Hale Crowns Homecoming Queen Friday

A homecoming queen is to be crowned during half time of Friday night's football game at Hale Area High School as part of an annual two-day program. A parade of floats constructed by the various classes is to be held Friday at 2:20 p. m., followed by a pep assembly at the football field starting at 2:45 p. m.

Friday night's homecoming football game starts at 7 o'clock. Candidates for queen include Sue Millard, Kim Boughner and Betty VanHorn.

Members of the court will include Cindy Nichols and Peggy VanHorn, juniors; Julie Nichols and Melissa Foco, sophomores; JoAnn VanHorn, freshman.

Following the football game, there will be an alumni dance at the Plainfield Township Hall. This is the first year for this event.

The annual homecoming dance is to be held Saturday at the high school gymnasium, 8:00 p. m. to 12 o'clock midnight.

ONE OF THE THREE SENIORS seated in front will be crowned Friday night as the 1980 homecoming queen. From left are Cindy Buys, Lori Grack and Sherie Buys. Members of the court shown in the middle row from left are Carmen Brackenbury and Tracy Whitford, juniors; Karen Spencer and Mary Beth Kubisiak, sophomores, Faith Look and Ann Wood, freshmen representatives, are seated at top. —Tawas Herald Photo.

Pilot Seminar Scheduled at East Tawas

Iosco Flying Club announces a Safe Pilot Seminar will be held at the East Tawas Community Building Thursday, October 2, 7:30 p. m. All pilots and student pilots are invited to attend and admission is free.

The seminar is sponsored by the Federal Aviation Administration and General Aviation Manufacturers Association.

Part of the National FAA Accident Prevention program, the seminar will cover a comprehensive group of safety related topics and will provide opportunity for discussion with the specialist in charge of the program.

Among prizes to be given will be awards redeemable for \$100 in dual flight instruction and those attending will also be eligible to enter a contest to win a \$50,000 airplane.

Five Hurt in Iosco Crashes

Five persons were injured in accidents investigated last week by Iosco County Sheriff's Department.

Raymond A. Conn, 23, Hale, was injured Saturday when his motorbike struck a deer on Old State Road. He received an injured shoulder and was treated at the scene.

Donald Bates, 40, Hale, was injured September 16 and was treated at Tolfree Hospital, West Branch, after being struck by a car driven by Arthur W. Szczepkowski, 54, Hale. The driver was backing out of the parking lot at Hale Wood Products.

Richard G. Dickinson, 38, Mt. Clemens, was injured Saturday when he fell off his motorcycle on a forest trail in Oscoda Township. He was treated at Tawas Hospital.

Two Whittemore women were injured Friday night when their car pulled out of the parking lot at Tawas Country Club and into the path of a car on Monument Road. Injured were Mary A. McKelvey, 20, and Barbara McKelvey, 18. Driver of the other car involved was Timothy J. Schirmer, 23, East Tawas.

TAHS Homecoming Week

Annual homecoming week at Tawas Area High School opened Sunday with a powder puff football game between junior and senior girls and is to conclude Saturday night with the annual dance.

Program highlights during the week included a "spirit banquet" Monday night at the high school cafeteria for members of the football teams, coaches, parents and others.

Members of various high school classes are to work on parade floats Wednesday afternoon (today) following school. After Thursday night's freshman football game there will be a traditional bonfire behind the high school.

On Friday night, the Braves varsity will play host to the Standish-Sterling Panthers. During intermission, there will be a parade of floats, introduction of

the queen's court and crowning of the homecoming queen by her parents.

Senior candidates for homecoming queen include Cindy and Sherie Buys and Lori Grack.

Class representatives on the court include Carmen Brackenbury and Tracy Whitford, junior class; Karen Spencer and Mary Beth Kubisiak, sophomore class; Faith Look and

Ann Wood, freshman class.

Saturday night's program includes the annual homecoming dance in the high school auditorium from 8:30 to 12 o'clock midnight. Music for dancing is to be provided by a group known as "Street Legal" of Saginaw.

The queen and her court are to be presented during intermission.

Citizens Protest Hypnotist Show at Tawas A. School

Basing their objections mainly on religious beliefs, a group of citizens entered a protest Monday night to Tawas Area Board of Education concerning a hypnotist show to be presented October 5 at the high school.

While questioning school authorities about liability insurance coverage for the show, spokesmen for the group also claimed that self hypnotism would be taught in the school and objected to it. The latter was denied by school officials.

The protest concerns the Gene Delfont Show, billed as a "master hypnotist," and sponsored by community education and athletic departments of the school.

One of Delfont's acts, according to advance publicity, is that he "is shot with a .357 magnum at 40 feet" and advertising states he received a wound "while doing his 'thing' at Ellsworth Air Force Base recently."

Advertising also indicates that a hypnotist show will be presented.

A letter signed by John Clark Solomon presented to the board stated, in part: "In the Name of Jesus, you must desist from promoting this forthcoming so-called 'hypnosis magic show' and from offering courses in hypnotherapy and metaphysics in our public schools."

Solomon's letter referred to a passage of Scripture and his letter also stated: "The influence of our secular humanistically oriented culture has fooled many of us into believing that parapsychological study is scientific and acceptable, but the Word of God says it is not, regardless of what terms are used to explain it."

Another speaker, Edgar

Ferrell, said he had experience dealing with young people of Detroit and said he was concerned about "classes" dealing with hypnotism in school. He said the school was dealing with forces which it was not acquainted with, that hypnotism actually dealt with satanic suggestion.

"God never intended for one person to take over the will of another human being," he stated.

Laurence Mollard, another speaker, who indicated he had attended four different schools of hypnotism, stated he recognized the danger of hypnotism and believed "kids would start fooling with it." He said that he had thrown away every book and diploma he had received dealing with hypnotism.

About 25 persons were present at the meeting and other speakers included Kenny Schaff, who questioned if the school had liability insurance for presentation of such programs, and Terry Montgomery, who went on record in opposition "because of Christian values." He questioned what kind of academic merit the program had to offer.

The protest was made during the time regularly allotted to information to be brought before the board by citizens. Inasmuch as the appearance was not on the agenda, Board Pres. Susan Rieth limited discussion to a 30-minute time period, according to established board policy.

Supt. Allan Dighera felt that citizens were confusing two different programs. He said that the program to be held October 5 by Delfont at the high school auditorium was one of entertainment to be presented at no

cost to the taxpayer. He said that people do not have to attend the program, that "board policy permits use of the building as it belongs to everyone."

Gene Gerber, community education director, said that two completely different programs were being confused by citizens. He stressed that the October 5 program was for entertainment only. He also stated that a hypnosis program was being offered to adults in community education dealing with an individual's desire to stop smoking, to lose weight and other related physical control. He said that school students were not permitted to participate and that as many as 80 adults had paid fees to participate in previous classes. Gerber said that, as yet, no one had signed up for the new classes.

T. D. Haskin, athletic director, said that Delfont would present a "sleight of hand" show during a 20-minute assembly to be presented to the high school student body. He said he would personally volunteer to be the subject of any portion of a hypnotic act to be presented during the assembly, rather than to permit students to participate.

Stanley Brockenbrough, a board trustee, said he was concerned about the liability aspect of Delfont's program for the school, particularly in regard to the advertised portion that Delfont would catch a bullet. Gerber said that the act had been performed many times, but Brockenbrough pointed out the advertising indicated "he had missed once" and wondered who would be liable in case of an accident.

School authorities stressed that members of the Iosco (See PROTEST, page 6.)

Board Removes Stipulation Concerning Trip Expense

After tabling a motion for one day, Iosco County Board of Commissioners relented Wednesday and removed a stipulation concerning expenses of four county employees attending a short course.

The resolution adopted authorizes John Rose, William Olsen, Denise Brown and Barbara Eppert to receive mileage for one vehicle and expenses for meals each day necessary to attend the Michigan Assessors short course to be held October 20-22 at Gaylord.

As originally proposed, the resolution did not authorize payment for overnight accommodations by the four employees. That statement was deleted from the final draft of the resolution.

During discussion, Com. Carlton Merschel expressed the opinion that it was setting precedent when the county sends employees to be trained at county expense and then pays those employees a higher salary when they complete the training.

He said it "was not much different than paying bar association dues for the judges," which had been discussed at

length during the two-day session. The board finally agreed to pay bar association dues of the judges, provided that other counties involved pay a proportionate share.

In other matters, the commission adopted the equalization department's fee schedule for providing assessing work and preparation of tax bills for townships and cities.

Appointed to the new Iosco County Housing Commission to administer grant money received from HUD were Ruthie Stevens, Oscoda, one year; Harris Barkman, East Tawas, two years; Harold Bannister, Hale, three years; Gordon Schultz, Oscoda, four years; Lowell Thomas, Tawas City, five years.

The commission asked the county treasurer to prepare a revenue projection for 1981.

The commission voted to place a proposed tax limitation on the general election ballot in November "pegging" the 15 mills formerly handled by the tax allocation board as follows: County, 4.50 mills; townships, one mill; intermediate school district, .25 of a mill; schools, 9.25 mills.

Resignation of Robert H. Brown, who has served as county veterans' counselor since January, was accepted. The commission is now advertising for a replacement to become effective September 30.

Floyd Peters of Baldwin Township was appointed to the Iosco County Department of Public Works, succeeding the late Richter Lixey.

The commission announced the closing of Lincoln Road in Baldwin Township as the result of airport runway extension work. The road is to be relocated to provide access to certain properties. Work is to be performed by the county road commission at a cost of \$2,500.

Included in the official minutes at the request of Com. David George, finance chairman, was his statement that he was opposed to the board's apparent desire not to implement Act 621 of 1978, dealing with the appointment of a county finance officer.

Commissioner George felt that the act provided orderly procedures for preparing, monitoring and amending a county budget.

School Gets Apology

TA Sends Letter to State About 'No Show' by Refs.

A letter explaining circumstances surrounding the postponement of Friday night's scheduled football game between the Tawas Braves and Gladwin is being sent to the Michigan State High School Athletic Association by local school officials.

When game officials did not make an appearance prior to Friday night's game, the contest was delayed until Saturday night.

Supt. Allan Dighera told members of the board of education Monday night that this school

had a signed contract with a Bay City association to provide officials for Friday night's game.

He said that he had called MHSAA officials at Lansing to inform that governing body of the signed contract and there was a possibility that the officials contracted, or the possibility the Bay City association, could lose state certification.

T. D. Haskin, the school's athletic director, said that Larry Scott, secretary of the Bay City association, was at the school Monday to apologize for the

mix-up and that Scott had assumed complete responsibility for not having game officials present.

Scott, who is scheduled by contract to officiate at a game here later in the season, has indicated that no charge would be made by officials for that game. Haskin said that the \$107 fee for officials would pay for the additional cost borne by the school for paying ambulance attendants, security guards and others when the game was postponed one night.

Haskin said, too, that Scott was to have appeared Monday at Gladwin to apologize and to offer payment for additional bus transportation costs borne by that school.

The athletic director said that this school intended to honor the remaining contracts with the Bay City association "because it is one of the better groups around and we are not taking any action to eliminate them."

Trustee Barbara Miller expressed the opinion that some sort of check should be made locally before a game to eliminate possible reoccurrence of the problem. Haskin said he had checked his files the day before the game and found everything in order.

"We can depend on our administration to develop a fail-safe system," commented Susan Rieth, president of the board of education.

School Ended Fiscal Year With Surplus

Routine matters handled Monday night by Tawas Area Board of Education included acceptance of the annual audit presented by James Presson, certified public accountant.

According to Presson's report, the school district ended the last term with a surplus of \$24,760, as compared to a deficit of \$24,560 the previous year.

Other matters saw a continuance of discussion on a proposal by the Troy School District to join in litigation with other schools concerning opposition to an executive order by the governor cutting categorical aid to schools which do not receive state membership payments.

Supt. Allan Dighera recommended that no action be taken at this time and that the matter be reconsidered after the October 4 meeting of the Michigan Association of Boards of Education.

The superintendent was directed to meet with officials of the City of East Tawas to learn more about a proposed program for improvement to sidewalks and street lights along Newman Street.

The superintendent said that preliminary indications were that the school's share of the improvements would be in the neighborhood of \$10,000.

Following the regular meeting, the board of education held a workshop to review recommendations of its committee on a management by objectives program.

County History Deadline Nears

Chairman of the committee to produce the Iosco County historical book, Lucina Chirko, reports that this is the last week to submit articles for publication. Response has been good as will be proven when the book is printed.

Books must be ordered now as only one printing is possible and will never be available again. Deadline for submitting

copy or ordering the book is September 30. To avoid disappointment later, call Mrs. Chirko at 362-4390 or the Iosco County Historical Museum, 362-8911.

Many interesting articles on people and families of the area, county affairs and city business, the good times and the bad will be recorded in this publication providing fascinating reading now and for future generations.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands; one nation, under God, indivisible with liberty and justice for all.

W-P Middle School to Host Open House September 30

Whittemore - Prescott Middle School will be hosting an open house and parent orientation evening on Tuesday, September 30, from 7:30 to 9:30 o'clock. All middle school parents are urged to attend. Attendance will provide the parent with a much better idea of what the school is doing in each of the classes.

The junior high staff of Whittemore-Prescott is looking for a fine parent turnout. This is meant to be an informative and relaxing evening, thus providing parents with a little better understanding of what the school

is trying to do. This is not an evening for parent-teacher conferences, which will be announced at a later date.

The agenda for the open house will be as follows: 7:30-7:45, general session, cafeteria; 7:50-9:15, parents will visit each of their child's classes for 10 minutes during which the teachers will explain what they hope to cover in the course of the school year; 9:15, relaxation and visiting in cafeteria.

Parents are reminded to bring a copy of their children's class schedule.

Learn About Conservation

School children in the Tawas area will be learning a great deal about conservation this school year, due to a contribution from the Iosco Sportsmen's Club.

In a continuing effort to promote conservation education, the Iosco Sportsmen's Club, an affiliate of the Michigan United Conservation Clubs (MUCC), has purchased Tracks magazine for use in East Tawas Elementary School and Tawas City El-

ementary School. Tracks is a monthly conservation reader produced by MUCC. It is aimed at upper elementary and junior high school readers, and seeks to give young readers an understanding and appreciation of the natural world. Each month, Tracks focuses on basic conservation concepts, the habits and habitat of wildlife species, outdoor activities, nature lore and much more.

