating a project of its own. Pennies, dimes and old silver will be collected and saved for the project in a four-way plan to raise funds for the project.

For each dollar donated, Rotary International will match it with a dollar and Dow Chemical Company will double it with \$2, increasing the local dollar to \$4.

Old silver coins will be worth collector value and matched by the same rate.

A guarantee has been obtained from 10 district governors in India to see that the drug needed to treat leprosy is properly administered to the needy people.

Tawas Area Rotary Club is one of 33 groups in District 631 to raise \$20,000 for the program.

**Robert Brown
Resigns Post**

Robert Brown has resigned as a member of Tawas Area Chamber of Commerce Board of Directors and has been replaced by James Vecrusse of East Tawas to fill the unexpired term.

Brown is moving to Sault Ste. Marie.

**MC Auxiliary
Meets Oct. 13**

Iosco County Medical Care Facility Auxiliary will hold its monthly meeting Monday, October 13, 1:00 p. m., at the facility. Interested persons are welcome to the session. Plans will be discussed for future projects and needs of the facility.

In the past, the auxiliary has purchased equipment for the beauty shop, therapy department, kitchen and outside needs not budgeted for the facility by the county. For more information, call Betty Gabler, 362-2440.

**Surpass CF
Goal of \$150**

Whittemore citizens surpassed the \$150 goal set by the Cystic Fibrosis Foundation to raise \$265 during the door-to-door campaign held September 21-27. The successful drive was headed by Connie Bronson. Committee members were Teri Valent, Dorothy Dorsey, Barbara Gillings, Ilona Oliver and Sonja O'Farrell.

Reno News

Lily Harrington of South Branch spent several days at the home of her sister, Mrs. Walter Redmond.

Mr. and Mrs. Roy West and family from Drummond Island spent last week-end at the home of her parents, Mr. and Mrs. Richard Samson.

Last week-end, Mr. and Mrs. Arthur Aulerich entertained his son, Ronald, and family from Wacouta.

Tuesday, Mr. and Mrs. Charles Robinson of Boyne City visited his sister and husband, Mr. and Mrs. Jesse Short.

Myrtle Waters and Florence Lattar visited Cora Davis at Bay Park Tower on Friday.

Leonard Prong of Zurich, Ontario, Canada, spent the week-end at the home of Mr. and Mrs. Arthur Aulerich.

**CLUB
NEWS & NOTES**

**Artists Nominate
Slate of Officers**

A special meeting of the nominating committee of Tawas Bay Artists was held at the Art Gallery Friday, September 26. The committee consisted of Helen Hertzler, parliamentarian; Alice Defibaugh, chairwoman; Betty Neeper, secretary; Virginia Imbronone, Janice Roper and Ione Sabin. The committee will present its slate of officers to the club members at the next general meeting Thursday, October 23.

Tawas Bay Artists announce new fall and winter hours at the gallery. Members acting as hostesses will show visitors through the gallery from 1:00 to 4:30 p. m. on Thursday, Friday and Saturday each week.

Issue Ident.

**Cards at
Senior Centers**

Senior citizens will be issued identification cards at the Trio Council on Aging office at the Ogemaw County Building, West Branch, every Wednesday in October from 9:30 a. m. to 12 noon and from 1:00-3:00 p. m.

The cards will be issued at Lupton Senior Citizen Center on Thursday, October 9; at Whittemore Senior Citizen Center Monday, October 13, and at St. Helen Senior Citizen Center Tuesday, October 14, from 10:00 a. m.-12 noon and 1:00-2:00 p. m.

**Whittemore
Women Meet**

Whittemore Women's Club met Wednesday, October 1, at the Whittemore City Hall. Communications read included a letter of appreciation from Harris Barkman for the club's interest in the "History of Iosco County" book and an invitation from Burleigh Rural Ladies Club to a Halloween party on October 23 at the home of Joyceclynn Provoast.

Various reports were given and Lula Dunham, president, informed the group about a historical museum in Lansing that is located near the Capitol.

Adele Brown, legislative chairman, gave an informative talk on energy while Mrs. Provoast gave some tips on energy saving.

Mrs. Dunham reported on the tri-county luncheon and also on the Northeastern District meeting at Harrison.

Highlights of the convention were talks by Michigan State Federation of Women's Club president, Mrs. John Berent, on crime prevention, antihospitality, conservation, energy and the importance of voting. The afternoon talk was by Thomas McIndoe, director of Girlstown, the club's state project.

Next year's convention will be held in Rogers City.

Program for the day was a discussion on tax proposals conducted by Ida Dorsey. More information on this will be available at the next meeting October 15 when Mrs. Dorsey will bring sample ballots to study. A travelogue will also be presented.

Obituaries

Wilfred LaClair Died October 2 Rites Held for Henry Robson

Funeral services for Henry G. Robson of Ft. Myers, Florida, were conducted Monday, October 6, at Case Funeral Home, Saginaw. The Rev. C. Michael Hopkins officiated and interment was in Roselawn Memorial Gardens.

Born June 7, 1911, at Saginaw, he expired Wednesday, October 1, at Punta Gorda, Florida, Medical Center. He moved to Florida seven years ago after retiring from Eaton Manufacturing Company, Saginaw.

He is survived by his wife, Leona, whom he married in 1937; two sons, George of Tawas City and Michael of Hale, and six grandchildren.

Funeral services for Wilfred L. LaClair of Whittemore, owner of LaClair's Wood Stoves, expired Thursday, October 2, at Tawas Hospital following a short illness. He was born August 27, 1921, in Standish and was married to the former Julia Dottie on March 22, 1978, in West Branch. She survives.

He was a veteran of World War II and a graduate of Standish High School.

Funeral services were conducted Monday, October 6, at St. John the Baptist Catholic Church, Standish. The Rev. Fr. Emmett Marceau officiated and interment was in Pine River Cemetery, Standish. Rosary was recited Sunday evening at R. O. Savage Funeral Chapel.

Surviving besides his wife are three sons, Craig and Robert LaClair of Sacramento, California, and Gary of Mt. Clemens; two daughters, Linda Meyers and Renee LaClair of Mt. Clemens; his mother, Helen Stefanski of Flushing; three brothers, and two sisters.

Lydia Woolever Died Oct. 5

Lydia M. Woolever of Tawas City passed away Sunday, October 5, at Provincial House Nursing Home at the age of 73 years. She was born May 23, 1907, in Tawas City.

The Rev. James Mehan officiated at funeral rites Tuesday, October 7, at Grace Lutheran Church. Burial was in Greenwood Cemetery, East Tawas.

She is survived by her husband, Ray; two stepsons, Robert and Raymond Woolever; a stepdaughter, Betty Hopkins; four sisters, Margaret Meyers, Leona Davis and Gussie Clayton, all of East Tawas, and Esther Florip of Rogers City.

Mrs. McLean Passed Away

Funeral services for Mrs. Charles L. McLean of Tawas City will be conducted Friday, October 10, 2 o'clock, at Jacques and Kobs Funeral Home, Tawas City.

The Rev. Kenneth Tinsley will officiate and burial will be in Memory Gardens Cemetery. An Eastern Star memorial will be held at the funeral home Thursday evening. Mrs. McLean died at her home Tuesday, October 7.

Born September 2, 1892, at Marshall, the former Jessie Hazel Ruddock and Mr. McLean were married June 23, 1914, at Whittemore. They moved to Tawas City in 1924 where he operated a department store until his retirement. He succumbed in 1970.

Mrs. McLean was a member of Tawas United Methodist Church, United Methodist Women, Twentieth Century Club and life member and 50-year member of Tawas City Chapter No. 303, Order of the Eastern Star.

Surviving are one son, Arnold of Key West, Florida; two daughters, Marguerite Bock of Puyallup, Washington, and Janet Musolf of Sandusky; five grandchildren, and three great grandchildren.

GOP Establishes Headquarters

Hugh Prescott announced Monday that a Republican Headquarters was opened at the Holland House in East Tawas Sunday, October 5, when an open house was held and all elected precinct delegates were invited to attend.

Prescott invites all Republican candidates to visit headquarters between the hours of noon and 6:00 p. m. to deposit campaign materials. If candidates desire, they may reserve headquarters for a meeting with their constituents.

A "Meet your Candidate Day" is set for Tuesday, October 21, and Republican candidates will be present with information about themselves.

Anyone wishing to volunteer for any Republican candidate may contact headquarters. Phone installation will be completed this week.