Fans of Tawas and Gladwin felt like "marching off" a major penalty Friday night against the Bay City association which furnishes officials for football games. Tawas' band was poised ready to play the school song to signal the entry of the Braves onto the field when it was suddenly realized that there were no whistle tooters on hand to officiate the game.

A quick investigation by T. D. Haskin, athletic director, revealed that the school had a signed contract with the Bay City association to provide officials for the game and, while the band patiently waited in place, a hurried telephone call revealed that through a mix-up, the same officials had been assigned to both Tawas and Arenac Eastern and they were at the latter school.

After two conferences between Tawas and Gladwin school officials, it was finally decided to play the game Saturday night. The delay of one day proved costly for both schools. In Gladwin's case, it had to pay double transportation costs and its fans wasted gasoline coming here Friday night; for Tawas, it had to pay double expenses for operation.

Saturday night's officials came from Alpena and Tawas school officials decided to wait a day or two in order to "cool off" before contacting the Bay City association to learn what happened Friday night.

Larry Scott, secretary of the Bay City association, was in town Monday morning to make his apologies for the mix-up. He emphasized the fact that the absence of officials here Friday night was no fault of Tawas Area School.

Scott is responsible for more than 400 assignments of athletic officials each year and this was the first time in his 14 years of service that such a mix-up had occurred.

He said that the Bay City association would reimburse Gladwin for its transportation costs Friday night and an adjustment is to be made with the Tawas school.

The Bay City association has provided excellent service to area schools for many years and to err is only human. Scott deserves to be forgiven.

WMU May Offer Doctorate Degree at OA

Western Michigan University is continuing to explore the possibility of offering a doctorate (Ed. D.) degree in leadership in the Oscoda area. There will be meetings for interested persons on Thursday, October 9, at Oscoda Area High School. Individuals may attend either the 4:00 p. m. or 7:00 p. m. meeting.

Dr. Carol Sheffer, chairperson for the department of leadership, will be in Oscoda to provide information on the doctorate program. The doctorate degree in leadership is designed as a multi-discipline program. The degree is appropriate for persons in educational administration, social/human services, industry, government, business management and public administration.

More details on the doctorate program may be obtained by calling Doctor Sheffer at (616) 383-0234. If interested in the doctorate program but unable to attend one of the meetings, contact Gregory Longacre, (517) 739-1445, or Karen James, (517) 739-4562.

Junior Braves Lost to Gladwin

Tawas Junior Braves lost to Gladwin, 14-6, in a good defensive battle Thursday night. The Junior Braves rang up 151 offensive yards, 78 on the ground and 73 on passing.

A pass from Rodney Loeffler to Chris Wojahn was good for 20 yards and a first quarter touchdown for Tawas. Wojahn caught six passes during the night.

Defensive standouts for Tawas were Tom Reder and Dan Moffatt.

AFTER THE START of Friday night's football game was delayed nearly one-half hour while awaiting the appearance of "the men in stripes," officials of Tawas and Gladwin Schools finally decided to postpone the game until Saturday night. The decision was reached during the above conference along the side line. Tawas Area High School Band entertained during the confusion.—Tawas Herald Photo.

Inevitable Delayed a Night; Gladwin Roared Past Braves

Gladwin's Flying Gs had an easy time rolling over the Tawas Braves, 40-26, Saturday night to open the Northeastern Michigan Conference schedule. The game was delayed one night due to a mix-up in the assignment of game officials on Friday night.

The visitors lost little time in taking up where they left off in winning the NEM's trophy last season when Johnson hit Balzer with a 27-yard touchdown pass with seven minutes remaining in the first quarter.

The same play early in the second quarter gave Gladwin a

12-0 lead and Carl Norris made it 18-0 with a 12-yard run with four minutes, 48 seconds remaining in the quarter.

Scott McDonald of Tawas scored a two-yard touchdown with two minutes, 59 seconds, remaining in the second quarter to close the gap to 18-6, but Sheehan scored on a 63-yard run for Gladwin shortly before the first half ended, completed a two-point pass conversion to run Gladwin's lead to 26-6.

Moffatt scored Tawas' second touchdown of the night early in the third quarter on a 48-yard

run, but Sheehan came back with a 21-yarder to put Gladwin ahead, 32-12, then added another two points on the play following the touchdown.

Sheehan scored Gladwin's final touchdown of the night on a 47-yard run early in the fourth quarter.

Tawas' final touchdowns came in the fourth quarter, the first on a one yard plunge by Grabow, who passed later to Dunn for a two-point conversion. Dalbec passed 15 yards to Erickson for a touchdown with 33 seconds remaining in the game to ring up the final score.

Variety of Special Ed. Services Being Provided

Local school districts in the area provide a variety of special education services and programs. Those local school districts include Oscoda Area Schools, Tawas Area Schools, Hale Area Schools and Whittemore-Prescott Area Schools.

Oscoda Area Schools provide programs for the following handicapped individuals in their district: Educable mentally impaired, emotionally impaired, learning disabled and speech and language impaired. Services, other than those listed above, are available to the handicapped as the needs are identified.

Tawas Area Schools have programs for the speech and language impaired, learning disabled and mentally impaired population in its district. These programs are provided at the elementary, middle and high school levels.

Hale Area Schools have services for the speech and language impaired, the learning disabled and the emotionally impaired, as well as a classroom program for the educable mentally impaired. These services are available to, both the elementary and secondary schools. In addition, Hale Area Schools provide training in domestic skills within their home living laboratory at the elementary and secondary levels. All older special education students receive on-the-job training opportunities before graduation as well.

In Whittemore-Prescott Area Schools, resource rooms provide assistance for the educable mentally impaired pupil in three of the district's four buildings. Services for the speech and language impaired are also provided throughout the district in addition to serv-

ices for the learning disabled at the elementary level.

Iosco Intermediate School

Tawas Golfers Beat Central

Tawas Area High School's golf team defeated Standish-Sterling High School by carding a combined score of 204 to 221 for the losers.

Scores posted included a 37 by Jim Huck, 43 each by Mark Jurczyk and Phil Petrach, a 37 by Keith Harris and 44 by Jim Alexander.

The junior varsity defeated Standish-Sterling, 278-292. Tawas scorers included a 50 by Eric Painter, Randy Biggs, 53; Dale Wheatley, 61; Scott Gengerich, 58; Tim Huck, 56.

Investigations Are Listed

Three breakings and enterings and four larcenies were investigated last week by Iosco County Sheriff's Department.

Burglaries were reported by Marvin Thomas, Tawas River Trailer Park, door handle pried off trailer with television set and radio stolen; Edward LaFave, Tawas River Trailer Park, trailer entered; Virginia Green, Lorenz Road, three batteries and ladder stolen from garage.

Larcenies were reported by Iosco County Airport, landing light globe stolen; Clarence Provoast, Whittemore, theft of trailer; Sanford Evans, Tawas City, theft of two magnetic signs from car parked at Tawas City American Legion Hall; Jean Eichenhofer, National City, theft of tractor.

District (IISD) works cooperatively with these local school districts to provide the following network of services: Hearing impaired, visually impaired, social work, school psychology, physical and otherwise health impaired and pre-school coordination. A coordinator of planning, monitoring and data collection is also employed. The IISD also contracts the services of a licensed practical nurse, occupational therapist and physical therapist. Bright Horizons Learning Center is also a part of the Iosco Intermediate School District. It serves the district as a center program for the trainable mentally impaired and the severely mentally impaired.

Sources of services outside of the district are available as needed.

Blood Collection

Ninety pints of blood were collected when the Bloodmobile visited Tawas area Monday, September 22. Donald Miner reached the 10-gallon goal.

The next collection date is slated for January 26, 1981.

Win First Game; Eagles Undefeated in League Play

Hale Eagles are undefeated in North Star League Conference action after turning aside AuGres-Sims Friday night, 7-6. The Eagles lost their first two nonconference games of the season.

Defense was the name of the game Friday night as the Eagles picked up only 44 yards rushing and 82 yards by passing. The Eagles made two pass interceptions, recovered one fumble and stopped AuGres three times inside the 10-yard line.

Hale scored the winning touchdown with seven minutes left in the first half. A two-yard run by Tom Lesneski capped an 80-yard drive which saw a screen pass from Quarterback Bob Schulte to Dan Dear figuring in the drive.

The all important point after touchdown was booted from placement by Lesneski.

The two teams battled it out defensively until one minute was left in the fourth quarter. Quarterback Tom Milan of AuGres connected on a 42-yard pass to Scott Smith for a touch-

down. The Wolverines tried to tie the game from placement, but the ball sailed over the holder's head and AuGres was unable to run it back.

The Wolverines tried an on-side kick, but Hale recovered the ball and then tried to run the clock out. With five seconds left on the clock, a snap from center was fumbled and AuGres had another chance to score. The Wolverines tried to pass into the end zone, but the Hale defenders were successful in covering the play.

Lesneski and Larry Caverly each turned in a pass interception during the night and Caverly recovered a fumble. Lesneski led in tackles with two solos and 11 assists; Dear had three solos and nine assists; Jeff Dillon, 13 assists; Caverly, 11 assists.

Schulte connected on five of nine passes for Hale and Lesneski was top ground gainer with 29 yards.

The Eagles play host to Johannesburg Friday night and annual homecoming festivities are to be held at intermission.

Bravettes Split in Two Games

Tawas Bravettes split the decisions in two games played last week. Tawas lost to the Pinconning Spartans, 54-52, then won over the Hale Eagles, 58-43.

Colleen Curry meshed 26 points to lead the scoring against Pinconning, but 32 turnovers by the Bravettes proved to be costly. Pinconning completed 40 percent of its shots at the baskets while Tawas trailed with 38 percent.

Curry was again high scorer Thursday night against Hale with 14 points to her credit. Others scoring in double fig-

ures included Debbie Allen, 10 points, and Diane Nelkie, 11 points.

Tawas had 21 turnovers during the night to 19 by Hale, but the Bravettes completed 25 of 74 shots at the baskets to only 17 of 49 by the losers.

Meiers topped Hale scorers with six points.

The junior varsity team won both of its games, defeating Pinconning, 45-27, and then won over Hale, 67-22.

Ann Wood was top scorer in each game with 20 and 27-point totals. Amy Wood scored 18 points against Hale.

The Tawas squad meshed 21 of 58 shots against Pinconning and had 22 turnovers as compared to 26 for their opponents. Tawas completed 28 of 74 shots against Hale.

Eighth grade girls teams split the decisions in two games played against Ogemaw Heights. The "A" team lost its game, 25-23, while the "B" team won, 18-9.

Michelle Mousseau had eight points to lead the "A" team and Alison DeLage and Lupi Birkenbach were tied with six points each to top the "B" team.

Ogemaw Heights dominated play in the first quarter, but Tawas' "A" squad came back to tie the game to send it into overtime.

Tawas' "B" team got off to a slow start and was behind by two points at intermission, but came back to completely control the game during the second half.

Weddings and Engagements

Ezo - DesArmo Marriage Solemnized in Tawas City

Katherine J. DesArmo and William L. Ezo were married Saturday, September 20, at their home in Tawas City. The ceremony was performed by Judge William H. McCready and was attended by a small number of guests from Tawas, Marquette and Munising.

AARP Held Pot-Luck on September 17

Forty members of Lake Shore Chapter No. 661, American Association of Retired Persons, enjoyed a pot-luck dinner at their social meeting Wednesday, September 17, at East Tawas Community Building. Introduced were Grace and Leon Moore and Evangeline Lambert, guests.

Following the dinner, the members were entertained by John Freel and Kevin Fishel, who gave interesting reports on their recent trip to Japan with the 4H LABO exchange program. They also displayed a number of Japanese gifts they received from friends and the families with whom they resided.

Door prizes were won by Clarabelle Eckman and Irvan Schonfeld. The next meeting will be a noon sandwich luncheon Wednesday, October 1, and will feature a speaker from the Kiwanis Club.

Mrs. Lamb Hosted Members of TC Club

Mrs. Donald Lamb hosted 23 members of Twentieth Century Club Wednesday, September 17, to start the new year of the organization. Serving with Mrs. Lamb, president, are Grace Woodburn, vice president; Mrs. Louis Emery, secretary, and Mrs. George Liske, treasurer. During the business session, an invitation was read for the 12:30 p. m. luncheon hosted by Ladies Literary Club Monday, September 22, at Grace Lutheran Church.

Reports were given by the committees and meditation by Beryl Hoy. Miss Woodburn announced that Mrs. A. C. Rayburn will host the October 15 meeting.

George Westcott addressed the group with an interesting account of the duties of the sheriff's department with a question and answer period following.

Mrs. Lamb was assisted by Mrs. Hoy and Jessie McLean on the luncheon committee.

Mary M. Krass Became Bride of Gary M. Clark

Mary M. Krass became the bride of Gary M. Clark Saturday, September 20, at Immaculate Heart of Mary Church, Tawas City. She is the daughter of Mr. and Mrs. Arthur Krass of Tawas City. Her husband is the son of Mr. and Mrs. Marvin Warner of Tawas City.

The Rev. Fr. Lawrence Boks officiated at the 4 o'clock double ring ceremony and Mary Byrd was organist.

The former Miss Krass was given in marriage by her father. She chose a long bridal gown featuring a lace trimmed bodice and long bishop sleeves with wide lace cuffs. A long train complemented her attire.

Brenda Beaubien was maid of honor with Jennifer Kelly, Stephanie Gebhart and Mrs. James Leach, bridesmaids. They wore yellow wrap-around gowns and carried floral bouquets in fall colors.

Serving as best man was Michael B. McMurray of Mt. Pleasant. Groomsmen were Charles Dittenber of Holt and Sean Dillon of Tawas City. Leo Krass and Arthur Krass were ushers.

Following a reception for 275 persons at the social hall, the couple departed for a two-week trip to Florida. Upon their return, they will reside at 328 Seventh Avenue, Tawas City.

Literary Club Opens Year

Ladies Literary Club opened its 96th year of activity Monday, September 15, at the home of Elizabeth Purdy. Hostesses were Erma Wolfin and Elizabeth Wilec. Grace Smith and Dorothy Wilson were guests.

Helen Hertzler introduced Elsie Solomon, dressed in her native Finnish costume who followed through her genealogical findings while in Finland for a month.

Beryl Lichtfusz, president, reminded members of the change of meeting day from the third Wednesday to the third Monday.