Donations for the Republican campaign may be sent to headquarters and checks made out to the Iosco County Republican Committee.

Headquarters also announces that John C. Kunich is available to speak for business groups or clubs on the truth about tax cuts, the price of freedom and inflation, who is to blame? He can be reached at 739-3647.

WWII Unit Plans Reunion

The 450th Engineers of the Fifth Army during World War II will be having their 33rd reunion at the Redwood Lodge, Oscoda, October 17-19. The group of veterans was together for 3 1/2 years in England, North Africa, Italy, France and Germany and this is the first reunion to be held in Michigan.

Veterans will be representing New York, New Jersey, Pennsylvania, Ohio, Illinois, Virginia, North Carolina, Maryland, Alabama and Michigan. Jay R. Cooper of East Tawas is one local member.

The week-end will begin with a reception on Friday evening. Saturday, a tour of the area will be provided by Iosco Transit Corporation and a paddle wheel boat ride on the AuSable River will be enjoyed by the group. Lunch will be hosted by Mr. and Mrs. Cooper at their Huron Hills Road home.

A banquet Saturday evening at the Redwood Lodge and brunch on Sunday will complete the planned program. Many are planning to tour the area and other points in Michigan.

Petition

(Continued from page 1.)

of a DDA would be advantageous to the commercial district and the community.

Robert Rollin said that he had circulated a petition and that he had "taken about one-half hour to educate each person signing the petition."

Coun. John (Joe) Martin expressed the belief that a number of questions being raised should be checked out by the council before taking any action.

JIM GRAHAM scored three touchdowns Friday night for the Whittemore-Prescott Cardinals in a big homecoming win over the Tawas Braves. A bit of razzle-dazzle by the

Cards on a touchdown pass play shortly before the half proved to put the game out of Tawas' reach.—Tawas Herald Photo.

Cards Blast Braves in Homecoming Tilt

Whittemore - Prescott Area School gained a whole lot of revenge Friday night as the Cardinals splashed to a 42-14 win over the Tawas Braves.

It was the first time ever—21 years—that the Cards had defeated the Braves on a football field and it was the first Whittemore-Prescott win in three conference games this season.

Jim Graham had a big night for the Cardinals. He was picked to represent the school as homecoming king at the dance following the game and scored three touchdowns against the Braves.

Graham, a five foot, 11-inch speedster, splashed to two

touchdowns on runs of 23 yards and two yards in the first half and John Pavlik scored on a 43-yard pass play from Gary Weaver just before intermission.

Tawas got both of its touchdowns in the first half on good runs by Scott McDonald and Kelly Moffatt and McDonald ran a two-point conversion just before the half to make the game interesting.

The big play in the first half was a pass from Quarterback Bill DeBoever to Gary Weaver behind the line of scrimmage. The Cards caught the Braves defense by surprise as Weaver unleashed a long pass to Pavlik for the touchdown.

After homecoming festivities at intermission, Cardinal fans roared as Graham scored a 47-yard touchdown and DeBoever hit Randy Federspiel with a nine-yard touchdown pass. Andy Rohn ran 19 yards for the final Whittemore - Prescott touchdown.

Junior lineman, Steve Webb, a five-foot, nine-inch, 160-pound rock wall, led the Cardinals' defensive unit with 10 solo tackles.

Tawas now has a record of one win and two losses in conference play.

Undefeated in Conference

Eagles Beat Posen; Meet Atlanta Fri. in NSL Showdown

Hale Eagles will play at Atlanta Friday night in a showdown for leadership of the North Star League.

The Eagles registered their second straight conference victory Saturday afternoon when they shut out Posen, 15-0.

The two teams were scoreless in the first quarter, but Dan Dear scampered 26 yards for a touchdown in the second quarter.

Tom Lesneski scored a touchdown for Hale in the third quarter on a six-yard run.

Dear had 166 yards of Hale's 205-yard ground game.

Intercepting passes for Hale were Dear, Jeff Dillon and Tom Green. Dear had 14 tackles, Lesneski was in on 11 and Larry Caverly turned in the same number.

Jr. Braves Won Over W-P Cards

Tawas Junior Braves rolled to a 20-8 victory Thursday night over the Whittemore-Prescott junior varsity.

Lee Irons scored three touchdowns for the winners on runs of 16 yards, two yards and five yards. Dave Klenow made good on two out of three kicks from placement.

Charlie Elliott had 101 yards rushing for the Junior Braves.

Defensive standouts were Rodney Whitford, Tom Reder, Gary Drumm and Elliott.

Whittemore - Prescott scored on a blocked punt in the fourth quarter.

Wilber News

Mrs. Richard Palmer of Plymouth came to visit her father, Dr. E. B. Cavell Jr., for a few days.

Mr. and Mrs. Bertram Harris returned home Friday after spending a few days vacationing at Black River.

Tuesday, Mr. and Mrs. William Eckinger and Lawrence Eckinger of Kawawin came to their home on North Sherman Road.

Irving Dawes was taken to Tawas Hospital on Sunday. Get-well wishes are sent.

Frieda Cholger visited this week at the Harold Cholger home.

Mr. and Mrs. Kenneth O'Brien went to Saginaw on the week-end and visited Mrs. C. L. Graham.

Emil Cholger is a patient at Tawas Hospital. Get-well wishes are sent.

Mr. and Mrs. Lyle Newberry and John of Davison returned home Sunday after spending the week-end at the Newberry home here.

Kenneth Schmid and family of Warren spent the week-end at their home here and visited relatives.

Agency Revises Its Bylaws

At its September meeting, East Central Michigan Health Systems Agency, Incorporated, board of directors approved a resolution that revised the agency's bylaws changing the month of the annual meeting from October to July; established the month of the next annual meeting as July of 1981; allowed the terms of office of the current directors, officers, committee chairpersons and committee members to be extended to correspond with a July 1981 rotation schedule.

Bravettes Tied for NEM Leadership

Tawas Bravettes took a close, 47-46, decision last week over the Gladwin Flying Gs and earned a tie for first place in the Northeastern Michigan Conference and Ogemaw Heights defeated Standish.

On Thursday night, the Bravettes lost to the Oscoda Owls, 62-57, in a nonconference game.

Tawas had 17 turnovers to Gladwin's 13, but the Braves played over their mistakes to turn in a victory on a total team effort.

Lisa Bielby was the top team scorer with 12 points, followed by Colleen Curry's nine points. Kris Pafenfus, Jan Johnson and Lori Gracik each had six points, while Linda Nelkie, Cindy Stephan, Diane Nelkie and Kellie Brockenbrough each added a field goal.

Top scorer for the losers were Stacey Emeott, 16 points; Vicki Anderson, 12, and Marilyn Hude, 11 points.

Starter Lori Gracik was injured in the early part of the game with Oscoda and another starter, Johnson, ran into foul trouble during the first half.

The depth of the Tawas bench came through and fought from 20 points down to finish losing

by only five points.

Debbie Allen meshed 14 points to lead Tawas, followed by Johnson's 13 points. Curry had nine points, Bielby meshed 10, Pafenfus had six points, Diane Nelkie and Brockenbrough each had two points, while Carmen Brackenbury added a foul shot.

Rhonda Hofacer of Oscoda was high for the night with 20 points, followed by Bette Davis' 18 points and Sherry Crooks added 16.

The junior varsity registered a 54-43 win over Gladwin and lost to Oscoda, 67-59.

Amy Wood had 16 points to lead in the Gladwin game, followed by 14 points turned in by Patty Stephan and 12 points by Ann Wood.

Ann Wood meshed 23 points at Oscoda, while Amy Wood had 16 points and Stephan turned in 13.

Firewood Cutters May Break Record

United States Forest Service officials have predicted that, with continuing nice autumn days, the number of firewood cutters this year will surpass the record 9,000 people who were issued free-use permits in 1979 on the Huron-Manistee National Forests.

According to these officials, there are some who abuse this privilege that is available to every family. With the high price of firewood in the larger cities, some individuals indiscriminately cut wood, without a permit, and sell it at a profit. There have been instances where large trucks have been driven to an area, been loaded during the night, and were back on the road again before sunrise.

Persons who fail to obtain a permit or to comply with the conditions of the permit are subject to fines and/or prosecution under federal law or the secretary of agriculture's rules and regulations.