Mrs. Wolfin was given authority to seek worthy recipients for scholarships.

Plans were discussed for the tri-county gathering which members hosted Monday, September 22, at Grace Lutheran Church.

Mrs. Wilec, delegate to Northeastern District convention, will attend the September 30 meeting at Harrison when a better understanding of federation dues and privileges will be studied.

Mrs. Robert Murphy of Greenbush will report on the book, "The Last Great Nation on Earth," a review of this country from the days of F. D. Roosevelt to the present, at the October 20 meeting.

this... that and the other

Chester M. Parker, former resident at the corner of First Street and First Avenue, Tawas City, and caretaker of Tawas City Park for many years, is residing at a nursing home in California. He will be 99 years old in March and presently is in good physical condition and has a sharp mind. His eyesight has failed but he enjoys cards and letters from friends. His address is 2892 Inverness, Los Alamitos, California 90720.

Mrs. Robert Trudell of East Tawas is a patient at Saginaw General Hospital, Room 339, where she is recovering from surgery and complications. Cards and notes would be appreciated.

Mr. and Mrs. William Brown and Mr. and Mrs. Melvin Brown returned Thursday after touring Canada and the Eastern States. They also visited Mrs. Melvin Brown's sister, Mrs. Christopher Gross (nee Inez Furst), formerly of Alabaster, now residing in Wilson, New York.

Mr. and Mrs. Grant Bessey of Tawas City were week-end guests of her sister, Mrs. Ward McIntyre, and husband in Traverse City.

Mr. and Mrs. Rodney Verlac of Grayling spent the week-end with her parents, Mr. and Mrs. Jerald Boddy of East Tawas.

Mr. and Mrs. Allan Kammer of Anchorville were Saturday guests of Mr. and Mrs. Albert Buch of Tawas City.

Spending last week with their parents, Mr. and Mrs. Melvin Sesler of East Tawas, were their daughters, Mrs. Henry River of Royal Oak and Mrs. Walter Weatherstone of Hazel Park.

Mr. and Mrs. Alvin Cholger of Tawas City spent the week-end with their son, David, and family at Benton Harbor.

Mrs. Clyde Evril and Miss Esther Look of Tawas City and the Walter Moellers of East Tawas spent the week-end in Flint with relatives.

Wednesday, Mr. and Mrs. Elmer Horton of Rockledge, Florida, visited Mrs. Walter Anschuetz of Tawas City.

Mr. and Mrs. Harold Willert of Hazel Park have purchased the Helen Nash and Elmor Polson home on Huron Street, East Tawas.

Sunday, Mrs. Frances Hill of Tawas City enjoyed a visit from her grandchildren, Mr. and Mrs. Gregory Dee of Detroit, the Charles Hill family of Bay City; her daughter, Mrs. Fred (Shirley) Eminger, and daughter of Dearborn.

Milton Yocich of Ann Arbor has sold his cottage at Tawas Lake to Mr. and Mrs. Gerald Keinath.

The Naomi Club met at the First Baptist Church, Tawas City, Sunday evening for its regular meeting with a pot-luck dinner. Thomas Huck presented the program on making wills. Twelve ladies were present.

Last week-end Mr. and Mrs. William Brown; their son, Richard, and Mrs. Gregory Brown of Tawas City were guests of Shelley Brown during Parents' Day at Central Michigan University and attended the CMU football game.

Mr. and Mrs. Walter Gardner of Garden City spent the week-end at their summer home on Wadsworth Street, East Tawas.

Mr. and Mrs. Clarence Austin have sold their home on US-23

to Mr. and Mrs. Philip Dray and moved to Midland.

Mr. and Mrs. Fred Boughton of Lansing spent Thursday and Friday with her parents, the Harry Goodales of Tawas City. The Boughtons expect to leave soon for their San Diego, California, home for the winter months.

Mr. and Mrs. Clarence Mohr have as their guests this week his sister and husband, Mr. and Mrs. Leon Moore of Romeo.

Mrs. Alden Phelps of East Tawas is recovering from surgery at Saginaw General Hospital.

Mr. and Mrs. Donald Kobs of Cadillac were called here by the illness of his father, Karl Kobs of Tawas City, who is now a patient at Tawas Hospital.

Spending the week-end with Mr. and Mrs. Henry Purdy at Tawas Point were Mr. and Mrs. George Beatty of Rochester.

Mr. and Mrs. Harry Woessner have returned to their home in Newport News, Virginia, after visiting her father, Albert Buch, and Mrs. Buch of Tawas City for several days.

Week-end guests of Mrs. LaFerne Winstead of East Tawas were Laura Atkins of Dexter and Clara Mara of Farmington Hills.

Mr. and Mrs. Howard Teall and sister, Mrs. John Ingalls, of East Tawas called on his brother and wife, Mr. and Mrs. Irvin Teall of Hale, on Sunday. They also visited his sister, Mrs. Willard Williams, in Reno.

Sunday, Mr. and Mrs. Victor Johnson of East Tawas visited her mother, Mrs. Willard Williams, a Reno Township resident.

Mr. and Mrs. Martin McCormick of Homosa, Florida, spent last week with his mother, Mrs. Edward (Margaret) Myers of East Tawas, and attended the 1940 class reunion of East Tawas High School. The celebration was held Friday evening at Holland House and Saturday evening at East Tawas Community Building.

Meta Luedtke of Tawas City returned last week from a 10-day vacation with her son, Martin, and family at Bad Axe and her sister and husband, Mr. and Mrs. Glen Thorne of Caseville.

Delegates to State DAR Convention

Mrs. Homer D. Roberts, regent, will head a delegation from River Aux Sables Chapter, Daughters of the American Revolution, to the 80th State Conference of Michigan DAR in the Sheraton Motor Inn, Flint, September 23-25.

The group includes Mrs. Worthy T. Boyd and Mrs. Ralph Haley, Hale; Miss Roxanne Kenyon, Sage Lake; Mrs. Adolph G. Sieland and Theresa Sieland, Fairview; Mrs. Ervin Wilec, East Tawas, and Mrs. James V. Zeder, AuGres.

As chapter regent, Mrs. Roberts will present her report at the business meeting on Thursday morning, September 25. Mrs. Boyd, who is state registrar, cochaired a research workshop for all members on September 23 and Mrs. Zeder, honorary state regent, will participate in the memorial service on September 24.

Chapter delegates will attend a number of business and social events and hear featured speakers, Richard A. O'Donnell, vice president, Detroit sales, Television Bureau of Advertising, "Television Impact;" Dr. Allan A. Zaun, pastor, Jefferson Avenue Presbyterian Church, Detroit; "Three Precious Treasures: God, Home, Country;" Calvin Campbell, retired vice president and general counsel, Dow Chemical Company, "Energy for the 80s."

Mrs. Maxwell E. Hunt, state regent, Detroit, who was a speaker in this area shortly after taking office last year, will preside over the three-day conference.

CLUB NEWS & NOTES

Club Heard Presentation on Iosco Museum

Whittemore Women's Club met Wednesday, September 17, at the city hall with guest speaker, Harris Barkman, who talked on the Iosco County Historical Museum and the "History of Iosco County" book. The museum has been open for two years and in August greeted 981 visitors. Plans in the future call for an international display. Special groups are welcome Monday through Saturday. Members were encouraged to help by displaying antiques and serving as guides. A question and answer period followed.

Roll call was family heirlooms with many interesting articles on display. Each member gave a brief history of the articles.

Guests present were Wendy Schark, Elvacee Freel, Erma Bellville, Lois Fuerst, Ila Peck, Margaret Bellor and Joy Belen.

Using the club theme, "Michigan," Lelia Barrington gave a brief resume of Whittemore's governing body. She also noted that the smallest city in Michigan is Omer. Adele Brown reported on the legislative update and also announced that there is a new slide in the city park donated by the Whittemore Firemen's Association and the Whittemore Women's Club.

Mrs. Barrington was appointed to write the history of the club for the historical book.

Members planning to attend the Northeast District Convention in Harrison September 30 are Ida Dorsey, Lula Dunham, Mrs. Brown, Beulah White, Faye Johnson and Val Samson. Topic of the Wednesday, October 1, session will be election 1980.

TB Artists Meet Sept. 25

Thursday, September 25, business meeting of Tawas Bay Artists will convene at 7:30 p. m. with Joan Blust, president, presiding. Charles Murphy, local wood carver, will be guest speaker at 8 o'clock.

Mrs. Blust and Paula Peterson will be cohostesses serving on the luncheon committee.

Six Received OES Proficiency Test Sept. 16

Regular meeting of Tawas Bay Chapter No. 71, Order of the Eastern Star, was held Tuesday, September 16, with Mildred Bloomer, worthy matron, welcoming 75 members and guests. The altar was draped in memory of Fred A. Young, past grand patron, and the charter was draped in memory of Carol Belcher Baldwin, member of the local chapter.

A memorial was sent to Grand Chapter in memory of Mrs. Baldwin and one to Shriners' Children's Hospital in memory of Chuck Kuntz, son of Mr. and Mrs. Victor Kuntz.

Kenneth Lemon, associate patron, presented six members who took the proficiency test of the order.

Members are reminded of the Masonic Temple birthday party Saturday, September 27, with a 6:00 p. m. pot-luck and entertainment to follow. A reminder was also given that the October meeting has been changed to Monday, October 6.

Refreshments were served by Philus Hennessey, Ruby Evans, Grace Smith and Charlotte SchAAF.

Newcomers Held First Meeting of New Season

Tawas Area Newcomers assembled Tuesday evening, September 16, for the first meeting of the season. Two visitors, Ada Fitzpatrick and Bernadette Klinkel, were guests.

Social events for the year were planned with a pot-luck and cookout to be held in the near future. A demonstration by House of Wood will be featured at the Tuesday, October 21, session.

An invitation is extended to all ladies new to the area. Optional 6:00 p. m. dinner at Lixey's China House is followed by the business session at 7:30 o'clock the third Tuesday of each month.

Observe Anniversary

Mr. and Mrs. Fred Liddell of Hale were honored Saturday, September 20, at Plainfield Township Hall on the occasion of their 50th wedding anniversary. Hosting the affair were their children and spouses, Mr. and Mrs. Donald Liddell and Mr. and Mrs. Jack Liddell of Westland, Mr. and Mrs. Wayne Sullwald of Troy and Mr. and Mrs. Gary McGlone of Lapeer. The former Rosetta Tatrot of

Pinconning and her husband were married September 20, 1930, in Detroit. They moved to Hale nine years ago following his retirement from New York Central Railroad.

Special guest at the celebration was Mrs. Liddell's mother, Mrs. Odeal Edwards of Riverview, who is 93 years of age. The couple has 12 grandchildren and eight great grandchildren.

PUBLIC NOTICE

MICHIGAN DEPARTMENT OF NATURAL RESOURCES
P. O. Box 30028,
Lansing, MI 48909

NOTICE OF PUBLIC HEARING

TAKE NOTICE, That the Michigan Department of Natural Resources proposed to hold a hearing in the Plainfield Township Hall, 210 North Washington, Hale, Michigan, at 2:00 p. m. on Tuesday, the 14th day of October 1980.

The purpose of this hearing is to secure the views of interested persons concerning the following application for permit: Application for Permit (80-7-82) under the Inland Lakes and Streams Act (1972 PA 346) by Aloysius and Edward Bissonnette, 309 North Washington, Hale, Michigan 48739, to dredge a channel to Mud Lake in Section 12, Plainfield Township, Iosco County, Michigan.

The application may be reviewed in the Land Resource Programs Division Office, c/o DNR Region II Headquarters, 8717 North Roscommon Road, Roscommon, Michigan, during normal office hours.

The hearing will be held pursuant to Section (6) of the cited statute. The hearing will not be a court-type proceeding; witnesses will not be sworn, and there will be no cross-examination. Public Hearings are primarily informational and are held to encourage the expression of views and presentation of facts.

The Michigan Department of Natural Resources will, upon written request, provide a copy of the hearing transcript and/or advise of the Department's decision on this application.

FORFEITURE NOTICE

LAND CONTRACT
Lawrence E. McNew
4038 Fifth Street
Wyandotte, Michigan 48192

1. You are notified that a certain land contract, dated April 9, 1976 between Robert M. Hunt as Seller (party of the first part), and Lawrence McNew as Purchaser (party of the second part), concerning the property at Reno Township, Iosco County is in default because of non-payment of installments of principal and/or interest, and also because of unpaid taxes.

2. You have forfeited your rights under the land contract, and payment is demanded by Patricia Brooks, who holds the land contract as Trustee for Heirs of Robert M. Hunt, Deceased.

3. The sum of \$1,450.00 is now past due in principal and interest under the land contract, plus the sum of \$77.84 for taxes (2 years). The dates upon which payments were due are: November 9, 1979 through September 9, 1980.

4. The total amount due, or the material breach(es) of contract, must be cured or paid within 15 days* from the date of the service of notice upon you. (*15 days, unless the parties have by contract agreed to a longer time.)

5. If the total amount due is not paid in full within the time stated, or if the material breach(es) is/are not cured within the time stated, the land contract will be forfeited, as provided for in the contract, and you will be required to move out and give up the described property without further notice to you.

6. The property is described as (give legal description): Lot Eleven (11) of "Maple Acres Subdivision", a recorded plat Township of Reno County of Iosco and State of Michigan
September 12, 1980

PUBLIC NOTICE

Iosco County Road Commission Summary

September 2, 1980 10:00 a. m.

Meeting called to order by Chairman Conley. Present: Commissioners' Conley, Aulerich, White; and Engineer-Manager Buchanan. Also, present was Phyllis Costello, and the Representatives of the Employees' Association; Frank Bissonette, James Stawek, and Bill Cholger. Minutes of the previous meeting were read and approved.

Old Business:

1. Labor Contract: Motion was made by Commissioner Aulerich, seconded by Commissioner White to sign the Labor Contract of 1980-83 with the Employees' Association. Roll call vote, all yeas. Motion carried. Employee Representatives signed the contract along with the board. 2. Abandonment of Harbor Street: A brief discussion was held about the abandonment of Harbor Street between Farnsworth and O'Tool Streets. It was decided before any further action would be taken that the township board should be notified. Engineer-Manager is to write a letter requesting the township's recommendation regarding this abandonment. 3. Radio Tower Bids: Additional discussion was held regarding the radio bids and was decided at this time that no action would be taken.

New Business:

1. Plainfield Township Agreement: Township agreement with Plainfield for the improvement of Galion Road and Britt Road was presented to the commission. Motion by Commissioner Aulerich, seconded by Commissioner White to sign the agreement. Roll call vote, all yeas. Agreement signed. 2. Roof on the Oscoda Garage: Estimate of cost for the roof repair to the Oscoda Garage was presented to the board by the Engineer-Manager as received from Harry Curley and Sons. It was agreed by the board that bids should be taken for this work because of the cost being close to \$5,000.00. 3. Centerline Painting on new construction: Motion by Commissioner White, seconded by Commissioner Aulerich that the Engineer-Manager be authorized to recruit the services of Clark Highway Services, Inc. for the centerline painting on approximately 30 miles of new construction. Roll call vote, all yeas. Motion carried. 4. Bills and payroll: Motion by Commissioner Aulerich, seconded by Commissioner White to sign the bills and payroll as presented. Roll call vote, all yeas. Bills and payroll signed. 5. Adjournment: Upon motion made and seconded, the meeting adjourned at 11:30 a. m.

HENRY M. CONLEY
Chairman
STEPHEN D. FERGUSON
Sec-Clerk 39-1b

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing to review the fiscal year 1981 budget for the AuSable Valley Community Mental Health Services Board will be held in conjunction with the regular board meeting, at 7:30 p. m. Monday, October 13, 1980 at the Tawas City Clinic.

Copies of the fiscal year 1981 budget are available for review during regular business hours Monday-Friday at the Tawas City Clinic.

FLOYD R. SMITH
Executive Director

TAWAS TOWNSHIP BOARD 38-2b

Obituaries

Rites Held for William Lingle

Funeral services for William H. Lingle of Tawas City, who passed away Wednesday, September 17, at St. Luke's Hospital, Saginaw, after a short illness, were held Saturday, September 20, at Jacques and Kobs West Chapel, Tawas City. The Rev. Alfred Saulsbury officiated and committal was in Sunset Hills Cemetery, Flint.

Born August 23, 1912, in Flint, he was a member of Tawas Bay Aerie No. 2588, Fraternal Order of Eagles, and Iosco Sportsmen's Club.

Survivors include his wife, Florence; a daughter, Sandra Bullock of El Paso, Texas; five grandchildren, and two sisters, Clara Martin of Flushing and Mauvie Porath of Flint.

Start AWANA and Sparks Fall Program

Hemlock Road Baptist Church announces that Tuesday, September 30, will be the start of its AWANA and Sparks program for the fall.

The name AWANA is derived from the first letters of the words, Approved Workmen Are Not Ashamed, a phrase taken from II Timothy 2:15. The program is made up of memory work which is designed to establish a personal relationship to God as Savior and Lord, build up the clubber in Bible knowledge and to teach a love and respect for God and His Word.

AWANA upholds the fundamental doctrines of the Bible which is verbally inspired; the three persons of the Godhead, Father, Son and Holy Spirit; the virgin birth of Christ; His bodily resurrection; His coming again as premillennial; our condition as lost sinners; the need of being saved through faith in the finished work of Christ on Calvary and that alone without any works; the believer's walk of separation from the world; the obedience of a child of God in baptism by immersion; the eternal bliss of the saved and eternal loss of the damned.

Sparks is for children five to seven and AWANA is for children ages eight to 13.

The Rev. William Wright extends an invitation to all children to attend Sparks and AWANA club meetings every Tuesday evening at 6:45 o'clock at the Hemlock Road Baptist Church, corner of M-55 and Chambers Road.

GM Retiree Died Sept. 19

A retiree of General Motors Fisher Body, Melvin L. Barber of Hale expired Friday, September 19, at Hurley Hospital, Flint, at the age of 60 years. He had served in the United States Army Medical Corps from 1942-1946.

Funeral services were held Tuesday, September 23, at Forshee Funeral Home, Hale, with the Rev. William K. Dennis officiating. Interment was in Oak Grove Cemetery, South Branch.

Born April 13, 1920, he is survived by two sons, Dale of Lenon and Kenneth of Independence, Missouri; two grandchildren; his parents, Mr. and Mrs. Stacy Barber of Hale; a brother, Myron A. Barber of Lupton, and two sisters, Virginia Oaks of Swartz Creek and Velma Bell of Mio. A daughter predeceased her father.

Mission Festival September 28

Emanuel Lutheran Church, Fourth Avenue and Second Street, Tawas City, will celebrate its annual Mission Festival Sunday, September 28. The Rev. Orville Maasch of Vassar will preach the mission sermon at the regular 8:30 and 11:00 a.m. services. Following at 12 o'clock noon will be a picnic-style bratwurst and hot dog cook-out at the school grounds.

A short film depicting some of the work of the Wisconsin Evangelical Lutheran Synod will also be presented.

The meal will be provided by the church. Members attending are asked to bring a dish to pass and table service.

In case of inclement weather, the meal will be served in the school. Members of Emanuel, friends and anyone else interested are welcome.

VFW AUXILIARY MET AT POST HOME

Sixteen members of Veterans of Foreign Wars Auxiliary No. 5678 met at the post home Monday evening, September 22. Plans were made to attend the school of instruction at Harrisville Thursday, September 25. The session will begin at 7 o'clock.

A successful joint meeting was held September 17 with post members and another combined meeting is slated for Friday, October 17, 8:00 p.m.

Anna Burlison will head a committee to hold a bake sale at the mall in East Tawas Saturday, October 18. Proceeds will go to support National Home membership.

William Lear won the split money prize and Cheryl Becker received the mystery package. Lunch was served by Barbara and Theresa Roiter. Gloria Petri and Barbara Dubovsky will serve on the lunch committee at the October 13 session.

Vernon Blust Retires from Federal Forest Service

Vernon Blust, who has served as a ranger's clerk in the United States Forest Service since August 28, 1956, is retiring after 30 years of federal service. He served six years with the United States Marines during World War II.

Blust is a native of this area and graduated from Tawas City High School in 1939. He entered military service in 1940 and served until 1946.

He and his wife, Sallie, expect to retire in North Carolina, where they own property. "We have no immediate plans for the future, except to enjoy the southern climate for the winter," said Blust.

They have one son, Charles, a resident of Anderson Road.

Returns from Leadership Meet.

Gertrude Reece of East Tawas, assistant state director of the American Association of Retired Persons has just returned from a three-day Area V Leadership meeting of AARP held at Red Carpet Inn, Milwaukee, Wisconsin.

Mrs. Reece is an appointed officer of AARP, the nation's largest organization dedicated to helping older Americans to achieve independence, dignity and purpose in the retirement life.

The goals, needs, accomplishments and potential of older Americans, the nation's fastest growing segment of the population, are demanding attention from policy and opinion makers, which will have a profound impact on the lives of future generations.

Generations.

Participants at the Area V Leadership meeting came from five states, Illinois, Indiana, Ohio, Michigan and Wisconsin, where the total membership in AARP tops two million. The nonprofit, nongovernmental and nonpartisan organization is founded on the belief that creative energy is ageless. The organization provides persons with the opportunity to work together voluntarily in the interest of community service activities, social change and self development.

WON GIFT CERTIFICATE

Jane MacGregor of Oscoda was winner of the \$50 gift certificate awarded during the anniversary observance at the Joy Shop, Tawas City. Winning \$21 was Ruth Wojka of Alpena and the \$10 winner was Sandy Pronek of Mt. Clemens.

Hearing on Timber Sale

District ranger and the staff from Tawas District of the Huron National Forest will be holding a public hearing on a proposed timber sale in the Maltby Hills area. The meeting will be held on Friday, September 26, 1:00 p.m., at the South Branch Town Hall. This will be the final planning session prior to approval of the Environmental Assessment which analyzes the anticipated effects of the proposed timber sale.

The project area is in Sections 3, 4 and 9, T24N, R5E in Ogemaw County. The proposal includes individual tree marking on 114 acres of mixed hardwoods and approximately 80 acres of final harvest cutting in aspen. There are also 1.3 miles

of road reconstruction planned to service the proposed cutting.

The meeting is being held to inform local residents and interested citizens of proposed forest service activities and to solicit public input on this specific area only.

Protest

(Continued from page 1.)

County Sheriff's Department would be on hand during the performance, that the program was for entertainment only and the school had liability insurance.

"I am not happy about the bullet trick—what about the kid who, three months down the line, says he can do the same thing," said Brockenbrough.

No action was taken on the protest by the board of education.

ED FREEL'S KING'S MARKET
South US-23 Tawas City

HOME OWNERS may not appreciate the wet basements and mildew which have been caused by extremely wet weather in recent weeks, but Mrs. H. Read Smith of Tawas City finds beauty in unlikely places—in area woods after a good rain, for instance. One day last week she went out into the woods and picked 50 different varieties of mushrooms, toadstools and fungi, along with six kinds of mosses. She fashioned

these multi-colored wet season growths into centerpieces and they were the hit of luncheon meetings of two different women's clubs. The unique arrangements featured colors ranging from deep red and brilliant yellow to a variety of shades of green. One can find beauty in nature, even in a wet swamp, as proven by Mrs. Smith.—Tawas Herald Photo.

Letters of Woods Boss
Recalls Iosco White Pine Days

THIS EARLY winter scene shows a crew of men decking white pine logs in Iosco County. Hugh Mulholland Sr. wrote

several interesting letters, now the property of his grandson, Albert Mulholland, concerning woods operations here.

Seventy or more years ago, before compulsory education, it was not unusual for children to quit school at an early age and go to work to help support their family, or even leave home to strike off on their own.

Although times have changed and the need for a formal education is almost mandatory for one to "make it in life" today, if a family traces its genealogy back at least two, perhaps three generations, an ancestor will be found who quit school before reaching the eighth grade.

It is that way for the family of Hugh Mulholland Sr., who was born April 7, 1858, at Erinsville, Ontario, Canada. He was a member of a family of 10 children and, in 1876, at the age of 18 years, migrated to the United States. Coming with his parents to Saginaw County, his father took up a homestead near what was later to be known as Birch Run.

Lack of a formal education—he quit school at the end of the third grade—did not deter young Mulholland one whit—before he died at the age of 82 years, he personally knew 52 of the men whose names are inscribed on the Lumbermen's Monument overlooking the Au-Sable River, having achieved a state-wide reputation as one of the best woods bosses in the Michigan lumbering business.

Many of those who quit school were illiterate for the remainder of their lives, but not Mulholland. Through the self-education process, he became proficient in writing and many of his stories concerning the early days of Michigan are recorded in letters to the editor columns of state newspapers.

Several of those letters were preserved by his son, the late P. H. (Pat) Mulholland, who was a resident of East Tawas and a veteran of 39 years service with the Detroit and Mackinac Railway before his retirement in August 1967.

Although Mulholland's travels in the white pine business took him across the northern half of this state, his initiation into the logging business came in 1873 in Canada, when he was 15 years of age.

In those days, it was customary for crews of men to be sent into camps 150 miles away, taking with them no nails or stoves of any type. Going early enough in the fall to permit construction of log buildings, wooden pegs were used as one uses spikes or nails now. Tree boughs were woven into roofs and moss was used entirely for chinking the logs.

Rough fireplaces, located in the center of the room and known as the "camboose," were made for heating. Smoke from the fire escaped in the general direction of an opening in the roof and "bean holes" were the only means of baking or cooking.

Food consisted almost entirely of fat salt pork, beans, black molasses, whole wheat bread and combinations derived from these few commodities. Unpolished rice occasionally formed a variation, as did fish caught by the men.

Remoteness of camps prevented totting of all foods then considered unnecessary. According to a feature story published by the Alpena News in 1936, "Mulholland is a living proof that this simple diet of unrefined foods is beneficial." The delicious, coarse textured

HUGH MULHOLLAND SR., like many of his contemporaries of an earlier era, left school at the end of the third grade to end his formal education. This did not prevent him from becoming one of the noted woods bosses of his day as he spent nearly his entire life in the forests of Michigan, receiving a practical education in the process. He was an old man when this picture was snapped in 1936, posing against a fitting backdrop of what appears to be white pine logs.

bread of 20-pound loaf size, baked in the stone-lined pit, was placed on the table uncut, each man slicing his own bread as he wanted it. In fact, all waited on themselves.

Having helped to cut trails for surveying of the Canadian Pacific Railroad, he came to Michigan in time to follow this state through its entire history of lumbering, from one end of the state to the other and down to the later days of reforestation.

Mulholland recalled that in the very early days, logs were handled by handspikes, there being no cant hooks or skidding tongs then. Huskiness counted and the source of Paul Bunyan stories is easily understood.

Albert Higgins, the inventor of skidding tongs, traveled through Northern Michigan camps as a salesman for insurance and hospital tickets and was a personal friend of Mulholland. The tickets would entitle the holder to a year's treatment at St. Mary's Hospital at Saginaw. There was much need

the early 1880s. Their first stop for a hospital at that time, with the lumber camps turning out many accidents every day.

In a letter to the editor of the Atlanta Tribune on September 18, 1937, shortly before his death, Mulholland wrote: "As time goes on and every 365 days we old-timers add another year to our span of life, it sort of puts the feeling of reminiscence into our veins and about the only cure for this 'disease' is to write a letter to the editor of our paper."

"It might not be amiss for me to tell you of a trip I recently made into the scenes of earlier days. Of course, my ruminations will not take you away from home, exactly, and it might not be of great interest to many of you younger men and women, but I will venture that it will take some of the old-timers back to the days when 'a man was a man' and every devil of us was on our own."

Mulholland and his wife were asked to make a trip into the territory where he lumbered in

was at Prescott in Ogemaw County, where he landed in the early part of 1882.

"The pine was big in that territory and there were nice stands of hardwood, also, and very little of it had been cut. There was a great demand for lumber at that time and naturally I did not have a very hard time landing a job.

"The job I struck was in running a camp at Johnson Lake, three miles west of Prescott. This was in the very heart of the big timber and there was little habitation. Summit was a little town 17 miles from Prescott and it was there we got our mail, it being the only post office in that part of the country. But, by the action of the foreman of the Prescott Lumber Company and myself, with other foremen around in that territory, we petitioned the government for a post office at Prescott and within a month we were given regular postal service with Mrs. Davison, wife of the foreman of the camp at Prescott, as postmistress.