In an effort to stop unauthor-

ized woodcutting, the forest service will step up patrols in the woods this fall to check the validity of permits held by woodcutters. Anyone seeing suspicious activities in woodcutting areas is asked to report them to any forest service or Michigan Department of Natural Resources office.

Officials emphasized that, although the firewood permits are free, only dead or down

Sand Lake

Mr. and Mrs. Russell Whalen have returned after spending some time with their daughter, Mrs. Donald Kohls, and family in Mentor, Ohio.

Mr. and Mrs. Walter Broom, Mr. and Mrs. Louis Stieb, Mr. and Mrs. Marion Judd and Mr. and Mrs. James Nance dined at Lutz's last week in celebration of their wedding anniversaries.

Sand Lake Heights Women's Auxiliary will meet on Tuesday, October 14, 7:30 p. m., at the

community building.

Vincent Wade underwent surgery October 7 at St. Joseph Hospital in Flint.

Cecil Jones of Lapeer and Indian Lake passed away last Monday and funeral services were held in Lapeer on Thursday. Condolences are extended to the family.

Retirees will meet on Thursday, October 16, with pot-luck dinner at 1:00 p. m. with an advisory board meeting following.

Mrs. Werner (Alice) Leidecker is at home after four months at Harper Hospital and Detroit Medical Center.

\$50,000 Grant Aids to Develop Transportation

Kenneth Trower, chairman of the Northeast Michigan Regional Transportation Advisory Committee, announced last week that NEMCSA has received a \$50,000 grant from the Community Services Administration to assist in the development of public transportation in Northeast Michigan. The federal funding will enable NEMCSA to study the public transportation needs of a 10-county area including Alcona, Alpena, Arenac, Cheboygan, Crawford, Iosco, Montmorency, Ogemaw, Oscoda and Otsego. Based on the results of the study, assistance will be given in helping

each individual county develop transportation plans. The grant period runs for 15 months beginning September 1.

Trower was elected chairman of the Northeast Michigan Regional Transportation Advisory Committee at its regular meeting on September 17. He is a county commissioner from Alcona County and serves as the board of commissioners representative to the transportation committee and also is a member of the NEMCSA board of directors. Also elected were Ray Brill, vice chairman, Otsego County, and Nancy Hier, secretary, Alpena County.

SEVERAL outstanding floats were entered in Friday night's homecoming parade at Whittemore-Prescott School. This float entered by the senior class featured a cannon,

along with signs which correctly predicted the Cards would blow the Braves off the field.—Tawas Herald Photo.

Commission Tables Action on Funding Landfill Survey

Action was tabled Wednesday by the Iosco County Board of Commissioners on a proposal for the county to finance a \$6,000 hydrological survey to be conducted at Multi-County Landfill on Monument Road.

Under terms of a June 1978 contract with the private firm to provide sanitary landfill service to the county, the board of commissioners agreed to reimburse the owners for ex-

penses involved in complying with new state mandates. Appearing before the board with their request Wednesday were Judson Bowers, president of Multi-County Landfill, along with local members of the firm, Robert and Wilbur C. Roach of East Tawas.

Robert Roach told commissioners that the Michigan Department of Natural Resources had notified the firm that the landfill would be closed by the state unless the hydrological mandate was complied with. He asked the board of commissioners to abide by contractual terms and authorize payment of \$6,000 for the survey.

DAVID MUCKENTHALER, 12 years of age and a student at Tawas Area School, was the first deer hunter to report success on the opening day of bow and arrow hunting last Wednesday. Using a compound bow with a

30-pound pull and at a distance of 20 yards, he dropped this nice buck east of Twining. He is the son of Mr. and Mrs. Edward Muckenthaler.—Tawas Herald Photo.

City Hall Secretary Set to Retire Friday, Oct. 10

Mary Bergeron, who has served as city hall office secretary since 1957, is currently in her last full week of work before retirement.

Her fellow employees and spouses, as well as members of the Tawas City Council, will honor her Friday night at a dinner party. And, to set minds of taxpayers at ease, the party will not be at city expense.

When she started her job 23 years ago under former city manager, Reginald Bublitz, she was employed part time to handle billings for the water and sewer department.

There were around 500 customers in 1957 and about 800 customers presently utilize municipal services. During September, the city consumed 127,219,370 gallons of water.

Since becoming a full time employee, her added duties have been to assist the city clerk and treasurer. She collects taxes, takes voter registrations and answers a variety of calls over the telephone—from taking complaints to acting as an information center.

She has been active since 1949 in the Tawas Women's Bowling Association, serving in a variety of offices.

Future plans call for her to visit her daughter, Karen, and husband, MSgt. Charles Paramour, who were recently assigned to an air force base in

Florida after returning from Germany. The Paramours have four children. Mrs. Bergeron's son, Richard, resides at East Tawas.

It was indicated by Webb and other commissioners that a special committee had been formed to study financing a county landfill and that some other approach to provide this service may be taken in the future, perhaps contracting with Alcona County.

"We have a tight operation . . . if you can find a lower cost way to do it, be our guests," said Robert Roach.

Merschel felt that approval of survey financing should not be delayed, inasmuch as the county would not be obligated unless the DNR issues a license. He said he was to attend a meeting Thursday called by East Central Michigan Planning and Development Region to discuss landfill planning.

He was in hope that DNR officials would be in attendance in order that the entire problem could be outlined. "As a county, Iosco is willing to comply with state rules, provided they are reasonable," said Merschel.

He said that the county "could not build a bathtub, an acre at a time, and then seal it," referring to new state mandates for a clay and plastic lined bottom on sanitary landfills.

Public Owns the Trees

DEPENDING upon descriptions in deeds, ownership of some private property extends to the center line of abutting roads and highways in Michigan. Ownership of trees in the right-of-way—private vs. government—became a burning issue in

Iosco County 32 years ago and the matter was settled in circuit court. A similar case has never reached the court since then in this county.—Tawas Herald Photo.

That trees growing along a public highway right-of-way belong to the public and are under the jurisdiction of either a county road commission or state highway department is a generally accepted fact today, but tree ownership became a burning issue here in Iosco County in 1948 and the matter finally landed in circuit court for settlement.

In the early 1940s, Charles Henry Anschuetz of Tawas Township, owner of a small sawmill, made application to the Iosco County Road Commission to cut a number of trees in the right-of-way of Plank Road extending west out of Tawas City.

As could be expected, the road commission denied the request and the matter was forgotten until early 1948, when Anschuetz decided to cut them anyway. A veteran of many "campaigns" during earlier white pine logging days, Anschuetz was an expert woodsman and picked a time at night when his work with crosscut saw would go unnoticed.

Angry members of the road commission were understandably upset the next morning when Plank Road residents called the road commission office at East Tawas to report that the roadway was lined with fallen trees and Anschuetz was at work cutting off branches in preparation to turn the tree trunks into saw logs.

When questioned, the aged sawmill owner contended, as he had in the past, that his property line adjoining Plank Road extended to the center of the highway and that he had a perfect right to cut the trees for his own use as he was the actual owner.

That contention brought down the wrath of the road commission and Anschuetz was immediately cited into justice court.

A LONG RECORD of public service was established by Charles Henry Anschuetz. He was a justice of the peace and later a member of the Iosco County Board of Supervisors. He died May 12, 1951.

"All trees along the county highways and within the right-of-way limits are under the jurisdiction of the road commission," argued Pros. Atty. Herbert Hertzler during his appearance before Justice of the Peace H. E. Friedman.

"Trees that are not in the way of construction or maintenance are generally left for ornamental purposes. If it becomes necessary to remove them, they are trimmed and cut into convenient lengths and piled on the adjoining property. The timber and wood then be-

long to the adjoining property owner," contended the county.

While admitting that the property line of the adjoining owner may extend to the center of the highway, "the property is subject to an easement which has been obtained by the county road commission through the proper legal procedures. This easement may have been purchased, or it may have been obtained by gift or usage and gives to the road commission certain rights and privileges for the purpose of building and maintaining, plus beautifying

the road in the interests of the traveling public," argued the prosecutor.

The road commission immediately applied to the circuit court for an injunction to stop further cutting of trees and then commenced suit "to more effectively obtain a proper legal decision in the matter."

Although conscious of the fact that public opinion was about equally divided between the rights of the Tawas Township resident and the county, the road commission pushed for a court decision "as rapidly as can be handled through the regular channels for such legal proceedings."

With much public fanfare, the case was brought to trial before Judge Herman Dehnke during the June term of Iosco County Circuit Court. The case had the chancery cause title of "Board of County Road Commissioners vs. Charles H. Anschuetz."

Judge Dehnke ruled in favor of the road commission and issued an injunction forbidding further cutting of trees by the defendant along the highway right-of-way.

This case apparently has settled the matter of tree ownership along highways in this county for all time. A similar case has never again reached circuit court.

A pioneer resident of Iosco County, Anschuetz was born in 1863 at Saginaw and came here with his parents when a small child. He homesteaded land in 1884 at Sand Lake, where he started his first sawmill. In 1911, he moved the mill to Cold Creek and later to its final location at the intersection of Plank Road and M-55.

Anschuetz, who had served his township as justice of the peace from 1890 to 1892 and supervisor from 1924 to 1934, died May 12, 1951.

CHARLES HENRY ANSCHUETZ came to Iosco County with his parents in the late 1860s. He homesteaded land in the Sand

Lake area, establishing his farm and first sawmill there. He later owned and operated small mills at two different locations here.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

State's US-23 Explanation Was Reasonable

The reason given by the state department of transportation a couple weeks ago concerning why shoulders of US-23 in Iosco County were paved to a width of nine feet, while Arenac County shoulders were paved to three feet, seemed to be reasonable. But that explanation has led to a difference of opinion, particularly in Arenac County.

As this corner read the department's letter, the main reason for the difference in shoulder widths was that US-23 in Iosco County received an asphalt surface in 1964 and was ready for resurfacing; the highway in Arenac County, from Standish north to M-65, was resurfaced in 1974-1976 and was not in need of resurfacing at this time.

Shoulders in Arenac County were paved to a width of three feet, with the prospect of widening in the not too distant future.

Political pressure being what it is, some varying answers are apparently now being given to Arenac County residents by different spokesmen for the department of transportation.

Perhaps one of the problems lies in the fact that each county is in a different highway district.

Before people of Arenac County get too upset about the wider highway shoulders to the north, perhaps they should withhold judgment for a few months, or even a year or two.

The wider shoulders are nice, but some members of the highway department wonder if they are economically feasible; some highway engineers, too, want to study the safety aspect as the wider shoulders tend to encourage travel in an area which is not a driving lane.

As an example of that concern over safety, a novel method of warning motorists that the paved shoulder is not a driving lane was included in planning for US-23 between Oscoda and East Tawas.

In one area, a series of grooves in the shoulder, cut in the surface at a right angle to the main traveled portion of the highway, is intended to warn motorists that they are not traveling in a driving lane. The grooves, spaced about 70 feet apart, set up a noticeable vibration in cars traveling on the shoulder.

The grooves were cut as a highway safety experiment; other highway engineers are to study if any maintenance problem in the surface results from those grooves. The engineers, both safety and maintenance, will know more about the matter next spring.

This corner does not believe any insinuation that one county was shown any preference over the other in this matter.

EVERYONE WELCOME

CHRISTIAN SCIENCE
 919 E. Bay St. — East Tawas

(Read John 1:35-42)
 It is true that the majority of Christians are not great preachers and speakers. Yet, we must not lose sight of the fact that the great commission of our Lord to the church has something to do with us. Our text shows how important the one-to-one approach was to the ministry of Jesus.

Many things have changed since the time of Andrew and Peter, but the essential characteristics of people have not. Most of us live in families and communities, and we foster friendships. Our own personal relationships may be the greatest mission field we could find. It may well be the most difficult of all, however.

We do not have to be great talkers or be aggressive in nature to be involved in this one-to-one evangelism. Personal evangelism is not easy. But, in our world where there is a great need for people to feel accepted and loved, we have many opportunities to show and share the love of God. We must consciously make the effort to be personal evangelists, remembering that God's strength makes it possible.

PRAYER
 Lord Jesus, deepen our love for You. Help us day by day to seize the opportunities we have to share Your love. Amen.

THOUGHT FOR THE DAY
 Evangelism is sharing God's love with someone.—Keith V. Garner (England)

Hale Church Joins Mission Saturation

First United Methodist Church of Hale will unite with 82 other churches of the Saginaw Bay District of United Methodist Church in a Mission Saturation Program the week of October 11 through 16. The program will introduce over 80 mission interpreters for a period of six days.

Serving a four-fold purpose, the program will tell the story of the global outreach of the church, stimulate interest in the global outreach, enable personal encounter with mission interpreters and challenge local churches to support the global outreach of the church through donations.

A kick-off dinner will be held Saturday, October 11, 5:30-7:30 p. m., at First United Methodist Church, Bay City, followed by a panel discussion. Brief summaries of some of the mission fields will be highlighted.

Esther Kim will speak at the 8:30 and 11:00 a. m. services Sunday, October 12, at the Hale church. Scheduled for the remainder of the week are the Rev. Joy Arthur Sunday, October 12, 5:00 p. m. with the United Methodist Youth Fellowship; Tuesday, October 14, 6:30 p. m. pot-luck with the Rev. Donald Haskell speaking after the meal; Thursday, October 16, 7:30 p. m., the Rev. and Mrs. Harry Brakeman will address the United Methodist Women.

Offerings will be collected at each of the gatherings to support the Mission Saturation Program. The public is invited to attend any or all of the presentations.

They call it "The Overnight Wonder" for constipation.

Fall Rally Set Oct. 14 at Gladwin

Fall rally of the Lutheran Women's Missionary League Timberline Zone will be held at Our Saviour Lutheran Church, Gladwin, on Tuesday, October 14. Registration is at 9:30 a. m. and the meeting will begin at 10 o'clock with worship and songs by the Valley Lutheran High School Double Trio Singers. A report on the Michigan District Convention will be heard. After lunch, the business meeting will be held and at 2 o'clock, a special LWML Sunday service with Holy Communion will be conducted.

Ladies from Faith Lutheran Church, Prescott, need backing material for quilts and request that anyone would bring extra material she might have on hand to the meeting.

Rev. Fairfield a World Traveler

The Rev. Charles Fairfield, formerly of East Tawas and pastor of First Assembly of God Church, Bradenton, Florida, has traveled the world spreading the Gospel and earlier this year traveled to the Orient on an outreach mission to Mainland China.

With his assistant, the Rev. Stephen Braun, five Christian education depots were established in China and operational headquarters in Manila, Philippine Islands. The depots are warehouses for Bibles, spirit-

The Rev. Charles Fairfield

ual literature, tapes and books for daily devotionals.

On the first trip, Pastor Fairfield delivered 1,650 King James Bibles written in the Mandarin Chinese dialect. Also, he delivered 250 90-minute tapes and 50 copies of a devotional book.

He believes the effort is more than worth the expense to the First Assembly of God Church, whose 300 congregation members raised \$5,000 for this initial state of the interfaith mission outreach.

He said it was not possible to calculate how many people are eager for the Christian message of salvation because Christianity is still an underground movement in most of Mainland China.

"For 30 years, the church has existed underground in China and that faith has been kept

alive and well by the thousands who meet regularly in small groups," he said. "We hear about this from friends and relatives coming out of China. Since the population of Manila in the Philippines is 50 percent Chinese and since these people go in and out of Mainland China to visit we are able to use these people as couriers for our Bibles.

"I could say there are 200,000 Chinese Christians waiting for our mission outreach, but really the number could be three times that many. We just do not know yet because the Christians do not surface. They distrust the government and are reluctant to be counted as Christians for fear of reprisals."

Interviewed by the Sarasota (Florida) Herald-Tribune, he said the official Chinese government has, however, sanctioned five literature depots in China because the government is anxious to have its population learn the English language and it is also interested in the technical equipment that the First Assembly ministry is moving into China. The equipment includes tape duplicating machines, a printing press and videotape systems.

"We are able to enter China with our program under the auspices of education," explained Fairfield. "We are teaching the English language with our tapes and books. But we are teaching English through the use of Scripture. That way the government is satisfied and our aims are also met."

He will be making a return trip to China in February to offer courses to nationals in counseling, office management and evangelism. The hope is for the Chinese to become Christian ministers to their own people.

The First Assembly of God Church of Bradenton called Fairfield to be its minister three years ago.

Fairfield is a 1959 graduate of Tawas Area High School. He is the son of Mr. and Mrs. Charles Fairfield of East Tawas.