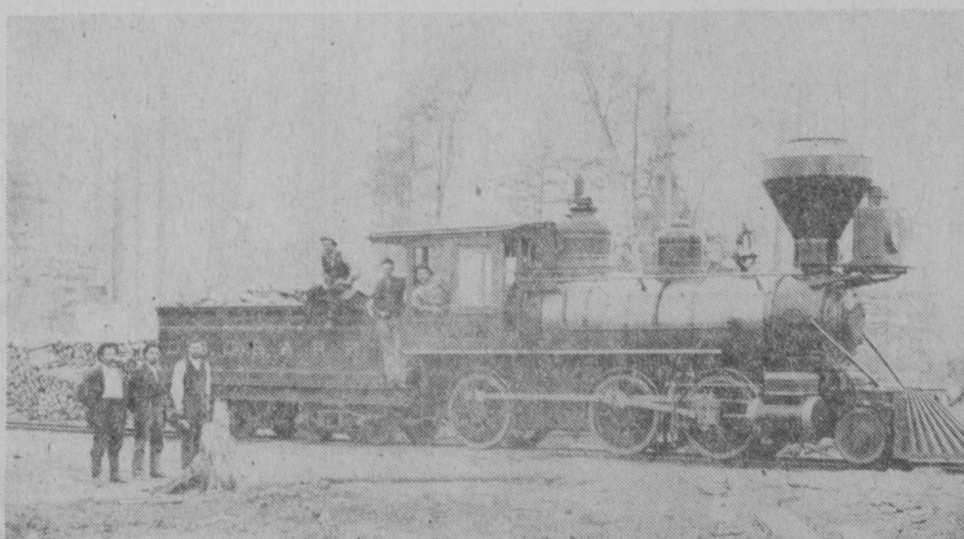

"Prescott at that time was nothing but a lumber camp, being named in honor of C. H. Prescott. Besides being a lumberman, he was a preacher and did much to tame the festive lumberjack."

Mulholland was chairman of the first Republican caucus held in that territory. "All lumbermen at that time were Republicans," he recalled. His camp was located then in the southeast corner of Ogemaw County, Richland Township.

"One little incident that occurred at that caucus is worth telling. Hughie McKinnon was a hermit with a homestead near the camp and, just before the caucus started, he came into the door with his knapsack on his back and, taking from it a quart bottle of whiskey, put it on the desk, which was a wide board on a pork barrel. He said, 'there you are, now you can proceed properly.' The camp blacksmith was the clerk of the caucus and after the business was over, it did not take the lumberjacks long to make way with that quart. McKinnon was a very noisy Scotsman and he heralded the news that he carried lots of money with him and, sure enough, they found him murdered one morning and what money he had was gone."

A total abstainer, Mulholland said he "could have as good a time and enjoy the association (See MULHOLLAND, page 6.)

Wood Burner at Whittemore

"AT WHITTEMORE, where that place was a station with no habitation, only a big pile of logs always waiting to be loaded on the cars of the narrow gauge railroad," wrote Hugh Mulholland Sr. concerning his early experiences in Iosco and Ogemaw Counties.

"The teams had to help the engines up the hills." This wood burning locomotive of the Detroit, Bay City and Alpena Railroad was snapped at Whittemore in 1884. Frank Allen was the engineer in the window of the cab.

TODAY'S TEEN at Hale Area High School is Patti Irwin, 18-year-old daughter of Mr. and Mrs. James Irwin. Her subjects this year include United States Government, English, blueprint reading, biology and office practice. Her hobbies include riding horses and she participates in basketball.

Our Day

FOR AND ABOUT
IOSCO TEEN-AGERS

Exchange Student Awaits CC Skiing

Jeff Bruusgaard, 17-year-old exchange student from Drammen, Norway, is looking forward to cross-country skiing once winter comes to Northeastern Michigan.

Here as a participant in the exchange program sponsored by Rotary International, he is enrolled as a senior at Tawas Area High School. His parents for the next four months are Sheriff and Mrs. George A. Westcott.

He is one of 20 students from Norway who came to Michigan, Minnesota and other states in August. He plans to attend college after graduation from high school here, although he is undecided as to a future course of study.

Back home in Norway as a junior, his subjects included science, mathematics, English, geography, Norwegian and German. He has had seven years of

English in school and is extremely proficient in speaking the language. He attributes this partially to the fact that an exchange student from the United States stayed with his family two years ago.

His subjects this year include United States History, world affairs, United States Government, Algebra II and English. Bruusgaard said that high schools of his country do not have an organized program of sports and he plans to try out for basketball here later this fall. His hobby is photography.

Drammen is a town with a population of 60,000 people and this is his first experience living in a small community. His father, Sverre, manages a factory. He has a sister 19 years of age and a brother, 11 years old.

This is the first experience for the Westcotts in the student exchange program.

THE GIRLS shown here are varsity cheerleaders at Hale Area High School and are working hard this fall during games played by the Hale Area Eagles. They were selected for special recognition this week because of their outstanding contribution to the school.

(Read Psalm 103)

An aged and ailing man looked at me squarely. With a voice that demanded some answer, he asked, "When did I get old? I was always young! When did I get old?"

I had no answer for him then; I have none now.

The haunting character of his question, however, has made its indelible mark on my mind. Life—his life, my life, everyone's life—is so very brief. All too soon we will probably look back at the story of our lives and ask that same unanswerable question.

One of our goals for each day should be a desire for a consciousness of God's presence. Our willingness to serve God and other people will give us reasons for rejoicing rather than regret. Even the briefest of time can be lived to the glory of God.

PRAYER

God of the ages, be also the God of our hours, minutes and moments. Our lives are too brief for anything less than Your being Lord of every second of each day. Amen.

THOUGHT FOR THE DAY

A life in the service of Christ is life in its fullest.—Garry Harris (Australia)

Two Special Services are Scheduled

Two special services are scheduled at the East Tawas Assembly of God Church, according to the Rev. Edward J. Fairbanks. A missionary service will be held on Wednesday evening, September 24, 7:30 o'clock, with Missionary Martin D. Roman. Monday evening, September 29, a Gospel concert featuring William Powell will be held at 7:30.

Roman, formerly of Coleman, is a newly-appointed Assemblies of God Missionary in Benin, West Africa. During their first term of missionary service, he and his wife, Brenda, will be involved in special evangelism efforts as well as the training of nationals for leadership positions in the national church.

Of this ministry, Roman stated, "Benin promises to be a very challenging field of ministry. We are excited about the opportunities for services that God will open for us."

A graduate of North Central Bible College, Minneapolis, Minnesota, he pioneered and pastored a church in Shelbyville, Illinois, prior to missionary candidacy.

A unique puppet and music presentation will be featured at this special missions rally.

Pastor Powell of Canton, Ohio, graduated from high school in 1966 and began traveling as a rock-and-roll piano player throughout the Eastern United States.

In 1971, he and his wife, Helen, were married and continued to travel until 1973 when, after a physical disaster, they both committed their lives to Jesus Christ.

Almost immediately, the Lord began to use the young man in the ministry of music, leading in praise and worship, and singing original songs of life with the King.

God has blessed Powell not only musically, but also with an ability to relate stories of testimony in captivating, humorous style that especially appeals to today's generation!

Speaker Set for Full Gospel Businessmen

Karl Rose, originally from Berkley, will address the Saturday, October 4, dinner meeting of Full Gospel Businessmen's Fellowship, Huron Shores Chapter, at Tawas Masonic Temple. Dinner served at 6:30 p. m. and the nondenominational program to follow at 7:15 o'clock is open to the public.

Tickets are available at the Book Nook, Golden Shears and Schauf Home Center, East Tawas, or Robert's Apparel, Oscoda. Checks are to be made payable to FGFBM and mailed to Post Office Box 566, East Tawas, for tickets by mail.

Rose served with the United States Army and became an accountant through studies at Walsh Institute of Accountancy. He has been a field auditor for Michigan Employment Security Commission since 1966.

In 1973, he was baptized through the ministry of a prayer group at Traverse City and has since made steady growth in the Lord.

Rose has four sons between the ages of 10 and 16 years and is chairman of the board of elders of his church, secretary of the Traverse Bay Area Chapter of Full Gospel Businessmen's Fellowship and advisor to the local Women's Aglow board.

PUBLIC NOTICE

REGULAR MEETING—TAWAS CITY COUNCIL
September 8, 1980

Meeting called to order at 7:30 PM at City Hall by Mayor Westcott.

Present: Westcott, Hayes, Keiser, Lansky, Martin, Pawloski, Upson. Others: Manager Thomas, Supt. Look.

Minutes of August 18 meeting approved.

Notice by certified mail having been given to owners of all real property in the proposed district, and publication of notice of hearing having been made in the Tawas Herald, a Public Hearing was opened on establishment of a Commercial Redevelopment District. Dr. LeClair, Bob Rollin, and Greg Huck spoke in favor of expanding the district to include all commercial properties in the City; Herb Cholger stated his opinion that each business wishing to take advantage of the tax exemption provisions should request a separate district be established to contain only itself. After considerable discussion as to whether all commercial property in the City would qualify as "obsolete" or "vacant area" characterized by obsolete commercial property and a decline in commercial activity" as required by Act 255, PA 1978 for establishment of a district,

motion by Hayes seconded by Pawloski that the Public Hearing be closed; carried.

Resolution offered by Pawloski, supported by Hayes, that WHEREAS, the City Council of the City of Tawas City recognizes the importance of a healthy and thriving business community to the economic welfare of the City, and WHEREAS, Act 255 of the Public Acts of 1978 provides an incentive for the improvement and expansion of commercial properties through exemption from certain taxes; now, therefore, BE IT RESOLVED, that pursuant to said Act, the City Council does find and determine that all that commercially-zoned property bounded on the northeast by Wheeler Street extended to the Bay, on the southeast by Tawas Bay, on the southwest by Mathews Street extended to the Bay, and on the northwest by the Detroit & Mackinac Railway right-of-way, meets the requirements set forth in Section 5 (1) (a) of said Act, and FURTHER RESOLVED, that the City Council does hereby establish the area described above as a Commercial Redevelopment District pursuant to said Act 255, Public Acts of 1978; roll call vote: unanimous yes.

Motion by Pawloski seconded by Martin that October 20 be set for a Public Hearing on establishment of a Commercial

Redevelopment District to include all of the remaining eligible commercial property in the City; roll call vote: unanimous yes.

Bob Rollin stated that properties along South US 23 were being flooded due to cattails plugging the drainage ditch. Harold Moeller complained about the lack of drainage in Townline Drain. Manager Thomas responded that Townline Drain is a County drain, the remedy being for the County Drain Commissioner to arrange for clean-out to be paid by special assessment against benefiting owners.

Councilwoman Upson asked Council to consider selling the former Hatton property on Mathews Street at the River to a private owner. The question is to be referred to the Planning Commission.

Councilman Martin expressed concern over parking along Court Street interfering with two-lane traffic. Motion by Westcott seconded by Martin that "No Parking" signs be posted on the easterly side of Court Street from First Street to River Street; roll call vote: unanimous yes.

John Edmonds briefed Council on progress toward bridge reconstruction, stating that a possible November starting date and completion date of summer 1981 includes provision for leaving both bridges open during the winter season while construction work is halted. Motion by Hayes seconded by Lansky that Council indicate approval of plans and that Mayor and Clerk be authorized to sign title sheets; roll call vote: unanimous yes.

Manager described the status of property on which the easterly approach to Whittemore Street bridge rests, recommending that Council clarify the ownership and purchase enough additional property for correct alignment of the new approaches. Resolution offered by Keiser, supported by Hayes, that the City Manager be and is hereby authorized to acquire additional right-of-way from Delano Myles for construction of the Whittemore Street bridge over the Tawas River, and that the sum of \$2,400 appropriated for bridge improvement in the Local Improvement Fund be transferred to the Major Streets Fund, and that the sum of \$1,250 be appropriated from the surplus and unappropriated funds of the Major Streets Fund to acquire the above right-of-way; roll call vote: unanimous yes.

Bond counsel's suggested resolution preparatory to including questions of Fire Hall construction and City offices' renovation on the November ballot was presented for Council study. Architect's proposed Schemes A and B for Fire Hall site plan was described to Council and referred to Fire Department.

First Reading of proposed Ordinance No. 204, amending Ordinance No. 162 to describe boundaries of OS District, as recommended by Planning Commission, accepted on motion by Westcott seconded by Pawloski; roll call vote: unanimous yes.

Resolution offered by Keiser, supported by Pawloski, that there is hereby appropriated the sum of \$3,000 from the surplus and unappropriated funds of the Water Operation & Maintenance Fund for transfer to the Water Improvement Fund, and further that \$3,000 be and is hereby appropriated from the surplus and unappropriated funds of the Water Improvement Fund to extend a water main in Fir Street easterly of Beech Street; roll call vote: unanimous yes.

On receipt of plans from Edmonds Engineering, resolution offered by Hayes, supported by Westcott, that the sum of \$15,000 be and is hereby appropriated from the Capital Project Reserve Account of the Local Improvement Fund for the purpose of constructing and extending a road (Sixth Street) into the proposed Industrial Park property of the City; roll call vote: unanimous yes. Council's intention is to make a start on removing approximately 4500 yards of muck to be replaced by sand, and graveled.

Notice was given of Michigan Municipal League Annual Convention in Kalamazoo October 8-10, and registration deadline. Manager discussed progress on Rivermouth Development, expecting approval of preapplication for funding by October 1. State construction approvals are proceeding, but Corps of Engineers are not prepared to grant construction approvals as yet.

Adjourned 9:40.

RACHEL SUE MCCREADY
Tawas City Clerk 39-1b

THE POACHER'S TOOLS—Conservation Officer Michael Mol, stationed at Houghton Lake, checks over evidence confiscated from poachers who were caught violating Michigan's game laws. Hand-held spotlights are a favorite tool of the poacher, who has an accomplice temporarily blind the deer with the high-intensity spotlight at night. The deer freezes motionless—an easy target for the poacher's rifle. "Some people would not think of breaking any other law, but they think nothing of killing an animal illegally," Mol says. "That deer is valued by the state

at a minimum of \$100. Poaching is equal to stealing at least \$100 from the people of Michigan. Multiply that one deer by the thousands taken each year by poachers and one begins to realize the damage that poachers are really doing to our natural resources." To help Michigan conservation officers like Mol protect the game and fish, report all poaching. Violations can be reported by calling the Department of Natural Resources' toll-free, 24-hour law enforcement hot line, 1-800-292-7800.

been an annual event for over 20 years, is a time for education and sharing for public health workers. The programs offered during the daylong conference are designed to meet the needs of the local health department personnel, as well as to present topics of current issues.