Special Series of Services at Hemlock Rd. Baptist

"Charts that will change your life" is the theme of a special series of services starting Sunday, October 12, and closing Friday, October 17, at Hemlock Road Baptist Church, corner of M-55 and Chambers Road, Tawas City. Evangelist Charles N. Curtis of Stewartville, Minnesota, is the visiting speaker.

Pastor Curtis has been ordained for over 23 years serving in rural and village churches as well as city churches. He brings a fresh and new approach to evangelism by preaching the Word of God with nine inch by 21 inch colored charts.

Curtis knows the needs of the heart and lives of people. His years of counseling and preaching experiences are brought into the messages so as to make them dynamic, forceful, colorful and interesting. The great colored charts, designed by Clarence Larkin and enlarged and painted by Curtis, add to the message and are worthy of hours of study. In these charts are pictured the future events that are spoken of in the Bible and tell of the rapture of the church, the second coming of the Lord, the days of tribulation, the destiny of both Jews and Christians.

The Rev. William Wright stresses the fact that everyone is cordially invited to attend these special meetings, whether of like faith, another faith or no faith at all. The meetings will start at 7 o'clock each eve-

William Carter Dancers Open C. Concert Season

The William Carter Dancers open the Community Concert Association's 80-81 season Thursday, October 9, 8:15 o'clock, in the Oscoda Area High School Auditorium. The ensemble promises to provide an evening rich in variety, for William Carter is himself often referred to as a Renaissance man in dance. His brilliance in ballet, jazz and flamenco will

be displayed in a program sure to enchant all dance lovers. Carter has starred with American Ballet Theatre, New York City Ballet, Martha Graham Dance Theatre and the Pearl Lang Dance Company. Dance Magazine recently featured Carter on its cover and the accompanying feature story summed up the dancer's extraordinary talents by saying,

"There is something intangible that Carter brings to movement—a mediation at the instant of giving it life—a poetic quality that is almost Chekhovian. His dancing looks like imagination made visible."

Attendance at this first of four Community Concert offerings is by membership card only. Members are urged to arrive at the high school auditorium early on Thursday evening.

District Health Educator Announces Clinic Dates

Brian A. Witte, health educator for District Health Department No. 2, announces the following clinic dates for the month of October.

Medicaid screening clinic (EPSDT) will be held October 8-9, 9:30 a. m.-3:30 p. m., at Hale Baptist Church; October 14-16, 10:00 a. m.-3:00 p. m., at Ogemaw County Building, West Branch; October 29-30, 9:30 a. m.-3:30 p. m., Harrisville office in the courthouse annex.

WIC clinic appointments will be made for October 8-9 at Harrisville, October 15-16 at Mio courthouse annex, October 21-23 Oscoda office and October 28-31 at West Branch.

Family planning clinics will be at Harrisville October 6, 13, 20 and 27 by appointment only and October 8 and 22 at West Branch.

Free immunization clinic will be at Mio October 7 from 9:30-11:45 a. m. and 1:00-3:00 p. m. The same clinic will be at West Branch from 10:00 a. m. to noon and 1:30-4:30 p. m. Catch-up clinic will be at Hale Area High School October 9, 3:00-9:00 p. m. and October 10, 9:00 a. m.-noon. Immunization clinics are also being held at Hale Community Building October 28 from 9:30-11:30 a. m. and October 21 at Harrisville from 10:00-11:30 a. m. and 1:30-3:30

p. m. and the same day at Skidway Chamber of Commerce office from 9:30-11:30 a. m.

Blood pressure clinics will be conducted at the Oscoda office October 6, 13, 20 and 27 from 8:30-10:30 a. m.; at Mio Senior Citizens Center October 14 from 12:30-3:00 p. m.; October 15 starting at 12:30 p. m. at the Methodist Church, West Branch; October 21 from 11:30 a. m. to 1:00 p. m. and 1:30-2:00 p. m. at Skidway Chamber of Commerce office; October 22 at St. James Catholic Church, Whittemore, from 11:00 a. m.-1:00 p. m.

Tuberculosis clinic will be by referral or appointment at the Oscoda office each Monday in October from 8:30-10:30 a. m.

Proceedings of Iosco County Board of Commissioners

SEPTEMBER SESSION (CONT'D)

September 16, 1980
A regular meeting of the Iosco County Board of Commissioners held at the County Building in Tawas City on September 16, 1980, pursuant to adjournment September 3, 1980.

Meeting called to order at 4:10 p. m. by Chairman Webb and the roll called.

Present: Stech (District 1), George (District 2), Merschel (District 3), Ulman (District 4) and Webb (District 5).

Absent: None.

Finance Chairman George presented and moved adoption of the following resolution, motion being supported by Ulman and carried.

BE IT RESOLVED, that the Iosco County Board of Commissioners, in compliance with Sec. 211.205D of the C. L. 1948; M. S. A. 7.65 (4), hereby orders that the question of providing separate tax limitations as determined by the Iosco County Advisory Tax Limitation Committee, be submitted to the registered qualified electors of the county at the next general election in the following form:

"Shall separate tax limitations be extended for a period of five (5) years (1982-1986 inclusive), or until altered by the voters of the county, for the County of Iosco and the townships and school districts within the county, the aggregate of which shall not exceed fifteen (15) mills as follows:

MILLS table with columns for County of Iosco, Townships, Intermediate school district, School districts (A school district located entirely within a city or charter township shall receive in addition millage equal to the township millage).

Total: 15.00
Chairman Webb referred to a request by County Cooperative Extension Service Director Susan Lambrecht for a resolution to continue the family aide contract, whereupon Commissioner Ulman presented and moved adoption of the following resolution, motion being supported by George and carried.

WHEREAS, Iosco County's Cooperative Extension Service has employed a family aide funded by a contract with the Michigan Department of Social Services; therefore, BE IT RESOLVED, that John D. Webb, Jr. has lawful authority to represent Iosco County's Cooperative Extension Service in continuing this agreement in 1981.

Continuing, Webb referred to a request by the county clerk for authorization of mileage reimbursement to attend a Blue Cross seminar in Bay City, Michigan, in October, whereupon it was moved by Ulman and supported by Merschel that mileage reimbursement be allowed. Motion carried.

Commissioner Merschel referred to a resolution adopted by the board on September 3, 1980, authorizing a credit in the amount of \$1,000 to be applied on the lease agreement with Roger McIntosh in consideration for leveling and graveling work performed on county property adjacent to lot "A" at the Iosco County Airport, presenting and moving adoption of the following resolution to amend the earlier action. Motion supported by Stech and carried.

Your airport committee recommends that the resolution dated September 3, 1980, regarding the credit of \$1,000 to Roger McIntosh's contract be amended as follows:

The date indicated, of "September, 1980", to be deleted, and substituted in its place, "November 1, 1979 through November 30, 1979". Further, that the account be placed in the airport manager's records for rental collections and servicing, with the credit of \$1,000 to apply against contract obligations through June 30, 1981. Further, that a check in the amount of \$1,000 be drawn on the county general fund and paid to the airport hangar fund.

In a discussion with board members concerning county finances, Treasurer Nelkie referred to the contract awarded to John Henry, Inc. for work to be performed on the county airport runway extension, asking

if it would necessitate his cashing any federal revenue certificates of deposit before receipt of the 4th quarter revenue sharing payment, which he expects by October 10th. It was the consensus of board members that the 4th quarter F. R. S. payment, estimated by the treasurer to be approximately \$83,000, would be adequate to cover anticipated obligations, without having to cash C. D.'s.

In continued discussion of county finances, the clerk noted that there will be one extra payroll this year (over and above the normal 26) due to the accumulation of 1 day each year over and above 52 weeks.

The county treasurer was requested to prepare a revenue projection from the records of his office to assist the board in developing a 1981 county budget. Matter discussed briefly.

The treasurer further directed attention to deficits in the child care fund and funds appropriated for state institutions, indicating there is no immediate need, that the board could wait until October to transfer funds.

Chairman Webb reviewed the business upon which action should be taken, referring the various matters to the proper committees.

In discussion of appointments to be made to the newly created Iosco County Housing Commission, Commissioner George remarked that no names have been submitted from his district, proposing that Ruthie Stevens, a constituent from his district, be named to the commission, matter discussed briefly.

Chairman Webb referred to the necessity to submit an application in the near future if a "HUD" grant is desired for next year. In discussion of the matter, it was pointed out that an administrator will be required for the housing program and that a good one could write the grant applications. Merschel voiced the opinion that an application should be submitted for next year, as it can always be cancelled if need be; and George advised that the deadline for submission of applications is November 15, 1980.

Commissioner Ulman presented and moved adoption of the following resolution, motion being supported by Stech and carried.

Your administrative committee recommends that the following schedule of fees, covering services performed by the county equalization department for local units of government, be approved as submitted by the equalization department.

Chairman Webb referred to a resolution adopted by the board on September 3, 1980, authorizing a credit in the amount of \$1,000 to be applied on the lease agreement with Roger McIntosh in consideration for leveling and graveling work performed on county property adjacent to lot "A" at the Iosco County Airport, presenting and moving adoption of the following resolution to amend the earlier action. Motion supported by Stech and carried.

Your administrative committee recommends that John D. Rose, William Olsen, Denise Brown and Barbara Eppert be authorized mileage and expenses for meals for each day necessary to attend the Michigan assessors' short course to be held October 20-22, 1980, at Grayling, Michigan, with mileage to be provided for one vehicle only. Overnight accommodation expenses not authorized.

Following a discussion of the matter, it was moved by Ulman and supported by Stech to table the matter pending further investigation. Motion to table carried on the following roll call: Ayes: Stech, Merschel and Ulman. Nays: George and Webb.

Commissioner Ulman presented and moved adoption of the following resolution, which was supported by Stech; it being thereupon moved by George and supported by Merschel to table

the matter. Motion to table carried on the following roll call: Ayes: George, Merschel and Webb. Nays: Stech and Ulman. Honorable Board of Commissioners:

Your administrative committee recommends that bar association dues be paid for judges in circuit, district and probate courts as initially provided for in the 1980 county budget, and that the budget be amended to transfer the sum of \$250.00 each to budget line items 208, 233 and 257 from line items 210, 237 and 260, to fund payment of said bar dues; the clerk to prorate the expense with the other member counties of the 23rd Judicial Circuit and the 81st Judicial District.

Commissioner Merschel presented and moved adoption of the following resolution, motion being supported by George and carried.

BE IT RESOLVED, that we, the Iosco County Board of Commissioners, acknowledge that our solid waste management plan prepared by E. C. M. P. D. R. is a multi-county plan with Arenac, Gladwin, Ogemaw and Roscommon Counties; and

BE IT FURTHER RESOLVED, that Chairman John D. Webb, Jr. be authorized to sign a copy of this acknowledgment to E. C. M. P. D. R.

In a brief discussion initiated by Commissioner Ulman, Ulman and Merschel indicated their displeasure with the practice of submitting to the board for action at the last minute, matters with which other board members are not familiar and have been afforded no time for study, voicing the opinion that ample time should be allowed for all members to study any proposed action before it is submitted to the full board for a vote.

There being several items of unfinished business, it was moved by Ulman and supported by Merschel that the meeting be recessed until September 17, 1980, 4:00 p. m. Motion carried and meeting adjourned at 5:12 p. m.

JOHN D. WEBB, JR. Chairman
D. KEITH PAPAS Clerk
41-1b
SEPTEMBER SESSION (CONT'D)

September 17, 1980
A continuation of the regular September Session of the Iosco County Board of Commissioners held at the County Building in Tawas City on September 17, 1980, pursuant to adjournment September 16, 1980.

Meeting called to order at 4:10 p. m. by Chairman Webb and the roll called:

Present: George (District 2), Merschel (District 3), Ulman (District 4) and Webb (District 5).

Absent: Stech (District 1). Commissioner Merschel presented and moved adoption of the following resolutions:

WHEREAS, the contract for the extension of the runway at the airport requires paving; and WHEREAS, the Iosco County Road Commission has a contract with Central Paving for the paving of various roads throughout the county; and

WHEREAS, it is the desire of the airport committee to include and make part of the contract with Central Paving, the paving of the airport runway; and WHEREAS, this work involves 1,200 tons of number 11 mix at \$24.00 per ton, for a total cost of \$28,800;

THEREFORE, BE IT RESOLVED, that the Board of Iosco County Commissioners does hereby authorize the chairman and the county clerk to sign the contract with the Iosco County Road Commission for implementation of this work.

Supported by Ulman and carried. Chairman Webb opened and read the following sealed bids for sale of surplus, retired sheriff's patrol vehicles, obtained pursuant to resolution adopted September 3, 1980.

1976 MERCURY Virgil Newman, Oscoda \$51.00
Marie and Nelson R. Koon, Oscoda \$51.00
Robert House, Twining \$366.00
Jack Westcott, Hale \$350.00

1979 OLDSMOBILE Michael Varney, Oscoda \$300.00
Robert House, Twining \$629.00
Jack Westcott, Hale \$550.00
Marie and Nelson R. Koon, Oscoda \$270.00

It was thereupon moved by Merschel and supported by Ulman that the vehicles be sold to the highest bidders, allowing 5 business days for finalization and tender of payment. Following a brief discussion, however, the motion and support were withdrawn; whereupon

Supported by George and carried. Finance Chairman George presented the following report of minutes of the statutory finance committee meeting of September 10, 1980, and moved its acceptance, motion being supported by Merschel and carried.

MINUTES OF STATUTORY FINANCE COMMITTEE MEETING OF SEPTEMBER 10, 1980

Members present: George, Webb and Merschel.

1. Claims and accounts as attached were reviewed by the committee and approved with the following exceptions: Exceptions Reason Action

- No. 8 Rose Heating & Plumbing, do not pay sales tax reject \$.28
Claims & Accounts No. 1 No. 4 Tri County Agency, Inc., to be studied further reject \$386.00
No. 29 Northeastern Shopper, finance charges reject \$ 3.21
No. 35-A Institute Cont. Legal Ed., requires clarification reject \$200.00
2. Additionally, the committee discussed the following items and took indicated disposition: None.

Signed: John D. Webb, Jr., David George and Carlton Merschel

Attachments: C & A 1 \$12,492.37 2 7,323.67 3 8,955.09

Rev. Sharing 28,857.71 Paid without presentation 29,128.38

Continuing, George presented and moved adoption of the following resolution, motion being supported by Merschel and carried.

Your finance committee recommends that, after review, the county clerk and the chairman of the board of commissioners be authorized to approve salary for the month of September and per diem for meetings throughout today for the board of commissioners, as set forth in the following report:

BOARD OF COMMISSIONERS PAYROLL

John D. Webb, Jr. Salary for September 1980 \$250.00
Board meet. 9/3, 9/16, 9/17 93.00
Committee meet. 8/27, 8/28, 8/9, 9/9, 9/20 151.00 \$494.00

Marian Ulman Salary for September 1980 \$200.00
Board meet. 9/3, 9/16, 9/17 93.00
Committee meet. 8/27, 9/10, 9/11 81.00
Parks & recreation meet. 9/9/80 23.00 \$397.00

Carlton Merschel Salary for September 1980 \$200.00
Board meet. 9/3, 9/16, 9/17 93.00
Committee meet. 8/27, 9/10, 9/15 105.00
Board of public works 8/21/80 23.00 \$421.00

David George Salary for September 1980 \$200.00
Board meet. 9/3, 9/16, 9/17 105.00
Committee meet. 8/26, 9/8, 9/9 128.00 \$433.00

James F. Stech Salary for September 1980 \$200.00
Board meet. 9/3, 9/16, 8/28, 9/4, 9/10 128.00 \$328.00

Chairman Webb opened and read the following sealed bids for sale of surplus, retired sheriff's patrol vehicles, obtained pursuant to resolution adopted September 3, 1980.

1976 MERCURY Virgil Newman, Oscoda \$51.00
Marie and Nelson R. Koon, Oscoda \$51.00
Robert House, Twining \$366.00
Jack Westcott, Hale \$350.00

1979 OLDSMOBILE Michael Varney, Oscoda \$300.00
Robert House, Twining \$629.00
Jack Westcott, Hale \$550.00
Marie and Nelson R. Koon, Oscoda \$270.00

It was thereupon moved by Merschel and supported by Ulman that the vehicles be sold to the highest bidders, allowing 5 business days for finalization and tender of payment. Following a brief discussion, however, the motion and support were withdrawn; whereupon

THREE BEARS KILLED ILLEGALLY—James Chapman, left, DNR area law supervisor, and Conservation Officer David Douglas survey three bear that were killed illegally in Alpena County September 18. Five Detroit area men have pleaded guilty and received fines, court costs and restitution

charges amounting to over \$1,500. Persons having information about fish and game law violations should call the Department of Natural Resources toll-free hot line number, 1-800-292-7800.