This year, the program will include presentations of local health department special projects; there will be an update on the public health code; a time management seminar by Dr. Hugh Rohrer, Central Michigan University; behavior change as an example for others by Dr. Loren Bensen, Central Michigan University, and hypnosis—today's use by Barry Beder, M. S. W.

The distinguished service award and the Ruth Rosenow award will be granted to two individuals who have made outstanding contributions to public health service delivery in Northern Michigan. Central Michigan District Health Department will host the conference this year.

OFFICIAL NOTICE OF SALE
\$258,000.00

HALE AREA SCHOOLS
COUNTIES OF IOSCO AND OGEWAW
STATE OF MICHIGAN

TAX ANTICIPATION NOTES
(General Obligation Limited Tax)

SEALED BIDS for the purchase of tax anticipation notes of Hale Area Schools, Counties of Iosco and Ogemaw, Michigan of the par value of \$258,000.00 will be received by the undersigned at the Administration Office, Esmond Road, Hale, Michigan until 3:00 o'clock P. M., Daylight Savings Time, on the 6th day of October, 1980 at which time and place they will be publicly opened and read.

NOTE DETAILS; INTEREST RATE; PAYING AGENT; AND DENOMINATIONS: The notes will be dated November 1, 1980, will mature February 28, 1981 and will bear interest at a rate or rates not exceeding 8% per annum. Both principal and interest will be payable at a bank or trust company located in the State of Michigan to be designated by the original purchaser of the notes which paying agent qualifies as such under the Statutes of the State of Michigan or of the Federal Government, subject to the approval of School District. Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time of delivery.

PRIOR REDEMPTION: The notes shall be subject to redemption in direct numerical order at par and accrued interest on the first day of any month prior to maturity upon 30 days' notice served by registered mail upon the known holder or holders thereof, or published in a newspaper or publication circulated in the State of Michigan which carries as a part of its regular service notices of the sale of municipal bonds and notes.

AWARD OF NOTES: For the purpose of awarding the notes the interest cost of each bid will be computed on a 360 day year basis by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from November 1, 1980, to their maturity and deducting therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest dollar interest cost to the municipality. No proposal for the purchase of less than all of the notes or at a price less than their par value will be considered.

SECURITY: The loan is in anticipation of the operating portion of the School Tax for the fiscal year July 1, 1980 to June 30, 1981 which tax is due and payable December 1, 1980. The School District is required to establish a special fund to be used solely to pay the principal and interest on the notes when due, and to set aside in said fund an amount sufficient to repay the principal and interest on the notes when due. A portion of each dollar of taxes remaining to be collected for the fiscal year beginning July 1, 1980 shall be set aside in an amount not less than 125% of the percentage that the principal amount of the notes bears to the amount of taxes to be levied and to be collected for operating expenses, anticipated delinquency in collections being taken into account, until the amount so set aside is sufficient for payment of the notes.

In addition, the notes will be a General Obligation of the school district and if tax collections are insufficient to pay the notes when due, the School District has pledged to use any and all other resources available for payment of said notes. The School District does not have the power to levy taxes for the payment of the notes in excess of its constitutional and statutory tax rate limit.

GOOD FAITH: A certified or cashier's check in the amount of 2% of the par value of the notes, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer must accompany each bid as a guarantee of good faith on the part of the bidder to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the notes. Checks of unsuccessful bidders will be promptly returned.

LEGAL OPINION; DELIVERY OF NOTES: Bids shall be conditioned upon the unqualified opinion of the purchaser's attorney approving the legality of the notes, to be secured at the purchaser's expense. The purchaser shall furnish notes ready for execution at his expense. Notes will be delivered at a place to be agreed upon with the purchaser.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES containing the bids should be plainly marked "Proposal for Notes."

ABSENT VOTER BALLOTS: Qualified electors may make application to the Clerk for absent voter ballots for the General Election any time prior to 2:00 PM, Saturday, November 1, 1980.

LOOKING BACKWARD—

Silver Valley Ski Chalet to be Sold

15 Years Ago—September 29, 1965—Tawas Chamber of Commerce is advertising for bids on removing the ski chalet at Silver Valley. The winter sports park has been deactivated and the chamber-owned building must be removed.

Public hearings are to be held on a proposal to allow commercial fishermen to keep perch under 3 1/2 inches being caught in 2 1/2-inch gill nets. The department of conservation says that yellow perch are being wasted on Saginaw Bay under present rules. R. A. MacMullan, director, said that removal of small fish would benefit sport fishing.

Tawas-Whitemore Area Community Chest has adopted a budget of \$11,500 for this year's Red Feather campaign.

Elementary pupils of Tawas Area School are not required to obtain a physical examination before being permitted to participate in the new physical education program. The board of education ruled a month ago that such examinations were required at the parents' expense, but since then, school officials learned that doctors would be unable to give physicals to the more than 700 children involved.

25 Years Ago—September 29, 1955—Passing of Carl Nemeth to Darwood Leonard was the one bright spot in the Tawas Area Braves' 67-0 loss Friday to visiting Bay City St. Stanislaus.

Work has started on the new Abitibi paper mill at Alpena, which is expected to increase freight traffic on the Detroit and Mackinac Railway. Finished product of the plant will

be pressed board made from wood fibre and chips.

Five outstanding seniors at Tawas Area High School will compete in the new, multi-million-dollar National Merit Scholarship Program. Named to participate in preliminary screening were Terry Beadle, Carol Bolen, David Butterfield, James Pomerantz and Marilyn Smith.

Ira Scofield of Hale is offering 80 acres of timberland for sale north of Tawas at \$4,000. Silver Creek crosses the property.

35 Years Ago—September 28, 1945—Pfc. Frederick Rempert of Tawas City was one of six military police assigned to guard Tojo, following his recent capture in Japan. Previously, he served as a guard over "Tokyo Rose."

Ground has been broken for the basement of the new Baptist parsonage in Tawas City. Timber for the structure was selected from a stand on L. H. Bradock's Elm Forks Ranch. Men of the church provided swamps and Edward Parker, with power saw, felled the timber and cut it into log lengths. Ten thousand feet of fine Norway, white pine and hemlock have been cut.

Lee Case of Saginaw has purchased the former Prescott block in Tawas City owned by James H. Leslie. Tawas Manufacturing Company, now located in the Edgewater Building, has secured a lease on a portion of the building and will use it as an assembly plant.

Richard Berube of Tawas City, second year 4-H Club member, won highest honors at the state 4-H Club show for a cedar chest and a one-third size footstool model.

There are 445 students enrolled in the East Tawas Public School. This is an increase of 60 over last year. The high school enrollment is 170.

The army is determined that returned European war veterans shall no longer appeal to congressmen or newspaper men to hasten their discharge from the army, or to protest re-

deployment to Japan for police duty. The warning, probably aimed at the 95th Division stationed at Camp Shelby, Mississippi, states that activities of this nature may subject participants to disciplinary action.

Ray Kesler of Hale is the new president of the Northern Five Basketball League. Other officers include Gordon Helmbold, Rose City, vice president; Chester Robarts, Tawas City, secretary-treasurer.

Start Suit Over Stalled Land Deal

An East Tawas couple has commenced suit in Iosco County Circuit Court to collect \$9,000 which they say is owed on an October 20, 1979, land transaction.

Richard B. and Myrl Joanne Moss are plaintiffs and Velma Horton is the defendant.

According to the complaint, Mrs. Horton and her late husband, Dwight, signed an agreement to purchase property east of Genii's Restaurant at a price of \$76,000. The Hortons paid \$1,000 on execution of the agreement, and according to the complaint, agreed to pay \$9,000 no later than January 5, 1980.

The closing date was not met and Mr. and Mrs. Moss ask damages of \$9,000, plus damages of \$9,000 on a second count, or for Mrs. Horton to comply with the terms of the total purchase agreement of \$76,000, less the \$1,000 original payment. The plaintiffs ask for a lien on the premises.

Hold Confab. October 10 at Houghton Lk.

"Give 'Em Health Northern Michigan" is the theme of the 1980 Northern Regional Public Health Conference to be held at the Holiday Inn in Houghton Lake October 10. The conference, which has

Proceedings of the Iosco County Board of Commissioners

AUGUST SESSION (CONT'D)

August 20, 1980
A regular meeting of the Iosco County Board of Commissioners held at the County Building in Tawas City on August 20, 1980, pursuant to published schedule.

Meeting called to order at 2:25 p. m. by Chairman Webb and the roll called.

Present: Stech (District 1), George (District 2), Merschel (District 3), Ulman (District 4) and Webb (District 5).

Absent: None.

Also in attendance were State Representative Tom Alley and Dave Gay, executive director of the East Central Michigan Planning and Development Region.

Chairman Webb reviewed the agenda for the day and the business to come before the board, referring, among other things, to a request for a contribution to the group that has been fighting the AuGres River Watershed Project.

Representative Alley conversed with board members briefly.

Commissioner Merschel presented and moved adoption of the following resolution, motion being supported by Ulman and carried.

The County of Iosco does hereby serve notice that it will file with the State of Michigan, a solid waste management plan as required by Act 641 of the Public Acts of 1978. Such a plan shall fulfill all the requirements of the act, as well as all applicable rules and regulations promulgated under the act.

East Central Michigan Planning and Development Region has been appointed by the County of Iosco as the agency responsible for the preparation of the county solid waste management plan.

The cost incurred in the development of the county solid waste management plan will be borne jointly by the State of Michigan and the County of Iosco, with the state paying 80% and the county 20%. Prior to the county commitment for any fund expenditures for which a grant award will be sought, the county hereby agrees that clearance for such expenditures will be secured through the Department of Natural Resources.

A copy of the resolution was thereupon prepared for Mr. Gay to take with him.

Chairman Webb continued with his review of board business.

Commissioner Merschel reported in reference to the following matters:

Indicated that Undersheriff Michael Welsch has requested authorization to purchase a part for their "mug" camera at a cost of \$125.

Referred to a request from East Tawas City Clerk Clyde Soper to have the county drain commissioner and a representative of the board of commissioners appointed to serve on the Tawas Lake Board, which was recently formed to investigate and attempt to find a solution to the aging of the lake.

Following a brief discussion of the requested appointments to the Tawas Lake board, wherein Commissioner Ulman volunteered, it was moved by Merschel and supported by Stech that Ulman be appointed as the board's representative. Motion carried.

Chairman Webb referred to the solid waste disposal problem, reporting that officials of the local units have requested that a committee be appointed to study funding sources. He thereupon proposed that a resolution be drafted to authorize the formation of an ad hoc committee to study the problem, indicating that, so far, 6 persons have volunteered to serve on the committee. In discussion of the matter, Webb indicated that the county has expended over \$800,000 for operation of the landfill since its inception, and that some have expressed a hope that the county will somehow be able to continue funding.

Commissioner Merschel presented and moved adoption of the following resolution, motion being supported by George and carried on the following roll call: Ayes: Stech, George, Merschel and Webb. Nays: Ulman, Honorable Board of Commissioners:

BE IT RESOLVED, that Iosco

County accept the Department of Housing and Urban Development Community Development Block Grant designated as project No. B-80-DN-26-0015, in the amount of \$400,000; and

BE IT FURTHER RESOLVED, that Board of Commissioners Chairman John D. Webb, Jr. be hereby authorized to sign the grant agreement, letter of credit, designation of depository and any and all other documents necessary to the acceptance and administration of said grant; and

BE IT FURTHER RESOLVED, that Chairman John D. Webb, Jr., County Clerk D. Keith Pappas and County Treasurer Edward J. Nelkie and their respective deputies be authorized to sign the signature cards for payment vouchers on letter of credit; and

BE IT FURTHER RESOLVED, that the Iosco County Board of Commissioners create a housing commission to administer said grant.

Finance Chairman George presented and moved adoption of the following resolution, motion being supported by Merschel and carried.

Your finance committee recommends that, after review, the county clerk and the chairman of the board of commissioners be authorized to approve salary for the month of August and per diem for meetings through today for the board of commissioners.

Signed: David George and Carlton Merschel

	Comm. meetings 6/25, 7/8, 7/9, 8/7, 8/11, 8/12, 8/13	233.00
		\$502.00

Commissioner Stech referred to allegations raised in the August primary election campaigns that the sheriff's department has an excess number of patrol cars and is allowing employees to drive patrol vehicles home, advancing the opinion that the sheriff should be asked to meet with the board to resolve the allegations and the matter "laid to rest."

Continuing, Stech remarked that he was shocked to hear that the county road commission had approved the purchase of a LeSabre Buick automobile for the use of the road commission engineer-manager, expressing the opinion that the board of commissioners should discuss the matter with the chairman of the road commission; and further expressed concern over county vehicles being used by road commission supervisors. In discussion: Merschel expressed the opinion that the LeSabre Buick is not considered a big car anymore and that the matter should not be pursued; Stech reiterated his position in support of smaller, less expensive vehicles, indicating his feeling that the engineer-manager should use a pickup truck; and George voiced his opinion that the matter is a policy decision for the board of road commissioners and not the responsibility of the county board of commissioners, stating that the board of com-

missioners has enough problems to deal with.

Chairman Webb thereupon designated Commissioner Stech to contact the chairman of the county road commission for clarification of their authorization to purchase the larger size automobile.

With respect to the issues raised by Commissioner Stech concerning sheriff's department vehicles, Commissioner George proposed that they take no action until the arbitration is settled, as it may prejudice the county's case and result in higher costs to the county.

In presentation of committee reports, Chairman Webb reported that the Region 7-B Employment and Training Consortium (CETA) has been asked to vacate the Mid-Michigan College quarters and has signed a contract to lease a new building in Harrison, Michigan; and Commissioner George reported on recent activities of the Trio Council on Aging.

Robert Logan, a social worker employed by "Community, Family and Children Services," the organization contracted to provide services for the Arenac, Iosco, Ogemaw Counties joint program of foster family group homes, and the director of the program, addressed the board to request county endorsement of the basic grant budget for the 1980-81 Tri-County program under which \$15,000 is contributed for each member county, indicating that 3 of the children presently enrolled in the program are from Iosco County. Following a discussion of the matter, wherein Commissioner Stech pointed out the savings effected by the program as compared to alternative child care and rehabilitation programs, Commissioner Stech was assigned to draft a resolution and to confer with Probate Judge William H. McCready on the program.