Merschel moved that the 1976 Mercury be sold to the highest bidder, with 5 business days to be allowed for finalization and tender of payment. Motion supported by Ulman and carried.

Following continued discussion, Merschel moved that the bids received for the 1979 Oldsmobile be accepted and the public safety committee authorized, at their discretion, to sell the vehicle to the highest bidder if deemed in the best interest of the county. Motion supported by George and carried.

Chairman Webb referred to a proposed resolution to authorize expenses for four equalization department personnel to attend the Michigan assessors short course at Grayling, Michigan, on October 20-22, 1980, that was tabled during yesterday's session, proposing that approval be granted today for attendance of the training session, with the matter of reimbursement for travel expense and overnight accommodations to be resolved after further investigation.

Continuing, Webb initiated a brief discussion on the appointments to be made to the Iosco County Housing Commission, whereupon Commissioner Merschel presented and moved adoption of the following resolution, which was supported by Ulman. Following a brief discussion wherein it was indicated that no per diem or mileage reimbursement is authorized, motion carried.

BE IT RESOLVED, that the following named persons be appointed to the Iosco County Housing Commission, with initial terms as indicated: Ruthie Stevens, Oscoda, 1 year; Harris Barkman, East Tawas, 2 years; Harold Bannister, Hale, 3 years; Gordon Schultz, Oscoda, 4 years; Low-

ell Thomas, Tawas City, 5 years. Terms to commence September 17, 1980. In further discussion of the proposed action to authorize reimbursement of travel expense and other costs for equalization department employees to attend the Michigan assessors short course at Grayling, Michigan, on October 20-22, 1980, Commissioner Merschel questioned the practice of paying for training for employees to obtain a higher level of certification and then giving them a salary increase, expressing his feeling that they may be establishing a precedent, and noting that it is not much different than paying bar dues for the judges, which the board has rejected.

Upon motion, supported and prevailing, the following resolution (tabled on 9/16/80) was taken from the table: Your administrative committee recommends that John D. Rose, William Olsen, Denise Brown and Barbara Eppert be authorized mileage and expenses for meals for each day necessary to attend the Michigan assessors short course to be held October 20-22, 1980, at Grayling, Michigan, with mileage to be provided for one vehicle only. Overnight accommodation expenses not authorized.

Following a brief discussion, Commissioner George moved that the portions pertaining to "mileage for one vehicle only" and "overnight accommodation expenses" be deleted and the resolution, as amended, adopted. Motion supported by Ulman and carried.

The resolution for payment of bar dues, which was tabled on September 16, 1980, was raised and discussed briefly. Following a brief discussion by Finance Chairman George of

the miscellaneous bills to be considered, the board recessed at 4:55 p. m. upon order of the chairman.

Upon call to order at 5:06 p. m., Finance Chairman George presented and moved adoption of the following resolution, motion being supported by Ulman and carried.

Your finance committee recommends that the following bills be paid: Michigan Northern Counties Association, dues for calendar year 1980 \$100.00
Michigan District Judges Association, annual dues for 1980 75.00

Signed: David George
Chairman Webb read a letter under date of September 10, 1980, from Robert H. Brown tendering his resignation as Iosco County veterans' counselor, effective September 30, 1980, due to a relocation of his residence to another area; whereupon it was moved by George and supported by Merschel that the resignation be accepted, with regret. Motion carried.

The matter of advertising for a replacement for Mr. Brown, and possible candidates, was thereupon discussed briefly, it being decided to arrange for interviews of applicants next Wednesday.

Continuing, Chairman Webb referred to a letter received from the Baldwin Township Board under date of June 5, 1980, requesting that Floyd W. Peters be appointed to the county board of public works to fill the vacancy occasioned by the death of former Township Supervisor Richter Lixey; whereupon it was moved by Merschel and supported by Ulman that Mr. Peters be appointed to fill the vacancy for the balance of the term which expires Janu-

ary 1, 1981. Motion carried. Following a brief review of the minutes for the board of commissioners meetings of August 20 & 27, and September 3, 1980, wherein Commissioner George indicated the dollar amounts to be inserted on page 297 for the statutory finance committee meeting minutes (which had been omitted), it was moved by Ulman and supported by Merschel that the minutes be approved as drafted and presented by the clerk, subject to the aforementioned correction. Motion carried.

Commissioner George referred to a statement he made at the board of commissioner meeting of September 3, 1980, expressing his concern with respect to the board not having taken action to designate a chief administrative officer in accordance with the Uniform Budgeting Act of 1978, requesting that the following statement be entered into the minutes of the proceedings to clarify his position.

"I wish to be recorded as opposed to the board of commissioners' apparent desire to not implement at this time Act 621, of the Michigan Public Acts of 1978. My belief is the act provides constructive, orderly and responsible procedures for preparing, monitoring and amending a county's budget."

The business scheduled for the day having been concluded, it was moved by Merschel and supported by Ulman to adjourn until October 14, 1980, 2:00 p. m., or subject to the call of the chair upon 24 hours notice to board members and the news media. Motion carried and meeting adjourned at 5:20 p. m.

Extra strength relieves problem itching.
 It's called BICOZENE® and it has 20% more anesthetic than Lanacene®. BICOZENE's extra strength anesthetic safely cools all kinds of problem itching virtually on contact. And BICOZENE's antibacterial action speeds healing of itchy genital or anal areas.
 Look for BICOZENE Creme in the purple box at your pharmacy. Or ask for "By-Co-Zeen."
 Extra strength. Use only as directed. **BICOZENE**

Join Observance of National 4-H Week

Iosco County 4-H members, along with the five-million 4-Hers throughout the nation, are observing National 4-H week October 5-11. Throughout the week, members of the nation's largest out-of-school educational youth organization are taking part in special activities that focus on the values of 4-H. In

addition to the members, there are nearly 500,000 adult volunteer leaders who give of their time to share various skills with the boys and girls.

The theme, "Expanding Horizons," challenges members to seek new knowledge, acquire life skills and build on personal strengths. Members are encouraged to strengthen their citizenship and leadership abilities to help them assume positive roles in our free democratic society.

Members learn by doing and become involved in a variety of practical, real life activities ranging from agriculture to wood science. Programs vary according to youth needs and community resources.

Some project areas in which Iosco County 4-Hers are involved include beef, clothing, conservation of natural resources, cooking, creative crafts, dairy, foods and nutrition. Other project areas from the past year include gardening, horse and pony, international exchanges, photography, sheep, swine, veterinary science and shooting sports.

During the past 10 years, total 4-H participation of urban youth has tripled. However, 4-H is still serving a large percentage of farm or rural youth with 40 percent living in small towns or open country. A total of 18 percent live in towns and cities of 10,000-50,000 people.

4-H is the youth education program of the Cooperative Extension Service of the United States Department of Agriculture and the land grant university which here is Michigan State University. Since 4-H began in the early 1900s, there are now 39-million 4-H alumni who have been involved in the program. Also, there are 82 countries throughout the world who have youth programs similar to 4-H with a five-million enrollment.

NATIONAL 4-H WEEK

WORKING TOGETHER

MAKES IT HAPPEN!

Always Needed

4-H Leaders are Builders of Today's Iosco Youth

Adult 4-H leaders are really builders of youth as they work with the boys and girls in the 4-H youth program. As they start with a member age nine, they can see the enthusiasm and the possibility of them helping the youngster to learn new skills and develop into a good citizen. As the members begin in a club, they learn by doing in a project area of their choice. It may be making an article of

clothing, caring for a garden or raising a small animal. Regardless of the project, the 4-H leader shares knowledge with the 4-H members and helps them to learn responsibility.

As a member continues in the club, the leader helps the member to branch out into other projects so they have a variety of experiences. The leader can also help the member in leadership development as they work together in accepting re-

sponsibility as a club officer or working on a committee. Through these experiences, they develop into useful citizens in society.

Adult leaders are always needed to help guide 4-H members in Iosco County. Individuals who wish to be involved in helping youth develop in this dynamic program, may call the Cooperative Extension Service, 362-3449.

1,042 Youths Involved in Iosco 4-H Program

Iosco County had 1,042 youths involved in 4-H this past year. These youths were offered guidance in their projects by 82 leaders and eight teen leaders.