Committees were ordered to their respective duties at 3:20 p. m., the official meeting to stand in recess until 4:00 p. m.

Upon call to order at 4:20 p. m., Commissioner Stech presented and moved adoption of the following resolutions:

Your finance committee recommends that the imprest cash fund of the Iosco County Medical Care Facility be increased by the sum of \$150.00 to a total of \$3,150, per request of the Department of Social Services Board.

Supported by Merschel and carried.

Your airport committee recommends that Austin Fisher be appointed as assistant manager of the Iosco County Airport, and that Chairman John D. Webb, Jr. be authorized to sign Mr. Fisher's application for assistant airport manager's license.

Supported by Merschel and, following a discussion of the matter, it was moved by George and supported by Ulman to table the question pending further study and investigation. Motion to table carried on a voice vote.

Commissioner Ulman presented a resolution seeking to have the Old Orchard Park property and the Largo Springs property removed from the tax rolls, which was supported by Commissioner Stech. Following a period of discussion wherein Commissioner George referred to an attorney general's opinion that the action would be illegal, it was moved by Stech and supported by Merschel to table the question pending further study and investigation. Motion carried on a voice vote.

Continuing, Ulman presented and moved adoption of the following resolutions:

Your administrative committee recommends that County Drain Commissioner Harry Krueger be allowed mileage reimbursement to attend the state drain commissioners' convention at the Holiday Inn, Grayling, Michigan.

Supported by Stech and carried.

Your administrative committee recommends that authorization be granted for the purchase of an I. B. M. model 895 correcting "selectric" II typewriter at a cost of \$864.00, for use by the clerk of the cooperative reimbursement program, with payment to be charged against line item No. 96 of the building and grounds department budget.

Supported by Stech and, following a discussion, it was moved by George and supported by Merschel to amend the resolution to provide: "whereas this is not the low bid, this purchase shall be approved by the prosecuting attorney, the department head." Motion to amend car-

ried. The roll was thereupon called on the resolution as amended, which carried.

Finance Chairman George presented and moved adoption of the following resolution, motion being supported by Merschel and carried.

Honorable Board of Commissioners:

Your finance committee recommends that the 1980 Iosco County General Fund budget be amended as follows:

ITEM NO.	AMENDED TO
274A Law Library supplement	\$1,000 \$2,500
183 Bar Association dues	250 -0-
288 Bar Association dues	250 -0-
233 Bar Association dues	250 -0-
257 Bar Association dues	250 -0-
10 Board of commissioners convention/seminar expense	1,000 500

Chairman Webb referred to the notice from the county treasurer of a deficit in the child care fund, whereupon Commissioner George indicated that there is "no hurry" in the matter.

In further discussion of the proposed ad hoc committee to study the solid waste disposal funding problem, Chairman Webb reported on an observation by Grant Township Supervisor Olen Herriman, with respect to a request by the National Gypsum Company to route Sand Creek, that he would like to make a trade whereby an empty quarry could be provided for a sanitary landfill site. Continuing, Webb reported on having written to the National Gypsum Company regarding the possible use of a mined-out quarry for use as a landfill, to which he received no reply; whereupon Merschel commented that, due to the formation of gypsum deposits, such a use could possibly cause problems, and that he feels the matter should be thoroughly investigated before a resolution is adopted to pursue such a course.

A brief recess was ordered by the chairman at 4:45 p. m., Chairman Webb read a letter from Honeywell dated August 14, 1980, advising that the cost of the maintenance agreement (for maintenance of the thermostat temperature control devices in the County Building) will increase from \$1,624 to \$1,817 annually, effective November 28, 1980. Following a brief discussion, the matter was referred to Commissioner Ulman for investigation.

Finance Chairman George presented the following report of minutes of the statutory finance committee meeting of August 18, 1980, moving its acceptance, motion being supported by Stech and carried.

Minutes of Statutory Finance Committee Meeting of August 18, 1980

Members present: George, Webb, Ulman, Stech

1. Claims and accounts as attached were reviewed by the committee and approved with the following exceptions: Exceptions Reason Action Claims & Acct. No. 2 No. 15 Iosco County News, not approved by sheriff reject \$18.20

Claims & Acct. No. 1 No. 31 Edward Seifert, Jr. over budget—held for review reject \$166.99

No. 32 Irene Snable, over budget—held for review reject \$293.33

Claims & Acct. No. 2 No. 20 VISA, sheriff did not include this expense in the budget he prepared reject \$43.68

2. Additionally, the committee discussed the following items and took indicated disposition: Board discussed that departments should discuss with the board of commissioners expenses which are not budgeted prior to committing to those expenditures.

/s/ David George, James F. Stech, John D. Webb, Jr. and Marian Ulman	
Attachments:	
C & A 1	\$10,243.45
2	7,538.00
3	226.72
Rev. sharing	32.30
Paid without presentation	36,250.82

The need for a filing cabinet for the federal housing (HUD) project was raised by Chairman Webb and referred to the building and grounds committee, with the suggestion that the or-

der be placed now and approval given at a later date.

The business scheduled for the day having been concluded, it was moved by Ulman and supported by Stech to recess the meeting until 4:00 p. m. on August 27, 1980, or subject to the call of the chair upon 24 hours notice to board members and the news media. Motion carried and meeting adjourned at 5:05 p. m.

JOHN D. WEBB, JR.
Chairman
D. KEITH PAPAS
Clerk

August 27, 1980
A continuation of the regular session of the Iosco County Board of Commissioners held at the County Building in Tawas City pursuant to adjournment August 20, 1980

Meeting called to order at 4:10 p. m. by Chairman Webb and the roll called.

Present: Stech (District 1), George (District 2), Merschel (District 3), Ulman (District 4) and Webb (District 5).

Absent: None.

Finance Chairman George presented and moved adoption of the following resolutions:

Your finance committee recommends that - WHEREAS, the county clerk, the county treasurer and the chairman of the statutory finance committee have recommended, unanimously, that the bid of Weinlander, Fitzhugh, Bertuleit and Schairer, certified public accountants, be accepted for the Office of Revenue Sharing (Washington, D. C.) required financial compliance audit;

BE IT RESOLVED, that the chairman of the board of commissioners and the county clerk be authorized to sign a contract with Weinlander, Fitzhugh, Bertuleit and Schairer for the financial compliance audit of all county funds for fiscal year 1979 at a total cost not to exceed \$13,000, the audit to be completed by December 31, 1980.

BE IT FURTHER RESOLVED, that all expenses for this audit are hereby authorized to be paid from Federal Revenue Sharing funds.

Supported by Ulman and following a discussion wherein George explained that it is not the lowest bid submitted, but the lowest one for a firm with experience in auditing counties, and who, it is deemed, will do the job in the least time, with the least amount of help from county personnel - carried.

Your finance committee recommends that the following attached bills be paid from the indicated sources:

- (1) VISA #162.05—travel expenses for Undersheriff Michael Welsch
- (2) VISA #24.75—travel expenses for Sheriff George Westcott
- (3) Bureau of National Affairs, Inc. \$267.00—District Court budget
- (4) Iosco County Building Authority \$12,891.66—Federal Revenue Sharing funds

Supported by Merschel and carried.

Upon motion by Merschel, supported by Ulman and pre-availing, the minutes of the August 6th, 1980 board of commissioners meeting were approved as drafted and presented by the clerk.

Commissioner Merschel presented and moved adoption of the following resolutions:

BE IT RESOLVED, that the Iosco County Board of Commissioners hereby creates and establishes the Iosco County Housing Commission for the purpose of administering the "HUD" community block grant, said commission to be governed by, and conducted according to, Public Act 18, of the Public Acts of 1933 (extra session), M. C. L. 125.653 at SEQ.

Supported by George and carried.

Your airport committee recommends that Chairman John D. Webb, Jr. be hereby authorized to sign the contract with Ayers, Lewis, Norris and May, Inc. for professional services in preparing an airport zoning ordinance in accordance with Act 23, P. A. of 1950, and Michigan Aeronautics Commission policy.

Supported by Stech and carried.

preparation and oversight of the budget. In discussion of the matter, Commissioner Merschel voiced the opinion that the chairman of the statutory finance committee should bear the responsibilities indicated for a chief administrative officer, indicating he "would just as soon do nothing" about designating an individual at this time. It was also the consensus of other board members that no immediate action is required.

Chairman Webb reported on a communication received from Oscoda Township Supervisor Robert Foster directing attention to the fact that the separate tax limitation (pegged millage) which was voted upon in November 1976, will be expiring next year, and proposing that a "fixed allocation" proposal be again submitted to the electors at the general election to be held in November of this year. The matter was discussed briefly, whereupon the clerk indicated that he would research the matter and report back to the board.

Commissioner Stech presented and moved adoption of the following resolutions:

Your airport committee recommends that Chairman John D. Webb, Jr. be authorized to sign the application requesting that Mr. Austin Fisher be appointed as assistant manager of the Iosco County Airport. This assistant manager shall terminate at such time as Mr. Fisher's CETA position terminates.

Supported by Merschel and carried on the following roll call: Ayes: Stech, Merschel, Ulman and Webb. Nays: George.

Your finance committee recommends that Chairman John D. Webb, Jr. be authorized to endorse the 1980-81 Foster Family Group Homes basic grant budget request.

Supported by Merschel and carried.

Commissioner Ulman presented and moved adoption of the following resolutions:

Your administrative committee recommends that, pursuant to resolution adopted 11/7/79, County Employee Roberta Roulou revert to a "swing position" effective 9/1/80, whereby she will work 3 days per week for the 81st District Court and 2 days per week for the register of deeds, with salary and fringe benefits to be prorated accordingly.

Supported by Stech and carried.

Your administrative committee recommends that Iosco County Juvenile Officer George Burnette continue his employment, with the State of Michigan funding his position. In consideration of this action, the county may supplement this position so that the total annual compensation (state salary plus county supplement) may increase annually in the same proportion as similar county employees.

Supported by George and carried.

WHEREAS, projected federal funding for CETA shows a significant decrease for the fiscal year commencing October 31, 1980; therefore

BE IT RESOLVED, that, effective September 1, 1980, all hiring of vacant positions in Titles II-D and VI P. S. E. be prohibited; and

BE IT FURTHER RESOLVED, that this policy, however, is subject to review monthly.

Supported by Stech and carried.

Finance Chairman George thereupon presented and moved adoption of the following resolutions:

ations should be "worked out", subject to adjustment after audit, plus payment of an \$1,800 deficit from last year. Following further discussion of the contract with Oscoda and AuSable Townships proposed by Commissioner George, to which other board members indicated their opposition until further review of the matter, the matter was referred to Commissioner George to draft a resolution for a preliminary payment.

County Clerk D. Keith Pappas, in response to a question from the board concerning the possibility of placing a tax limitations (pegged millage) proposal on the ballot at the November General Election, proceeded to explain, under the provisions of M. C. L. 211.205k, as amended by Act No. 339 of the P. A. of 1976, the county board of commissioners may resolve to alter or extend the existing separate tax limitations that were voted in 1976, further explaining the provision whereby a county advisory tax limitation committee (consisting of the same membership as a tax allocation board) would have to be formed to prepare an allocation of millage for submission to the county board of commissioners, whereupon the county board would be required to adopt (not less than 49 days prior to the election) a resolution to place the proposal on the ballot at the November General Election.

County Counsel Ronald Tyler addressed the board relative to the statutory provisions contained in M. C. L. 211.205k, as amended, indicating that the statute is not clear with respect to whether a petition for separate tax limitations is required, and that he has contacted the attorney general's office for an opinion.

In discussion of the matter, it was proposed that, due to the critical time factor, the board proceed with the adoption of a resolution to initiate the procedure indicated by M. C. L. 211.205k, pending a ruling by the attorney general.

Committees were ordered to their respective duties at 2:50 p. m., the official meeting to stand in recess until 4:00 p. m.

Upon call to order at 4:15 p. m. (Commissioner Stech having arrived and joined the meeting), Attorney Ronald Tyler presented to the board the following proposed resolution (See COMMISSION, page 5.)

PLEASE TAKE NOTICE that any qualified elector of the City of Tawas City, County of Iosco, who is not already registered may register for the general election to be held on the 4th day of November, 1980, in said City.

The City Clerk will be at her office in the City Hall on each working day during regular working hours until and including Monday, October 6, 1980, for the purpose of receiving registrations of qualified electors of the City of Tawas City not already registered. The City Clerk will also be in her home-office at 304 Whittemore Street on Saturday, October 4, 1980 between the hours of 8:00 o'clock a. m. and 5:00 o'clock p. m. for the purposes of receiving registration.

In addition to the election of Federal, State, and County officers, and several State proposals to be submitted, the following local proposition will be submitted to a vote:

Fire Station Bonding Proposition

Shall the City of Tawas City, County of Iosco, Michigan, borrow the principal amount of not to exceed One Hundred Seventy-five Thousand Dollars (\$175,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of paying the cost of acquiring, construction, furnishing and equipping a building for the use of the City to house a fire station, and acquiring and improving a site therefor at the intersection of 4th Avenue and Mathews Street?

On October 6, 1980, which is the last day for receiving registrations for said general election to be held on Tuesday, November 4, 1980, the City Clerk will be at her office between the hours of 8:00 a. m. and 8:00 p. m., Eastern Daylight Time, for the purpose of receiving registrations of qualified electors.

THE LAST DAY FOR RECEIVING REGISTRATIONS FOR SAID GENERAL ELECTION TO BE HELD TUESDAY, NOVEMBER 4, 1980, WILL BE MONDAY, OCTOBER 6, 1980.