Five Iosco 4-Hers this past summer participated in the 4-H LABO International Exchange by visiting host families in Japan for one month. Some of these members have already given presentations on their trip and others will in the future. This program is designed to promote greater understanding and learning between cultures.

In addition to being involved in learning about projects in local club groups, 4-Hers have an opportunity to share with others what they have learned. This includes showing projects at Spring Achievement, fairs and other shows. They are also involved in demonstrations and share-the-fun acts.

Other opportunities for 4-Hers include the summer camp in June at Camp Timbers in Ogemaw County. At camp, they are joined by 4-Hers from 10 counties who share this camping experience. Exploration Days at Michigan State University in June is where 4-Hers

and leaders can learn about new projects.

Anyone interested in becoming involved in the nation's most exciting youth program, may call the Cooperative Extension Service office at 362-3449.

LOOKING BACKWARD—

Iosco Budget Slashed to Meet Funds

15 Years Ago—

October 13, 1965—Budgets of all county offices are being slashed this week in an effort to meet available tax money. Approximately \$70,000 must be cut from the budget.

Area police are beating the bushes this week in an effort to get a lead on a lone gunman, who held up the Whittemore branch of Farmers and Merchants State Bank just before closing time Wednesday and made off with \$7,747.

Tawas Area School is to participate in a vocational needs study being undertaken by Iosco Intermediate School District and Bay-Arenac district.

Janet Merschel reigned as homecoming queen at Tawas Area High School.

25 Years Ago—

October 13, 1955—Theodore Bellville, chairman of the Iosco County Board of Commissioners, officiated at cornerstone ceremonies for the new \$165,000 Iosco County Jail. Speaker during the program was John Watkins, East Tawas attorney. The new jail went into service this week.

More than 100 Anderson Coach Company dealers are to be here this week-end to inspect the new 1956 models.

Permission has been granted by the Iosco County Road Commission for Tawas City to extend a sewer main along Harris Avenue and Plank Road to the site of the new Tawas Area Junior and Senior High School.

35 Years Ago—

October 19, 1945—Northeastern Michigan's tourist and resort industry, forced to slow down when war came in 1941, stands on the threshold of a mighty era of growth, was the resounding theme of the East Michigan Tourist Association annual convention held at Bay City. Representing this county at the meeting were Lloyd McCuaig, Harry VanPatten and William Fitzhugh, members of the county board of supervisors.

Iosco County representatives of the Northeastern Michigan Hereford Calf Association have announced that plans are now completed for the first annual calf sale. There will be 175 head of cattle assigned to the sale from this county, first in the history of the state.

Postal inspectors are again warning against the damaging of rural mailboxes or other boxes used for the purpose of depositing and delivery of mail. It is a direct violation of postal laws to either steal or do damage to rural mailboxes, is the warning.

A new bicycle rack constructed by Janitor Walter Anshuetz has been erected in the Tawas City School yard. It was painted by the students.

The Hale Masonic Lodge has started work on its new hall.

Government restrictions on building of private houses ends October 15. This comes as heartening news to the 12-million families ready and anxious to build new homes. Home building costs have increased one-third since the start of the war, requiring one to pay \$8,000 for a house that could be built for \$6,000 before the war.

OFFICIAL NOTICE OF SALE

\$65,000

City of Tawas City
County of Iosco, State of Michigan
1980 Michigan Transportation Fund Bonds

SEALED BIDS for the purchase of the above bonds will be received by the undersigned at the City Hall located at 508 Lake Street, Tawas City, Michigan 48763, on Monday, the 20th day of October, 1980, until 3:00 o'clock p. m., Eastern Daylight Time, at which time and place said bids will be publicly opened and read.

IN THE ALTERNATIVE sealed bids will also be received on the same date and until the same time by an agent of the undersigned at the offices of the Municipal Advisory Council of Michigan, 2150 First National Building, Detroit, Michigan 48226.

BOND DETAILS: Said bonds will be coupon bonds of the denomination of \$5,000 each, dated October 1, 1980, numbered in direct order of maturity from 1 upwards and will bear interest from their date payable on October 1, 1981, and semiannually thereafter.

Said bonds will mature on the 1st day of October of each year in the amount of \$5,000 from 1981 through 1993, inclusive.

INTEREST RATE AND BIDDING DETAILS: The bonds shall bear interest at a rate or rates not exceeding 10% per annum, to be fixed by the bids therefor. Interest on any one bond shall be at one rate only, all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. The difference between the highest and lowest interest rate on the bonds shall not exceed 2 percent per annum. No proposal for the purchase of less than all of the bonds or at a price less than 100% of their par value will be considered.

PRIOR REDEMPTION: Bonds maturing in the years 1981 to 1989, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1990 to 1993, inclusive, shall be subject to redemption prior to maturity, at the option of the City, in inverse numerical order, on any interest payment date on or after October 1, 1990, at 103% of par if redeemed prior to October 1, 1992, at 102% of par if redeemed on or after October 1, 1992, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the paying agent to redeem said bonds.

PAYING AGENT: Both principal and interest shall be payable at a bank or trust company located in Michigan qualified to act as paying agent under State or United States law, to be designated by the original purchaser of the bonds, who may also designate a co-paying agent, which may be located outside of Michigan, qualified to act as paying agent under the law of the State in which located or of the United States, both of which shall be subject to approval of the undersigned.

PURPOSE AND SECURITY: The bonds are to be issued pursuant to the provisions of Act 175, Public Acts of Michigan, 1952, as amended, for the purpose of defraying part of the cost of constructing street improvements in the City of Tawas City, and are issued in anticipation of Michigan Transportation Fund (the "Fund") payments from the State of Michigan to be received by the City. The bonds, however, are not general obligations of the State of Michigan. The bonds will pledge the limited full faith and credit of the City as additional security for payments of the principal and interest thereon. If the payments from the said Fund are insufficient to pay the principal and interest on the bonds, then the City is obligated to make such payments as a first budget obligation from its general funds, including any collections of ad valorem taxes, but the ability of the City to levy such taxes is subject to charter, statutory and Constitutional limitations. The rights or remedies of bondholders may be affected by bankruptcy laws or other creditor's rights legislation now existing or hereafter enacted.

GOOD FAITH: A certified or cashier's check in the amount of \$3,250, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith check and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest interest cost computed by determining, at the rate or rates specified in the bid, the total dollar value of all interest on the bonds from November 1, 1980 to their maturity and deducting therefrom any premium.

LEGAL OPINION: Bids shall be conditioned upon the unqualified approving opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, a copy of which opinion will be printed on the reverse side of each bond, and the original of which will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Miller, Canfield, Paddock and Stone for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue their unqualified opinion as to the validity of the above bonds, Miller, Canfield, Paddock and Stone has not been requested to examine or review and has not examined or reviewed any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds, and accordingly will not express any opinion with respect to the accuracy or completeness of any such financial documents, statements or materials.

DELIVERY OF BONDS: The City will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at Detroit, Michigan, or such other place as may be agreed upon. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Standard Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the bonds, withdraw his proposal by serving notice of cancellation, in writing, on the undersigned in which event the City shall promptly return the good faith deposit. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES containing the bids should be plainly marked "Proposal for Michigan Transportation Fund Bonds."

Well Represented at NM 4-H Horse Expo

Iosco County was well-represented at the 1980 Northern Michigan 4-H horse expo held in Gaylord on September 13 and 14. Nearly 200 4-H members from 19 counties entered the two-day event. Twenty-five sponsors provided donations to help make expo possible.

In division F, Kim Clark won third place in horsemanship, fifth place in trail and English equitation and sixth place in stock seat equitation. Laurel Hay won second place in division B English equitation, second place in western pleasure, second place in English pleasure, sixth place in speed and action, fitting and showing, all in division B.

In division D, Valerie Peterson won third place in trail, fifth place in English pleasure, fifth place in fitting and showing and fourth place in English equitation. Kim Bessey placed sixth in division G western pleasure, and Amy Thomas placed fifth in division A horsemanship and sixth in western pleasure.

Other winners included Debbie Holmes, reserve high point winner for division A speed events and Jennifer Thomas, reserve high point winner for division A performance. Miss Holmes' points resulted from a division A first in speed and action and seconds in pole bending, flag race and cloverleaf. Miss Thomas won a first in English pleasure, horsemanship and trail; third in English equitation, and fourth in stock seat equitation, all in division A.