Rachel Sue McCready
City Clerk

Commission

(Continued from page 5.)

which he drafted:
Pursuant to the provisions of the Property Tax Limitation Act, Act 62 of 1933, as amended, Section 211.205k,
The Iosco County Board of Commissioners hereby resolves, to extend, or extend and alter within the 18 mill limitation, the existing separate tax limitations of the county, and townships and school districts in the county.
BE IT FURTHER RESOLVED, that those persons and bodies having appointive powers under Section 5 of said act be notified of this resolution for the purpose of establishing a county advisory tax limitation committee to carry out those duties and responsibilities governed by Section 211.205k.
BE IT FURTHER RESOLVED, that the Iosco County clerk be authorized to convene said committee and disburse per diem and mileage payments to the members in the same manner and amounts as that provided to members of the tax allocation board.
It was thereupon moved by George and supported by Stech that the foregoing resolution be adopted. Motion carried.
The appointment by the board of a member to the county advisory tax limitation committee, as provided by M. C. L. 211.205 (f), was discussed briefly with counsel.
Commissioner Merschel presented and moved adoption of the following resolution, motion being supported by Ulman and carried.
Your health and public safety committee recommends that the AuSable Valley Community Mental Health Services budget request for fiscal year 1980-1981 be approved as presented (copy attached) and that Chairman John D. Webb, Jr. and County Treasurer Edward Nelkie be authorized to sign the allocation request to the Michigan Department of Mental Health, and, further, that Iosco County's share of said budget be approved in the amount of \$27,773.
Commissioner Stech presented and moved adoption of the following resolution, which was supported by Merschel. Following a discussion wherein Stech raised the matter of sheriff's deputies taking patrol cars home, voicing his objection to such a practice; and Webb reported on having spoken to the sheriff about the matter, indicating they may have to work something out with the sheriff concerning the availability of patrol vehicles to off-duty officers, motion carried.
Your health and public safety committee recommends that Sheriff George Westcott be authorized to obtain bids for surplus patrol vehicles, with the final time and date for submission of bids to be 3:00 p. m. on September 17, 1980.
Continuing, Commissioner Stech reported on a recent meeting he and Commissioner Merschel had with Roger McIntosh concerning the latter's claim against the county for reimbursement of expense for preparation of a taxi-way and the site for construction of a hangar in accordance with an agreement with the county, indicating that he can see both sides of the argument and that to keep good will, he would recommend that the county go as high as \$1,200 in offer of settlement, further pointing out that, although Mr. McIntosh was in a hurry and proceeded without the board's authorization, the county also failed to live up to their end of the contract. Stech further observed that the hangar is an asset to the airport and the industrial park.
Merschel offered his comments regarding the meeting, explaining the study he made to arrive at a fair estimate of costs and recommending that a maximum of \$1,000 be offered to Mr. McIntosh.
Following further discussion wherein Chairman Webb indicated that he would go along with a \$1,000 settlement, prorated over a period of time, the matter was referred to Commissioner Stech to draft a resolution.
Commissioner Ulman presented and moved adoption of the following resolution, motion being supported by Stech and carried.
Your administrative committee recommends that the following persons be appointed to an ad hoc volunteer committee to study the ways and means of future funding of a contract for continuation of a sanitary landfill, with the provision that said appointees shall not receive per diem or mileage reimbursement: Lowell Thomas, James Belson, Susan Lambrecht, Eilert Barnes, Allan Buchanan, Paul Hay, Marian Ulman, Frieda Rempert, Karl Bowsly, John Weible, Robert Foster, Raymond Jurczyk, Kurt Kuhl.
Finance Chairman George presented and moved adoption of the following resolutions:
Your finance committee recommends that the following amounts be paid from the county ambulance service No. 210 fund:
Oscoda Township, \$1,800 (1979 unfunded deficit); Tawas St. Joseph Hospital, Inc., \$8,103 (1979-80 unfunded deficit); Oscoda Township, \$10,000 (to apply on 1980 deficit).
Further, that county counsel be authorized to prepare a contract for the board's consideration, between the county and the Oscoda-AuSable Ambulance Service, said contract to be similar to that presently existing between the county and the Tawas St. Joseph Hospital, Inc.
Supported by Ulman and carried.
Your finance committee recommends that travel expense vouchers for Road Commissioners Henry Conley, Ralph White and A. J. Atlerich in the amounts of \$36.72, \$14.96 and \$13.60, respectively, be approved for payment from road commission funds.
Supported by Ulman and carried.
Your finance committee recommends that Chairman John D. Webb, Jr. be authorized to certify the county child care budget summary as submitted by the probate court.
Supported by Stech and carried.
Commissioner Merschel presented and moved adoption of the following resolution, motion being supported by George and carried on the following roll call: Ayes: Stech, Merschel and Webb. Nays: George and Ulman.
Your airport committee recommends that Roger McIntosh, in consideration of leveling and graveling work on county property adjacent to lot "A" at the Iosco County Airport, be credited in the amount of \$1,000 on his lease agreement on said lot "A", the \$1,000 to be credited at the rate of \$50 each month beginning with September, 1980 rental fee and continuing until the amount of \$1,000 is paid.
Finance Chairman George presented and moved adoption of the following resolution, motion being supported by Merschel and carried.
Your finance committee recommends that the attached bill from Vanair Aviation Services in the amount of \$167.20 be paid from county budget line item

No. 9, said expense having been incurred for meeting with county labor counsel to prepare the final offer for the sheriff's employees labor contract.
Following a brief discussion concerning the board's appointment of a member to the county advisory tax limitation committee, it was moved by George and supported by Stech that J. Berkeley Smith, of Oscoda, be named as the board's appointee. Motion carried.
Commissioner Merschel raised the matter of appointments to the newly created housing commission, which was discussed briefly.
Finance Chairman George referred to the provision in the uniform budget act for designation of a chief administrative officer to prepare and oversee the county budget, indicating his desire to go on record as being deeply concerned about the matter.
Following a discussion concerning the deadline of September 16, 1980, to adopt a resolution to place the separate tax limitations proposal on the November ballot, it was moved by George and supported by Stech that the next regular meeting be rescheduled to September 16, 1980, at 4:00 p. m., and that the board adjourn until that date, or subject to the call of the chair upon 24 hours notice to board members and the news media. Motion carried and meeting adjourned at 5:25 p. m.

NEMROC Sues Mental Health Over Contract

Northeastern Michigan Rehabilitation and Opportunity Center, Incorporated, has instituted suit in Iosco County Circuit Court to collect \$2,341.92 which it claims is owed by AuSable Valley Community Mental Health Services, Incorporated.
The former Iosco-Ogemaw Community Mental Health Services board entered into contract to provide fund support to the plaintiff in consideration of mental health services.
AuSable Valley Community Mental Health Services, Incorporated, successor to the former two-county mental health services board, refused to make payment according to the contract, alleging that the plaintiff was not open to serve its clients for 44 days. The defendant alleged a contract violation and demanded reimbursement of \$5,785.10 from NEMROC.
The petition submitted to the circuit court stated that NEMROC believes that its obligation was not with the numbers of defendants' clients who were provided service, but rather with per diem payment which was earned on each day the plaintiff was open to provide contracted service established by prior parties.
According to the contract, the defendant agreed to pay a per diem rate of \$13.94 for 252 work days per slot, with a maximum of 2,016 slot days in the contract period.

Delinquent Property Taxes 1978

Effective October 1, 1980, all property taxes delinquent for the year 1978 will have a \$5.50 Expense of Sale added, according to Section 59 of the General Property Tax Laws. Pay 1978 taxes before October 1, 1980.
Edward J. Nelkie
Iosco County Treasurer

CFS Offers Counseling Service

Many questions and concerns arise when someone faces an unplanned pregnancy and may want someone to help.

Whether married, single or divorced, regardless of age, the person may want someone to talk to about the pregnancy. Child and Family Services of Michigan, Incorporated, provides personal, confidential and professional counseling.

Whatever the decision, to parent the child, decide to release for adoption or to follow

through with terminating the pregnancy, help is available.

If the pregnancy is continued, the agency guides in obtaining financial, educational and vocational resources and helps plan for the mother and the baby. Good medical care is essential and emphasized. Living arrangements can be made outside the home.

If adoption is decided, the agency provides help with the legal procedures. Foster care services are available if more time is needed to be certain about the decision. Adoption services ensure the baby of a loving family awaiting a child.

If the mother chooses to parent the baby, information on child care and health needs is given. Parenting classes may also be available.

Whatever decision is made, Child and Family Services will take the time to listen and talk with the parent. The agency is located at 115 Water Street, Alpena, telephone 517-356-4567.

Extra strength relieves problem itching.

It's called BICOZENE® and it has 20% more anesthetic than Lanacane. BICOZENE's extra strength anesthetic safely cools all kinds of problem itching virtually on contact. And BICOZENE's antibacterial action speeds healing of itchy genital or anal areas.

Look for BICOZENE Creme in the purple box at your pharmacy. Or ask for "By-Co-Zeen."

Extra strength. Use only as directed. **BICOZENE**

JEROME E. BURNS, ATTORNEY, P.C.
"20 Years of Trial Experience"

"EVERY KIND of lumbering operation was pulled off" in Western Isosco County and Eastern Ogemaw County, wrote Hugh Mulholland Sr. He told of a tramway on which teams of horses pulled cars loaded with logs to the main track. One of the cars—this one

operating on log "rails" laid end-for-end—was used in Plainfield Township during the 1880s. These men posed for their picture in 1884, when they tried their hand at hunting wild game prior to the start of the logging season.

Mulholland

(Continued from page 1.)

of his fellow man better with a clear head than one befuddled by rum."

"At Whittemore, where that place was a station at that time with no habitation only a big pile of logs always waiting to be loaded on the cars on the narrow gauge railroad, stands now one of the finest school buildings in the state and the place seems to be thriving with an industry, which maybe is not as noisy as in the lumbering days, but nevertheless it is still there," recalled Mulholland in 1937.

Speaking of the territory of Western Isosco and Eastern Ogemaw Counties, he said that "here is where every kind of lumbering operations were pulled off. We had the old tramway, which was made of rails cut from the hardwoods, on which teams pulled the cars loaded with logs to the main track, where the teams had to help the engines up the hills. All methods known to lumbering were in operation here at that time." The tramway referred to was originally constructed by C. D. Hale of Tawas City in 1877, which preceded the opening of the first railroad a year later.

"I remember one day when the late Gen. Russell A. Alger and his business partner, Mr. Smith, came to the camp and we prepared him a big dinner. After they had finished, they each produced a silver dollar for the cook. We had a good long talk with them, but did not know who our distinguished guests were. Men were mostly all alike at that time," recalled Mulholland. General Alger, in 1883, founded the Detroit, Bay City and Alpena Railroad, now the Detroit and Mackinac, and became governor of the state and secretary of war in the federal cabinet.

Mulholland also recalled the day when J. W. Fitzmaurice, author and writer of lumbering day stories and verse, came to camp. Fitzmaurice at the time, while plying his versatile quill, was also majoring for the establishment of St. Mary's Hospital at Saginaw for the benefit of workers in lumber camps.

His letter to the editor in 1937 said he could not help but notice the change in the little town of Prescott, "where at the time I was there, it was one of the first typical lumber towns. Driving into the town today, one sees fine buildings, fine farms and homes and the ribbons of improved roads, where formerly stood the stately pine, the lumber shacks and winding trails from one camp to another. I don't know just how to tell it, but it brings back a lump in the throat and maybe a tear to the eye. The man, who was brought up in the pine forest, while he seemed bent-bellied, as it were—on cutting the trees, yet he now has a 'feeling' for them and he is sorry they are gone.

"There, where the skidways formerly rolled the big logs, we saw a couple of trains with many tank cars taking out 'black gold' every day. And when the oil supply is gone, what then?"

He confessed that there was "some sort of lump" in his throat when, after 50 or more years, he was able to "visit the scenes of those good old lumber days and the feeling brought me back to many things which will always stick in my memory.

"I don't know whether I felt badly after seeing that all the timber had been cut—those beautiful stands of virgin timber dissipated—or whether I thought it was a wonderful transition from the primeval forest to the beautiful homes and busy towns which have sprung up in place of the timber."

Mulholland had, in all probability, as great an experience in the old-time lumbering operations as any man who followed the pine. He was camp foreman for many companies, both in this country and in Upper Canada; he served as cook in several camps, as well as timber looker, river driver and occupied all of the positions germane to the lumbering industry.

He worked along the famous Tittabawasee River, when the onslaught upon the beautiful timber was started; he helped to take the big timber down the Rifle, the Tobacco and other rivers, as well as here in Isosco County.

His obituary stated that "he always stood upon his own feet; he fought his own fight and he took no credit for the

deeds of other men and wanted to be judged always by his own deeds. His heart was aglow with love of his fellow beings of all nature and he has left a heritage of influence that will count upon the good side of all things which will work for the common good."

All of this by a man who quit school at the end of the third grade to make his mark in life on his own.

Menus

IOSCO COUNTY DROP-IN CENTERS

Thursday, September 25—

Cook's choice main dish, vegetables and fruits, bread and margarine, favorite dessert, coffee, tea, milk.

Friday, September 26—

Boiled dinner, biscuit and margarine, tossed salad, pineapple cup, coffee, tea, milk.

Monday, September 29—

Turkey a la king on biscuit, cheese sticks, peas and carrots, tossed salad, peach and plum cobbler, coffee, tea, milk.

Tuesday, September 30—

Chili macaroni, Mexican corn, cabbage salad, corn bread and margarine, fruit cup, coffee, tea, milk.

Wednesday, October 1—

Roast pork, whipped potatoes and gravy, carrot and raisin salad, assorted bread and margarine, peanut butter cake, coffee, tea, milk, juice.

504 LAKE STREET - TAWAS CITY

The **GENE DELFONT Show**
MASTER HYPNOTIST

SUNDAY, Oct. 5TH

8:00 PM - 10:00 PM

at the **TAWAS AREA HIGH SCHOOL**

BULLET CATCH:

The act is not a fake or trickery. He has a bullet wound in his right shoulder that attests to the fact. He received the wound while doing his "thing" at Elsworth Air Force Base recently.

Delfont is shot with a .357 magnum at 40 feet. — the routine goes something like this. At the end of one of his acts, he has a person form the audience come to the stage. "I only have about seven seconds as the guy points the gun at me before his hand starts shaking," he added. "I just get cozy in the corner, I tense up, and yell FIRE!"

BLINDFOLDED CAR DRIVE:

Delfont will drive blindfolded, escorted by the Isosco County Sheriff Department using only the sound of a police siren for direction. This will happen Saturday, October 4th, 1980 at 12:00 noon leaving Tawas Area High School and arriving at the Midway Family Shopping Center.

HYPNOTIST SHOW:

Gene Delfont who practices clinical hypnotism between performing dates has appeared all over the United States and Canada, displaying a relaxed, no hustle act of hypnotism. Join Gene for an evening of fun entertainment you'll never forget.
